Dear Shareholder,

The directors, management and employees of Rurban Financial Corp. will remember the year 2002 as one of discovery and challenge. Early in the year we became aware of numerous, serious deficiencies in the organization that had not been previously reported to us.

Changes were quickly implemented which resulted in new senior management of the holding company and both lead banks. During the past nine months this group has worked diligently to analyze every part of the organization and began implementing the changes necessary to fix it. To date their work has given us confidence in both their abilities and integrity.

The board's goal, and the charge to our management, is simply to rebuild the best community banking organization possible and to do that from the foundation up. Once this process is completed we believe the result will be positive growth of the investment of all shareholders, including ourselves.

This rebuilding effort will be in our primary market areas of Defiance, Paulding and Fulton Counties. It is important to note that in 2002 RDSI continued its solid and consistent earnings performance and we are confident that it will continue as an outstanding growth company for Rurban.

The Rurban Board takes our responsibilities as your representatives seriously and was sickened as we discovered the depth of the loan problems that surfaced in 2002. That said, we have restructured everything from our board committees to our internal loan review processes as we work toward rebuilding the company.

We appreciate every opportunity to communicate with you. Your comments and suggestions are always appreciated and we are eager to listen. Please feel free to provide feedback on our progress by emailing us at rfcinv@rurban.net.

We look forward to talking with you at the Rurban Annual Shareholders meeting on

PROXY STATEMENT

This Proxy Statement and the accompanying proxy are being mailed to shareholders of Rurban Financial Corp., an Ohio corporation (the "Company"), on or about March 24, 2003, in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") called to be held on Monday, April 28, 2003, or at any adjournment(s) thereof. The Annual Meeting will be held at 10:00 a.m., local time, at the Knights of Columbus Hall ("K of C Hall"), 111 Elliott Lane, Defiance, Ohio.

The Company's wholly-owned subsidiaries include: (1) The State Bank and Trust Company, Defiance, Ohio ("State Bank"); (2) RFC Banking Company ("RFCBC"), which is comprised of the following banking divisions: The Peoples Banking Company, Findlay, Ohio ("Peoples Bank"), The First Bank of Ottawa, Ottawa, Ohio ("Ottawa") and The Citizens Savings Bank Company, Pemberville, Ohio ("Citizens"); (3) Rurbanc Data Services, Inc., Defiance, Ohio ("RDSI"); and (4) Rurban Life Insurance Company, Defiance, Ohio ("Rurban Life"). State Bank has two-wholly owned subsidiaries, Reliance Financial Services, N.A. ("RFS"), a nationally-chartered trust and financial services company and Rurban Mortgage Company ("RMC"), an Ohio corporation and mortgage company with its principle offices located in Defiance, Ohio. The Company has entered into written agreements providing for the sale of the three divisions that make up RFCBC headquartered in Findlay. The sale of these divisions is subject to regulatory approval and other customary conditions to closing.

A proxy for use at the Annual Meeting accompanies this Proxy Statement and is solicited by the Board of Directors of the Company. A shareholder of the Company may use his proxy if he is unable to attend the Annual Meeting in person or wishes to have his common shares voted by proxy even if he does attend the Annual Meeting. Without affecting any vote previously taken, any shareholder executing a proxy may revoke it at any time before it is voted by (1) filing with the Secretary of the Company, at the address of the Company set forth on the cover page of this Proxy Statement, written notice of such revocation; (2) executing a later-dated proxy which is received by the Company prior to the Annual Meeting; or (3) attending the Annual Meeting and giving notice of such revocation in person. Attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy.

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

Only shareholders of the Company of record at the close of business on March 3, 2003 (the "Record Date") are entitled to receive notice of, and to vote at, the Annual Meeting and any adjournment(s) thereof. At the close of business on the Record Date, 4,565,721 common shares were outstanding and entitled to vote. Each common share of the Company entitles the holder thereof to one vote on each matter to be submitted to shareholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding common shares.

