Trina Solar Announces Appointments of Chief Strategy Officer and Senior Vice President, Operations

Changzhou, China July 12 Trina Solar Limited (TSL) (Trina Solar or the Company), a leading integrated manufacturer of solar photovoltaic (PV) products from the production of ingots, wafers and cells to the assembly of PV modules, today announced the following management appointments at the Company:

Mr. Sean Tzou has been appointed to the new position of Chief Strategy Officer. Mr. Tzou served as the Company's Chief Operations Officer from March of 2007 until June of 2010. The new position will allow Mr. Tzou, who assumed responsibilities as the head of global sales and marketing in August of 2009, to focus on key strategic growth areas including sales team management, channel optimization and brand enhancement and promotion. Mr. Tzou will continue to serve as a director on Trina Solar's Board of Directors.

Mr. Gary Yu, who served as Trina Solar's Vice President of Manufacturing since May of 2007, has been promoted to the position of Senior Vice President, Operations, and will continue to manage daily responsibilities of manufacturing and operations management. Mr. Yu's role will remain focused on key internal operations areas such as manufacturing cost reduction, and will now include capacity expansion and supply chain management.

We have enacted these changes to better align our management team coverage of key internal and external growth areas to assure the continuing strength of our high product quality and manufacturing cost leadership, said Mr. Jifan Gao, Chairman and Chief Executive Officer of Trina Solar. We are excited that Sean is taking on the responsibility to oversee the Company's strategic drive in global marketing and sales. We are also confident that Gary will continue to do a great job in his expanded role on the operations management side.

These appointments reinforce the Company's commitment to deliver market-driven solutions and first class customer service to an increasing number of end-markets and distribution channels worldwide in line with its expectations to increase global market share in 2011 and beyond.

About Trina Solar Limited

Trina Solar Limited (NYSE: TSL), through its wholly-owned subsidiary Changzhou Trina Solar Energy Co. Ltd., is a well recognized manufacturer of high quality modules and has a long history as a solar PV pioneer since its foundation in 1997 as a system installation company. Trina Solar is one of the few PV manufacturers that have developed a vertically integrated business model from the production of monocrystalline and multicrystalline silicon ingots, wafers and cells to the assembly of high quality modules. Trina Solar's products provide reliable and environmentally-friendly electric power for a growing variety of end-user applications worldwide.
