PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by and on behalf of the Board of Directors of EDT Learning, Inc., (the "Company"), for use at the Company's 2003 Annual Meeting of Stockholders (the "Meeting" or the "Annual Meeting") to be held at 9:00 a.m., local time, on August 15, 2003, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the stockholders of the Company on or about July 17, 2003.

The Company is mailing its 2003 Annual Report to Stockholders, including consolidated financial statements, simultaneously with this Proxy Statement to all stockholders of record as of the close of business on July 3, 2003. That report does not constitute a part of this proxy solicitation material.

Edgar Filing: EDT LEARNING INC - Form DEF 14A

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of the Company's common stock, par value \$0.001 per share. Each share of the Company's common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the Meeting, when present in person or by proxy constitute a quorum. On July 3, 2003, the record date for stockholders entitled to vote at the Meeting, 15,773,471 shares of the Company's common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the Meeting in the enclosed envelope either to Continental Stock Transfer & Trust Company, Proxy Department, 17 Battery Place FL 8, New York, New York 10004 or the Company at 2999 N. 44th Street, Suite 650, Phoenix, Arizona 85018. The Company's common stock represented by each effective proxy will be voted at the Meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted (a) FOR election of the two nominees named in the proxy as Class B directors; (b) FOR approval and ratification of the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2004; and (c) as to any other matters of business which properly come before the Meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company, by voting in person at the Meeting or by filing at the Meeting a later executed proxy.

When a quorum is present, in the election of directors, the nominees having the highest number of votes cast in favor of their election will be elected to the Company's Board of Directors. With respect to the proposal to ratify the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2004, the affirmative vote of a majority of the shares present or represented by proxy at the meeting is required. With respect to any other matter which may properly come before the Meeting, unless a greater number of votes is required by law or by the Company's restated certificate of incorporation, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

Abstentions, broker non-votes (i.e., shares held by brokers or nominees as to which the broker or nominee indicates on a proxy that it does not have discretionary authority to vote) and any other shares not voted will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes and abstentions which may be specified on the proposal to ratify the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2004, will have the same effect as a vote against that proposal. For purposes of determining the outcome of the election of the directors, or of any other matter which properly may come before the Meeting, abstentions, broker non-votes will not be considered as votes cast for the matter. Thus, abstentions and broker non-votes will have no impact in the election of the two Class B directors, or any other matter which properly may come before the Meeting so long as a quorum is present.

-4-

The Company will pay the cost of soliciting proxies in the accompanying form. The Company has retained the services of Continental Stock Transfer & Trust Company to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$1,500 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by officers and other regular employees of the Company by telephone, telegraph or by personal interview for

Edgar Filing: EDT LEARNING INC - Form DEF 14A

which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

The Company's restated certificate of incorporation provides for the classification of the Company's Board of Directors into three classes. The term of office of the Class A directors expires at the Company's 2005 Meeting and Class B directors expires at this Annual Meeting of Stockholders and the term of office of the Class C directors expires at the Company's 2004 Annual Meeting of Stockholders. Two Class B nominees are proposed to be elected at this Annual Meeting to serve for a three-year term to last until the 2006 Annual Meeting of Stockholders or until their successors are duly elected and have been qualified. The directors whose term will expire at this Annual Meeting have been nominated for re-election as Class B directors. Nominees for Class B directors will be elected by a plurality of the votes cast, assuming a quorum is present at the Annual Meeting. Accordingly, abstentions and broker non-votes will have no effect on the election of directors.

Proxies cannot be voted for a greater number of persons than the number of nominees named therein. Unless authority to vote is withheld, the persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the nominees for director named below. If, at the time of the Meeting, any of the nominees shall have become unavailable for any reason for election as a director, the persons entitled to vote the proxy will vote for such substitute nominee, if any, as they determine in their discretion. Management is currently unaware of any circumstances likely to render any of the nominees unavailable for election or unable to serve.

The Board of Directors unanimously recommends that the stockholders vote FOR election of the following nominees as Class B directors of the Company.

PROPOSAL TWO: APPROVAL AND RATIFICATION OF INDEPENDENT ACCOUNTANTS

CHANGE IN INDEPENDENT ACCOUNTANTS: On April 3, 2003, the Company dismissed PricewaterhouseCoopers LLP as its independent accountants and engaged BDO Seidman, LLP. The Company's Audit Committee and Board of Directors participated in and approved the decision to change independent accountants. BDO Seidman, LLP audited the consolidated financial statements of the Company for the fiscal year ending March 31, 2003.

The reports of PricewaterhouseCoopers LLP on the consolidated financial statements for the fiscal years ended March 31, 2002 and 2001, respectively, contained no adverse opinion or disclaimer of opinion and were not qualified as to audit scope or accounting principle except that the report for the fiscal year ended March 31, 2002 contained an explanatory paragraph expressing substantial doubt regarding the Company's ability to continue as a going concern.

