INFORMATION ABOUT THE 2006 ANNUAL MEETING AND VOTING

Record Date and Outstanding Capital Shares

The record date for determination of the common shareholders entitled to notice of and to vote at the Meeting is the close of business on March 24, 2006 (the Record Date). At the close of business on the Record Date, 101,725,371 of our common shares of beneficial interest, par value \$.01 per share (the Common Shares), were issued, outstanding and entitled to vote at the Meeting.

Procedural Matters

If you complete and properly sign and mail the accompanying proxy card, it will be voted as you direct. If you are a registered shareholder and attend the Meeting, you may deliver your completed proxy card in person. Street name shareholders who wish to vote at the Meeting will need to obtain a proxy from the institution that holds their shares.

If you are a registered shareholder, you may vote electronically through the Internet (<http://www.proxyvote.com>), by following the instructions included with your proxy card. If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote electronically.

Any proxy, if received in time, properly signed and not revoked, will be voted at the Meeting in accordance with the directions of the shareholder. If no directions are specified, the proxy will be voted FOR Proposals 1 and 2 (Items 1 and 2 on the proxy card). If any other matter or business is brought before the Meeting or any adjournment thereof, the proxy holders may vote the proxy in their discretion. The Board of Trust Managers does not know of any such matter or business to be presented for consideration.

Any shareholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked by:

delivering a written statement to the Secretary of the Company stating that the proxy is revoked,

presenting at the Meeting a subsequent proxy executed by the person executing the prior proxy, or

attending the Meeting and voting in person.

Quorum and Voting

The presence, in person or by proxy, of the holders of a majority of the Common Shares outstanding and entitled to vote as of the Record Date, is necessary to constitute a quorum for the transaction of business at the Meeting.

Common Shares held by shareholders present at the Meeting in person who do not vote and ballots marked abstain, against or withhold authority will be counted as present at the Meeting for quorum purposes. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. In deciding all questions, a holder of Common Shares is entitled to one vote, in person or by proxy, for each Common Share held in such holder's name on the Record Date.

Required Affirmative Vote and Voting Procedures

The vote required to elect the nominees as trust managers (Proposal Number 1) is a majority of the votes cast at the Meeting by the holders of Common Shares entitled to vote on such matter. In order to approve the proposal to ratify the appointment of independent auditors (Proposal Number 2), a majority of the votes cast for and against the proposal must be voted in favor of the proposal. Under our Restated Declaration of Trust, as amended (the Declaration of Trust), Fourth Amended and Restated Bylaws (the Bylaws), and applicable law, abstentions constitute votes cast but broker non-votes do not. Ballots marked withhold authority with respect to the election of

Table of Contents

the trust managers effectively constitute votes against such matter. Ballots marked "abstain" with respect to ratification of the appointment of independent auditors will have no effect on the outcome of the vote on such matter. Broker non-votes will have no effect on the outcome of the vote on either of the proposals. In the event that you hold your shares through our 401(k) Plan and you elect not to vote your shares, the 401(k) Plan's Trustees will vote your undirected shares in the same proportion as those shares for which the Trustees received proper voting directions from the remaining 401(k) Plan participants.

Solicitation of Proxies

Solicitation of proxies will be primarily by mail. In an effort to have as large a representation at the Meeting as possible, special solicitation of proxies may, in certain instances, be made personally, or by telephone, facsimile, or mail by one or more of our employees, who will not receive any additional compensation in connection therewith. We will bear the cost of preparing, assembling and mailing the proxy material. Upon request, we will reimburse brokers, banks, nominees and other fiduciaries for postage and reasonable clerical expenses of forwarding the proxy materials to their principals, the beneficial owners of the Common Shares.

Additional Information

Our Annual Report to Shareholders for the fiscal year ended December 31, 2005, including consolidated financial statements, is being mailed to all shareholders entitled to vote at the Annual Meeting together with this Proxy Statement. The Annual Report does not constitute a part of the proxy solicitation material. The Annual Report tells you how to get additional information about us.

**YOUR VOTE AT THE ANNUAL MEETING IS VERY IMPORTANT TO US.
PROPOSALS TO BE PRESENTED AT THE ANNUAL MEETING**

We will present the following two proposals at the Annual Meeting. We have described in this Proxy Statement all the proposals that we expect will be made at the Annual Meeting.

**PROPOSAL NUMBER 1
ELECTION OF TRUST MANAGERS**

Our Board of Trust Managers is divided into three classes, with the shareholders electing a portion of the trust managers annually. The trust managers whose terms will expire at the Meeting are Richard E. Rainwater, Anthony M. Frank and William F. Quinn. Messrs. Rainwater, Frank and Quinn have been nominated for election at the Meeting as trust managers by the Board of Trust Managers upon the unanimous recommendation of the Governance Committee, to hold office until the Annual Meeting of Shareholders in 2009, or until their respective successors are elected and qualified. All three nominees are presently members of the Board of Trust Managers and have consented to serve as a trust manager if re-elected. More detailed information about each of the nominees is available in the section of this Proxy Statement titled "Board of Trust Managers," which begins on page 5.

The nominees who receive a majority of the votes cast by shareholders who are present in person or represented by proxy at the Meeting and entitled to vote on the election of trust managers will be elected as trust managers of the Company.

If any of Messrs. Rainwater, Frank and Quinn becomes unable to serve as a trust manager for any reason, the Board of Trust Managers, upon the recommendation of the Governance Committee, may designate a substitute nominee or nominees, in which event the persons named in the enclosed proxy will vote for the election of the substitute nominee or nominees. Alternatively, upon the recommendation of the Governance Committee, the Board may leave unfilled until a later time when a suitable candidate is located any vacant position or may reduce the number of trust managers on the Board of Trust Managers.

Table of Contents

The Board of Trust Managers recommends a vote FOR Richard E. Rainwater, Anthony M. Frank and William F. Quinn as trust managers to hold office until the Annual Meeting of Shareholders in 2009, or until their respective successors are elected and qualified.

