QUESTIONS AND ANSWERS

Following are questions often asked by shareholders of publicly held companies. We hope that the answers will assist you in casting your vote.

WHAT AM I VOTING ON?

We are soliciting your vote on:

Edgar Filing: PERRIGO CO - Form DEF 14A

1. the election of three directors for a three-year term beginning at the Annual Meeting; and
2. the amendment of our Articles of Incorporation to increase the maximum number of directors that may serve on the board from nine to eleven.

WHO MAY VOTE?

Shareholders of record at the close of business on September 1, 2004, the record date, may vote. On that date, there were 71,132,535 shares of Perrigo common stock outstanding.

HOW MANY VOTES DO I HAVE?

Each share of Perrigo common stock that you own entitles you to one vote.

HOW DO I VOTE?

You may vote your shares in any of the following four ways:

- | | |
|------------------|---|
| 1. By mail: | complete the proxy card or voting instruction form and sign, date and return it in the enclosed envelope. |
| 2. By telephone: | call the toll-free number on the proxy card, enter the control number on the proxy card and follow the recorded instructions. |
| 3. By Internet: | go to the website listed on the proxy card, enter the control number on the proxy card and follow the instructions provided. |
| 4. In person: | attend the Annual Meeting, where ballots will be provided. |

You may also vote by telephone or over the Internet if you hold your shares through a bank or broker that offers either of those options. If you choose to vote in person at the Annual Meeting and your shares are held in the name of your broker, bank or other nominee, you need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on September 1, 2004, the record date for voting.

1

HOW DOES DISCRETIONARY VOTING AUTHORITY APPLY?

If you sign, date and return your proxy card or vote by telephone or Internet, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Douglas R. Schrank and Todd W. Kingma to vote for the items discussed in these proxy materials and on any other matter that is properly raised at the Annual Meeting. In that event, your proxy will be voted FOR the election of each director nominee, FOR the amendment of our Articles of Incorporation and FOR or AGAINST any other properly raised matters at the discretion of Messrs. Schrank and Kingma.

MAY I REVOKE MY PROXY?

You may revoke your proxy at any time before it is exercised in one of four

Edgar Filing: PERRIGO CO - Form DEF 14A

ways:

1. Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy. The notice should be sent to our address on the cover of this proxy statement.
2. Submit another proxy with a later date.
3. Vote by telephone or Internet after you have given your proxy.
4. Vote in person at the Annual Meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

WHAT CONSTITUTES A QUORUM?

The presence, in person or by proxy, of the holders of a majority of Perrigo shares entitled to vote at the Annual Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions and broker non-votes are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you.

WHAT VOTE IS REQUIRED TO ELECT THE DIRECTOR NOMINEES AND TO AMEND OUR ARTICLES OF INCORPORATION?

Election of Directors: A plurality of the votes cast will elect directors. This means that the three nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that by following the instructions on the proxy card or by withholding authority as prompted during telephone or Internet voting or when you vote in person at the meeting. Abstentions and broker non-votes will have no effect on the election of the directors.

2

Amendment of Articles of Incorporation: The amendment of our Articles of Incorporation requires that a majority of the outstanding shares of Perrigo common stock vote in its favor. An abstention will have the effect of a vote against the amendment. Uninstructed shares may not be voted on this matter, and therefore, a broker non-vote also will have the effect of a vote against the amendment.

HOW DO I SUBMIT A SHAREHOLDER PROPOSAL FOR NEXT YEAR'S ANNUAL MEETING?

You must submit a proposal to be included in our proxy statement for the 2005 Annual Meeting no later than June 1, 2005. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission. You may also submit a proposal that you do not want included in the proxy statement but that you want to raise at the 2005 Annual Meeting. If you want to do this, we must receive your written proposal on or after July 31, 2005, but on or before August 20, 2005. If you submit your proposal after the deadline, then Securities and Exchange Commission rules permit the individuals named in the

Edgar Filing: PERRIGO CO - Form DEF 14A

proxies solicited by Perrigo's Board of Directors for that meeting to exercise discretionary voting power as to that proposal, but they are not required to do so.

