CRESCENT REAL ESTATE ANNOUNCES AGREEMENT WITH COPI
AND RECOVERY OF ASSETS

FORT WORTH, TEXAS, February 14, 2002--Crescent Real Estate Equities Company (NYSE:CEI) ("Crescent") announced that it has reached an agreement (the "Agreement") with Crescent Operating, Inc. ("COPI") under which Crescent will immediately receive COPI's lease interests in eight of Crescent's resort/hotel properties and the voting interests in substantially all of Crescent's residential development corporations and related entities. The remainder of the assets will be received in the near term. The Agreement stipulates that Crescent will assist and provide funding to COPI for the implementation of a prepackaged bankruptcy of COPI. In addition, it provides for the distribution to COPI's stockholders of Crescent common shares in an amount that will be determined by reference to the claims, costs and expenses of COPI's bankruptcy and related transactions. The Agreement and the related transactions fall within the financial guidelines disclosed in Crescent's press release dated January 23, 2002.

According to John C. Goff, Chief Executive Officer of Crescent, "As you know from our previous press release and investor conference call on January 23rd regarding our termination of the original agreement to acquire certain COPI assets, we have been negotiating with COPI to reach an alternative mutually acceptable resolution enabling us to acquire the assets in a timely manner. The Agreement we have now signed with COPI achieves this by providing for the immediate acquisition by Crescent of the assets.

"With respect to the operating interest that COPI owns in the tenant of the AmeriCold temperature-controlled logistics properties, REIT tax rules prohibit Crescent from acquiring or owning the interest. Crescent, therefore, plans to acquire the interest from COPI through a separate entity, that will be owned by Crescent's shareholders, for approximately \$15.5 million, which will be applied under COPI's bankruptcy plan to payment of COPI's bank debt.

"The shareholders of COPI will be asked to approve a prepackaged bankruptcy plan for COPI that will provide for the described transactions and that will provide for the issuance of Crescent common shares to COPI stockholders, following confirmation of COPI's bankruptcy plan. Crescent has agreed to provide approximately \$14.0 million to Crescent Operating in the form of cash and common shares of Crescent to fund costs, claims and expenses relating to the bankruptcy

and related transactions, and to provide for the distribution of Crescent

common shares to the Crescent Operating stockholders. The number of Crescent common shares to be issued to the COPI stockholders will be determined by reference to the aggregate claims, costs and expenses incurred by Crescent and COPI in connection with the COPI bankruptcy and related transactions. Crescent anticipates that the value of the common shares issued will be approximately \$5.0 to \$8.0 million, or approximately \$.46 to \$.74 per share of COPI common stock. The final amount, which will not be determined until the confirmation of COPI's bankruptcy plan, could vary substantially from this estimate."

Goff concluded, "Our current expectation is that the COPI prepackaged bankruptcy will be confirmed at the end of the summer. At that time, the agreed-upon number of Crescent shares will be distributed to the COPI stockholders, and the new entity to be distributed to Crescent's shareholders will purchase COPI's operating interest in the AmeriCold tenant. The completion of this process, however, will require that a number of conditions be fulfilled, including the vote of COPI's stockholders and creditors and approval by the bankruptcy court."

FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are generally characterized by terms such as "believe," "expect" and "may."

Although Crescent believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, the terms of the COPI bankruptcy and its effect on Crescent could differ materially from those described in the forward-looking statements.

The following factors might cause such a difference:

- o Crescent's inability to obtain the confirmation of a prepackaged bankruptcy plan of COPI binding all creditors and stockholders;
- o The inability of Crescent successfully to integrate the lessee interests in the resort/hotel properties and the voting interests in its residential development corporations and related entities with its current business and operations;
- o The inability of Crescent to complete the distribution to its shareholders of the shares of a new entity to purchase the AmeriCold tenant interest from COPI;
- o Further deterioration in the resort/business-class hotel markets or in the market for residential land or luxury residences, including single-family homes, townhomes and condominiums, or in the economy generally;
- o Further adverse conditions in the temperature-controlled logistics business (including both industry-specific conditions and a general downturn in the economy) which may further jeopardize the ability of the tenant of the temperature-controlled logistics properties to pay all rent due and the resulting adverse impact on the value of Crescent's investment in the owner of the properties;

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form 425

- o Financing risks, such as the ability to generate revenue sufficient to service and repay existing or additional debt, the ability to meet applicable debt covenants, the ability to fund the share repurchase program, increases in debt service associated with increased debt and with variable-rate debt, and the ability to consummate financings and refinancings on favorable terms and within any applicable time frames;
- o The existence of complex regulations relating to Crescent's status as a REIT, the effect of future changes in REIT requirements as a result of new legislation and the adverse consequences of the failure to qualify as a REIT; and
- o Other risks detailed from time to time in Crescent's filings with the Commission.

Given these uncertainties, readers are cautioned not to place undue reliance on such statements. Crescent is not obligated to update these forward-looking statements to reflect any future events or circumstances.

IMPORTANT INFORMATION