PROPOSAL NUMBER 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

Our Audit Committee has appointed Ernst & Young LLP to continue as our independent auditors for the fiscal year ending December 31, 2006. In the event that ratification of this appointment of auditors is not approved by the affirmative vote of a majority of the votes cast for and against the matter by shareholders present or represented by proxy at the Meeting and entitled to vote on the matter, then the Audit Committee will reconsider its appointment of independent auditors. In this case, the Audit Committee, in its discretion, may continue our relationship with Ernst & Young LLP. In addition, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if the Audit Committee believes that such an appointment would be in the best interests of our shareholders.

A representative of Ernst & Young LLP is expected to be present at the Meeting. The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

Since Ernst & Young LLP was retained in 2002, the Audit Committee has approved in advance all fees paid to and services provided by Ernst & Young LLP. Board of Trust Managers

Corporate Governance. We are currently managed by an eight-member Board of Trust Managers. The Board has adopted a Corporate Governance Policy, which, along with the written charters for the Board committees described below, provides the framework for the Board's governance of the Company. The Corporate Governance Policy is available in the investor relations section of our website at www.crescent.com and in print free of charge to any shareholder who requests it.

Independence and Composition. Our Corporate Governance Policy and the rules and regulations of the New York Stock Exchange, which we refer to as the NYSE listing standards, each require that a majority of our Board of Trust Managers are independent trust managers, as that term is defined in the NYSE listing standards.

The Board of Trust Managers, upon the recommendation of the Governance Committee, has determined that Messrs. Frank, Quinn, Rowsey, Stallings and Worrell, representing a majority of our Board of Trust Managers, are independent as that term is defined in the NYSE listing standards. The Board made its determination based on information furnished by all trust managers regarding their relationships with us and our affiliates and research conducted by management. In addition, the Board consulted with our outside counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NYSE listing standards.

Meetings and Attendance. During the last fiscal year, the Board of Trust Managers held five meetings, and no trust manager (including the trust manager nominees) attended fewer than 75% of the aggregate of all meetings of the Board of Trust Managers and the committees, if any, upon which such trust managers served and which were held during the period of time that such person served on the Board of Trust Managers or such committee. Our Corporate Governance Policy provides that it is the responsibility of individual trust managers to make themselves available to attend scheduled and special Board meetings and the annual shareholder meeting on a consistent basis. All of our trust managers attended the 2005 annual shareholders meeting either in person or by telephone.

In addition, non-management members of the Board of Trust Managers met in executive session four times in 2005. Pursuant to our Corporate Governance Policy, the Board is required to appoint a lead trust manager (and in the absence of such appointment, the Chairman of the Governance Committee will perform the function of lead trust manager) to preside when the Board meets in executive session. The Board has at all times had a lead trust manager, and Mr. Stallings has served as lead trust manager since June 28, 2004.

Shareholder Communications. The Board of Trust Managers has adopted a Shareholder Communications Policy that includes processes for shareholders to send communications to the Board. All shareholder communications to the Board should be addressed to Crescent Real Estate Equities Company, 777 Main Street, Suite 2100, Fort Worth, Texas, 76102, Attention: Managing Director, Law and Secretary. Alternatively, shareholders may send communications by electronic mail to the attention of our Managing Director, Law and Secretary at ddean@crescent.com. The Shareholder Communications Policy is described in greater detail in the investor relations section of the Company's website at www.crescent.com and is available in print free of charge to any shareholder who requests it.

Table of Contents

Committees of the Board of Trust Managers

The Board of Trust Managers has three standing committees, which are described below. The Board of Trust Managers has determined that all current members of each committee are independent, as that term is defined in the NYSE listing standards. The charter for each of these committees is available in the investor relations section of the Company's website at www.crescent.com and in print free of charge to any shareholder who requests it.

Audit Committee. Among the duties, powers and responsibilities of the Audit Committee as provided in its charter, the Audit Committee:

has sole discretion concerning the engagement of independent auditors,

reviews with the independent auditors the plans and results of the audit engagement,

pre-approves professional services that the independent auditors provide,

reviews the independence of the independent auditors,

considers the range of audit and non-audit fees, and

reviews the adequacy of the Company's internal accounting controls.

The Audit Committee consists of Anthony M. Frank, Chairman, William F. Quinn and Robert W. Stallings. Upon the advice of the Governance Committee, the Board of Trust Managers has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that Anthony M. Frank qualifies as an audit committee financial expert, as defined by applicable Securities and Exchange Commission (SEC or Commission) rules. The Audit Committee held ten meetings in 2005.

Executive Compensation Committee. The Executive Compensation Committee, which held five meetings in 2005, determines compensation for the Company's executive officers and administers the stock incentive and other compensation plans that the Company adopts. The Executive Compensation Committee consists of Paul E. Rowsey, III, Chairman, Anthony M. Frank and Terry N. Worrell.

Governance Committee. As provided in the Governance Committee charter, the Governance Committee:

identifies and recommends to the Board of Trust Managers a group of trust manager nominees for election and reelection to the Board at our Annual Meeting of Shareholders,

ensures that the Board committees will have the benefit of qualified and experienced independent trust managers, and

develops and makes recommendations to the Board for a set of effective corporate governance policies and procedures applicable to us, particularly as such policies and procedures may be required by federal and state securities laws, the NYSE listing standards or any other applicable regulatory requirements..

The Governance Committee seeks to identify candidates for trust manager who have the following skills and characteristics:

superior leadership abilities,

Table of Contents

independence,

commitment to improving our value for the benefit of our shareholders,

innovative thought,

business and management experience, and

a working knowledge of basic finance and accounting principles.

The Governance Committee also will consider trust manager nominees recommended by shareholders. See the section of this Proxy Statement entitled "Other Information - Shareholders Proposals for Our 2007 Annual Meeting of Shareholders" on page 31 for a description of how shareholders desiring to make nominations for trust managers and/or to bring a proper subject before a meeting should do so. The Governance Committee evaluates trust manager candidates recommended by shareholders in the same manner as it evaluates trust manager candidates recommended by our trust managers, management or employees.

