Information Concerning Solicitation and Voting

Place, Time and Date of Meeting. This Proxy Statement is being furnished to the Company's shareholders in connection with the solicitation of proxies on behalf of our Board of Directors for use at the Meeting to be held on Thursday, April 30, 2009, at 9:00 a.m., Pacific Daylight Time, and at any subsequent adjournment(s) or postponement(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual General Meeting of Shareholders. The Meeting will be held at the executive offices of the Company's wholly-owned U.S. subsidiary, Herbalife International, Inc., at 800 W. Olympic Blvd., Los Angeles, California 90015. Our telephone number is (213) 745-0500.

Internet Availability of Proxy Materials. Under rules recently adopted by the U.S. Securities and Exchange Commission, or the SEC, we are furnishing proxy materials to our shareholders primarily via the Internet, instead of mailing printed copies of those materials to each shareholder. On March 20, 2009, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including our Proxy Statement and our Annual Report.

Record Date and Voting Securities. Only shareholders of record at the close of business on March 2, 2009, or the Record Date, are entitled to notice of and to vote at the Meeting. The Company has one series of Common Shares outstanding. As of the Record Date 61,498,148 Common Shares were issued and outstanding and held of record by 929 registered holders.

Voting. Each shareholder is entitled to one vote for each Common Share held on the Record Date on all matters submitted for consideration at the Meeting. A quorum, representing the holders of not less than a majority of the issued and outstanding Common Shares entitled to vote at the Meeting, must be present in person or by proxy at the Meeting for the transaction of business. Common Shares that reflect abstentions are treated as Common Shares that are present and entitled to vote for the purposes of establishing a quorum and for purposes of determining the outcome of any matter submitted to the shareholders for a vote. However, abstentions do not constitute a vote for or against any matter and thus will be disregarded in the calculation of a plurality.

Broker non-votes are Common Shares held in street name through a broker or other nominee over which the broker or nominee lacks discretionary power to vote and for which the broker or nominee has not received specific voting instructions. Thus, if you do not give your broker or nominee specific instructions, your Common Shares may not be voted on certain matters. Common Shares that reflect broker non-votes are treated as Common Shares that are present and entitled to vote for the purposes of establishing a quorum. However, for the purposes of determining the outcome of any matter as to which the broker or nominee has indicated on the proxy that it does not have discretionary authority to vote, those Common Shares will be treated as not present and not entitled to vote with respect to that matter, even though those Common Shares are considered present and entitled to vote for the purposes of establishing a quorum and may be entitled to vote on other matters.

If you are a beneficial shareholder and your broker or nominee holds your Common Shares in its name, the broker or nominee is permitted to vote your Common Shares on matters such as the election of directors and the ratification of the appointment of independent registered public accountants, even if the broker or nominee does not receive voting instructions from you.

Directors are elected by a plurality, and the three nominees who receive the most votes will be elected. Abstentions and broker non-votes will not affect the outcome of the election.

In respect of all other proposals, to be approved, any such proposal must receive the affirmative vote of a majority of the Common Shares present or represented by proxy and entitled to vote. In determining the outcome of such proposals, abstentions have the effect of a negative vote. Broker non-votes will not affect the outcome of any such proposals.

Revocability of Proxies. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by either (a) delivering to the Corporate Secretary of the Company a written notice of

Table of Contents

revocation or a duly executed proxy bearing a later date, (b) granting a subsequent proxy through the Internet or telephone or (c) attending the Meeting and voting in person.

Solicitation Expenses. This solicitation of proxies is made by the Board of Directors and all related costs will be borne by the Company. Proxies may be solicited by certain of our directors, officers, and regular employees, without additional compensation, in person, by telephone, facsimile, or electronic mail. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of Common Shares.

Additional Information. This Proxy Statement contains summaries of certain documents, but you are urged to read the documents themselves for the complete information. The summaries are qualified in their entirety by reference to the complete text of the document. In the event that any of the terms, conditions or other provisions of any such document is inconsistent with or contrary to the description or terms in this Proxy Statement, such document will control. Each of these documents, as well as those documents referenced in this Proxy Statement as being available in print upon request, are available upon request to the Company by following the procedures described under Additional Information Annual Report, Financial and Additional Information.

PROPOSAL 1:

THE ELECTION OF DIRECTORS

Our Amended and Restated Memorandum and Articles of Association, or the Memorandum and Articles of Association, presently provide for not less than one nor more than fifteen directors. The Board of Directors has, by resolution, presently fixed the number of directors at eight. The Memorandum and Articles of Association divide the Board of Directors into three classes, with the terms of office of each class of directors ending in different years. The current terms of office of Class II directors end at the Meeting. The current terms of office of Classes III and I directors end at the annual general meetings in 2010 and 2011, respectively. Currently Class I has three directors, Class II has two directors, and Class III has two directors.

The nominees for Class II directors are to be voted upon at the Meeting. The Board of Directors has nominated Pedro Cardoso, Murray H. Dashe and Colombe M. Nicholas for election as Class II directors to serve three-year terms expiring at the 2012 annual general meeting. Valeria Rico, a former Class II director, resigned from the Board on March 6, 2009. Leon Waisbein, a Class II director, has notified the Board of his decision to not stand for reelection. We are very sorry to report that Mr. Gaba, a member of the Company's Board of Directors since 2008, passed away on March 9, 2009. Mr. Gaba served as a Class III director.

The Company did not receive any shareholder nominations for director.

The persons named as proxies on the accompanying proxy card intend to vote the Common Shares as to which they are granted authority to vote for the election of the nominees listed above. The form of proxy card does not permit shareholders to vote for a greater number of nominees than three. Although the Board of Directors does not know of any reason why any nominee will be unavailable for election, in the event any nominee should be unavailable at the time of the Meeting, the proxies may be voted for a substitute nominee as selected by the Board of Directors.

The table below sets forth information about the three nominees and the directors whose terms of office continue beyond the Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR PEDRO CARDOSO, MURRAY H. DASHE AND COLOMBE M. NICHOLAS.

THE BOARD OF DIRECTORS**Director Independence**

Our Board of Directors has affirmatively determined that each of Messrs. Barnes, Bermingham and Higby and Mme. Nicholas is, and Mme. Rico and Mr. Gaba were, during their tenures, independent under section 303A.02 of the New York Stock Exchange, or the NYSE, Listed Company Manual and the Company's Categorical Standards of Independence, which are attached hereto as Appendix A. The NYSE's independence guidelines and the Company's Categorical Standards include a series of objective tests, such as the director is not an employee of the Company and has not engaged in various types of business dealings involving the Company which would prevent a director from being independent. The Board of Directors has affirmatively determined that none of the Company's independent directors had any relationship with the Company.

Board Meetings

The Board of Directors met 10 times during fiscal 2008. All Board members attended at least 75% of the aggregate number of Board meetings and applicable committee meetings held while such individuals were serving on the Board of Directors, or such committees. Under the Company's Principles of Corporate Governance, which are available on the Company's website www.herbalife.com, by following the links through Investor Relations to Corporate Governance, each director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including attending meetings of the shareholders of the Company, the Board of Directors and committees of which he or she is a member. All then-current members of the board of directors attended the 2008 annual general meeting.

It is the policy of the Board of Directors to hold four regularly scheduled meetings, each of which include an executive session of non-management directors without the presence of management as well as a session of only the independent directors. Additional meetings of the Board of Directors, executive sessions of non-management directors

and sessions of independent directors may be held from time to time as required or determined to be necessary. The Board of Directors has created the position of Director In Charge of Executive Sessions to preside over executive sessions of non-management directors. The position is filled by rotating independent directors with each serving a one year term. Colombe Nicholas currently serves as the Director In Charge of Executive Sessions.

