To the Board of Directors

NNN Healthcare/Office REIT, Inc.

We have audited the accompanying statement of revenues and certain expenses of Commons V Medical Office Building, or the Property, for the year ended December 31, 2006. This statement of revenues and certain expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain expenses. We believe that our audit provides a reasonable basis for our opinion.

NOTE 1 ORGANIZATION AND BASIS OF PRESENTATION

Organization

The accompanying statements of revenues and certain expenses include the operations of Commons V Medical Office Building, or the Property, located in Naples, Florida. The Property has 55,000 square feet of gross leaseable area and is 100% leased as of December 31, 2006.

Basis of Presentation

The accompanying statements of revenues and certain expenses have been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission, or the SEC, which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The statements of revenues and certain expenses include the historical revenues and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and therefore, the statements of revenues and certain expenses are not intended to be a complete presentation of the Property's revenues and expenses. Items excluded consist of interest expense, depreciation and amortization and federal and state income taxes.

The accompanying statements of revenues and certain expenses are not representative of the actual operations for the period presented, as certain expenses that may not be comparable to the expenses expected to be incurred by NNN Healthcare/Office REIT, Holdings, L.P. in the future operations of the Property have been excluded.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

All leases are classified as operating leases and minimum rents are recognized on a straight-line basis over the terms of the leases (including rent holidays). Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized in the period that the expenses are incurred.

Repairs and Maintenance

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

Property Management Fees

The Property has incurred a fixed monthly management fee of \$2,500.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from those estimates.

NOTE 3 LEASES

The Property has entered into operating lease agreements with tenants that expire at various dates through 2012 and are subject to consumer price index increases in base rent. The aggregate annual future minimum lease payments to be received under the existing non-cancelable operating leases as of December 31, 2006 are as follows:

Environmental Matters

In connection with the ownership and operation of real estate, the Property may be potentially liable for costs and damages related to environmental matters. The Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and management is not aware of any other environmental condition that it believes will have a material adverse effect on the Property's results of operations.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

1. Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2007.

(A) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.

(B) Represents the purchase price of the assets acquired and liabilities incurred or assumed by NNN Healthcare/Office REIT Holdings, L.P. in connection with the acquisition of the Commons V property. We have assumed that the purchase price of \$14,100,000, plus closing costs and acquisition fees, was financed through the secured loan (see below) and from the issuance of approximately 576,498 shares of common stock from our initial public offering. An acquisition fee of \$423,000, or 3.0% of the purchase price, was paid to our advisor and its affiliate. The purchase price allocations are preliminary and are subject to change.

(C) We entered into a loan secured by the Commons V property with Wachovia Bank, National Association, or Wachovia, in the principal amount of \$10,000,000. We received cash proceeds (net of closing costs and \$111,000 of lender required reserves and \$94,000 of prepaid payments) of approximately \$9,652,000. The loan matures on June 11, 2017 and bears interest at a fixed rate of 5.54% per annum. The loan requires monthly interest-only payments for the first year and principal and interest payments thereafter until maturity.

(D) The Commons V property was acquired using proceeds, net of offering costs, received from our initial public offering through the acquisition date at \$10.00 per share. The pro forma adjustments assume these proceeds were raised as of March 31, 2007.

2. Notes to Unaudited Pro Forma Condensed Consolidated Statement of Operations for the Three Months Ended March 31, 2007.

(E) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.

(F) Amounts represent the estimated operations of the Commons V property for the three months ended March 31, 2007.

(G) Depreciation expense on the portion of the purchase price allocated to building is recognized using the straight-line method and a 39 year life. Depreciation expense on improvements is recognized using the straight-line method over an estimated useful life between 47 and 72 months. Amortization expense on the identified intangible assets excluding above market leases is recognized using the straight-line method over an estimated useful life between 47 and 107 months.

The amounts allocated to above market leases are included in the identified intangible assets in the accompanying unaudited pro forma condensed consolidated balance sheet and are amortized to rental income over the remaining term of the leases which range between 17 and 55 months. Pro forma amortization of above market leases amortized to rental income for the three months ended March 31, 2007 is \$(6,000), for the Commons V property.

The purchase price allocations, and therefore depreciation and amortization expense, are preliminary and subject to change.

(H) Pursuant to our advisory agreement, our advisor or its affiliates are entitled to receive, for services in managing our properties, a monthly property management fee of up to 4.0% of the gross cash receipts of the property. The historical rate was a flat monthly fee of \$2,500. As a result, the pro forma amount shown is reflective of our current advisory agreement.

Also, adjustments were made for an incremental property tax expense assuming the acquisition price and historical property tax rate.