The Governance Committee, which met four times in 2005, consists of Robert W. Stallings, Chairman, Paul E. Rowsey, III, and Terry N. Worrell.

Code of Business Conduct

All of our trust managers, officers and employees must act ethically at all times and in accordance with the policies comprising our Code of Business Conduct. The Code of Business Conduct is published on the investor relations section of our website at www.crescent.com and is available in print free of charge to any shareholder who requests it. We intend to post amendments to and waivers from the Code of Business Conduct on our website.

Trust Manager Compensation

During 2005, each of our trust managers who is not also an officer ("Outside Trust Manager") received an annual fee of \$40,000 (payable in cash or, through June 2005, at the election of the trust manager, in Common Shares in an amount determined by dividing the fees otherwise payable by 90% of the fair market value of the Common Shares). In addition, during 2005, each Outside Trust Manager received the following meeting fees.

Board of Trust Managers	\$ 1,500

Trust managers who are also officers receive no separate compensation for their service as trust managers.

Employment Agreement of Chief Executive Officer

On February 19, 2002, the Company, the Operating Partnership and Mr. Goff entered into an employment agreement, which will terminate on February 19, 2007, pursuant to which Mr. Goff is entitled to an annual salary of \$750,000 and a bonus as determined in the discretion of the Compensation Committee of the General Partner, which consists of the same members as the Executive Compensation Committee of the Company. In addition, pursuant to the employment agreement, Mr. Goff was provided the right to earn (i) 300,000 shares of restricted stock, two-thirds of which were earned on each of February 19, 2005 and 2006 and the remaining one-third of which will be earned on February 19, 2007 and (ii) 1,500,000 Unit Options, four-fifths of which were earned on each of February 19, 2003 through 2006 and the remaining one-fifth of which will be earned on February 19, 2007. The Units underlying such

Table of Contents

Unit Options are exchangeable into two Common Shares of the Company upon the satisfaction of certain conditions, including shareholder approval of the exchange right.

The salary under the employment agreement, which is not subject to a cap, may be increased at the discretion of the General Partner or its Compensation Committee. The Company and the Operating Partnership have adopted a policy whereby the Executive Compensation Committee of the Company, shall review and ratify all compensation decisions related to the Chief Executive Officer. For 2005, Mr. Goff's annual salary was \$900,000.

The employment agreement permits us to terminate Mr. Goff's employment with appropriate notice with or without just cause.

In general, just cause is defined to include:

an act, acts or omission involving a felony, fraud, willful misconduct, or gross negligence,

commission of any act that causes or reasonably might be expected to cause substantial injury to us or is against our material best interests,

an uncured breach of any of Mr. Goff's material duties under the employment agreement, or

an uncured breach of any material provision of Mr. Goff's agreement not to compete with us.

In addition, Mr. Goff may resign for good reason following a change in control, which is generally defined to include:

a reduction in the amount of Mr. Goff's aggregate cash compensation (including base salary and any bonus) following a change in control,

the assignment of Mr. Goff to any employment status other than a position reasonably equivalent to a chief executive officer and having duties comparable to those exercised by Mr. Goff immediately before the change in control, or

a geographical relocation or attempted relocation of Mr. Goff to an office outside the Dallas/Fort Worth metropolitan area.

In general terms, a change of control occurs, with certain exceptions, if a person, entity or group, other than Mr. Rainwater and his affiliates, acquires more than 15% of our then outstanding voting securities, unless the acquisition is approved by not less than two-thirds of our Board of Trust Managers.

Under the employment agreement, if Mr. Goff's employment ends for any reason, we will pay accrued salary through the end of the calendar month in which employment terminates. If Mr. Goff's employment is terminated because of his death or disability, Mr. Goff terminates his employment with us within 24 months of a change in control for good reason, or we terminate Mr. Goff's employment without cause, Mr. Goff will be entitled to receive a payment equal to one year's salary at the rate in effect immediately prior to the termination (\$900,000 in 2005) together with an amount equal to Mr. Goff's highest bonus paid in the 12 month period immediately preceding termination of Mr. Goff's employment (\$1,500,000 in 2005).

Agreements Not to Compete

We are dependent on the services of Richard E. Rainwater and John C. Goff. Mr. Rainwater serves as Chairman of the Board of Trust Managers but has no employment agreement with us and, therefore, is not obligated to remain with us for any specified term. In connection with the initial public offering of the Common Shares in May 1994, each of Messrs. Rainwater and Goff entered into a Noncompetition Agreement with us that restricts him from engaging in certain real estate-related activities during specified periods of time.

Table of Contents

The restrictions that Mr. Rainwater's Noncompetition Agreement imposes will terminate one year after the later to occur of (i) the date on which Mr. Rainwater ceases to serve as one of our trust managers, and (ii) the date on which Mr. Rainwater's beneficial ownership of the Company (including Common Shares and Units) first represents less than a 2.5% ownership interest in the Company. The restrictions that Mr. Goff's Noncompetition Agreement imposes will terminate one year after Mr. Goff first ceases to be one of our trust managers or executive officers. The Noncompetition Agreements do not, among other things, prohibit Messrs. Rainwater and Goff from engaging in certain activities in which they were engaged at the time of our formation in 1994 or from making certain passive real estate investments.

Compensation Committee Interlocks and Insider Participation

Messrs. Frank, Rowsey and Worrell, all of whom are members of the Board of Trust Managers of the Company, served as members of the Executive Compensation Committee during 2005. None of the members of the Executive Compensation Committee have ever been one of our officers or employees. Mr. Frank has borrowed certain funds from us in connection with the exercise of Options, as described in Certain Relationships and Related Transactions below.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Executive Compensation Committee of the Board of Trust Managers of the Company is composed of Messrs. Rowsey (Chairman), Frank and Worrell. Upon advice from the Governance Committee, a majority of the full Board of Trust Managers selects members of the Executive Compensation Committee and its Chairman annually.