The purpose of the Independent Directors Plan is to promote the long term financial interest and growth of the Company by attracting and retaining independent directors who can make a substantial contribution to the success of the Company, and to motivate and to align their interests with those of the equity holders. The Independent Directors Plan is part of the Herbalife Ltd. 2005 Stock Incentive Plan. Effective January 27, 2009, the Independent Directors Plan and award agreements granted thereunder were amended to eliminate the ability to make further deferrals of compensation by independent directors. In addition, the Independent Directors Plan was amended such that awards to independent directors in 2009 and thereafter will be in the form of stock-settled stock appreciation rights, or SARs, instead of RSUs.

Shareholder Communications with the Board of Directors

Shareholders and other parties interested in communicating directly with the Board of Directors, non-management directors as a group or individual directors, including Colombe Nicholas in her capacity as the Director In Charge of Executive Sessions, may do so by writing to Herbalife Ltd., c/o Corporate Secretary, 800 W. Olympic Blvd,

Suite 406, Los Angeles, CA 90015, or by email at *corpsec@herbalife.com*, indicating to whose attention the communication should be directed. Under a process approved by the Board of Directors for handling letters received by the Company and addressed to non-management directors, the Corporate Secretary of the Company reviews all such correspondence and forwards to members of the audit committee a summary and/or copies of any such correspondence that, in the opinion of the Corporate Secretary, deal with the functions of the Board of Directors or committees thereof, or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company and addressed to members of the Board of Directors and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Company's internal audit department and handled in accordance with procedures established by the audit committee with respect to such matters.

Committees of the Board

Our Board of Directors has a standing audit committee, nominating and corporate governance committee, and compensation committee.

Table of Contents

From April 1, 2008 to March 9, 2009, the audit committee consisted of Messrs. Barnes, Bermingham and Gaba, each of whom is or was independent as discussed above under Director Independence. Mr. Gaba passed away on March 9, 2009. Since March 10, 2009, the audit committee has consisted of Messrs. Nicholas and Rico and Mr. Barnes, each of whom is or was independent as discussed above under Director Independence. Ms. Rico resigned from the Board on March 6, 2009. Since March 9, 2009, the nominating and corporate governance committee has consisted of Mme. Nicholas and Messrs. Barnes and Bermingham, each of whom is independent as discussed above under Director Independence. The principal duties of the nominating and corporate governance committee are as follows:

- to recommend to the Board of Directors proposed nominees for election to the Board of Directors both at annual general meetings and to fill vacancies that occur between annual general meetings; and

- to review and make recommendations to the Board of Directors regarding the Company's corporate governance matters and practices.

Working closely with the full Board of Directors, the nominating and corporate governance committee develops criteria for open board positions, taking into account such factors as it deems appropriate, including, among others, the current composition of the Board of Directors, the range of talents, experiences and skills that would best complement those already represented on the Board of Directors, the balance of management and independent directors and the need for financial or other specialized expertise. Applying these criteria, the nominating and corporate governance committee considers candidates for director suggested by its members and other directors, as well by management and shareholders. The nominating and corporate governance committee also retains a third-party executive search firm on an ad-hoc basis to identify and review candidates upon request of the committee from time to time.

Table of Contents

Once the nominating and corporate governance committee has identified a prospective nominee, whether the prospective nominee is recommended by a shareholder or otherwise, it makes an initial determination as to whether to conduct a full evaluation. In making this determination, the nominating and corporate governance committee considers the information provided to the committee with the recommendation of the candidate as well as the nominating and corporate governance committee's own knowledge, supplemented as appropriate by inquiries to third parties. The preliminary determination is based primarily on the need for additional directors and the likelihood that the prospective nominee can satisfy the criteria that the nominating and corporate governance committee has established. If the committee determines, in consultation with the Chairman of the Board of Directors and other directors as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the nominating and corporate governance committee. The nominating and corporate governance committee then evaluates the prospective nominee's qualifications against any specific criteria that it may establish for the position, as well as the standards and qualifications set out in the Company's Principles of Corporate Governance. Among other things, the committee considers the candidate's:

business experience and skills;

independence;

judgment;

integrity;

the ability to commit sufficient time and attention to Board activities; and

the absence of potential conflicts with the Company's interests.

If the nominating and corporate governance committee decides, on the basis of its preliminary review, to proceed with further consideration, the committee members, as well as other directors as appropriate, interview the nominee. After completing this evaluation and interview, the nominating and corporate governance committee makes a recommendation to the full Board of Directors, which makes the final determination whether to nominate the candidate after considering the nominating and corporate governance committee's report.

A shareholder who wishes to recommend a prospective nominee for the Board of Directors pursuant to the provisions of the Memorandum and Articles of Association should notify the Corporate Secretary in writing with the appropriate supporting materials, as more fully described under *Additional Information* *Shareholder Nominations*.

The Board of Directors has adopted a written charter for the nominating and corporate governance committee, which is available on the Company's website at www.herbalife.com by following the links through *Investor Relations* to *Corporate Governance* or in print to any shareholder who requests it as set forth under *Additional Information* *Annual Report, Financial and Additional Information*. In fiscal 2008, the nominating and corporate governance committee met five times.

Compensation Committee

From January 1, 2008 to March 6, 2009, the compensation committee consisted of Mr. Bermingham and Mmes. Nicholas and Rico, each of whom is independent as discussed above under *Director Independence*. Ms. Rico resigned from the Board on March 6, 2009. Since March 9, 2009, the compensation committee has consisted of Mme. Nicholas and Messrs. Barnes and Bermingham, each of whom is independent as discussed above under *Director Independence*.

The principal duties of the compensation committee are as follows:

to oversee and approve compensation policies and programs;

to review and approve corporate goals and objectives relevant to the compensation of the Company's Chief Executive Officer and other executive officers;

to evaluate the performance of the Chief Executive Officer and recommend the compensation level of the Chief Executive Officer for approval by the independent members of the Board of Directors;

Table of Contents

to evaluate the performance of certain executive officers and, considering the Chief Executive Officer's recommendations, set the compensation level for such executive officers;

to administer existing incentive compensation plans and equity based plans;

to oversee regulatory compliance with respect to executive compensation matters; and

to review the compensation of directors.

Our Board of Directors has adopted a written charter for the compensation committee which is available on the Company's website at www.herbalife.com by following the links through Investor Relations to Corporate Governance or in print to any shareholder who requests it as set forth under Additional Information Annual Report, Financial and Additional Information. In fiscal 2008, the compensation committee met eight times.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended December 31, 2008, Messrs. Bermingham and Mme. Nicholas and Rico served on the compensation committee of the Board of Directors. PROPOSAL 2:

THE RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The audit committee has selected KPMG LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2009. Services provided to the Company and its subsidiaries by KPMG LLP in fiscal 2007 and 2008 are described under Fees to Independent Registered Public Accountants for Fiscal 2007 and 2008. Additional information regarding the audit committee is set forth in the Audit Committee Report.

The Company has been advised that representatives of KPMG LLP will be present at the Meeting where they will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

In the event shareholders do not ratify the appointment of KPMG LLP, the appointment will be reconsidered by the audit committee and the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL 2009.

Audit Committee Report

The audit committee is responsible for monitoring our financial auditing, accounting and financial reporting processes and our system of internal controls, and selecting the independent public accounting firm on behalf of the Board of Directors. Our management has primary responsibility for our internal controls and reporting process. Our independent registered public accounting firm, KPMG LLP, is responsible for performing an independent audit of our

consolidated financial statements and the effectiveness of our internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing an opinion thereon. In this context, the audit committee met regularly and held discussions with management and KPMG LLP. Management represented to the audit committee that the consolidated financial statements for the fiscal year 2008 were prepared in accordance with U.S. generally accepted accounting principles.

