PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Management has determined that Fremont General Corporation (the Company) is unable to file its Quarterly Reports on Form 10-Q for the quarter ended March 31, 2009 (the March 10-Q) by the May 15, 2009 due date and it is not expected that the Company will be able to make that filing within the fifteen-day extension permitted by the rules of the U.S. Securities and Exchange Commission (the SEC).

As previously disclosed, on June 18, 2008, the Company filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Central District of California, Santa Ana Division (the Bankruptcy Court). Pursuant to the United States Bankruptcy Code, a debtor-in-possession, such as the Company, has 120 days from the date of the filing of its Chapter 11 petition with the Bankruptcy Court in which to file a plan of reorganization, subject to the Bankruptcy Court's discretion to grant extensions of this exclusive period. During this exclusive period, no other person or entity is permitted to file a plan of reorganization. The Company has been granted extensions of its exclusive period, which absent an additional extension ends on June 1, 2009.

As previously announced on February 25, 2009, the Company is still evaluating prospective plan proponents for a plan of reorganization to determine whether the implementation of any such plan is in the best interest of the Company, its creditors and its various other constituencies. The Company cannot provide any assurance that any such plan of reorganization would be acceptable to the Company's constituents or that any plan of reorganization will be confirmed by the Bankruptcy Court.

Documents filed with the Bankruptcy Court in connection with the Company's bankruptcy case (other than documents filed under seal or otherwise subject to confidentiality protections) will be accessible at the Bankruptcy Court's Internet site, www.cacd.uscourts.gov, through an account obtained from Pacer Service Center at 1-800-676-6856. Additional information may also be found at the Company's website at www.fremontgeneral.com under Restructuring Information where you will find the following link www.kccllc.net/fremontgeneral. The information set forth on the foregoing websites shall not be deemed to be a part of or incorporated by reference into this Form 12b-25.

In addition to its March 10-Q, the Company has not yet been able to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2008. The Company is reviewing the feasibility of completing its 2008 consolidated financial statements in the context of the Company's bankruptcy filing. As a result of

these matters confronting the Company, the Company is not able to determine when it will be able to file its March 10-Q with the SEC.

(2) Have all other periodic reports reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceeding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

Annual Report on Form 10-K for the fiscal year ended December 31, 2008

Quarterly Reports on Form 10-Q for the quarters ended March 31, 2008, June 30, 2008 and September 30, 2008

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Explanation:

As more fully discussed in Part III hereof, the Company is reviewing the feasibility of completing its 2008 consolidated financial statements in the context of the Company's bankruptcy filing. Because the Company has not completed its consolidated financial statements for the year ended December 31, 2008, and the quarters ended March 31, 2008, June 30, 2008 and September 30, 2008, management is unable to provide a reasonable estimate of the Company's results of operations for the year ended December 31, 2008 or its results of operations for the quarter ended March 31, 2009. Consequently, the Company is not in a position to quantify any significant change in results of operations for the quarter ended March 31, 2009 as compared to the prior year at this time.
