MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our Board of Directors has an Audit Committee, a Compensation Committee and a Finance Committee. The Board of Directors does not have a standing nominating committee. The entire Board of Directors held eight meetings, including telephonic meetings, during fiscal 2002. All the Directors attended 80% or more of the meetings of the Board of Directors and all of the meetings held by committees of the Board on which they served.

During fiscal 2002, the Audit Committee, which consists of Louis Leeburg, Steve Brueck, Robert Bruggeworth, James L. Adler, Jr. and Gary Silverman met four times, which meetings included discussions with management and our independent auditors to discuss the interim and annual financial statements and the annual report of the Company, and the effectiveness of the Company's financial and accounting functions and organization. The Audit Committee is comprised of independent members as defined under Nasdaq National Market listing standards.

The Compensation Committee, which consists of Robert Ripp, Gary Silverman and James L. Adler, Jr., met two times during fiscal 2002. The Compensation Committee reviews and recommends to the Board of Directors the compensation and benefits of all officers of the Company and also administers the Amended and

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Restated Omnibus Plan, pursuant to which incentive awards, including stock options, are granted to officers and key employees of the Company.

The Finance Committee which consists of Robert Ripp, Robert Bruggeworth and Louis Leeburg did not meet during fiscal 2002. The Finance Committee reviews and provides guidance to the Board of Directors and management with respect to our significant financial policies. The full Board performed these functions in 2002.

At the recommendation of the Audit Committee, the Board of Directors approved a charter for the Audit Committee on November 14, 2000. A copy of such charter has been previously included with the Company's proxy statement for the 2001 Annual Meeting of Shareholders.

REVIEW OF AUDITED FINANCIAL STATEMENTS

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended June 30, 2002, as audited by KPMG, the Company's independent auditors, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with KPMG the matters required to be discussed by Statements of Auditing Standards 61 and 90. Furthermore, the Audit Committee has received the written disclosures and the letter from KPMG required by the Independence Standards Board Standard No. 1 and has discussed with KPMG its independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, or in determining auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

RECOMMENDATION

Based upon the foregoing review and discussion, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2002, be filed with the Company's annual report on Form 10-K.

EMPLOYMENT AGREEMENTS

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

The Company has executed three-year employment agreements, with the following officers: Robert Cullen, Mark Fitch and Donna Bogue, which expire from March 2003 through April 2003. These agreements provide for an aggregate annual base salary of \$475,000 during fiscal 2003 for these named individuals. In the event the Company terminates the executive's employment during the term of the agreement without cause, or in the event the executive terminates the agreement for "good reason", the executive is entitled to (i) continue to receive salary until the earlier of obtaining comparable employment with another company or, the lapse of one year with respect to Mr. Cullen and six months with respect to Mr. Fitch and Ms. Bogue, (ii) continue to receive benefits until the earlier of obtaining comparable employment with another company or the corresponding periods stated in (i) above, (iii) immediate vesting of all unvested stock options, and (iv) receive a lump sum payment equal to the average of the annual bonuses paid to the executive during the previous three fiscal years. The Agreement defines "cause" to mean termination due to felony conviction, willful disclosure of confidential information or willful failure to perform the executive's duties. In addition, if the termination without cause occurs after a change in control of the Company, the executive shall also receive a lump sum severance payment equal to 2.99 times the executive's annual compensation, including bonuses. The Agreement defines "change in control" as an acquisition of 40% of the Company's combined voting power by any party, a change in the majority of the Directors over a two-year period (unless supported by the incumbent Directors), a reorganization or other business combination resulting in the present stockholders of the Company no longer owning more than 50% of the combined voting power of the Company, a sale of substantially all of the assets of the Company or other similar transactions. The employment agreements reaffirm the executives' agreements pursuant to previously executed confidential information and invention agreements to, among other things, not compete with the Company for a period of two years following termination of employment and to assign any inventions, patents and other proprietary rights to the Company. Any controversies regarding the employment agreements are to be settled by binding arbitration.

CERTAIN TRANSACTIONS

During the fiscal years ended June 30, 2002, 2001 and 2000 the law firm in which James L. Adler, Jr. is a partner, Squire Sanders & Dempsey L.L.P., provided legal services to the Company for which the Company was billed

12

approximately \$478,000, \$405,000 and \$425,000, respectively. Mr. Adler does not beneficially own more than 1% of the Company's outstanding common stock.

On May 21, 2002, LightChip Inc. ("LightChip"), an affiliate, issued additional shares of voting convertible preferred stock to certain existing shareholders. The Company purchased \$1.5 million, its pro-rata interest, of the convertible preferred stock. The Company's ownership of capital stock of LightChip decreased to approximately 13% after the May 2002 issuance of voting convertible preferred stock. The price per share paid by the Company in the May 2002 round was lower than the carrying value of the Company's existing investment in LightChip.

In August 2000, the Company purchased \$7.2 million of convertible preferred stock of LightChip as part of a \$60 million private placement by LightChip. The investor group consisted of a small number of institutional, corporate and individual accredited investors. Certain of the Company's directors and officers participated in this private placement in their individual capacities and invested an aggregate of \$1 million on the same economic terms as the other investors (including the Company). These directors and officers were permitted to participate in the private placement only after other investors declined to participate in the offering and the Company's pro-rata interest was fully

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

funded.

The Company believes that all of the transactions set forth above were made on terms no less favorable to the Company than could have been obtained from unaffiliated third parties. In addition, ongoing and future transactions with affiliates will be on terms no less favorable than may be obtained from third parties, and any loans to affiliates will be approved by a majority of the disinterested Directors.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following is a report of the Compensation Committee of the Board of Directors (the "Committee") describing the current compensation policies of the Company. The Committee is responsible for establishing and monitoring the general compensation policies and compensation plans of the Company, as well as the specific compensation levels for executive officers. Executive officers who are also directors have not participated in deliberations or decisions involving their own compensation.

GENERAL COMPENSATION POLICY

The Company's compensation policy is designed to attract and retain qualified key executives critical to the Company's growth and long-term success. It is the objective of the Committee to have a portion of each executive's compensation contingent upon the Company's performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of three elements: (i) base salary, which reflects individual performance and expertise, (ii) variable bonus awards payable in cash and tied to the achievement of certain performance goals that the Committee establishes from time to time for the Company and (iii) long-term stock-based incentive awards.

In certain periods, the compensation of executives is also affected by internal conditions of the Company and the external market position of the Company. A more detailed description of the factors that the Board considers in establishing the components of base salary, bonus programs and long-term incentive compensation for executives' compensation packages is included below. Given the market price of the Company's Common Stock during the fiscal year ended June 30, 2002, the Company instituted a realignment program, which affected the compensation of executives. This program is described in more detail below.

BASE SALARY

The level of base salary of executive officers is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at companies which compete with the Company for business and executive talent,

13

and the incentives necessary to attract and retain qualified management. Base salary is set each year to take into account the individual's performance and to maintain a competitive salary structure.

BONUS PROGRAMS

Bonuses are awarded on a discretionary basis to executive officers on the basis of their success in achieving designated individual goals and the Company's success in achieving specific company-wide goals, such as revenue growth, earnings growth, expense control and new product introductions.

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

LONG-TERM INCENTIVE COMPENSATION

Long-term incentive compensation is granted to executive officers in the form of stock options and restricted stock awards designed to give the recipient the opportunity to obtain an equity stake in the Company and thereby attract and retain such executive officers. Factors considered in making such awards include the individual's position in the Company, his or her performance and responsibilities, and industry practices. Long-term incentives granted in prior years and existing levels of stock ownership are also taken into consideration. Each option grant allows the executive officer to acquire shares of Common Stock at a fixed price per share (generally the fair market value on the date of grant) over a specified period of time (generally up to 10 years). The Company is committed to its equity compensation programs and believes that these programs are important to its ability to attract, retain and motivate executive officers. In response to severe market and other conditions facing the Company, the Company implemented an option realignment program whereby certain options, including those held by executive officers, were cancelled and new restricted stock awards were granted as described in more detail in "Special Compensation Programs" below.

SPECIAL COMPENSATION PROGRAMS

In August 2002, the Company implemented a stock option realignment program with respect to the Company's executive officers, directors and employees.

OPTION REALIGNMENT PROGRAM

On July 25, 2002, the Board together with the Committee determined that it was in the best interest of the Company to offer to cancel certain stock options held by directors and executive officers of the Company in exchange for the issuance of restricted stock awards, and to issue new stock options to certain employees of the Company (collectively, the "Realignment Program"). Under the Realignment Program, the individual agreed to cancel options that had an exercise price of \$7.50 per share or greater as of June 30, 2002. The directors and executive officers receive a number of shares of Common Stock pursuant to a restricted stock award equal to the number of shares underlying 85% of the vested options and 50% of the unvested options that were cancelled. The restricted stock award granted in exchange for the vested options shall have a vesting schedule of two years, during which, 50% will vest each year. The restricted stock award granted in exchange for the cancellation of the unvested options will have a four-year vesting period.