The audit committee hereby reports as follows:

The audit committee has reviewed and discussed the audited consolidated financial statements and accompanying management's discussion and analysis of financial condition and results of operations with our management and KPMG LLP. This discussion included KPMG LLP's judgments about the quality, not

Table of Contents

just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The audit committee also discussed with KPMG LLP the matters required to be discussed by the Statements on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

KPMG LLP also provided to the audit committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP's communications with the audit committee concerning independence, and the audit committee has discussed with KPMG LLP the accounting firm's independence. The audit committee also considered whether non-audit services provided by KPMG LLP during the last fiscal year were compatible with maintaining the accounting firm's independence.

Based on the reviews and discussions referred to above, the audit committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2008, which have been filed with the SEC. The audit committee also selected, subject to shareholder ratification, KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2009.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis describes the material elements of the compensation and benefit programs for our executive officers identified in the 2008 Summary Compensation Table, or the Named Executive Officers. The Compensation Committee of the Board of Directors, or the Committee, has responsibility for establishing, developing and implementing such programs. Compensation and employment agreements for our Chairman and Chief Executive Officer, Michael O. Johnson, are recommended by the Committee. These recommendations are then approved by the independent members of our Board of Directors.

How Compensation is Established

The Committee approves the compensation and benefits programs for our Named Executive Officers (other than Mr. Johnson) with input from Mr. Johnson and the Committee's independent compensation advisor. With respect to Mr. Johnson's compensation, the Committee develops its recommendations with the assistance of its compensation advisor without input from management. Mr. Johnson makes recommendations to the Committee regarding the pay of the other Named Executives Officers. Recommendations regarding Mr. Johnson's compensation are then developed by the Committee and presented to the independent members of the Board of Directors for final approval.

Independent Compensation Advisor

The Committee has retained Towers Perrin, a nationally recognized compensation consulting firm, to assist the Committee in evaluating executive compensation programs and in setting executive officers' compensation, although compensation decisions are made solely by the Committee (and, with respect to Mr. Johnson, the independent members of the Board of Directors). The use of an independent compensation advisor provides additional perspective so that the Committee can determine if our executive compensation programs are reasonable and consistent with our objectives (as described in more detail below). The advisor reports directly to the Committee. The advisor regularly participates in Committee meetings and advises the Committee with respect to compensation trends and best practices, plan design, and the reasonableness of individual compensation awards.

Overall Objectives of Executive Compensation Program

As a global leader in network marketing through independent distributors, we operate in an environment of challenging regulatory and political issues. Our success depends on the leadership of highly-talented, adaptive and dedicated executives who can apply the necessary skills to operate effectively in our unique business model. Thus, our compensation program for the Named Executive Officers provides highly-competitive rewards to executives who contribute to our success, which we define primarily by superior growth, profitability and shareholder returns.

The Committee believes that it advances shareholder interests to assemble and maintain a high-performing management team. Our compensation standards reflect the competitive market for the highly-talented executives that are required for our success. Because recruitment and retention of such executives generally requires highly-competitive pay, the Committee sets compensation targets for our executives in the upper end of the range of competitive practices. We also tie realization of compensation in our incentive plans to achievement of superior performance.

In developing our executive compensation program, the Committee was guided by the following underlying principles:

Our program should serve to attract and retain the talented executives necessary (see above) to support our independent distributors and advance shareholders' interests in a way that is consistent with our overall philosophy of changing people's lives.

The program should provide superior pay for superior performance. We set performance targets for incentive plans that meet or exceed the high expectations of our shareholders.

Table of Contents

The competitiveness of our pay should be established at the higher end of the range of pay practices of companies that operate in related markets and require similar executive skills and capabilities.

The mix of compensation between base salary, annual and long-term incentives should favor variable pay in order to emphasize pay for performance and should be balanced between annual and long-term compensation in order to promote sustainable growth in the value of the enterprise.

Long-term incentives should be provided in Company equity that encourage executives to think and act in the best interests of shareholders and reward them for successful implementation of our growth strategy.

Compensation programs should reinforce behaviors among our Named Executive Officers that demonstrate our adherence to our corporate Vision, Mission & Values statement.

Competitive Benchmarking

The Committee evaluates total direct compensation (consisting of base salary, annual cash incentive compensation, and long-term equity incentive compensation) for the Named Executive Officers relative to the upper end of the range among the Herbalife Peer Group (described in more detail below). However, actual base salary and target incentives for each Named Executive Officer are set by the Committee in consideration of the executive's current position in the pay range, sustained level of individual contribution, scope of responsibilities and level of capabilities and experience.

Each year the Committee assesses the competitiveness of each Named Executive Officer's target total direct compensation. For 2008 the Committee was aided in its assessment by competitive pay analyses prepared by Towers Perrin that reflected compensation program design and pay levels among the Herbalife Peer Group and from a Towers Perrin survey of more than 1,000 companies in general industry classification with revenues between \$1 billion and \$3 billion or pay that has been size-adjusted based on Herbalife's revenue size (approximately \$2.4 billion). The survey data are not used as a benchmark for our Named Executive Officers but, rather, are used to verify that the pay levels reflected in the Herbalife Peer Group are consistent with those of similarly-sized companies generally.

For 2008, the Herbalife Peer Group was comprised of 19 corporations, which are either business competitors or corporations with which we compete for employees at the Named Executive Officer level, and which are similar in size to Herbalife, as measured by revenue and market capitalization. At \$2.4 billion, the median 2008 revenue of the Herbalife Peer Group was essentially equal to that of Herbalife. Herbalife's market capitalization at the end of 2008 approximated the 25th percentile of the Herbalife Peer Group. The Committee reviews and makes adjustments to the corporations that comprise the Herbalife Peer Group annually to ensure that it remains appropriate. The Committee made no adjustments to the Herbalife Peer Group for 2008.

The following table presents the Herbalife Peer Group list that was used for 2008.

Individual Pay Determination

To facilitate individual pay decisions, the Committee uses an executive grading structure in which each executive is assigned to a particular grade based on the range of competitive pay for their position and their relative responsibilities within Herbalife. Each pay grade has a salary range, target incentive opportunity, and a range of long-term equity incentive grant values. The Committee uses the pay grade structure as a framework for making individual pay decisions. Actual base salary and target incentives for each Named Executive Officer were set by the Committee in consideration of the executive's current position in the pay range, sustained level of individual contribution, scope of responsibilities and level of capabilities and experience.

Pay Elements

The compensation and benefits programs for our Named Executive Officers consist of:

Base salaries designed to appropriately reward each Named Executive Officer for his or her demonstrated performance, capabilities and experience;

Annual incentive compensation designed to focus the Named Executive Officers on the achievement of challenging operating objectives that drive growth in shareholder value;

Long-term equity incentive compensation in the form of SARs and RSUs designed to enable our Named Executive Officers to share in the value created for shareholders and to encourage successful executives to remain with the Company; and

Table of Contents

Other compensation and benefits intended to complete a competitive pay package for Named Executive Officers, consisting of:

Participation in broad-based and executive-level welfare benefit plans;

Participation in tax-qualified and nonqualified deferred compensation plans; and

Executive perquisites;

For Messrs. Johnson, Goudis, and Chapman, severance payments in the event of termination without cause; and

For Messrs. Johnson, Goudis, and Chapman, change in control payments and benefits designed to focus them on shareholder interests when considering strategic alternatives.

Mix of Compensation Elements

The mix of values in our compensation program for Named Executive Officers places emphasis on variable (at-risk) cash incentives and long term equity incentive compensation versus base salary and other fixed aspects in order to focus our Named Executive Officers on the achievement of our short-term operating and long-term strategic objectives. However, the Committee does not target a specified mix of compensation elements.

Base Salaries

Information from the competitive benchmarking studies described above is used to develop our salary range structure for each executive. The midpoint of the salary ranges is set at the 75th percentile. Individual base salaries for Named Executive Officers are reviewed in the fourth quarter of each year in preparation for the upcoming fiscal year. The review takes into consideration the incumbent's current position in range, scope of responsibilities, maturity in role, and demonstrated level of performance of duties. Our Chairman and Chief Executive Officer evaluates and proposes to the Committee changes in the base salaries for each of the other Named Executive Officers. At the same time, the Committee, separately and without the involvement of the Chairman and Chief Executive Officer, evaluates and proposes changes to the Chairman and Chief Executive Officer's base salary to the independent members of the Board of Directors.

