Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 12, 2010, Corrections Corporation of America (the Company) entered into a Stock Option Cancellation Agreement (the Cancellation Agreement) with John D. Ferguson, Chairman of the Company's Board of Directors, pursuant to which Mr. Ferguson surrendered and cancelled certain previously granted options (the Cancelled Options) to purchase shares of the Company's common stock in order to make additional shares available under the Company's Amended and Restated 2000 Stock Incentive Plan and its 2008 Stock Incentive Plan for future equity grants to Company personnel. Mr. Ferguson stated his belief that the shares underlying the Cancelled Options would be better utilized by the Company to make future incentive grants to other Company employees. Pursuant to the terms of the Cancellation Agreement, Mr. Ferguson and the Company acknowledged and agreed that the surrender and cancellation of the Cancelled Options was without any expectation to receive, and was without any obligation on the Company to pay or grant, any cash, equity awards or other consideration presently or in the future in regard to the cancellation of the Cancelled Options. The Cancelled Options that were surrendered had an exercise price that ranged from \$26.53 to \$26.71 per share. The aggregate number of shares underlying the Cancelled Options held by Mr. Ferguson was 165,647.

Under applicable accounting standards, the Company will account for the cancellation as a settlement for no consideration, and the Company will record the previously unrecognized compensation cost related to the Cancelled Stock Options of \$0.1 million during the three months ending September 30, 2010.

The foregoing description of the Cancellation Agreement is qualified in its entirety by reference to the Cancellation Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