As of the date of this proxy statement, the Company has implemented the Realignment Program with respect to its executive officers. Under the Realignment Program, the executive officers received restricted stock awards for an aggregate of 818,325 shares of Common Stock upon the cancellation of previously issued options to purchase 1,119,000 shares of Common Stock. The Amended and Restated Omnibus Plan will provide for the grant of restricted stock awards to directors. Upon approval of the Amended and Restated Omnibus Plan, the Realignment Program will be implemented with respect to the directors. See "Proposal No. 2 - Proposal to Approve Amended and Restated Omnibus Incentive Plan" below. Upon the approval of the Amended and Restated Omnibus Plan by the stockholders, James L. Adler, Jr., Louis Leeburg and Robert Bruggeworth will

14

receive restricted stock awards for an aggregate of 62,050 shares of Common Stock upon the cancellation of previously issued options to purchase 73,000 shares of Common Stock.

Under the Realignment Program, non-executive employees received new options equal to 85% of the vested options and up to 50% of the unvested options held by

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

such non-executive employees of the Company as of June 30, 2002, that had an exercise price greater than \$7.50 per share. The new options have a four-year vesting term. The Company implemented the Realignment Program with respect to the non-executive employees of the Company on July 29, 2002.

The Board approved the Realignment Program because it believed that, given overall market conditions and in particular the depressed value of the Company's Common Stock, the Company's equity compensation programs were not achieving their desired employee retention and incentive results. Without the proper equity compensation incentives, the Company may lose valuable human resources to its competitors or other industries. Without giving effect to the Realignment Program, many of the outstanding options exercise prices are substantially above the current fair market value of the underlying Common Stock. In light of the volatility of telecommunications stocks and the depreciation of the Company's stock value, the Board determined that it was appropriate to adopt the Realignment Program.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Donald E. Lawson served as President and Chief Executive Officer until October 2001. During fiscal 2002, Mr. Lawson had an annualized base salary of \$250,000. Mr. Lawson is no longer employed by the Company. As part of Mr. Lawson's severance package, Mr. Lawson received a payment of \$411,250. During fiscal 2002, Robert Ripp was Interim President and Chief Executive Officer of the Company. During his time as President and Chief Executive Officer, Mr. Ripp received an annual base salary of \$250,000 and bonuses of \$0. As of July 8, 2002, Kenneth Brizel joined the Company as President and Chief Executive Officer. Mr. Brizel will receive a base salary of \$260,000. He is eligible for a sign-on bonus of \$100,000 payable ratably at 3, 6 and 18 months. Additional bonus will be based upon Board approved milestones. The Committee determines the base salary and bonus compensation to be paid to the President and Chief Executive Officer by evaluating a number of factors including competitive market compensation levels of executives of comparable companies as well as other subjective factors the Committee determines be applicable.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

The Committee has considered the impact of Section 162(m) of the Internal Revenue Code adopted under the Omnibus Budget Reconciliation Act of 1993, which disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, respectively, unless such compensation meets the requirements for the "performance-based" exception to Section 162(m). As the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million and the Committee believes that options granted under the Company's current equity compensation plans to such officers will meet the requirements for qualifying as performance-based, the Committee believes that Section 162(m) will not affect the tax deductions available to the Company with respect to the compensation of its executive officers. It is the Committee's policy to qualify, to the extent reasonable and practicable, its executive officers' compensation for deductibility under applicable tax law. However, the Company may from time to time pay compensation to its executive officers that may not be deductible.

PROPOSAL NO. 2 - PROPOSAL TO APPROVE AMENDED AND RESTATED OMNIBUS INCENTIVE PLAN

The Board of Directors of the Company, subject to the approval of the shareholders at the meeting, has approved the Amended and Restated Omnibus Plan, which has been amended and restated to combine the Company's Omnibus Incentive Plan and the Director's Stock Option Plan. In addition, the Amended and Restated Omnibus Plan will allow directors of the Company to participate under a newly drafted provision of the Company's current Omnibus Incentive Plan, which provides Directors the ability to receive restricted stock or unit award grants. Once approved by the shareholders, the Company will grant restricted stock awards to certain directors of the Company pursuant to the Realignment Program. See "Compensation Committee Report on Executive Compensation." In addition, the Company may grant additional restricted stock awards to the directors under the Amended and Restated Omnibus Plan in the future. A copy of the Amended and Restated Omnibus Plan is attached to this Proxy Statement as Appendix A.

RESTRICTED STOCK AWARDS

Pursuant to the Realignment Program, the directors and executive officers of the Company will receive shares of Common Stock (the "Restricted Stock") pursuant to the terms of the Amended and Restated Omnibus Plan and as more fully described under the section captioned "Compensation Committee Report on Executive Compensation." Upon award of the Restricted Stock, the shares of Common Stock will be subject to the terms and conditions of the Amended and Restated Omnibus Plan and restricted stock agreements, the form of which has been attached to this Proxy Statement as Appendix B.

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

The Restricted Stock awarded to the executive officers will be subject to forfeiture (in annually decreasing amounts) over the term of the forfeiture period upon:

- * termination (other than retirement, death or disability); or
- * resignation.

The Restricted Stock to be awarded to the directors will vest over the term of the restricted stock agreement. If a director elects to resign, is not re-elected as a director or is removed from office for any reason, all the Restricted Stock awarded to such director shall vest immediately pursuant to the restricted stock agreement.

The table below sets forth the names and number of shares of Restricted Stock each director will receive and executive officer received in August 2002 under the Realignment Program:

GRANT OF STOCK OPTIONS TO EMPLOYEES

Under the Realignment Program, certain employees received additional options to purchase Common Stock.

The Board believes that, to attract and retain officers, directors and employees of the highest caliber, provide increased incentive for such persons to strive to attain the Company's long-term goal of increasing shareholder value, and to continue to promote the well being of the Company, it is in the best interests of the Company and its shareholders to provide officers, directors and employees of the Company, through the granting of stock options and stock awards, the opportunity to participate in the appreciation in value of the Company's Common Stock. The Board of Directors believes that the Amended and Restated Omnibus Plan is necessary in retaining and motivating key employees and attracting and retaining experienced and seasoned individuals to work on behalf of the Company.

The following table summarizes all options and stock awards granted to (i) each of the Named Officers, (ii) all executive officers as a group ("Executive Group"), (iii) all current directors who are not executive officers as a group, ("Non-Executive Director Group") and (iv) all non-executive officer employees as a group (the "Non-Executive Officer Employee Group"), as of August 15, 2002.

DESCRIPTION OF THE AMENDED AND RESTATED OMNIBUS PLAN

Under the terms of the Amended and Restated Omnibus Plan, employees and officers of the Company and any subsidiary are eligible to receive incentive stock options ("Incentive Options") within the meaning of Section 422 of the Internal Revenue Code ("Code"), stock appreciation rights and/or performance bonuses of cash or stock. In addition, employees and officers of the Company and any subsidiary, and directors of the Company, are eligible to receive options that do not qualify as Incentive Options ("Nonqualified Options") and/or restricted stock or unit awards pursuant to the terms of the Amended and Restated Omnibus Plan. Generally, no consideration is received by the Company upon the grant of any options or awards; however, the Company will receive consideration upon exercise of any options. To date, the only forms of awards under the Amended and Restated Omnibus Plan have been Incentive Options, Nonqualified Options and restricted stock awards ("Restricted Stock Awards"). The Amended and Restated Omnibus Plan will be administered by the Board or a committee appointed by the Board (the "Omnibus Committee"). As of August 15, 2002, approximately 100 persons were eligible to participate in the Amended and

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Restated Omnibus Plan; however, awards may be granted only to such employees and officers of the Company as the Omnibus Committee selects from time to time in its sole discretion. The Amended and Restated Omnibus Plan will have 360,000 shares available for grant to the persons participating in the Amended and Restated Omnibus Plan.

Incentive Options are generally exercisable for a period of up to ten years from the date of grant and the exercise price may not be less than the fair market value of the Common Stock on the date of the grant.

Options granted under the Amended and Restated Omnibus Plan may be exercised only while the recipient is employed or retained by the Company or within three months after the date of termination of employment. However, if termination is due to death or permanent disability of the option holder, the option may be exercised within one year of the date of termination. To exercise an award, the option holder's payment may be made by cash or by any other means approved by the Board of Directors or the Omnibus Committee.