In connection with its audits for the fiscal years ended March 31, 2002 and 2001, respectively, and through April 3, 2003, there have been no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers LLP would have caused them to make reference thereto in their report on the consolidated financial statements for such years.

During the fiscal years ended March 31, 2002 and 2001, respectively, and through April 3, 2003, there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

For the two most recent fiscal years of the Company ended March 31, 2002 and 2001 and the subsequent interim period through April 3, 2003, the Company did not consult with BDO Seidman, LLP regarding the application of accounting principles to a specified transaction, type of audit opinion that might be

Edgar Filing: EDT LEARNING INC - Form DEF 14A

rendered on the Registrant's financial statements, or any other accounting, auditing or reporting matters.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES PRESENT OR REPRESENTED AT THE MEETING AND ENTITLED TO VOTE IS NEEDED TO RATIFY THE APPOINTMENT OF BDO SEIDMAN, LLP AS INDEPENDENT ACCOUNTANTS OF THE COMPANY FOR THE FISCAL YEAR 2004. IF THE APPOINTMENT IS NOT APPROVED, THE MATTER WILL BE REFERRED TO THE AUDIT COMMITTEE FOR FURTHER REVIEW. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS FOR THE FISCAL YEAR 2004.

AUDIT FEES

BDO Seidman, LLP billed or will bill the Company and its subsidiaries approximately \$98,000 for the following professional services: audit of the annual financial statements of the Company for the fiscal year ended March 31, 2003.

PricewaterhouseCoopers LLP, billed the Company and its subsidiaries approximately \$77,000 for the following professional services: review of the interim financial statements included in the quarterly reports on Form 10-Q for the periods ended June 30, 2002, September 30, 2002 and December 31, 2002 and the issuance of their consent to include their previously issued audit report on the Company's consolidated financial statements for the two fiscal years ended March 31, 2002 in the Company's Form 10-K for fiscal year 2003. Subsequent to the filing of the 2002 Proxy Statement, PricewaterhouseCoopers LLP billed the Company and its subsidiaries approximately \$61,000 for additional professional services related to the audit of the annual financial statements of the Company for the fiscal year ended March 31, 2002.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage BDO Seidman, LLP or PricewaterhouseCoopers LLP to provide services to the Company regarding financial information systems design and implementation during the fiscal year ended March 31, 2003.

ALL OTHER FEES

BDO Seidman, LLP will bill the Company for other services totaling approximately \$2,000 related to the fiscal year ended March 31, 2003.

-7-

PricewaterhouseCoopers LLP billed the Company and its subsidiaries approximately \$19,000 for other services for the fiscal year ended March 31, 2003, primarily for work on the Company's acquisitions of certain assets of LearnLinc Corporation and certain assets of Quisic Corporation and the related required filings with the Securities and Exchange Commission.

Our Audit Committee has determined that the provision of the non-audit services described above by our independent accountants is compatible with maintaining their independence.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows, as of May 31, 2003, the "beneficial ownership" of the Common Stock of (i) each director and nominee to become a director, (ii) each executive officer, (iii) all executive officers and directors of the Company as a group and (iv) each person who owns more than 5% of the outstanding Common Stock. EMPLOYMENT AGREEMENTS

The Company has entered into employment agreements with Mr. Powers, Mr. Dunn and Mr. Zuckerman, all of whom are officers and two of whom are directors of the Company. Each of these agreements provides for an annual base salary in an amount not less than the initial specified amount and entitles the employee to participate in all EDT's compensation plans in which other executive officers of EDT participate. Each agreement establishes a base annual salary and provides for annual bonuses based on the Management Incentive Plan, as adopted by the Board of Directors, is subject to the right of EDT to terminate said employment at any time and Mr. Powers' and Mr. Dunn's provides for continuous employment for a two-year term. Under each of the employment agreements, if EDT terminates the employee's employment without cause (as therein defined), Mr. Powers, Mr. Dunn and Mr. Zuckerman will be entitled to a payment equal to 12 months' salary. Additionally, Mr. Powers, Mr. Dunn, and Mr. Zuckerman's employment agreements provide for a severance payment equal to one (1) year's compensation in the event of termination of employment following a change in control of the Company (as defined therein). Each of the foregoing agreements also contains a covenant limiting competition with EDT for one year following termination of employment.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No executive officer of the Company currently serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Board of Directors or as an executive officer of the Company. See "Director and Executive Compensation" and "Certain Transactions" for a description of any transactions between the Company and members of the Board of Directors.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW

The Compensation Committee is responsible for establishing a general compensation policy for officers and employees of the Company, preparing any reports that may be required relating to officer compensation and approving any increases in directors' fees. The Compensation Committee consists of Mr. Siegel, Chairman, and Mr. Collins. In the fiscal year 2003, the Compensation Committee approved, or in some cases recommended to the Board for the Board's approval, remuneration arrangements and compensation plans involving the Company's directors, executive officers and certain other employees whose compensation exceeds specified levels. The Compensation Committee also acts on the granting of stock options to executive officers under the Stock Plan.