The following table summarizes adjustments (if any) made to base salaries for the Named Executive Officers during 2008:

Named Executive Officer	Base Pay
Michael O. Johnson(1)	Increased 9.09% to \$1,200,000
Desmond Walsh(2)	Increased 40.24% to \$575,000
Richard Goudis(3)	Increased 5% to \$606,375
Brett R. Chapman	No change
Steve Henig	No change
Paul Noack	No change

- (1) Mr. Johnson's salary was increased by 9.09% in connection with his amended and restated employment agreement dated March 27, 2008 among Mr. Johnson, Herbalife International of America, Inc., or Herbalife America, and the Company.
- (2) Mr. Walsh's salary was increased by 40.24% effective April 28, 2008 in recognition of additional responsibilities assumed as a result of the departure of Mr. Gregory Probert, the Company's former President and Chief Operating Officer.
- (3) Mr. Goudis's salary was increased by 5% effective August 4, 2008 in recognition of additional responsibilities assumed for supply chain management as a result of the departure of Mr. Probert.

Table of Contents**Annual Incentive Awards*****General***

All annual cash-based incentive compensation for our Named Executive Officers is paid under our shareholder-approved Executive Incentive Plan. Under this plan, the Committee establishes performance criteria for our Named Executive Officers each year. For 2008, this goal was a targeted earnings per share, or EPS, of \$3.17. The annual incentive funded and payable to each of Messrs. Johnson, Goudis, and Chapman is based solely on EPS performance, without Committee discretion. With respect to the other Named Executive Officers, the Committee retains the discretion to adjust the funded amounts in determining the actual incentive payout based upon the Chief Executive Officer's overall qualitative review with the Committee of each executive's performance during the year.

Targets and Determination

For 2008, annual target incentive award opportunities for the Named Executive Officers were set in consideration of competitive practices and individual scope of job responsibilities.

Pursuant to his employment agreement, Mr. Johnson's annual incentive award is composed of two components, the regular and the alternative awards. Mr. Johnson's incentive award is structured in this manner to allow the Committee a degree of flexibility in rewarding him for the achievement of key strategic, as well as financial, targets. For 2008, the Committee established EPS as the goals under both the regular and the alternative performance awards. The Committee reviews the alternative performance award annually with Mr. Johnson and makes changes to the relevant target metric as it deems appropriate.

For 2008, the Committee established a performance goal for our other Named Executive Officers that was also based upon EPS. Annual incentive compensation for each of our Named Executive Officers (including Mr. Johnson) is payable only upon meeting or exceeding 100% of the target performance level. Achievement of the 100% target level for the EPS goal for 2008 would equal our budgeted EPS for the year. Budgeted EPS is built from the bottom up based on input from the regions and individual markets as to actual business trends, expected growth trends for the industry in that region, trends of specific distributor methods of operation within that country and the risks and opportunities of achieving the forecasted revenue and expense levels.

Named Executive Officers (other than Messrs. Johnson, Goudis, and Chapman) participate in the Company's Senior Management Bonus Incentive Plan with payouts based on the achievement of specific objectives set through the Company's Performance Management Program. In addition to the EPS goals described above, bonuses for these other Named Executive Officers are dependent, in part, upon the achievement of qualitative performance criteria determined by Mr. Johnson and approved by the Committee. For 2008 these qualitative performance criteria included goals related to strategic planning and the evaluation of strategic alternatives, evaluation of programs related to distributors, increasing operating efficiencies, and product development related matters.

The budgeted EPS target for 2008 was \$3.17 per share, which amount represented a 17.0% increase over our EPS for the preceding fiscal year (adjusted for certain one-time items), and exceeds the expected EPS growth rates for our industry and our business and financial competitors.

Under the terms of the Company's Senior Management Bonus Incentive Plan in effect for 2008 (as summarized in the following chart), there is no bonus funding for any of the Named Executive Officers unless the Company achieves its threshold EPS of \$3.17. Bonus funding and payout amounts remain constant through an EPS of \$3.26, and increase by 50% upon achievement of an EPS of \$3.27. Funding levels increase for EPS above \$3.27 by 1% or 1.5%, depending

on job level, for each \$0.01 increase to EPS.

Table of Contents

The following table describes the potential range of annual incentive awards for 2008 for our Named Executive Officers based upon specified levels of performance:

	Target and Threshold	Next Step	Maximum
Earnings Per Share	\$ 3.17	\$ 3.27	\$ 3.56
% of Targeted Achievement	100%	103.2%	112.4%
Potential Award to Named Executive Officers (% of salary)			
Michael O. Johnson (regular)	112.5%	169.0%	225.0%
Michael O. Johnson (alternative)	37.5%	58.0%	75.0%
Desmond Walsh	50.0%	75.0%	100.55%
Richard P. Goudis	50.0%	75.0%	100.55%
Brett R. Chapman	50.0%	75.0%	100.55%
Steve Henig	50.0%	75.0%	100.55%

Based on the Company's 2008 EPS, after making adjustments related to nonrecurring expenses arising under our 2008 Reorganizing for Growth Plan and an increase in a tax valuation allowance, and for each of Messrs. Walsh and Henig, the achievement of 100% of his applicable qualitative performance criteria for 2008, the Committee reviewed and approved the full amount under the applicable achievement tiers to each of the Named Executive Officers as set forth in the incentive award schedule above. The specific dollar amounts paid are referenced in the 2008 Summary Compensation Table under the heading Non-Equity Incentive Plan Compensation.

We do not currently have a policy requiring a fixed course of action with respect to compensation adjustments following later restatements of financial performance targets. Under those circumstances, the Committee would evaluate whether such adjustments are appropriate based upon the facts and circumstances surrounding the restatement and the existing laws. The Committee intends to consider the adoption of a formal policy in 2009.

Long Term Incentive Awards

Equity grants were made to Named Executive Officers in 2008 under our 2005 Stock Incentive Plan. The Committee believes these incentives foster long-term decision making and growth necessary for continued success.

During 2008, we awarded two forms of long term incentives: SARs and time-vested RSUs. Each form of grant represented 50% of the total long-term incentive grant value. Stock-settled SARs provide an opportunity for Named Executive Officers to earn additional compensation only if our share price increases. RSUs provide stock ownership to executives thus exposing them to the same gains and losses in value as are experienced by our shareholders.

For 2008, guideline equity grant values for the named Executive Officers were established in consideration of competitive practices and individual scope of job responsibilities. Our Chairman and Chief Executive Officer evaluates individual contributions to the Company's success and proposes to the Committee equity grants for each of the other Named Executive Officers. At the same time, the Committee, separately and without the involvement of the Chairman and Chief Executive Officer, evaluates and proposes equity grants for the Chairman and Chief Executive Officer to the independent members of the Board of Directors. The grant values are translated into shares of SARs and RSUs using our desired mix and the SFAS 123R, Share Based Payments values for each type of grant.

The SAR exercise price equaled the closing traded share price of our Common Shares on the grant dates. The SARs vest to the executives based upon continued employment over three years at the rate of 20% on the first anniversary of the award, 20% on the second anniversary of the award, and 60% on the third anniversary of the award, except for the March 27, 2008 grants to our Chief Executive Officer, which are described in more detail under note 3 to the 2008 Grants of Plan-Based Awards table on page 26. Executives may exercise vested SARs at any time while employed at Herbalife up to ten years following the date of grant. The RSUs awarded to the Named Executive Officers vest over a three-year period based upon continued service, one-third on each anniversary of the

Table of Contents

grant, except for the March 27, 2008 grants to our Chief Executive Officer. Dividend equivalents are paid with respect to vested but deferred and unvested RSUs.