Compensation Philosophy and Objectives. The Executive Compensation Committee determines the compensation for the Company's executive officers and administers the stock incentive and other compensation plans that the Company adopts. In addition, the Executive Compensation Committee makes recommendations to the Board of Trust Managers, acting for the Company in its capacity as the sole stockholder of the General Partner, regarding certain compensation decisions of the sole director of the General Partner with respect to the compensation of the executive officers of the General Partner. The Compensation Committee of the General Partner is also composed of Messrs. Rowsey (Chairman), Frank and Worrell. The Compensation Committee is appointed by the Board of Directors of the General Partner. For purposes of the following discussion, the term Company includes, unless the context otherwise requires, the Operating Partnership and the other subsidiaries of the Company and the Operating Partnership, in addition to the Company.

The philosophy of the Company's compensation program is to employ, retain and reward executives capable of leading the Company in achieving its business objectives. These objectives include enhancing long term shareholder value, maximizing financial performance, preserving a strong financial posture, increasing the value of the Company's assets and positioning its assets and business in geographic markets offering long-term growth opportunities. The Company has historically measured the accomplishment of these objectives against both the general conditions characterizing the industry within which the Company operates and the particular success that executives of the Company have had in achieving operational targets and strategic milestones.

It is the policy of the Executive Compensation Committee that a significant portion of the annual compensation to executive officers be based on the performance of the individual executive officer, the annual performance of the Company in achieving operational targets and strategic milestones, and the long-term performance of the Company and total return to the Company shareholders.

In implementing the Company's compensation program, it generally is the policy of the Executive Compensation Committee to seek to qualify executive compensation for deductibility by the Company for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, to the extent that such policy is consistent with the Company's overall objectives and executive compensation policy.

Executive Officer Compensation. The compensation of the executive officers of the Company consists of a current component and a long term incentive component.

Current Compensation. The executive officers, in addition to their regular salaries, may be compensated for the current performance of the Company in the form of cash bonus awards, generally pursuant to the Annual Incentive Plan (Bonus Plan). For 2004 and prior periods, executive officers were also compensated for the current performance of the Company with awards under the Dividend Incentive Unit Plan (DIU Plan). As described in greater detail below, in 2005, the Executive Compensation Committee determined that the Bonus Plan should be the primary vehicle for short term and operating performance incentives. As a result, the Bonus Plan, together with recommendations by the management of the Company, and not the DIU Plan, was used by the General Partner and its Compensation Committee in determining the executive compensation for 2005. While the Bonus Plan will

Table of Contents

continue to be used in the future for determining the current component of executive compensation, no additional awards are expected to be made under the DIU Plan.

Each of the officers other than the Chief Executive Officer is covered by the Bonus Plan. Under the Bonus Plan, at the beginning of the year, the Compensation Committee of the General Partner designates (i) the positions covered by the Bonus Plan, (ii) the minimum and maximum annual incentive opportunity or bonus that the individual holding each position is eligible to earn for the year, and (iii) the performance necessary to earn each level of bonus in three components. One of these components, the Corporate component, provides for a certain portion of the bonus to be paid based upon the Company's achievement of thresholds relating to (i) total return to the Company's shareholders as compared to total return to shareholders of REITs in a peer group index or (ii) the operating performance of the Company for the year as measured by the Company's funds from operations. Most positions also are assigned a second component, the Functional Unit component, which provides for a certain portion of the bonus to be earned upon the achievement of individualized measures of functional unit performance. For each officer, a third component, the Individual component, provides for a certain portion of the officer's bonus to be earned based upon an evaluation of the officer's individual performance for the year.

Executive officers of the General Partner also are eligible to participate, on the same basis as other employees, in the employer matching provision of the profit sharing plan that the General Partner established. This allows employees to save for their future retirement on a tax-deferred basis through the Section 401(k) savings feature of the plan, with the General Partner contributing an additional percentage of the amount each employee saves. Such executive officers are also eligible to participate in the other employee benefit and welfare plans that the General Partner maintains on the same terms as non-executive personnel who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under such plans.

Long Term Incentive Compensation Program; Recent Modifications. Historically, the long term incentives for executive officers used by the Company consisted of (i) restricted stock grants under the 1995 Plan, (ii) Option grants under the 1995 Plan, (iii) Unit Option grants under the 1996 Unit Plan and (iv) restricted Units and Unit options granted pursuant to individual option agreements and the provisions of the partnership agreement for the Operating Partnership. Grants of these types have historically vested based on the passage of time.

Beginning in the second quarter of 2004, the Executive Compensation Committee and the General Partner began an extensive analysis to design and implement a restructured long term incentive compensation program to support the Company's continued implementation of its business strategy and to focus and provide performance-based vesting targets that better align the incentive to management with the economic interests of shareholders.

As a part of this process, the Executive Compensation Committee and the General Partner engaged Mercer Human Resource Consulting (Mercer) to assist it in evaluating and structuring a new program of long term incentives. The Committee also reviewed and evaluated the DIU Plan as well as the Bonus Plan and all outstanding stock and unit options. The Committee determined that the Bonus Plan should be the primary vehicle for short term and operating performance incentives. The Executive Compensation Committee also determined that the Company should weigh its compensation programs more heavily towards incentives that focused on long term performance targets that were structured in such a manner as to provide a direct alignment with the total return earned by the Company's shareholders. The Executive Compensation Committee concluded that the current grants of long term incentives for the Company must focus on stock price and total shareholder return in order to provide incentives to drive significant and sustained growth in medium and long term shareholder value. The Executive Compensation Committee therefore chose to adopt a new long term incentive program with vesting based primarily on share value performance targets.

