PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Allied Capital Corporation (the Company or Allied Capital) for use at the Company's 2005 Annual Meeting of Stockholders (the Meeting) to be held on May 17, 2005, at 10:00 a.m. (Eastern Time) at the Four Seasons Hotel, 2800 Pennsylvania Avenue, NW, Washington, DC and at any adjournments thereof. This Proxy Statement, the accompanying proxy card, and the Company's Annual Report to Stockholders for the year ended December 31, 2004, are first being sent to stockholders on or about April 6, 2005.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or the telephone, and the Company receives it in time for the Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the other matters listed in the accompanying Notice of Annual Meeting of Stockholders.**

If you are a stockholder of record (*i.e.*, you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the proxy tabulator, Automatic Data Processing, Inc., in writing. Please send your notification to Allied Capital Corporation, c/o ADP, 51 Mercedes Way, Edgewood, NY 11717, and submit a properly executed, later-dated proxy or vote in person at the Meeting. Any stockholder of record attending the Meeting may vote in person whether or not he or she has previously voted his or her shares. If your shares are held for your account by a broker, bank, or other institution or nominee (Broker Shares), you may vote such shares at the Meeting only if you obtain proper written authority from your institution or nominee and present it at the Meeting.

Stockholders of record may also vote either via the Internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the Internet or the telephone are shown on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

Annual Meeting Admission

If you plan to attend the Meeting, an admission ticket will be required for admission to the Meeting. If you are a stockholder of record, your ticket is attached to your proxy card. If your shares are held in the name of a broker or other nominee and you do not have an admission ticket, please bring with you a legal proxy or letter from the broker, trustee, bank, or nominee confirming your beneficial ownership of the shares as of the record date, February 25, 2005.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect five directors of the Company who will serve for three years, or until their successors are elected and qualified;
2. To ratify the selection of KPMG LLP to serve as the independent registered public accounting firm for the Company for the year ending December 31, 2005; and
3. To transact such other business as may properly come before the Meeting.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on February 25, 2005 (the Record Date). On February 25, 2005, there were 133,404,292 shares of the Company's common stock outstanding. Each share of common stock is entitled to one vote.

The Company's 401(k) Plan owns a total of 196,403 shares, representing less than 1% of the Company's total outstanding shares. The sub-trustees of the fund holding Company shares within the 401(k) Plan, who are executive officers of the Company, will vote the shares on behalf of the participants pursuant to their instructions.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Broker Shares for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered Broker Non-Votes with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Meeting, the stockholders who are represented may adjourn the Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Nominee Directors. The affirmative vote of a plurality of the votes cast at the Meeting is required to elect the five nominees as directors. This means that the five nominees will be elected if they receive more affirmative votes than any other person. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of KPMG LLP to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there are not enough votes to approve any proposals at the Meeting, the stockholders who are represented may adjourn the Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Also, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal(s).

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing, and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, the proxy card, and admission tickets. The Company has requested that brokers, nominees, fiduciaries, and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. The Company will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by mail, proxies may be solicited in person and by telephone, facsimile transmission, or telegram by directors, officers, or regular employees of the Company (without special compensation therefor). The Company has also retained Georgeson Shareholder Communications, Inc. to assist in the solicitation of proxies for a fee of approximately \$7,000, plus out-of-pocket expenses. Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

The Executive Committee has and may exercise those rights, powers, and authority that the Board of Directors from time to time grants to it, except where action by the Board is required by statute, an order of the Securities and Exchange Commission (the Commission), or the Company's charter or bylaws. The Executive Committee has been delegated authority from the Board to review and approve certain investments. The Executive Committee met 43 times during 2004. The Executive Committee members currently are Messrs. Walton, Firestone, Hebert, Leahy, Long, and Steuart.