20

Under the Amended and Restated Omnibus Plan, an option holder has none of the rights of a stockholder with respect to the shares issuable upon the exercise of the option or satisfaction of conditions for the award, until such shares are issued. No adjustment may be made for dividends or distributions or other rights for which the record date is prior to the date of exercise, except as provided in the Amended and Restated Omnibus Plan. During the lifetime of the recipient, an award is exercisable only by the option holder. No option may be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution.

Under the Amended and Restated Omnibus Plan, a Restricted Stock Award is a grant of stock of the Company that is subject to certain restrictions that the Company places on such stock. Typically, the restricted stock is subject to forfeiture by the recipient which gradually decreases in amount over a certain period of time. Other restrictions may be placed on the stock, including, but not limited to, transfer restrictions.

FEDERAL INCOME TAX CONSEQUENCES

NONQUALIFIED STOCK OPTIONS. Generally, no income is recognized when a nonqualified stock option is granted to the optionholder. Generally, upon the exercise of a nonqualified stock option, the excess of the fair market value of the shares on the date of exercise over the option price is ordinary income to the optionholder at the time of the exercise. The tax basis for the shares purchased is their fair market value on the date of exercise. Any gain or loss realized upon a later sale of the shares for an amount in excess of or less than their tax basis will be taxed as capital gain or loss, with the character of the gain or loss (short-term or long-term) depending upon how long the shares were held since exercise.

INCENTIVE STOCK OPTIONS. Generally, no regular taxable income is recognized upon the exercise of an incentive option. The tax basis of the shares acquired will be the exercise price. In order to receive this favorable treatment, shares acquired pursuant to the exercise of an incentive option may not be disposed of within two years after the date the option was granted, nor within one year after the exercise date (the "Holding Periods"). If the shares are sold before the end of the Holding Periods, the amount of that gain which equals the lesser of the difference between the fair market value on the exercise date and the option price or the difference between the sale price and the option price is taxed as ordinary income and the balance, if any, as short-term or long-term capital gain, depending upon how long the shares were held. If the Holding Periods are met, all gain or loss realized upon a later sale of the shares for

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

an amount in excess of or less than their tax basis will be taxed as a long-term capital gain or loss.

RESTRICTED STOCK. In general, the excess of the fair market value of the underlying shares of the restricted stock award over the amount paid for the restricted stock award will be taxed as ordinary income to the recipient in the first taxable year in which the underlying common shares are no longer subject to vesting or similar types of forfeiture restrictions. Alternatively, with respect to an individual who files a timely election under Section 83(b) of the Code, such excess will instead be taxed as ordinary income upon the effectiveness of the grant of such restricted stock award notwithstanding any vesting or similar types of forfeiture restrictions. The income realized by the recipient is generally treated as wages and will be subject to withholding taxes even though no cash is paid to the recipient by us.

THE COMPANY DEDUCTION. We are entitled to a tax deduction in connection with the exercise of a nonqualified stock option equal to the ordinary income recognized by the optionholder (conditioned upon proper reporting and tax withholding and subject to possible deduction limitations).

HOLDING PERIODS. Provided the shares sold or exchanged are held for more than twelve (12) months prior to such sale or exchange, the resulting gain or loss will be long-term in character. If the shares are held for less than twelve months prior to their sale or exchange, the resulting gain or loss will be short-term in character.

OTHER TAX CONSIDERATIONS. This summary is not intended to be a complete explanation of all of the federal income tax consequences of participating in the Amended and Restated Omnibus Plan. A participant should consult his or her

21

personal tax advisor to determine the particular tax consequences of the plan, including the application and effect of foreign state and local taxes, and any changes in the tax laws after the date of this proxy statement.

The affirmative vote of a majority of the votes entitled to be cast by the holders of Common Stock present in person or represented by proxy at the Annual Meeting is required to approve the Amended and Restated Omnibus Plan. The approval of the amendment will constitute the ratification of the Realignment Program.

THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE PROPOSAL TO AMEND THE OMNIBUS PLAN.

PROPOSAL NO. 3 - RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed the independent public accounting firm of KPMG to audit the Company's financial statements for the fiscal year ending June 30, 2003. Although it is not required to do so, the Board of Directors has submitted the selection of KPMG to the shareholders for ratification. Unless a contrary choice is specified, proxies will be voted for ratification of the selection of KPMG. at the annual meeting. All of the directors and executive officers of the Company have advised the Company that they will vote their shares "FOR" the ratification of the appointment of KPMG as our independent auditors for the fiscal year 2003. Representatives of KPMG are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Notwithstanding the selection, the Board, in its discretion, may direct appointment of a new independent accounting firm at any time during the year if the Board feels that such a change would be in the best interests of the Company and its shareholders. OUR BOARD OF DIRECTORS RECOMMENDS THE RATIFICATION OF ITS SELECTION OF KPMG LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING JUNE 30, 2003.

Notwithstanding the selection, the Board, in its discretion, may direct appointment of a new independent accounting firm at any time during the year if the Board determines that such a change would be in the best interests of the Company and its shareholders.

SHAREHOLDER PROPOSALS TO BE PRESENTED AT THE NEXT ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2003 annual shareholders' meeting must be received by the Company no later than May 20, 2003, to be evaluated by the Board for inclusion in the proxy statement for that meeting. Such proposals should be addressed to the Corporate Secretary, LightPath Technologies, Inc., 3819 Osuna N.E., Albuquerque, New Mexico, 87109. If a shareholder proposal is introduced at the 2002 annual meeting of shareholders without any discussion of the proposal in the Company's proxy statement, and the shareholder does not notify the Company on or before August 3, 2003, as required by the Commission's Rule 14(a)-4(c)(1), of the intent to raise such proposal at the annual meeting of shareholders, then proxies received by the Company for the 2003 annual meeting will be voted by the persons named as such proxies in the discretion with respect to such proposal. Notice of such proposal is to be sent to the above address.

22

OTHER BUSINESS

The Board of Directors is not aware of any other business to be considered or acted upon at the annual meeting of shareholders other than that for which notice is provided, but in the event other business as to which the Company did not have notice of prior to August 3, 2002 is properly presented at the meeting, requiring a vote of shareholders, the proxy will be voted in accordance with the judgment on such matters of the person or persons acting as proxy. If any matter not appropriate for action at the meeting should be presented, the holders of the proxies shall vote against the consideration thereof or action thereon.

(a) The Plan shall be administered by the Board or by the Committee, as appointed from time to time by the Board. (c) The Committee is authorized to construe and interpret the Plan, to promulgate, amend, and rescind rules and procedures relating to the implementation of the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. Any determination, decision, or action of the Committee in connection with the construction, interpretation, administration, or application of the Plan shall be binding upon all

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Participants and Directors and any person validly claiming under or through any Participant or Director.

3

(d) The Committee may designate persons other than members of the Committee to carry out its responsibilities under such conditions and limitations as it may prescribe, except that in the event the Company becomes subject to the provisions of the Exchange Act, the Committee may not delegate its authority with regard to selection for participation of, and the granting of Awards to, persons subject to Sections 16(a) and 16(b) of the Exchange Act or who are eligible to receive Awards under the Plan.

(e) The Committee is expressly authorized to make modifications to the Plan as necessary to effectuate the intent of the Plan as a result of any changes in the tax, accounting, or securities laws treatment of Participants or Directors and the Plan, subject to those restrictions that are set forth in Section 17 below.

(f) The Company shall effect the granting of Awards under the Plan, in accordance with the determinations made by the Committee, by execution of instruments in writing in such form as approved by the Committee.

5. ELIGIBILITY.

Persons eligible for Awards under the Plan shall consist of: (i) employees, officers, and Consultants of the Company or its Subsidiaries (with respect to Sections 7 through 10, hereof); and (ii) Directors (with respect to Sections 11 and 12 hereof) of the Company or its Subsidiaries, who from time to time shall be designated by the Committee.