In developing the performance targets for the Company's long term incentive program, the Executive Compensation Committee worked with Mercer and reviewed compensation levels and annualized total shareholder returns for a selected group of its peers over several five year periods. The peer group used by Mercer consisted of 13 comparable companies in the REIT industry, about half of which had long-term compensation plans which provided for vesting of grants based on share value performance targets. The Executive Compensation Committee concluded that the incentives of management and the shareholders would be best aligned through the use of

Table of Contents

performance-based vesting targets, as opposed to traditional time-based vesting of long term incentive grants. The Executive Compensation Committee agreed with the observations of a number of commentators and shareholder advocacy groups that time-based vesting did not necessarily provide the same alignment of incentives. The Executive Compensation Committee reviewed the equity opportunities for the top two executives of each of the companies in the Company's peer group under various scenarios to assess both pay-performance relationships and comparable distribution levels among the various officer levels. The Executive Compensation Committee gave significant weight to the strategic plan for the Company over the next five years in establishing the vesting prices for grants under the new long term incentive program.

Following consultation with Mercer, the Executive Compensation Committee chose price performance targets that are intended to condition the vesting of grants under the new plan on the achievement of very substantial value gains for the Company's shareholders. The Executive Compensation Committee believes that the stock price performance hurdles established for its new long term incentive program are very rigorous when compared to the long term incentive compensation plans of its peers.

LTI Plan. The resulting performance based long term incentive program created by the Company and the General Partner has two parts. The first part was implemented by the 2004 Crescent Real Estate Equities Limited Partnership Long Term Incentive Plan (LTI Plan).

The LTI Plan was adopted by the General Partner effective as of October 1, 2004, based upon the recommendation of the Executive Compensation Committee. Consistent with the Executive Compensation Committee's policy that a significant portion of overall compensation to executive officers be based on the long-term performance of the Company, the LTI Plan was designed to replace the DIU Plan for periods after 2004 and thus to shift more incentive compensation away from short term operational performance and toward a long term alignment with shareholders. Initial grants under the LTI Plan totaled approximately 1,796,250 restricted Units (3,592,500 Common Share equivalents) and were made broadly to the officers of the General Partner, with the CEO and COO of the General Partner receiving approximately 36% of this amount, the Managing Directors of the General Partner receiving approximately 34% of this amount and the other officers receiving 30%. Grants under the LTI Plan are designed to replace for the next five years the grants that have historically been made every three years from the Company's existing incentive compensation plans.

Additionally, the Company required that participants in the LTI Plan relinquish issued and outstanding stock and/or unit options based on formulas established by the Compensation Committee for their particular positions. Pursuant to this requirement, an aggregate of 2,413,813 stock and Unit options, on a Common Share equivalent basis, were canceled.

The LTI Plan provided for the issuance by the Operating Partnership of up to 1,802,500 restricted Units (3,605,000 Common Share equivalents) to officers of the General Partner. Restricted Units granted under the LTI Plan will vest in 20% increments when the average closing price of the Company's Common Shares on the New York Stock Exchange for the immediately preceding 40 trading days equals or exceeds \$19.00, \$20.00, \$21.00, \$22.50 and \$24.00. On August 3, 2005 and November 25, 2005, the \$19.00 and \$20.00 target thresholds, respectively, were met and thus, 40% of the initial grant of Restricted Units vested in 2005. The LTI Plan also gives discretion to the General Partner to establish one or more alternative objective annual performance targets for the Company. Any restricted Unit that is not vested on or prior to June 30, 2010 will be forfeited. Each vested restricted Unit will be exchangeable, beginning on the second anniversary of the date of grant, and subject to a six-month holding period following vesting, for cash equal to the value of two Common Shares based on the closing price of the Common Shares on the date of exchange, unless, prior to the date of the exchange, the Company requests and obtains shareholder approval authorizing it, in its discretion, to deliver instead two Common Shares in exchange for each such restricted Unit. Regular quarterly distributions accrue on unvested restricted Units and are payable upon vesting of the restricted Units.

Performance Plan. The second part of the Company's long term incentive program was implemented by the 2005 Crescent Real Estate Equities Limited Partnership Long Term Incentive Plan (Performance Plan), which was adopted by the General Partner effective as of May 16, 2005, based upon the recommendation of the Executive Compensation Committee. Grants under the Performance Plan are designed primarily for the senior executives of

Table of Contents

the Company and the General Partner, with the initial grant of 1,050,000 restricted Units (2,100,000 Common Share equivalents) being 48% to the CEO and COO of the General Partner, 38% to the Managing Directors of the General Partner and 14% to the other officers of the General Partner.

The Performance Plan provided for the issuance by the Operating Partnership of up to 1,275,000 restricted Units (2,550,000 Common Share equivalents) primarily to the senior executive officers of the General Partner. Restricted Units granted under the Performance Plan vest in 20% increments when the average closing price of the Company's Common Shares on the New York Stock Exchange for the immediately preceding 40 trading days equals or exceeds \$21.00, \$22.50, \$24.00, \$25.50, and \$27.00. The Performance Plan also gives discretion to the General Partner to establish one or more alternative objective annual performance targets for the Company. Any restricted Unit that is not vested on or prior to June 30, 2010 will be forfeited. Each vested restricted Unit will be exchangeable, beginning on the second anniversary of the date of grant, and subject to a six-month holding period following vesting, for cash equal to the value of two Common Shares based on the closing price of the Common Shares on the date of exchange, unless, prior to the date of the exchange, the Company requests and obtains shareholder approval authorizing it, in its discretion, to deliver instead two Common Shares in exchange for each such restricted Unit. Regular quarterly distributions accrue on unvested restricted Units and are payable upon vesting of the restricted Units.

Contemporaneously with the adoption of the Performance Plan, the Executive Compensation Committee and the Compensation Committee of the General Partner determined that no additional awards of restricted stock or stock or Unit options will be made under the various existing plans of the Company and the General Partner, other than the scheduled formula grant of options to the independent trust managers in connection with the 2005 Annual Meeting. These reductions in capacity are expected to reduce the aggregate number of share equivalents that would otherwise have been available to be issued pursuant to these plans by at least 2,600,000, including options not yet granted under the plans and outstanding options that the Executive Compensation Committee and the Compensation Committee of the General Partner believes could not reasonably be expected to be exercised prior to their expiration.

Compensation Awards for 2005.