The Audit Committee. The Audit Committee operates pursuant to a charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee. The primary function of the Audit Committee is to serve as an independent and objective party to assist the Board of Directors in fulfilling its responsibilities for overseeing and monitoring the quality and integrity of the Company's financial statements, the adequacy of the Company's system of internal controls, the review of the independence, qualifications and performance of the Company's independent registered public accounting firm, and the performance of the Company's internal audit function. The Audit Committee met 16 times during 2004. The Audit Committee is presently composed of four persons, including Messrs. Browne (Chairman) and Garcia and Mmes. Grant and van Roijen, all of whom are considered independent under the rules promulgated by the New York Stock Exchange. The Company's Board of Directors has determined that Mr. Browne and Ms. Grant are audit committee financial experts as defined under Item 401 of Regulation S-K of the Securities Exchange Act of 1934. Mr. Browne and Ms. Grant each meet the current independence and experience requirements of Rule 10A-3 of the Exchange Act and, in addition, are not interested persons of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940.

The Compensation Committee. The Compensation Committee approves management's recommendations for the compensation of the Company's executive officers and reviews the amount of salary and bonus for each of the Company's other officers and employees. In addition, the Compensation Committee approves stock option grants for the Company's officers under the Company's Amended Stock Option Plan,

determines the individual performance awards and individual performance bonuses for participants and determines other compensation arrangements for employees. The Compensation Committee met 11 times during 2004. The Compensation Committee members currently are Messrs. Leahy (Chairman), Browne, and Garcia, each of whom is not an interested person as defined in Section 2(a)(19) of the Investment Company Act of 1940.

The Corporate Governance/ Nominating Committee. The Corporate Governance/ Nominating Committee recommends candidates for election as directors to the Board of Directors and makes recommendations to the Board as to the Company's corporate governance policies. The Corporate Governance/ Nominating Committee met once during 2004. The Corporate Governance/ Nominating Committee members currently are Messrs. Hebert (Chairman), Browne, and Pollock and Ms. van Roijen, each of whom is not an interested person as defined in Section 2(a)(19) of the Investment Company Act of 1940.

The Corporate Governance/ Nominating Committee will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with the Company's bylaws, Corporate Governance Policy, and any other applicable law, rule or regulation regarding director nominations. When submitting a nomination to the Company for consideration, a stockholder must provide certain information that would be required under applicable Commission rules, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of Company common stock owned, if any; and, a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders.

In evaluating director nominees, the Corporate Governance/ Nominating Committee considers the following factors:

the appropriate size and composition of the Company's Board of Directors;

whether or not the person is an interested person of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills, and experience of nominees in light of prevailing business conditions and the knowledge, skills, and experience already possessed by other members of the Board;

familiarity with national and international business matters;

experience with accounting rules and practices;

appreciation of the relationship of the Company's business to the changing needs of society;

the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members; and

all applicable laws, rules, regulations, and listing standards.

The Corporate Governance/ Nominating Committee's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Corporate Governance/ Nominating Committee may also consider such other factors as it may deem to be in the best interests of the Company and its stockholders. The Corporate Governance/ Nominating Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Corporate Governance/ Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Corporate Governance/ Nominating Committee or the Board decides not to re-nominate a member for re-election, or if the Corporate Governance/ Nominating Committee recommends to expand the size of the Board of Directors, the Corporate Governance/ Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Corporate Governance/ Nominating Committee and Board of Directors provide suggestions as to individuals meeting the criteria of the Corporate Governance/ Nominating Committee. Consultants may also be engaged to assist in identifying qualified individuals.

Other Committees. During 2004, the Board of Directors formed an ad hoc Markets Committee, which was established to monitor the market activity in the Company's common stock. The Markets Committee met informally from time to time during the year.

Non-officer directors are eligible for stock option awards under the Company's Amended Stock Option Plan pursuant to an exemptive order from the Securities and Exchange Commission. The terms of the order, which was granted in September 1999, provided for a one-time grant of 10,000 options to each non-officer director on the date that the order was issued, or on the date that any new director is elected by stockholders to the Board of Directors. Thereafter, each non-officer director will receive 5,000 options each year on the date of the Annual Meeting of Stockholders at the fair market value on the date of grant. See Amended Stock Option Plan.

