PROXY STATEMENT/PROSPECTUS

**3502 Woodview Trace, Suite 210
Indianapolis, Indiana 46268**

Dear Shareholders:

I am pleased to invite you to a special meeting of shareholders of Windrose Medical Properties Trust, or Windrose, to be held on December 14, 2006, at 3:00 p.m., local time, at the Holiday Inn, 3850 DePauw Boulevard, Indianapolis, Indiana 46268. At the special meeting, holders of Windrose common shares will be asked to consider and vote on the proposed merger of Windrose with and into Heat Merger Sub, LLC, which is a wholly-owned subsidiary of Health Care REIT, Inc., or Health Care REIT.

If the merger is completed, Windrose will become a wholly-owned subsidiary of Health Care REIT and Windrose common shares will no longer be publicly traded. Upon completion of the merger, you will receive, for each Windrose common share that you own, at least 0.4509 but not more than 0.4650 of a newly-issued share of Health Care REIT common stock, depending on the average volume weighted average price per share of Health Care REIT common stock on the New York Stock Exchange for 10 trading days, selected by lot, from the 15 trading day period ending on and including the fifth trading day prior to date that the merger is completed. The formula for determining the appropriate fraction of a share of Health Care REIT common stock to be issued in exchange for each Windrose common share is set forth in detail in the Agreement and Plan of Merger between Health Care REIT and Windrose as described in the accompanying proxy statement/prospectus. The exchange ratio may not be determined until after the date of the special meeting. Therefore, at the time of the special meeting, you may not know the precise number of shares of Health Care REIT common stock that you will receive on the date the merger is completed.

Depending on the exchange ratio, Health Care REIT will issue a minimum of approximately 9.7 million and a maximum of approximately 10.0 million shares of common stock based on the number of Windrose common shares and Windrose OP units outstanding as of November 8, 2006, the record date of the special meeting. Therefore, immediately after completion of the merger, former Windrose shareholders will own a minimum of approximately 13.3% and a maximum of approximately 13.6% of Health Care REIT's common stock based on the number of Windrose common shares, Windrose OP units and shares of Health Care REIT common stock outstanding as of November 8, 2006, the record date of the special meeting.

Health Care REIT common stock trades on the New York Stock Exchange under the symbol HCN. Windrose common shares trade on the New York Stock Exchange under the symbol WRS. We urge you to obtain current market quotations for Health Care REIT common stock and Windrose common shares prior to voting on the merger proposal.

Windrose's board of trustees has determined unanimously that the merger is advisable on the terms set forth in the merger agreement and approved unanimously the merger agreement. **Accordingly, Windrose's board of trustees recommends that you vote FOR the merger.**

We cannot complete the merger unless holders of a majority of the outstanding Windrose common shares vote to approve the merger. Whether or not you plan to be present at the special meeting, you may submit your proxy in the following three ways: (i) you may sign and return your proxy as soon as possible in the enclosed self-addressed

envelope so that your shares will be voted; (ii) you may submit your proxy through the Internet; or (iii) you may submit your proxy by telephone.

Details for submitting your proxy through each of the above methods are outlined in the enclosed proxy card. Your vote is very important. If you do not submit your proxy or vote at the meeting, it will have the same effect as voting against the merger.

We encourage you to read the accompanying proxy statement/prospectus carefully because it explains the proposed merger, the documents related to the merger and other related matters and provides information relating to Health Care REIT and Windrose. **In particular, please see the section titled Risk Factors beginning on page 14 of this proxy statement/prospectus.** You can also obtain other information about Health Care REIT and Windrose from documents each party has filed with the Securities and Exchange Commission that are incorporated by reference into this proxy statement/prospectus.

Sincerely,

Fred S. Klipsch
Chairman and Chief Executive Officer

Only holders of Windrose common shares as of the record date will be entitled to vote at the special meeting. Such shareholders are entitled to one vote per Windrose common share held on the record date. **If you hold your shares in street name through a broker or other nominee and you want your vote counted, you must instruct your broker or nominee to vote.**

Windrose's board of trustees has determined unanimously that the merger is advisable subject to the terms and on the conditions set forth in the merger agreement and approved unanimously the merger agreement. **Accordingly, Windrose's board of trustees unanimously recommends that you vote FOR the merger.** Approval of the merger will require the affirmative vote of the holders of a majority of the Windrose common shares outstanding on the record date.

It is important that you complete, sign, date and promptly return the accompanying proxy card in the enclosed self-addressed envelope, or submit a proxy by telephone or through the Internet by following the instructions included with the accompanying proxy card, whether or not you plan to attend the special meeting in person. If you do attend the special meeting and wish to vote in person, you may withdraw your proxy at that time. **Please do not send share certificates with your proxy card.**

This notice and the attached proxy statement/prospectus are expected to be first mailed to Windrose shareholders on or about November 13, 2006.

By Order of Windrose's Board of Trustees,

Daniel R. Loftus

QUESTIONS AND ANSWERS

What am I being asked to vote on?

Windrose shareholders are being asked to vote to approve the merger of Windrose with and into Heat Merger Sub, with Heat Merger Sub continuing as the surviving entity. We refer to this transaction as the merger. The merger will be carried out as provided in the merger agreement, as amended. A copy of the merger agreement is attached as *Appendix A* to this proxy statement/prospectus and a copy of the amendment is attached as *Appendix B* to this proxy statement/prospectus. We refer to the merger agreement and the amendment collectively as the merger agreement.

The merger agreement also provides for the merger of Heat OP Merger Sub with and into Windrose OP, with Windrose OP continuing as the surviving partnership. We refer to this transaction as the operating partnership merger and we refer to the operating partnership merger and the merger collectively as the mergers. Holders of Windrose OP units are not being asked to vote to approve the operating partnership merger. Under applicable law and the First Amended and Restated Agreement of Limited Partnership of Windrose OP (which we refer to in this proxy statement/prospectus as the Windrose OP partnership agreement), Windrose, as the sole general partner of Windrose OP, can effect the operating partnership merger without the consent of the limited partners of Windrose OP.

Holdings of Windrose preferred shares are entitled to notice of the special meeting of Windrose shareholders under Maryland law but are not being asked to vote on the mergers at the special meeting.

What will I receive for my Windrose common shares in the proposed transaction?

If the merger is completed, holders of Windrose common shares issued and outstanding immediately prior to the effective time of the merger (other than shares owned by Windrose and Health Care REIT or any of their respective subsidiaries) will receive for each Windrose common share held by such holder a fraction of a share of Health Care REIT common stock equal to the quotient determined by dividing \$18.06 by the average of the volume weighted average price per share of Health Care REIT's common stock on the New York Stock Exchange for 10 trading days, selected by lot, from the 15 trading day period ending on and including the fifth trading day prior to closing (which we refer to in this proxy statement/prospectus as the exchange ratio), provided that the exchange ratio will not be more than 0.4650 or less than 0.4509. The exchange ratio may not be determined until after the date of the special meeting. Therefore, at the time of the special meeting, you may not know the precise number of shares of Health Care REIT common stock that you will receive on the date the merger is completed.

Depending on the exchange ratio, Health Care REIT will issue a minimum of approximately 9.7 million and a maximum of approximately 10.0 million shares of common stock based on the number of Windrose common shares and Windrose OP units outstanding as of November 8, 2006, the record date of the special meeting. Therefore, immediately after completion of the merger, former Windrose shareholders will own a minimum of approximately 13.3% and a maximum of approximately 13.6% of Health Care REIT's common stock based on the number of Windrose common shares, Windrose OP units and shares of Health Care REIT common stock outstanding as of November 8, 2006, the record date of the special meeting.

You will not receive any fractional shares of Health Care REIT common stock in the mergers. Instead, you will be paid cash (without interest) in lieu of the fractional share to which you would otherwise be entitled as described under *The Merger Agreement – Conversion of Windrose Common Shares, Preferred Shares and OP Units – No Fractional Shares*. You will not be entitled to dividends, voting rights or any other rights in respect of any fractional share.

Table of Contents

Will the shares of Health Care REIT common stock and Health Care REIT preferred stock issued in the mergers be listed for trading on the New York Stock Exchange?

Yes. At the effective times of the mergers, the shares of Health Care REIT common stock and Health Care REIT preferred stock to be issued in the mergers and the shares reserved for issuance upon exercise of converted options will be listed, upon official notice of issuance, on the New York Stock Exchange under the symbol HCN and HCNPrG , respectively.

What are the conditions to the mergers?

The merger agreement contains a number of conditions to the completion of the mergers, including, among others, the approval of the merger by Windrose s shareholders, the non-occurrence of a material adverse change with respect to Health Care REIT or Windrose, the receipt of certain third party consents to the mergers, the receipt of opinions of tax counsel to Health Care REIT and Windrose with respect to the treatment of the merger as a reorganization for federal income tax purposes, the receipt of opinions of tax counsel to Health Care REIT and Windrose with respect to Health Care REIT s and Windrose s qualification as real estate investment trusts for federal income tax purposes, and other conditions. A description of the conditions to the completion of the mergers appears under The Merger Agreement Conditions to the Mergers. Completion of the mergers does not require the approval of Health Care REIT s stockholders or the holders of Windrose preferred shares or Windrose OP units.

When is the merger expected to occur?

Health Care REIT and Windrose expect that the merger will be completed as soon as reasonably practicable after the special meeting of Windrose shareholders, assuming Windrose shareholders approve the merger. The completion of the merger could be delayed due to certain factors beyond the control of Health Care REIT and Windrose, including the receipt of necessary third party consents to the mergers.

What does Windrose s board of trustees recommend?

Windrose s board of trustees unanimously adopted a resolution approving the merger agreement and declaring the merger advisable on the terms set forth in the merger agreement. Accordingly, Windrose s board of trustees unanimously recommends that you vote FOR the merger proposal.

What vote is required to approve the merger?

It is a condition to the completion of the merger that Windrose s shareholders approve the merger by the required vote. The affirmative vote of holders of a majority of the Windrose common shares outstanding and entitled to vote at the special meeting is required to approve the proposed merger. Accordingly, your vote is important. If you fail to instruct your broker or bank to vote your shares held in street name, or if you abstain from voting, your action will have the same effect as a vote against the proposed merger.

Will Health Care REIT and Windrose coordinate the declaration and payment of dividends on shares of Health Care REIT common stock and Windrose common shares prior to the completion of the merger?

Yes. In the merger agreement, Health Care REIT and Windrose have agreed to coordinate the declaration and payment of dividends on Health Care REIT common stock and Windrose common shares as described under The Merger Agreement Covenants and Agreements Dividends.

Table of Contents

Will Windrose declare and pay a special dividend to holders of Windrose preferred shares for the quarter in which the merger is completed prior to the completion of the merger?

Yes. In the merger agreement, Windrose has agreed to declare and pay a special dividend on Windrose preferred shares for the quarter in which the merger is completed as described under The Merger Agreement Covenants and Agreements Dividends.

What happens if I sell my Windrose common shares before the special meeting?

The record date for the special meeting, November 8, 2006, is earlier than the date of the special meeting. If you held your Windrose common shares on the record date but transfer them prior to the effective time of the merger, you will retain your right to vote at the special meeting but not the right to receive the merger consideration for the Windrose common shares. The right to receive such consideration will pass to the person who owns your Windrose common shares when the merger becomes effective.

Can I convert my Windrose preferred shares and Windrose OP units prior to completion of the mergers?

Yes. Pursuant to the Windrose articles supplementary, which set forth the terms of the Windrose preferred shares, each Windrose preferred share is convertible, in whole or in part, at any time at the option of the holder at a conversion price of \$15.75 per common share, into 1.5873 Windrose common shares. Holders of Windrose OP units can redeem their Windrose OP units, in whole or in part, at any time for cash or Windrose common shares, in the sole discretion of Windrose, as the sole general partner of Windrose OP, subject to the terms and conditions set forth in the Windrose OP partnership agreement.

How do I convert my Windrose preferred shares prior to completion of the mergers?

In accordance with the Windrose articles supplementary, conversion of the Windrose preferred shares or a specified portion thereof may be effected by delivering (i) written notice of conversion, and (ii) certificates evidencing such shares with a proper assignment of such certificate to Windrose or in blank to the principal corporate trust office of Continental Stock Transfer & Trust Company, the transfer agent and registrar for the Windrose preferred shares. Holders of Windrose preferred shares can contact Continental Stock Transfer & Trust Company or Windrose by mail or phone by using the following contact information:

What will happen to my Windrose common shares after the merger?

Upon completion of the merger, each Windrose common share will be converted into a fraction of a share of Health Care REIT common stock equal to the exchange ratio. The conversion of your Windrose common shares into Health Care REIT common stock in the merger will result in differences between your rights as a

Table of Contents

Windrose shareholder and your rights as a Health Care REIT stockholder as described under Comparison of the Rights of Holders of Windrose Common Shares and Health Care REIT Common Stock.

What will happen to my Windrose preferred shares after the merger?

Upon completion of the merger, each Windrose preferred share will be converted into a share of a new series of Health Care REIT convertible preferred stock having substantially similar rights and preferences (which we refer to in this proxy statement/prospectus as the Health Care REIT preferred stock). The terms of the Health Care REIT preferred stock are more fully described under Capitalization and Description of Health Care REIT Securities Description of Health Care REIT Preferred Stock.

What will happen to Windrose OP units after the operating partnership merger?

Upon completion of the operating partnership merger, each Windrose OP unit will be converted into a fraction of a share of Health Care REIT common stock equal to the exchange ratio.

If the mergers are completed, when can I expect to receive the merger consideration for my Windrose common shares, Windrose preferred shares and Windrose OP units?

Health Care REIT expects that the exchange agent will distribute a letter of transmittal to you promptly after the effective time of the mergers. In order to receive the merger consideration, you will need to properly complete and return to the exchange agent such letter of transmittal and accompanying materials. See The Merger Agreement Exchange of Certificates; No Further Rights; Dividends; Lost, Stolen or Destroyed Certificates Exchange of Certificates.

What do I need to do now?

After carefully reviewing this document, if you held Windrose common shares as of the record date, indicate on the enclosed proxy card how you want to vote and sign and mail the completed proxy card in the enclosed return envelope or submit your proxy by telephone or via the Internet as soon as possible so that your shares will be represented at the special meeting. If you sign and send in your proxy and do not indicate how you want to vote, your proxy will be voted in the manner that Windrose's board of trustees recommends.

How do I authorize a proxy to vote by telephone or via the Internet?

If your common shares are held in the name of a broker, bank or other nominee (*i.e.*, in street name), you will receive instructions on voting your common shares from that nominee. A number of brokers and banks participate in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. Telephone and Internet voting procedures are designed to authenticate your identity, allow you to authorize a proxy to vote and confirm that your vote was properly recorded. The giving of a proxy by telephone or via the Internet will not affect your right to vote in person if you decide to attend the special meeting and you hold your shares in your own name. If you authorize a proxy to vote by Internet, you may incur costs, such as usage charges from your Internet access provider or telephone company (*e.g.*, online fees). Please do not return the enclosed proxy card if you are authorizing a proxy to vote by telephone or via the Internet.

Table of Contents

If my broker holds my Windrose common shares in street name, will my broker vote my shares for me?

No. Your broker will not be able to vote your Windrose common shares unless you follow the directions your broker or bank provides to you regarding how to vote your Windrose common shares on the proposed merger.

Can I change my vote after I have submitted my proxy by mail, telephone or via the Internet?

Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this by:

 sending a signed written notice to Windrose stating that you would like to revoke your proxy;

 completing and submitting a new proxy card with a later date;

 submitting a new proxy by telephone or via the Internet; or

 attending the special meeting and voting in person.

You may obtain an additional proxy card by writing Windrose Medical Properties Trust, 3502 Woodview Trace, Suite 210, Indianapolis, Indiana 46268, Attention: Secretary.

If the common shares that you own are held on your behalf by a broker, bank or other nominee, you must contact the nominee to receive instructions as to how you may revoke your proxy.

Should I send in my Windrose share certificates with my proxy card?

No. Please DO NOT send your Windrose share certificates with your proxy card. Rather, if the merger is approved, you will be asked to send your Windrose share certificates to the exchange agent, together with a completed, signed letter of transmittal and any accompanying materials that will be provided to you prior to completion of the merger, or, if your Windrose common shares are held in street name, according to your broker's instructions.

What rights do I have if I oppose the merger?

You can vote against the merger by indicating a vote against the proposal on your proxy card and signing and mailing your proxy or by submitting your proxy by telephone or via the Internet in accordance with the instructions provided, or by voting against the merger in person at the special meeting. Pursuant to Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland (which we refer to in this proxy statement/prospectus as the Maryland REIT Law), you are not entitled to dissenters' or appraisal rights with respect to the merger.

What are the tax consequences to me of the proposed mergers?

Health Care REIT and Windrose intend that the merger will qualify as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (which we refer to in this proxy statement/prospectus as the Code). If the merger so qualifies, then for U.S. federal income tax purposes, (i) holders of Windrose common shares will not recognize any gain or loss upon the exchange of their Windrose common shares for Health Care REIT common stock in the merger (except with respect to cash received instead of a fractional share of Health Care REIT common stock), and (ii) holders of Windrose preferred shares will not recognize any gain or loss upon the exchange of their Windrose preferred shares for Health Care REIT preferred stock in the merger.

Table of Contents

The exchange of Windrose OP units for Health Care REIT common stock pursuant to the operating partnership merger will be treated as a taxable sale for federal income tax purposes, with the holders of Windrose OP units recognizing gain or loss, as the case may be. The determination of the gain or loss recognized by a holder of Windrose OP units will be based on the difference between the value of the Health Care REIT common stock and cash received (plus an allocable share of Windrose OP's liabilities) and the holder's tax basis in the Windrose OP units exchanged.

The tax consequences of the mergers in any case will depend on your particular situation. For a summary of the U.S. federal income tax consequences of the mergers to the holders of Windrose common shares, Windrose preferred shares and holders of Windrose OP units, please see Summary Material U.S. Federal Income Tax Considerations of the Mergers. You should consult your tax adviser for a fuller understanding of the tax consequences of the mergers to you.

Who will solicit and pay the cost of soliciting proxies?

Windrose has retained Morrow & Co., Inc. to act as its proxy solicitor to solicit proxies approving the merger proposal from each of its shareholders on or about the date of mailing of this proxy statement/prospectus. In addition to solicitations by mail, Windrose's or Health Care REIT's respective trustees or directors, officers and employees, and those of its subsidiaries and affiliates, may solicit proxies from shareholders by telephone or other electronic means or in person. Windrose also will request that banking institutions, brokerage firms, custodians, trustees, nominees, fiduciaries and other like parties forward the solicitation materials to the beneficial owners of Windrose common shares. Windrose generally will bear the cost of the solicitation of proxies from its shareholders. See The Special Meeting Solicitation of Proxies; Solicitation Expenses.

SUMMARY

*This summary highlights selected information from this proxy statement/prospectus. It does not contain all of the information that may be important to you. The Companies

Health Care REIT, Inc.

One SeaGate, Suite 1500
Toledo, Ohio 43604
(419) 247-2800

Health Care REIT is a self-administered, equity real estate investment trust, or REIT, that invests in health care and senior housing facilities. Founded in 1970, Health Care REIT was the first real estate investment trust to invest exclusively in health care facilities.

As of September 30, 2006, Health Care REIT had \$3.1 billion of net real estate investments, inclusive of credit enhancements, in 477 facilities located in 37 states and managed by 58 different operators. At that date, the portfolio included 39 independent living/continuing care retirement communities, 204 assisted living facilities, 220 skilled nursing facilities and 14 specialty care facilities.

Health Care REIT seeks to increase funds from operations and funds available for distribution and to enhance stockholder value through relationship investing with public and private regionally focused operators. The primary components of this strategy are set forth below.

Relationship Investing. Health Care REIT establishes relationships with, and provides financing to, operators throughout their growth cycles. Health Care REIT targets companies with experienced management teams, regionally focused operations, substantial inside ownership interests or venture capital backing and significant growth potential.

By maintaining close ties to operators, Health Care REIT is able to structure investments designed to support an operator's business plan and monitor Health Care REIT's investments on an ongoing basis. Health Care REIT's investments are typically structured as master operating leases for the acquisition and development of facilities in a geographic region. Economic terms typically include annual rate increasers and fair market value-based purchase options.

Portfolio Management. Portfolio strength is derived from diversity by operator, property sector and geographic location. Health Care REIT emphasizes long-term investment structures that result in a predictable asset base with attendant recurring income, funds from operations and funds available for distribution. Generally, master leases have a 12 to 15 year term and mortgage loans provide three to eight years of prepayment protection. Health Care REIT also regularly monitors the portfolio with its proprietary database system.

Depth of Management. Health Care REIT's management team is comprised of eight individuals who have an aggregate of approximately 158 years of experience in health care and real estate finance. The management team has successfully implemented Health Care REIT's investment strategy of emphasizing relationship financings with strong, emerging operators.

The Special Meeting

(Page 22)

Date, Time and Place; Purpose of the Special Meeting

A special meeting of Windrose shareholders will be held at the Holiday Inn, 3850 DePauw Boulevard, Indianapolis, Indiana 46268, on December 14, 2006 at 3:00 p.m., local time. At the special meeting, the Windrose shareholders will be asked to consider and vote upon a proposal to approve the merger described in this proxy statement/prospectus and to consider and act upon any other business that may properly come before the special meeting (including any proposal to adjourn or postpone the special meeting).

Record Date; Voting Power

Windrose's board of trustees has fixed the close of business (5:30 p.m., local time) on November 8, 2006 as the record date for determining the shareholders of Windrose that are entitled to notice of, and to vote at, the special meeting. Only holders of record of Windrose common shares or Windrose preferred shares at the close of business on the record date are entitled to notice of the special meeting. Only holders of record of Windrose common shares at the close of business on the record date are entitled to vote at the special meeting. At the close of business on the record date, there were 21,126,883 Windrose common shares outstanding and entitled to vote at the special meeting.

Windrose shareholders will have one vote on any matter that may properly come before the special meeting for each Windrose common share that they owned on the record date.

Required Vote

Windrose's amended and restated declaration of trust (which we refer to in this proxy statement/prospectus as Windrose's declaration of trust) and bylaws require that the merger be affirmatively approved by holders of a majority of the Windrose common shares outstanding on the record date. Although considered present for the purposes of determining a quorum, abstentions and broker non-votes are not counted as votes in favor of the merger and the other transactions contemplated by the merger agreement and, therefore, have the same effect as a vote against the merger proposal.

In order for your Windrose common shares to be included in the vote, you must submit your proxy for your shares by returning the enclosed proxy card, or by telephone or through the Internet by following the instructions included with your proxy card, or you must vote in person at the special meeting. If you hold your shares through a broker or other nominee, you may receive separate voting instructions with the proxy statement. Your broker or nominee may provide proxy submission through the Internet or by telephone. Please contact your broker or nominee to determine how to authorize your vote.

Voting by Windrose's Trustees and Executive Officers

At the close of business on the record date, Windrose's trustees and executive officers and their affiliates were entitled to vote approximately 136,788 Windrose common shares (or approximately 0.65% of the aggregate number of Windrose common shares outstanding on that date). **Fred S. Klipsch, Windrose's chairman and chief executive officer, and Frederick L. Farrar, Windrose's president, chief operating officer and treasurer, have agreed pursuant to a support agreement to vote the Windrose common shares that they own FOR the merger proposal.**

Recommendation of Windrose's Board of Trustees
(Page 31)

Windrose's board of trustees believes that the merger is advisable on the terms set forth in the merger agreement, unanimously voted to approve the merger agreement and unanimously recommends that you vote **FOR** the merger.

Table of Contents

Opinion of Windrose's Financial Advisor

(Page 34)

In deciding to approve the merger, Windrose's board of trustees considered the opinion of its financial advisor, J.P. Morgan Securities Inc. (which we refer to in this proxy statement/prospectus as JPMorgan), that, as of the date of its opinion, and subject to and based on the considerations referred to in its opinion, the exchange ratio is fair, from a financial point of view, to holders of Windrose common shares. The full text of this opinion is attached as *Appendix D* to this proxy statement/prospectus. **Windrose urges its shareholders to read the opinion of JPMorgan in its entirety.**

Interests of Windrose's Trustees and Executive Officers in the Mergers

(Page 42)

In considering the recommendation of Windrose's board of trustees with respect to the merger, you should be aware that certain trustees and executive officers of Windrose have interests in, and will receive benefits from, the merger and certain other transactions contemplated by the merger agreement that are different from, or in addition to, the interests of Windrose shareholders generally. Windrose's board of trustees was aware of these interests and considered them, among other matters, when approving the merger agreement, determining that the merger is advisable and recommending that Windrose shareholders vote to approve the merger. In addition, Windrose's management team continues to pursue acquisition opportunities, subject to compliance with its pre-merger closing covenants contained in the merger agreement. In connection with these acquisition opportunities, certain of Windrose's executive officers may receive finder's fees from Windrose. See *The Mergers' Interests of Windrose's Trustees and Executive Officers in the Mergers*, *The Mergers' Interests of Windrose's Trustees and Executive Officers in the Mergers' Acquisition Opportunities*; *Finder's Fees* and *Risk Factors*. Windrose's trustees and executive officers have interests and arrangements that could have influenced their decisions to support or approve the mergers.

Representation on the Health Care REIT Board of Directors

(Page 43)

Fred S. Klipsch, Windrose's chairman and chief executive officer, will be appointed to the Health Care REIT board of directors upon completion of the merger, provided that such appointment would not be in violation of any applicable legal requirements or rules of the New York Stock Exchange. In the event Mr. Klipsch cannot or will not serve on Health Care REIT's board, Windrose will nominate a replacement to be appointed by the Health Care REIT board. Mr. Klipsch will not receive compensation for his services as a director of Health Care REIT during the term of his consulting agreement.

Comparison of the Rights of Holders of Windrose Common Shares and Health Care REIT Common Stock

(Page 87)

The conversion of Windrose common shares and Windrose OP units into Health Care REIT common stock in the mergers will result in differences between your rights as a Windrose shareholder, governed by the Maryland REIT Law and Windrose's declaration of trust and bylaws, on the one hand, and your rights as a Health Care REIT stockholder, governed by the Delaware General Corporation Law, or DGCL, and Health Care REIT's certificate of incorporation and by-laws, on the other. See *Comparison of the Rights of Holders of Windrose Common Shares and Health Care REIT Common Stock* for a discussion of these differences.

Summary of the Terms of the Health Care REIT Preferred Stock

(Page 79)

Each Windrose preferred share outstanding at the effective time of the merger will be converted into one share of newly issued preferred stock of Health Care REIT designated as the 7.5% Series G Cumulative Convertible Preferred Stock. The Health Care REIT preferred stock will have rights, preferences, privileges and voting power substantially similar to those of the Windrose preferred shares. See Capitalization and

Material U.S. Federal Income Tax Considerations of the Mergers
(Page 68)

The merger is intended to qualify as a reorganization within the provisions of Section 368(a) of the Code. If the merger so qualifies, then for U.S. federal income tax purposes, (i) Windrose shareholders who receive Health Care REIT common stock in exchange for their Windrose common shares in the merger are not expected to recognize any gain or loss, except with respect to cash received instead of a fractional share of Health Care REIT common stock, and (ii) holders of Windrose preferred shares who receive Health Care REIT preferred stock in exchange for their Windrose preferred shares in the merger are not expected to recognize any gain or loss.

The exchange of Windrose OP units for Health Care REIT common stock pursuant to the operating partnership merger will be treated as a taxable sale of those units for U.S. federal income tax purposes. As a result, holders of Windrose OP units will recognize gain or loss, as the case may be, as a result of the operating partnership merger. The sale of Windrose OP units in the operating partnership merger and the transfer of Windrose's units in Windrose OP as a result of the merger will not result in Windrose OP or Heat OP Merger Sub recognizing gain or loss for federal income tax purposes.

Tax matters are complicated and Windrose shareholders and holders of Windrose OP units are urged to read carefully the section titled Material U.S. Federal Income Tax Considerations and to consult their own tax advisors for a fuller understanding of the tax consequences of their participation in the mergers.

Accounting Treatment
(Page 45)

It is expected that the merger will be accounted for as a purchase of Windrose by Health Care REIT under U.S. generally accepted accounting principles (which we refer to in this proxy statement/prospectus as GAAP). Under the purchase method of accounting, the assets and liabilities of Windrose will be, as of the completion of the merger, recorded at their respective fair values and added to those of Health Care REIT.

Regulatory Matters Related to the Mergers
(Page 46)

No material regulatory approvals are required in order to complete the mergers and the other transactions contemplated by the merger agreement.

No Dissenters or Appraisal Rights
(Page 46)

Pursuant to the Maryland REIT Law, holders of Windrose common shares are not entitled to any dissenters or appraisal rights with respect to the merger.

Restrictions on Solicitation
(Page 55)

Subject to specified exceptions, the merger agreement precludes Windrose and its subsidiaries and representatives, whether directly or indirectly, from inviting, initiating, soliciting or encouraging any inquiries, proposals, discussions or negotiations or the making or implementation of any proposal or offer with respect to, or engaging in any discussions or negotiations that may reasonably be expected to lead to any direct or indirect acquisition proposal (as defined in The Merger Agreement Covenants and Agreements No Solicitation).

Table of Contents

Conditions to the Mergers

(Page 58)

The closing is subject to various closing conditions, including, without limitation, (a) the approval of Windrose shareholders, (b) the listing of the shares of common stock to be issued in the mergers and the shares of Health Care REIT common stock reserved for issuance upon exercise of converted options on the New York Stock Exchange, (c) the receipt of all specified consents and approvals, (d) the performance in all material respects of all obligations required to be performed by each party under the merger agreement and (e) a bring-down of representations and warranties and the absence of any material adverse change affecting Windrose or Health Care REIT. In assessing whether a change has a material adverse effect on Windrose or Health Care REIT, among other items, the parties will not take into consideration (i) conditions generally affecting the healthcare industry or, with respect to a material adverse effect on Health Care REIT, the skilled nursing or retirement care industry, (ii) a decrease in the market price of Windrose common shares or shares of Health Care REIT common stock, (iii) changes in general national economic or financial conditions or changes in the securities market in general, (iv) a failure by either Windrose or Health Care REIT to report earnings or revenue results consistent with its historic earnings or revenue results, (v) changes in any laws or regulations or accounting regulations or principles applicable to Windrose or Health Care REIT, (vi) any outbreak or escalation of armed hostilities or acts of terrorism, (vii) the announcement, execution or consummation of the merger agreement and the transactions contemplated thereby or (viii) changes the adverse effects of which are covered by insurance. Health Care REIT and Windrose will not be precluded from claiming that a material adverse effect has occurred with respect to an event or change underlying either a decrease in the other party's share price as described in (ii) above or a failure of the other party to report earnings or revenue results as described in (iv) above.

Termination of the Merger Agreement

(Page 60)

The merger agreement may be terminated at any time prior to the effective times of the mergers:

by mutual written consent of Health Care REIT and Windrose;

by either Health Care REIT or Windrose if any governmental agency has issued an order (which order Health Care REIT or Windrose, as the case may be, has used its reasonable best efforts to have vacated or reversed), permanently restraining, enjoining or otherwise prohibiting the merger, and such order has become final and unappealable;

by either Health Care REIT or Windrose if the Windrose shareholders fail to approve the merger at the special meeting or any adjournment thereof;

after March 12, 2007, by either Health Care REIT or Windrose if the merger has not been completed by such date for any reason; provided however, if the merger has not been completed by such date due to failure to obtain certain required consents or approvals set forth on specific schedules to the merger agreement, neither party may terminate the merger agreement until June 11, 2007 so long as the parties are using their reasonable best efforts to obtain such consents or approvals, subject to certain limitations;

by Health Care REIT, if (i) prior to obtaining the approval of Windrose's shareholders, Windrose's board of trustees or a committee thereof has made an adverse recommendation; (ii) Windrose fails to call or hold the special meeting; (iii) Windrose has intentionally and materially breached any of its obligations under the non-solicitation and superior acquisition proposal provisions under the merger agreement; (iv) Windrose's board

of trustees has approved or recommended an acquisition proposal made by any person other than Health Care REIT or Heat Merger Sub; or (v) Windrose has entered into a definitive agreement with respect to an acquisition proposal;

by Windrose, if prior to the approval of the merger agreement at the special meeting Windrose's board of trustees has approved, and Windrose concurrently enters into, a definitive agreement with respect to a superior acquisition proposal, subject to certain restrictions;

Table of Contents

by Health Care REIT, if there has been a breach of any of the representations, warranties, covenants or agreements of Windrose contained in the merger agreement such that the conditions precedent to Health Care REIT's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied, which breach is not cured within 30 days following written notice to Windrose, subject to certain restrictions; or

by Windrose, if there has been a breach of any of the representations, warranties, covenants or agreements of Health Care REIT or Heat Merger Sub contained in the merger agreement such that the conditions precedent to Windrose's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied, which breach is not cured within 30 days following written notice to Health Care REIT, subject to certain restrictions.

Termination Fees, Lender Consent Fees and Expense Reimbursement

(Page 61)

Windrose will be obligated to pay Health Care REIT all or a portion, as described below, of the following: (i) a maximum termination fee equal to \$16.9 million, (ii) an amount up to \$900,000, as reimbursement for fees and expenses paid by Health Care REIT in connection with the merger agreement and the merger, and (iii) an amount up to \$2.5 million, as reimbursement of Health Care REIT's expenses incurred in connection with obtaining certain third party consents to the mergers, in the event that the merger agreement is terminated:

by Health Care REIT, if:

prior to Windrose shareholders' approval of the merger, Windrose's board of trustees makes an adverse recommendation (but only if Health Care REIT terminates the merger agreement prior to the date of the Windrose special meeting);

Windrose fails to call or hold the special meeting;

Windrose's board of trustees of Windrose approves or recommends an acquisition proposal made by any person other than Health Care REIT or Heat Merger Sub;

Windrose intentionally and materially breaches its obligations under the non-solicitation and other acquisition proposal provisions of the merger agreement; or

Windrose enters into a definitive agreement with respect to an acquisition proposal; or

by Windrose, if, prior to the approval of the merger by Windrose shareholders, Windrose's board of trustees approves, and Windrose enters into, a definitive agreement with respect to a superior acquisition proposal.

Under any such scenario, Windrose will pay Health Care REIT 50% of the termination fee at the time of the termination of the merger agreement. If Windrose enters into a definitive agreement with respect to, or completes, an acquisition proposal made by a third party other than Health Care REIT or Heat Merger Sub within the 12 months following the termination of the merger agreement, Windrose will pay Health Care REIT the remaining 50% of such termination fee and the other amounts described above concurrent with the closing of such transaction.

Windrose will pay Health Care REIT 100% of the amounts described above upon the completion of an acquisition proposal with a third party other than Health Care REIT or Heat Merger Sub if:

an acquisition proposal has been received by Windrose or publicly disclosed prior to the termination of the merger agreement by Health Care REIT or Windrose for the reasons described in the third or fourth bullet point under the heading Termination of the Merger Agreement ; and

within 12 months after such termination, Windrose entered into a definitive agreement providing for the acquisition proposal that was completed with the third party.

Table of Contents

In the event that Health Care REIT terminates the merger agreement for the reasons described in the seventh bullet point under the heading Termination of the Merger Agreement, Windrose will pay Health Care REIT up to \$3.0 million as reimbursement of Health Care REIT's expenses incurred in connection with the merger agreement and the merger and up to \$2.5 million as reimbursement for fees and expenses paid by Health Care REIT in connection with obtaining certain third party consents to the merger.

In the event that Windrose terminates the merger agreement for the reasons described in the eighth bullet point under the heading Termination of the Merger Agreement, Health Care REIT will pay Windrose up to \$3.0 million as reimbursement of Windrose's expenses incurred in connection with the merger agreement.

(Page 67)

Each of Fred S. Klipsch and Frederick L. McCain, an executive vice president of Windrose, has entered into separate tax indemnity agreements with Health Care REIT as described under The Merger Agreement Related Agreements Tax Indemnity Agreements.

RISK FACTORS

In addition to the other information contained or incorporated by reference in this proxy statement/prospectus, you should consider the following risk factors in determining how to vote at the special meeting of Windrose shareholders.

Risks Relating to the Mergers

Windrose will be subject to business uncertainties and contractual restrictions while the mergers are pending.

The merger agreement restricts Windrose from making certain acquisitions and taking other specified actions without the consent of Health Care REIT until the mergers occur. These restrictions may prevent Windrose from pursuing attractive business opportunities that may arise prior to the completion of the merger. Please see the section titled "The Merger Agreement – Covenants and Agreements – Conduct of Windrose's Business Prior to the Merger" of this proxy statement/prospectus for a description of the restrictive covenants applicable to Windrose.

Because the market price of Health Care REIT common stock may fluctuate, you cannot be certain of the precise value of the merger consideration you will receive in the mergers.

Due to the manner in which the exchange ratio is calculated and fluctuations in the market price of Health Care REIT common stock, the precise number of shares of Health Care REIT common stock to be received at closing, and the value of such shares, is uncertain. If the mergers are completed, you will receive, for each Windrose common share and each Windrose OP unit that you own, a fraction of a share of Health Care REIT common stock equal to the exchange ratio. The exchange ratio will adjust to ensure that the fraction of a share of Health Care REIT common stock you receive will be equal to \$18.06 divided by the average trading price for the 10 trading days, selected by lot, during the applicable 15-trading day period ending on and including the date that is five trading days prior to the effective time of the merger, of a share of Health Care REIT common stock so long as the average trading price of a share of Health Care REIT common stock during the selected 10 trading days is between \$38.84 and \$40.05 per share. However, the market value of that fraction of a share of Health Care REIT common stock you receive for each Windrose common share and each Windrose OP unit may be less than \$18.06, as the trading price of Health Care REIT common stock for purposes of determining the exchange ratio may be less than \$38.84, and the price of Health Care REIT common stock at the closing may be less than the average 10-day trading price of Health Care REIT common stock used to determine the exchange ratio.

If the average trading price for a share of Health Care REIT common stock during the selected 10 trading days is less than \$38.84, the exchange ratio will no longer adjust upward, and you will receive 0.4650 of a share of Health Care REIT common stock for each Windrose common share and each Windrose OP unit that you own regardless of how far below \$38.84 the average trading price is during the selected 10 trading days. This also means that the value of the fraction of a share of Health Care REIT common stock you will receive for each Windrose common share and each Windrose OP unit could be less than \$18.06 if the market price of Health Care REIT common stock remains below \$38.84 when the merger is completed. The formula for calculating the exchange ratio is set forth in the section titled "The Merger Agreement – Conversion of Windrose Common Shares, Preferred Shares and OP Units – Windrose Common Shares" of this proxy statement/prospectus.

The exchange ratio may not be determined until after the date of the special meeting. Therefore, at the time of the special meeting, you may not know the precise number of shares of Health Care REIT common stock you will receive, or the value of such shares, on the date the merger is completed. You are urged to obtain a current market quotation for Health Care REIT common stock prior to voting on the merger proposal.

Table of Contents

Failure to complete the mergers could negatively affect the stock price and the future business and financial results of Windrose.

