**Item 8.01. Other Events.**

On August 9, 2011, Thermo Fisher Scientific Inc. (the Company ) entered into an underwriting agreement (the Underwriting Agreement ) with Barclays Capital Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, as representatives of the several underwriters named in the Underwriting Agreement, for the issuance and sale by the Company of \$1.0 billion aggregate principal amount of 2.250% Senior Notes due 2016 (the 2016 Notes ) and \$1.1 billion aggregate principal amount of 3.600% Senior Notes due 2021 (the 2021 Notes , and together with the 2016 Notes, the Notes ), in a public offering pursuant to a registration statement on Form S-3 (File No. 333-166176) and a related preliminary prospectus supplement and final prospectus supplement filed with the Securities and Exchange Commission (the Offering ). The Offering is expected to close on August 16, 2011.

The Company expects that the net proceeds from the sale of the Notes will be approximately \$2.08 billion after deducting underwriting discounts and estimated offering expenses. The Company intends to use the anticipated net proceeds of the Offering to fund part of the consideration payable for the Company s acquisition of the Phadia group of companies (the Phadia Acquisition ), which is estimated to aggregate approximately EUR 2.47 billion (approximately \$3.5 billion) and to pay certain costs associated with the Phadia Acquisition. The Company expects to fund the remaining cash consideration for, and pay the remaining costs associated with, the Phadia Acquisition from available cash on hand, net proceeds from the issuance of up to \$1 billion of commercial paper under the commercial paper program the Company anticipates establishing prior to closing the Phadia Acquisition and/or borrowings under the Company s bridge credit facility. The Company s bridge credit facility permits borrowings of up to \$2 billion less the amount of any net cash proceeds received from the Offering. If the Company is unable to issue the Notes or commercial paper in the anticipated amounts or to borrow funds under the Company s bridge credit facility, the Company intends to finance any shortfall with borrowings under the Company s revolving credit facility.

The Notes will be issued pursuant to an indenture (the Indenture ) dated as of November 20, 2009 between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee ), as supplemented by the Fourth Supplemental Indenture to be dated as of August 16, 2011 between the Company and the Trustee.

The above description of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. The above description of the bridge credit agreement and the revolving credit facility is qualified in its entirety by reference to the bridge credit agreement and the revolving credit facility, which are filed as Exhibits 10.1 and 10.2, respectively, to the Current Report on Form 8-K filed on June 29, 2011 and are incorporated herein by reference.

Wilmer Cutler Pickering Hale and Dorr LLP, counsel to the Company, has issued an opinion to the Company, dated August 9, 2011, regarding the legality of the Notes. A copy of the opinion as to legality is filed as Exhibit 5.1 hereto.

In connection with the Offering, the Company is filing the Statement Regarding Computation of Ratio of Earnings to Fixed Charges under Exhibit 12.1 to this Current Report on Form 8-K.

**Item 9.01. Financial Statements and Exhibits.**
