ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On May 2, 2011, we issued a press release reporting our results of operations for the quarter ended March 31, 2011 and providing financial guidance for both the second quarter of and fiscal 2011. A copy of that press release is furnished herewith as Exhibit 99.1.

ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

On April 28, 2011, our board of directors appointed Jeffrey S. Litwin, M.D. as our President and Chief Executive Officer and elected him to the board of directors for a term to expire at the 2012 annual meeting, all effective May 1, 2011. Dr. Litwin had served as our Executive Vice President and Chief Medical Officer since December 2005 and as Senior Vice President and Chief Medical Officer from July 2000 until December 2005.

In connection with the appointment, we entered into a new Management Employment Agreement with Dr. Litwin. Under the Agreement, Dr. Litwin's base salary was increased to \$550,000 on an annualized basis and his bonus opportunity under our 2011 bonus plan was increased to 75% of his base salary for the period from May 1, 2011 through December 31, 2011, or \$275,000. Of this opportunity, 15% will be based on the extent to which we achieve specified revenue targets, 55% will be based on the extent to which we achieve specified net minimum targets and 30% will be subject to the discretion of our board's compensation committee. Dr. Litwin remains eligible for a bonus opportunity of \$60,833.33 for the first four months of 2011 based on the previously disclosed criteria.

The agreement also provides for an additional award of stock options and restricted stock options valued at \$93,666.50 for each award. The awards will be granted on May 3, 2011 (the Grant Date), the first business day after the release of our results of operations for the fiscal quarter ended March 31, 2011. Both the stock options and the restricted stock will be granted pursuant to our Amended and Restated 2003 Equity Incentive Plan (the Plan). The options will be granted with an exercise price equal to the closing price of our common stock on the Grant Date and will be incentive options to the maximum extent permitted. The options will vest and the restrictions on the restricted stock will lapse in four equal consecutive annual installments commencing one year from the Grant Date. The number of shares of restricted stock and the number of stock options to be granted to Dr. Litwin will be determined by dividing \$93,666.50 by the closing price of our common stock on the Grant Date for the restricted stock and by the fair value of the options on the Grant Date using the Black Scholes option pricing model for the stock options.

We also increased the severance to which Dr. Litwin will be entitled, consistent with our prior chief executive officer. If his agreement is terminated for death, disability or other than for cause, we increased his severance from six months base salary and benefits continuation to one year. If Dr. Litwin becomes entitled to severance following a change in control in accordance with the conditions specified in his prior agreement (which were not changed in the new agreement), we increased his severance from one year base salary and benefits continuation to 18 months.

On April 28, 2011, our board also elected Elam M. Hitchner III to succeed Joel Morganroth, MD as Chairman. Mr. Hitchner had served as our lead independent director since April 2010. Dr. Morganroth will continue to serve as a director and as our Executive Vice President and Chief Scientific Officer.

We issued a press release on May 2, 2011 announcing these appointments. A copy of that press release is furnished herewith as Exhibit 99.2.
