PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Wilson Bank Holding Company (the Company) of proxies for the Annual Meeting of Shareholders of the Company to be held on Tuesday, April 8, 2008, at the Company's main office, 623 West Main Street, Lebanon, Tennessee 37087, at 7:00 p.m. (CDT). This proxy material was first mailed to shareholders on or about March 7, 2008.

All valid proxies which are received will be voted in accordance with the recommendations of the Board of Directors unless otherwise specified thereon and will be voted **For** election of the director nominees set out below. A proxy may be revoked by a shareholder at any time prior to its use by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Only holders of record of the Company's common stock, par value \$2.00 per share (the Common Stock), at the close of business on February 15, 2008 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, the Company had 6,971,803 shares of Common Stock issued and outstanding, the holders of which are entitled to one vote for each share held on each of the matters to be voted upon at the Annual Meeting. The representation in person or by proxy of at least a majority of the outstanding shares entitled to vote is necessary to provide a quorum at the meeting. The directors shall be elected by a plurality of the votes cast in the election by the holders of Common Stock represented and entitled to vote at the Annual Meeting. Any other matters submitted to the shareholders but not proposed in this Proxy Statement shall be approved if the number of votes cast in favor of such proposal exceeds the number of votes cast against the proposal. The Board of Directors of the Company does not know of any other matters which will be presented for action at the Annual Meeting other than those proposed in this Proxy Statement, but the persons named in the proxy (who are directors of the Company) intend to vote or act with respect to any other proposal which may be presented for action according to their best judgment. Abstentions and non-votes are accounted as present in determining whether a quorum is present. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. A non-vote or abstention will have no effect on the approval of the nominees to the Company's board of directors.

The cost of solicitation of proxies will be borne by the Company, including expenses in connection with preparing, assembling, and mailing this Proxy Statement. Such solicitation will be made by mail, and may also be made by the Company's regular officers or employees personally or by telephone or other form of electronic communication. The Company may reimburse brokers, custodians and nominees for their expenses in sending proxies and proxy materials to beneficial owners.

Wilson Bank and Trust (the Bank) is located in Lebanon, Tennessee and is a wholly-owned subsidiary of the Company. The Bank is the only subsidiary of the Company.

Table of Contents**STOCK OWNERSHIP**

There are no persons who are the beneficial owners of more than 5% of the Company's Common Stock, its only class of voting securities.

The following table sets forth information regarding the beneficial ownership of the Company's Common Stock as of February 15, 2008 (unless otherwise noted), for:

each of our directors and nominees;

each of our executive officers named in the Summary Compensation Table; and

all of our directors and executive officers as a group.

The percentages of shares outstanding provided in the table are based on 6,971,803 voting shares outstanding as of February 15, 2008. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") and generally includes voting or investment power with respect to securities. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Shares issuable upon exercise of options that are exercisable within sixty days of February 15, 2008 are considered outstanding for the purpose of calculating the percentage of outstanding shares of Company Common Stock held by the individual, but not for the purpose of calculating the percentage of outstanding shares held by any other individual.

ITEM 1 ELECTION OF DIRECTORS

The Board of Directors of the Company currently consists of thirteen (13) members. The Company's bylaws provide for a minimum of five and maximum of fifteen directors, the exact number to be set by the Company's Board of Directors. Table of Contents**Description of the Board and Committees of the Board**

The Company does not have an executive compensation or nominating committee. The Board of Directors of the Company also serves as the Board of Directors of the Bank. The Board of Directors of the Company and the Board of Directors of the Bank, based upon recommendations by the Personnel Committee, establish general compensation policies and programs for the Company and the Bank and determine annually the compensation to be paid to Company and Bank employees, including executive officers. The Board of Directors does not believe it is necessary to have a nominating committee because the Boards of Directors of the Company and the Bank act as a nominating committee for directors and officers of the Company and the Bank and develop general criteria concerning the qualifications and selection of directors and officers (including recommendations made by shareholders of the Company) and recommending candidates for such positions. All of the Company's directors participate in the consideration of director nominees.