6. COMMON STOCK SUBJECT TO PLAN.

Shares of Common Stock Subject to Plan. The maximum number of shares of Class A Common Stock in respect of which Awards may be granted under the Plan (the "Plan Maximum") shall be 3,725,000, subject to adjustment as provided in Section 15 below. Common Stock issued under the Plan may be either authorized and unissued shares or issued shares which have been reacquired by the Company. The following terms and conditions shall apply to Common Stock subject to the Plan:

(i) In no event shall more than the Plan Maximum be cumulatively available for Awards under the Plan;

(ii) For the purpose of computing the total number of shares of Common Stock available for Awards under the Plan, there shall be counted against the foregoing limitations, (A) the number of shares of Common Stock subject to issuance upon exercise or settlement of Awards (regardless of vesting), and (B) the number of shares of Common Stock which equal the value of Restricted Unit Grants or Stock Appreciation Rights determined at the dates on which such Awards are granted;

(iii) If any Awards are forfeited, terminated, expire unexercised, settled in cash in lieu of stock or exchanged for other Awards, the shares of Common Stock which were previously subject to the Awards shall again be available for Awards under the Plan to the extent of such forfeiture or expiration of the Awards;

(iv) Any shares of Common Stock which are used as full or partial payment to the Company by a Participant of the purchase price of shares of Common Stock upon exercise of a Stock Option shall again be available for Awards under the Plan; and

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

(v) Any shares of Common Stock that may remain unsold and that are not subject to outstanding Options at the termination of the Plan shall cease to be reserved for the purpose of the Plan, but until termination of the Plan the Company shall at all times reserve a sufficient number of shares to meet the requirements of the Plan.

7. STOCK OPTIONS.

Stock Options granted under the Plan may be in the form of Incentive Stock Options, Deferred Compensation Stock Options, or Non-Qualified Stock Options (collectively, the "Stock Options").

4

Subject to the provisions of the Code, any Stock Option granted in the form of an Incentive Stock Option shall continue to be treated as an outstanding Stock Option hereunder, even if it ceases to be treated as an Incentive Stock Option under the Code. Such Stock Option shall be treated as a Nonqualified Stock Option, subsequent to the time it ceases to qualify as an Incentive Stock Option under the Code.

Stock Options shall be subject to the following terms and conditions, and each Stock Option shall contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee shall deem desirable:

(a) Grant. Stock Options shall be granted separately. In no event will Stock Options or Awards be issued in tandem whereby the exercise of one affects the right to exercise the other.

(b) Stock Option Price. The exercise price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant and set forth in the Award Agreement. The Committee may specify an exercise price for a Nonqualified Stock Option which is less than, equal to, or greater than the Fair Market Value of the Common Stock on the date of the grant of the Nonqualified Stock Option. The Committee may also issue Nonqualified Stock Options with an exercise price less than the Fair Market Value of the Common Stock on the date of the grant, in satisfaction of the Company's obligations to pay deferred compensation. Such Stock Options shall be referred to hereunder as "Deferred Compensation Stock Options. However, in no event shall the exercise price of an Incentive Stock Option be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of the grant of the Incentive Stock Option. In the case of a Ten Percent Shareholder, the exercise price of an Incentive Stock Option shall be not less than one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of the grant.

(c) Option Term. The term of each Nonqualified Stock Option and Deferred Compensation Stock Options, shall be determined by the Committee and set forth in the Award Agreement. The term of Incentive Stock Options shall not exceed ten (10) years after the date the Incentive Stock Option is granted, and the term of any Incentive Stock Options granted to Ten Percent Shareholders shall not exceed five (5) years after the date of the grant.

(d) Exercisability.

(i) Incentive Stock Options and Nonqualified Stock Options shall be exercisable at the time or times determined by the Committee and set forth in the Award Agreement, provided, however, that except as provided in sections 13(a), 13(b), 13(c), and 16, no Incentive Stock Option shall be exercisable prior to the first anniversary of the date of grant. Notwithstanding the

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

previous sentence, Stock Options may be exercised at an earlier date, pursuant to the provisions of Section 16 hereof.

(ii) Reload Options shall become exercisable in accordance with Section 7(h)(iii) hereof. Deferred Compensation Stock Options shall become exercisable in accordance with the terms of the grant thereof as established by the Committee and set forth in the Award Agreement.

(e) Method of Exercise. Subject to applicable exercise restrictions set forth in Section 7(d) above, a Stock Option may be exercised, in whole or in part, by giving written notice of exercise to the Company specifying the number of shares to be purchased. The notice shall be accompanied by payment in full of the purchase price. The purchase price may be paid by any of the following methods, subject to the restrictions set forth in Section 7(f) hereof:

(i) in cash, by certified or cashier's check, by money order or by personal check (if approved by the Committee) of an amount equal to the aggregate purchase price of the shares of Common Stock to which such exercise relates;

5

(ii) if acceptable to the Committee, by delivery of shares of Common Stock already owned by the Participant, which shares, including any cash tendered therewith, have an aggregate Fair Market Value (determined as of the date preceding the Company's receipt of exercise notice) equal to the aggregate purchase price of the shares of Common Stock to which such exercise relates; or

(iii) if acceptable to the Committee, by delivery to the Company of an exercise notice that (i) requests the Company, subsequent to the exercise of the Option and prior to the actual delivery of any shares of Common Stock to the Participant, to arrange for the sale of that number of shares of Common Stock that have a value equal to the exercise price of the Option and (ii) agrees that the Company may use the proceeds of such sale to discharge the Participant's liability to pay to the Company the exercise price of such Option.

(f) Restrictions on Method of Exercise. Notwithstanding the foregoing payment provisions, the Committee, in granting Stock Options pursuant to the Plan, may limit the methods by which a Stock Option may be exercised by any person and in processing any purported exercise of a Stock Option granted pursuant to the Plan, may refuse to recognize the method of exercise selected by the Participant (other than the method of exercise set forth in Section 7(e)(i)), if, in the opinion of counsel to the Company, (i) the Participant is, or within the six months preceding such exercise was, subject to reporting under Section 16(a) of the Exchange Act, and (ii) there is a substantial likelihood that the method of exercise selected by the Participant would subject the Participant to substantial risk of liability under Section 16 of the Exchange Act. Furthermore, no Incentive Stock Option may be exercised in accordance with the methods of exercise set forth in subsections 7(e)(ii) and 7(e)(iii) above unless, in the opinion of counsel to the Company, such exercise would not have a material adverse effect upon the incentive stock option tax treatment of any outstanding Incentive Stock Options or Incentive Stock Options that thereafter may be granted pursuant to the Plan.

(g) Tax Withholding. In addition to the alternative methods of exercise set forth in Section 7(e), holders of Nonqualified Stock Options, subject to the discretion of the Committee, may be entitled to elect at or prior to the time the exercise notice is delivered to the Company, to have the Company withhold from the shares of Common Stock to be delivered upon exercise of the Nonqualified Stock Option the number of shares of Common Stock (determined based

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

on the Fair Market Value as of the date preceding the Company's receipt of the exercise notice) that is necessary to satisfy any withholding taxes attributable to the exercise of the Nonqualified Stock Option; provided, however, that the amount of the Fair Market Value of the shares so withheld does not exceed the tax on such exercise at the maximum marginal tax rate. If withholding is made in shares of the Common Stock pursuant to the method set forth above, the Committee, in its sole discretion, may grant "Reload Option(s)" (as defined in Section 7(h) below) on the terms specified in Section 7(h) below for the shares so withheld. Notwithstanding the foregoing provisions, a holder of a Nonqualified Stock Option may not elect to satisfy his or her withholding tax obligation in respect of any exercise as contemplated above if, in the opinion of counsel to the Company, (i) the holder of the Nonqualified Stock Option is, or within the six months preceding such exercise was, subject to reporting under Section 16(a) of the Exchange Act, (ii) there is a substantial likelihood that the election or timing of the election would subject the holder to a substantial risk of liability under Section 16 of the Exchange Act, or (iii) such withholding would have an adverse tax or accounting effect to the Company.

(h) Grant of Reload Options. Whenever the Participant holding any Incentive Stock Option or Nonqualified Stock Option (the "Original Option") outstanding under this Plan (including any "Reload Options" granted under the provisions of this Section 7(h)) exercises the Original Option, then the Committee may, in its sole discretion, grant a new option (the "Reload Option") for additional shares of Common Stock in an amount to be determined in its sole discretion. All such Reload Options granted hereunder shall be on the following terms and conditions:

(i) The Reload Option price per share shall be determined by the Committee and set forth in the Award Agreement;

(ii) The option exercise period shall expire, and the Reload Option shall no longer be exercisable, on terms specified in the Reload Option, as determined by the Committee; and

6

(iii) Any Reload Option granted under this Section 7(h) shall become exercisable on terms specified in the Reload Option, as determined by the Committee.

In the event the Committee determines that the price per share of Common Stock under a Reload Option is one hundred percent (100%) of the Fair Market Value of such a share on the date of grant of such option (or one hundred ten percent (110%) of such Fair Market Value of a share under a grant to a Ten Percent Shareholder), the Committee in its sole discretion may designate such Reload Option as an Incentive Stock Option.