Annual Compensation. The performance thresholds established by the Compensation Committee of the General Partner for 2005 under the Bonus Plan were a key consideration in the deliberations of the Compensation Committee of the General Partner regarding the bonuses awarded in 2005. The Compensation Committee of the General Partner, in establishing such thresholds, considered the budget of the Company and the expected overall economic performance of the Company for 2005 in light of conditions in the Company's markets and characterizing the REIT industry generally in 2005. The Compensation Committee of the General Partner also considered other factors, including peer group comparisons of the ratio of general and administrative expense to revenue, peer group comparisons of short-term and long-term common stock yields, comparisons of the Company's stock performance to major indices, peer group comparisons of salary and bonus levels, other industry business conditions, and the Company's success in achieving short-term and long-term goals and objectives. The Compensation Committee of the General Partner also considered the General Partner's determinations regarding each officer's achievement of the Functional Unit goals set for such officers, as well as each officer's Individual performance for the year. Bonuses aggregating \$3,515,000 were paid to executive officers other than the Chief Executive Officer of the Company, who does not participate in the Bonus Plan.

Based upon the foregoing deliberations, the Compensation Committee of the General Partner also determined that certain officers, not including the Chief Executive Officer or Chief Operating Officer, would receive moderate increases in their annual salaries for 2006.

Long-Term Incentives. In 2005, the Operating Partnership granted a total of 615,000 restricted Units under the Performance Plan and 75,000 under the LTI Plan to executive officers, other than the Chief Executive Officer. The restricted Unit grants to Mr. Goff are described below. No additional Options, Unit Options, shares of restricted stock or restricted Units were awarded to executive officers in 2005, other than 100,000 Unit Options granted to an executive officer as an inducement award in connection with his hiring.

Table of Contents

CEO Compensation for 2005. Mr. Goff serves as the Chief Executive Officer of the Company and as the Vice Chairman of the Board of Trust Managers for the Company. Mr. Goff's 2005 base annual salary was \$900,000. The Compensation Committee of the General Partner recommended to the full Board of Trust Managers and the Board determined that the base salary for Mr. Goff for 2006 would remain at \$900,000. The Compensation Committee of the General Partner also recommended to the full Board of Trust Managers and the Board approved a bonus of \$1,500,000 for Mr. Goff with respect to 2005 based upon the Compensation Committee of the General Partner's evaluation of a number of factors, including evaluations of Mr. Goff's performance in 2005 by each independent director, peer group comparisons of the ratio of general and administrative expense to revenue, peer group comparisons of short-term and long-term common stock yields, comparisons of the Company's stock performance to major indices, peer group comparisons of salary and bonus levels, other industry business conditions, the Company's funds from operations, and the Company's success in achieving short-term and long-term goals and objectives. In addition, in 2005, Mr. Goff was granted 300,000 restricted Units under the Performance Plan. The Compensation Committee of the General Partner also made its determinations based, in part, upon its subjective evaluation of Mr. Goff's ability in the future to lead the Company in achieving long-term growth and profitability. The Compensation Committee of the General Partner also recognizes that in February 2005, Mr. Goff vested in 100,000 Common Shares pursuant to his February 19, 2002 restricted stock grant from the Company and that he has elected to retain all such shares and to pay withholding taxes of approximately \$691,000 in order to do so.

The Executive Compensation Committee and the Board of Trust Managers each has considered and ratified the foregoing determinations relating to Mr. Goff's compensation.

In addition, the Audit Committee discussed with management and the Independent Auditors any significant deficiencies identified with respect to our internal control over financial reporting, assessed the steps taken by management to minimize these deficiencies and elicited recommendations for the improvement of our internal control over financial reporting.

Further Action Taken by Audit Committee. The Audit Committee has discussed and reviewed with outside counsel the procedures and practices that it should utilize in order to effectively fulfill its oversight responsibility. It has reviewed the required documentation relating to its oversight of the audit process, including our audited financial statements, the Audit Committee Charter and any relevant analysts' reports. In addition, the Audit Committee has inquired of management and the Independent Auditors as to any significant risks or exposures for us and assessed the steps taken by management to minimize these risks and exposures.

Recommendation. Based on the above-mentioned review and discussions with management and the Independent Auditors, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Commission.

Loans to Trust Managers and Executive Officers for Exercise of Options and Plan Unit Options

The following table presents information about current loans to certain of our trust managers and executive officers to enable them to exercise Stock Options and Plan Unit Options to purchase Common Shares. Quarterly payments of interest are due to us during the term of each of the loans, with a final installment in the full original principal amount of the loan due at maturity on July 28, 2012. Except as described below, each loan is secured by a pledge of a number of Common Shares equal to the number of Common Shares purchased using the loan proceeds. As of March 24, 2006, no payments on the loans were due and unpaid.

Transactions with COPI

On February 14, 2002, we entered into an agreement with Crescent Operating, Inc., or COPI, pursuant to which we and COPI agreed to jointly seek approval by the bankruptcy court of a pre-packaged bankruptcy plan for COPI. We agreed to fund certain of COPI's costs, claims and expenses relating to the bankruptcy and related

Table of Contents

transactions. During the year ended December 31, 2004, we loaned to COPI, or paid directly on COPI's behalf, approximately \$2.6 million to fund these costs, claims and expenses. We also agreed to issue Common Shares with a minimum dollar value of approximately \$2.2 million to the COPI stockholders.

In addition, we agreed to use commercially reasonable efforts to assist COPI in arranging COPI's repayment of its \$15.0 million obligation to Bank of America, together with any accrued interest. COPI obtained the loan from Bank of America primarily to participate in investments with us. As a condition to making the loan, Bank of America required Richard E. Rainwater, our Chairman of the Board of Trust Managers, and John C. Goff, our Vice-Chairman of the Board of Trust Managers and Chief Executive Officer, to enter into a support agreement with COPI and Bank of America, pursuant to which Messrs. Rainwater and Goff agreed to make additional equity investments in COPI under certain circumstances. COPI used the proceeds of the sale of its interest in AmeriCold Logistics, LLC to repay Bank of America in full.