Each potential director nominee is evaluated on the same basis regardless of whether he or she is recommended by management, by a director or by a shareholder. The Board of Directors has not adopted a policy with respect to minimum qualifications for directors. Rather, the Board of Directors annually reviews and determines the specific qualifications and skills that one or more directors must possess in the context of the then needs of the Board of Directors with respect to experience, expertise and age. Each of the nominees for director to be elected at the Annual Meeting was nominated and recommended by the Board of Directors.

The Company has not received director nominee recommendations from any shareholders for the term commencing in 2008 and expiring in 2011. The Board of Directors will consider nominees recommended by shareholders, provided that such recommendations are submitted to the Board of Directors in writing and describe the reasons why the shareholder finds the recommended person to be a qualified candidate.

The Board of Directors of the Company has no standing committees. The Board of Directors of the Bank has ten standing committees consisting of the Audit, Executive, Personnel, Finance, Marketing, Building, Investment, Long Range Planning, Data Processing and Board Relations Committee. The Chairman of the Company, Mr. Griffith, is a member of all committees. The Chairman of the Board of Directors of the Bank, Mr. Clemons, and Mr. Richerson are also members of all of the committees with the exception that Mr. Clemons and Mr. Richerson are not on the Personnel Committee or the Audit Committee. The members of each committee are generally appointed in May of each year and serve until the following May. Therefore, the committee members identified below may not have been on each identified committee for the entire 2007 fiscal year. Unless otherwise provided below, the members identified below are the current members of the applicable committees.

Audit Committee. The Company does not have a separately-designated standing audit committee. The Bank, however, does have a separately-designated standing audit committee, composed of Messrs. J. Freeman, J. A. Patton and Franklin with Mr. VanHooser serving as Chairman. The Audit Committee reviews annual and interim reports of the independent auditors and provides advice and assistance regarding the accounting, auditing and financial reporting practices of the Company and the Bank. The Audit Committee operates pursuant to the terms of a charter which was adopted by the Board of Directors in December 2004 (the "Audit Committee Charter"). A copy of the Audit Committee Charter is not available on the Company's website, but is attached to this Proxy Statement as Appendix A. All of the Audit Committee's members are independent under the current listing standards of the New York Stock Exchange. While the Board of Directors believes that certain of its audit committee members are financially literate and have a level of financial sophistication necessary to serve on the Audit Committee, it has determined that the Company does not have an audit committee financial expert as defined by the SEC's rules and regulations serving on the Audit Committee. The Board of Directors believes that at least one of the current members of the Audit Committee has a level of experience regarding banking operations and the application of generally accepted accounting principles as to provide valuable service to the Audit Committee in its role of overseeing the financial reporting process of the Company and the Bank. The Board of Directors further believes that the current members of the Company's Board of Directors provide a breadth of experience and level of community relationships that are important to the Company and that the Company does not believe that it could attract an additional director that meets the requirements of an audit committee financial expert who also has those similar relationships. In making its determination, the Board of Directors particularly considered the size and nature of the Company's business and the importance of knowledge of

the local communities served by the Bank. The Audit Committee held seven meetings during 2007.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Exchange Act requires the Company s executive officers and directors and persons who beneficially own more than ten percent of the Common Stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by federal securities regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company s review of the copies of such forms and written representations from certain reporting persons furnished to the Company, the Company believes that its officers, directors and greater than ten percent beneficial owners, if any, were in compliance with all applicable filing requirements, except for one late filing for Mr. Charles Bell; two late filings for Mr. Comer; one late filing for Mr. Franklin; one late filing for Mr. Goodman; five late filings for Ms. Pominski; two late filings for Mr. McDearman; one late filing for Mr. James Anthony Patton; two late filings for Mr. Richerson; one late filing for Mr. Trice; and two late filings for Mr. Whitaker.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis**