Summary of Mix of Compensation Elements for 2008

Consistent with our philosophy as described above, the mix of compensation elements which are comprised of base salary, annual incentives and long term incentives provided to our Named Executive Officers for 2008 is set forth in the following table:

	Proportional Mix of Compensation Elements		
	Base Salary	Annual Incentives(1)	Long-Term Incentives(2)
Michael O. Johnson(3)	5%	14%	81%
Desmond Walsh	28%	25%	47%
Richard Goudis	30%	31%	39%
Brett R. Chapman	31%	31%	38%
Steve Henig	31%	20%	49%

- (1) For purposes of this table, annual incentives include only annual incentive payouts as disclosed in the 2008 Summary Compensation Table below.
- (2) For purposes of this table, long-term incentives are comprised of equity-based compensation awards granted in 2008, the value of which is reported in the 2008 Grants of Plan-Based Awards Table below.
- (3) For purposes of this table, Mr. Johnson's compensation does not include a one-time cash payment made to him upon signing his employment agreement dated March 27, 2008 with Herbalife America and the Company.

Equity Award Grant Policy

In 2008, an annual grant of SARs and RSUs to the Named Executive Officers and other executives was made in February 2008 at a meeting of the Committee. It is the Company's policy to conduct its annual grant award process at a time subsequent to the release of financial results for the preceding year. We currently operate a monthly grant approval process where awards are authorized for new hires, certain selected retention situations, and to newly promoted executives. All equity compensation awards to our Named Executive Officers and other executives are granted based on our equity grant policy, which was approved by the Committee. The policy provides that the exercise price of stock options and SARs granted to executives will be established as the closing traded stock price on the date the awards are granted.

Hedging

Company policy prohibits executives from entering into hedging transactions that would operate to lock-in the value of their equity compensation awards at specified levels.

Stock Ownership Guidelines

The Committee believes that Named Executive Officers should be shareholders and maintain significant holdings of Common Shares. Because a significant portion of each Named Executive Officer's compensation is paid in the form of equity-based incentive compensation awards, the Committee believes this is an appropriate and beneficial policy to provide additional motivation to act in the long-term best interests of shareholders.

Pursuant to our policy, the CEO is encouraged to acquire and hold Common Shares with a market value equal to five times his base salary by 2013. The other Named Executive Officers are encouraged to acquire and hold Common Shares with a market value equal to two times their respective base salaries by 2013 or within five years of becoming a Named Executive Officer. The Committee reviews progress toward these standards annually.

Benefits and Perquisites

U.S.-based employees, including the Named Executive Officers, participate in a variety of savings, health and welfare, and paid time-off benefits typically provided by competitors for the services of the Company's employees. Health and welfare and paid time-off benefits help ensure that Herbalife has a healthy, productive and focused workforce. Through our 401(k) savings plan, the Company helps employees save and prepare financially for retirement.

In addition, our Named Executive Officers are eligible to participate in the following executive benefits and perquisites that we offer:

Executive Health Benefits We value executive health and strive to support a healthy lifestyle among our Named Executive Officers. As such we provide the following executive-level welfare benefits:

Executive Medical Reimbursement We provide certain senior executives with a supplemental reimbursement program to our existing medical insurance program. These reimbursement payments can be used to pay for deductibles, co-pays, and pharmacy expenses not covered by our medical insurance plan. The maximum supplemental reimbursement under this plan is \$6,000 per executive per year. We also provide our executives with a gross-up payment for all income and employment taxes incurred in connection with this benefit.

Executive Physical We provide our executives with an annual health screening evaluation. We have arranged services with the Executive Health Department at UCLA, although this program allows executives to use other qualified medical practitioners for the annual health screening. The services are voluntary and confidential. We provide for a reimbursement of up to \$2,000 annually for each executive under this program.

Executive Wellness We provide a \$2,000 annual benefit to executives for the purchase of fitness training equipment, personal training services and other reasonable products or services that support physical conditioning. We provide our executives with a gross-up payment for all income and employment taxes incurred in connection with this benefit.

Financial Planning We reimburse our Named Executive Officers for financial counseling and tax preparation. This benefit is intended to encourage executives to engage knowledgeable experts to assist with personal financial and tax planning, which we believe enables executives greater focus on their Company duties. The benefit for Mr. Johnson is up to \$20,000 per year; the other Named Executive Officers receive a benefit of up to \$15,000 per year. We also provide our executives with a gross-up payment for all income and employment taxes incurred in connection with this benefit.

Personal Use of Aircraft The board of directors approved the use of chartered aircraft for business purposes by certain corporate executives including Mr. Johnson (Herbalife does not lease or own an aircraft). Effective March 31, 2008, the Committee discontinued limited personal use of such chartered aircraft by Mr. Johnson.

Retirement benefits Our Named Executive Officers participate in our tax-qualified 401(k) Plan and our Senior Executive Deferred Compensation Plan described in more detail under Non-Qualified Deferred Compensation Plans. We maintain these plans for the purposes of providing a competitive benefit, allowing Named Executive Officers an opportunity to defer compensation to encourage our Named Executive Officers to save for retirement.

Employee Stock Purchase Plan Our Named Executive Officers participate in our Employee Stock Purchase Plan, or the ESPP. The ESPP generally allows all employees and officers to purchase Common Shares through payroll deductions of up to 10 percent of their annual, eligible compensation up to a maximum of \$25,000 per year. The price of Common Shares purchased under the ESPP is equal to 85 percent of the fair market value of the Common Shares on the specified purchase date. We maintain the ESPP for the purpose of providing eligible employees of the Company and its subsidiaries with an opportunity to participate in the Company's success by purchasing the Common Shares through payroll deductions. Four offerings were made under the ESPP in 2008 and a total of 9,054 Common Shares were purchased by plan participants.

Employment Agreements

The current employment agreement between the Company and Mr. Johnson was entered into on March 27, 2008. In addition, each of Messrs. Goudis, Chapman and Noack, while he was employed by the Company, but not our other Named Executive Officers, was party to an employment agreement with the Company during fiscal 2008. Those agreements establish the terms and conditions for the employment relationship each executive has with the Company and specifies compensation, executive benefits, severance provisions, change in control provisions, preservation of confidential and proprietary information, non-solicitation, non-disparagement, and other conditions. In 2005, the Committee's compensation advisor engaged in an in-depth competitive analysis of the employment agreements between Herbalife and each of Messrs. Goudis and Chapman, which formed the basis of the amended employment agreements entered into with those executives in 2006 and which were in effect during 2008.

Severance and Change in Control Arrangements

Each of Messrs. Johnson, Goudis, and Chapman is eligible for certain benefits and payments if his employment terminates for various reasons or as a result of a change in control of the Company. The Company has provided these benefits to these three Named Executive Officers to allow them to focus on the value of strategic alternatives to shareholders without concern for the impact on their continued employment, as each of their offices is at heightened risk of turnover in the event of a change in control. Separation benefits include cash payments and other benefits in an amount the Company believes is appropriate, taking into account the time it is expected to take a separated executive to find another job. Separation benefits are intended to ease the consequences to the executive of an unexpected termination of employment. The Company requires a general release with non-compete and non-solicitation provisions in connection with the individual separation agreements.

We consider it likely that it will take more time for higher-level employees to find new employment commensurate with their prior experience, and therefore senior management generally are paid severance for a longer period. Additional payments may be approved by the Committee in some circumstances as a result of negotiation with executives, especially where the Company desires particular non-disparagement, cooperation with litigation, non-competition and non-solicitation terms.

The employment agreement for each of Messrs. Johnson, Goudis, and Chapman specifically details various provisions for benefits and cash payments in the event of a separation. Generally, these agreements provide for certain benefits upon death, disability, resignation by the executive with good reason or termination by the Company without cause. Prior to his resignation on September 17, 2008, Mr. Noack was party to an employment agreement with the Company that provided him with separation benefits similar to those afforded to Messrs. Goudis and Chapman.