Although the Windrose board of trustees has recommended that Windrose shareholders approve the merger proposal, there is no assurance that this proposal will be approved at the special meeting or any adjournment or postponement of the special meeting, and there is no assurance that Health Care REIT and Windrose will receive the necessary third party consents or satisfy the other conditions to the completion of the mergers. If the mergers are not completed for any reason, Windrose will be subject to several risks, including the following:

The merger agreement contains certain termination rights for Health Care REIT and Windrose. Upon termination of the merger agreement under specified circumstances, Windrose will be required to pay Health Care REIT all or a portion of the following (i) a maximum termination fee equal to \$16.9 million, (ii) an amount up to \$900,000, as reimbursement for fees and expenses paid by Health Care REIT in connection with the merger agreement and the merger, and (iii) up to \$2.5 million, as reimbursement of Health Care REIT's expenses incurred in connection with obtaining certain third party consents to the mergers. If the merger agreement is terminated due to Windrose's breach of the representations, warranties, covenants and agreements contained in the merger agreement and such breach is not cured, Windrose will be required to pay Health Care REIT's out-of-pocket expenses incurred not to exceed \$3.0 million and up to \$2.5 million, as reimbursement for fees and expenses paid by Health Care REIT in connection with obtaining certain third party consents to the mergers.

The current market price of Windrose common shares may reflect a market assumption that the merger will occur, and a failure to complete the merger could result in a decline in the market price of Windrose common shares.

Many costs relating to the merger (such as legal, accounting and a portion of its financial advisory fees) are payable by Windrose whether or not the merger is completed.

There may be substantial disruption to the business of Windrose and a distraction of its management and employees from day-to-day operations because matters related to the merger (including integration planning) may require substantial commitments of time and resources that could otherwise have been devoted to other opportunities that could have been beneficial to Windrose.

Windrose will continue to face the risks that it currently faces as an independent company, as further described in the documents that Windrose has filed with the SEC that are incorporated by reference into this proxy statement/prospectus.

In addition, Windrose will not realize any of the expected benefits of having completed the merger. If the merger is not completed, the risks described above may materialize and materially adversely affect Windrose's business, financial results and financial condition and the market price of Windrose common shares.

Windrose's trustees and executive officers have interests and arrangements that could have influenced their decisions to support or approve the mergers.

The interests of some of Windrose's trustees and executive officers are different from those of Windrose shareholders, and Windrose's trustees and executive officers may have participated in arrangements that are different from, or in addition to, those of Windrose shareholders. For a description of the benefits Windrose's trustees and executive officers will receive in connection with the mergers, please see the section titled "The Mergers—Interests of Windrose's Trustees and Executive Officers in the Mergers" of this proxy statement/prospectus.

The merger agreement limits Windrose's ability to pursue alternatives to the mergers.

The merger agreement contains provisions that limit Windrose's ability to pursue alternatives to the mergers with Health Care REIT. These provisions include a prohibition on Windrose's solicitation of any proposal or offer for a competing transaction and a requirement that Windrose pay Health Care REIT all or a

Table of Contents

portion of the following (i) a maximum termination fee equal to \$16.9 million, (ii) an amount up to \$900,000, as reimbursement for fees and expenses paid by Health Care REIT in connection with the merger agreement and the merger, and (iii) up to \$2.5 million, as reimbursement of Health Care REIT's expenses incurred in connection with obtaining certain third party consents to the mergers.

Health Care REIT required Windrose to agree to these provisions as a condition to Health Care REIT's willingness to enter into the merger agreement. These provisions, however, might discourage a third party that might have an interest in acquiring all or a significant part of Windrose from considering or proposing that acquisition, even if that party was prepared to pay consideration with a higher per share market price than the current proposed merger consideration. Furthermore, a potential competing acquiror might propose to pay a lower per share price to Windrose shareholders than it would otherwise have proposed to pay because of Windrose's obligations in connection with termination of the merger agreement.

The market price of Health Care REIT common stock may decline as a result of the mergers.

The market price of Health Care REIT's common stock may decline as a result of the mergers if Health Care REIT does not achieve the perceived benefits of the mergers as rapidly or to the extent anticipated by financial or industry analysts, or the effect of the mergers on Health Care REIT's financial results is not consistent with the expectations of financial or industry analysts.

After the mergers are completed, Windrose shareholders who receive Health Care REIT common stock in the mergers will have different rights that may be less advantageous than their current rights as a Windrose shareholder.

After the closing of the mergers, Windrose shareholders who receive Health Care REIT common stock in the mergers will have different rights than they currently have as a Windrose shareholder. For a detailed discussion of your rights as a stockholder of Health Care REIT and the significant differences between your rights as a shareholder of Windrose and your rights as a stockholder of Health Care REIT, see the section titled "Comparison of the Rights of Holders of Windrose Common Shares and Health Care REIT Common Stock" of this proxy statement/prospectus.

If the merger agreement is terminated for any reason, Windrose will be required to repay in full the amounts owed under the secured revolving credit facility provided by Health Care REIT. This subjects Windrose to certain risks, including the risk that Windrose will have insufficient cash resources to operate its properties and pay dividends to its shareholders.

If the merger agreement is terminated for any reason, Windrose will be required to repay the principal amount outstanding under the secured revolving line of credit provided by Health Care REIT. The secured revolving line of credit permits Windrose to borrow up to \$125 million, except that after January 10, 2007, if the merger has not been completed and certain other conditions are satisfied, Windrose will be able to borrow up to \$150 million. See "The Merger Agreement Related Agreements Interim Financing." Payments of principal and interest on borrowings under this line of credit may leave Windrose with insufficient cash resources to operate its properties or pay distributions currently contemplated or necessary to maintain its REIT qualification.

If Windrose does not have sufficient funds to repay the indebtedness under this line of credit at maturity, it may be necessary to refinance the debt through additional debt financing, private or public offerings of debt securities or additional equity financings. If, at the time of any refinancing, prevailing interest rates or other factors result in higher interest rates on refinancings, increases in interest expense could adversely affect Windrose's cash flows, and, consequently, Windrose's cash available for distribution to its shareholders. If Windrose is unable to refinance the indebtedness under this line of credit, it may be forced to dispose of some of its properties or raise capital on

disadvantageous terms, potentially resulting in losses.

Table of Contents

Risks Relating to Health Care REIT

Real property investments are subject to varying degrees of risk that may adversely affect the business and operating results of Health Care REIT after the merger.

The combined company's revenue and the value of its properties may be adversely affected by a number of factors, including:

the national economic climate;

local economic climates;

local real estate conditions;

changes in the healthcare industry or the senior care or housing industry (including economic, legal and regulatory changes);

the perceptions of prospective tenants of the attractiveness of the properties;

the combined company's ability to manage and maintain its properties and secure adequate insurance; and

increases in operating costs (including real estate taxes and utilities that are not paid directly by the tenants or passed through to the tenants).

In addition, real estate values and income from properties are also affected by factors such as applicable laws, including tax laws, interest rate levels, and the availability of financing. If the combined company's properties do not generate revenue sufficient to meet operating expenses, including debt service, tenant improvements, leasing commissions and other capital expenditures, it may have to borrow additional amounts to cover its expenses. This could harm the combined company's cash flow and ability to make distributions to its stockholders.

The market price of Health Care REIT common stock after the mergers may be affected by factors different from those affecting shares of Windrose currently.

The businesses of Health Care REIT and Windrose are different and, accordingly, the results of operations of Health Care REIT and the market price of Health Care REIT's common stock may be affected by factors different from those currently affecting the results of operations and market prices of Windrose common shares. For a discussion of the business of Health Care REIT and Windrose and of certain factors to consider in connection with those businesses, see the documents incorporated by reference in this proxy statement/prospectus and referred to under "Where You Can Find More Information."

The operations of Health Care REIT and Windrose may not be integrated successfully and the intended benefits of the mergers may not be realized, which could have a negative impact on the market price of Health Care REIT common stock after the mergers.

The closing of the transaction poses risks for the ongoing operations of Health Care REIT, including that:

following the mergers, Health Care REIT may not achieve expected cost savings and operating efficiencies, such as the elimination of redundant administrative costs;

the Windrose portfolio may not perform as well as Health Care REIT anticipates due to various factors, including changes in macro-economic conditions and the demand for specialty medical properties;

unforeseen difficulties may arise in integrating Windrose assets into the Health Care REIT portfolio due to differences in the types of facilities in which Health Care REIT and Windrose invest; and

Health Care REIT may not effectively integrate Windrose's operations and systems, including its accounting systems.

Table of Contents

If Health Care REIT fails to successfully integrate Windrose and/or to realize the intended benefits of the transaction, the market price of Health Care REIT common stock could decline from its market price after the mergers.

If the IRS successfully asserts that Health Care REIT was not or will not continue to be qualified as a REIT, or that Windrose is not a REIT at the effective time of the merger, Health Care REIT would incur adverse tax consequences.

Health Care REIT has been organized as, and believes that its past and present operations qualify it as, a REIT. In addition, following the mergers, Health Care REIT intends to operate in a manner that will allow it to continue to qualify as a REIT. However, qualification as a REIT involves the application of highly technical and complex Code provisions for which there are only limited judicial or administrative interpretations and involves the determination of various factual matters and circumstances not entirely within Health Care REIT's control. If Health Care REIT fails to qualify as a REIT, it will not be allowed a deduction for dividends paid to stockholders in computing taxable income and would become subject to federal income tax at regular corporate tax rates. In such an event, it could be subject to potentially significant tax liabilities. Unless entitled to relief under certain statutory provisions, Health Care REIT would also be disqualified from treatment as a REIT for the four taxable years following the year in which it lost its qualification. If Windrose fails to qualify as a REIT at the time of the merger, Health Care REIT would be subject to tax at the highest regular corporate rate on the built-in gain on each Windrose asset existing at the time of the merger if Health Care REIT were to dispose of the asset within the ten-year period following the merger.

Health Care REIT's business is subject to certain other risks, which are discussed in its most recent Annual Report on Form 10-K under the headings *Business*, *Risk Factors* and *Management's Discussion and Analysis of Financial Condition and Results of Operations* and are incorporated by reference in this proxy statement/prospectus. THE SPECIAL MEETING

This proxy statement/prospectus is being furnished to you in connection with the solicitation of proxies by Windrose's board of trustees for use at the Windrose special meeting, including any adjournment or postponement of the special meeting. This proxy statement/prospectus is first being furnished to Windrose shareholders on or about November 13, 2006.

Date, Time and Place

A special meeting of Windrose's shareholders will be held at the Holiday Inn, 3850 DePauw Boulevard, Indianapolis, Indiana 46268, on December 14, 2006 at 3:00 p.m., local time.

Purpose of the Special Meeting

At the special meeting, Windrose shareholders will be asked to consider and vote upon a proposal to approve the merger described in this proxy statement/prospectus and to consider and act upon any other business that may properly come before the special meeting (including any proposal to adjourn or postpone the special meeting).

Record Date; Voting Power

Windrose's board of trustees has fixed the close of business (5:30 p.m., local time) on November 8, 2006 as the record date for determining the shareholders of Windrose that are entitled to notice of, and to vote at, the special meeting. Only holders of record of Windrose common shares or Windrose preferred shares at the close of business on the record date are entitled to notice of the special meeting. Only Windrose shareholders at the close of business on the record date are entitled to vote at the special meeting. At the close of business on the record date, there were 21,126,883 Windrose common shares outstanding and entitled to vote at the special meeting.

Windrose shareholders will have one vote on any matter that may properly come before the special meeting for each Windrose common share that they owned on the record date.

Quorum

A quorum will be present at the special meeting if holders of at least 10,563,442 Windrose common shares (which represents a majority of the Windrose common shares outstanding on the record date) are represented in person or by proxy at the special meeting. Windrose common shares represented at the special meeting but not voted, including Windrose common shares for which proxies have been received but for which holders of those shares have abstained and broker non-votes, will be treated as present at the special meeting for the purpose of determining the presence or absence of a quorum. When we refer to "broker non-votes", we are referring to shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or persons entitled to vote those shares and where the broker or nominee does not have discretionary voting power.

A quorum is necessary in order to hold the special meeting. If a quorum is not present at the special meeting, Windrose expects to adjourn or postpone the meeting to solicit additional proxies.

Required Vote

Windrose's declaration of trust and bylaws require that the merger be affirmatively approved by holders of a majority of the Windrose common shares outstanding on the record date. Although considered present for the purposes of determining a quorum, abstentions and broker non-votes are not counted as votes in favor of the merger and the other transactions contemplated by the merger agreement and, therefore, have the same effect as a vote against the merger proposal.

In order for your Windrose common shares to be included in the vote, you must submit your proxy for your shares by returning the enclosed proxy card, or by telephone or through the Internet by following the

Table of Contents

instructions included with your proxy card, or you must vote in person at the special meeting. If you hold your shares through a broker or other nominee, you may receive separate voting instructions with the proxy statement. Your broker or nominee may provide proxy submission through the Internet or by telephone. Please contact your broker or nominee to determine how to vote.

Because the affirmative vote of the holders of a majority of the Windrose common shares outstanding on the record date is needed to approve the merger proposal, the failure to submit your proxy or vote in person will have the same effect as a vote against the approval of the merger proposal. Abstentions and broker non-votes also will have the same effect as a vote against the approval of the merger proposal. Accordingly, Windrose's board of trustees urges shareholders to complete, date, sign and return the accompanying proxy card, or to submit a proxy by telephone or through the Internet by following the instructions included in your proxy card, or, in the event you hold your shares through a broker or other nominee, by following the separate voting instructions received from your broker or nominee.

Voting by Windrose's Trustees and Executive Officers

At the close of business on the record date, Windrose's trustees and executive officers and their affiliates were entitled to vote approximately 136,788 Windrose common shares (or approximately 0.65% of the aggregate number of Windrose common shares outstanding on that date). **Fred S. Klipsch, Windrose's chairman and chief executive officer, and Frederick L. Farrar, Windrose's president, chief operating officer and treasurer, have agreed pursuant to a support agreement to vote the Windrose common shares that they own FOR the merger proposal.**

How to Vote; Voting of Proxies

Votes may be cast in person or by proxy. Windrose common shares represented by properly executed proxies received in time for the special meeting will be voted at the special meeting in the manner specified by such proxies. Proxies that are properly executed by the record holder but otherwise do not contain voting instructions will be voted in the manner that Windrose's board of trustees recommends. If other matters properly come before the special meeting, the persons named in such proxy will have authority to vote such matter in his or her discretion. Windrose does not expect that any matter other than as described in this proxy statement/prospectus will be brought before the special meeting.

Absent specific instruction from the beneficial owners of shares, brokers may not vote Windrose common shares with respect to the merger proposal, any other matters that may properly come before the special meeting or any adjournment of the special meeting. For purposes of determining approval of the merger proposal, abstentions and broker non-votes will have the same effect as a vote against the merger proposal.

Revocability of Proxies

You can revoke your proxy at any time before the vote is taken at the special meeting, except as otherwise described below. If you have not voted through your broker or other nominee, you may revoke your proxy before the proxy is voted by:

delivering, prior to the special meeting, to Windrose's secretary a duly executed written notice of revocation bearing a later date or time than the proxy;

submitting in time for the special meeting another duly executed proxy to Windrose's secretary by mail bearing a later date;

submitting a new proxy by telephone or through the Internet at a later time, but not later than 11:59 p.m. (Eastern time) on December 13, 2006 or the day before the meeting date, if the special meeting is adjourned or postponed; or

Table of Contents

attending the special meeting and voting in person; however, simply attending the special meeting without voting will not revoke an earlier proxy.

To submit a written notice of revocation or other communications about revoking your proxy, or to request a new proxy card, you should write to:

Windrose Medical Properties Trust
3502 Woodview Trace, Suite 210
Indianapolis, Indiana 46268
Attention: Secretary

If your Windrose common shares are held in street name, you should follow the instructions of your broker or nominee regarding the revocation of proxies. If your broker or nominee allows you to submit a proxy by telephone or the Internet, you may be able to change your vote by submitting a proxy again by the telephone or the Internet.

If an adjournment occurs, it will have no effect on the ability of shareholders as of the record date to exercise their voting rights or to revoke any previously delivered proxies. Windrose does not expect to adjourn the special meeting for a period of time long enough to require the setting of a new record date for such meeting.

Adjournments and Postponements

Although it is not currently expected, the special meeting may be adjourned or postponed for the purpose of soliciting additional proxies. Any adjournment of the special meeting to a date within 180 days of the record date may be made without notice, other than by an announcement made at the special meeting in accordance with Windrose's declaration of trust and bylaws. Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow Windrose shareholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting, provided that such revocation is in compliance with the instructions set forth above in the section titled Revocability of Proxies.

Solicitation of Proxies; Solicitation Expenses

Windrose has retained Morrow & Co., Inc. to act as its proxy solicitor to solicit proxies approving the merger proposal from each of its shareholders on or about the date of mailing of this proxy statement/prospectus. In addition to solicitations by mail, the trustees, officers and employees of Windrose and its subsidiaries and affiliates, for no additional compensation, may solicit proxies from shareholders by telephone or other electronic means or in person. Windrose will pay approximately \$7,500 to Morrow & Co., Inc. to assist with the solicitation of proxies. Morrow & Co., Inc. may solicit proxies by telephone or other electronic means or in person. Windrose also will reimburse Morrow & Co., Inc. for its expenses in connection with this proxy solicitation, which expenses will include a charge of \$5.00 per shareholder for telephonic solicitations. Windrose will also request that banking institutions, brokerage firms, custodians, trustees, nominees, fiduciaries and other like parties forward the solicitation materials to the beneficial owners of Windrose common shares held of record by such persons, and Windrose will, upon request of such record holders, reimburse forwarding charges and out-of-pocket expenses. Windrose will generally bear the cost of the solicitation of proxies from its shareholders.

Windrose shareholders should not send share certificates with their proxy cards.

THE MERGERS

General

The mergers will be carried out as provided in the merger agreement. A copy of the merger agreement, as amended, is attached as *Appendix A* and *Appendix B* to this proxy statement/prospectus and is incorporated by reference in this proxy statement/prospectus.

This proxy statement/prospectus constitutes a proxy statement of Windrose and has been sent to you because you were a holder of Windrose common shares on the record date set by Windrose's board of trustees for notice of and for voting at a special meeting of Windrose shareholders. Only holders of Windrose common shares as of the record date are being asked to consider and vote upon a proposal to approve the merger at the special meeting. This proxy statement/prospectus also has been sent to holders of Windrose preferred shares as required by Maryland law even though such shares are not entitled to vote with respect to the merger. This proxy statement/prospectus also constitutes a prospectus of Health Care REIT, which is a part of the Registration Statement on Form S-4 filed by Health Care REIT with the SEC under the Securities Act in order to register the shares of Health Care REIT common stock and Health Care REIT preferred stock to be issued to Windrose shareholders and holders of Windrose OP units and Windrose preferred shares in the mergers.

Background of the Merger

From time to time over the past fifteen years, pre-dating the formation of Windrose and its initial public offering in 2002, officers of Windrose and Health Care REIT have collaborated on various business transactions and enjoyed a positive working relationship. On January 16, 2006, George L. Chapman, chairman and chief executive officer of Health Care REIT, and Raymond W. Braun, president of Health Care REIT, had dinner with Fred S. Klipsch, chairman and chief executive officer of Windrose, and Frederick L. Farrar, president, chief operating officer and treasurer of Windrose, in Phoenix, Arizona, during which Health Care REIT raised for the first time consideration of a possible transaction involving the combination of the companies. Health Care REIT and Windrose were in Phoenix, Arizona attending separate conferences. The Windrose board was not then considering any potential strategic alternative. Messrs. Klipsch and Farrar advised Messrs. Chapman and Braun that they would need to consider the matter further.

On February 21, 2006, Mr. Klipsch agreed to a meeting with Mr. Chapman in Indianapolis to discuss preliminary terms of a transaction, including, among other things, the amount and type of consideration Health Care REIT would be willing to offer to Windrose shareholders. Mr. Chapman described Health Care REIT's desire to acquire Windrose as an operating platform, rather than simply an asset acquisition, which would include the continued participation of Windrose's management.

On March 1, 2006, Windrose's board of trustees held a regularly scheduled meeting. After the meeting, Mr. Klipsch met in an executive session with the board to discuss, among other things, Windrose's strategic operating plan as an independent company as well as whether Windrose should consider a potential strategic combination with another entity. Mr. Klipsch informed Windrose's board of the preliminary discussions with Health Care REIT that had occurred prior to the meeting. Windrose's board discussed these matters and authorized Windrose's management to continue exploratory discussions with Health Care REIT.

Messrs. Chapman and Klipsch further discussed the relative merits of a transaction on two occasions by telephone in March 2006 and during a visit by Mr. Klipsch to Toledo, Ohio on May 9, 2006 to meet with Mr. Chapman.

Messrs. Chapman and Klipsch discussed a strategic transaction in which Windrose and its employees would become an operating division of Health Care REIT rather than an asset acquisition, possible terms of a merger transaction, including, among other things, the amount and type of consideration payable to Windrose shareholders, the amount of any break-up fee, Health Care REIT's requirement that Windrose's senior management team continue working with the combined company and preliminary potential

Table of Contents

compensation arrangements for Messrs. Klipsch and Farrar, including payments under Windrose's existing change of control agreements. At that time, Health Care REIT contemplated a transaction that would provide Windrose shareholders with a premium of 10-15% over the then-current market price of Windrose common shares, which were trading at approximately \$15.00 per share.

Windrose's board held a regularly scheduled meeting on May 1, 2006. Mr. Klipsch updated the board on the progression of the preliminary discussions and informed the board that Health Care REIT had requested that the parties enter into a confidentiality agreement so that Health Care REIT could perform a more detailed due diligence investigation that would permit it to determine whether it could make a more definitive proposal. Windrose's board authorized Windrose's management to enter into a confidentiality agreement and to continue discussions with Health Care REIT.

On May 11, 2006, Health Care REIT and Windrose entered into a confidentiality agreement providing for, among other things, the confidential treatment of information provided by the other party, a standstill provision with respect to the acquisition of the other party's securities and a non-solicitation provision with respect to the other party's officers.

On May 15, 2006, Mr. Braun, Scott A. Estes, senior vice president and chief financial officer of Health Care REIT, and Michael A. Crabtree, vice president and treasurer of Health Care REIT, met with Mr. Farrar in Chicago, Illinois at Health Care REIT's request to conduct financial and business due diligence in respect of Windrose.

On May 18, 2006, Windrose's board of trustees held its annual meeting following the 2006 annual meeting of shareholders. Following the Windrose board meeting, Mr. Klipsch met in an executive session of the board to discuss the potential transaction with Health Care REIT as well as engaging financial and legal advisors. The board authorized management to contact potential financial and legal advisors for Windrose.

On May 24, 2006, the board of directors of Health Care REIT met telephonically with the executive management team of Health Care REIT and the company's outside financial and legal advisors. The executive management team briefed the board and advisors on the progress of the preliminary discussions and the preliminary due diligence findings regarding Windrose. The board authorized Health Care REIT's management to continue discussions relating to the transaction.

On May 31, 2006, Messrs. Chapman, Braun, Estes, Crabtree, Klipsch and Farrar had a telephone conference call to discuss change in control payments for Windrose officers that would result from the consummation of a combination of the companies, including proposed retention agreements and compensation for key Windrose employees and an explanation of Health Care REIT's compensation structure and perform further financial due diligence of Windrose.

On June 5, 2006, Messrs. Chapman, Braun, Estes, Crabtree, Klipsch and Farrar met in New York, New York during a NAREIT conference to discuss further a possible transaction, including the status of due diligence and merger consideration. On June 6, 2006, Mr. Klipsch had discussions with an independent trustee of Windrose regarding potential financial advisors and following such discussions, Mr. Klipsch contacted JPMorgan. On June 7, 2006, Messrs. Chapman, Braun, Estes, Crabtree, Klipsch and Farrar met again in New York to discuss financial due diligence, including projected future performance of the companies. On June 8, 2006, on behalf of Health Care REIT, Deutsche Bank Securities Inc. (which we refer to in this proxy statement/prospectus as Deutsche Bank), in its capacity as financial advisor, provided Windrose information relating to Health Care REIT and the proposed transaction.

On June 12, 2006, Windrose's board held a meeting to discuss the potential business combination with Health Care REIT. Present at this meeting at the invitation of the board was Windrose's outside corporate and securities counsel, Hunton & Williams LLP, and representatives of JPMorgan. During this meeting, Mr. Klipsch updated the board on

the progression of the discussions between the parties. Hunton & Williams LLP advised the board as to its duties and certain other legal matters in considering a potential transaction. The JPMorgan representatives made a presentation relating to JPMorgan's qualifications, a summary of Health Care REIT's then current proposal, a market overview and process and transaction considerations. Following the JPMorgan presentation, the board directed management to engage JPMorgan as financial advisor to Windrose and

Table of Contents

authorized management to negotiate an engagement letter with JPMorgan. Windrose's board discussed with management and with Hunton & Williams LLP and JPMorgan whether the board was legally obligated to pursue other potential transaction partners. Based on such discussions and after discussing the proposed structure and terms of the transaction and the strategic nature of the proposed transaction with Health Care REIT, Windrose's board determined that it was in the best interest of Windrose's shareholders to continue to negotiate with Health Care REIT for a strategic merger transaction.

On June 13, 2006, Messrs. Chapman and Klipsch further discussed the relative merits of a transaction by telephone. On June 23, 2006, JPMorgan provided Deutsche Bank certain financial due diligence information relating to Windrose.

On June 26, 2006, Windrose's board held a meeting. Present at the meeting were representatives of JPMorgan and Hunton & Williams LLP. At the meeting, JPMorgan presented to the board a range of strategic alternatives, including Windrose's acquisition of other companies, Windrose's maintaining its current business plan and Windrose engaging in a sale or merger transaction. The JPMorgan representatives presented various valuation methodologies to the board. Following the presentation, the board again discussed the potential interest of other acquirors and merger partners and the possibility of contacting other potential acquirors or merger partners and determined to continue to negotiate with Health Care REIT for a strategic merger transaction. Following this discussion, the board authorized management and JPMorgan to continue discussions with Health Care REIT and its advisors. The board also discussed with JPMorgan the structure and amount of the fee to be paid under the engagement letter with JPMorgan. On June 26, 2006, Windrose engaged JPMorgan to serve as Windrose's exclusive financial advisor and requested that Hunton & Williams LLP serve as Windrose's legal counsel.

On June 26, 2006, Messrs. Chapman, Braun, Crabtree and Estes and Jeffrey H. Miller, executive vice president and general counsel of Health Care REIT, Charles A. Hiller, associate general counsel of Health Care REIT, and Erin C. Ibele, senior vice president administration and corporate secretary of Health Care REIT, held a telephonic meeting with the Health Care REIT board of directors. Also on the call were Deutsche Bank and Health Care REIT's outside legal counsel, Shumaker Loop & Kendrick, LLP and Sidley Austin LLP. Terms of a potential indication of interest letter were discussed, and the officers of Health Care REIT provided the board an update on the terms of a possible transaction. The board of directors authorized management to continue to pursue the transaction.

During their May and June meetings, Windrose and Health Care REIT and their respective financial advisors had various negotiations regarding the potential merger consideration to be received by the Windrose shareholders as part of the proposed merger. These discussions included the appropriate form of consideration to be offered to Windrose shareholders, the exchange ratio of Health Care REIT shares to Windrose common shares and value protection measures that would help to mitigate downside risk to Windrose shareholders. The parties also discussed various alternatives for the merger consideration for holders of Windrose LP units and Windrose preferred shares.

In connection with these negotiations, Windrose and Health Care REIT and their respective financial advisors also discussed possible terms relating to termination of the merger agreement in the event that Windrose's board desired to terminate the merger agreement following its execution in order to enter into an agreement with respect to a superior offer from another party.

On July 7, 2006, Windrose's board held two conference calls at which representatives of JPMorgan summarized the status of negotiations with Health Care REIT. The Windrose board also discussed entering into a 19-day exclusivity agreement with Health Care REIT, as requested by Health Care REIT. After discussions with its advisors, the Windrose board authorized management to enter into such an agreement with Health Care REIT.

Health Care REIT and Windrose entered into an exclusivity arrangement effective July 7, 2006. During the period from July 8, 2006 through July 17, 2006, Health Care REIT conducted financial and legal due diligence on Windrose.

In early August 2006, Windrose's management began discussions with Health Care REIT's management relating to financing alternatives that would facilitate Windrose's ability to pursue property acquisitions during the time period between the execution and completion of the merger. The parties and their financial and legal advisors discussed various potential funding structures. After further discussion by the parties over the following weeks, the parties tentatively agreed that Health Care REIT would provide a credit facility to a Windrose subsidiary. See The Merger Agreement Related Agreements Interim Financing for a discussion of the interim financing arrangement between the parties.

On August 29, 2006, the board of directors of Health Care REIT, its management, including Messrs. Chapman, Braun, Estes, Miller, Crabtree and Hiller and Ms. Ibele, and its financial and legal advisors met telephonically to discuss the status of the transaction, the valuation of Windrose and other terms of the transaction and authorized management to continue negotiations. The board of directors considered in its discussion that the price of Health Care REIT's common stock was near its all-time high.

On August 29, 2006, Windrose's board met to discuss the terms of the merger, the proposed retention and compensation agreements for Windrose's management and the interim financing. Mr. Klipsch and Windrose's financial and legal advisors summarized the status of the transaction and the material terms of the draft merger agreement. Windrose's board discussed renegotiating the proposed offer price per Windrose common share of \$17.00 and the proposed fixed exchange ratio in light of the increase in Health Care REIT's stock price since the commencement of negotiations, noting that the stock price was approaching its all-time high. Windrose's board discussed the risks of a decline in Health Care REIT's stock price under a fixed exchange ratio and the potential effect on the value per Windrose common share to be received by Windrose shareholders in the merger. Following such discussions, Windrose's board instructed Windrose's management and JPMorgan to negotiate for an increase in the offer price per Windrose common share or request certain value protection measures that could protect Windrose shareholders against a decline in the value of Health Care REIT's stock. The Windrose board also discussed the termination provisions and the termination fees in the event that Windrose received a superior offer after execution of the merger agreement. Following these discussions, Windrose's board authorized management and JPMorgan to continue negotiations with Health Care REIT to address these matters.

During the period following the August 29, 2006 meetings of Windrose's board of trustees and Health Care REIT's board of directors, Windrose, Health Care REIT and their respective advisors had various negotiations relating to the offer price per Windrose common share, the structure of the exchange ratio and walk-away right and the termination provisions relating to the proposed merger, including the termination fees payable to Health Care REIT under certain scenarios. The parties also discussed other unresolved issues related to the merger agreement.

On September 5, 2006, Windrose provided Health Care REIT an initial draft of its disclosure letter to the merger agreement, and on September 6, 2006, Health Care REIT provided Windrose an initial draft of its disclosure letter to the merger agreement. During the period from when the disclosure letters were first delivered until the execution of the merger agreement, the parties continued to negotiate and discuss the disclosure letters in conjunction with their discussion of the representations and warranties in the merger agreement.

On September 8, 2006, Windrose's legal and accounting advisors conducted diligence on Health Care REIT in Toledo, Ohio, and Windrose's management and legal advisors conducted business due diligence telephonically.

On September 9, 2006, Messrs. Klipsch, Farrar and Chapman held a telephone call in which they discussed a merger consideration structure to be based on the closing prices of each company's stock on September 12, 2006, a floating exchange ratio and the elimination of the walk-away right, subject to board approval.

The Windrose board met on September 11, 2006 to discuss the status of the merger agreement. Mr. Klipsch and Windrose's financial and legal advisors updated Windrose's board on the status of the discussions with Health Care REIT and the terms of the merger agreement, including the use of an

asymmetrical collar around the exchange ratio, the elimination of any walk-away right and certain adjustments to the termination fee provisions. Following these discussions, Windrose's board authorized management and its financial advisors to finalize the remaining outstanding issues in the merger agreement with Health Care REIT.

On September 12, 2006, the parties completed the preparation and review of the disclosure letters to the merger agreement.

On September 12, 2006, Windrose's and Health Care REIT's respective management teams met in Toledo, Ohio to resolve the outstanding issues in the merger agreement, including the implied offer price per Windrose common share, the structure of the exchange ratio, the termination provisions relating to the proposed merger and the termination fees payable to Health Care REIT under certain scenarios. The management teams also resolved the outstanding issues in the interim financing documents and the retention and compensation arrangements for certain members of Windrose's management team.

After the close of the market on September 12, 2006, Windrose's board of trustees met telephonically, and Mr. Klipsch and Windrose's financial and legal advisors updated the board on the proposed resolution of the outstanding issues in the merger agreement. JPMorgan also presented its analyses of the fairness of the merger consideration to the holders of Windrose's common shares and its fairness opinion. Based on the totality of the information presented and considered during its evaluation of the merger and the merger agreement, Windrose's board of trustees, by unanimous vote of the trustees, approved the merger agreement and authorized management to execute and deliver the merger agreement.

On September 12, 2006, the compensation committee of the board of directors of Health Care REIT met telephonically to discuss and approve the consulting agreements to be entered into between Health Care REIT and each of Messrs. Klipsch and Farrar and the employment agreement to be entered into between Health Care REIT and Mr. Loftus. Later the same day, the board of directors of Health Care REIT, its management and its financial and legal advisors met telephonically. Based upon the totality of the information presented and considered during its evaluation of the merger and the merger agreement, the board of directors, by unanimous vote of the directors present, approved the merger agreement and the transactions contemplated by the merger agreement.

Later that evening, Health Care REIT and Windrose and certain of their affiliates executed the merger agreement and the other relevant parties executed the interim financing documents, consulting agreements and support agreements. The following morning, Health Care REIT and Windrose issued a joint press release announcing the execution of the merger agreement. The terms of the merger agreement are detailed below under "The Merger Agreement" beginning on page 47 of this proxy statement/prospectus.

Following announcement of the merger agreement, Health Care REIT and Windrose received a number of inquiries from their respective shareholders regarding the consideration for the Windrose preferred shares in the merger. The merger agreement initially provided that each holder of Windrose preferred shares issued and outstanding immediately prior to the effective time of the merger would receive for each Windrose preferred share held by such holder a cash payment equal to the sum of \$25.00 per share plus an amount equal to any accrued and unpaid dividends thereon to the effective time of the merger, without interest. Maryland legal counsel engaged by Windrose opined on September 12, 2006 that the foregoing treatment did not violate the terms and provisions of the Windrose articles supplementary. After Health Care REIT and Windrose considered the matter further, however, they agreed in principle on October 6, 2006 to amend the merger agreement to provide that each such holder would instead receive one share of a new series of Health Care REIT preferred stock having substantially similar rights and preferences in accordance with the terms and provisions of the Windrose articles supplementary. After such consideration, Health Care REIT and Windrose executed an amendment to the merger agreement on October 12, 2006 to provide for this new merger consideration for the Windrose preferred shares.

Table of Contents**Windrose's Reasons for the Mergers and Recommendation of Windrose's Board of Trustees**

Windrose's board of trustees unanimously determined that the merger is advisable on the terms set forth in the merger agreement and unanimously approved the merger agreement on September 12, 2006. In the course of its deliberations on the mergers and the merger agreement, Windrose's board of trustees consulted with members of Windrose's management team and Windrose's legal, financial, accounting and tax advisors on various legal, business and financial matters. Windrose's board of trustees considered both Windrose's short-term and long-term interests, as well as those of its shareholders. In concluding that the merger is advisable on the terms set forth in the merger agreement, Windrose's board of trustees considered, among other things, the following factors:

Value of Merger Consideration. Windrose's board of trustees considered the fact that the per share merger consideration to holders of common shares and Windrose OP units provided for in the merger agreement as of the date of the merger agreement (based on the closing price of Health Care REIT's common stock on September 12, 2006) represented a premium of approximately 19% over the last sale price for Windrose common shares on September 12, 2006, which was the last trading day before the announcement of the mergers. Based on the closing price of Health Care REIT's common stock on November 8, 2006, the merger consideration represented a premium of approximately 19% over the last sale price for Windrose common shares on September 12, 2006. Windrose's board of trustees also considered the historical trading prices of Windrose common shares and Health Care REIT's common stock, the partial downside protection provided by the floating exchange ratio, and the expectation that the merger of Windrose would qualify as a tax-free reorganization for federal income tax purposes.

Opportunity to Participate in the Combined Company. Windrose's board of trustees considered the fact that the all-stock merger consideration offers holders of Windrose common shares and Windrose OP units the opportunity to participate in the future growth of the combined company and to continue to have an investment in the healthcare real estate industry through a larger and more diversified enterprise. The all-stock merger consideration also would allow Windrose equity holders to participate in an increase in value of the merger consideration prior to the closing of the mergers if the market price of Health Care REIT common stock increases above \$40.05 per share. Windrose's board of trustees also considered the possibility that Windrose shareholders and holders of Windrose OP units could benefit from the merger as a strategic business combination that could permit Windrose shareholders and holders of Windrose OP units with the possibility of benefits resulting from a more diversified mix of assets, synergies from the combination, economies of scale, enhanced access to capital through a combination with a much larger, investment grade rated company with stronger credit ratings and less financial leverage than Windrose, a broader and deeper investment pipeline, and an expanded opportunity to develop properties internally for the combined company.

Increase in Dividends. The Windrose board of trustees considered the increase in dividends payable to shareholders. Windrose declared a dividend to common shareholders for the second quarter of 2006 of \$0.235 per common shares while Health Care REIT declared a second quarter 2006 dividend of \$0.64 per share of common stock. Based on the exchange ratio and assuming the continuation of Health Care REIT's current dividend rate, Windrose shareholders and holders of Windrose OP units will receive an effective increase in dividend payments after the mergers of 22.8% to 26.6%.

Synergies. The Windrose board of trustees noted that there would be only approximately \$1.0 million to \$2.0 million of annual cost synergies arising out of the mergers, primarily as a result of the reduction of general and administrative costs associated with being a public company. Aside from saving costs related to being a public company, the Windrose board of trustees noted that only minimal cost synergies with respect to

personnel would be obtained given that Windrose would continue to operate as a separate division within the combined company. It also was anticipated that certain existing Windrose employees would be given the opportunity to remain with the combined company or, if terminated, to receive appropriate severance payments.

Other Available Strategic Alternatives. Windrose's board of trustees reviewed possible alternatives to a negotiated merger with Health Care REIT, including continuing to operate Windrose as an

Table of Contents

independent company or seeking a business combination with another company. In this regard, Windrose's board of trustees (i) noted that Windrose had not had any substantive discussions with another potential buyer and (ii) considered with its financial advisors other potential combination candidates. However, no other transaction as timely or as favorable seemed likely and no other transaction presented as favorable a strategic combination of similar, yet complementary, approaches and philosophies as the combination of Windrose and Health Care REIT. In addition, Windrose's board of trustees considered Windrose's strategic plan as an independent company, and management's belief that Windrose's ability to pursue its plan would be enhanced by the merger.

