Item 2.02 Results of Operations and Financial Condition.

On May 4, 2006, Activision, Inc. (the Company) issued a press release announcing its financial results for the fiscal quarter and fiscal year ended March 31, 2006. A copy of the press release is attached hereto as Exhibit 99.1.

The information in this Form 8-K and the Exhibit attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

Use of Non-GAAP Financial Information

The "Company Outlook" section of the press release contains forward-looking statements which include management's expectations for earnings per share for the first quarter of 2007 and for the 2007 fiscal year. These statements may be deemed to include non-GAAP financial measures as some do not reflect the impact of expensing stock options under the Financial Accounting Standards Board's Statement 123R (FAS 123R). Management believes such non-GAAP information provides investors with outlook information that is more readily comparable to historical results and prior outlooks, which did not include FAS 123R accounting consequences.

Item 9.01 Financial Statements and Exhibits.
