Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 12, 2010, the shareholders of PolyOne Corporation, an Ohio corporation (the *Company*), upon the recommendation of the Company's Board of Directors (the *Board*), approved (1) the PolyOne Corporation 2010 Equity and Performance Incentive Plan (the *2010 Equity Plan*) and (2) the PolyOne Corporation Senior Executive Annual Incentive Plan (Effective January 1, 2011) (the *Incentive Plan*). The Board adopted the 2010 Equity Plan and the Incentive Plan on March 4, 2010, each subject to shareholder approval.

The 2010 Equity Plan authorizes the Compensation Committee to provide equity-based compensation in the form of a variety of awards including stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, performance units and other awards for the purpose of attracting and retaining directors, officers and other employees of the Company and its subsidiaries and providing such persons incentives and rewards for superior performance. Total awards under the 2010 Equity Plan are limited to 3,000,000 common shares, par value \$0.01 per share, of the Company, plus any common shares relating to awards that expire or are forfeited or cancelled under the 2010 Equity Plan, subject to adjustment as provided in the 2010 Equity Plan.

The Incentive Plan is designed to provide key executives of the Company with an opportunity to receive incentive compensation as a reward for high levels of performance above the ordinary performance standards compensated by base salary, and for their contributions to strong performance of the Company. The Incentive Plan authorizes the Compensation Committee to make awards to key executives upon the achievement of performance targets that are based on measures of the Company's performance. These performance measures will be determined by the Compensation Committee for each plan year and will include one or more of the following:

Profits (*e.g.*, operating income, EBIT, EBT, net income, earnings per share, residual or economic earnings, economic profit – these profitability metrics could be measured before certain specified special items and/or subject to GAAP definition);

Cash Flow (*e.g.*, EBITDA, free cash flow, free cash flow with or without specific capital expenditure target or range, including or excluding divestments and/or acquisitions, total cash flow, cash flow in excess of cost of capital or residual cash flow or cash flow return on investment);

Returns (*e.g.*, Profits or Cash Flow returns on: assets, invested capital, net capital employed, and equity);

Working Capital (*e.g.*, working capital divided by sales, days sales outstanding, days sales inventory, and days sales in payables);

Profit Margins (*e.g.*, Profits divided by revenues, gross margins and material margins divided by revenues, and material margin divided by sales pounds);

Liquidity Measures (*e.g.*, debt-to-capital, debt-to-EBITDA, total debt ratio);

Sales Growth, Gross Margin Growth, Cost Initiative and Stock Price Metrics (*e.g.*, revenues, revenue growth, revenue growth outside the United States, gross margin and gross margin growth, material margin and material margin growth, stock price appreciation, total return to shareholders, sales and administrative costs divided by sales, and sales and administrative costs divided by profits); and

Strategic Initiative Key Deliverable Metrics consisting of one or more of the following: product development, strategic partnering, research and development, vitality index, market penetration, geographic business expansion goals, cost targets, customer satisfaction, employee satisfaction, management of employment practices and employee benefits, supervision of litigation and information technology, and goals relating to acquisitions or divestitures of subsidiaries, affiliates and joint ventures.

The maximum award that will be available to a participant each plan year will in no event be more than \$3,000,000. Awards may be paid in cash or in the form of restricted shares or share equivalent units, as determined by the Compensation Committee, and awards paid in restricted shares or share equivalent units will be enhanced with a 25% premium. Participants will generally be eligible to receive interim lump-sum cash payments in the event of a Change of Control, as that term is defined in the Incentive Plan.

The descriptions of the 2010 Equity Plan and the Incentive Plan are qualified in their entirety by reference to the full text of the plans, which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