Terms of the Merger Agreement. The Windrose board of trustees, with the assistance of its legal advisors, reviewed the terms of the merger agreement, including:

the limited nature of the closing conditions included in the merger agreement, including the absence of regulatory consents and any financing contingency, and the inclusion of conditions as to requisite approvals of the Windrose shareholders. In that regard, Windrose's board of trustees noted that the transaction is not subject to approval by Health Care REIT's stockholders or holders of Windrose preferred shares or Windrose OP units;

the ability of Windrose's board of trustees to respond to and engage in discussions or negotiations regarding unsolicited third party acquisition proposals under specified circumstances if the Windrose board of trustees concludes in good faith that such proposal is reasonably likely to lead to a superior acquisition proposal (as defined in The Merger Agreement Covenants and Agreements No Solicitation) and, under specified circumstances, to withdraw its recommendation that the shareholders vote in favor of approving the merger or to recommend a superior acquisition proposal to the shareholders and terminate the merger agreement to enter into an agreement with respect to that superior acquisition proposal;

the obligation of Windrose to pay all or a portion of a termination fee of \$16.9 million, reimburse Health Care REIT for fees and expenses paid in connection with obtaining certain third party consents to the mergers in an amount up to \$2.5 million and pay out-of-pocket expenses incurred by Health Care REIT of up to \$900,000 if the merger agreement is terminated under certain circumstances, as described in The Merger Agreement Termination Fees, Lender Consent Fees and Expense Reimbursement. The Windrose board of trustees noted that both Windrose and Health Care REIT are each obligated to reimburse the other party for certain amounts up to specified limits if the merger agreement is terminated due to a breach of the representations, warranties, covenants or agreements contained in the merger agreement. The Windrose board of trustees also noted that the termination payment provisions of the merger agreement could have the effect of discouraging alternative proposals for a business combination with Windrose. On balance, however, the Windrose board of trustees determined that the amount of the fee that Windrose may be obligated to pay, and the circumstances under which it may be payable, are typical for transactions of this size and type and were a necessary aspect of ensuring Health Care REIT's entry into the merger agreement; and

the ability of Windrose's management and employees to continue to run the business consistent with past practices, with some enumerated limitations, during the period between the signing of the merger agreement and the closing of the mergers.

Interim Financing. The Windrose board of trustees considered Health Care REIT's obligation to provide interim financing to Windrose so that it could continue to fund acquisitions and developments within the boundaries of the restrictive covenants contained in the merger agreement during the period between the signing of the merger agreement and the closing of the mergers. See The Merger Agreement Related Agreements Interim Financing for a discussion of the terms of the interim financing. Windrose's board of

trustees also considered the effect of the repayment provisions in certain instances that could have the effect of discouraging alternative proposals for a business combination with Windrose. On balance, however, the Windrose board of trustees determined that the access to capital during the period between the signing of the merger agreement and the closing of the mergers outweighed the potential effect of discouraging an alternative business combination proposal.

Continued Representation on Health Care REIT's Board and in Management. Fred S. Klipsch, the chairman and chief executive officer of Windrose, will join Health Care REIT's board after completion of the mergers. In addition, Mr. Klipsch, Frederick L. Farrar, the president, chief operating officer and treasurer of Windrose, and Daniel R. Loftus, the executive vice president, secretary and general counsel of Windrose, will become executive officers of Health Care REIT and the Windrose Medical Properties division of Health Care REIT after completion of the mergers.

Due Diligence Review. The Windrose board of trustees considered the results of the due diligence review of, among other things, Health Care REIT's business and operations, results of operations, financial condition, competitive position, management practices, outstanding legal proceedings and compliance with health care laws and regulations, as well as current industry, market, economic and government regulatory conditions and trends. This due diligence review was conducted on behalf of Windrose by Windrose's management, financial advisors and legal counsel.

JPMorgan Analysis and Fairness Opinion. The presentations by and analyses of JPMorgan and the opinion of JPMorgan given orally and confirmed in writing on September 12, 2006 that the merger consideration provided for in the merger agreement was, as of that date, fair from a financial point of view to holders of Windrose common shares, as more fully described below under the caption "Opinion of Windrose's Financial Advisor."

Potential Risks of the Mergers. Windrose's board of trustees considered a number of potential risks associated with the merger and the merger agreement in connection with its evaluation of the mergers, some of which are described above in this section, including:

the possibility that, due to the all-stock merger consideration, the value of the merger consideration could decrease prior to the closing of the mergers if the trading price of Health Care REIT common stock decreases below \$38.84 per share, especially in light of the significant appreciation in the stock price of Health Care REIT's common stock during the period between the initiation of discussions relating to the mergers and the entry into the merger agreement;

the possibility that the mergers might not be completed as a result of the failure to satisfy certain closing conditions, including securing approvals from third parties and from Windrose shareholders;

the risk that prior to completion or abandonment of the mergers, Windrose is required to conduct its business only in the ordinary course of business consistent with past practice and subject to certain operational restrictions that could damage Windrose's business if the mergers are not completed;

the risks arising from the challenges of integrating the businesses, management teams, strategies, cultures and organizations of the two companies, including unanticipated costs, diversion of management's attention, operational interruptions or the loss of key employees or tenants;

the significant cost involved in connection with completing the mergers, especially if the merger agreement is terminated and the mergers are not completed or are abandoned; and

other applicable risks described above under "Risk Factors - Risks Relating to the Mergers."

In the judgment of the Windrose board of trustees, however, these potential risks were outweighed by the potential benefits of the mergers described above.

The above discussion is not intended to be exhaustive, but does set forth the material information and factors considered by Windrose's board of trustees in its consideration of the merger and the merger agreement. Although each member of Windrose's board of trustees individually considered these and other factors, Windrose's board of trustees did not collectively assign any specific or relative weights to the factors considered and did not make any determination with respect to any individual factor. Rather, Windrose's board of trustees made its recommendation based on the totality of information presented to, and the investigation conducted by, it. In considering the factors discussed above, individual trustees may have given different weights to different factors. Except as noted above, the possible negative impact on Windrose was not quantified. The Windrose board of trustees collectively made its determination based on the conclusions

reached by its members, in light of the factors that each of them considered appropriate, that the merger is advisable on the terms set forth in the merger agreement.

THE WINDROSE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT HOLDERS OF WINDROSE COMMON SHARES VOTE FOR APPROVAL OF THE MERGER.

Opinion of Windrose's Financial Advisor

Pursuant to an engagement letter dated August 2, 2006, Windrose retained JPMorgan as its financial advisor in connection with the proposed merger.

At the meeting of the board of trustees of Windrose on September 12, 2006, JPMorgan rendered its oral opinion, subsequently confirmed in writing, to the board of trustees that, as of such date and based upon and subject to the factors, limitations and assumptions set forth in its opinion, the exchange ratio in the proposed merger was fair, from a financial point of view, to holders of Windrose common shares. No limitations were imposed by the board of trustees upon JPMorgan with respect to the investigations made or procedures followed by it in rendering its opinion.

The full text of the written opinion of JPMorgan, dated September 12, 2006, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limits on the opinion and review undertaken in connection with rendering its opinion, is included as *Appendix D* to this proxy statement/prospectus and is incorporated herein by reference. Holders of Windrose common shares are urged to read the opinion in its entirety.

JPMorgan's opinion is addressed to Windrose's board of trustees, is directed only to the exchange ratio in the proposed merger and does not constitute a recommendation to any shareholder of Windrose as to how such shareholder should vote with respect to the proposed merger or any other matter. JPMorgan's opinion did not address the underlying decision by Windrose or its board of trustees to engage in the proposed merger. The summary of the opinion of JPMorgan set forth in this proxy statement/prospectus is qualified in its entirety by reference to the full text of such opinion.

In arriving at its opinion, JPMorgan, among other things:

reviewed a draft dated September 12, 2006 of the merger agreement;

reviewed certain publicly available business and financial information concerning Windrose and Health Care REIT and the industries in which they operate;

compared the financial and operating performance of Windrose and Health Care REIT with publicly available information concerning certain other companies JPMorgan deemed relevant and reviewed the current and historical market prices of Windrose common shares and Health Care REIT common stock and certain publicly traded securities of such other companies;

reviewed certain internal financial analyses and forecasts prepared by the managements of Windrose and Health Care REIT relating to their respective businesses, as well as the estimated amount and timing of the cost savings and related expenses and synergies expected to result from the proposed merger (which we refer to in this proxy statement/prospectus as the synergies);

performed such other financial studies and analyses and considered such other information as JPMorgan deemed appropriate for the purposes of its opinion; and

reviewed publicly available information relating to many selected transactions in the industry. Given changes in the interest rate environment and the fundamental differences between different segments within the industry, no precedent transactions were deemed by JPMorgan to be sufficiently comparable so as to be relevant to the analysis.

JPMorgan also held discussions with certain members of the managements of Windrose and Health Care REIT with respect to certain aspects of the proposed merger, the past and current business operations of Windrose and Health Care REIT, the financial condition and future prospects and operations of Windrose and Health Care REIT, the effects of the proposed merger on the financial condition and future prospects of

Windrose and Health Care REIT, and certain other matters JPMorgan believed necessary or appropriate to its inquiry.

In giving its opinion, JPMorgan relied upon and assumed, without assuming responsibility or liability for independent verification, the accuracy and completeness of all information that was publicly available or was furnished to or discussed with JPMorgan by Windrose and Health Care REIT or otherwise reviewed by or for JPMorgan. JPMorgan did not conduct and was not provided with any valuation or appraisal of any assets or liabilities, and JPMorgan did not evaluate the solvency of Windrose or Health Care REIT under any state, federal or foreign laws relating to bankruptcy, insolvency or similar matters. In relying on analyses and forecasts provided to it, including the synergies, JPMorgan assumed that such analyses and forecasts were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of Windrose and Health Care REIT to which such analyses or forecasts related. JPMorgan expressed no view as to such analyses or forecasts, including the synergies, or the assumptions on which they were based. JPMorgan has also assumed that the proposed merger will have the tax consequences described in discussions with, and materials furnished to JPMorgan by, representatives of Windrose, and that the other transactions contemplated by the merger agreement will be consummated as described in the merger agreement, and that the definitive merger agreement will not differ in any material respects from the draft thereof furnished to JPMorgan. JPMorgan relied as to all legal matters relevant to rendering its opinion upon the advice of counsel. JPMorgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the merger would be obtained without any waiver of any condition to the completion of the merger contained in the merger agreement.

JPMorgan's opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to JPMorgan as of, September 12, 2006. It should be understood that subsequent developments may affect JPMorgan's opinion and that JPMorgan does not have any obligation to update, revise or reaffirm its opinion. JPMorgan's opinion is limited to the fairness, from a financial point of view, to holders of Windrose common shares of the exchange ratio in the proposed merger, and JPMorgan has expressed no opinion as to the fairness of the proposed merger to, or any consideration of, the holders of any other class of securities, creditors or constituencies of Windrose, including the holders of Windrose OP units and the Windrose preferred shares, or as to the underlying decision by Windrose to engage in the proposed merger. JPMorgan expressed no opinion as to the price at which Windrose common shares or Health Care REIT common stock would trade at any future time.

JPMorgan's opinion notes that it was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of Windrose or any other alternative transaction.

Summary of Certain Financial Analyses Conducted by JPMorgan

In connection with rendering its opinion to the board of trustees, JPMorgan performed a variety of financial and comparative analyses, including those described below. The summary set forth below does not purport to be a complete description of the analyses or data presented by JPMorgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. JPMorgan believes that the summary set forth below and its analyses must be considered as a whole and that selecting portions thereof, or focusing on information in tabular format, without considering all of its analyses and the narrative description of the analyses, could create an incomplete view of the processes underlying its analyses and opinion. The order of analyses described does not represent the relative importance or weight given to those analyses by JPMorgan. In arriving at its fairness determination, JPMorgan considered the results of all the analyses and did not attribute any particular weight to any factor or analysis considered by it; rather, JPMorgan arrived at its opinion based on the results of all the analyses undertaken by it and assessed as a whole. JPMorgan's analyses are not necessarily indicative of actual values or actual future results that might be achieved, which values may be higher or lower than those indicated. Moreover, JPMorgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which

businesses actually could be bought or sold. Except as otherwise noted, the following quantitative information, to the

Table of Contents

extent that it is based on market data, is based on market data as it existed on or before September 12, 2006 and is not necessarily indicative of current market conditions.

JPMorgan's opinion and financial analyses were only one of the many factors considered by Windrose's board of trustees in its evaluation of the proposed merger and should not be viewed as determinative of the views of Windrose's board of trustees or management with respect to the proposed merger or the merger consideration. The consideration was determined through negotiation between Windrose and Health Care REIT.

Historical Common Stock Performance and Exchange Ratio Analysis: JPMorgan's analysis of the performance of Windrose common shares and Health Care REIT common stock comprised a historical analysis of their respective trading prices over the period from September 12, 2005 to September 12, 2006, the last trading day prior to the public announcement of the merger. During that twelve-month period, Windrose common shares achieved a closing price high of \$15.75 per share and a closing price low of \$13.59 per share on February 9, 2006 and May 24, 2006, respectively. During the same time period, Health Care REIT common stock achieved a closing price high of \$40.05 per share and a closing price low of \$32.88 per share on September 12, 2006 and May 23, 2006, respectively. JPMorgan noted that the ratio of the value of the Windrose common shares to the value of Health Care REIT common stock as calculated using the daily closing prices of Windrose common shares and Health Care REIT common stock were as follows:

Period Ended on 9/12/2006	High (x)	Low (x)	Average (x)	Median (x)
1 week	0.3800	0.3749	0.3775	0.3785
1 month	0.4030	0.3749	0.3881	0.3886
3 months	0.4290	0.3749	0.4025	0.4038
6 months	0.4385	0.3749	0.4085	0.4074
1 year	0.4483	0.3749	0.4147	0.4131

JPMorgan noted that the range of the merger exchange ratio was from 0.4509 to 0.4650 and that, as of September 12, 2006, such ratio was 0.4509.

The purpose of this historical stock trading analysis is to provide illustrative exchange ratios, or a measure of the relative market values of Windrose common shares to Health Care REIT common stock for the periods specified.

Publicly-Traded Comparable Company Analysis: JPMorgan compared the financial and operating performance of Windrose and Health Care REIT with publicly available information of selected publicly traded companies engaged in businesses which JPMorgan deemed relevant to Windrose's and Health Care REIT's businesses. The companies were as follows:

Health Care Property Investors, Inc.;

Ventas, Inc.;

Nationwide Health Properties, Inc.;

Healthcare Realty Trust Incorporated;

Senior Housing Properties Trust;

Omega Healthcare Investors, Inc.;

LTC Properties, Inc.;

Medical Properties Trust, Inc.;

Cogdell Spencer Inc.; and

Universal Health Realty Income Trust.

These companies were selected because, among other reasons, they share similar business characteristics to Windrose and Health Care REIT. However, none of the companies selected is identical or directly

Table of Contents

comparable to Windrose or Health Care REIT. Accordingly, JPMorgan made judgments and assumptions concerning differences in financial and operating characteristics of the selected companies and other factors that could affect the public trading value of the selected companies.

For each of the selected companies, JPMorgan calculated:

Closing stock prices as of September 12, 2006 divided by estimated FFO (FFO means Funds From Operations, defined as net income (loss) (computed in accordance with GAAP), excluding gains (or losses) from sales of properties, plus real estate-related depreciation and amortization and other comparable adjustments for Windrose's portion of these items related to unconsolidated entities and joint ventures) for the calendar years 2006 and 2007, referred to as Price / FFO multiple ; and

Closing stock prices as of September 12, 2006 divided by estimated FAD (FAD means Funds Available for Distribution, defined as FFO excluding the non-cash straight-line rental adjustments) for the calendar years 2006 and 2007, referred to as Price / FAD multiple.

The estimates of FFO and FAD for each of the selected companies were based on publicly available estimates of certain securities research analysts.

The following table reflects the results of the analysis:

Trading Multiples Analysis	Range (x)		Median (x)	Average (x)
Price / FFO (calendar year 2006)	12.2	16.7	13.6	14.0
Price / FFO (calendar year 2007)	10.3	14.9	12.9	12.9
Price / FAD (calendar year 2006)	13.1	17.6	13.9	14.5
Price / FAD (calendar year 2007)	12.0	15.8	13.0	13.4

Based on the Price / FFO multiple ranges set forth in the table above, this analysis implied a range for Windrose common shares of \$14.60 to \$17.40 per share and for Health Care REIT common stock of \$36.50 to \$42.55 per share. JPMorgan noted that the implied range of exchange ratios given these ranges was 0.345 to 0.475. Based on the Price / FAD multiple ranges set forth in the table above, this analysis implied a range for Windrose common shares of \$14.25 to \$16.75 per share and for Health Care REIT common stock of \$38.20 to \$44.10 per share. JPMorgan noted that the implied range of exchange ratios given these ranges was 0.325 to 0.440.

Relative Contribution Analysis: JPMorgan reviewed the relative contribution of Windrose and Health Care REIT to the forecasted net operating income, or NOI, FFO, FAD and dividends of the combined company for the calendar year 2006. The calendar year 2006 forecasted NOI, FFO, FAD and dividends for both Windrose and Health Care REIT were based on management estimates. JPMorgan also reviewed contribution based on Wall Street consensus estimates for calendar year 2006 FFO and FAD. The relative contribution analysis did not take into effect the impact of any synergies as a result of the proposed merger.

Table of Contents

JPMorgan adjusted the relative contribution percentages resulting from NOI to reflect the relative capital structures for each of Windrose and Health Care REIT, including the conversion of outstanding Windrose preferred shares into Windrose common shares on an economic basis (*i.e.*, when Windrose's value per share exceeded \$15.75). The adjusted relative contribution percentages resulting from NOI as well as the relative contribution percentages based on FFO, FAD and dividends were used to determine the implied pro forma ownership percentages, or pro forma ownership, of the combined company for the common stockholders of Health Care REIT and Windrose. The pro forma ownership percentages were used to determine the implied exchange ratio of each Windrose common share to Health Care REIT common stock. The following table presents the results of the relative contribution analysis based on management estimates and Wall Street consensus estimates:

	Percentage Implied Ownership of the Combined Company		Implied Exchange Ratio
	Windrose Shareholders	Health Care REIT Stockholders	
Management			
CY 2006 NOI	16.8%	83.2%	0.513

Dividend Discount Model Analysis. JPMorgan calculated ranges of implied equity value per share for both Windrose common shares and Health Care REIT common stock by performing dividend discount model analysis based on management projections for the calendar years 2006 through 2011 for both Windrose and Health Care REIT. The dividend discount model analysis assumed a valuation date of December 31, 2006 and did not take into effect the impact of any synergies as a result of the proposed merger.

A dividend discount model analysis is a traditional method of evaluating a stock by estimating the future dividends of a stock and taking into consideration the time value of money with respect to those future dividends by calculating the present value of the estimated future dividends of the stock. Present value refers to the current value of one or more future dividends from a stock and is obtained by discounting those future dividends or amounts by a discount rate that takes into account macro-economic assumptions and estimates of risk, the opportunity cost of capital, expected returns, the capital structure of a company and other appropriate factors. Other financial terms utilized below are terminal value, which refers to the value of all future dividends from a stock at a particular point in time.

In arriving at the estimated equity values per Windrose common share, JPMorgan calculated terminal values per Windrose common share as of December 31, 2011 by applying a range of perpetual dividend growth rates of 1.75% to 2.25% and a range of discount rates of 10.5% to 11.5%. The dividend per Windrose common share for each of the calendar years 2007 through 2011 and the terminal value per Windrose share were then discounted to present values

using a range of discount rates of 10.5% to 11.5% in order to derive a range of equity values per Windrose common share. In calculating an equity value per Windrose common share, JPMorgan adjusted the equity value for the conversion of outstanding Windrose preferred shares into common shares on an economic basis (*i.e.*, converted to common equity when the value per Windrose common share exceeded \$15.75 and treated as debt when the value per Windrose common share was below \$15.75).

Table of Contents

In arriving at the estimated equity values per share of Health Care REIT common stock, JPMorgan calculated terminal values as of December 31, 2011 by applying a range of perpetual dividend growth rates of 1.75% to 2.25% and a range of discount rates of 9.0% to 10.0%. The dividend per share of Health Care REIT common stock for each of the calendar years 2007 through 2011 and the terminal value per Windrose common share were then discounted to present values using a range of discount rates of 9.0% to 10.0% in order to derive a range of equity values for shares of Health Care REIT common stock.

Based on the assumptions set forth above, this analysis implied a range for Windrose common shares of \$14.90 to \$17.00 per share and for shares of Health Care REIT common stock of \$33.55 to \$40.15 per share. JPMorgan noted that the implied range of exchange ratios given these ranges was 0.370 to 0.505. JPMorgan noted that the range of the merger exchange ratio was from 0.4509 to 0.4650 and that, as of September 12, 2006, such ratio was 0.4509.

Net Asset Value Analysis. JPMorgan performed a net asset value per share analysis for both Windrose and Health Care REIT. In order to calculate the aggregate property value of Windrose, JPMorgan valued the properties of Windrose by applying market capitalization rates to calendar year 2007 estimated, aggregated same-store NOI. Based on guidance from Windrose and taking into consideration current market conditions, the perceived quality of the properties as a whole and publicly available information regarding capitalization rates, JPMorgan applied capitalization rates of 7.50% to 7.75% to medical office buildings, 8.25% to ambulatory surgery centers, and 8.50% to hospitals to derive a range of aggregate property values for Windrose. JPMorgan then added the estimated value of Windrose's other assets and subtracted:

debt of Windrose as of June 30, 2006 as reported in its public filings;

other outstanding liabilities; and

marked-to-market adjustment for Windrose's debt

to derive estimates of Windrose's aggregate net asset value. JPMorgan calculated the implied net asset value per share range by dividing the calculated aggregate net asset value by the number of Windrose common shares outstanding as of June 30, 2006 (including the dilutive effect of options at the most current stock price), including the conversion of outstanding Windrose preferred shares into common shares on an economic basis (*i.e.*, when the value per Windrose common share exceeded \$15.75).

In order to calculate the aggregate property value of Health Care REIT, JPMorgan valued the properties of Health Care REIT by applying market capitalization rates to calendar year 2007 estimated, aggregated net operating income. Based on guidance from Health Care REIT and taking into consideration current market conditions, the perceived quality of the properties as a whole and publicly available information regarding capitalization rates, JPMorgan selected capitalization rates of 7.50% to 8.25% to apply to Health Care REIT's estimated calendar year 2007 same store net operating income to derive a range of aggregate property values for Health Care REIT. JPMorgan then added the estimated value of Health Care REIT's other assets and subtracted:

debt of Health Care REIT as of June 30, 2006 as reported in its public filings;

other outstanding liabilities; and

marked-to-market adjustment for Health Care REIT's debt

to derive estimates of Health Care REIT's aggregate net asset value. JPMorgan calculated the implied net asset value per share range by dividing the calculated aggregate net asset value by the number of shares of Health Care REIT

common stock as of June 30, 2006 (including the dilutive effect of options at the most current stock price).

Based on the assumptions set forth above, this analysis implied a range for Windrose common shares of \$16.10 to \$16.80 per share and for shares of Health Care REIT common stock of \$35.10 to \$40.85 per share. JPMorgan noted that the implied range of exchange ratios given these ranges was 0.395 to 0.480. JPMorgan noted that the range of the merger exchange ratio was from 0.4509 to 0.4650 and that, as of September 12, 2006, such ratio was 0.4509.

Pro Forma Analysis. JPMorgan analyzed the pro forma impact of the merger on estimated FFO per share and FAD per share for Health Care REIT and Windrose for calendar years 2007 and 2008. The pro forma results were calculated as if the merger were to close on December 31, 2006 and were based on estimated earnings as well as potential synergies derived from management for both Health Care REIT and Windrose. The following table presents the accretion (dilution) analysis on Health Care REIT's and Windrose's earnings per share for calendar years 2007 and 2008, based on pro forma FFO per Windrose common share and FAD per Windrose common share:

	Accretion / (Dilution)	
	CY2007	CY2008
FFO per share		
Health Care REIT	1.4%	3.0%
Windrose	(5.7)%	(10.9)%
FAD per share		
Health Care REIT	0.9%	1.7%
Windrose	(3.0)%	(5.5)%

Value Creation Analysis. JPMorgan analyzed the pro forma impact of the merger on the equity value per share of Windrose common shares. The pro forma results were calculated as if the merger were to close on December 31, 2006 and were based on the unaffected price per Windrose common share on September 12, 2006, prior to the public announcement by Windrose and Health Care REIT of the merger. JPMorgan calculated the potential increase (decrease) in the equity value per Windrose common share based on the after-tax present value of the expected synergies that could be achieved by the combined company after taking into account the cost of achieving the synergies and transaction expenses. The analysis was based on the exchange ratio as of September 12, 2006 of 0.4509 and on estimates derived from management estimates for synergies for each of Windrose and Health Care REIT. Based on the assumptions set forth above, this analysis implied value creation per Windrose common share of up to \$2.46 relative to its closing price per share of \$15.18 on September 12, 2006.

Miscellaneous

As a part of its investment banking business, JPMorgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions; investments for passive and control purposes; negotiated underwritings; secondary distributions of listed and unlisted securities; private placements; and valuations for estate, corporate and other purposes.

JPMorgan was selected by Windrose as its financial advisor based on JPMorgan's qualifications, reputation and experience in the valuation of businesses and securities in connection with mergers and acquisitions and its familiarity with Windrose. Windrose engaged JPMorgan to provide financial advisory services to Windrose's board of trustees in connection with the merger, including, among other things, delivering its opinion. Pursuant to the terms of the engagement letter, Windrose has agreed to pay JPMorgan a fee of 0.75% of the aggregate consideration, which includes the indebtedness of Windrose assumed by Health Care REIT, to be paid in the merger if the merger is completed. Such fee would have equaled approximately \$6.6 million on September 12, 2006, the date the merger agreement was executed. While a customary portion of the fee was paid upon announcement of the merger, a significant portion of JPMorgan's fee is contingent upon the completion of the merger. In addition, Windrose has agreed to reimburse JPMorgan for its reasonable expenses incurred in connection with its engagement, including the reasonable fees of its counsel. Such reimbursement will not exceed \$60,000 without Windrose's prior consent. Windrose has agreed to indemnify JPMorgan for certain liabilities arising out of its engagement, including liabilities under federal securities laws.

JPMorgan and its affiliates have provided investment banking and commercial banking services from time to time to Windrose, Health Care REIT and their respective affiliates for which it has received customary fees. Such past services for Health Care REIT have included (i) acting as a participating lender in a revolving credit facility in 2003, as amended and restated in 2005 and 2006, (ii) acting as co-manager in two senior unsecured notes offerings in 2005 and (iii) acting as manager in a cumulative redeemable preferred stock offering in

Table of Contents

2004. Such past services for Windrose have included acting as co-manager for a revolving credit facility in 2003. JPMorgan noted that in the ordinary course of its businesses, JPMorgan and its affiliates may actively trade the debt and equity securities of Windrose and Health Care REIT for its own account or for the accounts of customers and, accordingly, it may at any time hold long or short positions in such securities.

Health Care REIT's Reasons for the Mergers

In the course of reaching its decision on September 12, 2006 to approve the merger agreement and the issuance of shares of Health Care REIT common stock to Windrose shareholders and holders of Windrose OP units, the Health Care REIT board of directors considered and reviewed with senior management and outside financial and legal advisors a significant amount of information and factors relevant to the merger, including but not limited to the following:

the belief of Health Care REIT's board, shared by Health Care REIT's management, that the portfolio of properties that Health Care REIT would acquire from Windrose in the mergers has positive long-term prospects;

the expertise of Windrose's management team relating to medical office buildings and other specialty medical properties;

the fact that the mergers, if consummated, would result in Health Care REIT achieving a critical mass in a targeted new asset class that would be complementary to Health Care REIT's existing portfolio;

the fact that the mergers, if consummated, would result in the diversification of Health Care REIT's asset base; and

the belief of Health Care REIT's board of directors that the overall terms of the merger agreement are fair to Health Care REIT.

Health Care REIT's board of directors also considered a variety of risks and other potentially negative factors concerning the merger. These factors included but were not limited to the following:

the potential difficulties that Health Care REIT might experience integrating the Windrose portfolio;

the risk that Windrose shareholders might not approve the merger;

the risk that the anticipated benefits of the mergers might not be fully realized;

the risks to Health Care REIT associated with the provision of interim financing to Windrose on the terms proposed in the event that the mergers are not completed; and

the possible disruption to Health Care REIT's business that might result from the announcement of the mergers and the resulting distraction of the attention of Health Care REIT's management.

The foregoing discussion of the information and factors considered by Health Care REIT's board of directors is not intended to be exhaustive but, Health Care REIT believes, includes all material factors considered by its board of directors. The Health Care REIT board of directors did not assign any specific or relative weight to the information it reviewed in the course of its consideration. Based on the factors outlined above, the board of directors determined that the merger agreement and the transactions contemplated thereby are advisable and in the best interests of Health Care REIT and the holders of its common stock.

Interests of Windrose's Trustees and Executive Officers in the Mergers

In considering the recommendation of Windrose's board of trustees with respect to the merger, you should be aware that, as described below, certain executive officers and trustees of Windrose have interests in, and will receive benefits from, the mergers and certain other transactions contemplated by the merger agreement that are different from, or in addition to, the interests of Windrose shareholders generally. Windrose's board of trustees was aware of the interests described below and considered them, among other matters, when approving the merger agreement and recommending that Windrose shareholders vote to approve the merger.

Table of Contents

Representation on the Health Care REIT Board of Directors. The merger agreement provides that Fred S. Klipsch, Windrose's current chairman of the board and chief executive officer, will be appointed to the Health Care REIT board of directors upon completion of the merger, provided that such appointment would not be in violation of any applicable legal requirements or rules of the New York Stock Exchange. In the event the appointment of Mr. Klipsch would be in violation of any applicable legal requirements or rules of the New York Stock Exchange or if Mr. Klipsch is unwilling or unable to serve, the Health Care REIT board of directors will appoint a replacement nominated by Windrose, subject to the consent of Health Care REIT, which consent will not unreasonably be withheld. Mr. Klipsch will not receive compensation for his services as a director of Health Care REIT during the term of his consulting agreement.

New Consulting and Employment Agreements with Health Care REIT. Each of Messrs. Klipsch and Farrar has entered into a consulting agreement with Health Care REIT as described under The Merger Agreement Related Agreements Consulting and Employment Agreements. Under these agreements, Messrs. Klipsch and Farrar will be entitled to receive certain material benefits, including, among other things, an up front cash payment from Health Care REIT equal to \$1.68 million and \$1.2 million payable to Mr. Klipsch and Mr. Farrar, respectively. These cash payments will be made in lieu of amounts payable to each of them upon termination without cause or resignation for good reason within 24 months of a change in control under the change in control severance agreements effective August 22, 2002 and the employment agreements dated February 21, 2005 between Mr. Klipsch, Windrose and Windrose OP, and between Mr. Farrar, Windrose and Windrose OP. In addition, Health Care REIT has agreed to indemnify Messrs. Klipsch and Farrar for any excise taxes assessed against these executive officers under Section 4999 of the Code as a result of benefits, payments, accelerated exercisability and vesting of equity awards and other rights under the consulting agreements or otherwise.

Daniel R. Loftus has entered into an employment agreement with Health Care REIT as described under The Merger Agreement Related Agreements Consulting and Employment Agreements. Mr. Loftus's employment agreement with Health Care REIT supersedes the change in control severance agreement, effective February 3, 2006, between Mr. Loftus, Windrose and Windrose OP. Health Care REIT has agreed to indemnify Mr. Loftus for any excise taxes assessed against him under Section 4999 of the Code as a result of benefits, payments, accelerated exercisability and vesting of equity awards and other rights under the employment agreement or otherwise.

Acquisition Opportunities; Finder's Fees. The Windrose management team continues to pursue acquisition opportunities, subject to compliance with the pre-merger closing covenants contained in the merger agreement. Windrose expects to fund individual property or small portfolio acquisitions primarily from the credit facility made available to Windrose by Health Care REIT. It is the intent of the parties, however, to fund certain larger acquisition opportunities, if consummated prior to the closing of the mergers, through joint ventures between Health Care REIT and Windrose. The joint ventures are expected to be funded and controlled primarily by Health Care REIT and Windrose's share of the equity in the joint venture is expected to be funded from the credit facility made available to Windrose by Health Care REIT. In connection with certain identified acquisition opportunities, Health Care REIT has agreed that fees not exceeding \$1,250,000, \$300,000 and \$200,000 would be paid to Messrs. Klipsch, Farrar and Loftus, respectively, pursuant to terms to be negotiated by the parties. Except as noted above and as contemplated by the consulting and employments agreements between Health Care REIT and Messrs. Klipsch, Farrar and Loftus, there are no other agreements or arrangements between Health Care REIT and Messrs. Klipsch, Farrar and Loftus as to compensation for their efforts in identifying, pursuing or consummating any other acquisition opportunities on behalf of Windrose.

Option Vesting, Conversion of Options and Restricted Stock Awards. Pursuant to the merger agreement, all outstanding options to acquire Windrose common shares granted under the Windrose Employee Share Purchase Plan and the Amended and Restated 2002 Stock Incentive Plan (or its predecessor 2002 Stock Incentive Plan), which plans

are referred to in this section as the stock plans, will become fully vested and will be converted into options to acquire the number of shares of Health Care REIT common stock multiplied by the exchange ratio. The Health Care REIT options will have the same general terms and conditions as the Windrose options from which they were converted, except that the per share exercise price of each option to

Table of Contents

acquire shares of Health Care REIT common stock will be determined by dividing the exercise price of each Windrose option by the exchange ratio. As of the record date, the executive officers and trustees of Windrose held in the aggregate outstanding options to acquire 632,966 Windrose common shares that were granted pursuant to the stock plans. Of these, options to acquire 322,080 Windrose common shares granted pursuant to the stock plans were unvested as of the record date and will vest in full immediately prior to the completion of the merger.

Pursuant to the merger agreement, any outstanding unvested restricted Windrose common shares held by employees, executive officers and trustees of Windrose that were granted under the stock plans will become fully vested and will be converted into the number of shares of Health Care REIT common stock obtained by multiplying such number of restricted Windrose common shares by the exchange ratio. Such shares of Health Care REIT common stock shall not be subject to restriction or vesting. As of the record date, the executive officers and trustees of Windrose held in the aggregate 59,716 outstanding restricted Windrose common shares, which will vest in full immediately prior to the completion of the merger.

The following table sets forth the estimated potential benefit that each trustee and executive officer of Windrose will derive as a result of the accelerated vesting of equity-based compensation that will occur in connection with the merger. All estimates are based on awards outstanding as of September 12, 2006 and assume a value of \$18.06 per Windrose common share underlying the options and a value of \$18.06 for each restricted Windrose common share. The last reported sale price of a Windrose common share on the New York Stock Exchange on September 12, 2006, the day before the merger was publicly announced, was \$15.18 per share.

Klipsch and Farrar, Steve Klipsch and Mike Klipsch, sons of Mr. Klipsch, Charles Lanham, a former Windrose trustee, Robin Barksdale, a current Windrose employee, and O.B. McCain, an executive vice president of Windrose, have entered into separate agreements with Health Care REIT that provide for the payment by Health Care REIT of a cash amount to such individuals that represents their tax liability resulting from the conversion of certain of their Windrose OP units into Health Care REIT common stock upon completion of the operating partnership merger plus a tax gross-up payment. See The Merger Agreement Related Agreements Tax Indemnity Agreements.

Support Agreements. Each of Fred S. Klipsch and Frederick L. Farrar have entered into a support agreement with Health Care REIT as described under *The Merger Agreement* *Related Agreements* *Support Agreements*.

Indemnification and Insurance. In the merger agreement, Health Care REIT has agreed to provide, from and after the effective time of the merger, exculpation and indemnification for each present and former officer, director or trustee of Windrose or its subsidiaries to the same extent as currently provided in Windrose's declaration of trust and bylaws. Furthermore, Windrose is obligated to purchase, before the completion of the merger, tail directors' and officers' liability insurance for the benefit of Windrose's trustees and officers for a period of six years, which will provide the trustees and officers with coverage on terms no less favorable to Windrose's trustees and officers as is currently provided by Windrose to these trustees and officers. If Windrose fails to obtain such tail insurance policies as of the effective time of the mergers, Health Care REIT has agreed to obtain such tail insurance policies as of the effective time of the mergers. For a more complete discussion of these provisions of the merger agreement, see the section titled *The Merger Agreement* *Covenants and Agreements* *Director and Officer Insurance and Indemnification* of this proxy statement/prospectus.

Completion of the Merger

Health Care REIT and Windrose expect that the merger will be completed as soon as reasonably practicable after the special meeting of Windrose shareholders, assuming Windrose shareholders approve the merger. The completion of the merger could be delayed due to certain factors, including the need for receipt of necessary third party consents. A description of the conditions to the completion of the merger appears below under *The Merger Agreement* *Conditions to the Mergers*.

Vote Required for Approval

It is a condition to the completion of the merger that Windrose's shareholders approve the merger proposal by the required vote. Windrose's declaration of trust and bylaws require that the merger must be affirmatively approved by holders of a majority of the Windrose common shares outstanding and entitled to vote at the special meeting. A vote of the holders of Health Care REIT common stock or holders of Windrose preferred shares or Windrose OP units is not required to approve the merger.

Anticipated Accounting Treatment

It is expected that the merger will be accounted for as a purchase by Health Care REIT of Windrose under U.S. GAAP. Under the purchase method of accounting, the assets and liabilities of the acquired company are, as of completion of the merger, recorded at their respective fair values and added to those of the acquiring company. Financial statements of Health Care REIT issued after consummation of the merger will only reflect the operations of Windrose after the merger and will not be restated retroactively to reflect the historical financial position or results of operations of Windrose.

All unaudited pro forma financial information contained in this proxy statement/prospectus has been prepared using the purchase method to account for the merger. The allocation of the purchase price will be determined after the merger is completed and after completion of an analysis to determine the assigned fair values of Windrose's tangible and identifiable intangible assets and liabilities. In addition, estimates related to restructuring and merger-related charges are subject to final decisions related to combining Health Care REIT and Windrose. Accordingly, the final purchase accounting adjustments and restructuring and merger-related charges may be materially different from the unaudited pro forma adjustments presented in this proxy statement/prospectus.

Merger Fees, Costs and Expenses

All expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring those expenses. Notwithstanding the foregoing, Windrose and Health Care REIT have agreed to pay the other party's out-of-pocket expenses up to specified limits in

certain circumstances if the merger agreement is terminated by one of the parties. See The Merger Agreement Termination Fees, Lender Consent Fees and Expense Reimbursement.

Resale of Health Care REIT Common Stock and Health Care REIT Preferred Stock

The shares of Health Care REIT common stock and Health Care REIT preferred stock issued in the mergers will be registered under the Securities Act. These shares will be freely transferable under the Securities Act, except for shares issued to persons who may be deemed to be affiliates of Windrose for purposes of Rule 145 under the Securities Act. Affiliates may not sell their shares of Health Care REIT common stock or Health Care REIT preferred stock acquired in the mergers except pursuant to an effective registration statement under the Securities Act covering such shares or in compliance with Rule 145 promulgated under the Securities Act or another applicable exemption from the registration requirements of the Securities Act. Persons who may be deemed to be affiliates of Windrose generally include individuals or entities that control, are controlled by, or are under common control with, Windrose and may include officers and trustees of Windrose as well as principal shareholders of Windrose. Health Care REIT will receive an affiliate agreement from persons deemed to be affiliates of Windrose under Section 2(11) of the Securities Act and Rule 145(c) thereunder, which will provide that each affiliate of Windrose will not sell, transfer or otherwise dispose of any shares of Health Care REIT common stock or Health Care REIT preferred stock issued to such person in connection with the mergers except in compliance with the applicable provisions of the Securities Act and the rules and regulations thereunder.