⁽¹⁾ In 2004, the Company granted options to purchase a total of 8,169,750 shares.

⁽²⁾ Potential realizable value is calculated on 2004 options granted, and is net of the option exercise price but before any tax liabilities that may be incurred. These amounts represent certain assumed rates of appreciation, as mandated by the Commission. Actual gains, if any, on stock option exercises are dependent on the future

performance of the shares, overall market conditions, and the continued employment by the Company of the option holder. The potential realizable value will not necessarily be realized.

The following table sets forth the details of option exercises by Compensated Persons during 2004 and the values of those unexercised options at December 31, 2004.

(1) Value realized is calculated as the closing market price on the date of exercise, net of option exercise price, but before any tax liabilities or transaction costs. This is the deemed market value, which may actually be realized only if the shares are sold at that price.

(2) Value of unexercised options is calculated as the closing market price on December 31, 2004, (\$25.84), net of the option exercise price, but before any tax liabilities or transaction costs. In-the-Money Options are options with an exercise price that is less than the market price as of December 31, 2004.

Amended Stock Option Plan

The Company's Amended Stock Option Plan is intended to encourage stock ownership in the Company by officers and directors, thus giving them a proprietary interest in the Company's performance. The Amended Stock Option Plan was most recently approved by stockholders on May 12, 2004.

The Compensation Committee's principal objective in awarding stock options to the eligible officers and directors of the Company is to align each optionee's interests with the success of the Company and the financial interests of its stockholders by linking a portion of such optionee's compensation with the performance of the Company's stock and the value delivered to stockholders.

Stock options are granted under the Amended Stock Option Plan at a price not less than the prevailing market value at the time of the grant and will have realizable value only if the Company's stock price increases. The

Compensation Committee determines the amount and features of the stock options, if any, to be awarded to optionees. The Compensation Committee evaluates a number of criteria, including the past service of each such optionee to the Company, the present and potential contributions of such optionee to the success of the Company, and such other factors

as the Compensation Committee shall deem relevant in connection with accomplishing the purposes of the Amended Stock Option Plan, including the recipient's current stock holdings, years of service, position with the Company, and other factors. The Compensation Committee does not apply a formula assigning specific weights to any of these factors when making its determination. The Compensation Committee awards stock options on a subjective basis and such awards depend in each case on the performance of the officer under consideration, and in the case of new hires, their potential performance.

The Company has received approval from the Commission to grant options under the Amended Stock Option Plan to non-officer directors. Pursuant to the Commission order, initially each incumbent non-officer director received options to purchase 10,000 shares and each will receive options to purchase 5,000 shares each year thereafter on the date of the Annual Meeting of Stockholders. New non-officer directors receive options to purchase 10,000 shares upon election by stockholders to the Board of Directors, and options to purchase 5,000 shares each year thereafter, on the date of the Annual Meeting of Stockholders.

The Amended Stock Option Plan is designed to satisfy the conditions of Section 422 of the Code so that options granted under the Amended Stock Option Plan may qualify as incentive stock options. To qualify as incentive stock options, options may not become exercisable for the first time in any year if the number of incentive options first exercisable in that year multiplied by the exercise price exceeds \$100,000.

401(k) Plan

The Company maintains a 401(k) plan (the 401(k) Plan). All full-time employees who are at least 21 years of age have the opportunity to contribute pre-tax salary deferrals into the 401(k) Plan up to \$14,000 annually for the 2005 plan year, and to direct the investment of these contributions. Plan participants who reach the age of 50 during the 2005 plan year are eligible to defer an additional \$4,000 during 2005. The 401(k) Plan allows eligible participants to invest in shares of the Company's common stock, among other investment options. In addition, during the 2005 plan year, the Company expects to contribute up to 5% of each participant's eligible compensation for the year, up to a maximum compensation of \$210,000, to each participant's plan account on the participant's behalf, which fully vests at the time of the contribution. The contribution with respect to compensation in excess of \$210,000 is made to the Deferred Compensation Plan I. On February 25, 2005, the 401(k) Plan held less than 1% of the outstanding shares of the Company. See Voting Securities.

