State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Alkermes (the Company) is currently undergoing a periodic review of its Exchange Act filings by the Staff of the Securities and Exchange Commission (the Staff). As part of that review, the Staff has requested information from the Company regarding the basis for the Company's accounting treatment for the collaboration with Cephalon, Inc. (Cephalon) relating to VIVITROL®. The Company has provided the information requested by the Staff. The Staff has not completed its review, nor informed the Company that its financial reporting for the Cephalon transaction is not in accordance with GAAP. However, due to the complex and evolving nature of the accounting in this area, the Company is not filing its Annual Report on Form 10-K for the year ended March 31, 2007, in light of the ongoing discussions between the Company and the Staff on the appropriate accounting under GAAP for the Cephalon collaboration. The Company will work to resolve these issues, if possible, within the time period required for the filing of its Annual Report, including the extension provided by Rule 12b-25 of the Securities Exchange Act of 1934, as amended, though there can be no assurances that all matters will be resolved by that date.