This document does not constitute a registration statement covering resales of shares of Health Care REIT common stock by persons who are otherwise restricted from selling their shares of Health Care REIT common stock pursuant to Rule 144 or Rule 145 of the Securities Act.

Regulatory Matters Related to the Mergers

No material regulatory approvals are required in order to consummate the mergers and the other transactions contemplated by the merger agreement.

No Dissenters or Appraisal Rights

The Maryland REIT Law provides that in some mergers, shareholders who do not vote in favor of a merger and who comply with a series of statutory requirements have the right to receive, instead of the merger consideration, the fair value of their shares as appraised by appraisers appointed by a Maryland court or, in certain circumstances, by the court itself, payable in cash. However, pursuant to the Maryland REIT Law, no dissenters or appraisal rights are available to holders of Windrose common shares with respect to the merger.

Stock Exchange Listing and Related Matters

Health Care REIT has agreed to use its reasonable best efforts to cause the shares of Health Care REIT common stock and Health Care REIT preferred stock to be issued in the mergers to be approved for listing, upon official notice of issuance, on the New York Stock Exchange. Health Care REIT will file a supplemental listing application and a listing application with the New York Stock Exchange after the date of this proxy statement/prospectus. It is a condition to the merger that the Health Care REIT common stock and Health Care REIT preferred stock to be issued in the mergers shall have been approved for listing on the New York Stock Exchange, subject to official notice of issuance.

The merger agreement has been attached to this proxy statement/prospectus to provide you with information regarding its terms. It is not intended to provide any other factual information about Health Care REIT or Windrose. Such information can be found elsewhere in this proxy statement/prospectus and in the other public filings made by Health Care REIT and Windrose with the SEC, which are available without charge at <http://www.sec.gov>.

The merger agreement contains representations and warranties made by and to the parties to the merger agreement as of specific dates. The statements embodied in those representations and warranties were made solely for purposes of the contract between Health Care REIT and Windrose and may be subject to important qualifications and limitations agreed to by Health Care REIT and Windrose in connection with negotiating its terms. In addition, certain representations and warranties are subject to contractual standards of materiality that may be different from what may be viewed as material to shareholders. The representations and warranties may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. For the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

Structure of the Mergers

If the merger is approved by Windrose's shareholders and all other conditions to the mergers are satisfied or waived, Windrose will merge with and into Heat Merger Sub, with Heat Merger Sub continuing as the surviving entity following the merger. Immediately prior to, and as a condition of, the merger, Heat OP Merger Sub will merge with and into Windrose OP, with Windrose OP continuing as the surviving partnership following the operating partnership merger.

Closing and Effective Time of the Merger

Unless otherwise agreed to by Health Care REIT and Windrose, the merger will close on the first business day after all of the conditions set forth in the merger agreement are either satisfied or waived. The merger will become effective when the articles of merger filed with the State Department of Assessments and Taxation of Maryland and the certificate of merger filed with the Secretary of State of Delaware have been accepted for record in accordance with Maryland REIT Law and the DGCL (or such other time as agreed to by Health Care REIT and Windrose and designated in the articles of merger and the certificate of merger). The operating partnership merger will become effective when the articles of merger filed with the State Corporation Commission of Virginia have been accepted for record in accordance with the Virginia Revised Uniform Limited Partnership Act.

Health Care REIT and Windrose are working to complete the merger as quickly as possible. Because completion of the merger is subject to certain conditions that are beyond the control of Health Care REIT and Windrose, the parties cannot predict the exact timing of the closing. Health Care REIT and Windrose expect that the mergers will close as soon as reasonably practicable after the special meeting of Windrose shareholders, assuming Windrose shareholders approve the merger. The completion of the mergers could be delayed due to certain factors beyond the control of Health Care REIT and Windrose, including the receipt of necessary third party consents.

Conversion of Windrose Common Shares, Preferred Shares and OP Units

Windrose Common Shares. At the effective time of the merger, each issued and outstanding Windrose common share (other than the Windrose common shares to be cancelled as described below) automatically will be converted into a fraction of a duly authorized, validly issued, fully paid and non-assessable share of

Table of Contents

Health Care REIT common stock equal to the exchange ratio. The exchange ratio will be equal to the quotient determined by dividing \$18.06 by the parent stock price (as defined below) and rounding the result to the nearest 1/10,000 of a share; *provided, however*, that if such quotient is less than 0.4509, the exchange ratio will be 0.4509 and if such quotient is greater than 0.4650, the exchange ratio will be 0.4650. For purposes of determining the exchange ratio, the parent stock price is the average of the volume weighted average price per share of Health Care REIT common stock on the New York Stock Exchange, as reported on Bloomberg by typing

HCN.N<EQUITY>AQR<GO> , for 10 trading days, selected by lot, from among the 15 consecutive trading days ending on and including the fifth trading day prior to the effective times of the mergers. As of the effective time of the merger, each Windrose common share, when so converted, no longer will be outstanding and automatically will be cancelled and retired.

Upon completion of the merger, each Windrose common share and each Windrose preferred share that is held by Windrose, Windrose OP, any wholly-owned subsidiary of Windrose or Windrose OP, Health Care REIT, Heat Merger Sub or any other wholly-owned subsidiary of Health Care REIT automatically will be cancelled and retired and will cease to exist. No consideration will be delivered in exchange for such securities held by these entities prior to the mergers.

Windrose Preferred Shares. Each Windrose preferred share issued and outstanding immediately prior to the effective time of the merger (other than the Windrose preferred shares to be cancelled as described above) automatically will be converted into a share of the Health Care REIT preferred stock. Immediately prior to the effective time of the merger, the terms of the Health Care REIT preferred stock will be set forth in an amendment to the Second Restated Certificate of Incorporation of Health Care REIT, and such amendment will be filed with the Secretary of State of the State of Delaware and will be effective immediately prior to the effective time of the merger. See Capitalization and Description of Health Care REIT Securities Description of Health Care REIT Preferred Stock for a description of the Health Care REIT preferred stock.

Windrose OP Units. Each Windrose OP unit issued and outstanding immediately prior to the effective time of the operating partnership merger will automatically be converted into a fraction of a duly authorized, validly issued, fully paid and non-assessable share of Health Care REIT common stock equal to the exchange ratio. As of the effective time of the operating partnership merger, each Windrose OP unit, when so converted, no longer will be outstanding and automatically will be cancelled and retired.

No Fractional Shares. No fractional shares of Health Care REIT common stock will be issued to the holders of Windrose common shares or Windrose OP units in the mergers. Instead of fractional shares, any holder of Windrose common shares or Windrose OP units entitled to receive a fractional share of Health Care REIT common stock will be paid cash in respect of any fractional shares that would otherwise be issuable. The amount of the cash payment will be equal to the product of the fractional shares otherwise issuable to such holder and the closing sale price of a share of Health Care REIT common stock on the closing date of the merger, as reported on the New York Stock Exchange.

Treatment of Windrose Stock Options and Restricted Stock Awards

Windrose Stock Options. Each option to acquire Windrose common shares that is outstanding immediately prior to the effective time of the merger (which we refer to in this proxy statement/prospectus as a pre-conversion option) will be fully vested in accordance with the terms of Windrose's Employee Share Purchase Plan, Amended and Restated 2002 Stock Incentive Plan (or its predecessor 2002 Stock Incentive Plan) and the agreement evidencing such pre-conversion option at or prior to the effective time of the merger. At the effective time of the merger, each pre-conversion option will be converted into an option to acquire shares of Health Care REIT common stock (which we refer to in this proxy statement/prospectus as a converted option), with the number of shares of Health Care REIT common stock subject to a converted option equal to the number of Windrose common shares subject to the

pre-conversion option multiplied by the exchange ratio. The exercise price of a converted option will be adjusted to equal the exercise price of the pre-conversion option divided by the exchange ratio. Each converted option will be evidenced by an agreement substantially in the form of the agreements evidencing the pre-conversion options.

Table of Contents

Restricted Stock Awards. Each Windrose common share subject to a restricted stock award that is outstanding immediately prior to the effective time of the merger pursuant to Windrose's Amended and Restated 2002 Stock Incentive Plan (or its predecessor 2002 Stock Incentive Plan) will be fully vested at or prior to the effective time of the merger. At the effective times of the mergers, holders of such Windrose common shares will be entitled to receive the same consideration with respect to the merger as the holders of Windrose common shares.

Exchange of Certificates; No Further Rights; Dividends; Lost, Stolen or Destroyed Certificates

Exchange of Certificates. Health Care REIT will deposit with Mellon Investor Services LLC, or another bank or financial institution, cash and certificates evidencing Health Care REIT common stock and Health Care REIT preferred stock to be paid or issued to the holders of Windrose common shares, Windrose preferred shares and Windrose OP units under and as contemplated by the merger agreement. Promptly after the completion of the mergers, the exchange agent will send each record holder of a certificate evidencing a Windrose common share, a Windrose preferred share or a Windrose OP unit a letter of transmittal and instructions on how to surrender such certificates. Thereafter, each holder of Windrose common shares, Windrose preferred shares and Windrose OP units who returns a duly executed transmittal letter and such other documents as are reasonably required by the exchange agent and surrenders any certificates evidencing such Windrose common shares, Windrose preferred shares or Windrose OP units will receive the following:

in the case of a holder of Windrose common shares and/or Windrose OP units, a certificate or certificates evidencing the number of whole shares of Health Care REIT common stock into which the aggregate number of Windrose common shares and/or Windrose OP units owned by such holder have been converted pursuant to the merger agreement, plus any cash that such holder is entitled to in lieu of fractional shares of Health Care REIT common stock and in respect of any dividends or other distributions to which such holder is entitled; and

in the case of a holder of Windrose preferred shares, a certificate or certificates evidencing the number of shares of Health Care REIT preferred stock into which the aggregate number of Windrose preferred shares owned by such holder have been converted pursuant to the merger agreement and in respect of any dividends or other distributions to which such holder is entitled.

Any portion of the cash and certificates representing shares of Health Care REIT common stock or Health Care REIT preferred stock deposited with the exchange agent that remains undistributed on the date that is six months after the completion of the merger, may be delivered to Health Care REIT, upon demand, and the holders of Windrose common shares, Windrose preferred shares and Windrose OP units must thereafter look only to Health Care REIT for payment of the merger consideration and the preferred merger consideration.

Holders of Windrose common shares, Windrose preferred shares and Windrose OP units should not send their certificates to the exchange agent, Health Care REIT or Windrose. If the merger is completed, you will receive a transmittal letter from the exchange agent containing instructions for the exchange and surrender of your certificates.

No Further Rights. From and after the completion of the mergers, the holders of certificates evidencing ownership of Windrose common shares, Windrose preferred shares or Windrose OP units outstanding immediately before the completion of the mergers will cease to have rights with respect to such shares or units, as the case may be, except as otherwise provided for in the merger agreement and under applicable law. At the effective time of the mergers, the Windrose stock transfer books and the Windrose OP partnership interest transfer books will be closed. At such time, there will be no further registration of transfers of (i) Windrose common shares or Windrose preferred shares that were outstanding immediately prior to the effective time of the merger on the stock transfer books of Heat Merger Sub, the surviving entity following the merger; or (ii) Windrose OP units that were outstanding immediately prior to the

effective time of the operating partnership on the partnership interest transfer books of Windrose OP, the surviving entity following the operating partnership merger.

Table of Contents

Dividends. No dividends or other distributions declared with a record date after the effective time of the merger on shares of Health Care REIT common stock or Health Care REIT preferred stock will be paid with respect to any certificate formerly representing Windrose common shares or Windrose preferred shares until such certificate is surrendered for exchange as provided above or a person claiming a certificate to be lost, stolen or destroyed has complied with the applicable provisions of the merger agreement. Promptly following surrender of any such certificate, there will be paid to the holder of the certificates representing whole shares of Health Care REIT common stock or Health Care REIT preferred stock issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the effective time of the merger and a payment date prior to such surrender but not paid, less the amount of any withholding taxes, and (ii) at the appropriate payment date or as promptly as practicable thereafter, the amount of dividends or other distributions with a record date after the effective time of the merger and a payment date after the date of surrender, less the amount of any withholding taxes. Health Care REIT will, no later than the applicable dividend or distribution payment dates, set aside and provide the exchange agent with the cash necessary to make the payments described immediately above, which shall be held for such purpose and for the sole benefit of the holders of shares of Health Care REIT common stock or Health Care REIT preferred stock.

Lost, Stolen or Destroyed Certificates. If any certificate representing Windrose common shares, Windrose preferred shares or Windrose OP units has been lost, stolen or destroyed, the holder of such certificate must provide an appropriate affidavit to the exchange agent in order to receive consideration therefor in accordance with the merger agreement. Health Care REIT also may require the owner of such lost, stolen or destroyed certificate to deliver a bond as indemnity against any claim that may be made against Health Care REIT or the exchange agent with respect to any such lost, stolen or destroyed certificate.

Conduct of Health Care REIT's Business Prior to the Merger. Until the earlier of the termination of the merger agreement or the effective time of the merger, Health Care REIT has also agreed that it will, and will cause its subsidiaries to, conduct its business in the ordinary course of business consistent with past practice. During the same period, Health Care REIT has also agreed that each of Health Care REIT and its subsidiaries will not, except (i) as consented to in writing by Windrose, which consent is not to be unreasonably withheld, conditioned or delayed, or (ii) as expressly contemplated in the merger agreement:

authorize, recommend, propose or announce an intention to do any of the foregoing prohibited actions, or enter into any contract to do any of the foregoing prohibited actions.

Access to Information. Each of Windrose and Health Care REIT will provide the other and its agents and representatives with reasonable access, upon reasonable advance notice and during normal business hours, to all their respective properties, books, contracts, commitments, personnel, documents and records and will furnish promptly to the other (i) a copy of each report, schedule, registration statement and other document filed by it prior to the effective time of the merger pursuant to the requirements of federal or state securities laws and (ii) all other information concerning its business, properties and personnel as such other party may reasonably request.

Obligation to Call and Hold the Windrose Special Meeting. Windrose will call and hold the special meeting of Windrose shareholders whether or not Windrose's board of trustees determines that the merger agreement or the merger is no longer advisable, recommends the rejection of the merger agreement or the merger by Windrose's shareholders or otherwise withdraws or materially modifies its recommendation of the merger agreement or the merger in a manner adverse to Health Care REIT and its stockholders (which we refer to in this proxy statement/prospectus as an adverse recommendation); *provided, however*, that Windrose will have no obligation to call and hold the special meeting if the merger agreement is terminated:

by Health Care REIT, if:

prior to obtaining Windrose shareholders' approval of the merger, Windrose's board of trustees made an adverse recommendation;

Windrose failed to call or hold the special meeting in accordance with the terms of the merger agreement;

Windrose intentionally and materially breached any of its obligations under the no solicitation and superior acquisition proposal provisions of the merger agreement;

Windrose's board of trustees approved or recommended an acquisition proposal, as described below, made by any person other than Health Care REIT or Heat Merger Sub; or

Windrose entered into a definitive agreement with respect to an acquisition proposal; or

by Windrose, if, prior to obtaining Windrose shareholders' approval of the merger, Windrose's board of trustees approved, and Windrose concurrently entered into, a definitive agreement with respect to a superior acquisition proposal, as described below (but only if Windrose is not then in breach of any of its obligations under the no solicitation and superior acquisition proposal provisions of the merger agreement and has paid the full amount of the termination fee, lender consent fees and parent expense reimbursement, as discussed below).

Consent Fees. In connection with obtaining certain consents to the mergers from third parties, Health Care REIT will pay up to \$2.5 million in fees, make-whole payments and out-of-pocket costs and expenses incurred by Windrose or any subsidiary thereof or associated with the defeasance or redemption of such indebtedness, but not including any fees or expenses associated with internal counsel or fees and expenses in excess of \$300,000 associated with outside counsel for either Health Care REIT or Windrose.

Listing of Shares Issued in the Mergers. Health Care REIT will use its reasonable best efforts to cause the shares of Health Care REIT common stock and Health Care REIT preferred stock issuable in the mergers and shares reserved for issuance pursuant to the exercise of converted options to be approved for listing, upon official notice of issuance, on the New York Stock Exchange.

Resignations. Effective as of the closing of the merger, Windrose will cause each member of Windrose's board of trustees to resign as a trustee. Upon the written request of Health Care REIT, Windrose will cause

Table of Contents

any or all of the trustees or directors and/or officers of each of its direct or indirect subsidiaries to resign or be removed or, as to officers, to resign or be terminated, effective as of the closing of the merger.

No Solicitation. Windrose will not, directly or indirectly, through its representatives or otherwise:

invite, initiate, solicit or encourage any inquiries, proposals, discussions or negotiations with respect to any acquisition proposal, as described below;

engage in any discussions or negotiations with or provide any confidential or non-public information or data to, or afford access to properties, books or records to, any person relating to, or that may reasonably be expected to lead to, an acquisition proposal;

agree to, approve or recommend any acquisition proposal or enter into any letter of intent, agreement in principle or agreement relating to an acquisition proposal; or

propose publicly to agree to do any of the foregoing, or otherwise facilitate any effort or attempt to make or implement an acquisition proposal.

Windrose will notify Health Care REIT promptly (but in any event within 24 hours) if Windrose, any of its subsidiaries or any Windrose representative receives:

an acquisition proposal or any material amendment to a previously received acquisition proposal;

any request for confidential or nonpublic information or data relating to, or for access to the properties, books or records of, Windrose or any of its subsidiaries by any person that has made, or may be considering making, an acquisition proposal; or

any oral or written expression that any of those activities, discussions or negotiations are sought to be initiated or continued with Windrose.

In addition, Windrose will keep Health Care REIT informed of the status and the material terms of any such acquisition proposal, indication or request.

In response to a bona fide, unsolicited, written acquisition proposal from a third party that was not invited, initiated, solicited or encouraged by Windrose, any of its subsidiaries or any Windrose representative, Windrose's board of trustees may, and may authorize and permit its representatives to, provide such third party with nonpublic information or participate in discussions and negotiations with such third party relating to such acquisition proposal, if and only to the extent that:

Windrose's board of trustees concludes in good faith, based upon advice of its outside legal counsel, that such action is required to discharge the board's duties under applicable law;

a majority of Windrose's board of trustees determines in good faith, after consultation with its financial advisor and outside legal counsel, that such acquisition proposal is reasonably likely to result in a superior acquisition proposal, as described below;

Windrose complies with all of its obligations under the merger agreement;

prior to furnishing information to, or entering into negotiations or discussions with, a third party, Windrose provides notice to Health Care REIT to the effect that it is furnishing information to, or entering into discussions with, such third party; and

Windrose enters into a confidentiality agreement with such third party, which contains material terms that are in all material respects no less favorable to Windrose and no less restrictive to such third party than those in the confidentiality agreement currently in effect between Windrose and Health Care REIT.

If, prior to obtaining the approval of the Windrose shareholders of the merger, the board of trustees of Windrose intends to publicly approve or recommend, or proposes to publicly approve or recommend, any superior acquisition proposal, or to cause Windrose to enter into any agreement with respect to a superior

Table of Contents

acquisition proposal (which we refer to in this proxy statement/prospectus as a competing agreement), then at least five business days prior to taking such action:

Windrose will provide Health Care REIT with written notice advising Health Care REIT that it has received a superior acquisition proposal that it intends to accept, specifying the material terms and conditions of such superior acquisition proposal, identifying the person making such superior acquisition proposal and, if in writing, delivering to Health Care REIT the most recent draft of the definitive competing agreement and a summary of the material terms of any agreements to which Windrose or any of its subsidiaries is or will be a party; and

Windrose will cause its financial and legal advisors to negotiate in good faith with Health Care REIT for up to five business days to make adjustments in the terms and conditions of the merger agreement.

If following the completion of such five business day period Windrose's board of trustees, in its sole judgment, has determined in good faith, after consultation with its financial advisors and outside legal counsel, that the adjusted terms are not at least as favorable to the Windrose shareholders as the superior acquisition proposal (taking into account all financial and strategic considerations and other relevant factors, including relevant legal, financial, regulatory and other aspects of such proposals, and the conditions, prospects and time required for completion of such proposal), then Windrose's board of trustees may:

publicly approve or recommend, or propose to approve or recommend, such superior acquisition proposal;

withdraw or materially modify its recommendation of the merger agreement or the merger in a manner adverse to Health Care REIT or its stockholders; or

cause Windrose to enter into the competing agreement with respect to such superior acquisition proposal.

For purposes of the merger agreement and this proxy statement/prospectus, an acquisition proposal is any direct or indirect:

merger, consolidation, business combination, reorganization, recapitalization, liquidation, dissolution or similar transaction;

sale, acquisition, tender offer, exchange offer (or the filing of a registration statement under the Securities Act in connection with such an exchange offer), share exchange or other transaction or series of related transactions that, if consummated, would result in the issuance of securities representing, or the sale, exchange or transfer of, 15% or more of the outstanding voting equity securities of Windrose or equity interests in any subsidiary of Windrose (including, without limitation, partnership interests and units); or

sale, lease, exchange, mortgage, pledge, transfer or other disposition of any assets of Windrose or any subsidiary of Windrose in one or a series of related transactions that, if consummated, would result in the sale, lease, exchange, mortgage, pledge, transfer or other disposition of more than 15% of the consolidated assets of Windrose.

For purposes of the merger agreement and this proxy statement/prospectus, a superior acquisition proposal is a bona fide unsolicited written proposal made by a third party to acquire, directly or indirectly, Windrose and/or its subsidiaries pursuant to a tender or exchange offer, merger, share exchange, consolidation or sale of all or substantially all of the assets of Windrose and its subsidiaries or otherwise:

on terms which a majority of Windrose's board of trustees determines in good faith, (i) after consultation with Windrose's financial advisors, are more favorable from a financial point of view to Windrose's shareholders than those provided for in the merger (taking into account all the terms and conditions of the proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation) and (ii) to be more favorable generally to Windrose's shareholders (taking into account all financial and strategic considerations and other relevant factors, including relevant

Table of Contents

legal, financial, regulatory and other aspects of such proposals, and the conditions, prospects and time required for completion of such proposal);

for which financing, to the extent required, in the reasonable judgment of Windrose's board of trustees is capable of being obtained; and

which Windrose's board of trustees determines in good faith is reasonably capable of being completed.

Dividends. From and after the date of the merger agreement and prior to the closing date of the merger, Windrose will not make any dividend or distribution to the holders of Windrose common shares or Windrose preferred shares, and Windrose OP will not make any distribution to its partners, without the prior written consent of Health Care REIT. However, the prior written consent of Health Care REIT will not be required for the authorization and payment of:

a quarterly dividend payable to Windrose shareholders in an amount not to exceed \$0.24 per Windrose common share beginning with the quarter ended September 30, 2006 and for each quarter thereafter ending prior to the effective times of the mergers; and

a quarterly distribution payable to holders of Windrose preferred shares in an amount equal to \$0.46875 per Windrose preferred share and having record and payment dates as set forth in the Windrose articles supplementary prior to the effective times of the mergers.

In addition, each of Health Care REIT and Windrose will declare a dividend to its stockholders and holders of Windrose common shares, respectively, the record date for which will be the close of business on the last business day prior to the effective time of the merger. The per share dividend amount payable by each party will be an amount equal to such party's most recent quarterly dividend rate, multiplied by the number of days elapsed since the last dividend record date for such holders through and including the day prior to the day on which the effective time of the merger occurs, and divided by the actual number of days in the calendar quarter in which such dividend is declared. Windrose also will declare a special dividend to its holders of Windrose preferred shares, the record date for which will be the close of business on the last business day prior to the effective time of the merger. The per share dividend amount payable by Windrose will be an amount equal to \$0.46875 multiplied by the number of days elapsed since the last dividend record date for holders of Windrose preferred shares through and including the last business day prior to the effective time of the merger, and divided by the actual number of days in the calendar quarter in which such dividend is declared.

Appointment of Director. At the effective time of the merger, Health Care REIT's board of directors will appoint Fred S. Klipsch as a director of Health Care REIT, provided that such appointment would not be in violation of any applicable legal requirements or the rules of the New York Stock Exchange, and that Mr. Klipsch is not unable or unwilling to serve. If such appointment would violate any applicable legal requirements or the rules of the New York Stock Exchange, or if Mr. Klipsch is unable or unwilling to serve, Health Care REIT's board of directors will appoint a replacement nominated by Windrose, subject to the consent of Health Care REIT, which consent will not be unreasonably withheld.

Interim Financing. Health Care REIT has agreed to provide financing to Windrose and its subsidiaries in accordance with the interim financing agreements between Windrose OP and Health Care REIT. For a discussion of these agreements, see the section titled "Related Agreements - Interim Financing."

Director and Officer Insurance and Indemnification. From and after the effective time of the mergers, Health Care REIT has agreed to provide exculpation and indemnification for each present and former officer, director or trustee of Windrose or its subsidiaries to the same extent as currently provided in Windrose's declaration of trust and bylaws. In

addition, Windrose has agreed that, prior to the effective time of the mergers, it will purchase tail directors and officers liability insurance for the benefit of Windrose's trustees and officers for a period of six years following the effective time of the mergers, which will provide the trustees and officers with the coverage amount and other terms comparable to those currently provided by Windrose (including advancement of expenses, if so provided). If Windrose fails to obtain such tail insurance policies as of the effective time of the mergers, Health Care REIT has agreed to purchase such

Table of Contents

insurance coverage as of the effective date of the mergers for a period of six years following the effective time, which will provide the trustees and officers with the coverage amount and other terms comparable to those currently provided by Windrose (including advancement of expenses, if so provided). However, in fulfilling such insurance obligations, neither party will be required to expend for such policies an annual premium amount that exceeds 300% of the annual premiums currently paid by Windrose for such insurance. If the cost of such insurance is greater than 300% of the annual premiums currently paid by Windrose, Health Care REIT is required to obtain a policy with the greatest coverage available for a cost that does not exceed 300% of the annual premiums currently paid by Windrose.

Health Care REIT having received an opinion from Hunton & Williams LLP, dated as of the closing date, to the effect that, for Windrose's short taxable year ended December 31, 2002 through its taxable year ended December 31, 2005, Windrose has qualified as a REIT under the Code, and from January 1, 2006 through the closing date, Windrose's proposed method of operation will enable it to continue to meet the requirements for qualification as a REIT under the Code;

the defensive measures (as such term is defined in the merger agreement) being made inapplicable to the merger and the other transactions contemplated by the merger agreement; and

Health Care REIT having received an opinion from Arnold & Porter LLP, special tax counsel to Health Care REIT, dated as of the closing date, to the effect that on the basis of the facts, representations and assumptions set forth or referred to in such opinion, the merger will qualify as a reorganization under the provisions of Section 368(a) of the Code.

Conditions to Windrose's Obligations to Complete the Merger. Windrose's obligation to effect the merger is subject to the satisfaction or waiver of various conditions that include the following:

certain representations and warranties made by Health Care REIT to Windrose being true and correct in all respects on and as of the date of the merger agreement and on and as of the closing date as though made on the closing date (except to the extent the representation or warranty is expressly limited by its terms to another date, in which case such representation or warranty shall be true and correct as of the specified date);

each of Health Care REIT, Heat Merger Sub and Heat OP Merger Sub having performed in all material respects all obligations required to be performed by it under the merger agreement at or prior to the effective time of the merger;

Windrose having received an opinion from Arnold & Porter LLP, dated as of the closing date to the effect that Health Care REIT has qualified to be taxed as a REIT under the Code, for its taxable years ended December 31, 1998 through December 31, 2005, and taking into account the merger, Health Care REIT's organization and current and proposed method of operation will enable it to continue to qualify as a REIT for its taxable year ending December 31, 2006 and in the future;

Windrose having received an opinion from Hunton & Williams LLP, dated as of the closing date, to the effect that on the basis of the facts, representations and assumptions set forth or referred to in such opinion, the merger will qualify as a reorganization under the provisions of Section 368(a) of the Code;

since the date of the merger agreement, there having been no material adverse effect on Health Care REIT; and

Health Care REIT having filed the certificate of designation for the Health Care REIT preferred stock in accordance with applicable Delaware law and it having become effective.

Important Definitions. The merger agreement provides that a material adverse effect, with respect to either Windrose or Health Care REIT, means any change, event, circumstance or development that, individually or in the aggregate with other changes, events, circumstances or developments, has or is reasonably likely to have a material adverse effect on the business, properties, assets, financial condition, results of operations, cash flow, liabilities or operations of either Windrose or Health Care REIT and its respective subsidiaries, taken as a whole, or prevents or materially adversely affects the ability of either Windrose or Health Care REIT to timely consummate the mergers; *provided, however,* that to the extent any

Table of Contents

effect is caused by or results from any of the following, it will not be taken into account in determining whether there has been a material adverse effect;

conditions generally affecting the healthcare industry or, with respect to a material adverse effect on Health Care REIT, the skilled nursing or retirement care industry;

a decrease in the market price of the Windrose common shares or shares of Health Care REIT common stock;

changes in general national economic or financial conditions or changes in the securities markets in general;

a failure by either Windrose or Health Care REIT to report earnings or revenue results consistent with its historic earnings or revenue results;

changes in any laws or regulations or accounting regulations or principles applicable to Windrose or Health Care REIT;

any outbreak or escalation of armed hostilities or acts of terrorism;

the announcement, execution or consummation of the merger agreement and the transactions contemplated thereby; or

changes the adverse effects of which are covered by insurance.

Neither party will be precluded from claiming that a material adverse effect has occurred with respect to an event or change underlying either a decrease in the other party's share price as described in the second bullet point above or a failure of the other party to report earnings or revenue results as described in the fourth bullet point above.

Termination of the Merger Agreement

The merger agreement may be terminated at any time prior to the effective times of the mergers:

by mutual written consent of Health Care REIT and Windrose;

by either Health Care REIT or Windrose if any governmental agency has issued an order (which order Health Care REIT or Windrose, as the case may be, has used its reasonable best efforts to have vacated or reversed), permanently restraining, enjoining or otherwise prohibiting the merger, and such order has become final and unappealable;

by either Health Care REIT or Windrose if the Windrose shareholders fail to approve the merger at the special meeting or any adjournment thereof;

after March 12, 2007, by either Health Care REIT or Windrose if the merger has not been completed by such date for any reason; provided however, if the merger has not been completed by such date due to failure to obtain certain required consents or approvals set forth in specific sections of the disclosure letters of Health Care REIT and Windrose to the merger agreement, neither party may terminate the merger agreement until June 11, 2007 so long as the parties are using their reasonable best efforts to obtain such consents or approvals; provided further, that neither party may terminate the merger agreement until the expiration of any applicable cure period for breaches by either party in effect on such date; and provided further, that in any case the terminating party is not in material breach of its representations, warranties, covenants or agreements under the

merger agreement in any manner that has caused or resulted in the failure to consummate the merger on or before such date;

by Health Care REIT, if (i) prior to obtaining the approval of Windrose's shareholders, Windrose's board of trustees or a committee thereof has made an adverse recommendation; (ii) Windrose fails to call or hold the special meeting; (iii) Windrose has intentionally and materially breached any of its obligations under the non-solicitation and superior acquisition proposal provisions under the merger agreement; (iv) Windrose's board of trustees has approved or recommended an acquisition proposal

Table of Contents

made by any person other than Health Care REIT or Heat Merger Sub; or (v) Windrose has entered into a definitive agreement with respect to an acquisition proposal;

by Windrose, if prior to the approval of the merger agreement at the special meeting Windrose's board of trustees has approved, and Windrose concurrently enters into, a definitive agreement with respect to a superior acquisition proposal, but only if (i) Windrose is not then in breach of any of its obligations under the non-solicitation and superior acquisition proposal provisions under the merger agreement and (ii) concurrently with such termination Windrose has paid Health Care REIT the full amounts of the termination fee, lender consent fees and expenses and parent expense reimbursement, as discussed below;

by Health Care REIT, if there has been a breach of any of the representations, warranties, covenants or agreements of Windrose contained in the merger agreement such that the conditions precedent to Health Care REIT's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied, which breach is not cured within 30 days following written notice to Windrose; *provided, however*, that Health Care REIT will not have the right to terminate the merger agreement if Health Care REIT, Heat Merger Sub or Heat OP Merger Sub is then in breach of its representations, warranties, covenants or agreements under the merger agreement such that the conditions precedent to Windrose's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied; or

by Windrose, if there has been a breach of any of the representations, warranties, covenants or agreements of Health Care REIT or Heat Merger Sub contained in the merger agreement such that the conditions precedent to Windrose's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied, which breach is not cured within 30 days following written notice to Health Care REIT; *provided, however*, that Windrose will not have the right to terminate the merger agreement if Windrose or Windrose OP is then in breach of its representations, warranties, covenants or agreements under the merger agreement such that the conditions precedent to Health Care REIT's obligations to consummate the merger set forth in the merger agreement are incapable of being satisfied.

Termination Fees, Lender Consent Fees and Expense Reimbursement

Windrose will be obligated to pay Health Care REIT all or a portion, as described below, of the following: (i) a maximum termination fee equal to \$16.9 million, (ii) an amount up to \$900,000, as reimbursement for fees and expenses paid by Health Care REIT in connection with the merger agreement and the merger, and (iii) an amount up to \$2.5 million, as reimbursement of Health Care REIT's expenses incurred in connection with obtaining certain third party consents to the mergers, in the event that the merger agreement is terminated:

by Health Care REIT, if:

prior to Windrose shareholders' approval of the merger, Windrose's board of trustees withdraws or materially modifies its recommendation of the merger agreement or the merger in a manner adverse to Health Care REIT or its stockholders (but only if Health Care REIT terminates the merger agreement prior to the date of the Windrose special meeting);

Windrose fails to call or hold the special meeting;

Windrose's board of trustees of Windrose approves or recommends an acquisition proposal made by any person other than Health Care REIT or Heat Merger Sub;

Windrose intentionally and materially breaches its obligations under the non-solicitation and other acquisition proposal provisions of the merger agreement; or

Windrose enters into a definitive agreement with respect to an acquisition proposal; or

Table of Contents

by Windrose, if, prior to the approval of the merger by Windrose shareholders, Windrose's board of trustees approves, and Windrose enters into, a definitive agreement with respect to a superior acquisition proposal.

Under any such scenario, Windrose will pay Health Care REIT 50% of the termination fee at the time of the termination of the merger agreement. If Windrose enters into a definitive agreement with respect to, or completes, an acquisition proposal made by a third party other than Health Care REIT or Heat Merger Sub within the 12 months following the termination of the merger agreement, Windrose will pay Health Care REIT the remaining 50% of such termination fee and the other amounts described above concurrent with the closing of such transaction.

Windrose will pay Health Care REIT 100% of the amounts described above upon the completion of an acquisition proposal with a third party other than Health Care REIT or Heat Merger Sub if:

an acquisition proposal has been received by Windrose or publicly disclosed prior to the termination of the merger agreement by Health Care REIT or Windrose for the reasons described in the third or fourth bullet point under the heading "Termination of the Merger Agreement"; and

within 12 months after such termination, Windrose entered into a definitive agreement providing for the acquisition proposal that was completed with the third party.

In the event that Health Care REIT terminates the merger agreement for the reasons described in the seventh bullet point under the heading "Termination of the Merger Agreement," Windrose will pay Health Care REIT up to \$3.0 million as reimbursement of Health Care REIT's expenses incurred in connection with the merger agreement and the merger and up to \$2.5 million as reimbursement for fees and expenses paid by Health Care REIT in connection with obtaining certain third party consents to the merger.

In the event that Windrose terminates the merger agreement for the reasons described in the eighth bullet point under the heading "Termination of the Merger Agreement," Health Care REIT will pay Windrose up to \$3.0 million as reimbursement of Windrose's expenses incurred in connection with the merger agreement.

Amendment and Waiver

Health Care REIT and Windrose may amend the merger agreement at any time, but after approval of the merger by the Windrose shareholders, no amendment of the merger agreement may be made that by law requires further approval by the Windrose shareholders without such further approval.

Support Agreements

A summary of the material provisions of the support agreements is provided below. You should read the support agreements in their entirety, copies of which have been filed as exhibits to the registration statement of which this proxy statement/prospectus is a part.

On September 12, 2006, each of Messrs. Klipsch and Farrar entered into a support agreement with Health Care REIT. By entering into the support agreement, each of Messrs. Klipsch and Farrar has agreed to vote all Windrose common shares beneficially owned by him (including any such shares acquired after the date of the support agreement, including by conversion of Windrose OP units beneficially owned by him):

in favor of the merger, the adoption of the merger agreement and the approval of the terms thereof; and

against any other merger agreement or merger, consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by Windrose or any subsidiary thereof or any other acquisition proposal or any action or agreement that would (i) result in a breach of any covenant, representation or warranty or any other obligation or agreement under the merger agreement, (ii) in any manner impede, interfere with, delay, discourage, postpone, frustrate, prevent, nullify or adversely affect the merger, the merger agreement or any of the other transactions

contemplated by the merger agreement, or (iii) change in any manner the voting rights of any class of beneficial interests of Windrose.

Each of Messrs. Klipsch and Farrar has appointed George L. Chapman, Chairman and Chief Executive Officer of Health Care REIT, and William C. Ballard, Director of Health Care REIT, as irrevocable proxies and attorneys-in-fact to vote the Windrose common shares beneficially owned by him in the manner indicated in the two bullet points above.

As of September 12, 2006, Mr. Klipsch beneficially owned 109,701 Windrose common shares and 143,414 Windrose OP units. As of September 12, 2006, Mr. Farrar beneficially owned 44,320 Windrose common shares and 7,079 Windrose OP units. These Windrose common shares and Windrose OP units (assuming the redemption of these Windrose OP units for Windrose common shares) represent in the aggregate approximately 1.38% of all of the outstanding Windrose common shares (assuming the redemption of these Windrose OP units for Windrose common shares) as of September 12, 2006.

Neither Mr. Klipsch nor Mr. Farrar was paid any additional consideration in connection with entering into his support agreement.

Each of Messrs. Klipsch and Farrar has agreed, subject to certain limited exceptions, not to (i) sell, transfer, pledge, assign or otherwise dispose of (including by gift), (ii) enter into any contract, option or other arrangement (including any profit-sharing arrangement) to do any of the foregoing, or (iii) enter into any voting arrangement, whether by proxy, voting agreement or otherwise, with respect to, any Windrose common shares or Windrose OP units beneficially owned by him.

The support agreements will terminate on the earlier to occur of (i) the effective time of the merger and (ii) the termination of the merger agreement.

Consulting and Employment Agreements

Consulting Agreement with Fred S. Klipsch. Health Care REIT entered into a consulting agreement with Windrose's chairman and chief executive officer, Fred S. Klipsch, dated September 12, 2006, to be effective as of the consummation of the mergers. A copy of this agreement has been filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part.