The Company's common shares are listed on the NASDAQ National Market. Common shares represented by signed proxies that are returned to the Company will be counted toward the quorum in all matters even though they are marked "Abstain," "Against" or "Withhold Authority" on one or more or all matters or they are not marked at all. Broker/dealers who hold their customers' common shares in street name may, under the applicable rules of the self-regulatory organizations of which the broker/dealers are members, sign and submit proxies for such common shares and may vote such common shares on routine matters, which, under such rules, typically include the election of directors, but broker/dealers may not vote such common shares on other matters, which typically include amendments to the articles of incorporation of a corporation and the approval of certain stock compensation plans, without specific instructions from the customer who owns such common shares. Proxies signed and submitted by

1

broker/dealers which have not been voted on certain matters as described in the previous sentence are referred to as broker non-votes. Such proxies count toward the establishment of a quorum.

The Company will bear the costs of preparing and mailing this Proxy Statement, the accompanying proxy and any other related materials and all other costs incurred in connection with the solicitation of proxies on behalf of the Board of Directors. Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokerage houses, voting trustees, banks, associations and other custodians, nominees and fiduciaries, who are record holders of common shares not beneficially owned by them, for forwarding such materials to and obtaining proxies from the beneficial owners of such common shares.

The Annual Report to the Shareholders of the Company for the fiscal year ended December 31, 2002 (the "2002 fiscal year") is enclosed herewith.

GENERAL

In accordance with the written Audit Committee Charter adopted by the Company's Board of Directors, the Audit Committee assists the board in fulfilling their responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Each member of the Audit Committee qualifies as independent under applicable Securities and Exchange Commission and Nasdaq regulations. The Board of Directors of the Company adopted the charter of the Audit Committee in April 1999 and amended the Audit Committee Charter to its current form on May 14, 2002. The Audit Committee Charter is included at the end of the proxy statement as APPENDIX A.

CHANGE OF INDEPENDENT AUDITOR

On September 24, 2002, the Company announced that it had retained BKD, LLP ("BKD") as its principal accountants (independent auditors) effective November 15, 2002. BKD replaced Crowe, Chizek and Company LLP ("Crowe") which had served as the company's independent auditor since 1988. The Company filed a Form 8-K with the Securities and Exchange Commission disclosing the change as required by federal securities law.

The decision was not the result of any disagreement between Rurban and Crowe on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. The change in independent auditors was recommended by Rurban's Audit Committee and approved by the Board of Directors on September 18, 2002. BKD was selected based on the results of an extensive proposal and interview process to evaluate several well qualified accounting firms.

The Company also retained the services of Plante & Moran, LLP to perform an independent loan review. Plante & Moran was selected by the Audit Committee and approved by the Board of Directors based on the results of a similar search process which involved the review of proposals and interviews of several well-qualified firms.

REVIEW AND DISCUSSION WITH INDEPENDENT ACCOUNTANTS AND AUDITORS

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from BKD, a formal written statement describing all relationships between the Company and BKD that might bear on BKD's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with BKD any relationships or services that may impact the objectivity and independence of BKD and satisfied itself as to BKD's independence. The Audit Committee also discussed with management and BKD the adequacy and effectiveness of the Company's internal accounting and financial controls. In addition, the Audit Committee discussed and reviewed with BKD all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and, with and without management present, discussed and reviewed the results of BKD's examination of the financial statements.

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

REVIEW WITH MANAGEMENT

The Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2002 with management. Management has the responsibility for the preparation of the Company's consolidated financial statements and BKD has the responsibility for the audit of those statements.

AUDIT FEES

The aggregate fees billed for professional services rendered by BKD for the audit of the Company's annual consolidated financial statements for the 2002 fiscal year and the reviews of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the 2002 fiscal year (collectively, the "Audit Services") were \$88,500.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

BKD did not render any of the professional services described in Paragraph (c) (4) (ii) of Rule 2-01 of Regulation S-X (17 VFR 210.2-01(c) (4) (ii)) (the "Financial Information Systems Design and Implementation Services") during the 2002 fiscal year for the Company or its subsidiaries.

ALL OTHER FEES

The aggregate fees billed for services rendered by BKD, other than Audit Services and Financial Information Systems Design and Implementation Services, for the 2002 fiscal year (the "Other Services") were \$9,865.

CONCLUSION

Based on the reviews and discussions with management and BKD noted above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 to be filed with the SEC and the Board approved such recommendation. The Audit Committee also determined that the provision of the Other Services was compatible with maintaining BKD's independence.

links compensation to financial performance, rewards above-average corporate performance and recognizes individual contributions and achievements. There are two components of the annual cash compensation program for the executive officers of the Company: (1) a base salary component; and (2) an incentive bonus component payable under the Rurban Financial Corp.