Even if the shares of Common Stock which are issued upon exercise of the Original Option are sold within one (1) year following the exercise of the Original Option such that the sale constitutes a disqualifying disposition for purposes of Incentive Stock Option treatment under the Code, no provision of this Plan shall be construed as prohibiting such a sale.

(i) Special Rule for Incentive Stock Options. With respect to Incentive Stock Options granted under the Plan, the aggregate Fair Market Value (determined as of the date Incentive Stock Options are granted) of the number of shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year shall not exceed one hundred thousand dollars (\$100,000) or such other limits as may be required by the Code.

(j) Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, no term of this Plan relating to Incentive Stock Options shall be

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

interpreted, amended, or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code or, without the consent of the Participant(s) affected, to disqualify any Incentive Stock Option under such Section 422 of the Code. To the extent permitted under Section 422 of the Code or applicable regulations thereunder or any applicable Internal Revenue Service pronouncements:

(i) if a Participant's employment is terminated by reason of death or Disability and the Incentive Stock Option by action of the Committee becomes exercisable in whole or in part after the post-termination period specified in Section 13(a) or 13(b), such Stock Option or portion thereof shall be treated as a Nonqualified Stock Option;

(ii) if the exercise of an Incentive Stock Option is accelerated by reason of a Change in Control (as defined in Section 16 below), such that the holding period or term of exercise rules applicable to Incentive Stock Options are not met, then such Incentive Stock Option shall be treated as a Nonqualified Stock Option;

(iii) if the Committee so approves, an Incentive Stock Option exercise may be made which exceeds the \$100,000 limitation set forth in Section 7(i) above, with such excess to be treated as a Nonqualified Stock Option; and

(iv) if the Committee so approves, the option term and the terms of exercise of the Incentive Stock Option can be changed, with the consent of the Participant, such that the Incentive Stock Option loses its status as such under the Code, and the entire Stock Option is treated as a Nonqualified Stock Option.

8. STOCK APPRECIATION RIGHTS

The grant of Stock Appreciation Rights under the Plan shall be subject to the following terms and conditions, and shall contain such additional terms and conditions, not inconsistent with the express terms of the Plan, as the Committee shall deem desirable:

7

(a) Stock Appreciation Rights. A Stock Appreciation Right is an Award entitling a Participant to receive an amount equal to the excess of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market Value of a share of Common Stock on the date of grant of the Stock Appreciation Right, (or such other lesser or greater price as may be set by the Committee), multiplied by the number of shares of Common Stock with respect to which the Stock Appreciation Right shall have been exercised.

(b) Grant. A Stock Appreciation Right shall be granted separately. In no event will Stock Appreciation Rights and other Awards be issued in tandem whereby the exercise of one such Award affects the right to exercise the other.

(c) Exercise. A Stock Appreciation Right may be exercised by a Participant in accordance with procedures established by the Committee. The Committee shall establish procedures to provide that, with respect to any Participant subject to Section 16(b) of the Exchange Act who would receive cash in whole or in part upon exercise of the Stock Appreciation Right, such exercise may only occur during an exercise period described in Rule 16b-3(e)(3)(iii) (as such provision exists from time to time) which, as of the date of adoption of this Plan, is a period beginning on the third (3rd) business day following the Company's public release of quarterly or annual summary statements of sales and earnings and ending on the twelfth (12th) business day following such public release ("Window period"). To the extent it is not inconsistent with the preceding sentence, the Committee, in its discretion, may provide that a Stock Appreciation Right shall

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

be automatically exercised on one or more specified dates, or that a Stock Appreciation Right may be exercised during only limited time periods.

(d) Form of Payment. Payment to the Participant upon exercise of a Stock Appreciation Right may be made (i) in cash, by certified or cashier's check or by money order, (ii) in shares of Common Stock, or (iii) any combination of the above, as the Committee shall determine. The Committee may elect to make this determination either at the time the Stock Appreciation Right is granted, or with respect to payments contemplated in clauses (i) and (ii) above, at the time of the exercise.

9. RESTRICTED AWARDS.

Restricted Awards granted under the Plan may be in the form of either Restricted Stock Grants or Restricted Unit Grants. Restricted Awards shall be subject to the following terms and conditions, and may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee shall deem desirable:

(a) Restricted Stock Grants. A Restricted Stock Grant is an Award of shares of Common Stock transferred to a Participant subject to such terms and conditions as the Committee deems appropriate, as set forth in Section 9(d) below; provided, however, that the Committee shall require a Participant who has not been employed by or performed services for the Company as of the date of grant, to pay an amount at least equal to the par value of the shares of Common Stock subject to the Restricted Stock Grant within thirty (30) days of the grant. Failure to pay such amount shall result in the automatic termination of the Restricted Stock Grant.

(b) Restricted Unit Grants. A Restricted Unit Grant is an Award of units granted to a Participant subject to such terms and conditions as the Committee deems appropriate, including, without limitation, the requirement that the Participant forfeit such units upon termination of employment for specified reasons within a specified period of time, and restrictions on the sale, assignment, transfer or other disposition of the units. Based on the discretion of the Committee at the time a Restricted Unit Grant is awarded to a Participant, a unit will have a value (i) equivalent to one share of Common Stock, or (ii) equivalent to the excess of the Fair Market Value of a share of Common Stock on the date the restriction lapses over the Fair Market Value of a share of Common Stock on the date of the grant of the Restricted Unit Grant (or over such other value as the Committee determines at the time of the grant).

(c) Grant of Awards. Restricted Awards shall be granted separately under the Plan in such form and on such terms and conditions as the Committee may from time to time approve. Restricted Awards, however, may not be granted in tandem

8

with other Awards whereby the exercise of one such Award affects the right to exercise the other. Subject to the terms of the Plan, the Committee shall determine the number of Restricted Awards to be granted to a Participant and the Committee may impose different terms and conditions on any particular Restricted Award made to any Participant. Each Participant receiving a Restricted Stock Grant shall be issued a stock certificate in respect of the shares of Common Stock. The certificate shall be registered in the name of the Participant, shall be accompanied by a stock power duly executed by the Participant, and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to the Award. The certificates evidencing the shares shall be held in custody by the Company until the restrictions imposed thereon shall have lapsed or been removed.

(d) Restriction Period. Restricted Awards shall provide that in order for a

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Participant to vest in the Awards, the Participant must continuously provide services for the Company or its Subsidiaries, subject to relief for specified reasons, for a period specified by the Committee commencing on the date of the Award and ending on such later date or dates as the Committee may designate at the time of the Award ("Restriction period") During the Restriction Period, a Participant may not sell, assign, transfer, pledge, encumber, or otherwise dispose of shares of Common Stock received under a Restricted Stock Grant. The Committee, in its sole discretion, may provide for the lapse of restrictions in installments during the Restriction Period. Upon expiration of the applicable Restriction Period (or lapse of restrictions during the Restriction Period where the restrictions lapse in installments), the Participant shall be entitled to receive his or her Restricted Award or the applicable portion thereof, as the case may be. Upon termination of a Participant's employment with the Company or any Subsidiary for any reason during the Restriction Period, all or a portion of the shares or units, as applicable, that are still subject to a restriction may vest or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

(e) Payment of Awards. A Participant shall be entitled to receive payment for a Restricted Unit Grant (or portion thereof) in an amount equal to the aggregate Fair Market Value of the units covered by the Award upon the expiration of the applicable Restriction Period. Payment in settlement of a Restricted Unit Grant shall be made as soon as practicable following the conclusion of the respective Restriction Period (i) in cash, by certified or cashier's check or by money order, (ii) in shares of Common Stock equal to the number of units granted under the Restricted Unit Grant with respect to which such payment is made, or (iii) in any combination of the above, as the Committee shall determine, subject, however, to any applicable Window Period requirement imposed by the Committee with respect to Restricted Unit Grants settled in whole or in part in cash. The Committee may elect to make this determination either at the time the Award is granted, or with respect to payments contemplated in clause (i) and (ii) above, at the time the Award is settled.

(f) Rights as a Shareholder. A Participant shall have, with respect to the shares of Common Stock received under a Restricted Stock Grant, all of the rights of a shareholder of the Company, including the right to vote the shares, and the right to receive any cash dividends. Stock dividends issued with respect to the shares covered by a Restricted Stock Grant shall be treated as additional shares under the Restricted Stock Grant and shall be subject to the same restrictions and other terms and conditions that apply to shares under the Restricted Stock Grant with respect to which the dividends are issued.