To be properly brought before an annual meeting, our by-laws require that your proposal include: (1) your name and address as they appear on our stock records; (2) a brief description of the business you want to bring before the meeting; (3) the reasons for conducting the business at the meeting; (4) any interest you have in the business you want to bring before the meeting; and (5) the number of shares of Perrigo common stock that you own beneficially and of record. You should send any proposal to our Secretary at our address on the cover of this proxy statement.

HOW DO I NOMINATE A DIRECTOR?

If you wish to nominate an individual for election as a director at the 2005 Annual Meeting, we must receive your nomination on or after July 31, 2005, but on or before August 20, 2005. In addition, our by-laws require that for each person you propose to nominate you provide: (1) your name and address as they appear on our stock records; (2) the number of shares of Perrigo common stock that you own beneficially and of record; (3) the nominee's written statement that he or she is willing to be named in the proxy statement as a nominee and to serve as a director if elected; and (4) any other information regarding the nominee that would be required by the Securities and Exchange Commission to be included in a proxy statement had Perrigo's Board of Directors nominated that individual. You should send your proposed nomination to our Secretary at our address on the cover of this proxy statement.

WHO PAYS TO PREPARE, MAIL AND SOLICIT THE PROXIES?

Perrigo will pay all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our Annual Report to Shareholders to the beneficial owners of Perrigo common stock and to obtain the

3

authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

ELECTION OF DIRECTORS

Nine directors currently serve on our Board of Directors. The directors are divided into three classes. At this Annual Meeting, you will be asked to elect three directors. Each director will serve for a term of three years, until a qualified successor director has been elected, or until he or she resigns or is removed by the Board. The remaining six directors will continue to serve on the Board as described below. The nominees for this year, Laurie Brilas, Larry D. Fredricks and Michael J. Jandernoa, are currently Perrigo directors.

We will vote your shares as you specify on the enclosed proxy card or during telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve. The nominees have provided the following information about themselves.

CORPORATE GOVERNANCE

GENERAL

We believe that good corporate governance is critical in fulfilling our obligations to our shareholders. As part of our ongoing commitment, we have reviewed our corporate governance policies and practices for compliance with the provisions of the Sarbanes-Oxley Act of 2002, the rules and regulations of the

Edgar Filing: PERRIGO CO - Form DEF 14A

SEC and the recently adopted Nasdaq Stock Market listing standards.

Our Board of Directors has oversight responsibility for our business, property and affairs. The Chief Executive Officer reports directly to the Board. Members of our executive management report regularly to the Board on the segments of the business for which each has management responsibility. Our strategic direction is approved and authorized by the Board after considering strategic plan recommendations made to the Board by executive management.

CORPORATE GOVERNANCE GUIDELINES

The Board of Directors has set forth its corporate governance policies and practices in a set of Corporate Governance Guidelines. These guidelines assist the Board in the exercise of its responsibilities and may be amended by the Board from time to time. Our Corporate Governance Guidelines are available on our website (<http://www.perrigo.com>) under the heading Investor Relations--Corporate Governance--Corporate Governance Guidelines. The Guidelines also are available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement.

CODE OF CONDUCT

The Board of Directors has adopted a Code of Conduct applicable to all of our employees, officers and directors, including our chief executive officer and senior financial and accounting officers. Our Code of Conduct acknowledges that a reputation for ethical, moral and legal business conduct is one of Perrigo's most valuable assets. The Code requires that all of our employees, officers and directors comply with all laws and other legal requirements, avoid conflicts of interest, protect corporate opportunities and confidential information, conduct business in an honest and ethical manner and otherwise

6

act with integrity and in the company's best interest. In addition, our Code of Conduct acknowledges special ethical obligations for financial reporting. We maintain a current copy of our Code of Conduct, and will promptly post any amendments to or waivers of the Code, on our website (<http://www.perrigo.com>) under the heading Investor Relations--Corporate Governance--Code of Conduct. Our Code of Conduct is available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement.

DIRECTOR INDEPENDENCE

Our Corporate Governance Guidelines require that a substantial majority of the Board consist of directors who meet the independence requirements of Nasdaq. Accordingly, our Board conducts an annual review to determine whether each of our directors qualifies as independent. A director will not be considered independent unless the Board of Directors determines that the director has no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Based on its most recent annual review, the Board of Directors has concluded that each director, other than David T. Gibbons and Michael J. Jandernoa, is independent as defined in the Nasdaq listing standards.