Decisions with respect to compensation of the Company's and the Bank's executive officers, including the Chief Executive Officer and the other named executive officers, as identified in the Summary Compensation Table, for fiscal year 2007 were made by the Board of Directors of the Bank based upon recommendations by the Personnel Committee. Discussions regarding the non-equity compensation of the Company's and the Bank's executive officers that are not named executive officers, are made by the Chief Executive Officer in consultation with such officer's supervisor. For these officers, the Chief Executive Officer is responsible for establishing the framework for how these individuals are compensated. The components of compensation of executive officers consists of a base salary, an annual cash incentive, amounts contributed under the executive officer's Executive Salary Continuation Agreement and matching and profit-sharing contributions under the Company's 401(k) plan (as well as health and disability insurance and other non-cash benefits similar to those of all employees of the Bank or Company. At times, these executive officers have also been awarded equity based compensation in the form of time vested stock options, however, the Personnel Committee and the Chief Executive Officer have historically focused on cash-based compensation that is currently paid out, using stock options only in connection with promotions or changes in duties. The Company utilizes the Executive Salary Continuation Agreements, described in more detail below, to provide for post retirement payments to the named executive officers. No member of the Personnel Committee served as an officer or employee of the Company or of any of its subsidiaries during 2007.

The overarching policy of the Personnel Committee and the Board of Directors in determining executive compensation, including the compensation of the Chief Executive Officer, is to attract and retain the highest quality talent to lead the Company and to reward key executives based upon their individual performance and the performance of the Bank and the Company. The Personnel Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation packages provided to key employees remain competitive relative to the compensation paid to similarly situated executives of peer companies. The Personnel Committee believes that providing incentives to and rewarding the performance of the Company's executive officers enhances the profitability of the Company. To that end, the Personnel Committee believes that the compensation paid its executive officers should include base salary and a significant cash incentive opportunity designed to reward performance as measured against established goals. Continuing the practice of only awarding stock options in connection with promotions or changes in an executive officers' duties, the Personnel Committee did not award any stock-based compensation to the named executive officers in 2007 and does not utilize equity-based compensation as a significant component of the compensation paid to the named executive officers.

Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all of our employees.

In recommending the 2007 base salary of J. Randall Clemons, the Company's and the Bank's Chief Executive Officer, the Personnel Committee reviewed a Tennessee Banking Association (TBA) 2006 survey of compensation levels for Chief Executive Officers of Middle Tennessee banks or bank holding companies with assets of over \$1 billion. Decisions regarding compensation were made in view of these sources of information with the intent to pay the Chief Executive Officer cash compensation (including both base salary and annual cash incentives) on a level that was comparable to that of the Company's peer banks within Middle-Tennessee.

The Personnel Committee further considered the Bank's and the Company's overall financial performance in 2006 in recommending Mr. Clemons and the other named executive officers' base salaries for 2007. Mr. Clemons salary was increased by 6.5% for the 2007 year. Mr. Clemons' base salary is not based upon the attainment of any specific quantitative performance objectives.

The base salary for Ms. Pominski, Mr. Richerson, Mr. Whitaker, Mr. Goodman and Mr. McDearman were based on similar criteria and considerations as those used in establishing Mr. Clemons' base salary.

Table of Contents

Mr. Clemons and Mr. Richerson are eligible for an annual cash incentive pursuant to a formula determined by the Board of Directors that is based upon the Company's after tax earnings for the fiscal year. In 2007, Mr. Clemons was eligible for, and received a cash incentive payment equal to 1.5% of the Company's after tax earnings while, Mr. Richerson was eligible for, and received, a cash incentive payment equal to 1.15% of the Company's after tax earnings. In total, Mr. Clemons and Mr. Richerson were paid cash incentive payouts totaling \$165,621 and \$ 126,976 respectively.