10. PERFORMANCE BONUS AWARDS.

Performance Bonus Awards granted under the Plan may be in the form of cash or shares of Common Stock, or a combination thereof. Performance Bonus Awards may be granted under the Plan in such form as the Committee may from time to time approve. Subject to the terms of the Plan, the Committee shall determine the Performance Bonus Awards to be granted to a Participant for any given calendar year, and the Committee may impose different terms and conditions on any particular Performance Bonus Award made to any Participant including, but not limited to, restrictions on the sale, assignment and transfer of Common Stock covered by a Performance Bonus Award.

9

11. GRANT OF DIRECTOR'S OPTIONS.

(a) General. A Director's Option shall be granted pursuant to Subsection (b) below, to each person who is a Director. Each Director's Option shall be evidenced by a Director's Option Agreement in a form specified by the Board containing such terms and conditions that are consistent with the terms of this

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Plan or applicable law. A Director's Option granted to a Director under this Plan shall be in addition to regular directors' fees or other benefits with respect to the Director's position with the Company or any of its Subsidiaries. Neither the Plan nor any Director's Option granted under the Plan shall confer upon any person any right to continue to serve as a director of the Company.

(b) Grant. (1) A Director shall be granted, effective as of the Director's Eligibility Date, an option to purchase 20,000 shares of Common Stock which shall vest 1/12 per month for one year. (2) Each director shall be granted an additional option as an annual grant ("Annual Grant") to purchase 4,000 shares of Common Stock at the annual meeting. The Annual Grant shall vest 1/12 per month for one year. The director must be active at the annual meeting to obtain this Annual Grant.

A Director's Option shall be exercisable, only if the Director has continued to perform services as a director of the Company during the period beginning on the date the Director's Option is first granted and ending on the date the relevant portion of the Director's Option is first exercisable, as the case may be. The exercisability of an Director's Option upon cessation of such services is set forth in Subsection (f), below.

The term of an Director's Option grant pursuant to this Subsection (b) shall be ten (10) years commencing as of the effective date of the grant, regardless of whether the relationship between the individual and the Company terminates or changes. The exercise price for a share of Common Stock under a Director's Option grant pursuant to this Subsection (b) shall be the Fair Market Value of a share of Common Stock as of the effective date of the grant.

(c) Method of Exercise. Subject to applicable exercise restrictions set forth herein, a Director's Option may be exercised, in whole or in part, by giving written notice of exercise to the Company specifying the number of shares to be purchased. The notice shall be accompanied by payment in full of the purchase price. The purchase price may be paid by any of the following methods, subject to the restrictions set forth in Subsection (d), below:

- (1) in cash, by certified or cashier's check, by money order or by personal check (if approved by the Board) of an amount equal to the aggregate purchase price of the shares of Common Stock to which such exercise relates;
- (2) if acceptable to the Board, by delivery of shares of Common Stock already owned by the Director, which shares, including any cash tendered therewith, have an aggregate Fair Market Value (determined as of the date preceding the Company's receipt of exercise notice) equal to the aggregate purchase price of the shares of Common Stock to which such exercise relates; or
- (3) if acceptable to the Board, by delivery to the Company of an exercise notice that (i) requests the Company, subsequent to the exercise of the Director's Option and prior to the actual delivery of any shares of Common Stock to the Director, to arrange for the sale of that number of shares of Common Stock that have a value equal to the exercise price of the Director's Option and (ii) agrees that the Company may use the proceeds of such sale to discharge the Director's liability to pay to the Company the exercise price of such Director's Option.

(d) Restrictions on Method of Exercise. Notwithstanding the foregoing payment provisions, the Board may refuse to recognize the method of exercise selected by the Director (other than the method of exercise set forth in Subsection (c)(1)), above, if, in the opinion of counsel to the Company, (i) the Director is, or within the six months preceding such exercise was, subject to

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

reporting under Section 16(a) of the Exchange Act, and (ii) there is a substantial likelihood that the method of exercise selected by the Director would subject the Director to substantial risk of liability under Section 16 of the Exchange Act.

(e) Grant of Reload Options. Whenever a Director holding any Director's Option (the "Original Option") outstanding under this Plan (including any "Reload Options" granted under the provisions of this Subsection (e)) exercises the Original Option and makes payment of the option price by tendering shares of Common Stock previously held by him or her, then the Board will grant a new option (the "Reload Option") for additional shares of Common Stock equal to the number of shares tendered by the Director in payment of the option price for the Original Option being exercised. All such Reload Options granted hereunder shall be on the following terms and conditions:

- (1) The Reload Option exercise price per share shall be an amount equal to the then current Fair Market Value of a share of Common Stock, determined as of the date of the Company's receipt of the exercise notice for the Original Option;
- (2) The option exercise period shall expire, and the Reload Option shall no longer be exercisable, on the expiration of the option period of the Original Option or two (2) years from the date of the grant of the Reload Option, whichever is later,
- (3) Any Reload Option granted under this Subsection (e) shall become exercisable one (1) year following the date of exercise of the Original Option; and
- (4) All other terms of Reload Options granted hereunder shall be identical to the terms and conditions of the Original Option, the exercise of which gives rise to the grant of the Reload Option.

(f) Exercisability of Director's Options and Reload Options Upon Termination of Relationship with the Company. Notwithstanding anything in the Plan to the contrary, a Director who ceases to perform services as a director of the Company for any reason (including death and Disability) shall be entitled to exercise any outstanding Director's Options or Reload Options for the remainder of each of such option's term, but only to the extent such option was exercisable as of the date of such cessation of services. In the event of the death of the Director, the Director's beneficiary shall be entitled to exercise any outstanding Director's Options or Reload Options to the extent permitted in accordance with the preceding sentence.

(g) Non-transferability of Director's Options or Reload Options. No Director's Option or Reload Option and no rights or interest therein shall be assignable or transferable by a Director except by will or the laws of descent and distribution. During the lifetime of the Director or the Director's beneficiary, as the case may be, Director's Options and Reload Options are exercisable only by the Director, or the Director's beneficiary, as the case may be, or the legal representative of the Director or the Director's beneficiary.

(h) Section 83(b) Election. If as a result of exercising an Option, a Director receives shares of Common Stock that are subject to a "substantial risk of forfeiture" and are not "transferable" as those terms are defined for purposes of Section 83(b) of the Code, then such Director may elect under Section 83(b) to include in his gross income, for the taxable year in which the shares of Common Stock are transferred to him, the excess of the fair market value of such shares at the time of transfer (determined without regard to any restriction other than one which by its terms will never lapse), over the amount paid for such shares. If the Director makes the Section 83(b) election described above, the Director shall (i) make the election in a manner that is satisfactory to the Board; (ii) provide the Company with a copy of such election; and (iii) agree to promptly notify the Company if any Internal Revenue Service or state

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

tax agent, on audit or otherwise, questions the validity or correctness of such election or of the amount of income reportable on account of such election.

(i) Option Agreement and Beneficiary Designation. Each Director receiving an Option grant under the Plan shall enter into an Option Agreement with the

11

Company in a form specified by the Board agreeing to the terms and conditions of the Option. Each Director receiving an Option grant under the Plan shall designate one or more beneficiaries who may elect to exercise any Options exercisable upon or after the death of the Director.

12. DIRECTOR'S RESTRICTED AWARDS.

Director's Restricted Awards granted under the Plan may be in the form of either Director's Restricted Stock Grants or Director's Restricted Unit Grants. Director's Restricted Awards shall be subject to the following terms and conditions, and may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee shall deem desirable:

(a) Director's Restricted Stock Grants. A Director's Restricted Stock Grant is an Award of shares of Common Stock transferred to a Director subject to such terms and conditions as the Committee deems appropriate, as set forth in Section 12(d) below; provided, however, that the Committee shall require a Director who has not performed services as a Director for the Company as of the date of grant, to pay an amount at least equal to the par value of the shares of Common Stock subject to the Director's Restricted Stock Grant within thirty (30) days of the grant. Failure to pay such amount shall result in the automatic termination of the Director's Restricted Stock Grant.

(b) Director's Restricted Unit Grants. A Director's Restricted Unit Grant is an Award of units granted to a Director subject to such terms and conditions as the Committee deems appropriate, including, without limitation, the requirement that the Director forfeit such units upon his termination as a director of the Company for specified reasons within a specified period of time, and restrictions on the sale, assignment, transfer or other disposition of the units. Based on the discretion of the Committee at the time a Director's Restricted Unit Grant is awarded to a Director, a unit will have a value (i) equivalent to one share of Common Stock, or (ii) equivalent to the excess of the Fair Market Value of a share of Common Stock on the date the restriction lapses over the Fair Market Value of a share of Common Stock on the date of the grant of the Director's Restricted Unit Grant (or over such other value as the Committee determines at the time of the grant).