The Board has no fixed policy with respect to the combining or separating of the offices of the Chairman of the Board and the Chief Executive Officer. The Board believes that this issue is part of the succession planning process, and

Edgar Filing: PERRIGO CO - Form DEF 14A

that it is in Perrigo's best interests for the Board to make a determination whenever it elects a new Chief Executive Officer. The independent members of the Board of Directors meet periodically in executive session without management and also meet in executive session with the Chief Executive Officer on an "as needed" basis.

The Board has a Lead Independent Director. That position is filled on a rotating basis by the directors based on seniority, with each independent director serving as the Lead Independent Director for a one-year term. Duties of the Lead Independent Director include presiding at all Board meetings at which the Chairman is not present, including executive sessions; serving as liaison between the Chairman and the independent directors; and having the authority to call meetings of the independent directors.

COMMUNICATIONS WITH DIRECTORS

Stockholders and other interested parties may communicate with any of our directors or with the independent directors as a group by writing to them in care of our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement. In accordance with the policy adopted by our independent directors, any communications that allege or report fiscal improprieties or complaints about internal accounting controls or other accounting or auditing matters are forwarded to the Chief Financial Officer, as appropriate. If either the Chief Financial Officer or the General Counsel believe that the communication is significant or possibly material to Perrigo, it is immediately sent to the Chairman of the Audit Committee and, after consultation

7

with the Chairman, may be sent to the other members of the Audit Committee. If the communication is not immediately sent to the Audit Committee Chairman, then it is reported to him or her on a quarterly basis. In addition, the Lead Independent Director is advised promptly of any communications that allege misconduct on the part of Perrigo management or that raise legal, ethical or compliance concerns about Perrigo's policies or practices. On a regular basis, the Lead Independent Director receives updates on other communications that raise issues related to Perrigo's affairs, and he or she determines which of these communications he or she would like to see. In addition, the General Counsel maintains a log of all such communications, which is available for review upon the request of any Board member.

DIRECTOR NOMINATIONS

Pursuant to our Corporate Governance Guidelines, the Nominating & Governance Committee, with the involvement of our Chief Executive Officer, is responsible for screening and recommending candidates for service as a director and will consider recommendations offered by shareholders in accordance with our by-laws. The Board as a whole is responsible for approving nominees. The Nominating & Governance Committee recommends individuals as director nominees based on various criteria, including their business and professional background, integrity, understanding of our business and demonstrated ability to make independent analytical inquiries. In addition, directors should be willing and able to devote the necessary time to Board and committee duties. A director's qualifications in meeting these criteria are considered at least each time the director is re-nominated for Board membership.

The Nominating & Governance Committee, our Chairman of the Board and Chief Executive Officer, our Lead Independent Director or other Board members may identify a need to add new members to the Board to satisfy specific criteria or simply to fill a vacancy. The Committee will initiate a search for potential

Edgar Filing: PERRIGO CO - Form DEF 14A

director nominees, seeking input from other Board members and senior management, and may hire outside advisers to assist in identifying and evaluating candidates.

Our by-laws permit shareholders to nominate candidates for consideration at an annual meeting. The process for shareholders to submit a director candidate in accordance with our by-laws is described in this proxy statement under "Questions and Answers--How do I nominate a director?" Assuming that a properly submitted shareholder recommendation for a potential nominee is received and appropriate biographical and background information is provided, the Nominating & Governance Committee and the Board follow the same process and apply the same criteria as they do for candidates submitted by other sources.

STOCK OWNERSHIP

Each director is required to maintain a minimum ownership of Perrigo stock equal to the total of his or her preceding three years' stock grants. If a director has served less than three years, he or she must maintain a stock ownership level equal to the restricted shares granted to him or her for service as a director. In addition, the Chief Executive

8

Officer must own shares of Perrigo stock equal in value to two times his or her annual base salary, and each executive officer must own shares of Perrigo stock equal in value to one times his or her annual base salary. These individuals must attain that level of ownership within the later of three years of appointment to his or her executive position or July 1, 2005.