Pursuant to the agreement, the current and former directors and officers of COPI and our current and former trust managers and officers received a release from COPI of liability for any actions taken prior to February 14, 2002, and received certain liability releases from COPI and its stockholders under the COPI bankruptcy plan. Messrs. Rainwater and Goff are, respectively, the Chairman of the Board and the Vice Chairman of the Board of the Company and, until February 14, 2002, were also, respectively, the Chairman of the Board and the Vice Chairman of the Board of COPI. In addition, Mr. Goff serves as the Chief Executive Officer of the Company and the General Partner and as the sole director of the General Partner and, until February 14, 2002, also served as Chief Executive Officer of COPI. Messrs. Frank and Rowsey are members of our Board of Trust Managers and, until their resignations on February 14, 2002, were members of the board of directors of COPI.

On March 10, 2003, COPI filed a plan under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Texas. On June 22, 2004, the bankruptcy court confirmed the bankruptcy plan, as amended. On November 4, 2004, COPI sold its interest in AmeriCold Logistics, LLC to AmeriCold Realty Trust for approximately \$19.1 million. In accordance with the confirmed bankruptcy plan, COPI used approximately \$15.4 million of the proceeds to repay the loan from Bank of America, including accrued interest. In addition, in accordance with the bankruptcy plan, COPI used approximately \$4.4 million of the proceeds to satisfy a portion of its debt obligations to us.

On January 19, 2005, the bankruptcy plan became effective upon COPI's providing notification to the bankruptcy court that all conditions to effectiveness had been satisfied. Following the effectiveness of the bankruptcy plan, we issued 184,075 Common Shares to the stockholders of COPI in satisfaction of our final obligation under the agreement with COPI. The Common Shares were valued at approximately \$3.0 million in accordance with the terms of our agreement with COPI and the provisions of the bankruptcy plan. As stockholders of COPI, certain of our trust managers and executive officers, as a group, received an aggregate of 25,946 Common Shares. Of this amount 19,347 Common Shares were issued to Richard E. Rainwater and certain of his affiliates and an aggregate of 6,599 Common Shares were issued to other of our trust managers and executive officers who held stock in COPI.

DBL Holdings, Inc.

Between June 1999 and December 2000, we contributed approximately \$24.2 million to DBL Holdings, Inc. (DBL). The contribution was used by DBL to make an equity contribution to DBL-ABC, Inc., a wholly owned subsidiary of DBL, which committed to purchase an affiliated partnership interest representing a 12.5% interest in G2 Opportunity Fund, LP (G2). G2 was formed for the purpose of investing principally in commercial mortgage backed securities and is managed and controlled by an entity (the G2 General Partner) that is owned equally by Goff-Moore Strategic Partners, L.P. (GMSP) and GMAC Commercial Mortgage Corporation. The G2 General Partner is entitled to an annual asset management fee. Additionally, the G2 General Partner has a 1% interest in profits and losses of G2 and, after payment of specified amounts to partners, a promoted interest based on payments to unaffiliated limited partners. As an affiliated limited partner, DBL-ABC, Inc.'s returns are not impacted by the G2 General Partner's promoted interest. As of December 31, 2005, DBL-ABC, Inc. has received approximately \$41.8 million cumulative distributions on an initial investment of \$24.2 million. The investment balance as of December 31, 2005, was approximately \$0.9 million.

Table of Contents

The ownership structure of GMSP consists of an approximate 92% limited partnership interest owned directly and indirectly by Richard E. Rainwater, our Chairman of the Board of Trust Managers of which approximately 6% is owned by Darla Moore, who is married to Mr. Rainwater. Approximately 6% general partner interest is owned by John C. Goff, our Vice-Chairman of the Board of Trust Managers and Chief Executive Officer. The remaining approximately 2% general partnership interest is owned by unrelated parties.

Canyon Ranch

On January 18, 2005, we contributed the Canyon Ranch Tucson destination resort property, our 50% interest and our preferred interest in CR Las Vegas, LLC and our 30% interest in CR License, L.L.C., CR License II, L.L.C., CR Orlando LLC and CR Miami LLC, to two newly formed entities, CR Spa, LLC and CR Operating, LLC. In exchange, we received a 48% common equity interest in each new entity. The remaining 52% interest in these entities is held by the founders of Canyon Ranch, who contributed their interests in CR Las Vegas, LLC, CR License II, L.L.C., CR Orlando LLC and CR Miami LLC and the resort management contracts. In addition, we sold the Canyon Ranch Lenox destination resort property to a subsidiary of CR Operating, LLC. The founders of Canyon Ranch sold their interest in CR License, L.L.C. to a subsidiary of CR Operating, LLC. As a result of these transactions, the new entities own the following assets: Canyon Ranch Tucson, Canyon Ranch Lenox, Canyon Ranch SpaClub at the Venetian Resort in Las Vegas, Canyon Ranch SpaClub on the Queen Mary 2 ocean liner, Canyon Ranch Living Community in Miami, Florida, Canyon Ranch SpaClub at The Gaylord Palms Resort in Kissimmee, Florida, and the Canyon Ranch trade names and trademarks.

In addition, the newly formed entities completed a private placement of Mandatorily Redeemable Convertible Preferred Membership Units for aggregate gross proceeds of approximately \$110.0 million. In this private placement, Richard E. Rainwater, our Chairman of the Board of Trust Managers, and certain of his family members purchased approximately \$27.1 million of these units on terms identical to those extended to all other investors. The units are convertible into a 25% common equity interest in CR Spa, LLC and CR Operating, LLC and pay distributions at the rate of 8.5% per year in years one through seven, and 11% in years eight through ten. At the end of this period, the holders of the units are entitled to receive a premium in an amount sufficient to result in a cumulative return of 11% per year. The units are redeemable after seven years. Also on January 18, 2005, the new entities completed a \$95.0 million financing with Bank of America. The loan has an interest-only term until maturity in February 2015, bears interest at 5.94% and is secured by the Canyon Ranch Tucson and Canyon Ranch Lenox destination resort properties. As a result of these transactions, we received proceeds of approximately \$91.9 million, which were used to pay down or defease debt related to our previous investment in the properties and to pay down our credit facility.