Mr. Whitaker, Mr. Goodman, Ms. Pominski and Mr. McDearman were eligible for, and received, a cash incentive payment determined by the return on assets performance of the Bank which payment was calculated on a basis consistent with the Bank's other employees. For 2007, the ROA targets and related cash incentive payouts as a percentage of the base salary of Messrs. Whitaker, Goodman and McDearman and Ms. Pominski were 9% at .90 ROA, 9.5% at .95 ROA, 10% at 1.0 ROA, 10.5% at 1.05 ROA, 11% at 1.10 ROA, 11.5% at 1.15 ROA, 12% at 1.20 ROA, 12.5% at 1.25 ROA and 13% at 1.35 ROA.

In 2007, the Bank's ROA was 0.85. Although the Bank did not achieve the ROA target established because of the economic conditions and the losses relating to the loan review of the former bank officer, the Board of Directors decided to pay the minimum percentage to the named executive officers in recognition of their significant contribution to the Bank. The Personnel Committee and the Board of Directors approved the payout of cash incentives totaling 9% of the base salaries of Messrs. Whitaker, Goodman and McDearman and Ms. Pominski, or \$13,665, \$11,410 \$11,410 and \$8,930 respectively.

Messrs. Whitaker, Goodman and McDearman and Ms. Pominski were also eligible to receive monthly cash payments under the Company's cash-based incentive plan upon the attainment of certain Company and individual performance goals. For Mr. Whitaker these goals included, goals related to loan fees, loan volume, mortgage loan income, credit life goals, past due loan percentage and timely employee reviews. For Messrs. Goodman and McDearman, these goals included each branch in their division meeting budget. For Ms. Pominski, these goals included expense control and audit related goals. Incentives paid to Messrs. Whitaker, Goodman and McDearman, and Ms. Pominski, for 2007 related to these performance goals totaled \$19,500 \$14,379 \$14,647 and \$6,600 respectively.

Employees, including executive officers, also receive a matching grant of \$.35 from the Company for each one dollar (\$1) up to a maximum of 6% of the amount contributed each year by the employee to his or her 401(k) account. No employee is entitled to contribute more than \$15,500. The Company contributes additional funds into each employee's 401(k) account under a profit-sharing arrangement based upon each employee's base salary as a percentage of the Company's total payroll. During 2007, Messrs Clemons, Richerson, Whitaker, Goodman and McDearman and Ms. Pominski received contributions totaling \$21,600, \$21,600, \$16,730, \$14,016, \$14,220 and \$10,090, respectively.

The Company has entered into Executive Salary Continuation Agreements with certain of its senior executive officers, including Messrs. Clemons, Richerson, Whitaker, Goodman and McDearman and Ms. Pominski pursuant to which each such executive officer (or his or her beneficiaries) is entitled, if certain performance targets for the Bank are met, to receive annual payments for 15 years, upon retirement at age 65 or, if sooner, the death or disability of such executive officer. In the event that the executive officer resigns or is terminated without cause prior to age 65, he or she is entitled to receive the vested portion of such benefits, with vesting occurring at the rate of 6% per year from March 30, 1995, March 30, 1995, August 21, 1996, January 1, 2006, January 1, 2006 and March 21, 2001 for each of Messrs. Clemons, Richerson, Whitaker, Goodman and McDearman and Ms. Pominski, respectively, if the required performance targets are met. As of December 31, 2007, Messrs. Clemons, Richerson, Whitaker, Goodman and McDearman and Ms. Pominski were vested 72%, 72%, 66%, 6%, 6% and 42% respectively. The performance target for each agreement is average return on assets for the Bank over the vesting period for each executive officer, as follows: 1.0% or better (100% of vested benefit); .9-.99% (90%); .8-.89% (80%); .7-.79% (70%) and below .7%, no benefit.

