Item 7.01. Regulation FD Disclosure.

On October 3, 2006, Service Corporation International, a Texas corporation, (the Company), pursuant to a Purchase Agreement dated as of September 27, 2006 (the Purchase Agreement) among the Company and the initial purchasers named in Schedule 1 thereto (collectively, the Initial Purchasers), sold \$500 million aggregate principal amount of unsecured senior notes, consisting of \$250 million of 7 % Senior Notes due 2014 (the 2014 Notes) and \$250 million of 7 % Senior Notes due 2018 (the 2018 Notes and, together with the 2014 Notes, the Notes) to the Initial Purchasers (the Offering). The Company issued the Notes pursuant to the Indenture dated as of February 1, 1993 between the Company and The Bank of New York Trust Company, N.A., as successor to The Bank of New York, as trustee, as supplemented by the Third Supplemental Indenture dated as of October 3, 2006 and the Fourth Supplemental Indenture dated as of October 3, 2006. The Company intends to use the net proceeds from the Offering together with available cash and other financings to consummate the acquisition of Alderwoods Group, Inc. and refinance certain other indebtedness. The Initial Purchasers will resell the Notes in private transactions in conformance with Rule 144A or Regulation S under the Securities Act of 1933, as amended (the Securities Act). The Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

The net proceeds of each series of Notes will be held in separate escrow accounts pending the consummation of the acquisition of Alderwoods and related transactions. All outstanding Notes are subject to special mandatory redemption in the event that the acquisition and related transactions are not consummated on or prior to December 31, 2006. All of the outstanding Notes may also be redeemed at the Company's option, in whole, but not in part, at any time prior to December 31, 2006, if, in the Company's sole judgment, the acquisition and related transactions will not be consummated by that date. The redemption price in either case will be 100% of the issue price of each series of the Notes set forth above, respectively, plus accrued and unpaid interest to the redemption date. The Company deposited the net proceeds of each series of Notes into separate escrow accounts, together with an amount of cash or treasury securities, so that the escrowed funds are sufficient to fund the redemption of the Notes, if required.

On October 3, 2006, in connection with the Offering, the Company entered into two Registration Rights Agreements pursuant to which the Company agreed to file with the Securities and Exchange Commission registration statements relating to offers to exchange the Notes for issues of SEC-registered notes (the Exchange Notes) that evidence the same indebtedness and have terms identical to the Notes (except that the Exchange Notes will not be subject to restrictions on transfer).

On October 3, 2006, the Company issued a press release announcing that it had completed the Offering.

In connection with the completion of the Offering, the Company is filing certain exhibits as part of this Form 8-K.