Individual Performance Award

The Compensation Committee has established a long-term incentive compensation program whereby the Compensation Committee of the Board of Directors determines an individual performance award for certain officers annually, generally at the beginning of each year. In determining the award for any one officer, the Compensation Committee considers individual performance factors, as well as the individual's contribution to the returns generated for stockholders, among other factors. The individual performance awards are deposited in a trust in approximately

equal cash installments, on a quarterly basis, and the cash is used to purchase shares of the Company's common stock in the market. See Deferred Compensation Plan II. The following table presents the individual performance awards that have been awarded by the Compensation Committee for 2005 to the Compensated Persons as well as for all other participants as a group:

Name and Position	2005 Individual Performance Award ⁽¹⁾
William L. Walton, <i>Chief Executive Officer</i>	\$ 1,475,000
Joan M. Sweeney, <i>Chief Operating Officer</i>	750,000
John M. Scheurer, <i>Managing Director</i>	550,000
All Executive Officers as a Group (excluding the Compensated Persons)	3,385,500
Non-Executive Officers as a Group	1,345,000

⁽¹⁾ Represents individual performance awards expected to be expensed for financial reporting purposes for 2005 for these officers, assuming each participant remains employed by the Company throughout the year. These amounts are subject to change if there is a change in the composition of the pool of award recipients during the year.

Individual Performance Bonus

As a result of recent changes in regulation imposed by the Jobs Creation Act of 2004 associated with deferred compensation arrangements, as well as an increase in the competitive market for recruiting and retaining top performers in private equity firms, the Compensation Committee recommended to the Board and the Board has approved that for 2005 a portion of the IPA should be replaced with an individual performance bonus (IPB). The IPB for 2005 has been determined to be approximately \$7.5 million. The IPB will be distributed in cash to award recipients in equal bi-weekly installments as long as each recipient remains employed by the Company. If a recipient terminates employment during the year, any remaining cash payments under the IPB would be forfeited. The following table presents the individual performance bonuses that have been awarded for 2005 for the Compensated Persons, as well as for all other recipients as a group:

Name and Position	2005 Individual Performance Bonus ⁽¹⁾
William L. Walton, <i>Chief Executive Officer</i>	\$ 1,475,000
Joan M. Sweeney, <i>Chief Operating Officer</i>	750,000
John M. Scheurer, <i>Managing Director</i>	550,000
All Executive Officers as a Group (excluding the Compensated Persons)	3,385,500
Non-Executive Officers as a Group	1,345,000

⁽¹⁾ Represents individual performance bonuses expected to be expensed for financial reporting purposes for 2005 for these officers, assuming each recipient remains employed by the Company throughout the year. These amounts are subject to change if there is a change in the composition of the pool of award recipients during the year.

Deferred Compensation Plan

The Company maintains a deferred compensation plan (the DCP I). The DCP I is an unfunded plan, as defined by the Internal Revenue Code of 1986, as amended (the Code), that provides for the deferral of compensation by directors, employees, and consultants of the Company. Any director, senior officer, or

consultant of the Company is eligible to participate in the Plan at such time and for such period as designated by the Board of Directors. The DCP I is administered through a trust, and the Company funds this plan through cash contributions. Directors may choose to defer director's fees through the DCP I, and may choose to invest such deferred income in shares of the Company's common stock through a trust. On February 25, 2005, the DCP I held 1,372 shares of the Company's common stock. The DCP I may be amended during 2005 as needed in order to conform to the requirements of the Jobs Creation Act of 2004.

