On March 15, 2005, Michaels Stores, Inc. issued a press release announcing that it is making a one-time, non-cash, after-tax adjustment to its results in the fourth fiscal quarter of 2004 to reflect the cumulative impact of a correction of its accounting practices related to leased properties. This correction of accounting practices was made in light of the views of the Office of the Chief Accountant of the Securities and Exchange Commission expressed in a letter of February 7, 2005 to the American Institute of Certified Public Accountants regarding the application of generally accepted accounting principles to operating lease accounting matters. Attached to this Current Report on Form 8-K as Exhibit 99.1 is a copy of the Company s related press release, which press release is incorporated by reference into this Item 8.01.