The equity compensation awards granted to Messrs. Johnson, Goudis and Chapman contain change in control and termination provisions. In general, these arrangements provide for benefits upon a termination of such executive's employment in connection with a change in control, although a portion of the benefits are triggered solely upon the occurrence of a change in control of Herbalife. These arrangements are intended to preserve morale and productivity and encourage retention in the face of the disruptive impact of a change in control of the Company. Based on a competitive analysis of the severance and change in control arrangements maintained by the corporations in the Herbalife Peer Group, the Committee believes that these benefits are customary among the Herbalife Peer Group for executives in similar positions as these three executives.

Please refer to the discussion on page 27 under "Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards" for a more detailed discussion of our severance and change in control arrangements.

Accounting and Tax Implications

Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits deductions for certain executive compensation in excess of \$1,000,000 in any fiscal year. Certain types of compensation are deductible only if performance criteria are specified in detail and payments are contingent on stockholder approval of the

Table of Contents

compensation arrangement. We attempt to structure our compensation arrangements to achieve deductibility under Section 162(m), unless the benefit of such deductibility is outweighed by the need for flexibility or the attainment of other corporate objectives. The Committee will continue to monitor issues concerning the deductibility of executive compensation and will take appropriate action if and when it is warranted. Since corporate objectives may not always be consistent with the requirements for full deductibility, the Committee is prepared, if it deems appropriate, to enter into compensation arrangements under which payments may not be deductible under Section 162(m). Thus, deductibility will not be the sole factor used by the Committee in ascertaining appropriate levels or modes of compensation.

Section 280G of the Code

Section 280G of the Code disallows a company's tax deduction for what are defined as excess parachute payments and Section 4999 of the Code imposes a 20% excise tax on any person who receives excess parachute payments in connection with a change in control. Each of Messrs. Johnson, Goudis, and Chapman, as part of their employment agreements, would be provided with tax gross-up payments in the event their change in control payments become subject to this excise tax. The Committee believes that the provision of tax gross-up protection is appropriate and necessary for executive retention and consistent with the current practices of the Herbalife Peer Group. Please refer to the discussion under Potential Payments upon Termination or Change in Control for more detail on the potential gross-up payments and lost tax deductions.

(2) All amounts are also reported as compensation in All Other Compensation - Deferred Compensation Plan Matching Contributions in the 2008 Summary Compensation Table.

Non-Qualified Deferred Compensation Plans. We maintain the Herbalife Senior Executive Deferred Compensation Plan, effective January 1, 1996, or the Senior Executive Plan, which is applicable to eligible employees at the rank of Senior Vice President and higher. The Senior Executive Plan was amended and restated effective January 1, 2001.

The Senior Executive Plan is unfunded and benefits are paid from the Company's general assets, except that the Company has contributed amounts to a rabbi trust whose assets will be used to pay benefits if we remain solvent, but can be reached by our creditors if we become insolvent. The Senior Executive Plan allows eligible employees, who are selected by the administrative committee that manages and administers the plan, or the Deferred Compensation Committee, to elect annually to defer up to 50% of their annual base salary and up to 100% of their annual bonus for each calendar year, or the Annual Deferral Amount. We make matching contributions, or Matching Contributions, on behalf of each participant in the Senior Executive Plan, which Matching Contributions are 100% vested at all times.

Effective January 1, 2002, the Senior Executive Plan was amended to provide that the amount of the Matching Contributions is to be determined by us in our discretion. Effective January 1, 2003, the Matching Contribution was set to 3% of a participant's annual base salary and has remained 3% through 2008.

Each participant in the Senior Executive Plan may determine how his or her Annual Deferral Amount and Matching Contributions, if any, will be deemed to be invested by choosing among several investment funds or indices designated by the Deferred Compensation Committee. The Senior Executive Plan, however, does not require us to actually acquire or hold any investment fund or other assets to fund the Senior Executive Plan. The entire interest of each participant in the Senior Executive Plan is always fully vested and non-forfeitable.

In connection with a participant's election to defer an Annual Deferral Amount, the participant may also elect to receive a short-term payout, equal to the Annual Deferral Amount and the Matching Contributions, if any, attributable thereto plus earnings, and shall be payable two or more years from the first day of the year in which the Annual Deferral Amount is actually deferred. As of January 2004, the Senior Executive Plan was amended to allow for deferral of the short-term payout date if the deferral is made within the time period specified therein. Subject to the short-term payout provision and specified exceptions for unforeseeable financial emergencies, a participant may not withdraw, without incurring a ten percent (10%) withdrawal penalty, all or any portion of his or her account under the Senior Executive Plan prior to the date that such participant either (1) is determined by the Deferred Compensation Committee to have incurred permanent and total disability or (2) dies or otherwise terminates employment.

Table of Contents**Potential Payments Upon Termination or Change in Control**

The information below describes certain compensation that would have become payable under existing plans and contractual arrangements assuming a termination of employment and/or change in control had occurred on December 31, 2008 based upon the closing price of a Common Share on the NYSE on December 31, 2008 of \$21.68, given the Named Executive Officers' compensation and service levels as of such date. In addition to the benefits described below, upon any termination of employment, each of the Named Executive Officers would also be entitled to the amount shown in the column labeled "Aggregate Balance at Last FYE" in the "2008 Non-Qualified Deferred Compensation" table.

As of December 31, 2008, the Company had entered into employment agreements with each of Messrs. Johnson, Chapman and Goudis, as described in more detail below. In addition to the employment agreements with Messrs. Johnson, Chapman and Goudis, the Company has also entered into award agreements governing the equity-based compensation awards (including stock options, SARs and RSUs) granted to each of Messrs. Johnson, Chapman and Goudis. Other than the payments pursuant to the Senior Executive Plan, referenced above, as well as payments that may be available to all employees generally, Messrs. Walsh and Henig are not entitled to payments upon a termination or change in control.

Michael O. Johnson

Pursuant to the Johnson Employment Agreement, upon termination of Mr. Johnson's employment by Herbalife America for Cause, or by Mr. Johnson without Good Reason, Mr. Johnson would be entitled to his then current accrued and unpaid base salary through the effective date of termination as well as 100% of any accrued and unpaid bonus for any years preceding the year of termination, but, not for the year of termination. Mr. Johnson would also be entitled to any rights that may exist in his favor to payment of any amount under any employee benefit plan or arrangement of Herbalife America, other than those set forth in the Johnson Employment Agreement, in accordance with the terms and conditions of any such employee benefit plan or arrangement. In the event of a termination by Herbalife America for Cause, or by Mr. Johnson without Good Reason prior to March 27, 2010, Mr. Johnson would be required to return half of his signing bonus, net of taxes, to Herbalife America.

If Mr. Johnson dies or if his employment is terminated as a result of his disability, in addition to his accrued benefits, he will be entitled to receive a pro rata bonus payment for the year of termination based on the Company's actual results for the entire year. In addition, following a termination of employment by reason of Mr. Johnson's death or disability, Mr. Johnson and/or his spouse will be eligible to receive retiree medical benefits until the age of 65 without regard as to whether Mr. Johnson was employed by the Company for at least four years following the effective date of the Johnson Employment Agreement.

Upon termination of Mr. Johnson's employment by Herbalife America without Cause, or by Mr. Johnson for Good Reason, in addition to the benefits described in the preceding paragraph, Mr. Johnson would also be entitled to an additional amount equal to two times the sum of his then-current salary and bonus level (defined as two times his then-current salary), which in total would be currently equal to \$7,200,000, payable in a lump sum due within 60 days of termination. If the effective date of such termination without Cause or resignation for Good Reason occurs during a trading blackout or quiet period with respect to the Company's Common Shares or if the Company determines, upon the advice of legal counsel, that Mr. Johnson may not trade in the Company's Common Shares on the effective date of such termination due to his possession of material non-public information, and in each case the restriction or prohibition continues for a period of at least twenty consecutive calendar days, Mr. Johnson will be paid an additional lump sum amount equal to \$250,000. Mr. Johnson will also be eligible to receive outplacement services for up to six months paid for by the Company in an amount not to exceed \$20,000.

