Item 1.01. Entry into a Material Definitive Agreement.

The purpose of filing this Form 8-K is solely to disclose the Order under Item 1.01, and the disclosure contained in this Form 8-K is substantially the same as the disclosure contained in the previously filed Form 8-K.

As previously disclosed under Item 8.01 of a Form 8-K filed on April 13, 2011, we have entered into a consent order (the Order) with the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency and the Office of Thrift Supervision (collectively, the banking agencies) in connection with their review of matters relating to the mortgage servicing industry, including the services provided to mortgage servicers by our DocX and Default Solutions operations. This review included document execution services we provided to mortgage servicers regulated by those agencies (Servicers). The Order does not make any findings of fact or conclusions of wrongdoing, nor does LPS admit any fault or liability. The Order requires further study of the issues identified in the review and enhancement of oversight, compliance, audit and risk management plans with respect to those businesses. We will engage an independent third party to conduct a risk assessment and review of our default management businesses and the document execution services we provided to Servicers from January 1, 2008 through December 31, 2010. To the extent such review requires additional remediation of mortgage documents, we have agreed to implement an appropriate plan to address the issues. The Order does not include any fine or other monetary penalty, although the banking agencies have not yet concluded their assessment of whether any civil money penalties may be imposed.

A copy of the Order is included as Exhibit 99.1 and is incorporated herein by reference. The description of the Order set forth above does not purport to be complete, and is qualified by reference to the full text of the Order.

Item 9.01. Financial Statements and Exhibits.
