Pursuant to ASC 205-20, Presentation of Financial Statements – Discontinued Operations, certain assets of Health Care REIT, Inc. (the Company) are now classified as discontinued operations due to their sale during the six months ended June 30, 2011 or their classification as held for sale at June 30, 2011. As a result, the Company is reclassifying in this Current Report its operations, including rental income, interest expense and provision for depreciation and amortization related to those assets for prior periods. The application of ASC 205-20 had no effect on net income attributable to common stockholders for any period presented therein.

During the three months ended March 31, 2011, we changed our reportable business segments to (i) senior housing triple-net, (ii) senior housing operating and (iii) medical facilities and reclassified certain assets and related revenues. Senior housing triple-net and senior housing operating were formerly combined and classified as senior housing and care. Accordingly, we have reclassified the relevant amounts and certain assets and revenues to be included in the related business segments in this Current Report to be consistent with the new classification.

This Current Report also includes changes we have made to address certain comments received from the Securities and Exchange Commission regarding our Form 10-K for the year ended December 31, 2010. Those changes include expanded disclosure regarding lease expirations in Item 2 - Properties and expanded disclosures in Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations regarding senior housing operating partnerships, anticipated sources and uses of cash, capitalization rates of acquisitions and dispositions, off balance sheet debt and leasing activities.

As a result of the changes mentioned above, the Company is updating portions of Item 1 - Business, Item 2 Properties, Item 6 Selected Financial Data, Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations and Item 8 Financial Statements and Supplementary Data. All other information contained in the Form 10-K for the year ended December 31, 2010 and the other portions of Items 1, 2, 6, 7 and 8 have not been updated or modified (with the exception of certain minor changes to Items 1, 7 and 8 to reflect proper cross-references). For more recent information regarding the Company, please see the Company's Quarterly Report on Form 10-Q, Current Reports on Form 8-K and other reports and information filed with or furnished to the Securities and Exchange Commission since February 25, 2011. Additionally, the Company is including, for information purposes, Financial Statement Schedules III and IV, which are unchanged from Item 15 of the Form 10-K for the year ended December 31, 2010. The foregoing items are attached as Exhibit 99.1 to this Current Report.