Deferred Compensation Plan II

In conjunction with the IPA, the Company established a non-qualified deferred compensation plan (DCP II) in 2004, which is administered through a trust by an independent third-party trustee. The individual performance awards are generally deposited in the trust in equal installments, on a quarterly basis, in the form of cash. The Compensation Committee designed the DCP II to require the trustee to use the cash to purchase shares of the Company's common stock in the market on the New York Stock Exchange. A participant only vests in the award as it is deposited into the trust. The Compensation Committee, in its sole discretion, shall designate the senior officers who will receive individual performance awards and participate in the DCP II. During any period of time in which a participant has a deferral account in the DCP II, any dividends declared and paid on shares of common stock allocated to the participant's account shall be reinvested by the trustee as soon as practicable in shares of the Company's common stock purchased in the open market.

In the event of termination of employment, one-third of the participant's deferral account will be immediately distributed, one half of the then current remaining balance will be distributed on the first anniversary of his or her employment termination date, and the remainder of the account balance will be distributed on the second anniversary of the employment termination date. In the event of a change of control, which is defined on page 22 in Employment Agreements, all amounts in a participant's deferral account will be immediately distributed to the participant.

The aggregate maximum number of shares of the Company's common stock that the trustee is authorized to purchase in the open market for the purpose of investing the cash from individual performance awards is 3,500,000 shares, subject to appropriate adjustments in the event of a stock dividend, stock split, or similar change in capitalization affecting the Company's common stock. On February 25, 2005, the DCP II held 506,065 shares of the Company's common stock.

A participant who violates certain non-solicitation covenants contained in the DCP II during the two years after the termination of his or her employment will forfeit back to the Company the remaining value of his or her deferral account.

The DCP II is administered by the Compensation Committee of the Company's Board of Directors. The Board of Directors reserves the right to amend, terminate, or discontinue DCP II, provided that no such action will adversely affect a participant's rights under DCP II with respect to the amounts paid to his or her deferral account. The DCP II may be amended during 2005 as needed in order to conform to the requirements of the Jobs Creation Act of 2004.

Employment Agreements

The Company entered into employment agreements in 2004 with William L. Walton, the Company's Chairman and CEO, and Joan M. Sweeney, the Company's Chief Operating Officer, each of whom is a Compensated Person. The Company also entered into an employment agreement in 2004 with Penni F. Roll, the Company's Chief Financial Officer. Each of the agreements provides for a three-year term that extends one day at the end of every day during its length, unless either party provides written notice of termination of such extension. In that case, the agreement would terminate three years from such notification.

Each agreement specifies each executive's base salary compensation during the term of the agreement. The Compensation Committee has the right to increase the base salary during the term of the employment agreement. In addition, each employment agreement states that the Compensation Committee may provide, at their sole discretion, an annual cash bonus. This bonus is to be determined with reference to each executive's performance in accordance with performance criteria to be determined by the Compensation Committee in its sole discretion. Under each agreement, each executive also is entitled to participate in the Company's Amended Stock Option Plan, and to receive all other awards and benefits previously granted to each executive including life insurance premiums.

The executive has the right to voluntarily terminate employment at any time with 30 days' notice, and in such case, the employee will not receive any severance pay. Among other things, the employment agreements prohibit the solicitation of employees from the Company in the event of an executive's departure for a period of two years.

If employment is terminated with cause, the employee will not receive any severance pay. If employment is terminated without cause during the term of the agreement, or within 24 months after a change in control, the executive shall be entitled to severance pay for a period not to exceed 36 months. Severance pay shall include three times the average base salary for the preceding three years, plus three times the average bonus compensation for the preceding three years, plus a lump sum amount equal to \$3,178,000 for Mr. Walton and \$2,831,000 for Ms. Sweeney. In the event of a change in control, each executive would be entitled to a tax equalization payment calculated in accordance with Section 280G of the Internal Revenue Code on distributions to which the employee is entitled upon termination, and the Company would also provide compensation to offset any applicable excise tax penalties imposed on the executive under Section 4999 of the Internal Revenue Code. Such severance pay shall be paid in two installments: 75% of such pay shall be paid at the time of separation, and 25% shall be paid on the second anniversary of such separation. Stock options would cease to vest during the severance period.