9

Incentive Compensation Plan (the "Company Bonus Plan") which directly links the bonus to be paid to the financial performance of the Company.

During 2001 and 2002, the Compensation Committee utilized the services of L.R. Webber Associates, Inc. ("Webber"), a regionally recognized independent compensation consulting company, to review and to make recommendations regarding the competitiveness and effectiveness of the Company's executive compensation program. As part of that review, Webber was requested to review executive compensation programs of banking organizations that shared one or more common traits with the Company (such as asset size and geographic location). The information and recommendations of Webber have been utilized by the Compensation Committee and the Board of Directors.

SALARIES

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, experience and an analysis of how the Company's compensation of its employees compares to compensation of individuals holding comparable positions with bank holding companies of similar asset size and complexity of operations. In addition, prior to him being appointed President and Chief Executive Officer of the Company, the determination of the base salary of Mr. Joyce also took into account the compensation of individuals holding comparable positions with bank data processing companies. Peer group compensation was the primary factor in setting of the salary of the executive officers of the Company.

The salary paid to Mr. Joyce for services rendered in his capacities as President and Chief Executive Officer of the Company and to Mr. Burrows for services rendered in his capacities as Interim President and Chief Executive Officer during the 2002 fiscal year was approved by the Compensation Committee. Mr. Joyce was appointed President and Chief Executive Officer of the Company on August 2, 2002. Mr. Burrows was appointed Interim President & Chief Executive Officer of the Company on April 25, 2002.

The salary paid to Mr. Constien for services rendered in his capacities as President and Chief Executive Officer of State Bank during the 2002 fiscal year represented no increase over salaries paid with respect to the 2001 fiscal year.

The salary paid to Mr. Warrenner for services rendered in his capacities as Executive Vice President and Chief Financial Officer of the Company during the 2002 fiscal year represented no increase over the salary paid to Mr. Warrenner with respect to the 2001 fiscal year.

The salary paid to Mr. Williams for services rendered in his capacities as President and Chief Executive Officer of the Company during the 2002 fiscal year was determined by a special committee and approved by the Compensation Committee.

INCENTIVE COMPENSATION

In 1999, the Rurban Financial Corp. 1999 Incentive Compensation Plan (the "1999 Incentive Compensation Plan") was implemented, linking executive officers' incentive compensation directly to the Company's return on equity. This plan is designed to better match incentive compensation to shareholder value. It is the Compensation Committee's philosophy, over time, to increase the "at-risk" portion of executive officer total compensation by directly linking a greater percentage of executive officers' total compensation to the Company's return on equity and thereby to shareholder value.

Under the 1999 Incentive Compensation Plan, the year-end bonus was determined under a sliding scale based on the Company's return on equity ("ROE"). The determination of the amounts of bonuses

10

to be paid and the payment of such bonuses is made during the first quarter of the following fiscal year. Under this bonus plan, Mr. Joyce, Mr. Burrows, Mr. Constien, Mr. Warrenner and Mr. Williams received no bonuses under the Company Bonus Plan with respect to the 2002 fiscal year as a result of the Company's financial performance.

Other employees of the Company and subsidiaries are eligible to receive bonuses under the Company Incentive Compensation Plan.

STOCK OPTION PLAN

On March 12, 1997, the Board of Directors of the Company adopted, the Rurban Financial Corp. Stock Option Plan (the "Stock Option Plan") for directors and officers of the Company and its subsidiaries (the "Key Employees"). The Stock Option Plan was approved by the Company's shareholders at the April 28, 1997 Annual Meeting. The Stock Option Plan authorizes the granting of (i) incentive stock options ("ISOs") as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) non-qualified stock options ("NQSOS") and (iii) stock appreciation rights ("SARs") (ISOs and NQSOS are sometimes referred to collectively herein as "Options"). The purpose of the Stock Option Plan is to encourage Key Employees to acquire or increase and retain a financial interest in the Company, to remain in the service of the Company, and to put forth maximum efforts for the success of the Company, and to enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join the service of the Company and its subsidiaries. The Stock Option Plan also provides an incentive to Key Employees of the Company and its subsidiaries to put forth a maximum effort to increase the value of the Company's common shares, because, under the Stock Option Plan, the exercise price of the Options cannot be less than the fair market value of the common shares on the date the Options are granted.