Upon the occurrence of a Change of Control, 50% of all unvested stock options, SARs and RSUs granted to Mr. Johnson (other than the 2008 RSUs and 2008 SARs) shall immediately vest; however, the compensation committee of the Board of Directors may, in its sole discretion, accelerate the vesting of additional stock options, SARs and RSUs upon the occurrence of a Change of Control. Should Mr. Johnson's employment be terminated for any reason other than for Cause or resignation without Good Reason within the 90-day period preceding a Change of Control or at any time after a Change of Control, then all of his unvested stock options, SARs and RSUs (other than the 2008 RSUs and 2008 SARs) shall vest as of the effective date of the termination. If Mr. Johnson's

Table of Contents

employment is terminated as a result of his death or disability, all unvested stock options, SARs and RSUs (other than the 2008 RSUs and 2008 SARs) will vest as of the date of such termination. Except as set forth above, all unvested stock options, SARs and RSUs (other than the 2008 RSUs and 2008 SARs) shall be forfeited upon the termination of Mr. Johnson's employment with the Company.

The 2008 SARs are subject to full vesting acceleration upon the occurrence prior to March 27, 2012 of a Change of Control or a termination of Mr. Johnson's employment by the Company without Cause, by Mr. Johnson for Good Reason or as a result of Mr. Johnson's death or disability, in each case, subject to the achievement by the Company prior to such event (or, with respect to a Change of Control, as a result of such event) of an alternate price performance target. For 363,670 of the 2008 SARs, this alternate price performance target will be achieved if the Company's share price exceeds \$55.64 for a period of 30 consecutive trading days. For 396,120 of the 2008 SARs, this alternate price performance target will be achieved if the closing Company's share price exceeds \$60.82 for a period of 30 consecutive trading days.

The 2008 RSUs are subject to full vesting acceleration upon the occurrence of a change in control (as defined in Section 409A of the Code), as well as upon the termination of Mr. Johnson's employment due to his death or disability. The 2008 RSUs are subject to partial vesting upon Mr. Johnson's termination by the Company without Cause or by Mr. Johnson for Good Reason, as follows: (i) the portion of the unvested RSUs that would have become vested on the next vesting date following termination will vest, pro rata, based upon the number of months Mr. Johnson was employed between the last vesting date (or the grant date, as applicable) and the next vesting date; (ii) if the termination date is on or prior to the second anniversary of the grant date, an additional number of unvested RSUs will vest equal to 50% of the then-remaining unvested RSUs (determined after applying clause (i)); (iii) if the termination date is after the second anniversary of the grant date but on or prior to the third anniversary of the grant date, an additional number of unvested RSUs will vest equal to 75% of the then-remaining unvested RSUs (determined after applying clause (i)); and (iv) if the termination date is after the third anniversary of the grant date, all of the unvested RSUs shall vest.

In the event that Mr. Johnson becomes entitled to payments and/or benefits under the Johnson Employment Agreement that are subject to excise tax pursuant to Section 4999 of the Code, the Company shall pay Mr. Johnson additional amounts so as to bear the full burden of that excise tax. In addition, if Mr. Johnson remains employed by the Company for at least four years following the effective date of the Johnson Employment Agreement, following his subsequent termination of employment for any reason other than for Cause, Mr. Johnson and his spouse will be entitled to continued medical benefits under a Company-provided medical plan until they reach age 65.

Brett R. Chapman

Pursuant to the Chapman Employment Agreement, if Mr. Chapman is terminated by the Company without Cause or resigns for Good Reason, he is entitled to be paid a lump sum amount equal to two times his then-current annual salary, currently equal to \$1,100,000, in addition to all other accrued but unpaid entitlements. The Company will also provide Mr. Chapman with outplacement services for up to six months by a provider selected and paid for by the Company in an amount not to exceed \$20,000. In the event that Mr. Chapman is qualified for and elects COBRA coverage under the Company's health plans after a termination without Cause or a resignation for Good Reason, the Company will continue to pay its share of the cost of premiums under such plans until Mr. Chapman is reemployed, or for a period of two years, whichever occurs first. If Mr. Chapman is terminated by the Company without Cause, resigns for Good Reason, or retires, dies, or resigns as a result of a disability, he will be entitled to receive a pro rata bonus payment, at such time bonuses are paid to the Company's other senior executives, based on the number of months worked in the applicable year. As a precondition to the Company's obligation to pay the amounts described above, Mr. Chapman must execute a general release of claims. If the effective date of a termination without Cause or resignation for Good Reason occurs during a trading blackout or quiet period with respect to Common Shares or if the

Company determines, upon the advice of legal counsel, that Mr. Chapman may not trade in Common Shares on the effective date of such termination due to his possession of material non-public information, and in each case the restriction or prohibition continues for a period of at least twenty consecutive calendar days, Mr. Chapman will be paid an additional lump sum amount equal to \$100,000.

Table of Contents

Upon the occurrence of a Change of Control, 50% of all unvested stock options, SARs and RSUs granted to Mr. Chapman shall immediately vest; however, the compensation committee of the Board of Directors may, in its sole discretion, accelerate the vesting of additional stock options, SARs and RSUs upon the occurrence of a Change of Control. Should Mr. Chapman's employment be terminated for any reason other than for Cause or resignation without Good Reason within the 90-day period preceding a Change of Control or at any time after a Change of Control, then all of his unvested stock options, SARs and RSUs shall vest as of the effective date of the termination. Except as set forth in the immediately preceding sentence, should Mr. Chapman's employment be terminated for any reason other than for Cause or resignation without Good Reason and at the time of such termination Mr. Michael O. Johnson is no longer serving as the Company's Chief Executive Officer, then 50% of Mr. Chapman's unvested stock options, SARs and RSUs shall vest immediately prior to such termination. If Mr. Chapman's employment is terminated as a result of his death or disability, all unvested stock options, SARs and RSUs will vest as of the date of such termination. Except as set forth above, all unvested stock options, stock appreciation rights and stock units shall be forfeited upon the termination of Mr. Chapman's employment with the Company.

In the event that Mr. Chapman becomes entitled to payments and/or benefits under the Chapman Employment Agreement that are subject to excise tax pursuant to Section 4999 of the Code, the Company shall pay Mr. Chapman additional amounts so as to bear the full burden of that excise tax.

Richard Goudis

Pursuant to the Goudis Employment Agreement, if Mr. Goudis is terminated by the Company without Cause or resigns for Good Reason, he is entitled to be paid a lump sum amount equal to two times his then-current annual salary, currently equal to \$1,212,750, in addition to all other accrued but unpaid entitlements. The Company will also provide Mr. Goudis with outplacement services for up to six months by a provider selected and paid for by the Company in an amount not to exceed \$20,000. In the event that Mr. Goudis is qualified for and elects COBRA coverage under the Company's health plans after a termination without Cause or a resignation for Good Reason, the Company will continue to pay its share of the cost of premiums under such plans until Mr. Goudis is reemployed, or for a period of two years, whichever occurs first. If Mr. Goudis is terminated by the Company without Cause, resigns for Good Reason, or retires, dies, or resigns as a result of a disability, he will be entitled to receive a pro rata bonus payment, at such time bonuses are paid to the Company's other senior executives, based on the number of months worked in the applicable year. As a precondition to the Company's obligation to pay the amounts described above, Mr. Goudis must execute a general release of claims. If the effective date of such termination without Cause or resignation for Good Reason occurs during a trading blackout or quiet period with respect to Common Shares or if the Company determines, upon the advice of legal counsel, that Mr. Goudis may not trade in Common Shares on the effective date of such termination due to his possession of material non-public information, and in each case the restriction or prohibition continues for a period of at least twenty consecutive calendar days, Mr. Goudis will be paid an additional lump sum amount equal to \$125,000.