(c) Grant of Awards. Director's Restricted Awards shall be granted separately under the Plan in such form and on such terms and conditions as the Committee may from time to time approve. Director's Restricted Awards, however, may not be granted in tandem with other Awards whereby the exercise of one such Award affects the right to exercise the other. Subject to the terms of the Plan, the Committee shall determine the number of Director's Restricted Awards to be granted to a Director and the Committee may impose different terms and conditions on any particular Director's Restricted Award made to any Director. Each Director receiving a Director's Restricted Stock Grant shall be issued a stock certificate in respect of the shares of Common Stock. The certificate shall be registered in the name of the Director, shall be accompanied by a stock power duly executed by the Director, and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to the Award. The certificates evidencing the shares shall be held in custody by the Company until the restrictions imposed thereon shall have lapsed or been removed.

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

(d) Restriction Period. Director's Restricted Awards shall provide that in order for a Director to vest in the Awards, the Director must continuously provide services for the Company or its Subsidiaries, subject to relief for specified reasons, for a period specified by the Committee commencing on the date of the Award and ending on such later date or dates as the Committee may designate at the time of the Award ("Restriction period") During the Restriction Period, a Director may not sell, assign, transfer, pledge, encumber, or otherwise dispose of shares of Common Stock received under a Director's Restricted Stock Grant. The Committee, in its sole discretion, may provide for the lapse of restrictions in installments during the Restriction Period. Upon expiration of the applicable Restriction Period (or lapse of restrictions during the Restriction Period where the restrictions lapse in installments), the Director shall be entitled to receive his or her Director's Restricted Award or the applicable portion thereof, as the case may be. Upon termination of a Director as a director of the Company or any Subsidiary for any reason during the Restriction Period, all or a portion of the shares or units, as applicable, that are still subject to a restriction may vest or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

12

(e) Payment of Awards. A Director shall be entitled to receive payment for a Director's Restricted Unit Grant (or portion thereof) in an amount equal to the aggregate Fair Market Value of the units covered by the Award upon the expiration of the applicable Restriction Period. Payment in settlement of a Director's Restricted Unit Grant shall be made as soon as practicable following the conclusion of the respective Restriction Period (i) in cash, by certified or cashier's check or by money order, (ii) in shares of Common Stock equal to the number of units granted under the Director's Restricted Unit Grant with respect to which such payment is made, or (iii) in any combination of the above, as the Committee shall determine, subject, however, to any applicable Window Period requirement imposed by the Committee with respect to Director's Restricted Unit Grants settled in whole or in part in cash. The Committee may elect to make this determination either at the time the Award is granted, or with respect to payments contemplated in clause (i) and (ii) above, at the time the Award is settled.

(f) Rights as a Shareholder. A Director shall have, with respect to the shares of Common Stock received under a Director's Restricted Stock Grant, all of the rights of a shareholder of the Company, including the right to vote the shares, and the right to receive any cash dividends. Stock dividends issued with respect to the shares covered by a Director's Restricted Stock Grant shall be treated as additional shares under the Director's Restricted Stock Grant and shall be subject to the same restrictions and other terms and conditions that apply to shares under the Director's Restricted Stock Grant with respect to which the dividends are issued.

13. TERMINATION OF EMPLOYMENT.

The terms and conditions under which an Award (other than an Award of Incentive Stock Options) may be exercised after a Participant's termination of employment, or a Director's termination as a director of the Company, shall be determined by the Committee and set forth in the Award Agreement. The conditions under which such post-termination exercises shall be permitted with respect to Incentive Stock Options shall be determined as provided below:

(a) Termination by Death. Subject to Section 7(j), if a Participant's employment by the Company or any Subsidiary terminates by reason of the Participant's death or if the Participant's death occurs within three months after the termination of his or her employment, any Award held by such Participant may thereafter be exercised, to the extent such Award otherwise was then exercisable by the Participant, by the legal representative of the

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

Participant's estate or by any person who acquired the Award by will or the laws of descent and distribution, for a period of one year from the Participant's termination of employment (as contemplated in this Section 13(a)) or until the expiration of the stated term of the Award, whichever period is the shorter. Any right of exercise under a nonvested Award held by a Participant at the time of his or her death is extinguished and terminated.

(b) Termination by Reason of Disability. Subject to Section 7(j), if a Participant's employment by the Company or Subsidiary terminates by reason of Disability, any Award held by such Participant may thereafter be exercised by the Participant, to the extent such Award otherwise was then exercisable by the Participant, for a period of one year from the date of such termination of employment or until the expiration of the stated term of such Award, whichever period is the shorter; provided, however, that if the Participant dies within such one-year period, any unexercised Award held by such Participant shall thereafter be exercisable to the extent to which it was exercisable at the time such death or until the expiration of the stated term of such Award, whichever period is shorter. Any right of exercise under a nonvested Award held by the Participant at the time of his or her termination by reason of Disability is terminated and extinguished.

(c) Other Termination. Subject to Section 7(j), if a Participant's employment by the Company or any Subsidiary is terminated for any reason, any Award held by the Participant at the time of his or her termination shall be exercisable, to the extent otherwise then exercisable, for the lesser of three (3) months from the date of such termination or the balance of the term of the Award, and any right of exercise under any nonvested Award held by a Participant at the time of his or her termination is terminated and extinguished. Pursuant to Section 7(j)(iv), the Committee with the Participant's consent may change the option term and the terms of exercise of an Incentive Stock Option subject to this Section 11(c), such that the Incentive Stock Option loses its status as

13

such under the Code, and the entire Stock Option is treated as a Nonqualified Stock Option.

14. NON-TRANSFERABILITY OF AWARDS.

No Award under the Plan, and no rights or interest therein, shall be assignable or transferable by a Participant or a Director except by will or the laws of descent and distribution, after which assignment Section 13(a) hereof shall apply to exercise of the Award by the assignee. During the lifetime of a Participant or Director, Awards are exercisable only by, and payments in settlement of Awards will be payable only to, the Participant, Director or his or her legal representative.

15. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, ETC.

(a) The existence of the Plan and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Board or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference stocks ahead of or affecting the Company's Common Stock or the rights thereof, the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

(b) In the event of any change in capitalization affecting the Common Stock of the Company, such as a stock dividend, stock split, recapitalization, merger, consolidation, split-up, combination, exchange of shares, other form of

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

reorganization, or any other change affecting the Common Stock, the Board, in its discretion, may make proportionate adjustments it deems appropriate to reflect such change with respect to (i) the maximum number of shares of Common Stock which may be sold or awarded to any Participant, (ii) the number of shares of Common Stock covered by each outstanding Award, and (iii) the price per share in respect of the outstanding Awards. Notwithstanding the foregoing, the Board may only increase the aggregate number of shares of Common Stock for which Awards may be granted under the Plan solely to reflect the change, if any, of the capitalization of the Company or a Subsidiary.

(c) The Committee may also make such adjustments in the number of shares covered by, and the price or other value of any outstanding Awards in the event of a spin-off or other distribution (other than normal cash dividends) of Company assets to shareholders.

16. CHANGE OF CONTROL.

(a) In the event of Change of Control (as defined in Paragraph (b) below) of the Company, and except as the Board may expressly provide otherwise in resolutions adopted prior to the date of the Change of Control:

(i) All Director's Options, Stock Options or Stock Appreciation Rights then outstanding with respect to an affected Participant or Director shall become fully exercisable as of the applicable date; and

(ii) All restrictions and conditions of all Director's Restricted Unit Grants, Director's Stock Grants, Restricted Stock Grants, Restricted Unit Grants and Performance Bonus Awards then outstanding with respect to an affected Participant shall be deemed satisfied as of the applicable date.

For purposes of this subsection (a), "applicable date" shall mean the earlier of the three dates on which occur the events described in subsections (b) (i) through (b) (ii) below:

(b) A "Change of Control" shall be deemed to have occurred with respect to a Participant or Director upon the occurrence of any one of the following events, other than a transaction with another person controlled by the Company or its officers or directors, or a benefit plan or trust established by the Company for its employees:

14

(i) Any person, including a group as defined in Section 13(d)(3) of the Exchange Act, becomes owner of shares of Common Stock of the Company with respect to which fifty-one percent (51%) or more of the total number of votes for the election of the Board may be cast;

(ii) The stockholders of the Company approve an agreement providing for the sale or other disposition of all or substantially all of the assets of the Company; or

17. AMENDMENT AND TERMINATION.

(a) Amendments Without Shareholder Approval. Except as set forth in Sections 17(b) and 17(c) below, the Board may, without further approval of the shareholders, at any time amend, alter, discontinue or terminate this Plan, in such respects as the Board may deem advisable.