Under the agreement, which has a two-year term, Mr. Klipsch will be retained as the Vice Chairman of Health Care REIT and paid a base consulting fee of \$350,000 in the first year and \$250,000 in the second year. Each year during the term of the agreement, Mr. Klipsch will be eligible to receive a performance bonus based on the achievement of performance measures to be determined by the compensation committee of the Health Care REIT board of directors, with the targeted amount of such bonus being 60% to 120% of his base consulting fee. For 2006, Mr. Klipsch will be paid a bonus of \$210,000 in cash by Health Care REIT, if such amount has not already been paid by Windrose or Windrose OP at the time the agreement becomes effective. Mr. Klipsch's reasonable business expenses incurred in promoting Health Care REIT's business also will be reimbursed.

A retention bonus of \$975,500 in cash and \$930,000 in Health Care REIT common stock will be paid to Mr. Klipsch under the agreement, on the later of the effective date of the agreement or January 2, 2007. Mr. Klipsch cannot sell any of these shares of Health Care REIT common stock until after the first anniversary of the grant date and can sell no more than 50% of these securities between the first and second anniversaries of the grant date. He also will receive a payment, on the later of the effective date of the agreement or January 2, 2007, of \$1.7 million in cash in lieu of amounts payable to him upon a change in control under a change in control severance agreement and an employment

agreement among Mr. Klipsch, Windrose and Windrose OP, other than the payment of: (i) unpaid accrued salary through the effective date of the agreement, (ii) earned but unpaid bonus and (iii) unpaid expenses incurred by Mr. Klipsch on behalf of Windrose or Windrose OP.

Under the agreement, if Mr. Klipsch's service is terminated by him or Health Care REIT before the end of the two-year term for any reason, he will be entitled to receive his base consulting fee and performance

bonus amounts accrued or earned but unpaid as of such date. He also will be entitled to receive a monthly severance payment (or, in the case of termination for disability, monthly disability payments) equal to his monthly base consulting fee for the remainder of the term (or, in the case of termination for disability, until he returns to active service to Health Care REIT, if applicable). In the event of disability, Mr. Klipsch may be entitled to additional payments under Health Care REIT's disability plans and policies, and any such payments will reduce the payments due under the agreement. In addition, in exchange for not competing with Health Care REIT for the two-year period following the termination of Mr. Klipsch's service for any reason, Mr. Klipsch will receive \$600,000, payable in eight quarterly payments of \$75,000. If Mr. Klipsch's service terminates due to his death, his surviving spouse or other designated beneficiary will be entitled to receive a lump sum payment equal to the present value of the amounts which would have been payable to Mr. Klipsch as a result of the termination of his service and for not competing with Health Care REIT. In addition, all stock options, restricted stock or other awards held by Mr. Klipsch under Health Care REIT's stock plans will fully vest and, in the case of stock options, become exercisable in full.

Health Care REIT will indemnify Mr. Klipsch for any excise taxes assessed against him under Section 4999 of the Code as a result of payments or benefits provided under the agreement or any other plan, agreement or arrangement with Health Care REIT, Windrose, Windrose OP or their affiliates. Health Care REIT also will indemnify Mr. Klipsch for any liability with respect to the guarantees executed by Mr. Klipsch in favor of Wells Fargo, as trustee, regarding the loan on Windrose's Mount Vernon, Georgia facility.

Consulting Agreement with Frederick L. Farrar. Health Care REIT entered into a consulting agreement with Windrose's president, chief operating officer and treasurer, Frederick L. Farrar, dated September 12, 2006, to be effective as of the consummation of the mergers. A copy of this agreement has been filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part.

Under the agreement, which has a two-year term, Mr. Farrar will be retained as an Executive Vice President of Health Care REIT and President of its Medical Properties Division and paid a base consulting fee of \$300,000 per year. Each year during the term of the agreement, Mr. Farrar will be eligible to receive a performance bonus based on the achievement of performance measures to be determined by the compensation committee of the Health Care REIT board of directors, with the targeted amount of such bonus being 30% to 75% of his base consulting fee. For 2006, Mr. Farrar will be paid a bonus of \$150,000 in cash by Health Care REIT, if such amount has not already been paid by Windrose or Windrose OP at the time the agreement becomes effective. In the discretion of the compensation committee of the Health Care REIT board of directors, Mr. Farrar will be eligible to receive awards under Health Care REIT's 2005 Long-Term Incentive Plan, however, the target range for such award is between 35% and 75% of his base consulting fee and performance bonus, and any such award would vest over two years. Mr. Farrar's reasonable business expenses incurred in promoting Health Care REIT's business also will be reimbursed.

A retention bonus of \$529,500 in cash and \$500,000 in Health Care REIT common stock will be paid to Mr. Farrar under the agreement, on the later of the effective date of the agreement or January 2, 2007. Mr. Farrar cannot sell any of these shares of Health Care REIT common stock until after the first anniversary of the grant date and can sell no more than 50% of these securities between the first and second anniversaries of the grant date. He also will receive a payment, on the later of the effective date of the agreement or January 2, 2007, of \$1.2 million in cash in lieu of amounts payable to him upon a change in control under a change in control severance agreement and an employment agreement among Mr. Farrar, Windrose and Windrose OP, other than the payment of: (i) unpaid accrued salary through the effective date of the agreement, (ii) earned but unpaid bonus and (iii) unpaid expenses incurred by Mr. Farrar on behalf of Windrose or Windrose OP.

Under the agreement, if Mr. Farrar's service is terminated by him or Health Care REIT before the end of the two-year term for any reason, he will be entitled to receive his base consulting fee and performance bonus amounts accrued or earned but unpaid as of such date. He will also be entitled to receive a monthly severance payment (or, in the case of

termination for disability, monthly disability payments) equal to his monthly base consulting fee for the remainder of the term (or, in the case of termination for disability, until he returns to active service to Health Care REIT, if applicable). In the event of disability, Mr. Farrar may be entitled to

Table of Contents

additional payments under Health Care REIT's disability plans and policies, and any such payments will be reduced by the payments due under the agreement. If the termination is involuntary and without cause, any stock awards granted under Health Care REIT's 2005 Long-Term Incentive Plan will become fully vested and, in the case of stock options, exercisable. In addition, in exchange for not competing with Health Care REIT for the two-year period following the termination of Mr. Farrar's service for any reason, Mr. Farrar will receive \$300,000, payable in eight quarterly payments of \$37,500. If Mr. Farrar's service terminates due to his death, his surviving spouse or other designated beneficiary will be entitled to receive a lump sum payment equal to the present value of the amounts which would have been payable to Mr. Farrar as a result of the termination of his service and for not competing with Health Care REIT. In addition, all stock options, restricted stock or other awards held by Mr. Farrar under Health Care REIT's stock plans will fully vest and, in the case of stock options, become exercisable in full.

Health Care REIT will indemnify Mr. Farrar for any excise taxes assessed against him under Section 4999 of the Code as a result of payments or benefits provided under the agreement or any other plan, agreement or arrangement with Health Care REIT, Windrose, Windrose OP or their affiliates. Health Care REIT also will indemnify Mr. Farrar for any liability with respect to the guarantees executed by Mr. Farrar in favor of Wells Fargo, as trustee, regarding the loan on Windrose's Mount Vernon, Georgia facility.

Employment Agreement with Daniel R. Loftus. Health Care REIT entered into an employment agreement with Windrose's executive vice president, secretary and general counsel, Daniel R. Loftus, dated September 12, 2006, to be effective as of the consummation of the mergers. A copy of this agreement has been filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part.

Under the agreement, which has a two-year term that will be automatically extended for successive two-year periods unless Health Care REIT or Mr. Loftus provides written notice at least six months prior to the expiration of the then current two-year term, Mr. Loftus will be employed as a Senior Vice President of Health Care REIT and the Executive Vice President of its Medical Properties Division and paid a base salary of \$260,000 in the first year and \$267,800 in the second year. Each year during the term of the agreement, Mr. Loftus will be eligible to receive a performance bonus based on the achievement of performance measures to be determined by the compensation committee of the Health Care REIT board of directors, with the targeted amount of such bonus being 25% to 50% of his base salary. For 2006, Mr. Loftus will be paid a bonus of \$94,000 in cash by Health Care REIT, if such amount has not already been paid by Windrose or Windrose OP at the time the agreement becomes effective. In addition, a retention bonus of \$266,750 in cash and \$200,000 in Health Care REIT common stock will be paid to Mr. Loftus under the agreement, on the later of the effective date of the agreement or January 2, 2007.

In the discretion of the compensation committee of the Health Care REIT board of directors, Mr. Loftus will be eligible to receive awards under Health Care REIT's 2005 Long-Term Incentive Plan, however, the target range for such award is between 25% and 70% of his base salary and performance bonus. He will also receive health insurance, life insurance and disability coverage provided to key employees, reimbursement of his reasonable business expenses and three weeks of vacation each year. Mr. Loftus also may participate in the executive compensation, retirement and welfare benefit plans and programs generally applicable to executive officers of Health Care REIT, to the extent not duplicative of any benefits provided by the agreement.

Under the agreement, if Mr. Loftus's employment is terminated by him or Health Care REIT before the end of the two-year term for any reason, including if he is terminated for cause or voluntarily terminates his employment: (i) he will be entitled to receive his base salary, performance bonus and vacation payments accrued or earned but unpaid with respect to fiscal years or other periods preceding the termination date (with respect to the most recently ended fiscal year with respect to the performance bonus, in the case of termination by Health Care REIT for cause) and (ii) he will receive any nonforfeitable benefits payable under Health Care REIT's deferred compensation, incentive or other benefit plans. If the termination is by Health Care REIT without cause, or by Mr. Loftus under circumstances

which under the agreement are deemed to be equivalent to an involuntary termination, Mr. Loftus also will receive (i) his base salary for the remainder of the term, which payments will be reduced by the compensation he receives from any replacement position he obtains, (ii) accelerated vesting and exercisability of any stock options, restricted stock or other awards

Table of Contents

granted under Health Care REIT's 2005 Long-Term Incentive Plan and (iii) continued health, life and disability coverage at Health Care REIT's expense for the remainder of the term (but not less than six months), or, if earlier, until the date he obtains comparable coverage from another employer. In the event of termination due to disability, Mr. Loftus also will receive his base salary for the remainder of the term, or until he returns to active employment with any employer, which payments will be reduced by any amounts paid under Health Care REIT's disability plans and policies. If Mr. Loftus's employment terminates due to his death, his surviving spouse or other designated beneficiary will be entitled to receive a lump sum payment equal to the present value of the amounts which would have been payable to Mr. Loftus as a result of the termination of his employment by Health Care REIT without cause. In addition, if Mr. Loftus's employment is terminated for any reason prior to the end of the first term of the agreement, or if the agreement is not extended for a second term, Mr. Loftus (or his surviving spouse or other designated beneficiary) will receive a lump sum payment of \$288,000. If the agreement is extended for two years, and Mr. Loftus is terminated during the extended two year term, or the agreement is not subsequently extended for an additional two-year period, a lump sum payment of \$144,000 will be paid to Mr. Loftus under the same terms and conditions as the \$288,000 payment. If Health Care REIT requests that Mr. Loftus relocate from Indianapolis, Indiana to Nashville, Tennessee, then Health Care REIT will reimburse Mr. Loftus for his reimbursable moving expenses.

Health Care REIT will indemnify Mr. Loftus for any excise taxes assessed against him under Section 4999 of the Code as a result of payments or benefits provided under the agreement or any other plan, agreement or arrangement with Health Care REIT, Windrose, Windrose OP or their affiliates.

Interim Financing

As of September 12, 2006, Health Care REIT agreed to provide Windrose OP with a \$125.0 million secured revolving line of credit pursuant to the terms of a loan agreement. The revolving credit facility is available to fund future real estate acquisitions and related closing costs payable by Windrose OP and its subsidiaries. If the merger does not close by January 10, 2007 and certain other conditions are satisfied, the maximum amount of this credit facility may be increased, at Windrose OP's option, to \$150.0 million. Windrose OP's obligations under the credit facility have been guaranteed by Windrose pursuant to an unconditional and continuing guaranty of Windrose in favor of Health Care REIT.

Pursuant to the promissory note made by Windrose OP in favor of Health Care REIT, interest accrues on the principal amount outstanding under the credit facility at a rate equal to LIBOR plus 2.5%, subject to adjustment (as discussed below) (which we refer to in this proxy statement/prospectus as the stated interest rate). Except as discussed below, the credit facility requires the monthly payment of interest only at a rate equal to LIBOR plus 1.6% (which we refer to in this proxy statement/prospectus as the current interest rate). If Windrose and Health Care REIT complete the merger, Windrose OP will be obligated to repay the outstanding principal balance of the loan, accrued and unpaid interest at a rate equal to the current interest rate, and all other amounts payable by Windrose OP under the credit facility, in cash at closing. If the merger is completed, Windrose OP will not be required to repay the amount equal to the difference between the amount of interest accrued at the stated interest rate and the amount of interest accrued at the current interest rate.

If the merger agreement is terminated for any reason, the stated interest rate will be increased by 0.2% beginning on the date that is 91 days after the date the merger agreement is terminated. The stated interest rate will continue to increase by 0.2% each month beginning in the second full month after the date that is 91 days after the date the merger agreement is terminated. Upon the termination of the merger agreement, the principal amount outstanding under the credit facility and accrued and unpaid interest will be repaid as follows:

If the merger agreement is terminated because of a superior acquisition proposal or because Windrose's board of trustees makes an adverse recommendation, the loan will be repaid in full upon the earliest of: (i) the

execution of a definitive agreement with respect to a superior acquisition proposal; (ii) the completion of an acquisition proposal; or (iii) in the case of an adverse recommendation, the date the merger agreement is terminated.

Table of Contents

If the merger agreement is terminated at any time when an acquisition proposal has been made, the loan will be repaid in full upon the earliest of: (i) the execution of a definitive agreement with respect to any acquisition proposal; (ii) completion of any acquisition proposal; or (iii) 12 months after the date the merger agreement is terminated.

If the merger agreement is terminated for any other reason and no acquisition proposal has been made, the loan will be repaid in full on the date that is 12 months after the date the merger agreement is terminated, in cash except that Windrose OP may, at its option, repay up to 40% of the principal amount of the loan by issuing to Health Care REIT preferred units of limited partnership interest in Windrose OP, subject to the terms and conditions set forth in the loan agreement.

Windrose OP may prepay all or any portion of the outstanding principal balance of the loan, all accrued and unpaid interest and all other amounts payable by Windrose OP on any date without payment of any prepayment fee. In addition, the loan agreement contains customary events of default. Whenever any event of default occurs, Health Care REIT may, among other remedies, declare the outstanding principal balance of the loan, all accrued and unpaid interest and all other amounts payable by Windrose OP under the credit facility immediately due and payable, without notice. All such amounts will bear interest at the default rate, which is equal to the stated interest rate plus 4.0% per annum, from the date of the event of default until paid.

Pursuant to the terms of a mortgage, security agreement, assignment of leases and rents and fixture filing, Windrose OP has granted Health Care REIT a lien on certain real estate assets acquired by Windrose OP with borrowings under the credit facility and a security interest in the related personal property. The mortgage also provides that if Windrose OP's credit agreement with The Huntington National Bank is terminated, Windrose OP will grant Health Care REIT a lien on and security interest in the property securing the indebtedness under the Huntington credit facility.

The foregoing description of certain terms of the interim financing is only a summary and you should read it together with Windrose's Current Report on Form 8-K (including all of the exhibits) filed on September 15, 2006, which is incorporated by reference into this proxy statement/prospectus. See *The Mergers Acquisition Opportunities; Finder's Fees* for a discussion of the funding of certain acquisition opportunities and the fees to be paid to Messrs. Klipsch, Farrar and Loftus.

Tax Indemnity Agreements

Each of Fred S. Klipsch, Frederick L. Farrar and Steve Klipsch and Mike Klipsch, the sons of Mr. Klipsch, Charles Lanham, a former Windrose trustee, Robin Barksdale, a current Windrose employee, and O.B. McCain, an executive vice president of Windrose, have entered into separate tax indemnity agreements with Health Care REIT with respect to the exchange of certain of their Windrose OP units for Health Care REIT common stock as part of the operating partnership merger. Each of those individuals received Windrose OP units in connection with the contribution of assets to Windrose OP as part of the Windrose initial public offering. Some of those individuals own Windrose OP units that are not covered by these tax indemnity agreements. Pursuant to the tax indemnity agreements, Health Care REIT has agreed to pay each of these individuals a cash amount intended to equal such person's estimated tax liability attributable to the exchange of Windrose OP units for Health Care REIT common stock in the operating partnership merger plus a tax gross-up amount.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

Introduction

The following summary discusses the material U.S. federal income tax consequences of the merger and the operating partnership merger. This summary is based on current law, is for general information only and is not tax advice. This discussion is based on the Code, applicable Treasury Regulations, judicial authority, and administrative rulings and practice, all as currently in effect and which are subject to change or differing interpretations, possibly with retroactive effect. This summary assumes that Windrose common shares, Windrose preferred shares and Windrose OP units are held as capital assets for U.S. federal income tax purposes. This summary is not intended to be a complete description of all of the U.S. federal income tax consequences of the merger or the operating partnership merger. In addition, except as specifically set forth below, this summary does not discuss any state or local income taxation or foreign income taxation or other tax consequences. This discussion does not address all of the aspects of U.S. federal income taxation that may be relevant to a particular holder of Windrose common shares, Windrose preferred shares or Windrose OP units in light of their personal circumstances, or to holders of Windrose common shares, Windrose preferred shares or Windrose OP units that are subject to special treatment under U.S. federal income tax laws, including but not limited to:

dealers in securities or foreign currencies, financial institutions, insurance companies or tax-exempt organizations;

persons who are subject to the alternative minimum tax, or who elect to apply a mark-to-market method of accounting;

persons that hold their Windrose common shares, Windrose preferred shares or Windrose OP units as part of a hedge, straddle, constructive sale or conversion transaction;

persons whose functional currency is not the U.S. dollar;

persons who are not United States persons (as defined in Section 7701(a)(30) of the Code);

persons that are, or hold their Windrose common shares, Windrose preferred shares or Windrose OP units through partnerships or other pass-through entities; or

holders of options granted by Windrose or persons who acquired Windrose common shares or Windrose preferred shares through the exercise of employee stock options or otherwise as compensation.

THE U.S. FEDERAL INCOME TAX LAWS ARE COMPLEX, AND A SHAREHOLDER'S OR UNITHOLDER'S INDIVIDUAL CIRCUMSTANCES MAY AFFECT THE SHAREHOLDER'S OR UNITHOLDER'S TAX CONSEQUENCES. CONSEQUENTLY, ALL HOLDERS OF HEALTH CARE REIT STOCK RECEIVED IN THE MERGER OR THE OPERATING PARTNERSHIP MERGER ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE MERGER AND THE OPERATING PARTNERSHIP MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF FEDERAL, STATE AND LOCAL OR FOREIGN INCOME AND OTHER TAX LAWS TO THEIR PARTICULAR CIRCUMSTANCES.

U.S. Federal Income Tax Consequences of the Merger

General

The following is a summary of the material anticipated U.S. federal income tax consequences of the merger of Windrose with and into Heat Merger Sub, with Heat Merger Sub continuing as the surviving entity in the merger and a wholly owned subsidiary of Health Care REIT. This summary is generally applicable to holders of Windrose common shares and Windrose preferred shares who are U.S. persons (as defined in Section 7701(a)(30) of the Code) and who hold their Windrose common shares and Windrose preferred shares as capital assets for U.S. federal income tax purposes.

Table of Contents

In addition to the Code, applicable Treasury regulations, judicial authority, and administrative rulings and practice, all as in effect as of the date of this document, this summary is based on representations, covenants, and assumptions as to factual matters provided by Windrose and Health Care REIT to Hunton & Williams LLP, special tax counsel to Windrose, and Arnold & Porter LLP, special tax counsel to Health Care REIT. The failure of any such factual representations, covenants or assumptions to be true, accurate, and complete in all material respects, may adversely affect the accuracy of the statements and conclusions described in this discussion.

Although the merger is, for state law purposes, a merger of Windrose with and into Heat Merger Sub, Heat Merger Sub is ignored as a separate entity for U.S. federal income tax purposes, and thus the merger will be treated for U.S. federal income tax purposes as a merger of Windrose directly into Health Care REIT. The merger is intended to qualify as a reorganization under the provisions of Section 368(a) of the Code, and the income tax consequences summarized below are based on the assumption that the merger will qualify as a reorganization. Arnold & Porter LLP and Hunton & Williams LLP each is of the opinion that, on the basis of certain facts, representations, and assumptions, the merger will qualify as a reorganization under the provisions of Section 368(a) of the Code. In addition, the obligations of Health Care REIT and Windrose to complete the merger are conditioned upon the receipt by each of an opinion from Arnold & Porter LLP and Hunton & Williams LLP, respectively, that on the basis of the facts, representations and assumptions set forth or referred to in such opinions, the merger will qualify as a reorganization under the provisions of Section 368(a) of the Code. In rendering these opinions, Arnold & Porter LLP and Hunton & Williams LLP may rely upon customary representations of Health Care REIT and Windrose reasonably requested by counsel, including those contained in customary tax representation letters.

No ruling has been or will be requested from the Internal Revenue Service (which we refer to in this proxy statement/prospectus as the IRS) with respect to the tax consequences of the merger. Moreover, the opinions of Arnold & Porter LLP and Hunton & Williams LLP described in this discussion are not binding on the IRS, and no assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences set forth below.

Federal Income Tax Consequences of the Merger to Windrose Shareholders

The treatment of the merger as a reorganization under Section 368(a) of the Code will have the following U.S. federal income tax consequences to holders of Windrose common shares and Windrose preferred shares:

Exchange of Windrose Common Shares for Health Care REIT Common Stock. Windrose shareholders who receive Health Care REIT common stock in exchange for their Windrose common shares in the merger will not recognize any gain or loss with respect to shares of Health Care REIT common stock received (except with respect to cash received instead of a fractional share interest in Health Care REIT common stock, as discussed below). The aggregate tax basis of the Health Care REIT common stock received by a holder of Windrose common shares in the merger (including fractional shares deemed received and redeemed as described below) will be the aggregate tax basis of the Windrose common shares surrendered in exchange therefor reduced by any basis allocable to any fractional share for which cash is received. A Windrose shareholder's holding period in the Health Care REIT common stock received in the merger in exchange for Windrose common shares will include the holding period for the Windrose common shares surrendered in exchange therefor.

Exchange of Windrose Preferred Shares for Health Care REIT Preferred Stock. Holders of Windrose preferred shares who receive Health Care REIT preferred stock in exchange for their Windrose preferred shares in the merger will not recognize any gain or loss with respect to shares of Health Care REIT preferred stock received. The aggregate tax basis of the Health Care REIT preferred stock received by a holder of Windrose preferred shares in the merger will be the aggregate tax basis of the Windrose preferred shares surrendered in exchange therefor. The holding period in the Health Care REIT preferred stock received in the merger in exchange for

Windrose preferred shares will include the holding period for the Windrose preferred shares surrendered in exchange therefor.

Table of Contents

Cash in Lieu of Fractional Shares. Cash received in the merger by a holder of Windrose common shares instead of a fractional share of Health Care REIT common stock will be treated as though the fractional share had been received and then redeemed for cash, and in general gain or loss will be recognized, measured by the difference between the amount of cash received and the portion of the basis of the Windrose common shares allocable to such fractional interest. Such gain or loss generally will be long-term capital gain or loss if the holding period for such Windrose common shares was more than one year as of the effective date of the merger.

Federal Income Tax Consequences of the Merger to the Entities

No gain or loss will be recognized by Health Care REIT, Heat Merger Sub or Windrose as a result of the merger if the merger qualifies as a reorganization under Section 368(a) of the Code. The merger will result in a technical termination of Windrose OP under Section 708(b)(1)(B) of the Code. The technical termination of Windrose OP for federal income tax purposes will not cause Windrose OP, Windrose or Health Care REIT to recognize any gain or loss.

Backup Withholding

In general, merger consideration that includes cash (i.e., cash paid in the merger in lieu of fractional shares of Health Care common stock) will be subject to information reporting to the IRS. In addition, backup withholding at the applicable rate, currently 28%, will generally apply to such merger consideration if the exchanging Windrose shareholder fails to properly certify that it is not subject to backup withholding, generally on a substitute IRS Form W-9. Certain holders, including, among others, U.S. corporations, are not subject to information reporting or backup withholding, but they may still need to furnish an IRS Form W-9 or otherwise establish an exemption. Any amount withheld as backup withholding from payments to an exchanging Windrose shareholder will be creditable against the shareholder's U.S. federal income tax liability, provided that it timely furnishes the required information to the IRS. Windrose shareholders should consult their tax advisors as to their qualifications for exemption from backup withholding and the procedure for obtaining such an exemption.

Federal Income Tax Consequences of the Merger if the Merger Does Not Qualify as a Reorganization

It is a condition to consummation of the merger that Health Care REIT and Windrose receive opinions of counsel that the merger will qualify as a reorganization under the provisions of Section 368(a) of the Code, but these opinions will not be binding upon the IRS or the courts.

If the merger fails to qualify as a reorganization, then the tax consequences to Windrose shareholders are as follows:

a holder of Windrose common shares would recognize gain or loss, as applicable, equal to the difference between (1) the aggregate fair market value of the Health Care REIT common stock received by such holder in the merger plus any cash received instead of a fractional share of Health Care REIT common stock, and (2) the shareholder's adjusted basis in its Windrose common shares; and

a holder of Windrose preferred shares would recognize gain or loss, as applicable, equal to the difference between (1) the aggregate fair market value of the shares of Health Care REIT preferred stock received by such holder in the merger, and (2) the shareholder's adjusted basis in its Windrose preferred shares.

If the merger fails to qualify as a reorganization, but Windrose qualifies as a REIT at the time of the merger, Windrose would not incur a tax liability so long as Windrose has made distributions (which would be deemed to include for this

purpose the fair market value of the Health Care REIT shares issued pursuant to the merger) to Windrose shareholders in an amount at least equal to the net income or gain on the deemed sale of its assets to Health Care REIT. In the event that such distributions were not sufficient to eliminate all of Windrose's tax liability as a result of the deemed sale of its assets to Health Care REIT, Health Care REIT would be liable for any remaining tax owed by Windrose as a result of the merger.

Table of Contents

If the merger fails to qualify as a reorganization and Windrose fails to qualify as a REIT at the time of the merger, Windrose would generally recognize gain or loss on the deemed transfer of its assets to Health Care REIT and Health Care REIT, as its successor, could incur a very significant current tax liability.

If the merger qualifies as a reorganization and Windrose fails to qualify as a REIT at the time of the merger, Health Care REIT would be subject to tax on the built-in gain on each Windrose asset existing at the time of the merger if Health Care REIT were to dispose of the Windrose asset within the ten-year period following the merger. Such tax would be imposed at the highest regular corporate rate in effect at the date of the disposition.

REIT Qualification of Health Care REIT and Windrose

As a condition to the completion of the merger, Hunton & Williams LLP will deliver an opinion to Health Care REIT to the effect that for Windrose's short taxable year ended December 31, 2002 through its taxable year ended December 31, 2005, Windrose qualified as a REIT under the Code, and from January 1, 2006 through the closing date of the merger, Windrose's organization and current and proposed method of operation will enable Windrose to continue to meet the requirements for qualification as a REIT under the Code. This opinion will not be binding on the IRS or the courts.

The opinion of Hunton & Williams LLP relies on customary representations made by Windrose about factual matters relating to the organization and operation of Windrose, Windrose OP and their subsidiaries. In addition, this opinion is based on factual representations of Windrose concerning its business and properties as set forth in this joint proxy statement/prospectus and the other documents incorporated by reference in this joint proxy statement/prospectus. If Windrose did not qualify as a REIT in any of its prior tax years, Windrose would be liable for (and, as successor to Windrose in the merger, Health Care REIT would be obligated to pay any) federal income tax on its income earned in any year that it did not qualify as a REIT.

As a condition to the completion of the merger, Arnold & Porter LLP will deliver an opinion to Windrose to the effect that Health Care REIT qualified to be taxed as a REIT under Sections 856 through 860 of the Code for its taxable years ended December 31, 1998 through December 31, 2005, and taking into account the merger, Health Care REIT's organization and current and proposed method of operation will enable Health Care REIT to continue to qualify as a REIT for its taxable year ending December 31, 2006 and in the future. This opinion will not be binding on the IRS or the courts.

The opinion of Arnold & Porter LLP relies upon customary representations made by Health Care REIT about factual matters relating to the organization and operation of Health Care REIT and its subsidiaries. In addition, this opinion is based upon factual representations of Health Care REIT concerning its business and properties as set forth in this joint proxy statement/prospectus and the other documents incorporated by reference in this joint proxy statement/prospectus. Finally, the portion of the Arnold & Porter LLP opinion that addresses the qualification of Health Care REIT as a REIT following the merger is based in part upon the opinion of Hunton & Williams LLP described above relating to the qualification of Windrose as a REIT currently and at the closing of the merger and the factual representations made by Windrose in connection with the Hunton & Williams LLP opinion.

Health Care REIT intends to continue to operate in a manner to qualify as a REIT following the merger, but there is no guarantee that Health Care REIT will qualify or remain qualified as a REIT. Qualification and taxation as a REIT depend upon Health Care REIT's ability to meet, through actual annual (or, in some cases, quarterly) operating results, requirements relating to income, asset ownership, distribution levels and diversity of share ownership, and the various REIT qualification requirements imposed under the Code. Arnold & Porter LLP will not review Health Care REIT's compliance with these tests on a continuing basis. Given the complex nature of the REIT qualification requirements, the ongoing importance of factual determinations and the possibility of future changes in the circumstances of Health

Care REIT, Health Care REIT cannot guarantee that its actual operating results will satisfy the requirements for taxation as a REIT under the Code for any particular tax year.

Table of Contents**Failure to Qualify**

Specified cure provisions may be available to Health Care REIT in the event that Health Care REIT discovers a violation of a provision of the Code that would otherwise result in its failure to qualify as a REIT. Except with respect to violations of the REIT income tests and assets tests, and provided the violation is due to reasonable cause and not due to willful neglect, these cure provisions generally impose a \$50,000 penalty for each violation in lieu of a loss of REIT status. If Health Care REIT fails to qualify for taxation as a REIT in any taxable year, and the relief provisions of the Code do not apply, Health Care REIT will be required to pay tax, including any applicable alternative minimum tax, on its taxable income at regular corporate tax rates. Distributions to Health Care REIT's stockholders in any year in which Health Care REIT fails to qualify as a REIT will not be deductible by Health Care REIT, and Health Care REIT will not be required to distribute any amounts to its stockholders. As a result, Health Care REIT anticipates that its failure to qualify as a REIT would reduce the cash available for distribution by it to its stockholders. In addition, if Health Care REIT fails to qualify as a REIT, all distributions to Health Care REIT's stockholders will be taxable as regular corporate dividends to the extent of Health Care REIT's current and accumulated earnings and profits. In this event, subject to certain limitations under the Code, corporate distributees may be eligible for the dividends-received deduction. Unless entitled to relief under specific statutory provisions, Health Care REIT will also be disqualified from taxation as a REIT for the four taxable years following the year in which Health Care REIT lost its qualification. It is not possible to state whether in all circumstances Health Care REIT would be entitled to this statutory relief.

Tax Liabilities and Attributes Inherited from Windrose

If Windrose failed to qualify as a REIT for any of its taxable years, Windrose would be liable for (and, as successor to Windrose in the merger, Health Care REIT would be obligated to pay) federal income tax (including any applicable alternative minimum tax) on its taxable income at regular corporate rates. Furthermore, after the merger, the asset and income tests will apply to all of Health Care REIT's assets, including the assets Health Care REIT acquires from Windrose, and to all of Health Care REIT's income, including the income derived from the assets Health Care REIT acquires from Windrose. As a result, the nature of the assets that Health Care REIT acquires from Windrose and the income Health Care REIT derives from those assets may have an effect on Health Care REIT's tax status as a REIT.

Qualification as a REIT requires Windrose to satisfy numerous requirements, some on an annual and others on a quarterly basis, as described above with respect to Health Care REIT. There are only limited judicial and administrative interpretations of these requirements and qualification as a REIT involves the determination of various factual matters and circumstances which were not entirely within Windrose's control.

U.S. Federal Tax Consequences of the Operating Partnership Merger*General*

The following is a summary of the material anticipated U.S. federal income tax consequences of the operating partnership merger. This summary is generally applicable to holders of Windrose OP units (other than Health Care REIT, Windrose or their respective subsidiaries) who are U.S. persons (as defined in Section 7701(a)(30) of the Code) and who hold their Windrose OP units as capital assets for U.S. federal income tax purposes (which holders we refer to as the unitholders). In the operating partnership merger, each Windrose OP unit issued and outstanding prior to the operating partnership merger (other than Windrose OP units held by Windrose, Health Care REIT or any of their respective subsidiaries) will be converted into, and cancelled in exchange for, a fraction of a share of Health Care REIT common stock equal to the exchange ratio. Although the operating partnership merger is, for state law purposes, a merger of Heat OP Merger Sub with and into Windrose OP, the operating partnership merger will be treated for

federal income tax purposes as a sale of Windrose OP units by the unitholders to Health Care REIT and Warrior OP Holdco, LLC.

No ruling has been or will be requested from the IRS, and no opinions of counsel will be issued, with respect to the tax consequences of the operating partnership merger. Accordingly, no assurance can be given

Table of Contents

that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences set forth below.

Federal Income Tax Consequences of the Operating Partnership Merger to Unitholders

The exchange of Windrose OP units for Health Care REIT common stock pursuant to the operating partnership merger will be treated as a sale of those units for federal income tax purposes. That sale will be fully taxable to unitholders and such holders will be treated as realizing for tax purposes an amount equal to the sum of the cash and the fair market value of the Health Care REIT common stock received in connection with the operating partnership merger plus the amount of Windrose OP's liabilities allocable to the unitholder's Windrose OP units at the time of the exchange.

Tax Treatment of Unitholders Generally. The determination of gain or loss from the sale of Windrose OP units pursuant to the operating partnership merger will be based on the difference between the amount considered realized for federal income tax purposes and the tax basis of the unitholder's Windrose OP units. See **Basis of Windrose OP units.** The amount realized will be measured by the sum of the cash and fair market value of the Health Care REIT common stock received plus the amount of any Windrose OP liabilities allocable to the unitholder's Windrose OP units exchanged. To the extent that the amount realized exceeds the unitholders' basis in their Windrose OP units, such unitholders will recognize gain. It is possible that the amount of gain recognized or even the tax liability resulting from such gain could exceed the amount of cash and the fair market value of any Health Care REIT common stock received in connection with the operating partnership merger.

Except as described below, any gain or loss recognized in connection with the operating partnership merger will be treated as gain or loss attributable to the sale or disposition of a capital asset. Such gain or loss generally will constitute long-term capital gain or loss if the unitholder has held such Windrose OP units for more than one year. To the extent, however, that the amount realized is attributable to a unitholder's share of unrealized receivables of Windrose OP (as defined in section 751 of the Code) that exceeds the basis attributable to those assets, such excess will be treated as ordinary income. Unrealized receivables include, to the extent not previously included in Windrose OP's income, any rights to payment for services rendered or to be rendered. Unrealized receivables also include amounts that would be subject to recapture as ordinary income if Windrose OP had sold its assets at their fair market value at the time of the operating partnership merger. In addition, a portion of any long-term gain recognized by unitholders who are individuals, trusts or estates may be characterized as unrecaptured Section 1250 gain, which would be subject to tax at a maximum rate of 25%, rather than the maximum 15% rate generally applicable to long-term capital gains.

Unitholders also will be allocated their proportionate share of Windrose OP's taxable income for the portion of Windrose OP's taxable year ending with the date of the closing of the operating partnership merger, and unitholders will have to report such income notwithstanding the exchange of their Windrose OP units. However, as discussed below under **Basis of Windrose OP units,** any income allocated to a unitholder's Windrose OP units with respect to the portion of the taxable year prior to the closing of the operating partnership merger will increase the unitholder's adjusted tax basis in its Windrose OP units for purposes of calculating gain and loss on the operating partnership merger.

A unitholder's initial tax basis in the Health Care REIT common stock received in the operating partnership merger will be equal to the sum of the cash received and the fair market value of such shares of Health Care REIT common stock on the effective date of the operating partnership merger, and such unitholder's holding period in those shares of Health Care REIT common stock will commence the day after the operating partnership merger.

Tax Treatment of Unitholders Entitled to Tax Indemnity Payments. Certain unitholders who contributed assets to Windrose OP in connection with Windrose's initial public offering are parties to tax indemnity agreements with Health Care REIT. Health Care REIT has agreed to pay to each unitholder subject to a tax indemnity agreement a cash amount (which we refer to in this proxy statement/prospectus as the adjustment amount) intended to equal the unitholder's estimated tax liability attributable to the exchange of Windrose OP units for Health Care REIT common stock in the operating partnership merger plus a tax gross-up amount.

Table of Contents

Although the tax treatment of the adjustment amount is not entirely clear, it is likely to be treated as ordinary income.

Basis of Windrose OP units. In general, a unitholder who at the time of the transactions resulting in the issuance of the Windrose OP units contributed a partnership interest or other property to Windrose OP in exchange for Windrose OP units will have an initial basis in the Windrose OP units (which we refer to in this proxy statement/prospectus as the initial basis) equal to its basis in the contributed partnership interest or other property. A unitholder's initial basis in its Windrose OP units generally is increased by (i) such unitholder's share of Windrose OP's taxable income and (ii) increases in its share of liabilities of Windrose OP (including any increase in its share of liabilities occurring in connection with the transactions resulting in the issuance of the Windrose OP units). Generally, such unitholder's basis in its Windrose OP units is decreased (but not below zero) by (A) its share of Windrose OP distributions, (B) decreases in its share of liabilities of Windrose OP (including any decrease in its share of liabilities of Windrose OP occurring in connection with the transactions resulting in the issuance of the Windrose OP units), (C) its share of losses of Windrose OP and (D) its share of nondeductible expenditures of Windrose OP that are not chargeable to capital.

Federal Income Tax Consequences of the Operating Partnership Merger to the Entities

Neither Windrose OP nor Heat OP Merger Sub will recognize any gain or loss as a result of the operating partnership merger.

Backup Withholding

In general, operating partnership merger consideration (including any adjustment amounts) will be subject to information reporting to the IRS. In addition, backup withholding at the applicable rate, currently 28%, will generally apply to such operating partnership merger consideration if the exchanging unitholder fails to properly certify that it is not subject to backup withholding, generally on a substitute IRS Form W-9. Certain unitholders, including, among others, U.S. corporations, are not subject to information reporting or backup withholding, but they may still need to furnish an IRS Form W-9 or otherwise establish an exemption. Any amount withheld as backup withholding from payments to a unitholder will be creditable against the unitholder's U.S. federal income tax liability, provided that it timely furnishes the required information to the IRS. Unitholders should consult their tax advisors as to their qualifications for exemption from backup withholding and the procedure for obtaining such an exemption.

DESCRIPTION OF HEALTH CARE REIT

Health Care REIT is a self-administered, equity real estate investment trust that invests in health care and senior housing facilities. Founded in 1970, Health Care REIT was the first real estate investment trust to invest exclusively in health care facilities.