ATTENDANCE AT ANNUAL MEETING

We encourage all of the members of our Board of Directors to attend our Annual Meeting of Shareholders. While their attendance is not required, each of our directors, except Judith A. Hemberger, attended our last annual meeting.

BOARD OF DIRECTORS AND ITS COMMITTEES

Perrigo's Board of Directors met five times during fiscal year 2004. In addition to meetings of the full Board, directors attended meetings of Board committees. The Board of Directors has standing Audit, Compensation and Nominating & Governance Committees. The Board of Directors has adopted a charter for each committee. Copies of the charters are available on our website (<http://www.perrigo.com>) under Investor Relations-Governance and are available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement. Effective as of August 8, 2003, all committees consisted solely of independent Board members. During fiscal year 2004, each director attended at least 75% of the meetings of the Board and of the committees on which he or she served. L.R. Jalenak, Jr. retired from the Board of Directors in August 2003.

DIRECTOR COMPENSATION

ANNUAL RETAINER AND ATTENDANCE FEES

Directors who are Perrigo employees receive no fees for their services as directors. Non-employee directors receive a \$25,000 annual cash retainer fee covering all regular and special Board meetings and the Annual Meeting of Shareholders. Each non-employee director also receives an annual restricted stock grant having a value on the grant date of \$40,000 based upon the average of the high and low price of our stock on that date. The restricted stock grant is made pursuant to the company's 2003 Long-Term Incentive Plan approved by the shareholders at the 2003 Annual Meeting of Shareholders and is intended to directly link an element of director compensation to shareholders' interests. One-third of the restricted shares vest fully in each director annually over the three-year period following the grant date.

Compensation and Nominating & Governance Committee members each receive \$1,000 for each in-person committee meeting attended and \$500 for each telephonic committee meeting in which they participate, and Audit Committee members each receive \$1,500 for each in-person committee meeting attended and \$750 for each telephonic meeting in which they participate. OPTION GRANTS IN FISCAL YEAR 2004

This table gives information relating to option grants to the named executive officers during fiscal year 2004. All of the options were granted under our Employee Stock Option Plan. Since our stockholders approved our 2003 Long-Term Incentive Plan at last year's Annual Meeting, no further grants have been, or will be, made under the Employee Stock Option Plan. The potential realizable value is calculated based on the term of the option at its time of grant, 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. Stock price appreciation of 5% and 10% is assumed under the rules of the Securities and Exchange Commission. We cannot assure you that the actual stock price will appreciate over the 10-year option term at the assumed levels or any other defined level.

OPTION EXERCISES IN FISCAL YEAR 2004 AND FISCAL YEAR-END 2004 OPTION VALUES

This table provides information regarding the exercise of options during fiscal year 2004 and options outstanding at the end of fiscal year 2004 for the named executive officers. The "value realized" is calculated using the difference between the option exercise price and the price of Perrigo common stock on the date of exercise multiplied by the number of shares underlying the option. The "value of unexercised in-the-money options at fiscal year end" is calculated using the difference between the option exercise price and \$18.89 (the closing price of Perrigo stock on June 25, 2004, the last trading day of fiscal year 2004) multiplied by the number of shares underlying the option. An option is in-the-money if the market value of Perrigo common stock is greater than the option's exercise price.

EMPLOYMENT AGREEMENT WITH CHIEF EXECUTIVE OFFICER

We entered into an employment agreement with our Chief Executive Officer, David T. Gibbons, effective May 1, 2000. The agreement has an initial term ending June 30, 2005 and renews for consecutive one-year terms unless either party gives 90 days' notice prior to the expiration of any term. Under the agreement, Mr. Gibbons' base salary is reviewed at least annually by the Board to determine if an increase is appropriate. We paid Mr. Gibbons a base salary of

Edgar Filing: PERRIGO CO - Form DEF 14A

\$567,000 in fiscal year 2004 and, effective July 1, 2004, the Board increased his salary to \$589,700.