Under the employment agreements, a Change in Control means (i) the sale or other disposition of all or substantially all of the Company's assets; or (ii) the acquisition, whether directly, indirectly, beneficially (within the meaning of Rule 13d-3 of the 1934 Act), or of record, as a result of a merger, consolidation or otherwise, of securities of the Company representing fifteen percent (15%) or more of the aggregate voting power of the Company's then outstanding common stock by any person (within the meaning of Section 13(d) and 14(d) of the 1934 Act), including, but not limited to, any corporation or group of persons acting in concert,

other than (A) the Company or its subsidiaries and/or (B) any employee pension benefit plan (within the meaning of Section 3(2) of the Employee Retirement Income Security Act of 1974) of the Company or its subsidiaries, including a trust established pursuant to any such plan; or (iii) the individuals who were members of the Board of Directors as of the Effective Date (the Incumbent Board) cease to constitute at least two-thirds (2/3) of the Board; provided, however, that any director appointed by at least two-thirds (2/3) of the then Incumbent Board or nominated by at least two-thirds (2/3) of the Corporate Governance/ Nominating Committee of the Board of Directors (a majority of the members of the Corporate Governance/ Nominating Committee shall be members of the then Incumbent Board or appointees thereof), other than any director appointed or nominated in connection with, or as a result of, a threatened or actual proxy or control contest, shall be deemed to constitute a member of the Incumbent Board.

These employment agreements may be amended during 2005 as needed in order to conform to the requirements of the Jobs Creation Act of 2004.

Retention Agreements

In March 2005, the Company entered into a retention agreement with John M. Scheurer, Managing Director in the Company's commercial real estate group, in connection with the Company's consideration of strategic alternatives for its commercial real estate investment portfolio, including a sale, spin-out or recapitalization of all or part of the Company's commercial real estate assets. This agreement expires on June 30, 2005, if a transaction has not been completed by that date.

If the Company consummates a transaction, the agreement provides that the Company will pay Mr. Scheurer a one-time lump sum bonus of \$500,000 if 1) he remains employed by the Company until the transaction is consummated; or 2) the Company terminates his employment without cause prior to the consummation of a transaction. If the Company consummates a transaction and Mr. Scheurer is hired by an acquirer and either remains employed by the acquirer for at least 90 days following the transaction or is terminated by the acquirer without cause during such period, he will receive an additional \$500,000. In addition, Mr. Scheurer will receive a supplemental payment of \$600,000 if a transaction is consummated and he satisfies other conditions.

If the company consummates a transaction and an acquirer either 1) does not offer to employ Mr. Scheurer; 2) offers to employ Mr. Scheurer but at a base salary below \$750,000; or 3) employs Mr. Scheurer but later terminates his employment for any reason other than for cause within the initial twelve months of employment, the agreement provides that the Company will pay Mr. Scheurer a one-time lump sum payment of \$1,200,000. Should Mr. Scheurer remain with the acquirer for twelve months after the consummation of a transaction and receive compensation of less than \$1,200,000 from the acquirer during the initial 12-month period, the agreement provides that the Company will pay Mr. Scheurer a one-time lump sum payment equal to the difference between the amount paid to him by the acquirer during such period and \$1,200,000.

The Company also entered into similar agreements with four other executives in the commercial real estate group, including Douglas Cooper and Jordan Paul, both of

whom are Managing Directors in the commercial real estate group. These agreements expire on June 30, 2005, if a transaction has not been completed by that date.

If the Company consummates a transaction, the agreement provides that the Company will pay the four executives, in the aggregate, one-time lump sum bonuses totaling \$900,000 if 1) the individuals remain employed by the Company until the transaction is consummated; or 2) the Company terminates the individuals' employment without cause prior to the consummation of a transaction. If the Company consummates a transaction and the individuals are hired by an acquirer and either remain employed by the acquirer for at least 90 days following the transaction or are terminated by the acquirer without cause during such period, the individuals in the aggregate would receive an additional amount totaling \$900,000.

