Item 1.01. Entry into a Material Definitive Agreement.

Distribution Agreement

On January 26, 2009, Freeport-McMoRan Copper & Gold Inc. (the Company) entered into a distribution agreement (the Agreement) with J.P. Morgan Securities Inc. (JPMS). Pursuant to the terms of the Agreement, the Company may offer and sell shares of common stock, par value \$0.10 per share (the Shares) having aggregate gross proceeds of up to \$750 million from time to time through JPMS, as its sales agent. Sales of the Shares, if any, would be made by means of ordinary brokers' transactions or block trades on the New York Stock Exchange at market prices or as otherwise agreed with the sales agent. The Company may also agree to sell the Shares to JPMS, as principal, for its own account, on terms agreed to by the parties to such agreement. JPMS will receive from the Company a commission equal to 1.25% of the gross sales price per share of the Shares sold through it as sales agent under the Agreement.

The Shares are registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Company's shelf registration statement (the Registration Statement) on Form S-3 (File No. 333-140997), which became effective upon filing with the Securities and Exchange Commission (the SEC) on March 1, 2007.

The Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K, and the description of the Agreement is qualified in its entirety by reference to such exhibit. For a more detailed description of the Agreement, see the disclosure under the caption "Plan of Distribution" contained in the Company's prospectus supplement dated January 26, 2009 to the prospectus dated March 1, 2007, which has been filed with the SEC pursuant to Rule 424(b) under the Securities Act, which disclosure is hereby incorporated by reference. The Agreement is also filed with reference to, and is hereby incorporated by reference into, the Registration Statement.

In the ordinary course of their business, JPMS and/or their affiliates have in the past performed, and may continue to perform, investment banking, broker dealer, financial advisory or other services for us for which they have received, or may receive, separate fees. Under our senior credit facilities, JPMorgan Chase Bank, N.A. is administrative agent and collateral agent and affiliates of JPMS are also lenders. These affiliates will receive a portion of the proceeds from the sale of our common stock under the Agreement to the extent such proceeds are used to repay borrowings under our senior credit facilities.

A copy of the opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., relating to the legality of the Shares, is filed as Exhibit 5.1 to this Current Report and is filed with reference to, and is hereby incorporated by reference into, the Registration Statement.

Amendments to Senior Credit Facilities

On January 22, 2009, FCX effected amendments (the Amendments) to (1) its senior secured credit agreement with JPMorgan Chase Bank, N.A. (JPMorgan), as administrative agent and collateral agent, and each of the lenders and issuing banks party thereto, and (2) the amended and restated senior secured credit agreement of FCX and a subsidiary borrower with JPMorgan, as administrative agent, security agent, joint account assets security agent and collateral agent, and each of the lenders and issuing banks party thereto.

The senior credit facilities require that FCX meet a leverage ratio test (Total Debt to Consolidated EBITDA for the preceding four quarters cannot exceed 5.0 to 1.0 on the last day of any fiscal quarter) and a secured leverage ratio test (Total Secured Debt to Consolidated EBITDA for the preceding four quarters cannot exceed 3.0 to 1.0 on the last day of any fiscal quarter) at any time that borrowings or letters of credit are outstanding under the senior credit facilities.

The Amendments amend the definition of Consolidated EBITDA to subtract an amount up to \$715 million from third quarter 2008 Consolidated EBITDA and add that same amount to fourth quarter 2008 Consolidated EBITDA. The \$715 million represents an amount related to the unusually high fourth quarter 2008 adjustment for provisionally priced copper sales in prior periods that resulted from the dramatic decline in copper prices during the fourth quarter of 2008. The leverage ratio tests are based on the trailing four quarters Consolidated EBITDA

Table of Contents

and the Amendments avoid a distortion in the fourth quarter 2008 Consolidated EBITDA for purposes of future calculations in 2009.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

The Exhibits included as part of this Current Report are listed in the attached Exhibit Index.