Mr. Gibbons is eligible to participate in the Management Incentive Bonus Plan, under which he has a target bonus opportunity of at least 100% of his annual salary. Mr. Gibbons was paid a bonus of \$1,073,520 under the Plan in fiscal year 2005 for fiscal year 2004. Pursuant to our agreement with Mr. Gibbons, a Deferred Compensation Plan was established in June 2001 for certain key employees, and Mr. Gibbons has elected to defer \$132,780 of his fiscal year 2004 compensation until his retirement. Mr. Gibbons also was granted an option to purchase 750,000 shares of Perrigo common stock under our Employee Stock Option Plan at the time of his employment. Under the terms of the employment agreement, Mr. Gibbons received options to purchase 125,000 shares of Perrigo common stock for each of fiscal years 2002 and 2003. The options for fiscal year 2002 were actually issued to Mr. Gibbons in May 2001 prior to the end of fiscal year 2001. Mr. Gibbons also received 95,715 shares of restricted Perrigo common stock and a

17

cash transition bonus of \$160,000. On June 30, 2003, the restrictions lapsed on all 95,715 shares of Mr. Gibbons' restricted stock.

If Mr. Gibbons dies or becomes disabled during his employment, he will receive compensation and benefits earned to date, including payment for unused vacation days and a pro rata management incentive bonus for the portion of the year he was employed, and his options and restricted stock will vest in accordance with their terms. If Mr. Gibbons resigns for "good reason" or if we terminate his employment "without cause", each as defined in the employment agreement, Mr. Gibbons, in addition to receiving earned compensation and benefits and vesting of options and restricted stock, will receive a cash payment equal to 12 months' salary. If we terminate Mr. Gibbons' employment for cause, as defined in the employment agreement, he will receive compensation and benefits earned to date, but will forfeit any options, whether vested or unvested, and any restricted stock, as well as any unvested benefits. The employment agreement also provides for the payment of earned compensation and benefits as well as the automatic vesting of options and lapse of restrictions on restricted stock following a change in control of Perrigo.

In connection with his employment, Mr. Gibbons entered into a noncompetition and nondisclosure agreement with Perrigo. The agreement provides that Mr. Gibbons will not compete with us during the term of his employment and, if his employment with us terminates within five years from the date of the employment agreement, he cannot compete with us in the store brand business for two years thereafter. In addition, Mr. Gibbons has agreed that he will not, at any time during or after his employment with Perrigo, disclose any confidential information that he obtained during his employment.

EQUITY COMPENSATION PLAN INFORMATION

The table below provides information about Perrigo's common stock that may be issued upon the exercise of options and rights under all of our equity compensation plans as of June 26, 2004. At last year's Annual Meeting held on October 28, 2003, shareholders approved our 2003 Long-Term Incentive Plan. Prior to the approval of the Long-Term Incentive Plan, equity compensation grants were made under our shareholder-approved Employee Stock Option Plan and Non-Qualified Stock Option Plan for Directors, as well as under our Restricted Stock Plan for Directors II and certain individual restricted stock arrangements that were not approved by shareholders. No

INDIVIDUAL ARRANGEMENT

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION POLICY

During fiscal year 2004, the Compensation Committee of the Board of Directors was composed of three independent non-employee directors. The Board of Directors has adopted a Compensation Committee Charter, which specifies the composition and responsibilities of the Committee. The Board reviews the Charter annually based on input from the Committee.

The Chief Executive Officer's salary and bonus and any stock-based incentive awards granted to him under the 2003 Long-Term Incentive Plan are

Edgar Filing: PERRIGO CO - Form DEF 14A

approved by the independent directors after review and recommendation by the Committee. The Committee reviews and approves the compensation arrangements for all other Executive

19

Officers with respect to their salaries, bonuses and stock-based incentive awards under the 2003 Long-Term Incentive Plan.

The Committee strives to:

- motivate officers to create added value for Perrigo shareholders through compensation incentives that are tied to Perrigo's operating and stock market performance;
- reward officers for their individual performance as well as Perrigo's performance;
- provide compensation and benefits at levels that enable Perrigo to attract and retain high-quality executives; and
- align the interests of officers and directors with the interests of Perrigo shareholders through stock ownership.