In connection with this transaction, we have agreed to indemnify the founders regarding the tax treatment of this transaction, not to exceed \$2.5 million, and other matters. We believe there is a remote likelihood that payment will ever be made related to these indemnities.

Other

We have a policy which allows employees to purchase our residential properties marketed and sold by our subsidiaries in the ordinary course of business. This policy requires the individual to purchase the property for personal use or investment and requires the property to be held for at least two years. In addition, this policy requires, among other things, that the prices paid by affiliates must be equivalent to the prices paid by unaffiliated third parties for similar properties in the same development and that the other terms and conditions of the transaction must be at least as beneficial to us as the terms and conditions with respect to the other properties in the same development. In 2005, two executive officers entered into binding contracts to purchase three condominium units and one residential lot at three of our residential development projects for aggregate consideration of approximately \$3.5 million. The contracts for one of the condominiums and the lot closed in 2005.

OTHER INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act) requires our officers, trust managers and persons who own more than 10% of our Common Shares, our 6 ³/₄% Series A convertible cumulative preferred shares of beneficial interest, par value \$.01 per share or our 9.50% Series B cumulative redeemable preferred shares to file reports of ownership on Form 3 and changes in ownership on Forms 4 and 5 with the SEC and the New York Stock Exchange. The SEC rules also require such officers, trust managers and 10% holders to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of copies of such reports received or written representations from certain reporting persons, we believe that all Section 16(a) filing requirements applicable to our officers, trust managers and 10% shareholders were complied with for the fiscal year ended December 31, 2005, except as follows:

(i) each of Messrs. Crenshaw, Dean, Frank, Goff, Quinn, Rowsey, Rainwater and Zogg filed on an untimely basis a Form 4 reporting the receipt of Company shares as a result of the pro rata distribution of Company shares to all common stockholders of Crescent Operating, Inc. (including these Company insiders) pursuant to a Plan of Reorganization of Crescent Operating confirmed by a US Bankruptcy Court; these Company insiders not only had no control or influence over the timing of such distribution, but because of the distribution procedures of the Company's transfer agent and the recordkeeping procedures of various brokerage houses holding their accounts, these insiders were unable to file timely because they only became aware that such shares had been actually issued when actual receipt of those shares was reported to them, usually several days or weeks after the fact; once such information was received, it was reported on a Form 4 as promptly as practicable;

(ii) each of Messrs. Alberts, Crenshaw, Dean, Goff, Miller, Moczulski, Porter, and Zogg and each of Ms. Mody and Ms. Page filed a Form 4 reporting the relinquishment to the Company and/or the Operating Partnership of Company-granted or Operating Partnership-granted options in exchange for a grant of restricted units under the LTI Plan; these transactions all occurred on the same day and the filing of the Forms 4, which were all filed on the same day, was delayed by one day beyond the two-day business day filing deadline in order to assure that the information reported on those Forms 4 was both accurate and complete;

(iii) Mr. Crenshaw filed a Form 4 two days late reporting a single exercise of an in-the-money employee stock option;

(iv) Mr. Smith failed to file a Form 4 reporting the grant to him by the Operating Partnership of restricted units under LTI Plan, but that transaction was subsequently reported on a timely filed Form 5 for the fiscal year ended December 31, 2005; and

(v) Mr. Zogg, Jr. filed a Form 4 reporting the sale of shares vested under the Company's Employee Stock Purchase Plan four days late.

Shareholder Proposals for Our 2007 Annual Meeting of Shareholders

Shareholders who intend to submit proposals for consideration at our 2007 annual meeting of shareholders must submit such proposals to us no later than December 14, 2006, in order to be considered for inclusion in the proxy statement and form of proxy that the Board of Trust Managers will distribute in connection with that meeting. Shareholder proposals should be submitted to David M. Dean, Managing Director, Law and Secretary, at 777 Main Street, Suite 2100, Fort Worth, Texas 76102.

Under the Bylaws, a shareholder must comply with certain procedures to nominate persons for election to the Board of Trust Managers or to propose other business to be considered at an annual meeting of shareholders. These procedures provide that shareholders desiring to make nominations for trust managers and/or to bring a proper subject before a meeting must do so by notice timely delivered to our Secretary. The Secretary generally must receive notice of any such proposal not less than 70 days nor more than 90 days prior to the anniversary of the

preceding year's annual meeting of shareholders. In the case of proposals for the 2007 annual meeting of shareholders, our Secretary must receive notice of any such proposal no earlier than February 7, 2007, and no later than February 27, 2007 (other than proposals intended to be included in the proxy statement and form of proxy, which, as noted above, we must receive by December 14, 2006). Generally, such shareholder notice must set forth (i) as to each nominee for trust manager, all information relating to such nominee that is required to be disclosed in solicitations of proxies for election of trust managers under the proxy rules of the Commission; (ii) as to any other business, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in that business of such shareholder; and (iii) as to the shareholder, (a) the name and address of the shareholder, (b) the class or series and number of shares of beneficial interest that the shareholder owns beneficially and of record, and (c) the date(s) upon which the shareholder acquired ownership of such shares. The chairman of the annual meeting shall have the power to declare that any proposal not meeting these and any other applicable requirements that the Bylaws impose shall be disregarded. A copy of the Bylaws may be obtained, without charge, upon written request to David M. Dean, Managing Director, Law and Secretary, at 777 Main Street, Suite 2100, Fort Worth, Texas 76102.

In addition, the form of proxy that the Board of Trust Managers will solicit in connection with our 2007 annual meeting of shareholders will confer discretionary authority to vote on any proposal, unless our Secretary receives notice of that proposal no earlier than February 7, 2007, and no later than February 27, 2007, and the notice complies with the other requirements described in the preceding paragraph.