As of September 30, 2006, Health Care REIT had \$3.1 billion of net real estate investments, inclusive of credit enhancements, in 477 facilities located in 37 states and managed by 58 different operators. At that date, the portfolio included 39 independent living/continuing care retirement communities, 204 assisted living facilities, 220 skilled nursing facilities and 14 specialty care facilities.

Health Care REIT seeks to increase funds from operations and funds available for distribution and to enhance stockholder value through relationship investing with public and private regionally focused operators. The primary components of this strategy are set forth below.

Relationship Investing. Health Care REIT establishes relationships with, and provides financing to, operators throughout their growth cycles. Health Care REIT targets companies with experienced management teams, regionally focused operations, substantial inside ownership interests or venture capital backing and significant growth potential.

By maintaining close ties to operators, Health Care REIT is able to structure investments designed to support an operator's business plan and monitor Health Care REIT's investments on an ongoing basis. Health Care REIT's investments are typically structured as master operating leases for the acquisition and development of facilities in a geographic region. Economic terms typically include annual rate increasers and fair market value-based purchase options.

Portfolio Management. Portfolio strength is derived from diversity by operator, property sector and geographic location. Health Care REIT emphasizes long-term investment structures that result in a predictable asset base with attendant recurring income, funds from operations and funds available for distribution. DESCRIPTION OF WINDROSE

Windrose Medical Properties Trust

Windrose is a self-managed specialty medical properties real estate investment trust, or REIT. Windrose was organized in March 2002 as a Maryland REIT with perpetual existence and is taxed as a REIT under the federal income tax laws. Windrose completed its initial public offering and began operations in August 2002. Windrose was formed to acquire, selectively develop and manage specialty medical properties such as:

Medical Office Buildings. Medical office buildings are office and clinic facilities, often located near hospitals or on hospital campuses, specifically constructed and designed for the use of physicians and other health care personnel to provide services to their patients. Medical office buildings typically contain sole and group physician practices and may hold laboratory and other patient services, including ambulatory surgery centers.

Ambulatory Surgery Centers. Ambulatory surgery centers are used for general or specialty surgical procedures not requiring an overnight stay in a hospital. In addition to surgery facilities, ambulatory surgery centers typically include a single group office and/or clinic space.

Outpatient Treatment and Diagnostic Facilities. Outpatient treatment and diagnostic facilities provide treatments and care not typically provided in physician offices or clinics, such as gastrointestinal endoscopy care, oncology treatment, kidney dialysis and other similar services.

Specialty Hospitals. Specialty hospitals focus and specialize in providing care for certain conditions and performing certain procedures, such as cardiovascular and orthopedic surgery. Specialty hospitals may include long-term acute care hospitals that provide care for patients requiring extended hospital stays and specialized care and observation more efficiently and economically than traditional acute care hospitals.

Windrose Medical Properties, L.P.

Windrose's operating partnership, Windrose Medical Properties, L.P. (which we refer to in this proxy statement/prospectus as Windrose OP), was formed in May 2002 under the Virginia Revised Uniform Limited Partnership Act. Windrose owns its properties and conducts its business through Windrose OP. Windrose serves as the sole general partner of Windrose OP. As of September 30, 2006, Windrose owned an approximate 98.4% interest in Windrose OP.

Hospital Affiliates Development Corporation

Windrose's taxable REIT subsidiary, Hospital Affiliates Development Corporation, or HADC, was incorporated in 1989 in Indiana. Its predecessor was incorporated in 1976. HADC conducts business throughout the United States and, to a lesser extent, internationally. HADC's primary objective is the development of specialty medical properties for Windrose, but HADC also provides these services for third-parties. HADC develops and constructs new build-to-suit or multi-tenant facilities. HADC earns fees from third-parties by providing services such as property development, facility planning, medical equipment planning and implementation services, real estate brokerage, leasing services and property management. Neither Windrose nor Windrose OP can undertake material amounts of third-party development and construction activities directly under applicable REIT tax rules. HADC pays income taxes at regular corporate rates on its taxable income.

Description of Health Care REIT Preferred Stock

The terms and provisions of the Health Care REIT preferred stock being issued in connection with the merger (which we also refer to as the Series G preferred stock) will be stated in a certificate of designation substantially in the form of *Appendix C* to this proxy statement/prospectus (which we refer to in this proxy statement/prospectus as the certificate of designation), which will be completed and filed as an amendment to Health Care REIT's certificate of incorporation on the effective date of the merger. The following summary of the material terms and provisions of the Series G preferred stock does not purport to be complete and is qualified in its entirety by reference to the form of certificate of designation as well as by reference to Health Care REIT's certificate of incorporation, Health Care REIT's by-laws and the applicable provisions of the DGCL. The terms and provisions of the Series G preferred stock are substantially similar to the terms and provisions of the Windrose preferred shares that will be cancelled in the merger, which terms and provisions are stated in the Windrose articles supplementary that are incorporated by reference into this proxy statement/prospectus.

Title and Authorized Number. The full title of the Series G preferred stock will be 7.5% Series G Cumulative Convertible Preferred Stock, \$1.00 par value per share. The number of authorized shares of Series G preferred stock will be the number of Windrose preferred shares outstanding immediately prior to the effective time of the merger.

Maturity. The Series G preferred stock will have no stated maturity and will not be subject to any sinking fund or mandatory redemption.

Rank. The Series G preferred stock will, with respect to dividend rights and rights upon liquidation, dissolution or winding up of Health Care REIT, rank:

prior or senior to the Health Care REIT common stock, Health Care REIT's Junior Participating Preferred Stock, Series A, and all other equity securities of Health Care REIT ranking junior to the Series G preferred stock with respect to dividend rights or rights upon liquidation, dissolution or winding up of Health Care REIT;

on a parity with Health Care REIT's Series C Cumulative Convertible Preferred Stock, 77/8% Series D Cumulative Redeemable Preferred Stock, 6.0% Series E Cumulative Convertible and Redeemable Preferred Stock, 75/8% Series F Cumulative Redeemable Preferred Stock and all other equity securities of Health Care REIT the terms of which specifically provide that such securities rank on a parity with the Series G preferred stock with respect to dividend rights and rights upon liquidation, dissolution or winding up of Health Care REIT (all of which are referred to below as the parity shares);

junior to all classes or series of equity securities of Health Care REIT the terms of which specifically provide that such securities rank senior to the Series G preferred stock with respect to dividend rights or rights upon liquidation, dissolution or winding up of Health Care REIT; and

junior to all existing and future indebtedness of Health Care REIT.

Dividends. Holders of the Series G preferred stock will be entitled to receive, when and as authorized and declared by Health Care REIT's board of directors, or a duly authorized committee thereof, out of funds

Table of Contents

legally available for the payment of dividends, preferential cumulative cash dividends at the rate of 7.5% per year of the \$25.00 base liquidation preference per share (equivalent to a fixed annual amount of \$1.875 per share).

Dividends on the Series G preferred stock will be cumulative and will begin to accrue from the date the merger is completed and will be payable in arrears on or about the 15th day of January, April, July and October of each year, or, if not a business day, the next succeeding business day (which we refer to in this proxy statement/prospectus as a dividend payment date). Any quarterly dividend payable on the Series G preferred stock for any partial dividend period will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends will be payable to holders of record at the close of business on the applicable record date, which will be the last day of the calendar month first preceding the applicable dividend payment date or such other date designated by Health Care REIT's board of directors for the payment of dividends that is not more than 30 nor less than 10 days prior to such dividend payment date (which we refer to in this proxy statement/prospectus as a dividend record date).

No dividends on the Series G preferred stock shall be authorized by Health Care REIT's board of directors or paid or set apart for payment at such time as the terms and provisions of any agreement of Health Care REIT, including any agreement relating to indebtedness, prohibits such declaration, payment or setting apart for payment or provides that such declaration, payment or setting apart for payment would constitute a breach thereof or a default thereunder, or if such declaration or payment shall be restricted or prohibited by law.

Notwithstanding the foregoing, dividends on the Series G preferred stock will accrue whether or not Health Care REIT has earnings, whether or not there are funds legally available for the payment of such dividends, whether or not such dividends are declared and whether or not such dividends are prohibited by agreement. Accrued but unpaid dividends on the Series G preferred stock will not bear interest and holders of the Series G preferred stock will not be entitled to any dividends in excess of full cumulative dividends described above. Except as set forth in the next sentence, no dividends will be declared or paid or set apart for payment on Health Care REIT common stock or any other equity securities of Health Care REIT ranking, as to dividends, on a parity with or junior to the Series G preferred stock (other than a dividend in Health Care REIT common stock or in shares of any other equity security of Health Care REIT ranking junior to the Series G preferred stock as to dividends and upon liquidation) for any period unless full cumulative dividends have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for such payment on the Series G preferred stock for all past dividend periods and the then current dividend period. When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series G preferred stock and the shares of any other series of preferred stock ranking on a parity as to dividends with the Series G preferred stock, all dividends declared upon the Series G preferred stock and any other series of preferred stock ranking on a parity as to dividends with the Series G preferred stock shall be declared pro rata.

Except as provided in the immediately preceding paragraph, unless full cumulative dividends on the Series G preferred stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods and the then current dividend period, no dividends (other than in Health Care REIT common stock or other equity securities of Health Care REIT ranking junior to the Series G preferred stock as to dividends and upon liquidation) shall be declared or paid or set aside for payment nor shall any other distribution be declared or made upon Health Care REIT common stock or any other securities of Health Care REIT ranking junior to or on a parity with the Series G preferred stock as to dividends or upon liquidation, nor shall any Health Care REIT common stock or any other equity securities of Health Care REIT ranking junior to or on a parity with the Series G preferred stock as to dividends or upon liquidation be redeemed, purchased or otherwise acquired for any consideration by Health Care REIT (except by conversion into or exchange for Health Care REIT common stock or any other equity securities of Health Care REIT ranking junior to the Series G preferred stock as to dividends and upon liquidation or redemptions for the purpose of preserving Health Care REIT's qualification as a REIT). Holders of Series G preferred stock will not be entitled to any dividend in excess of full

cumulative dividends on the Series G preferred stock.

Table of Contents

Liquidation Preference. Upon the voluntary or involuntary liquidation, dissolution or winding up of Health Care REIT's affairs, the holders of Series G preferred stock will be entitled to be paid out of Health Care REIT's assets legally available for distribution to its stockholders as follows:

a base liquidation preference of \$25 per share in cash or property at its fair market value as determined by Health Care REIT's board of directors, plus an amount equal to any accrued and unpaid dividends to the date of payment, but without interest, before any distribution of assets is made to holders of Health Care REIT common stock or any other equity securities of Health Care REIT that rank junior to the Series G preferred stock as to liquidation rights; or

in the event (i) Health Care REIT is liquidated or dissolved in a merger, acquisition or sale of all or substantially all of its assets prior to June 30, 2010 and (ii) a majority of the Health Care REIT common stock is converted into the right to receive cash, property or other consideration at a price, or having a fair market value, of less than 105% of the conversion price (as defined below under the heading "Conversion") then in effect, the holders of Series G preferred stock will be entitled to be paid out of assets legally available for distribution to Health Care REIT's stockholders a stepped up liquidation preference of \$26.25 per share in cash or property at its fair market value as determined by Health Care REIT's board of directors, plus an amount equal to any accrued and unpaid dividends to the date of payment, but without interest, before any distribution of assets is made to holders of Health Care REIT common stock or any other equity securities of Health Care REIT that ranks junior to the Series G preferred stock as to liquidation rights.

Health Care REIT will promptly provide to the holders of Series G preferred stock written notice of any event triggering the right to receive such liquidation preference. After payment of the full amount of the liquidation preference, plus any accrued and unpaid dividends to which holders of the Series G preferred stock are entitled, the holders of Series G preferred stock will have no right or claim to any of Health Care REIT's remaining assets.

A consolidation or merger of Health Care REIT with or into any other corporation, trust or entity or of any other corporation with or into Health Care REIT, the sale, lease or conveyance of all or substantially all of Health Care REIT's property or business or a statutory share exchange will not be deemed to constitute a liquidation, dissolution or winding up of Health Care REIT unless the liquidation, dissolution or winding up is effected in connection with, or a step in a series of transactions by which, a consolidation or merger of Health Care REIT is effected.

If, upon any liquidation, dissolution or winding up of Health Care REIT, the assets of Health Care REIT or proceeds thereof distributable among the holders of the Series G preferred stock are insufficient to pay the liquidation preference of the Series G preferred stock as described above and liquidating payments on all other classes and series of parity shares, then such assets, or the proceeds thereof, shall be distributed among the holders of the Series G preferred stock and any such other parity shares in proportion to the amounts that would be payable on the Series G preferred stock and any such other parity shares if all amounts payable thereon were paid in full.

Upon any liquidation, dissolution or winding up of Health Care REIT, after payment shall have been made in full to the holders of the Series G preferred stock and any parity shares, the holders of the Series G preferred stock and any parity shares will not be entitled to share in any assets remaining for distribution to stockholders of Health Care REIT.

Redemption. The Series G preferred stock will not be redeemable prior to June 30, 2010. On and after June 30, 2010, Health Care REIT, at its option, upon not less than 30 nor more than 60 days' written notice, may redeem the Series G preferred stock, in whole or in part, at any time or from time to time, for cash at a redemption price of \$25.00 per share, plus all accrued and unpaid dividends thereon to the date fixed for redemption (which we refer to in this proxy statement/prospectus as the redemption date), without interest. No Series G preferred stock may be redeemed except

with assets legally available for the payment of the redemption price.

Table of Contents

If notice of redemption of any shares of Series G preferred stock is given and the funds necessary for redemption set aside in trust for the benefit of the holders of the shares of Series G preferred stock called for redemption, then from and after the redemption date dividends will cease to accrue on such shares of Series G preferred stock, such shares of Series G preferred stock shall no longer be deemed outstanding and all rights of the holders of such shares will terminate, except the right to receive the redemption price. If less than all of the outstanding Series G preferred stock is to be redeemed, the Series G preferred stock to be redeemed shall be selected pro rata or by any other equitable method determined by Health Care REIT.

Unless full cumulative dividends on all Series G preferred stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period, no Series G preferred stock shall be redeemed unless all outstanding Series G preferred stock is simultaneously redeemed, and Health Care REIT shall not purchase or otherwise acquire directly or indirectly any Series G preferred stock (except by exchange for equity securities of Health Care REIT ranking junior to the Series G preferred stock as to dividends and upon liquidation); provided, however, that the foregoing shall not prevent the purchase by Health Care REIT of Series G preferred stock in order to ensure that Health Care REIT continues to meet the requirements for qualification as a REIT, or the purchase or acquisition of Series G preferred stock pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding Series G preferred stock. So long as no dividends are in arrears on the Series G preferred stock, Health Care REIT may repurchase from time to time any of the outstanding shares of Series G preferred stock in open market transactions that have been authorized by Health Care REIT's board of directors and effected in compliance with applicable law.

Notice of redemption will be given by publication in a newspaper of general circulation in the City of New York, such publication to be made once a week for two successive weeks commencing not less than 30 nor more than 60 days prior to the redemption date. A similar notice will be mailed by Health Care REIT, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, addressed to the respective holders of record of the Series G preferred stock to be redeemed at their respective addresses as they appear on the share transfer records of Health Care REIT. No failure to give such notice or any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any Series G preferred stock except as to the holder to whom notice was defective or not given. Each notice shall state: (i) the redemption date; (ii) the redemption price; (iii) the number of shares of Series G preferred stock to be redeemed; (iv) the place or places where the certificates for the Series G preferred stock are to be surrendered for payment of the redemption price; and (v) that dividends on the shares to be redeemed will cease to accrue on such redemption date. If less than all of the Series G preferred stock held by any holder is to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series G preferred stock held by such holder to be redeemed.

Immediately prior to any redemption of Series G preferred stock, Health Care REIT shall pay, in cash, any accumulated and unpaid dividends through the redemption date, unless a redemption date falls after a dividend record date and prior to the corresponding dividend payment date, in which case each holder of Series G preferred stock at the close of business on such dividend record date shall be entitled to the dividend payable on such shares on the corresponding dividend payment date notwithstanding the redemption of such shares before such dividend payment date.

Subject to applicable law and the limitation on purchases described above when dividends on the Series G preferred stock are in arrears, Health Care REIT may, at any time and from time to time, purchase any Series G preferred stock in the open market, by tender or by private agreement.

All Series G preferred stock redeemed, purchased or otherwise acquired by Health Care REIT shall be retired and reclassified as authorized but unissued preferred stock, without designation as to class or series, and may thereafter be reissued as any class or series of preferred stock.

Voting Rights. Holders of the Series G preferred stock will not have any voting rights, except as set forth below or as otherwise required by law.

Table of Contents

Whenever dividends on any Series G preferred stock shall be in arrears in an aggregate amount equivalent to six or more quarterly dividends, whether or not consecutive (which we refer to in this proxy statement/prospectus as a preferred dividend default), the number of directors then constituting Health Care REIT's board of directors shall increase by two (if not already increased by reason of a similar arrearage with respect to any parity preferred (as defined below)). In the event of such an increase in the number of directors, the holders of Series G preferred stock will be entitled to vote (voting separately as a class with holders of all other series of Health Care REIT preferred stock ranking on a parity with the Series G preferred stock as to dividends or upon liquidation (which we refer to in this proxy statement/prospectus as parity preferred) upon which like voting rights have been conferred and are exercisable), in order to fill the vacancies thereby created, for the election of a total of two additional directors (which we refer to in this proxy statement/prospectus as preferred share directors) at a special meeting called by the holders of record of at least 20% of the Series G preferred stock or by the holders of any series of parity preferred so in arrears with like voting rights (unless such request is received less than 90 days before the date fixed for the next annual or special meeting of stockholders) or at the next annual meeting of stockholders, and at each subsequent annual meeting at which a preferred share director is to be elected until all dividends accumulated on such Series G preferred stock and parity preferred with like voting rights for the past dividend periods and the dividend for the then current dividend period shall have been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. If and when all accumulated dividends and the dividend for the then current dividend period on the Series G preferred stock shall have been paid in full or declared and set aside for payment in full, the holders thereof shall no longer have the voting rights described above (but may have these voting rights in the future in the event of another preferred dividend default) and, if all accumulated dividends and the dividend for the then current dividend period have been paid in full or declared and set aside for payment in full on all series of parity preferred upon which like voting rights have been conferred and are exercisable, the term of office of each preferred share director so elected shall terminate and the number of directors then constituting the board of directors shall decrease accordingly. Any preferred share director may be removed at any time with or without cause by, and shall not be removed otherwise than by the vote of, the holders of record of a majority of the outstanding Series G preferred stock when they have the voting rights described above (voting separately as a class with holders of all series of parity preferred upon which like voting rights have been conferred and are exercisable). So long as a preferred dividend default shall continue, any vacancy in the office of a preferred share director may be filled by written consent of the preferred share director remaining in office, or if none remains in office, by a vote of the holders of record of a majority of the outstanding shares of Series G preferred stock when they have the voting rights described above (voting separately as a class with all series of parity preferred upon which like voting rights have been conferred and are exercisable). The preferred share directors shall each be entitled to one vote per director on any matter.

So long as any Series G preferred stock remains outstanding, Health Care REIT will not, without the affirmative vote or consent of the holders of at least two-thirds of the Series G preferred stock, given in person or by proxy, either in writing or at a meeting (voting separately as a class):

amend, alter or repeal any provisions of the certificate of designation for the Series G preferred stock or other provisions of Health Care REIT's certificate of incorporation, whether by merger, consolidation or otherwise (which we refer to in this proxy statement/prospectus as an event), so as to materially and adversely affect any right, preference, privilege or voting power of the Series G preferred stock or the holders thereof; or

authorize, create or issue, or increase the authorized or issued amount of, any class or series of equity security or rights to subscribe to or acquire any class or series of equity security, in each case ranking senior to the Series G preferred stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of Health Care REIT, or reclassify any equity securities into any such shares;

provided, however, that with respect to the occurrence of any event, so long as the Series G preferred stock (or any equivalent class or series of stock or shares issued by the surviving corporation or entity in any merger or consolidation to which Health Care REIT became a party) remains outstanding with the terms thereof materially unchanged, the occurrence of any such event shall not be deemed to materially and adversely affect

Table of Contents

such rights, preferences, privileges or voting power of holders of the Series G preferred stock. Further, none of the following will be deemed to materially and adversely affect the rights, preferences, privileges or voting powers of holders of Series G preferred stock:

any increase in the amount of Health Care REIT's currently authorized preferred stock;

the authorization, increase in the number of authorized shares of or issuance of any other class of preferred stock of Health Care REIT or any series of any class of preferred stock of Health Care REIT, in each case ranking on a parity with or junior to the Series G preferred stock with respect to payment of dividends and the distribution of assets upon liquidation, dissolution or winding up; or

any merger or consolidation in which Health Care REIT is not the surviving entity if, as a result of the merger or consolidation, the holders of Series G preferred stock receive cash in the amount of their liquidation preference in exchange for each share of their Series G preferred stock.

Each share of Series G preferred stock shall have one vote per share on the matters set forth above, except when any other class or series of preferred stock shall have the right to vote with the Series G preferred stock as a single class on a matter, then:

the Series G preferred stock and such other class or series shall each have one vote per \$25.00 of liquidation preference on the matter; or

in the event that the vote is with respect to a transaction in which the holders of the Series G preferred stock would be entitled to receive the stepped up liquidation preference as described above and have a right to vote on the matter as described above, the holders of the Series G preferred stock will have 1.05 votes per \$25.00 of liquidation preference.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of Series G preferred stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption.

Except as described above, the Series G preferred stock will not have any relative, participating, optional or other special voting rights and powers, and the consent of holders of Series G preferred stock shall not be required for any corporate action, including any merger or consolidation involving Health Care REIT or a sale of all or substantially all of Health Care REIT's assets, irrespective of the effect that such merger, consolidation or sale may have upon the rights, preferences or voting power of the holders of Series G preferred stock.

Conversion. Shares of Series G preferred stock will be convertible, in whole or in part, at any time, at the option of the holders thereof, into the number of fully paid and nonassessable shares of Health Care REIT common stock obtained by dividing the aggregate base liquidation preference of the shares of Series G preferred stock by a conversion price equal to the quotient of \$15.75 divided by the exchange ratio in the merger (equivalent to a conversion rate equal to the product of 1.5873 times the exchange ratio in the merger), subject to adjustment as described below, which is referred to as the conversion price. The right to convert Series G preferred stock called for redemption will terminate at the close of business on the redemption date unless Health Care REIT defaults in making certain payments in connection with the redemption.

Conversions may be effected by delivering certificates evidencing Series G preferred stock, together with written notice of conversion and a proper assignment of such certificate to Health Care REIT or in blank, to the office or

agency to be maintained by Health Care REIT for that purpose.

Each conversion will be deemed to have been effected immediately prior to the close of business on the date on which the notice of conversion and the certificates for the Series G preferred stock being converted shall have been received by Health Care REIT or Health Care REIT's agent as described above (and if applicable, payment of any amount equal to the dividend payable on such shares shall have been received by Health Care REIT or its agent as described below), and the conversion shall be at the conversion price in effect at such time and on such date.

Table of Contents

Holders of Series G preferred stock who convert their Series G preferred stock will not be entitled to, nor will the conversion rate be adjusted for, any accumulated and unpaid dividends, whether or not in arrears. Holders of Series G preferred stock at the close of business on a dividend record date will be entitled to receive the dividend payable on such shares on the corresponding dividend payment date notwithstanding the conversion of such shares following such dividend record date and prior to such dividend payment date. However, Series G preferred stock surrendered for conversion during the period between the close of business on any dividend record date and ending with the opening of business on the corresponding dividend payment date (except shares converted after the issuance of a notice of redemption with respect to a redemption date during such period or coinciding with such dividend payment date, which will be entitled to such dividend) must be accompanied by payment of an amount equal to the dividend payable on such shares on such dividend payment date. A holder of Series G preferred stock on a dividend record date who (or whose transferee) tenders any such shares for conversion into Health Care REIT common stock on such dividend payment date will receive the dividend payable on such Series G preferred stock on such date, and the converting holder need not include payment of the amount of such dividend upon surrender of Series G preferred stock for conversion.

Fractional shares of Health Care REIT common stock will not be issued upon conversion of Series G preferred stock. In lieu thereof, Health Care REIT will pay a cash adjustment based on the current market price of the Health Care REIT common stock on the trading day immediately preceding the conversion date.

Conversion Price Adjustments. The conversion price as described above will be subject to adjustment upon certain events, including:

the payment of dividends (and other distributions) to holders of Health Care REIT common stock in Health Care REIT common stock;

the issuance to all holders of Health Care REIT common stock of certain rights or warrants entitling them to subscribe for or purchase Health Care REIT common stock at a price per share less than the fair market value (as defined in the certificate of designation for the Series G preferred stock) per share of Health Care REIT common stock;

subdivisions, combinations and reclassifications of Health Care REIT common stock; and

distributions to all holders of Health Care REIT common stock of any equity securities of Health Care REIT (other than Health Care REIT common stock) or evidence of indebtedness or assets of Health Care REIT (including securities or cash, but excluding those dividends, rights, warrants and distributions referred to in the bullet points above and dividends and distributions paid in cash out of surplus of Health Care REIT as defined under Delaware law).

In addition to the foregoing adjustments, Health Care REIT will be permitted to reduce the conversion price as its board of directors considers to be advisable in order that any event treated for federal income tax purposes as a dividend of shares or share rights will not be taxable to holders of Health Care REIT common stock or, if that is not possible, to diminish any income taxes that are otherwise payable because of such event.

In case Health Care REIT shall be a party to any transaction (including, without limitation, a merger, consolidation, statutory share exchange, tender offer for all or substantially all of its common stock or sale of all or substantially all of its assets), in each case as a result of which Health Care REIT common stock will be converted into the right to receive stock, securities or other property (including cash or any combination thereof), each share of Series G preferred stock, if convertible after the consummation of the transaction, will thereafter be convertible into the kind and amount of stock, securities and other property receivable (including cash or any combination thereof) upon the

consummation of such transaction by a holder of that number of shares of Health Care REIT common stock or fraction thereof into which one share of Series G preferred stock was convertible immediately prior to such transaction (assuming such holder of common stock failed to exercise any rights of election and received per share of common stock the kind and amount of stock, securities or other property received per share of common stock by a plurality of non-electing shares of common stock). Health Care REIT may not become a party to any such transaction unless the terms thereof are consistent with the foregoing.

Table of Contents

No adjustment of the conversion price is required to be made unless such adjustment would require a cumulative increase or decrease of at least 1% or more of the conversion price. Any adjustments not so required to be made will be carried forward and taken into account in subsequent adjustments; provided, however, that any such adjustments will be made not later than such time as may be required to preserve the tax-free nature of a distribution to the holders of Health Care REIT common stock. The conversion price will not be adjusted:

upon the issuance of any Health Care REIT common stock or rights to acquire Health Care REIT common stock pursuant to any present or future employee, director or consultant incentive or benefit plan or program for Health Care REIT or any of its subsidiaries;

upon the issuance of any Health Care REIT common stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on common stock or indebtedness of Health Care REIT and the investment of additional optional amounts under any plan;

for a change in the par value of Health Care REIT common stock; or

for accumulated and unpaid dividends.

Restrictions on Ownership and Transfer. The Series G preferred stock will be subject to restrictions on ownership and transfer as set forth in Article VI of Health Care REIT's by-laws. Article VI provides that no person may have beneficial ownership of more than 9.8% of the outstanding shares of Health Care REIT common stock or beneficial ownership of shares of any class of Health Care REIT's capital stock with an aggregate market value exceeding 9.8% of the aggregate market value of all outstanding shares of all classes of Health Care REIT's capital stock. Article VI further provides that no securities may be issued or transferred to or for the benefit of any person if, following such issuance or transfer, such person's beneficial ownership of Health Care REIT capital stock would exceed either of the foregoing limits. In the event of an issuance or transfer in violation of such restrictions, the issuance or transfer shall be valid only with respect to the amount of the securities that does not result in a violation of such restrictions. For purposes of the application of such restrictions to any person, any convertible securities beneficially owned by such person shall be treated as if all the capital stock conversion or purchase rights thereof had been exercised. If a person nonetheless acquires Health Care REIT securities in excess of either of such stock ownership limits, the person will be deemed to have acted as an agent of Health Care REIT in acquiring the excess securities to hold them on behalf of Health Care REIT. As the equivalent of treasury securities, the excess securities shall not be entitled to any voting rights, shall not be considered to be outstanding for quorum or voting purposes, and shall not be entitled to receive dividends, interest or any other distribution with respect to such securities. Upon a transfer of the excess securities to any person in a transaction not in violation of Health Care REIT's limitations on stock ownership, Health Care REIT shall pay or distribute to the transferee any distributions on the excess securities not previously paid or distributed.

No Preemptive Rights. No holder of Series G preferred stock shall be entitled to any preemptive or subscription rights with respect to any future issuances of Health Care REIT capital stock.

COMPARISON OF THE RIGHTS OF HOLDERS OF WINDROSE COMMON SHARES AND HEALTH CARE REIT COMMON STOCK

The rights of the holders of shares of Health Care REIT common stock are presently governed by the Delaware General Corporation Law, or DGCL, and Health Care REIT's certificate of incorporation and by-laws. The rights of holders of Windrose common shares are currently governed by the Maryland REIT Law and Windrose's declaration of trust and bylaws. Subject to the terms of the First Amended and Restated Agreement of Limited Partnership of Windrose OP, which is referred to as the partnership agreement, holders of Windrose OP units (other than Windrose and its subsidiaries) may redeem their Windrose OP units for cash or, at Windrose's election, Windrose common shares. To the extent Windrose issues common shares upon such redemption, the rights of a limited partner of Windrose OP with respect to such common shares would be governed by the Maryland REIT Law and Windrose's declaration of trust and bylaws. Upon completion of the mergers, shareholders of Windrose common shares and holders of Windrose OP units will receive shares of Health Care REIT common stock in exchange for their Windrose common shares and Windrose OP units. As a result, the rights of former holders of Windrose common shares and former holders of Windrose OP units will be governed by the DGCL and Health Care REIT's certificate of incorporation and by-laws.

The following is a summary of the material differences between the current rights of holders of Windrose common shares and the rights of holders of Health Care REIT common stock. This summary may not contain all of the information that is important to you and it is not intended to be a complete discussion of the respective rights of holders of Windrose common shares and holders of Health Care REIT common stock. This summary is qualified in its entirety by reference to the DGCL, the Maryland REIT Law and the various documents of Windrose and Health Care REIT to which we refer in this summary. We urge you to carefully read this entire proxy statement/prospectus, the relevant provisions of the DGCL, the Maryland REIT Law and the other documents to which we refer in this proxy statement/prospectus for a more complete understanding of the differences between being a Windrose shareholder and being a Health Care REIT stockholder. Notice of Stockholder and Shareholder Proposals and Nominations

Health Care REIT's by-laws specify certain conditions for the submission by a stockholder of a matter for consideration at the annual meeting of stockholders and nominations by stockholders of persons for election to Health Care REIT's board of directors. For a matter to be considered at a meeting, (i) the stockholder must have given timely notice of the proposal, in writing, containing the information required by the by-laws, to the secretary of Health Care REIT, and (ii) the business must be a proper matter for stockholder action under the DGCL.

A stockholder's notice must have been delivered to or mailed and received at the principal executive offices of Health Care REIT not more than 120 days prior to the meeting and not less than 45 days before the date on which Health Care REIT first mailed or otherwise gave notice for the prior year's annual meeting, provided that, if during the prior year Health Care REIT did not hold an annual meeting, or if the date of the annual meeting for the current year has changed more than 30 days from the date of the annual meeting in the prior year, then notice must have been received by Health Care REIT not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or public disclosure of the date of the meeting was given or made, whichever occurs first.

Calling of Special Meetings of Stockholders and Shareholders

Except as otherwise required by law and subject to the rights of holders of any class or series of stock having a preference over the common stock as to dividends or upon liquidation, special meetings of stockholders of Health Care REIT may be called only by the board of directors pursuant to a resolution approved by a majority of the entire board of directors.

Nominations of individuals to be elected as trustees and business to be considered at an annual meeting may be proposed by shareholders only if notice containing the information specified by Windrose's bylaws is provided timely and the business is a proper matter for shareholder action under the Maryland REIT Law. Notice may be provided only by a shareholder who was a shareholder of record both at the time of the provision of notice and at the time of the meeting who is entitled to vote at the meeting. Nominations of individuals to be elected as trustees at a special meeting may be provided by shareholders only if Windrose's board of trustees has determined that trustees will be elected at such meeting.

To be timely, notice must be delivered to the secretary at Windrose's principal executive office by not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting nor earlier than the close of business on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided that, if Windrose has advanced or delayed the date of its annual meeting by more than 30 days from the date of the prior year's annual meeting, then notice must have been received not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or 10th day following the day on which public announcement of the date of such meeting was first made.

Windrose's bylaws provide that a special meeting may be called by Windrose's board of trustees, the president, the chief executive officer or Windrose's board of trustees. The bylaws also provide that the secretary of Windrose may call a special meeting of shareholders in accordance with provisions of the bylaws upon the written request of the shareholders entitled to cast not less than a majority of all the votes entitled to be cast at such meeting.

Health Care REIT's certificate of incorporation and by-laws and the DGCL contain no similar restrictions.

Subject to the rights of holders of shares of any class or series, shareholders of Windrose are entitled to vote only with respect to (i) election and removal of trustees, (ii) amendment of the declaration of trust, (iii) termination of Windrose, (iv) merger or consolidation

Table of Contents

When a quorum is present at any meeting, the vote of the holders of a majority of the shares of stock represented and entitled to vote at the meeting shall decide any question brought before the meeting (unless the provisions of the DGCL or Health Care REIT's certificate of incorporation or by-laws require a different vote). The candidates receiving the greatest number of votes shall be elected as directors.

—
Action by Written Consent
—

Under Health Care REIT's certificate of incorporation, any action required or permitted to be taken by Health Care REIT's stockholders must be effected at an annual or special meeting of the stockholders and may not be effected by written consent.

—
Extraordinary Transactions and Business Combinations
—

Under the DGCL, a merger or consolidation of a corporation into or with another entity or a sale of all or substantially all of a corporation's assets must be authorized by the board of directors and approved by the affirmative vote of its stockholders with a majority of all the votes entitled to be cast on the matter.

Health Care REIT's by-laws provide that the affirmative vote of the holders of at least 75% of the voting power of the then outstanding shares of capital stock of Health Care REIT entitled to vote generally in the election of directors, voting together as a single class, is required in order to enter into a merger, consolidation, or sale or other disposition of substantially all of Health Care REIT's assets, in one transaction or a series of transactions, with a stockholder or an affiliate of a stockholder that owns 5% or more of Health Care REIT's voting stock. These voting requirements also apply to any reclassification or recapitalization that has the effect of increasing the proportionate share of the outstanding

of Windrose, or the sale or disposition of substantially all of the assets of Windrose or (v) any other matter that the Windrose board of trustees has declared advisable and directed be submitted to the shareholders.

When a quorum is present at any meeting, a majority of the votes cast is sufficient to approve a matter unless the provisions of the Maryland REIT Law or Windrose's declaration of trust provide for a different vote. A plurality of all of the votes cast is sufficient to elect a trustee.

Windrose's bylaws provide that any action required or permitted to be taken at a meeting of shareholders may be taken without a meeting if a consent in writing, setting forth such actions, is signed by all of the shareholders entitled to vote on the matter, and such consent is filed with the minutes of proceedings of the shareholders.

Under Maryland REIT Law and Windrose's declaration of trust, Windrose generally cannot dissolve or merge with another entity unless advised and approved by the board of trustees and approved by the affirmative vote of shareholders holding at least a majority of the shares entitled to vote on the matter.

The Maryland REIT Law and Windrose's declaration of trust and bylaws contain no comparable provisions.

shares of any class of Health Care REIT's equity securities held by a 5% stockholder or an affiliate of such a stockholder and any plan or proposal of liquidation or dissolution proposed by or on behalf of a 5% stockholder or an affiliate of such a stockholder. These voting requirements do not apply to the foregoing

transactions if (i) Health Care REIT is, at the time of the transaction and throughout the preceding 12 months, the owner of a majority of each class of the outstanding equity securities of the 5% stockholder; or (ii) the transaction has been approved by majority of the members of Health Care REIT's board of directors, who at the time such approval is given, were not affiliates or nominees of the 5% stockholder; or (iii) the aggregate amount of the cash and other consideration to be received by holders of Health Care REIT's voting stock in the transaction is at least equal to the highest per share price paid by the 5% stockholder for any shares acquired by the 5% stockholder within the two-year period immediately prior to the first public announcement of the proposed transaction or in the transaction in which the 5% stockholder became a 5% stockholder, whichever is higher, and the consideration to be received by holders of a particular class of outstanding voting stock is in cash or in the same form as the 5% stockholder used to acquire the largest number of shares of such voting stock previously acquired by the 5% stockholder.

Section 203 of the DGCL prohibits a Delaware corporation listed on a national securities exchange from engaging in a business combination with an interested stockholder for a period of three years after the time the person became an interested stockholder unless: (i) prior to such time, the board of directors approved either the business combination or the transaction in which the stockholder became an interested stockholder; or (ii) upon becoming an interested stockholder, the stockholder owned at least 85% of the corporation's outstanding voting stock (excluding shares held by persons who are both directors and officers and shares held by certain employee benefit plans); or (iii) the business combination is approved by both the board of directors and holders of at least 66²/₃% of the corporation's outstanding voting stock (excluding shares owned by the interested stockholder) at a meeting of stockholders and not by written consent. For these purposes, the term business combination includes mergers, consolidations, sales of assets and other similar transactions with an interested stockholder and the term interested stockholder means a person who, together with its affiliates and associates, owns (or, under certain circumstances, has owned within the prior three years) 15% or more of the outstanding voting stock of the corporation. A corporation may elect not to be governed by Section

Maryland law prohibits business combinations with an interested shareholder or an affiliate of an interested shareholder for five years after the most recent date on which the interested shareholder becomes an interested shareholder. These business combinations include a merger, consolidation, share exchange, or, in circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities. Maryland law defines an interested shareholder as: (i) any person who beneficially owns 10% or more of the voting power of the trust's shares; or (ii) an affiliate or associate of the trust who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the trust's then outstanding voting shares. A person is not an interested shareholder if the board of trustees approved in advance the transaction by which the person otherwise would have become an interested shareholder. However, in approving a transaction, the board of trustees may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board of trustees.

After the five-year prohibition, any business combination between the trust and an interested

cast by holders of the trust's then outstanding shares of beneficial interest; and (ii) two-thirds of the votes entitled to be cast by holders of the trust's voting shares other than shares held by the interested shareholder with whom or with whose affiliate the business combination is to be effected or shares held by an affiliate or associate of the interested shareholder.

These super-majority vote requirements do not apply if the trust's common shareholders receive a minimum price, as defined under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested shareholder for its shares. The statute permits various exemptions from its provisions, including business combinations that are exempted by the board of trustees before the time that the interested shareholder becomes an interested shareholder.

Windrose's board of trustees has exempted the merger from the business combination provisions of Maryland law by resolution.