Options for approximately 3,500 of the Company's common shares were granted to newly appointed directors, officers and employees of the Company and/or its subsidiaries during 2002; however, none of the executive officers listed in the Summary Compensation Table of this proxy statement nor the Company's directors were issued options during the 2002 fiscal year.

ADDITIONAL COMPENSATION PLANS

Edgar Filing: RURBAN FINANCIAL CORP - Form DEF 14A

To enhance the long-term commitment of the officers and employees of the Company and its subsidiaries, the Company adopted the Employee Stock Ownership Plan ("ESOP") in 1985, and The Rurban Financial Corp. Savings Plan and Trust (the "Savings Plan") in 1988. Mr. Joyce, Mr. Constien, Mr. Warrener, and Mr. Williams as well as all officers and employees of the Company and its subsidiaries who met applicable eligibility criteria, participated in the ESOP and the Savings Plan during 2002.

Each year, the Company and each of its subsidiaries may contribute an amount in cash and/or common shares of the Company to the ESOP. Pro rata allocations of amounts contributed by the Company or one of its subsidiaries are made to the accounts of the participants in the ESOP. The Company and its subsidiaries contributed an aggregate amount of \$503,000 to the ESOP with respect to the 2002 fiscal year. As of the date of this Proxy Statement, no determination has been made as to the amount to be allocated to the account of Mr. Joyce, Mr. Constien and Mr. Warrener under the ESOP with respect to the 2002 fiscal year. Mr. Williams will not receive an allocation with respect to the 2002 fiscal year.

Three types of contributions are contemplated under the Savings Plan: (1) pre-tax elective deferral contributions by each participant in the Savings Plan of a percentage of his or her annual compensation; (2) matching contributions made by the Company or the corporation employing the Savings Plan participant in cash in an amount determined by the Board of Directors of the Company; and

11

(3) qualified rollover contributions by a Savings Plan participant from other qualified plans. The Board of Directors of the Company determined that for 2002, the amount of the matching contributions to be made on behalf of each participant in the Savings Plan would be 50% of the amount of such participant's pre-tax elective deferral contributions, but only upon that portion of his or her pre-tax elective deferral contributions which did not exceed 6% of his or her annual compensation. Matching contributions in the amount of \$3,000, \$4,976, \$4,373 and \$2,810 were made on behalf of Mr. Joyce, Mr. Constien, Mr. Warrener and Mr. Williams, respectively, to match their respective 2002 pre-tax elective deferral contributions made to the Savings Plan.

SALARY CONTINUATION AGREEMENTS

The Company has entered into Executive Salary Continuation Agreements (the "Agreements") with Kenneth A. Joyce, President and Chief Executive Officer on December 3, 2001, Robert W. Constien, Senior Executive Vice President of the Company, President and Chief Executive Office of State Bank and Chief Executive Officer of RFS on December 21, 2000 and Richard C. Warrener, the Executive Vice President and Chief Financial Officer, on February 25, 1998. Under the Agreements, if the executive officer remains in the continuous employment of the Company until the first December 31st after his 65th birthday (unless by action of the Board of Directors of the Company, his period of active employment with the Company for purposes of the Agreement is shortened or extended), he is to retire as of that date. Upon such retirement, such executive officer (and, upon his death, his designated beneficiary) will be entitled to receive an annual benefit equal to 15% of his annual base salary as in effect immediately prior to his retirement in equal monthly installments (of 1/12th of the annual benefit) for a period of 180 months. If the executive officer dies while actively employed by the Company prior to his retirement, the Company will pay an annual benefit equal to 15% of his annual base salary as in effect immediately prior to his death in equal monthly installments (of 1/12th of the annual benefit) for a period of 180 months to his designated beneficiary. In the event that the executive

If the Company discharges the executive officer for cause, no compensation will be payable to him under the terms of the Agreement. The executive officer will not receive any benefits under the Agreement if he engages in any activity that directly or indirectly competes with the Company's interest, within 25 miles of any office of the Company and its subsidiaries existing at the time of his retirement or termination of employment. The payment of the benefits contemplated by the Agreement will be accelerated if, after such executive officer's retirement, the leverage capital ratio and/or the risk-based capital ratio of the Company fall below the minimum ratios established by the Company's regulatory authority for well-capitalized bank holding companies and/or the Company fails to have net income in any two successive fiscal years.