Perrigo's management compensation policy is intended to provide a compensation package for Executive Officers that is generally competitive with the compensation of executive officers of comparable manufacturing companies. In establishing executive compensation, the Committee considers salary and bonus information compiled by Mercer Human Resource Consulting. The Mercer compensation data includes non-durable goods manufacturing companies, some of which are reflected in the Nasdaq Pharmaceutical Index shown on the Performance Graph included in this proxy statement. The Committee's objective is that the total cash compensation for Perrigo's executive officers approximate the median reflected in the Mercer data.

EXECUTIVE OFFICER COMPENSATION

Executive Officer compensation includes cash-based and stock-based components. Cash-based compensation consists of base salary and an annual bonus, if one is warranted under the criteria of the Management Incentive Bonus Plan. In addition, Perrigo makes annual contributions under its Profit Sharing Plan for employees with at least one year of service, including the Executive Officers. Perrigo also makes matching contributions under its 401(k) Plan to certain of its employees, including the Executive Officers. The Executive Officers are also eligible to receive grants of stock-based incentive awards under the 2003 Long-Term Incentive Plan.

Cash-Based Compensation

As discussed above, the Committee considers compensation data provided by Mercer in determining Executive Officer base salary and bonus awards under the Management Incentive Bonus Plan. In addition, the Committee evaluates the following factors, which are ranked in order of importance:

- company-wide performance measured by attainment of specific strategic objectives and quantitative measures;
- individual performance;

20

Edgar Filing: PERRIGO CO - Form DEF 14A

- compensation levels at comparable manufacturing companies; and
- historical cash and equity compensation levels.

The primary quantitative measure that the Committee considers is return on assets, although earnings per share and revenue growth are also relevant. Qualitative factors include the quality and progress of Perrigo's marketing and manufacturing operations and the success of strategic actions, such as acquisitions of lines of business or introduction of new products.

Stock-Based Compensation

Certain designated key management employees, including the Chief Executive Officer and other Executive Officers are eligible to participate in the 2003 Long-Term Incentive Plan approved by the shareholders. Awards under this plan may be in the form of stock options, stock appreciation rights or stock awards, including restricted shares, performance shares, performance units and other stock unit awards. The number of stock-based incentive awards granted to these employees is based on an evaluation of the officer's performance and is subject to the approval of the Committee. Options granted under the 2003 Long-Term Incentive Plan must have an exercise price at least equal to the fair market value of Perrigo common stock on the grant date as determined by the Committee. The fair market value, as provided in the plan, is the average of the high and low prices of our stock on the date of the grant. The Committee views the grant of stock-based incentive awards pursuant to the shareholder-approved plan as an effective incentive for executive officers to create value for shareholders since the ultimate value of these awards is directly related to the increase in the market price of Perrigo's common stock.

CHIEF EXECUTIVE OFFICER COMPENSATION

David T. Gibbons, our Chief Executive Officer, is compensated in accordance with the terms of an Employment Agreement entered into at the time of his employment in May 2000. A more complete description of his compensation arrangement can be found in this proxy statement under the heading "Employment Agreement with Chief Executive Officer" on page 17. Mr. Gibbons' compensation is reviewed and adjusted annually by the independent directors based upon the same criteria used to evaluate and determine the appropriate compensation for other Executive Officers. For fiscal year 2004, Mr. Gibbons was paid a base salary of \$567,000 under the terms of his Employment Agreement and a bonus of \$1,073,520 under the terms of our Management Incentive Bonus Plan.

The Committee believes that the terms of Mr. Gibbons' employment are similar to terms granted to chief executive officers of comparable companies and are necessary to attract and retain a chief executive officer of his stature.

SUMMARY

The Committee carefully reviews executive compensation. After reviewing Perrigo's compensation programs, the Committee has concluded that the amounts paid to the

Executive Officers, including stock-based incentive awards, in fiscal year 2004 appropriately reflect individual performance, are linked to Perrigo's financial, operational and market results, and are generally competitive with amounts paid to executive officers of comparable companies.

