Item 4.01. Changes in Registrant's Certifying Accountant

On June 18, 2010, Inverness Medical Innovations, Inc. (the Company), acting through its Audit Committee, engaged PricewaterhouseCoopers LLP (PwC) as its principal accountant to audit its financial statements for the fiscal year ending December 31, 2010, as well as to review the Company's interim financial statements during the remainder of 2010. The Company's Audit Committee engaged PwC after a thorough selection process which included meeting with, and reviewing proposals from, several candidates including BDO Seidman, LLP (BDO). PwC replaced BDO as the Company's principal accountant as of such date.

BDO's reports on the Company's financial statements for the fiscal years ended December 31, 2008 and 2009 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2008 and 2009 and the subsequent period through June 18, 2010, (i) there were no disagreements between the Company and BDO on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the matter in its report on the Company's financial statements; and (ii) there were no reportable events as the term is described in Item 304(a)(1)(iv) of Regulation S-K.

The Company provided BDO with a copy of the disclosures it is making in this Current Report on Form 8-K, and requested that BDO furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. A copy of the letter, dated June 23, 2010, is filed as Exhibit 16.1 (which is incorporated by reference herein) to this Current Report on Form 8-K.