If the Company consummates a transaction and an acquirer either 1) does not offer to employ the individuals; 2) offers to employ the individuals but at a base salary below a certain threshold; or 3) employs the individuals but later terminates the individuals' employment for any reason other than for cause or does not agree to pay a minimum compensation amount within the initial twelve months of employment, the agreement provides that the Company will pay the individuals, in the aggregate, one-time lump sum payments totaling up to \$2,750,000

Indemnification Agreements

The Company has entered into indemnification agreements with its directors and certain senior officers of the Company. The indemnification agreements are intended to provide these directors and senior officers the maximum indemnification permitted under Maryland law and the Investment Company Act of 1940. Each indemnification agreement provides that the Company shall indemnify the director or senior officer who is a party to the agreement (an Indemnitee), including the advancement of legal expenses, if, by reason of his or her corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any threatened, pending, or completed proceeding, other than a proceeding by or in the right of the Company.

Certain Relationships and Related Transactions

The following table sets forth certain information, as of March 21, 2005, regarding indebtedness to the Company in excess of \$60,000 of any person serving as a director or executive officer of the Company and of any nominee for election as a director at any time since January 1, 2004. All of such indebtedness results from loans made by the Company to enable the exercise of stock options. The loans are required to be fully collateralized and are full recourse against the borrower and have varying terms not exceeding ten years. The interest rates charged generally reflect the applicable federal rate on the date of the loan.

As a business development company under the Investment Company Act of 1940, the Company is entitled to provide and has provided loans to officers of the Company in connection with the exercise of options. However, as a result of

provisions of the Sarbanes-Oxley Act of 2002, the Company has been prohibited from making new loans to its executive officers since July 30, 2002.

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company's directors and executive officers, and any persons holding 10% or more of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. PROPOSAL 2.

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the disinterested members of the Board of Directors have appointed KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2005. If the stockholders ratify the selection of KPMG LLP as the Company's accountants, KPMG LLP also will be the independent registered public accounting firm for the consolidated subsidiaries of the Company.

KPMG LLP has advised the Company that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its subsidiaries.

The Company expects that a representative of KPMG LLP will be present at the Meeting and will have an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted for ratification of the selection of KPMG LLP as the independent registered public accounting firm of the Company.

**THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT
STOCKHOLDERS VOTE TO RATIFY THE SELECTION OF KPMG LLP AS THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY.**

Fees Paid to KPMG LLP for 2004 and 2003

The following are aggregate fees billed to the Company by KPMG LLP during 2004 and 2003.

	Fiscal Year Ended December 31	
	2004	2003
Audit Fees	\$ 1,447,000	\$ 764,495
Audit-Related Fees	432,000	73,014
Tax Fees	58,500	77,075
All Other Fees		
TOTAL FEES:	\$ 1,937,500	\$ 914,584

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end consolidated financial statements and reviews of the interim consolidated financial statements included in quarterly reports and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings. These services for 2004 also include the audits of management's assessment of the effectiveness of the Company's internal controls over financial reporting.

Audit-Related Fees. Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation, consultations concerning financial accounting and reporting standards, and fees related to requests for documentation and information from regulatory and other government agencies.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.

All Other Fees. All other fees would include fees for products and services other than the services reported above.

Report of the Audit Committee

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's independent registered public accounting firm all of the Company's financial statements filed with the Commission for each quarter during 2004 and as of and for the year ended December 31, 2004. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles

generally accepted in the United States of America (GAAP), and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee of the Board has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by KPMG LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Audit Committee received and reviewed the written disclosures from the independent registered public accounting firm required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and has discussed with the firm its independence. The Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence. The Audit Committee also reviewed the requirements and the Company's implementation of Section 404 of the Sarbanes-Oxley Act of 2002 including the Public Company Accounting Oversight Board's Auditing Standard No. 2 regarding the audit of internal controls over financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements as of and for the year ended December 31, 2004, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Commission. The Audit Committee also recommended the selection of KPMG LLP to serve as the independent registered public accounting firm of the Company for the year ending December 31, 2005.