Upon the occurrence of a Change of Control, 50% of all unvested stock options, SARs and RSUs granted to Mr. Goudis shall immediately vest; however, the compensation committee of the Board of Directors may, in its sole discretion, accelerate the vesting of additional stock options, SARs and RSUs upon the occurrence of a Change of Control. Should Mr. Goudis's employment be terminated for any reason other than for Cause or resignation without Good Reason within the 90-day period preceding a Change of Control or at any time after a Change of Control, then all of his unvested stock options, SARs and RSUs shall vest as of the effective date of the termination. Except as set forth in the immediately preceding sentence, should Mr. Goudis's employment be terminated for any reason other than for Cause or resignation without Good Reason and at the time of such termination Mr. Michael O. Johnson is no longer serving as the Company's Chief Executive Officer, then 50% of Mr. Goudis's unvested stock options, SARs and RSUs shall vest immediately prior to such termination. If Mr. Goudis's employment is terminated as a result of his death or disability, all unvested stock options, SARs and RSUs will vest as of the date of such termination. Except as

set forth above, all unvested stock options, SARs and RSUs shall be forfeited upon the termination of Mr. Goudis's employment with the Company.

In the event that Mr. Goudis becomes entitled to payments and/or benefits under the Goudis Employment Agreement that are subject to excise tax pursuant to Section 4999 of the Code, the Company shall pay Mr. Goudis additional amounts so as to bear the full burden of that excise tax.

- (2) Payment made if termination occurs during a trading blackout or a quiet period with respect to Common Shares.
- (3) If the parachute payment (including any termination payments and the value of accelerated equity) is greater than three times the average W-2 reported compensation for the executive for the preceding five years, then an excise tax is imposed on the portion of the parachute payment that exceeds one times such average W-2 reported compensation. For purposes of computing the excise tax and gross-up payments, base amount calculations are based on taxable wages for the years 2003 through 2007 and annualized for the year in which the executive commenced employment with the Company (if after 2002). In addition, all executives were assumed to be subject to the maximum federal and state income and other payroll taxes.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has several written policies applicable to the review and approval of related party transactions. Pursuant to the Audit Committee Charter, any related party transaction in which a director has an interest must be reviewed and approved by the audit committee. The Company's Conflicts of Interest Policy requires that all related party transactions involving employees, including executive officers, be reviewed and approved by both the Company's legal and internal audit departments.

Registration Rights Agreement

Michael O. Johnson, our Chairman and Chief Executive Officer, is a party to a registration rights agreement with the Company. If we at any time propose to register any Company securities under the Securities Act of 1933, as amended, or the Securities Act, for sale to the public, in certain circumstances certain holders of Common Shares, including Mr. Johnson, may require us to include their shares in the securities to be covered by the registration statement. Such registration rights are subject to customary limitations specified in the agreement.

Indemnification of Directors and Officers

The Memorandum and Articles of Association provide that, to the fullest extent permitted by the Companies Law (2007 Revision), or the Statute, every director, agent or officer of the Company shall be indemnified out of the assets of the Company against any liability incurred by him as a result of any act or failure to act in carrying out his functions other than such liability (if any) that he may incur by his own willful misconduct. To the fullest extent permitted by the Statute, such director, agent or officer shall not be liable to the Company for any loss or damage in carrying out his functions unless the liability arises through the willful misconduct of such director, agent or officer.

The Company is a Cayman Islands exempted limited liability company. As such, it is governed by the laws of the Cayman Islands with respect to the indemnification provisions. Cayman Islands law does not limit the extent to which a company's articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. The Memorandum and Articles of Association provide for indemnification of officers and directors for losses, damages, costs and expenses incurred in their capacities as such, except in the case of (a) any fraud or dishonesty of such director or officer, (b) such director's or officer's conscious, intentional or willful breach of his obligation to act honestly, lawfully and in good faith with a view to the best interests of the Company or (c) any claims or rights of action to recover any gain, personal profit or other advantage to which the director or officer is not legally entitled.

The Company has entered into an indemnification agreement with each of its directors and certain of its officers to supplement the indemnification protection available under the Memorandum and Articles of Association. These indemnity agreements generally provide that the Company will indemnify the parties thereto to the fullest extent permitted by law.

In addition to the indemnification provisions set forth above, the Company maintains insurance policies that indemnify its directors and officers against various liabilities arising under the Securities Act and the Exchange Act, that might be incurred by any director or officer in his capacity as such.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to managers, officers or persons controlling us pursuant to the foregoing, we have been informed that, in the opinion of the SEC, such

indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

ADDITIONAL INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and persons who beneficially own more than ten percent of a registered class of the Company's equity securities to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of equity securities of the Company.

Table of Contents

Directors, officers and greater-than-ten-percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms filed by them. To the Company's knowledge, based solely on a review of the copies of such filings on file with the Company and written representations from the Company's directors and executive officers, all Section 16(a) filing requirements applicable to the Company's directors, executive officers and greater-than-ten-percent beneficial owners were complied with on a timely basis for fiscal year 2008, except for the following failures of certain reporting persons to file transaction reports on Form 4 as a result of (i) their receipt of dividend equivalent units in 2007 and 2008 and/or the issuance of dividend equivalent units on a net issuance basis (net of applicable withholding tax) with respect to vested and deferred stock unit awards and (ii) the failure of the supervising Company administrator to timely notify said reporting persons of those distributions and their resulting reporting obligations. Specifically:

Each of Messrs. Johnson, Walsh, Chapman, Goudis, Levy, Pezzullo, Zimmer and Rahn and Mdm. Mendizabal failed to timely file a Statement of Changes of Beneficial Ownership of Securities (Form 4) with respect to dividend equivalent units received by each of them in connection with the Company's quarterly cash dividends paid from May 2007 through March 2008 (four transactions and four late reports for each person). Corrective filings were made in June 2008.

Each of Messrs. Johnson, Walsh, Chapman, Goudis, Henig, Pezzullo and Zimmer failed to timely file a Statement of Changes of Beneficial Ownership of Securities (Form 4) with respect to the cancellation of dividend equivalent units paid on their vested but deferred stock unit awards to satisfy applicable withholding tax obligations arising in connection with the Company's quarterly cash dividend in July 2008 (one transaction and one late report for each person). Corrective filings were made in September 2008.

Householding of Proxy Materials.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for certain proxy materials with respect to two or more shareholders sharing the same address by delivering a single set of these proxy materials addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate set of proxy materials, or if you are receiving multiple copies of the proxy materials and wish to receive only one, please notify your broker if your Common Shares are held in a brokerage account or the Company if you hold Common Shares directly. You can notify the Company by sending a written request to Herbalife Ltd., c/o Herbalife International, Inc., Assistant Corporate Secretary, 800 W. Olympic Blvd., Suite 406, Los Angeles, CA 90015, or by calling the Assistant Corporate Secretary at (213) 745-0500. However, please note that if you want to receive a paper proxy or voting instruction form or other proxy materials with respect to the Meeting, you should follow the instructions to request such materials included in the Notice of Internet Availability of Proxy Materials that was sent to you.

Shareholder Nominations

Your attention is drawn to Articles 73 to 76 of the Memorandum and Articles of Association in relation to the requirements applicable to any shareholder who wishes to nominate a person for election as a director.

For such nomination to be properly brought before an annual general meeting by a shareholder, a shareholder notice addressed to the Corporate Secretary must have been delivered to or mailed and received at the registered offices of the Company or such other address as the Corporate Secretary may designate not less than 90 days prior to the date of

the meeting, or not later than the 10th day following the date of the first public announcement of the date of such meeting, whichever is later, nor more than 120 days prior to the date of such meeting.

Table of Contents