The amounts paid to a named executive officer are dependent on the then current compensation for each such person at the time of retirement or termination and will also be reduced by a percentage of social security payments and 401(k) benefits paid to the named executive officer during the time when the benefits are being paid and, as such, cannot be calculated with certainty at this time. By way of example, if a named executive officer is employed by the Company for a period of 10 years and the average return on assets in each of those ten years is

Table of Contents

0.99, then the named executive officer would be entitled to receive sixty percent (60%) of his or her then current salary at termination, less (i) fifty percent of social security benefits paid to the named executive officer and (ii) one hundred percent of the employer contributed 401(k) benefits paid to the named executive officer.

Payment of the benefits is contingent on the executive officer not competing with the Bank for one year after termination of employment. In the event there is a change in control of the Bank or the Company, the benefits become fully vested without regard to the performance target or the non-competition agreement and will be paid out in accordance with the terms of the agreements following the named executive officer's termination of service. A change in control is the acquisition of 50% or more of the shares of the Bank or the Company, or a merger, consolidation or similar transaction involving the Bank or the Company, or the cessation by either of their business activities or existence.

In addition to the above-described compensation, the Company provided automobile (and in the case of Mr. Clemons and Mr. Richerson, fuel) allowances in 2007 of \$ 5,356, \$4,559, \$6,000, \$6,000 and \$2,550, for each of Messrs. Clemons, Richerson, Whitaker, Goodman and McDearman.

The compensation levels for fiscal year 2007 for members of management other than Mr. Richerson and Mr. Clemons were established by the Personnel Committee based upon the recommendation of the Company's Chief Executive Officer, J. Randall Clemons. Mr. Clemons' recommendations regarding these salaries were based on considerations and criteria similar to those described above.

As part of its role, the Personnel Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the incentive plans are generally fully deductible for federal income tax purposes. However, in certain situations, the Personnel Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. While the final regulations have not become effective yet, the Company believes it is operating in good faith compliance with the statutory provisions which were effective January 1, 2005.

Beginning on January 1, 2006, the Company began accounting for stock-based payments including those issued under its Stock Option Plan in accordance with the requirements of FASB Statement 123(R).

Appendix A
Wilson Bank Holding Company
Audit Committee Charter

I. Purpose

The purpose of the Audit Committee (the **Committee**) of Wilson Bank Holding Company (the **Company**) is to assist the Board of Directors (the **Board**) with its oversight responsibilities regarding: (i) the integrity of the Company's financial statements; (ii) the integrity of the accounting and financial reporting processes of the Company and the audits of the financial statements; (iii) the Company's compliance with legal and regulatory requirements; (iv) the independent auditor's qualifications and independence; and (v) the performance of the Company's internal audit function and independent auditor. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the **SEC**) to be included in the Company's annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

Notwithstanding the foregoing, the Committee's responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements as well as the Company's financial reporting process, accounting policies, internal audit function, internal control over financial reporting and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company's annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the Company's quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company's internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services) (the **internal auditor**) and the Company's independent auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term **review** to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term **review** as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

II. Membership

The Committee shall consist of at least three members of the Board. Each Committee member must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three (3) years and must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. In addition, except as may be acceptable to the Board, each Committee member shall satisfy the independence requirements of the New

York Stock Exchange and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the Exchange Act).

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board. Committee members may be removed from the Committee, with or without cause, by the Board.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

All non-management directors that are not members of the Committee may at the discretion of the Committee, attend and observe meetings of the Committee, but shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, representatives of the independent auditor, the internal auditor, any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director that is not a member of the Committee.

The Committee may retain any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate to carry out its duties. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and to any advisors employed by the Committee.

The Committee may conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee.

IV. Powers and Responsibilities

2. *Pre-Approval of Services.* Before the independent auditor is engaged by the Company or its subsidiaries to render audit or permissible non-audit services, the Committee shall preapprove the engagement. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. Committee pre-approval of non-audit services (other
