**GENERAL INFORMATION** What is GE Interest Plus for Businesses? GE Interest Plus for Businesses is an investment designed to provide investors with a convenient way to invest directly in General Electric Capital Corporation ( GE Capital ). GE Interest Plus for Businesses is issued by General Electric Capital Corporation. It is an unsecured and unsubordinated debt obligation of GE Capital and is not a bank account or a money market fund. It is not a bank deposit and is not FDIC insured. It is offered in the U.S. by prospectus only. Complete information concerning GE Interest Plus for Businesses is contained in the Prospectus. Back to top

**How does GE Interest Plus for Businesses set its rates?** Rates are reviewed weekly by the GE Interest Plus Committee and may be reset as often. Back to top

**How is the yield calculated?** Yield reflects the annual rate of return on your investment. It assumes that interest is accrued daily and posted monthly, and that there are no additional investments or redemptions. Back to top

**Why does GE Interest Plus for Businesses pay a different rate than the consumer version?** GE Interest Plus for Businesses offers a lower rate for commercial investments. Business accounts tend to be more volatile than those of consumers. Nevertheless, the rate offered to businesses can typically be higher when compared to bank money market accounts, CDs and other cash alternatives offered to businesses. The liquidity offered coupled with a rate that is likely to be higher than similar short term alternatives can make GE Interest Plus for Businesses an attractive option for your business. Back to top

**Can I use checks to access my GE Interest Plus for Businesses investment?** No. Checkbooks are not provided with your GE Interest Plus for Businesses investment. You may take advantage of our free electronic transfers service to move money to and from your linked business checking account. You may also invest and redeem by wire. Back to top

**What is the minimum initial investment?** The minimum initial investment is \$500. Back to top

**What if my investment amount falls below the required minimum?** The required minimum investment is \$500. If your investment falls below the required minimum you will be notified in writing and will be provided with at least 30 days in which to increase your balance to the requirement. If you do not do so, your investment will be redeemed and a check will be mailed to your address of record. Back to top

**How is interest accrued and paid?** Interest on the Notes will accrue daily. Accrued interest will be credited and automatically reinvested in additional Notes monthly and will begin to accrue interest on the first day following the date of such reinvestment. Back to top

**What if I have questions about my investment?** For up to date information about your investment or current GE Interest Plus for Businesses rate, you may login to Online Access or call our automated touch tone service at 1 800 674 4135, 24 hours a day, 7 days a week. Customer Service Representatives are also available at this number. Monday through Friday, from 8:30 a.m. to 7:00 p.m. Eastern Time. Back to top

**Why do you pay a lower rate for investments that are greater than \$5 million?** The rate applicable to investments greater than \$5 million is designed to encourage investors to maintain investments below \$5 million. It will only apply to that portion of your investment that is greater than \$5 million. Back to top