The Company's executive compensation program has been designed to assist the Company in attracting, motivating and retaining the executive talent necessary for the Company to maximize its return to stockholders. To this end, this program provides competitive compensation levels and incentive pay levels that vary based on corporate and individual performance.

The Company's compensation program for executives consists of three key

Edgar Filing: EDT LEARNING INC - Form DEF 14A

elements: a base salary; a performance-based annual bonus; and periodic grants of stock options.

-12-

The Compensation Committee believes that this three-part approach best serves the interests of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which the Company operates while ensuring that executive officers are compensated in a way that advances both the short-term and long-term interests of its stockholders. Under this approach, compensation for these officers involves a high proportion of pay that is dependent on maximizing long-term returns to stockholders. The annual bonus payable for the fiscal year 2003 will depend on the Company's operational performance in the fiscal year 2003 and other individual factors identified in the Company's Incentive Compensation Plan.

BASE SALARY

Base pay is designed to be competitive with salary levels for comparable executive positions at other companies and the Compensation Committee reviews such comparable salary information as one factor to be considered in determining the base pay for the Company's executive officers. Other factors the Compensation Committee considers in determining base pay for each of the executive officers are that officer's responsibilities, experience, leadership, potential future contribution and demonstrated individual performance. The Company has employment agreements with its Chief Executive Officer and certain of the other Named Executive Officers. These agreements provide for a minimum annual base salary the Company may increase, but cannot decrease. Any increase in these base salaries of the Company's executive officers will be based on recommendations by the Company's Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the executive officer. Performance for base salary purposes will be assessed on a qualitative, rather than a quantitative, basis. No specific performance formula or weighting of factors will be used in determining base salary levels.

ANNUAL BONUS

For the fiscal year 2003, the Company determined that it was their preference to compensate the executive officers both with cash bonuses and in the form of long-term, equity-based compensation through the award of stock options. The Compensation Committee expects to base future annual bonuses on the Company's financial performance and the individual performance of the employees, and intends to use qualitative, rather than quantitative, factors for this purpose.

STOCK PLAN

The objectives of the Stock Plan are to (i) attract and retain superior personnel for positions of substantial responsibility and (ii) provide employees, nonemployee directors and advisors with an additional incentive to contribute to the success of the Company.

Stock options align the interests of employees and stockholders by providing value to option holders through stock price appreciation only. The Compensation Committee expects that it will make future stock option or other long-term equity-based incentive awards periodically at its discretion based on recommendations of the Chief Executive Officer. Stock option grant sizes, in general, will be evaluated by regularly assessing competitive market practices, the overall performance of the Company the, size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including that executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with

Edgar Filing: EDT LEARNING INC - Form DEF 14A

additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company. This posture with regard to stock options is intended to focus management's efforts on maximizing stockholder returns. The number of options granted to a particular participant will also be based on the Company's historical financial success, its future business plans and the individual's position and level of responsibility within the Company, but these factors will be assessed subjectively and not weighted.

FISCAL YEAR 2003 CHIEF EXECUTIVE OFFICER PAY

As described above, the Compensation Committee considers several factors in developing an executive compensation package. For the Chief Executive Officer, these factors will include competitive market pay practices, performance level, experience, contributions toward achievement of strategic goals and the overall financial and operations success of the Company.

The Company entered into an initial employment agreement with Mr. Powers, the Company's Chief Executive Officer, in November 1998. The Company entered into a subsequent employment agreement with Mr. Powers in November 2000 upon expiration of the initial agreement. That agreement has a continuous two-year term at an initial base compensation rate of \$225,000 per annum. Mr. Powers is eligible to receive an annual cash bonus in an amount up to 35% of his base salary upon achievement of certain performance targets. The Compensation Committee monitors trends in this area, as well as changes in law, regulation and accounting practices, that may affect either its compensation practices or its philosophy. Accordingly, the Committee reserves the right to alter its approach in response to changing conditions. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with a private placement conducted by the Company, Mr. Powers, an IRA for the benefit of Mr. Powers' wife, and Mr. Powers' father purchased a total of two (2) units for a total purchase price of \$100,000. The Company issued convertible subordinated notes with an aggregate principal balance of \$100,000 and warrants to purchase an aggregate of 100,000 shares of the Company's common stock. These purchases were made on the same basis available to other investors in the private placement.

In December 2001 in connection with the grant of restricted shares of common stock to Mr. Powers, the Company loaned to Mr. Powers \$179,000 related to federal income tax liability incurred by Mr. Powers in connection with the restricted shares grant. The entire principal balance of the loan remains outstanding. The loan bears interest at the rate of 5.62% per annum. All principal and accrued, but unpaid interest shall be due and payable on April 12, 2012. No interim payments on principal or interest are required. The loan and the obligations arising thereunder are secured by a first lien security interest in and to the 450,000 shares of the Company's common stock granted to Mr. Powers in his Restricted Stock Award Agreement dated December 3, 2001. The Company