Edgar Filing: PERRIGO CO - Form DEF 14A

DEDUCTIBILITY OF COMPENSATION

Internal Revenue Code Section 162(m) limits the deductibility by Perrigo of compensation in excess of \$1,000,000 paid to each of the Chief Executive Officer and the next four most highly paid officers. Certain "performance based compensation" is not included in compensation counted for purposes of the limit. The Committee's policy is to establish and maintain a compensation program that will optimize the deductibility of compensation. The Committee, however, reserves the right to use its judgment to authorize compensation that may not be fully deductible where merited by the need to respond to changing business conditions, or by an executive officer's individual performance. Due to the vesting during fiscal 2004 of 95,715 shares of non-performance-based restricted stock granted to Mr. Gibbons in May 2000 pursuant to the terms of his employment agreement, \$1,380,832 of Mr. Gibbons' fiscal 2004 taxable compensation was not deductible.

AMENDMENT OF ARTICLES OF INCORPORATION

Article VII, paragraph 1 of our Articles of Incorporation provides that "the number of directors of the corporation shall not be less than one (1) nor more than nine (9), the exact number of which shall be determined from time to time by the affirmative vote of a majority of the whole Board of Directors." The current size of the Board of Directors is fixed at nine, and the number of directors may not be increased above nine without stockholder approval of an amendment to our Articles of Incorporation.

The Board of Directors believes that it is in the best interests of the company and our stockholders to increase the maximum number of directors that

Edgar Filing: PERRIGO CO - Form DEF 14A

may be fixed from time to time from nine to eleven. The Board has approved, and recommends that our stockholders approve, a proposal to amend Article VII, paragraph 1 of our Articles of Incorporation as follows:

"1. The number of directors of the corporation shall not be less than one (1) nor more than eleven (11), the exact number of which shall be determined from time to time by the affirmative vote of a majority of the whole Board of Directors."

The principal purpose of the proposed amendment to our Articles of Incorporation is to provide our Board with more flexibility in determining the number of directors on the Board. An increase in the maximum number of directors that may serve on the Board will allow the Board to increase its size and add directors with different backgrounds and experiences while at the same time ensuring continuity on the Board. In addition, our Board currently is comprised of seven independent directors and two non-independent directors and has established three, three-member, independent Board committees: the Audit Committee, the Compensation Committee and the Nominating & Governance Committee, with some independent directors serving on more than one committee. The amendment would enable the Board to increase the number of independent directors and establish Board committees in a manner that would potentially permit each independent director to dedicate his or her time to serving on only one Board committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR
THE APPROVAL OF THE AMENDMENT OF OUR ARTICLES OF INCORPORATION.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for monitoring: (1) Perrigo's accounting and financial reporting principles and policies; (2) Perrigo's financial statements and the independent audit thereof; (3) the qualifications, independence and performance of Perrigo's independent auditor; and (4) Perrigo's internal audit controls and procedures. In particular, these responsibilities include, among other things, the appointment and compensation of Perrigo's independent auditors, reviewing with the independent auditors the plan and scope of the audit and audit fees, monitoring the adequacy of reporting and internal controls and meeting periodically with internal auditors and the independent auditors. All of the members of the Audit Committee are independent, as such term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. The Board has adopted an Audit Committee Charter, which it reviews annually based upon input from the Committee.

In connection with the June 26, 2004 financial statements, the Audit Committee: (1) reviewed and discussed the audited financial statements with management; (2) discussed with the auditors the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, as amended by SAS 90; and (3) received and discussed with the auditors the written disclosures and letter from the auditors required by Independence Standards No. 1 and has discussed with the auditors their independence. Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that Perrigo's audited financial statements be included in Perrigo's Annual Report on Form 10-K for the fiscal year ended June 26, 2004 filed with the Securities and Exchange Commission.

During fiscal years 2004 and 2003, we retained BDO Seidman, LLP to perform auditing and other services for us and paid them the following amounts for these services:

Audit-related fees in 2003 and 2004 were for benefit plan audits and due diligence services, and in 2004 were also for internal control review services. Tax fees related primarily to tax compliance services.

The Audit Committee maintains a policy pursuant to which it reviews and pre-approves audit and permitted non-audit services (including the fees and terms thereof) to be provided by our independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 that are approved by the Audit Committee prior to the completion of our audit. The Chairman of the Audit Committee, or any other member or members designated by the Audit Committee, is authorized to pre-approve non-audit services, provided that any pre-approval shall be reported to the full Audit Committee at its next scheduled meeting.
