**Additional Changes to
Preliminary Prospectus
Supplement:**

The total size of the offering of notes has been increased from \$1,000,000,000 to \$5,000,000,000, allocated as set forth above.

Corresponding changes have been made where applicable throughout the Preliminary Prospectus Supplement. In addition, other information (including financial information) is deemed to have changed to the extent affected by the changes described herein and the pricing of the Notes.

As a result of this increase in offering size, the description of the second lien notes and any references to the amount of the \$1.578 billion 9⁵/₈%/10³/₈% second lien toggle notes due 2016 being redeemed with the net proceeds of this offering shall be amended to increase the amount being redeemed from the initial \$900 million to all of such notes and to include the redemption of all of the outstanding 9¹/₄% second lien notes due 2016. In addition, as a result of the repayment of all of the 9⁵/₈%/10³/₈% second lien toggle notes due 2016 and 9¹/₄% second lien notes due 2016, as of March 31, 2011, on an as adjusted basis to give effect to the June redemptions, this offering and the use of proceeds described herein, there would have been approximately \$26.0 billion of indebtedness of HCA Inc.'s subsidiaries, of which approximately \$16.6 billion would have been secured.