Amendment of Charter/Declaration of Trust

Under the DGCL, an amendment of Health Care REIT's certificate of incorporation must be approved by Health Care REIT's board of directors and by the affirmative vote at a meeting by stockholders of a majority of the outstanding shares entitled to vote on the matter. In addition, under the DGCL, the holders of the outstanding shares of a class are entitled to vote as a class upon a proposed amendment, whether or not entitled to vote thereon by the certificate of incorporation, if the amendment would increase or decrease the aggregate number of authorized shares of such class, increase or decrease the par value of the shares of such class, or alter or change the powers, preferences or special rights of the shares of such class so as to affect them adversely. If any proposed amendment would alter or change the powers, preferences or special rights of one or more series of any class so as to affect them adversely, but would not so affect the entire class, then only the shares of the series so affected by the amendment will be considered a separate class for purposes of this provision.

As authorized by the Maryland REIT Law, Windrose's declaration of trust provides that amendments to Windrose's declaration of trust must be approved by the affirmative vote of a majority of all the votes entitled to be cast on the matter, except that any amendment to certain provisions of the declaration of trust regarding (i) the number and election of trustees, (ii) the resignation or removal of trustees, (iii) the classification of preferred shares, (iv) classified or reclassified shares, (v) the restriction and transfer of ownership of shares or (vi) approval of amendments to the declaration of trust by the shareholders must be approved by the affirmative vote of two-thirds of all the votes entitled to be cast on the matter.

Windrose's declaration of trust provides that the trustees may amend the declaration of trust without any action by the shareholders as provided in the declaration of trust and in the Maryland REIT Law. The Maryland REIT Law provides that the board of trustees, with the approval of two thirds of its members, may amend the declaration of trust from time to time to qualify as a real

estate investment trust under the Internal Revenue Code or under the Maryland REIT Law. The Maryland REIT Law and Windrose's declaration of trust provides that a majority of the entire board of trustees may amend the declaration of trust to change the name of the trust or to change the

name or other designation or the par value of any class or series of stock of the corporation and the aggregate par value of the stock of the trust.

—
Amendment of By-laws
—

Health Care REIT's by-laws may be amended or repealed or new by-laws may be adopted by either the stockholders or Health Care REIT's board of directors. Any amendment by Health Care REIT's board of directors must be approved by a majority of the directors then in office. Any amendment by the stockholders must be approved by holders of capital stock having a majority of the voting power in the election of directors of all outstanding Health Care REIT capital stock, voting together as a single class, except that the approval of 75% of such holders is required for any amendment to the provisions of the by-laws concerning (i) the number of directors, classification of Health Care REIT's board of directors, vacancies in Health Care REIT's board of directors, or removal of directors, (ii) restrictions on issuance and transfer of stock, or (iii) business combinations.

Windrose's board of trustees, without any action by the shareholders of Windrose, has the exclusive power to adopt, amend and repeal any provision of the bylaws or to make new bylaws.

—
Control Share Acquisitions
—

Health Care REIT's certificate of incorporation and by-laws and the DGCL do not contain similar provisions relating to control share acquisitions.

Windrose's bylaws contain a provision exempting from the Maryland control share acquisition statute any acquisition by any person of shares of beneficial interest of the trust. This provision may be repealed, in whole or in part, at any time, whether before or after an acquisition of control shares.

—
Indemnification
—

The DGCL permits and Health Care REIT's by-laws require it to indemnify any current or past director or officer who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a director, officer, employee or agent of Health Care REIT, or is or was serving at Health Care REIT's request as a director, officer, employee, trustee, partner, agent or fiduciary of another corporation, partnership, joint venture, employee

Maryland law and Windrose's declaration of trust permit Windrose, and its bylaws obligate it, to indemnify, and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to, its present and former trustees and officers and any individual who, while a trustee or officer and at Windrose's request, serves or has served another entity, employee benefit plan or any other enterprise as a trustee, director, officer, partner or otherwise, against liabilities and reasonable expenses actually incurred by them in any proceeding

benefit plan, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines, penalties and amounts paid in settlement, actually and reasonably incurred or suffered by him or her in connection with such threatened, pending or completed action, suit or proceeding if the person acted in good faith and in a manner the

unless: (i) the act or omission of the trustee or officer was material to the matter giving rise to the proceeding and was committed in bad faith; or (ii) was the result of active and deliberate dishonesty; or (iii) the trustee or officer actually received an improper personal benefit in money, property or services; or (iv) in a criminal

person reasonably believed to be in or not opposed to the best interests of Health Care REIT and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In an action by or in the right of Health Care REIT itself, indemnification is available only for expenses actually and reasonably incurred with the defense or settlement of the action or suit and is not available in respect of any claim, issue or matter as to which the person has been adjudged to be liable to Health Care REIT unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court deems proper.

Expenses incurred by a current or past director or officer in defending or investigating a threatened or pending action, suit or proceeding will be paid by Health Care REIT in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount unless it is ultimately determined that he or she is entitled to be indemnified by Health Care REIT.

Under the DGCL, Health Care REIT may indemnify and advance expenses to its employees and agents to the same extent as described above for current and past directors and officers. Except in connection with a claim by a person to enforce his or her rights to indemnification under the by-laws, Health Care REIT is not obligated to indemnify any person in connection with a proceeding initiated by such person unless the proceeding was authorized or consented to by Health Care REIT's board of directors.

Limitation of Liability

As permitted by the DGCL, Health Care REIT's certificate of incorporation provides that the directors of Health Care REIT shall not be personally liable to Health Care REIT or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability

proceeding, the trustee or officer had reasonable cause to believe that the act or omission was unlawful.

Windrose's declaration of trust and bylaws also permit it to indemnify and advance expenses to any person who served a predecessor of Windrose in any of the capacities described above and to any employee or agent of Windrose or its predecessors.

Maryland law prohibits Windrose from indemnifying its present and former trustees and officers for an adverse judgment in a derivative action or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. Windrose's bylaws and Maryland law require it, as a condition to advancing expenses in certain circumstances, to obtain: (i) a written affirmation by the trustee or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification; and (ii) a written undertaking to repay the amount reimbursed if the standard of conduct is not met.

The Maryland REIT Law permits a Maryland REIT to include in its declaration of trust a provision limiting the liability of trustees and officers to the trust and its shareholders for money damages, except for liability resulting from (i) actual receipt of an improper benefit

(i) for a breach of a director's duty of loyalty to Health Care REIT or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a

or profit in money, property or services or (ii) active and deliberate dishonesty established by a final judgment and which is material to the cause of action. Windrose's declaration of trust contains a provision that eliminates

knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which a director derived an improper personal benefit.

—
Inspection of Records
—

Under the DGCL, any stockholder may, for any proper purpose, inspect a corporation's stock ledger, a list of its stockholders and its other books and records, and make copies of and extracts from such records. A stockholder may exercise this inspection right only upon written demand under oath and the inspection may occur only during regular business hours.

The DGCL requires that Health Care REIT make a list of stockholders available for inspection by stockholders in connection with any meeting of stockholders, which list must include the name of each stockholder entitled to vote at the meeting, the address of each such stockholder and the number of shares held. The list may be inspected by any stockholder for any purpose related to the meeting for a period of at least 10 days prior to the meeting on an electronic network or during ordinary business hours at the principal place of business of Health Care REIT.

trustees and officers liability to the maximum extent permitted by Maryland law.

Under the Maryland REIT Law, a shareholder has the same right to inspect the records of a real estate investment trust as a stockholder of a Maryland corporation under the Maryland General Corporation Law, or MGCL.

The MGCL provides that one or more persons who have been holders of record for more than six months of at least 5% of the outstanding stock of any class of a Maryland corporation are entitled to inspect and copy the corporation's books of account and stock ledger and receive a written statement of the corporation's affairs and a verified list of stockholders. Any stockholder of a Maryland corporation, holder of a voting trust certificate in a corporation, or his or her agent may inspect and copy during usual business hours the bylaws, minutes of the proceedings of the stockholders, annual statement of affairs and voting trust agreements on file at the corporation's principal office. Any stockholder of a Maryland corporation or a holder of a voting trust certificate in a corporation may present a written request for a statement showing all stock and securities issued by a corporation during a specified period of not more than 12 months before the date of request. Within 20 days of such request, a Maryland corporation is required to prepare and have available on file at its principal office a sworn statement by its president or treasurer or one of its vice presidents or assistant treasurers which states the number of shares or amounts of each class of stock or other securities issued during the specified period, the consideration received per share or unit and the value of any consideration other than money as set forth in a resolution of the board of directors.

Unaudited Pro Forma Condensed Consolidated Financial Statements

The unaudited pro forma condensed consolidated financial statements presented below have been prepared based on certain pro forma adjustments to the historical consolidated financial statements of Health Care REIT and Windrose as of and for the nine months ended September 30, 2006 and for the year ended December 31, 2005. The historical consolidated financial statements of Health Care REIT are contained in its Annual Report on Form 10-K for the year ended December 31, 2005, its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2006 and its Current Report on Form 8-K filed on October 20, 2006, which modifies certain financial information included in its Annual Report on Form 10-K for the year ended December 31, 2005, each of which is incorporated by reference into this proxy statement/prospectus. The historical consolidated financial statements of Windrose are contained in its Annual Report on Form 10-K for the year ended December 31, 2005 and its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2006, each of which is incorporated by reference into this proxy statement/prospectus. The accompanying unaudited pro forma condensed consolidated balance sheet as of September 30, 2006 has been prepared as if the merger of Health Care REIT and Windrose and the issuance of Health Care REIT common and preferred stock had occurred as of that date.

The accompanying unaudited pro forma condensed consolidated statements of income for the nine months ended September 30, 2006 and for the year ended December 31, 2005 have been prepared as if the merger had occurred as of January 1, 2005 and reflect the issuance of Health Care REIT common stock and preferred stock in the mergers. In addition, the Windrose historical operations have been adjusted to reflect the historical combined operating results of all properties acquired by Windrose during 2005 for the period January 1, 2005 through the date of acquisition by Windrose and all properties acquired by Windrose during the first six months of 2006 for the periods January 1, 2005 through December 31, 2005 and January 1, 2006 through the date of acquisition by Windrose. Windrose has had no significant acquisitions since June 30, 2006. The allocation of the aggregate purchase price, including assumed liabilities, of Windrose as reflected in these unaudited pro forma condensed consolidated financial statements has been based upon preliminary estimates of the fair value of assets acquired and liabilities assumed. In the opinion of Health Care REIT's and Windrose's management, all significant adjustments necessary to reflect the effects of the mergers that can be factually supported within the SEC regulations covering the preparation of pro forma financial statements have been made.

A final determination of the fair values of Windrose's assets and liabilities, which cannot be made prior to the completion of the mergers, will be based on the actual net tangible and intangible assets of Windrose that exist as of the date of completion of the mergers. Consequently, amounts preliminarily allocated to assets and liabilities could change significantly from those used in the unaudited pro forma condensed consolidated financial statements presented below.

The unaudited pro forma condensed consolidated financial statements are provided for informational purposes only. The unaudited pro forma condensed consolidated financial statements are not necessarily and should not be assumed to be an indication of the results that would have been achieved had the transactions been completed as of the dates indicated or that may be achieved in the future. The unaudited pro forma condensed consolidated balance sheet does not include restructuring charges and other related liabilities that may result from Health Care REIT's integration of Windrose following completion of the mergers. In addition to the uncertainties discussed above, the impact of integration activities, the timing of completion of the mergers and other changes in Windrose's net tangible and intangible assets that occur prior to completion of the mergers could cause material differences in the information presented. Furthermore, following completion of the mergers, Health Care REIT expects to apply its own methodologies and judgments in accounting for the assets and liabilities acquired and assumed in the mergers. Those judgments and methodologies may differ from those reflected in Windrose's adjusted historical financial statements

and the unaudited pro forma condensed consolidated financial statements and notes thereto that follow.

The unaudited pro forma condensed consolidated financial statements should be read in conjunction with the respective historical financial statements and the notes thereto of Health Care REIT and Windrose, which are incorporated by reference in this proxy statement/prospectus. See the section titled "Where You Can Find More Information" for more information on where you can obtain copies of the documents incorporated by reference into this proxy statement/prospectus.

(C) In the merger, each Windrose common shareholder will receive shares of Health Care REIT common stock as determined by an exchange ratio to be determined by dividing \$18.06 by the volume-weighted average price per share of Health Care REIT common stock for the 10 trading days, selected by lot, from the 15 trading day period ending on and including the fifth trading day prior to the closing of the mergers. The exchange ratio is subject to a floor of 0.4509 and a ceiling of 0.4650 which correlates to Health Care REIT common stock prices per share of \$40.05 and \$38.84, respectively. For purposes of the unaudited pro forma condensed consolidated balance sheet presentation, the total purchase price is based on the number of Windrose common shares outstanding on September 30, 2006 after giving effect to the conversion of all of the Windrose OP units outstanding on September 30, 2006, an exchange ratio of 0.4579 and market price per share of Health Care REIT common stock of \$39.44. The exchange ratio and market price per share represents the average of the high and low of the respective ranges.

In addition, at the effective time of the mergers, to the extent that Windrose preferred shares have not been converted into Windrose common shares, each holder of Windrose 7.5% Series A Cumulative Convertible Preferred Shares will receive an equivalent number of shares of Health Care REIT 7.5% Series G Cumulative Convertible Preferred Stock. For purposes of the unaudited pro forma condensed consolidated balance sheet presentation, the total purchase price is based on the number of Windrose preferred shares outstanding on September 30, 2006 and a price per share of Health Care REIT preferred stock of \$25.00.

Windrose's historical accumulated depreciation and amortization balances have been eliminated when real estate assets are recorded at their fair market value. A final determination of the fair values of Windrose's assets and liabilities, which cannot be made prior to the completion of the mergers, will be based on the actual net tangible and intangible assets of Windrose that exist as of the date of completion of the mergers. Consequently, amounts preliminarily allocated to assets and liabilities could change significantly from those used in the unaudited pro forma condensed consolidated financial statements.

	Year Ended December 31, 2005	Nine Months Ended September 30, 2006
Recognize the total minimum lease payments provided under the acquired leases on a straight-line basis over the remaining term from the assumed merger date of January 1, 2005	\$ 4,650	\$ 3,986

	\$ 1,513	\$ (225)

Table of Contents**Health Care REIT, Inc.****Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements (Continued)**

The pro forma increase in interest expense associated with draws on unsecured lines of credit to fund merger related costs is calculated using market rates Health Care REIT management believes would have been available to Health Care REIT for the unsecured lines of credit as of September 30, 2006. The assumed interest rate associated with draws on unsecured lines of credit was 7.0%.

(S) Adjustments to depreciation and amortization are as follows (in thousands):

	Year Ended December 31, 2005	Nine Months Ended September 30, 2006
Incremental increase in real estate depreciation expense as a result of the recording of Windrose's real estate at its estimated fair market value at the assumed merger date of January 1, 2005	\$ 5,492	\$ 3,060
Incremental increase in amortization expense as a result of the recording of Windrose's intangible assets associated with acquired leases at their estimated fair market values at the assumed merger date of January 1, 2005	3,158	1,916
	\$ 8,650	\$ 4,976

The following useful lives were used to compute the adjustments to depreciation and amortization:

Land improvements = 15 years

Buildings and building improvements = 40 years

Tenant improvements = 5 years

Acquired lease intangibles = 5 years

(T) General and administrative expenses are adjusted to include the amortization of non-compete contract intangibles. Individuals covered under the non-compete agreements have two-year consulting contracts. The non-compete provisions of the consulting agreements extend for two years beyond the applicable termination dates. Thus, a four-year period was used to compute amortization expense.

Management of Health Care REIT expects that the mergers will create general and administrative cost savings, including costs associated with corporate administrative functions. There can be no assurance that Health Care REIT will be successful in achieving these anticipated cost savings. No estimate of these expected future cost savings has

been included in the unaudited pro forma financial statements. Such adjustments cannot be factually supported within the SEC regulations governing the preparation of pro forma financial statements until such time as the operations of the companies have been fully integrated.

(U) Adjustments to loan expense are as follows (in thousands):

	Year Ended December 31, 2005	Nine Months Ended September 30, 2006
Recognize loan expense resulting from the amortization of the deferred loan expenses associated with the debt assumption costs in the merger	\$ 244	\$ 183
Elimination of Windrose's adjusted historical loan expenses	(864)	(720)
	\$ (620)	\$ (537)

An estimated remaining term of 6.4 years was assumed to compute the amortization of deferred loan expenses associated with the secured debt assumption costs in the mergers.

(b) Treasury Stock and Parent Owned Stock. Each common share of beneficial interest in the Company, \$0.01 par value per share (the Company Common Shares, or a Share and, collectively, the Shares) and each Company Preferred Share that is held by the Company, Company OP or by any wholly-owned Subsidiary of the Company or Company OP and each Share and each Company Preferred Share that is held by Parent, Merger Sub or any other wholly-owned Subsidiary of Parent shall automatically be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

As of the Merger Effective Time, all such Shares, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired, and each holder of a certificate formerly representing any such Shares shall cease to have any rights with respect thereto, except the right to receive any dividends or distributions in accordance with Section 2.3(c), certificates representing the Parent Shares into which such Shares are converted and any cash, without interest, in lieu of fractional shares to be issued or paid in consideration therefor upon the surrender of such certificate in accordance with Section 2.3(d).

Each of the 7.5% Series A Cumulative Convertible Preferred Shares of Beneficial Interest of the Company, \$.01 par value per share (the Company Preferred Shares), issued and outstanding immediately prior to the Merger Effective Time (other than the Company Preferred Shares to be cancelled in accordance with Section 2.2(b)) shall automatically be converted into the right to receive from the Surviving Entity the sum of the Base Liquidation Preference (as defined in the Declaration as \$25.00) plus an amount equal to any accrued and unpaid dividends thereon to the Merger Effective Time, without interest (the Preferred Merger Consideration). As of the Merger Effective Time, all such Company Preferred Shares, when so converted, shall no

longer be outstanding and shall automatically be cancelled and retired, and each holder of a certificate formerly representing any such Company Preferred Shares shall cease to have any rights with respect thereto, except the right to receive the Preferred Merger Consideration upon surrender of such certificate in accordance with Section 2.3(d).

(e) Partnership Interests of OP Merger Sub. The general partner interests of OP Merger Sub issued and outstanding immediately prior to the OP Merger Effective Time shall automatically be cancelled and retired and

A-3

Table of Contents

shall cease to exist. The limited partner interests of OP Merger Sub issued and outstanding immediately prior to the OP Merger Effective Time shall remain issued, outstanding and unchanged as validly issued limited partner interests of the Surviving Partnership after the OP Merger Effective Time.

(f) Company Owned Company OP Units. Each unit of partnership interest in Company OP (the Company OP Units) that is outstanding immediately prior to the OP Merger Effective Time that is held by the Company or by any Company Subsidiary and each Company OP Unit that is outstanding immediately prior to the OP Merger Effective Time that is held by Parent, Merger Sub, OP Merger Sub or any other Subsidiary of Parent shall remain issued, outstanding and unchanged as validly issued partnership interests of the Surviving Partnership after the OP Merger Effective Time.

(g) Company OP Units. Each Company OP Unit issued and outstanding immediately prior to the OP Merger Effective Time (other than Company OP Units held by the Company, Company OP, any Company Subsidiary, Parent or any Subsidiary of Parent) shall automatically be converted into a fraction of a duly authorized, validly issued, fully paid and non-assessable Parent Share equal to the Exchange Ratio. As of the OP Merger Effective Time, all such Company OP Units, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired, and each holder of any such Company OP Units shall cease to have any rights with respect thereto, except the right to receive any dividends or distributions in accordance with Section 2.3(c), certificates representing the Parent Shares into which such Company OP Units are converted and any cash, without interest, in lieu of fractional shares to be issued or paid in consideration therefor.

Section 2.3. Exchange of Certificates and Related Requirements.

(a) Exchange Fund. At the Merger Effective Time, Parent shall deposit, or shall cause to be deposited, with a banking or other financial institution selected by Parent and reasonably acceptable to the Company (the Exchange Agent), (i) for the benefit of the holders of Shares and Company OP Units, for exchange in accordance with this Article II, certificates representing the Parent Shares to be issued in connection with the Mergers pursuant to Section 2.2 and an amount of cash sufficient to permit the Exchange Agent to make the necessary payments of cash in lieu of fractional shares pursuant to this Section 2.3 (such cash and certificates for Parent Shares, together with any dividends or distributions with respect thereto (relating to record dates for such dividends or distributions after the Merger Effective Time as provided in Section 2.3(c)), being hereinafter referred to as the Exchange Fund) in exchange for outstanding Shares and Company OP Units, and (ii) for the benefit of holders of Company Preferred Shares, for exchange in accordance with this Article II, cash in an amount sufficient to make the payments to such holders contemplated by Section 2.2(d) (such cash being hereinafter referred to as the Preferred Exchange Fund).

(b) Exchange Procedure. As soon as practicable after the Merger Effective Time, Parent shall cause the Exchange Agent to mail to each holder of record of a certificate or certificates representing Shares or Company Preferred Shares (the Certificates) or of Company OP Units (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent) and, (ii) if applicable, instructions for use in effecting the surrender of the Certificates in exchange for the consideration (and any unpaid distributions and dividends) contemplated by Section 2.2 and this Section 2.3, including cash in lieu of fractional Parent Shares. Upon (i) surrender of a Certificate for cancellation to the Exchange Agent, if applicable, and (ii) delivery by such a holder of such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, such holder, if a holder of a Certificate representing Shares or of Company OP Units, shall be entitled to receive promptly in exchange therefor (x) a certificate representing that number of whole Parent Shares, (y) a check representing the amount of cash in lieu of fractional shares, if any, and (z) unpaid dividends and distributions with respect to the Parent Shares as provided for in Section 2.3(c), if any, that such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article II or in respect of such Company OP Units and, if a holder of a Certificate representing

Company Preferred Shares, shall be entitled to receive promptly in exchange therefor the Preferred Merger Consideration in cash with respect to each Company Preferred Share represented by such Certificate, in all such cases after giving effect to any required withholding Tax. No interest will be paid or accrued on the cash payable to holders of Shares, Company OP Units or Company Preferred Shares. In the event of a transfer of ownership of Shares, Company OP Units or Company Preferred Shares that is not registered in the

A-4

Table of Contents

transfer records of the Company or Company OP, a certificate representing the proper number of Parent Shares, together with a check for the cash to be paid pursuant to this [Section 2.3](#), or the Preferred Merger Consideration, may be issued to such a transferee if such Certificate shall be properly endorsed or such Certificate or Company OP Units shall otherwise be in proper form for transfer and the transferee shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or Company OP Units or establish to the satisfaction of Parent that such Tax has been paid or is not applicable. Parent or the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as Parent or the Exchange Agent is required to deduct and withhold with respect to the making of such payment under the Code or under any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by Parent or the Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

(c) *Dividends.* No dividends or other distributions declared with a record date after the Merger Effective Time on Parent Shares shall be paid with respect to any Shares represented by a Certificate until such Certificate is surrendered for exchange as provided herein or a Person claiming a Certificate to be lost, stolen or destroyed has complied with the provisions of [Section 2.5](#). Promptly following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole Parent Shares issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the Merger Effective Time theretofore payable with respect to such whole Parent Shares and not paid, less the amount of any withholding Taxes which may be required thereon, and (ii) at the appropriate payment date or as promptly as practicable thereafter, the amount of dividends or other distributions with a record date after the Merger Effective Time, but prior to such surrender or compliance and a payment date subsequent to such surrender or compliance payable with respect to such whole Parent Shares, less the amount of any withholding Taxes which may be required thereon. Parent will, no later than the applicable dividend or distribution payment dates, set aside and provide the Exchange Agent with the cash necessary to make the payments contemplated by this [Section 2.3\(c\)](#), which shall be held for such purpose and for the sole benefit of such holders of Parent Shares.

(d) *No Fractional Securities.* No fractional Parent Shares shall be issued pursuant hereto. In lieu of the issuance of any fractional Parent Shares, cash adjustments will be paid to holders in respect of any fractional Parent Shares that would otherwise be issuable, and the amount of such cash adjustment shall be equal to the product obtained by multiplying such holder's fractional Parent Share that would otherwise be issuable by the closing price per share of Parent Shares on the New York Stock Exchange Composite Tape on the Closing Date as reported by The Wall Street Journal (Northeast edition) (or, if not reported thereby, any other authoritative source).

(e) *No Further Ownership Rights in Shares.* All Parent Shares issued or cash paid upon the surrender for exchange of Certificates or Company OP Units in accordance with the terms of this [Article II](#) (including any cash paid pursuant to this [Section 2.3](#)) shall be deemed to have been issued in full satisfaction of all rights pertaining to the Shares or Company Preferred Shares theretofore represented by such Certificates or Company OP Units. At the Merger Effective Time, the stock transfer books of the Company shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Entity of the Shares or Company Preferred Shares that were outstanding immediately prior to the Merger Effective Time. At the OP Merger Effective Time, the partnership interest transfer books of Company OP shall be closed, and there shall be no further registration of transfers on the partnership interest transfer books of the Surviving Partnership of the Company OP Units that were outstanding immediately prior to the OP Merger Effective Time. If, after the Merger Effective Time, Certificates are presented to the Surviving Entity or the Exchange Agent for any reason, they shall be cancelled and exchanged as provided in this [Article II](#).

(f) *Termination of Exchange Funds.* Any portion of the Exchange Fund or Preferred Exchange Fund (including the proceeds of any investments thereof and any Parent Shares) which remains undistributed to the holders of Shares,

Company Preferred Shares or Company OP Units, as applicable, for six months after the Merger Effective Time may be delivered to Parent, upon demand, and any holders of Shares, Company Preferred Shares or Company OP Units who have not theretofore complied with this Article II and the instructions set forth in the letter of transmittal mailed to such holders after the Merger Effective Time or the OP Merger Effective Time shall thereafter look only to Parent or its agent (subject to abandoned property, escheat or other similar laws) for payment of their Parent Shares or the Preferred Merger Consideration, as applicable, cash and unpaid dividends and

A-5

distributions on Parent Shares deliverable in respect of each Share or Company OP Unit such holder holds as determined pursuant to this Agreement, in each case, without any interest thereon.

(g) No Liability. None of Parent, Merger Sub, OP Merger Sub, the Company, Company OP or the Exchange Agent shall be liable to any Person in respect of any amount properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 2.4. Adjustment of Exchange Ratio. In the event that Parent changes or establishes a record date for changing the number of Parent Shares issued and outstanding as a result of a stock split, stock dividend, recapitalization, merger, subdivision, reclassification, combination or similar transaction with respect to the outstanding Parent Shares and the record date therefor shall be prior to the Effective Times, the Exchange Ratio applicable to the Mergers and any other calculations based on or relating to Parent Shares shall be appropriately adjusted to reflect such stock split, stock dividend, recapitalization, merger, subdivision, reclassification, combination or similar transaction.

Section 2.5. Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond, in such reasonable amount as Parent or the Exchange Agent may direct as indemnity against any claim that may be made against them with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Parent Shares, Preferred Merger Consideration and any cash in lieu of fractional Parent Shares to which the holders thereof are entitled pursuant to Section 2.3(b) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 2.3(c).

Section 2.6. Further Assurances.

If at any time prior to the Merger Effective Time, any information relating to Parent or the Company, or any of their respective Affiliates, officers, trustees or directors, should be discovered by Parent or the Company that should be set forth in an amendment or supplement to the Proxy Statement/Prospectus or the S-4 Registration Statement so that such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties hereto and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by law, disseminated to the holders of Company Common Shares and Company OP Units.

(a) Subject to the terms and conditions herein provided, each of the parties hereto agrees to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under or in compliance with applicable Legal Requirements to consummate and make effective the transactions contemplated by, and comply with their applicable covenants set forth in, this Agreement, including using reasonable best efforts (which shall not require any party to make out-of-pocket payments to third parties) to obtain all necessary waivers, consents and approvals from any Person, including, without limitation the Company obtaining those set forth in Section 3.6 of the Company Disclosure Letter, to effect all necessary registrations and filings and to lift any injunction or other legal bar to the Mergers (and, in such case, to proceed with the Mergers as expeditiously as possible). Notwithstanding anything to the contrary herein, the Company shall not, without the consent of Parent, be permitted to obtain any consent that will affect Parent or the Company to either of their material economic detriment, including any modification of any Contract or Company Permit. Each party shall promptly inform the other party of any communication with, and any proposed understanding, undertaking, or agreement with, any Governmental Agency regarding any such filings or any such transaction. Neither party shall participate in any meeting with any Governmental Agency in respect of any such filings, investigation, or other inquiry without giving the other party notice of the meeting and, to the extent permitted by such Governmental Agency, the opportunity to attend and participate.

(b) In connection with the obtaining of consents from third parties or obviating the need to obtain such consents, if requested by Parent, the Company shall or shall cause the Company Subsidiaries to execute any documents, agreements and instruments and take such other actions to the extent practicable, in accordance with applicable Legal Requirements and the Company's Organizational Documents and the applicable formation and governing contracts of the Company Subsidiaries (including forming Subsidiaries and transferring properties or assets of the Company to such Subsidiaries), all in such order, form and substance as reasonably requested by Parent.

Section 6.4. Listing of Shares. Parent shall use its reasonable best efforts to cause the Parent Shares to be issued in the Mergers to be approved for listing, upon official notice of issuance, on the New York Stock Exchange (NYSE). Parent shall also use its reasonable best efforts to cause the Parent Shares issuable upon exercise of a Converted Option to be approved for listing, upon official notice of issuance, on the NYSE.

Section 6.5. Resignations. Effective as of the Closing, the Company shall cause each trustee of the Company to resign as a trustee. Upon the written request of Parent, (i) the Company shall cause any or all of the trustees or directors (or persons occupying similar positions in any limited liability company or other entity) and/or officers of each direct or indirect Company Subsidiary to resign or be removed or, as to officers, to resign or be terminated, effective as of the Closing, and (ii) if the Company or any of its affiliated entities has the right to appoint any director (or person occupying a similar position in any limited liability company or other entity) or to cause the resignation or termination of any officer of any other entity in which the Company (directly or indirectly) owns an equity interest, the Company shall cause, effective as of the Closing, such director to resign or to be removed and/or such officer to resign or be terminated.

(ii) the Company and the Company Subsidiaries shall immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Persons conducted heretofore with respect to any of the foregoing (including any Acquisition Proposal) and use their reasonable best efforts to inform each Company Representative of the obligations undertaken in this Section 6.6 and use their reasonable best efforts or, in the case of any Company Representative that constitutes a third party legal, accounting or financial advisor, their commercially reasonable efforts, to cause each such Company Representative to comply with such obligations; and

knowledge may be considering making, an Acquisition Proposal, or (3) any oral or written expression that any such activities, discussions or negotiations are sought to be initiated or continued with the Company, and, as applicable, include in such notice the identity of the Person making such Acquisition Proposal, indication or request and the material terms of such Acquisition Proposal, indication or request; and (B) keep Parent informed on a prompt basis of the status and material terms of (including all material changes to the status or material terms of) any such Acquisition Proposal, indication or request.

(b) Notwithstanding Section 6.6(a), prior to obtaining the Company Shareholder Approval, the Board shall not be prohibited from furnishing information to, or entering into discussions or negotiations with, any Person that makes a bona fide written Acquisition Proposal to the Board after the date hereof which was not invited, initiated, solicited or encouraged, directly or indirectly, by the Company, any Company Subsidiary or any Company Representative on or after the date hereof if, and only to the extent that, (i) the Board concludes in good faith, based upon advice of its outside legal counsel, that such action is required to discharge the Board's duties to the Company and its shareholders under Entity Law, (ii) a majority of the Board determines in good faith, after consultation with its financial advisors of nationally recognized reputation and outside legal counsel, that such Acquisition Proposal is reasonably likely to result in a Superior Acquisition Proposal, (iii) the Company complies with all of its obligations under this Agreement, (iv) prior to furnishing such information to, or entering into discussions or negotiations with, such Person, the Company provides written notice to Parent to the effect that it is furnishing information to, or entering into discussions with such Person, and (v) the Company enters into a confidentiality agreement with such Person the material terms of which are (without regard to the terms of such Acquisition Proposal) in all material respects no less favorable to the Company, and no less restrictive to the Person making such Acquisition Proposal, than those contained in the Confidentiality Agreement but which confidentiality agreement permits disclosure to Parent of the identity of the Person making such Acquisition Proposal and the material terms of such Acquisition Proposal.

(c) If, prior to obtaining the Company Shareholder Approval, the Board or any committee thereof intends: (i) to publicly approve or recommend, or propose to publicly approve or recommend, any Superior Acquisition Proposal, or (ii) to cause the Company to enter into any agreement with respect to any Superior Acquisition Proposal (other than any confidentiality agreement as contemplated by Section 6.6(b)) (a Competing Agreement), then at least five Business Days prior to taking such action: (A) the Company shall provide Parent with written notice advising Parent that the Board has received a Superior Acquisition Proposal that it intends to accept, specifying the material terms and conditions of such Superior Acquisition Proposal, identifying the Person or Persons making such Superior Acquisition Proposal and, if in writing, delivering to Parent the most recent draft of such definitive Competing Agreement and a summary of the material terms of any agreement to which the Company or any Company Subsidiary is a party that is integrated therewith, in its possession, and (B) the Company shall, and shall cause its financial and legal advisors to, negotiate in good faith with Parent for up to five (5) Business Days to make adjustments in the terms and conditions of this Agreement (the Adjusted Terms). If following the completion of such five (5) Business Day period the Board, in its sole judgment, has determined in good faith, after consultation with its financial advisors of nationally recognized reputation and outside legal counsel, that the Adjusted Terms are not at least as favorable to the Company shareholders as the Superior Acquisition Proposal (taking into account all financial and strategic considerations and other relevant factors, including relevant legal, financial, regulatory and other aspects of such proposals, and the conditions, prospects and time required for completion of such proposal), then the Board or any committee thereof may: (i) publicly approve or recommend, or propose to approve or recommend, such Superior Acquisition Proposal; (ii) make an Adverse Recommendation or (iii) cause the Company to enter into a Competing Agreement with respect to such Superior Acquisition Proposal.

(d) For all purposes of this Agreement, Superior Acquisition Proposal means a bona fide unsolicited written proposal made by a third party to acquire, directly or indirectly, the Company and/or the Company Subsidiaries pursuant to a tender or exchange offer, merger, share exchange, consolidation or sale of all or substantially all of the assets of the Company and the Company Subsidiaries or otherwise (i) on terms which a majority of the Board determines in good

faith, (A) after consultation with the Company's financial advisors of nationally recognized reputation, are more favorable from a financial point of view to the Company shareholders than those provided for in the Merger (taking into account all the terms and conditions of the proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation) and (B) to be more favorable generally to the Company

shareholders (taking into account all financial and strategic considerations and other relevant factors, including relevant legal, financial, regulatory and other aspects of such proposals, and the conditions, prospects and time required for completion of such proposal), (ii) for which financing, to the extent required, in the reasonable judgment of the Board is capable of being obtained and (iii) which the Board determines in good faith is reasonably capable of being consummated.

(e) Nothing in this Section 6.6 or any other provision of this Agreement shall prohibit the Company or the Company's Board from (a) taking and disclosing to its shareholders a position with respect to a tender or exchange offer by a third party pursuant to Rules 14d-9 and Rule 14e-2 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act (or any similar communication to shareholders in connection with the making or amendment of a tender or exchange offer) or (b) complying with its disclosure obligations under U.S. federal or state securities laws with regard to an Acquisition Proposal.

(f) Nothing in this Section 6.6 shall (i) permit the Company to terminate this Agreement (except as expressly provided in Article IX) or (ii) except as expressly provided herein, affect any other obligations of the Company under this Agreement.

Section 6.7. Taxes.

(a) Parent and the Company shall cooperate, and shall cause their respective Subsidiaries to cooperate, in the preparation, execution and filing of all returns, questionnaires, applications or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer or stamp Taxes, any transfer, recording, registration and other fees and any similar Taxes that become payable in connection with the transactions contemplated by this Agreement (including with any related interest, penalties or additions to tax, Transfer and Gains Taxes) and shall cooperate in attempting to minimize such Transfer and Gains Taxes.

From the date hereof until the Merger Effective Time, each of the Company and the Company Subsidiaries will duly and timely file all Tax Returns and other documents required by it to be filed with federal, state and local Tax authorities, subject to extensions permitted by law and properly granted by the appropriate authority; provided that such extensions do not adversely affect the Company's status as a REIT under the Code, and provided, further, that the Company notifies Parent that it or any of its Company Subsidiaries is availing itself of any federal or state extensions.

Section 6.8. Affiliate Letter. On or prior to the date of the Company Shareholders Meeting, the Company will deliver to Parent a letter (the Company Affiliate Letter) identifying all persons who the Company believes are affiliates of the Company for purposes of Rule 145 under the Securities Act. On or prior to the Closing Date, the Company will use its commercially reasonable efforts to cause each person identified as an affiliate in the Company Affiliate Letter to deliver a written agreement, in the form attached hereto as Exhibit D.

Section 6.9. Dividends.

(a) From and after the date of this Agreement and prior to the Closing, the Company shall not make any dividend or distribution to its shareholders, and Company OP shall not make any distribution to its partners, in each case without the prior written consent of Parent in its sole discretion; provided, however, that the prior written consent of Parent shall not be required for the authorization and payment of (i) regular quarterly distributions not to exceed \$0.24 per

(v) distributions from Company OP to the Company sufficient to permit the Company to make the distributions with respect to the Company Preferred Shares described in clause (iv) above.

(b) Each of Parent and the Company shall declare a dividend to their respective shareholders, the record date for which shall be the close of business on the last Business Day prior to the Merger Effective Time. The per share dividend amount payable by each party shall be an amount equal to such party's most recent quarterly dividend rate, multiplied by the number of days elapsed since the last dividend record date through and including the day prior to the day on which the Merger Effective Time occurs, and divided by the actual number of days in the calendar quarter in which such dividend is declared.

(c) In the event that a distribution with respect to the Company Common Shares and the Company Preferred Shares permitted by this Section 6.9 (including pursuant to Section 6.9(b) above) has (i) a record date prior to the Effective Times and (ii) has not been paid as of the Effective Times, the holders of Company Common Shares and Company Preferred Shares shall be entitled to receive such distribution from the Company at the time such shares are exchanged pursuant to Article II of this Agreement.

Section 6.10. Section 16 Matters. The obligation of the Company to effect the Merger and to consummate the other transactions contemplated to occur on the Closing Date is further subject to the following conditions, any one or more of which may be waived in writing by the Company:

(a) Representations and Warranties. The representations and warranties of Parent contained in Sections 4.1, 4.2, 4.3, 4.4, 4.5, 4.6(a)(i) and 4.20 shall be true and correct in all respects on and as of the date hereof and on and as of the Closing Date, with the same force and effect as if made on and as of the Closing Date (except to the extent the representation or warranty is expressly limited by its terms to another date, in which case such representation or warranty shall be true and correct as of the specified date), and the other representations and warranties of Parent contained in this Agreement shall be true and correct (without giving effect to any materiality or Parent Material Adverse Effect qualifier therein) on and as of the date hereof and on and as of the Closing Date, with the same force and effect as if made on and as of the Closing Date (except to the extent the representation or warranty is expressly limited by its terms to another date, in which case such representation or warranty shall be true and correct as of the specified date), except where the failure of such representations and warranties to be true and correct, in the aggregate, would not reasonably be expected to have a Parent Material Adverse Effect, and the Company shall have received a certificate signed on behalf of Parent by its chief executive officer or its chief financial officer, in such capacity, to such effect.