(b) Amendments Requiring Shareholder Approval. Except as set forth in Section 17(c) below, to comply with the restrictions set forth in Rule 16b-3 promulgated under the Exchange Act, as amended and in effect from time to time (or any successor rule) and to comply with the Code and accompanying

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

regulations, but subject to changes in law or other legal requirements (including any change in the provisions of Rule 16b-3 and the Code and accompanying Regulations that would permit otherwise), the Board must obtain approval of the shareholders to make any amendment that would (a) increase the aggregate number of shares of Common Stock that may be issued under the Plan (except for adjustments pursuant to Section 13 of the plan), (b) materially modify the requirements as to eligibility for participation in the Plan, or (c) materially increase the benefits accruing to Participants under the Plan.

(c) Prohibited Amendments. Notwithstanding Sections 17(a) and 17(b), under no circumstances may the Board or Committee (i) amend, alter, discontinue or terminate the requirements set forth in Sections 7(b), 7(c), 7(i) and 7(j) with respect to Incentive Stock Options (except as otherwise permitted in Section 7), unless (a) such modifications are made to comply with changes in the tax laws, or (b) the Plan is completely terminated, or (ii) make any amendment, alteration or modification to the Plan that would impair the vested rights of a Participant under any Award theretofore granted under this Plan, except as provided in Section 18(c).

18. MISCELLANEOUS MATTERS.

(a) Tax Withholding. In addition to the authority set forth in Section 7(g) above, the Company shall have the right to deduct from a Participant's wages or from any settlement, including the delivery of shares, made under the Plan any federal, state, or local taxes of any kind required by law to be withheld with respect to such payments, or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(b) No Right to Employment or Directorship. Neither the adoption of the Plan nor the granting of any Award shall confer upon any person any right to continue employment or board membership with the Company or any Subsidiary, as the case may be, nor shall it interfere in any way with the right of the Company or a Subsidiary to terminate the employment of any Participant at any time, with or without cause, or the right of the Board to remove a Director.

(c) Annulment of Awards. The grant of any Award under the Plan payable in cash is provisional until cash is paid in settlement thereof. The grant of any Award payable in Common Stock is provisional until the Participant or Director becomes entitled to the certificates in settlement thereof. In the event the employment of a Participant is terminated for cause (as defined below), or a Director is removed by the Board for cause, any Award which is provisional shall be annulled as of the date of such termination for cause. For the purpose of this Section 16(c), the term "terminated for cause" means any discharge for violation of the policies and procedures of the Company or a Subsidiary or for other job performance or conduct which is detrimental to the best interests of the Company or a Subsidiary.

(d) Securities Law Restrictions. No shares of Common Stock shall be issued under the Plan unless counsel for the Company shall be satisfied that such

issuance will be in compliance with applicable Federal and state securities laws. Certificates for shares of Common Stock delivered under the Plan may be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable Federal or state securities law. The Committee may cause a legend or legends to be put on any such certificates to refer to those restrictions. Further, without limiting the foregoing, each person exercising a Stock Option, Director's Option, or Reload Option may be

Edgar Filing: LIGHTPATH TECHNOLOGIES INC - Form DEF 14A

required by the Company to give a representation in writing that he or she is acquiring shares of Common Stock for his or her own account for investment and not with a view to, or for sale in connection with, the distribution of any part thereof (regardless of whether such option and shares of Common Stock covered by the Plan are registered under the Securities Act of 1933, as amended). As a condition of transfer of the certificate evidencing shares of Common Stock, the Board may obtain such other agreements or undertakings, if any, that it may deem necessary or appropriate to assume compliance with any provisions of the Plan or any law or regulation. Certificates for shares of Common Stock delivered under the Plan may be subject to such stock transfer orders and other restrictions as the Board may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the shares of Common Stock are then listed, and any applicable Federal or state securities laws. The Board may cause a legend or legends to be put on any such certificate to refer to those restrictions.

(e) Award Agreement. Each Participant receiving an Award under the Plan shall enter into an Award Agreement with the Company in a form specified by the Committee agreeing to the terms and conditions of the Award and such related matters as the Committee, in its sole discretion, shall determine.

(f) Costs of Plan. The costs and expenses of administering the Plan shall be borne by the Company.

(g) Government Regulations. The Plan and the granting and exercise of Options hereunder, and the obligations of the Company to sell and deliver shares of Common Stock under such Options, shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

(h) Interpretation. If any provision of the Plan is held invalid for any reason, such holding shall not affect the remaining provisions of the Plan, but instead the Plan shall be construed and enforced as if such provisions had never been included in the Plan. Headings contained in the Plan are for convenience only and shall in no manner be construed as part of this Plan. (c) PLAN INCORPORATED. Director acknowledges receipt of a copy of the Plan, and agrees that this award of Restricted Shares shall be subject to all of the terms and conditions set forth in the Plan, including future amendments thereto, if any, pursuant to the terms thereof, which Plan is incorporated herein by reference as a part of this Agreement. Unless defined in this Agreement, capitalized terms shall be as defined in the Plan.

2. RESTRICTED SHARES. Director hereby accepts the Restricted Shares when issued and agrees with respect thereto as follows:

(a) FORFEITURE RESTRICTIONS. The Restricted Shares may not be sold, assigned, pledged, exchanged, hypothecated or otherwise transferred, encumbered or disposed of to the extent then subject to the Forfeiture Restrictions (as defined below), and in the event of termination of Director's membership on the Board of Directors of the Company or a Subsidiary for any reason other than (i) death, or (ii) Disability, or except as otherwise provided in the last sentence of subparagraph (b) of this Paragraph 2, Director shall, for no consideration, forfeit to the Company all Restricted Shares to the extent then subject to the Forfeiture Restrictions. The prohibition against transfer and the obligation to forfeit and surrender Restricted Shares to the Company upon termination of employment are herein referred to as "Forfeiture Restrictions." The Forfeiture Restrictions shall be binding upon and enforceable against any transferee of Restricted Shares.

(b) LAPSE OF FORFEITURE RESTRICTIONS. (c) CERTIFICATES. A certificate evidencing the Restricted Shares shall be issued by the Company in Director's name or, at the option of the Company, in the name of a nominee of the Company, pursuant to which Director shall have voting rights and shall be entitled to receive all dividends unless and until the Restricted Shares are forfeited pursuant to the provisions of this Agreement. The certificate shall bear a legend evidencing the nature of the Restricted Shares and the Company shall cause the certificate to be delivered upon issuance to the Secretary of the Company or to such other depository as may be designated by the Company as a depository for safekeeping until the forfeiture occurs or the Forfeiture Restrictions lapse pursuant to the terms of the Plan and this award. Upon request of the Committee or its delegate, Director shall deliver to the Company a stock power, endorsed in blank, relating to the Restricted Shares then subject to the Forfeiture Restrictions. Upon the lapse of the Forfeiture Restrictions without forfeiture, the Company shall cause a new certificate or certificates to be issued without legend in the name of Director for the shares upon which Forfeiture Restrictions lapsed. Notwithstanding any provision of this Agreement to the contrary, the issuance or delivery of any shares of Stock (whether subject to restrictions or unrestricted) may be postponed for such period as may be required to comply with applicable requirements of any national securities exchange or any requirements under any

3. WITHHOLDING OF TAX. To the extent that the receipt of the Restricted Shares or the lapse of any Forfeiture Restrictions results in income to Director for federal or state income tax purposes, Director shall deliver to the Company at the time of such receipt or lapse, as the case may be, such amount of money or shares of unrestricted Stock as the Company may require to meet its withholding obligation under applicable tax laws or regulations and, if Director fails to do so, the Company is authorized to withhold from any cash or Stock remuneration then or thereafter payable to Director any tax required to be withheld by reason of such resulting compensation income.

4. STATUS OF STOCK. Director agrees that the Restricted Shares will not be sold or otherwise disposed of in any manner that would constitute a violation of any applicable federal or state securities laws. Director also agrees (i) that the certificates representing the Restricted Shares may bear such legend or legends as the Company deems appropriate in order to assure compliance with applicable securities laws, (ii) that the Company may refuse to register the transfer of the Restricted Shares on the stock transfer records of the Company if such proposed transfer would, in the opinion of counsel satisfactory to the Company, constitute a violation of any applicable securities law, and (iii) that the Company may give related instructions to its transfer agent, if any, to stop registration of the transfer of the Restricted Shares.

5. MEMBERSHIP ON THE BOARD. For purposes of this Agreement, Director shall be considered to be a member of the Board of Directors of the Company as long as Director remains an Director of either the Company, any successor corporation or a parent or subsidiary corporation (as defined in section 424 of the Code) of the Company or any successor corporation.
