Item 1.01. Entry into a Material Definitive Agreement

Brown-Forman Corporation, through its wholly owned subsidiary Voldgade Investments Holdings, A/S, entered a letter agreement dated as of October 20, 2004 with Moët Hennessy Investissements SA (Moët) and Lazard & Co., Limited, undertaking to accept an offer that Moët has announced it intends to make to purchase all of the issued share capital of Glenmorangie plc. Brown-Forman Corporation issued a press release yesterday describing this commitment, a copy of which is attached as an exhibit hereto and incorporated herein by reference.

Subject to terms and conditions set forth in Brown-Forman's letter to Moët and those set forth in the press announcement publicly issued by Moët yesterday regarding its intended offer, Brown-Forman Corporation yesterday committed to sell to Moët the 2,962,904 A ordinary shares of Glenmorangie plc owned by Brown-Forman's subsidiary Voldgade, for a price equal to £17.176 cash per share (for a total purchase price of £51 million, or \$92 million at the exchange rate on October 20, 2004). Subject to the certain terms and conditions, Moët agreed to make the offer not later than November 19, 2004 and Brown-Forman agreed to tender its shares within seven days thereafter.

Moët's announcement relating to its intended offer states that Moët has obtained commitments to accept its offer from holders representing a total of approximately 45 percent of the A shares and approximately 71 percent of the B shares. The announcement also states that the offer will be subject to a number of terms and conditions, including Moët timely receiving valid acceptances with respect to at least 90 percent of the Glenmorangie A shares and 90 percent of the Glenmorangie B shares. Due to the numerous terms and conditions to which Moët has stated its offer will be subject, there can be no assurances that the offer will be consummated.

Under pre-existing contracts, Brown-Forman Corporation has distribution and marketing rights for Glenmorangie brands in the U.S. and marketing and representation rights for the brands in several European markets.