(b) Performance of Obligations of Parent, Merger Sub and OP Merger Sub. Parent, Merger Sub and OP Merger Sub shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Merger Effective Time, and the Company shall have received a certificate signed on behalf of Parent by its chief executive officer or its chief financial officer, in such capacity, to such effect.

(c) Tax Opinion Relating to REIT Status. The Company shall have received an opinion from Arnold & Porter LLP (or other such law firm of national standing), dated as of the Closing Date, in the form of Exhibit G hereto, to the effect that Parent qualified to be taxed as a REIT under Sections 856 through 860 of the Code, for its taxable years ended December 31, 1998 through December 31, 2005, and taking into account the Merger, Parent's organization and current and proposed method of operation will enable Parent to continue to qualify as a REIT for its taxable year ending December 31, 2006 and in the future. Arnold & Porter LLP (or other such law firm of national standing) may also rely upon the customary officer's certificate provided by the Company to Hunton & Williams LLP (or other such law firm of national standing), which shall also be addressed to Arnold & Porter LLP, in connection with the tax opinion described in Section 7.2(d).

(d) Tax Opinion Relating to the Merger. The Company shall have received an opinion from Hunton & Williams LLP (or other such law firm of national standing), dated as of the Closing Date, to the effect that on the basis of the facts, representations and assumptions set forth or referred to in such opinion, the Merger will qualify as a reorganization

under the provisions of Section 368(a) of the Code. In rendering this opinion, counsel shall be entitled to rely upon customary representations of the Company and Parent reasonably requested by counsel, including those contained in customary tax representation letters.

(e) Material Adverse Effect. Since the date hereof, there shall have been no Parent Material Adverse Effect.

ARTICLE VIII.

EMPLOYEE BENEFITS AND POST-CLOSING COVENANTS

Section 8.1. *Employee Plans and Other Employee Arrangements.* After the Merger Effective Time, all Persons employed by the Company and the Company Subsidiaries immediately prior to the Effective Times (Affected Employees) shall continue to participate in the Employee Plans that are employee benefit plans (as defined in Section 3(3) of ERISA) or shall be eligible to participate in the same manner as other similarly situated employees of Parent or a Parent Subsidiary in any corresponding Parent Plans that are employee benefit plans (as defined in Section 3(3) of ERISA). With respect to each such Parent Plan, service with the Company or any Company Subsidiary (as applicable) shall be included for all purposes, including eligibility to participate and vesting (if applicable), but not for purposes of benefit accrual under any Parent Plan that is an employee pension benefit plan (as defined in Section 3(2) of ERISA). With respect to medical benefits provided by Parent or any Parent Subsidiary on and after the Closing Date to an Affected Employee, limitations on benefits related to preexisting conditions shall be waived to the extent that coverage for such preexisting condition would not have otherwise been limited under the Employee Plans prior to the Closing Date, and each Affected Employee shall be credited for any out-of-pocket amounts and deductibles paid during the calendar year that included the Closing Date under such Company or Company Subsidiary Plan. Nothing contained in this Section 8.1 shall be deemed to obligate Parent, the Company or their respective Subsidiaries to continue the employment or benefits with respect to any Person employed by the Company or any Company Subsidiary as of the Merger Effective Time or for any period of time thereafter. Nothing herein shall limit the ability of Parent to amend or terminate any employee benefit plan sponsored or maintained by Parent at any time hereafter, or the ability of the Company or any Company Subsidiary after the Merger Effective Time to amend or terminate any Employee Plan.

Section 8.2. *Indemnification of Company Officers and Trustees.*

(a) From and after the Effective Time, the Surviving Entity shall provide exculpation and indemnification for each person who is now or has been at any time prior to the date hereof or who becomes prior to the Effective Time, an officer, director or trustee of the Company or any Company Subsidiary (the Indemnified Parties) which is the same as the exculpation and indemnification provided to the Indemnified Parties by the Company (including advancement of expenses, if so provided) in the Company Organizational Documents, as in effect at the close of business on the date hereof, which exculpation and indemnification shall not be amended, repealed or otherwise modified in a manner that would adversely affect the rights thereunder of individuals who were, at any time prior to the Effective Times, directors, trustees, officers or employees of the Company or any Company Subsidiary; provided, that such exculpation and indemnification covers actions on or prior to the Effective Times, including, without limitation, all transactions contemplated by this Agreement.

(b) Prior to the Merger Effective Time, the Company shall obtain and fully pay the premium for the extension of (i) the Company's existing directors' and executive officers' insurance policies, and (ii) the Company's existing fiduciary liability insurance policies (collectively the Tail Insurance), for a claims reporting or discovery period of at least six years from and after the Effective Times from an insurance company or companies with the same or better credit rating from AM Best Company as the Company's current insurance companies on its existing directors', officers' and trustees' insurance policies and fiduciary liability insurance policies, with terms, conditions, retentions and limits of liability that are at least as favorable as such existing policies, with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty, or any matter claimed against a director, trustee or officer of the Company solely by reason of their serving in such capacity, that existed or occurred at or prior to the Effective Times (including in connection with this Agreement or the transactions or actions contemplated hereby); provided, however, that in no event shall the Company expend for such policies an annual premium amount in excess of 300% of the annual premiums currently paid by the Company for such insurance. If the Company and the

Surviving Entity for any reason fail to obtain such tail insurance policies as of the Effective Times, the Surviving Entity shall obtain such policies and, pending the effectiveness of such policies, continue to maintain in effect for a period of at least six years from and after the Effective Times the Tail Insurance in place as of the date hereof with benefits and levels of coverage at least as favorable as provided in the Company's existing policies as of the date hereof, or the Surviving Entity shall, use reasonable best efforts to purchase comparable Tail Insurance for such six-year period with benefits and levels of coverage at least as

favorable as provided in the Company's existing policies as of the date hereof; provided, however, that in no event shall the Surviving Entity be required to expend for such policies an annual premium amount in excess of 300% of the annual premiums currently paid by the Company for such insurance; and, provided further that if the annual premiums of such insurance coverage exceed such amount, the Surviving Entity shall obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(c) The provisions of this Section 8.2 shall not be terminated or modified after the Effective Times in such a manner as to adversely affect any Indemnified Party, his or her heirs and his or her personal representatives to which this Section 8.2 applies, without the consent of such Indemnified Party, his or her heirs and his or her personal representatives. The provisions of this Section 8.2 are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party, his or her heirs and his or her personal representatives and shall be binding on all successors and assigns of Parent, the Surviving Entity and the Company. Parent agrees to pay all costs and expenses (including fees and expenses of counsel) that may be incurred by any Indemnified Party or his or her heirs or his or her personal representatives in successfully enforcing the indemnity or other obligations of Parent under this Section 8.2. The provisions of this Section 8.2 shall survive the Merger and are in addition to any other rights to which an Indemnified Party may be entitled.

(d) If either the Surviving Entity or any of its successors or assigns (i) consolidates with or merges with or into any other Person and shall not be the continuing or surviving corporation, partnership or other entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Surviving Entity assumes the obligations set forth in this Section 8.2. The parties acknowledge and agree that Parent guarantees the payment and performance of the Surviving Entity's obligations pursuant to this Section 8.2.

ARTICLE IX.

Section 9.1. Termination. This Agreement may be terminated at any time prior to the Effective Times:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if any Governmental Agency shall have issued an Order (which Order each party hereto shall use its reasonable best efforts to have vacated or reversed), in each case permanently restraining, enjoining or otherwise prohibiting the Merger, and such Order shall have become final and unappealable;

(d) after March 12, 2007, by either Parent or the Company if the Merger shall not have been consummated by such date for any reason; provided however, if the Merger shall not have been consummated by such date due to failure to obtain the consents or approvals set forth on Section 7.1(e) of the Company Disclosure Letter or Section 7.1(e) of the Parent Disclosure Letter, neither party may terminate this Agreement until June 11, 2007 so long as the parties are using their reasonable best efforts to obtain such consents or approvals; provided further, that neither party may terminate this Agreement until the expiration of any cure period described in Section 9.1(g) or (h) in effect on such date; and provided further, that in any case the terminating party is not in material breach of its representations, warranties, covenants or agreements under this Agreement in any manner that shall have caused or resulted in the failure to consummate the Merger on or before such date;

(e) by Parent, if (i) prior to obtaining the Company Shareholder Approval, the Board or a committee thereof shall have withdrawn or materially modified its recommendation of this Agreement or the Merger in a manner adverse to Parent or its stockholders or shall have resolved to do so (an Adverse Recommendation); (ii) the Company shall fail to call or hold the Company Shareholders Meeting in accordance with Section 6.1; (iii) the Company shall have intentionally and materially breached any of its obligations under Section 6.6, (iv) the Board shall have approved or recommended an Acquisition Proposal made by any Person other than Parent or Merger Sub; or (v) the Company shall have entered into a definitive agreement with respect to an Acquisition Proposal;

(g) by Parent, if there shall have been a breach of any of the representations, warranties, covenants or agreements of the Company contained in this Agreement such that the conditions set forth in Section 7.2(a) or (b) are incapable of being satisfied, which breach is not cured within thirty (30) days following written notice to the Company; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 9.1(g) if Parent, Merger Sub or OP Merger Sub is then in breach of its representations, warranties, covenants or agreements under this Agreement such that the conditions set forth in Section 7.3(a) or (b) are incapable of being satisfied; or

(h) by the Company, if there shall have been a breach of any of the representations, warranties, covenants or agreements of Parent or Merger Sub contained in this Agreement such that the conditions set forth in Section 7.3(a) or (b) are incapable of being satisfied, which breach is not cured within thirty (30) days following written notice to Parent; provided that the Company shall not have the right to terminate this Agreement pursuant to this Section 9.1(h) if the Company or Company OP is then in breach of its representations, warranties, covenants or agreements under this Agreement such that the conditions set forth in Section 7.2(a) or (b) are incapable of being satisfied.

Section 9.3. *Fees and Expenses.*

(a) Except as provided in paragraphs (b), (c), (d) and (e) below, whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such expenses (including broker's or finder's fees and the expenses of its representatives).

(b) If any of the conditions set forth in paragraph (c) or (d) below are satisfied, then the Company shall, subject to and in accordance with such paragraphs, pay to Parent, by wire transfer of immediate available funds to an account specified by Parent, the Termination Fee (or portion thereof) and the amount of the Lender Consent Fees or the Parent Expense Reimbursement then due.

(c) The Company shall pay the Termination Fee, the Parent Expense Reimbursement and Lender Consent Fees as follows:

(i) if Parent terminates this Agreement pursuant to the provisions of Section 9.1(e) (but with respect to a termination pursuant to Section 9.1(e)(i) only if terminated prior to the Company Shareholders Meeting) or if the Company terminates this Agreement pursuant to the provisions of Section 9.1(f), the Company shall pay Parent 50% of the Termination Fee, which payment shall be made concurrent with any such termination by the Company and on the same day as any such termination by Parent, and if within twelve (12) months following such termination the Company enters into a definitive agreement providing for, or consummates, an Acquisition Proposal (whether or not such Acquisition Proposal is the same Acquisition Proposal which had been received or publicly disclosed at the time of termination of this Agreement), then the Company shall, concurrent with consummating such transaction, pay to Parent the other 50% of the Termination Fee, the Parent Expense Reimbursement and Lender Consent Fees); or

(d) The Company shall pay the Parent Expense Reimbursement (or the portion thereof described below) and the Lender Consent Fees to Parent if Parent terminates this Agreement pursuant to Section 9.1(g). The payment of the Parent Expense Reimbursement and the Lender Consent Fees shall be made on the same day as any such termination by Parent.

(i) In the event that either Parent or the Company is required to commence litigation to seek all or a portion of the amounts payable under this Section 9.3, and Parent or the Company prevails in such litigation, Parent or the Company, as the case may be, shall be entitled to receive, in addition to all amounts that it is otherwise entitled to receive under this Section 9.3, all expenses (including, without limitation, attorneys' fees) which it has incurred in enforcing its rights hereunder.

(j) The obligation of either Parent or the Company to pay amounts under this Section 9.3 shall terminate three (3) years from the date of this Agreement, provided each party's obligation to pay any amounts under this Section 9.3 shall have accrued within the applicable time period set forth in this Section 9.3.

WHEREAS, Parent, Merger Sub, OP Merger Sub, Company and Company OP are parties to that certain Agreement and Plan of Merger, dated as of September 12, 2006, as the same is amended hereby and may be further amended, modified or supplemented from time to time (the Merger Agreement);

WHEREAS, pursuant to Section 10.2 of the Merger Agreement, the parties desire to amend the Merger Agreement as provided in this Amendment; and

WHEREAS, capitalized terms not otherwise defined herein shall have the meaning set forth in the Merger Agreement.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, Parent, Merger Sub, OP Merger Sub, Company and Company OP hereby agree as follows:

Section 1. Amendments to the Merger Agreement.

(A) Article II of the Merger Agreement is hereby amended and restated in its entirety to read as follows:

Section 2.1. Effect of Mergers on Equity. At the Effective Times, by virtue of the Mergers and without any action on the part of the Constituent Entities or OP Merger Constituent Entities, the holders of any partnership or membership interests, shares of capital stock or beneficial interests of the Constituent Entities or OP Merger Constituent Entities shall be treated as set forth in this Article II and in accordance with the terms of this Agreement.

Section 2.2. Conversion.

(a) Membership Interests of Merger Sub. The membership interests of Merger Sub issued and outstanding immediately prior to the Merger Effective Time shall remain issued, outstanding and unchanged as validly issued membership interests of the Surviving Entity after the Merger Effective Time.

(b) Treasury Stock and Parent Owned Stock. Each common share of beneficial interest in the Company, \$0.01 par value per share (the Company Common Shares, or a Share and, collectively, the Shares) and each Company Preferred Share that is held by the Company, Company OP or by any wholly-owned Subsidiary of the Company or Company OP and each Share and each Company Preferred Share that is held by Parent, Merger Sub or any other wholly-owned Subsidiary of Parent shall automatically be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(c) Conversion of Shares. Each Share issued and outstanding immediately prior to the Merger Effective Time (other than Shares to be cancelled in accordance with Section 2.2(b)) shall be converted into a fraction of a duly authorized, validly issued, fully paid and non-assessable share of common stock, par value \$1.00 per share, of Parent (a Parent Share and collectively, the Parent Shares) equal to the quotient determined by dividing \$18.06 by the Parent Stock Price (as defined below) and rounding the result to the nearest 1/10,000 of a share (the Exchange Ratio); provided, however, that if such quotient is less than 0.4509, the Exchange Ratio will be 0.4509 and if such quotient is greater than 0.4650, the Exchange Ratio will

be 0.4650. For the purposes of this Section 2.2, the term Parent Stock Price means the average of the volume weighted average price per Parent Share on the NYSE, as reported on Bloomberg by typing HCN.N <EQUITY> AQR <GO> , for ten (10) trading days, selected by lot, from among the fifteen (15) consecutive trading days ending on (and including) the date that is five trading days prior to the Effective Times. As of the Merger Effective Time, all such Shares, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired, and each holder of a certificate formerly representing any such Shares shall cease to have any rights with respect thereto, except the right to receive any dividends or distributions in accordance with Section 2.3(c), certificates representing the Parent Shares into which such Shares are converted and any cash, without interest, in lieu of fractional shares to be issued or paid in consideration therefor upon the surrender of such certificate in accordance with Section 2.3(d).

(d) Conversion of Company Preferred Shares. Each of the 7.5% Series A Cumulative Convertible Preferred Shares of Beneficial Interest of the Company, \$.01 par value per share (the Company Preferred Shares), issued and outstanding immediately prior to the Merger Effective Time (other than the Company Preferred Shares to be cancelled in accordance with Section 2.2(b)) shall automatically be converted into one share of 7.5% Series G Cumulative Convertible Preferred Stock, \$1.00 par value per share, of Parent (the New Parent Preferred Stock). Immediately prior to the Merger Effective Time, the terms of the New Parent Preferred Stock shall be set forth in an amendment to the Second Restated Certificate of Incorporation of Parent, substantially in the form set forth in Exhibit H hereto (the Certificate of Designation) and such amendment shall be filed with the Secretary of State of the State of Delaware and shall be effective immediately prior to the Merger Effective Time.

(e) Partnership Interests of OP Merger Sub. The general partner interests of OP Merger Sub issued and outstanding immediately prior to the OP Merger Effective Time shall automatically be cancelled and retired and shall cease to exist. The limited partner interests of OP Merger Sub issued and outstanding immediately prior to the OP Merger Effective Time shall remain issued, outstanding and unchanged as validly issued limited partner interests of the Surviving Partnership after the OP Merger Effective Time.

(f) Company Owned Company OP Units. Each unit of partnership interest in Company OP (the Company OP Units) that is outstanding immediately prior to the OP Merger Effective Time that is held by the Company or by any Company Subsidiary and each Company OP Unit that is outstanding immediately prior to the OP Merger Effective Time that is held by Parent, Merger Sub, OP Merger Sub or any other Subsidiary of Parent shall remain issued, outstanding and unchanged as validly issued partnership interests of the Surviving Partnership after the OP Merger Effective Time.

(g) Company OP Units. Each Company OP Unit issued and outstanding immediately prior to the OP Merger Effective Time (other than Company OP Units held by the Company, Company OP, any Company Subsidiary, Parent or any Subsidiary of Parent) shall automatically be converted into a fraction of a duly authorized, validly issued, fully paid and non-assessable Parent Share equal to the Exchange Ratio. As of the OP Merger Effective Time, all such Company OP Units, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired, and each holder of any such Company OP Units shall cease to have any rights with respect thereto, except the right to receive any dividends or distributions in accordance with Section 2.3(c), certificates representing the Parent Shares into which such Company OP Units are converted and any cash, without interest, in lieu of fractional shares to be issued or paid in consideration therefor.

Section 2.3. Exchange of Certificates and Related Requirements.

(a) Exchange Fund. At the Merger Effective Time, Parent shall deposit, or shall cause to be deposited, with a banking or other financial institution selected by Parent and reasonably acceptable to the Company (the Exchange Agent), (i) for the benefit of the holders of Shares and Company OP Units, for exchange in accordance with this Article II, certificates representing the Parent Shares to be issued in connection with the Mergers pursuant to

Section 2.2 and an amount of cash sufficient to permit the Exchange Agent to make the necessary payments of cash in lieu of fractional shares pursuant to this Section 2.3 (such cash and certificates for Parent Shares, together with any dividends or distributions with respect thereto (relating to record dates for such dividends or distributions after the Merger Effective Time as provided in Section 2.3(c)), being

hereinafter referred to as the Exchange Fund) in exchange for outstanding Shares and Company OP Units, and (ii) for the benefit of holders of Company Preferred Shares, for exchange in accordance with this Article II, certificates representing the shares of New Parent Preferred Stock to be issued in connection with the Merger (such certificates for shares of New Parent Preferred Stock, together with any dividends or distributions with respect thereto (relating to record dates for such dividends or distributions after the Merger Effective Time as provided in Section 2.3(c)), being hereinafter referred to as the Preferred Exchange Fund) to be issued pursuant to Section 2.2 and paid pursuant to this Section 2.3 in exchange for outstanding Company Preferred Shares.

(b) Exchange Procedure. As soon as practicable after the Merger Effective Time, Parent shall cause the Exchange Agent to mail to each holder of record of a certificate or certificates representing Shares or Company Preferred Shares (the Certificates) or of Company OP Units (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent) and, (ii) if applicable, instructions for use in effecting the surrender of the Certificates in exchange for the consideration (and any unpaid distributions and dividends) contemplated by Section 2.2 and this Section 2.3, including cash in lieu of fractional Parent Shares. Upon (i) surrender of a Certificate for cancellation to the Exchange Agent, if applicable, and (ii) delivery by such a holder of such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, such holder, if a holder of a Certificate representing Shares or Company OP Units, shall be entitled to receive promptly in exchange therefor (x) a certificate representing that number of whole Parent Shares, (y) a check representing the amount of cash in lieu of fractional shares, if any, and (z) unpaid dividends and distributions with respect to the Parent Shares as provided for in Section 2.3(c), if any, that such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article II or in respect of such Company OP Units and, if a holder of a Certificate representing Company Preferred Shares, shall be entitled to receive promptly in exchange therefor (x) a certificate representing that number of shares of New Parent Preferred Stock and (y) unpaid dividends and distributions with respect to the New Parent Preferred Stock as provided for in Section 2.3(c), if any, that such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article II, in all such cases after giving effect to any required withholding Tax. No interest will be paid or accrued on the cash payable to holders of Shares, Company OP Units or Company Preferred Shares. In the event of a transfer of ownership of Shares, Company OP Units or Company Preferred Shares that is not registered in the transfer records of the Company or Company OP, a certificate representing the proper number of Parent Shares or shares of New Parent Preferred Stock, together with a check for the cash to be paid pursuant to this Section 2.3, may be issued to such a transferee if such Certificate shall be properly endorsed or such Certificate or Company OP Units shall otherwise be in proper form for transfer and the transferee shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or Company OP Units or establish to the satisfaction of Parent that such Tax has been paid or is not applicable. Parent or the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as Parent or the Exchange Agent is required to deduct and withhold with respect to the making of such payment under the Code or under any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by Parent or the Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

(c) Dividends. No dividends or other distributions declared with a record date after the Merger Effective Time on Parent Shares or shares of New Parent Preferred Stock shall be paid with respect to any Shares or Company Preferred Shares represented by a Certificate until such Certificate is surrendered for exchange as provided herein or a Person claiming a Certificate to be lost, stolen or destroyed has complied with the provisions of Section 2.5. Promptly following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole Parent Shares or shares of New Parent Preferred Stock issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the Merger Effective Time theretofore payable with respect to such whole Parent Shares or shares of New Parent Preferred Stock and not paid,

less the amount of any withholding Taxes which may be required thereon, and (ii) at the appropriate payment date or as promptly as practicable

thereafter, the amount of dividends or other distributions with a record date after the Merger Effective Time, but prior to such surrender or compliance and a payment date subsequent to such surrender or compliance payable with respect to such whole Parent Shares, less the amount of any withholding Taxes which may be required thereon. Parent will, no later than the applicable dividend or distribution payment dates, set aside and provide the Exchange Agent with the cash necessary to make the payments contemplated by this Section 2.3(c), which shall be held for such purpose and for the sole benefit of such holders of Parent Shares or shares of New Parent Preferred Stock.

(d) No Fractional Securities. No fractional Parent Shares shall be issued pursuant hereto. In lieu of the issuance of any fractional Parent Shares, cash adjustments will be paid to holders in respect of any fractional Parent Shares that would otherwise be issuable, and the amount of such cash adjustment shall be equal to the product obtained by multiplying such holder's fractional Parent Share that would otherwise be issuable by the closing price per share of Parent Shares on the New York Stock Exchange Composite Tape on the Closing Date as reported by The Wall Street Journal (Northeast edition) (or, if not reported thereby, any other authoritative source).

(e) No Further Ownership Rights in Shares. All Parent Shares or shares of New Parent Preferred Stock issued or cash paid upon the surrender for exchange of Certificates or Company OP Units in accordance with the terms of this Article II (including any cash paid pursuant to this Section 2.3) shall be deemed to have been issued in full satisfaction of all rights pertaining to the Shares or Company Preferred Shares theretofore represented by such Certificates or Company OP Units. At the Merger Effective Time, the stock transfer books of the Company shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Entity of the Shares or Company Preferred Shares that were outstanding immediately prior to the Merger Effective Time. At the OP Merger Effective Time, the partnership interest transfer books of Company OP shall be closed, and there shall be no further registration of transfers on the partnership interest transfer books of the Surviving Partnership of the Company OP Units that were outstanding immediately prior to the OP Merger Effective Time. If, after the Merger Effective Time, Certificates are presented to the Surviving Entity or the Exchange Agent for any reason, they shall be cancelled and exchanged as provided in this Article II.

(f) Termination of Exchange Funds. Any portion of the Exchange Fund or Preferred Exchange Fund (including the proceeds of any investments thereof and any Parent Shares or shares of New Parent Preferred Stock) which remains undistributed to the holders of Shares, Company Preferred Shares or Company OP Units, as applicable, for six months after the Merger Effective Time may be delivered to Parent, upon demand, and any holders of Shares, Company Preferred Shares or Company OP Units who have not theretofore complied with this Article II and the instructions set forth in the letter of transmittal mailed to such holders after the Merger Effective Time or the OP Merger Effective Time shall thereafter look only to Parent or its agent (subject to abandoned property, escheat or other similar laws) for payment of their Parent Shares or shares of New Parent Preferred Stock, as applicable, cash and unpaid dividends and distributions on Parent Shares deliverable in respect of each Share, Company Preferred Share or Company OP Unit such holder holds as determined pursuant to this Agreement, in each case, without any interest thereon.

(g) No Liability. None of Parent, Merger Sub, OP Merger Sub, the Company, Company OP or the Exchange Agent shall be liable to any Person in respect of any amount properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 2.4. Adjustment of Exchange Ratio. In the event that Parent changes or establishes a record date for changing the number of Parent Shares issued and outstanding as a result of a stock split, stock dividend, recapitalization, merger, subdivision, reclassification, combination or similar transaction with respect to the outstanding Parent Shares and the record date therefor shall be prior to the Effective Times, the Exchange Ratio applicable to the Mergers and any other calculations based on or relating to Parent Shares, including the conversion ratio applicable to the New Parent Preferred Stock specified in the Certificate of Designation, shall be appropriately adjusted to reflect such stock split, stock dividend, recapitalization, merger, subdivision, reclassification, combination

or similar transaction.

Section 2.5. Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond, in such reasonable amount as Parent or the Exchange Agent may direct as indemnity against any claim that may be made against them with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Parent Shares or shares of New Parent Preferred Stock and any cash in lieu of fractional Parent Shares to which the holders thereof are entitled pursuant to Section 2.3(b) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 2.3(c).

Section 2.6. Further Assurances.

(a) If at any time after the Merger Effective Time the Surviving Entity shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (i) to vest, perfect or confirm, of record or otherwise, in the Surviving Entity its right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties, permits, licenses or assets of either of the Constituent Entities, or (ii) otherwise to carry out the purposes of this Agreement, the Surviving Entity and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either of the Constituent Entities, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Entity, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Entity's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Entity and otherwise to carry out the purposes of this Agreement.

 HEALTH CARE REIT, INC.**

**Pursuant to Section 151 of the
 General Corporation Law of the State of Delaware**

The undersigned duly authorized officer of Health Care REIT, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (the Corporation), does hereby certify that, pursuant to authority conferred upon the Board of Directors of the Corporation (the Board) by the Second Restated Certificate of Incorporation of the Corporation, as amended and supplemented, and pursuant to Section 151 of the General Corporation Law of the State of Delaware, the Board, acting by unanimous written consent effective as of _____, 2006, adopted a resolution (i) authorizing a new series of the Corporation's previously authorized Preferred Stock, \$1.00 par value per share (the Preferred Stock), and (ii) providing for the designations, preferences and relative, participating, optional or other rights, and the qualifications, limitations or restrictions thereof, of _____ shares **[the number of Windrose preferred shares outstanding as of the merger effective time]** of 7.5% Series G Cumulative Convertible Preferred Stock of the Corporation, as follows:

RESOLVED, that the Corporation is authorized to issue _____ shares **[the number of Windrose preferred shares outstanding as of the merger effective time]** of 7.5% Series G Cumulative Convertible Preferred Stock, \$1.00 par value per share, which shall have the following powers, designations, preferences and other special rights:

Section 1. Designation and Number. A series of Preferred Stock, designated the 7.5% Series G Cumulative Convertible Preferred Stock (the Series G Preferred Stock), is hereby established. The number of authorized shares of Series G Preferred Stock shall be **[the number of Windrose preferred shares outstanding as of the merger effective time]**.

Section 2. Maturity. The Series G Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption.

Section 3. Rank. The Series G Preferred Stock will, with respect to dividend rights and rights upon liquidation, dissolution or winding up of the Corporation, rank (a) prior or senior to the Corporation's Junior Participating Preferred Stock, Series A, the common stock of the Corporation, par value \$1.00 per share (the Common Stock) and to all equity securities of the Corporation ranking junior to the Series G Preferred Stock with respect to dividend rights or rights upon liquidation, dissolution or winding up of the Corporation (the Junior Shares); (b) on a parity with the Corporation's Series C Cumulative Convertible Preferred Stock, the Corporation's 77/8% Series D Cumulative Redeemable Preferred Stock, the Corporation's 6.0% Series E Cumulative Convertible and Redeemable Preferred Stock, the Corporation's 75/8% Series F Cumulative Redeemable Preferred Stock and all other equity securities issued by the Corporation the terms of which specifically provide that such equity securities rank on a parity with the Series G Preferred Stock with respect to dividend rights and rights upon liquidation, dissolution or winding up of the Corporation (the Parity Shares), (c) junior to equity securities issued by the Corporation to the extent that the terms of such equity securities specifically provide that such equity securities rank senior to the Series G Preferred Stock with respect to dividend rights or rights upon liquidation, dissolution or winding up of the Corporation (the Senior Shares),

and (d) junior to all existing and future indebtedness of the Corporation. The term "equity securities" does not include convertible debt securities, which will rank senior to the Series G Preferred Stock prior to conversion.

Table of ContentsSection 4. *Dividends.*

(a) Holders of Series G Preferred Stock shall be entitled to receive, when and as authorized by the Board Directors, or a duly authorized committee thereof, and declared by the Corporation out of funds of the Corporation legally available for payment, preferential cumulative cash dividends at the rate of 7.5% per annum of the Base Liquidation Preference (as defined below) per share (equivalent to a fixed annual amount of \$1.875 per share). Such dividends shall be cumulative and shall begin to accrue from the date of original issue of the Series G Preferred Stock and shall be payable quarterly in arrears on or about the 15th day of January, April, July and October of each year (or, if not a business day, the next succeeding business day, each a Dividend Payment Date) for the period ending on such Dividend Payment Date. Business day shall mean any day other than a Saturday, Sunday or other day on which commercial banks in the City of New York are authorized or required to close. Any quarterly dividend payable on the Series G Preferred Stock for any partial dividend period will be computed on the basis of twelve 30-day months and a 360-day year. Dividends will be payable in arrears to holders of record as they appear on the share records of the Corporation at the close of business on the applicable record date, which shall be the last day of the calendar month first preceding the applicable Dividend Payment Date or such other date designated by the Board of Directors for the payment of dividends that is not more than 30 nor less than 10 days prior to such Dividend Payment Date (each, a Dividend Record Date).

(b) No dividends on Series G Preferred Stock shall be authorized by the Board of Directors or declared or paid or set apart for payment by the Corporation at such time as the terms and provisions of any agreement of the Corporation, including any agreement relating to its indebtedness, prohibits such declaration, payment or setting apart for payment or provides that such declaration, payment or setting apart for payment would constitute a breach thereof or a default thereunder, or if such declaration or payment shall be restricted or prohibited by law.

(c) Notwithstanding the foregoing, dividends on the Series G Preferred Stock will accrue whether or not the Corporation has earnings, whether or not there are funds legally available for the payment of such dividends and whether or not such dividends are declared and whether or not such is prohibited by agreement. Accrued but unpaid dividends on the Series G Preferred Stock will not bear interest and holders of the Series G Preferred Stock will not be entitled to any distributions in excess of full cumulative distributions described above. Except as set forth in the next sentence, no dividends will be declared or paid or set apart for payment on any shares of Common Stock of the Corporation or any other series of Preferred Stock ranking, as to dividends, on a parity with or junior to the Series G Preferred Stock (other than a dividend in Common Stock of the Corporation or any other equity securities of the Corporation ranking junior to the Series G Preferred Stock as to dividends and upon liquidation) for any period unless full cumulative dividends have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for such payment on the Series G Preferred Stock for all past dividend periods and the then current dividend period. When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series G Preferred Stock and the shares of any other series of Preferred Stock ranking on a parity as to dividends with the Series G Preferred Stock, all dividends declared upon the Series G Preferred Stock and any other series of Preferred Stock ranking on a parity as to dividends with the Series G Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of the Series G Preferred Stock and such other series of Preferred Stock shall in all cases bear to each other the same ratio that accrued dividends per share on the Series G Preferred Stock and such other series of Preferred Stock (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other.

(d) Except as provided in the immediately preceding paragraph, unless full cumulative dividends on the Series G Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods and the then current dividend period, no dividends (other than in Common Stock of the Corporation or other equity securities of the Corporation ranking junior to the Series G Preferred Stock as to dividends and upon liquidation) shall be declared or paid or set aside for payment

nor shall any other distribution be declared or made upon the Common Stock, or any other equity securities of the Corporation ranking junior to or on a parity with the Series G Preferred Stock as to dividends or upon liquidation, nor shall any Common Stock, or any other equity securities of the Corporation ranking junior to or on a parity with the Series G Preferred Stock as to dividends or upon liquidation be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of

any such shares) by the Corporation (except by conversion into or exchange for other equity securities of the Corporation ranking junior to the Series G Preferred Stock as to dividends and upon liquidation or redemption for the purpose of preserving the Corporation's qualification as a real estate investment trust under the Internal Revenue Code of 1986, as amended). Holders of Series G Preferred Stock shall not be entitled to any dividend, whether payable in cash, property or stock, in excess of full cumulative dividends on the Series G Preferred Stock as provided above. Any dividend payment made on the Series G Preferred Stock shall first be credited against the earliest accrued but unpaid dividend due with respect to such shares which remains payable.

(e) If, for any taxable year, the Corporation elects to designate as capital gain dividends (as defined in Section 857 of the Code) any portion (the Capital Gains Amount) of the dividends (as determined for federal income tax purposes) paid or made available for the year to holders of all classes of shares (the Total Dividends), then the portion of the Capital Gains Amount that shall be allocable to the holders of Series G Preferred Stock shall be the amount that the total dividends (as determined for federal income tax purposes) paid or made available to the holders of the Series G Preferred Stock for the year bears to the Total Dividends. The Corporation will make a similar allocation for each taxable year with respect to any undistributed long-term capital gains of the Corporation that are to be included in its stockholders' long-term capital gains, based on the allocation of the Capital Gains Amount that would have resulted if such undistributed long-term capital gains had been distributed as capital gains dividends by the Corporation to its stockholders.

Section 5. *Liquidation Preference.*

(a) Upon any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, the holders of the Series G Preferred Stock are entitled to be paid out of the assets of the Corporation legally available for distribution to its stockholders a liquidation preference of (x) \$25 per share (the Base Liquidation Preference) in cash or property at its fair market value as determined by the Board of Directors, or (y) in the event the Corporation shall be a party to a Transaction, as defined in subparagraph 8(e), prior to June 30, 2010 in which a majority of the Common Stock of the Corporation is converted into the right to receive cash, property or other consideration at a price, or having a fair market value, as determined by the Board of Directors, per share, of less than 105% of the Conversion Price in effect at the time of any such Transaction, \$26.25 per share in cash or property at its fair market value, as determined by the Board of Directors (the Stepped Up Liquidation Preference), plus in each case, an amount equal to any accrued and unpaid dividends to the date of payment, but without interest, before any distribution of assets is made to holders of the Corporation's Common Stock or any other equity securities of the Corporation that rank junior to the Series G Preferred Stock as to liquidation rights. Notwithstanding the foregoing, unless the Corporation is a party to a Transaction prior to June 30, 2010, the liquidation preference on or after June 30, 2010 shall be the Base Liquidation Preference plus an amount equal to the accrued and unpaid dividends to the date of payment, but without interest, before any distribution of assets is made to holders of the Corporation's Common Stock or any other equity securities of the Corporation that rank junior to the Series G Preferred Stock as to liquidation rights. The Corporation will promptly provide to the holders of the Series G Preferred Stock written notice of any event triggering the right to receive such Liquidation Preference. After payment of the full amount of the Liquidation Preference, plus any accrued and unpaid dividends to which they are entitled, the holders of the Series G Preferred Stock will have no right or claim to any of the remaining assets of the Corporation. The consolidation or merger of the Corporation with or into any other corporation, trust or entity or of any other corporation with or into the Corporation, the sale, lease or conveyance of all or substantially all of the property or business of the Corporation or a statutory share exchange, shall not be deemed to constitute a liquidation, dissolution or winding up of the Corporation, unless a liquidation, dissolution or winding up of the Corporation is effected in connection with, or as a step in a series of transactions by which, a consolidation or merger of the Corporation is effected.

(b) If upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation, or proceeds thereof, distributable among the holders of Series G Preferred Stock shall be insufficient to pay in full the above

described preferential amount and liquidating payments on all other classes and series of Parity Shares, then such assets, or the proceeds thereof, shall be distributed among the holders of Series G Preferred Stock and any such other Parity Shares ratably in the same proportion as the respective amounts that would be payable on such Series G Preferred Stock and any such other Parity Shares if all amounts payable thereon were paid in full.

C-3

Table of Contents

(c) Upon any liquidation, dissolution or winding up of the Corporation, after payment shall have been made in full to the holders of Series G Preferred Stock and any Parity Shares, any other series or class or classes of Junior Shares shall be entitled to receive any and all assets remaining to be paid or distributed, and the holders of the Series G Preferred Stock and any Parity Shares shall not be entitled to share therein.

Section 6. Redemption.

(a) The Series G Preferred Stock is not redeemable prior to June 30, 2010. On and after, June 30, 2010, the Corporation, at its option, upon not less than 30 nor more than 60 days written notice, may redeem the Series G Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price equal to the Base Liquidation Preference, per share, plus all accrued and unpaid dividends thereon to the date fixed for redemption (the Redemption Date), without interest. No Series G Preferred Stock may be redeemed except with assets legally available for the payment of the redemption price.

Holders of Series G Preferred Stock to be redeemed shall surrender such Series G Preferred Stock at the place designated in such notice and shall be entitled to the redemption price and any accrued and unpaid dividends payable upon such redemption following such surrender. If notice of redemption of any of the Series G Preferred Stock has been given and if the funds necessary for such redemption have been set aside, separate and apart from other funds, by the Corporation in trust for the pro rata benefit of the holders of any Series G Preferred Stock so called for redemption, then from and after the redemption date dividends will cease to accrue on such Series G Preferred Stock, such Series G Preferred Stock shall no longer be deemed outstanding and all rights of the holders of such shares will terminate, except the right to receive the redemption price. If less than all of the outstanding Series G Preferred Stock is to be redeemed, the Series G Preferred Stock to be redeemed shall be selected pro rata (as nearly as may be practicable without creating fractional shares) or by any other equitable method determined by the Corporation.

(b) Unless full cumulative dividends on all Series G Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period, no Series G Preferred Stock shall be redeemed unless all outstanding shares of Series G Preferred Stock are simultaneously redeemed and the Corporation shall not purchase or otherwise acquire directly or indirectly any Series G Preferred Stock (except by exchange for equity securities of the Corporation ranking junior to the Series G Preferred Stock as to dividends and upon liquidation); provided, however, that the foregoing shall not prevent the purchase by the Corporation of any Series G Preferred Stock in order to ensure that the Corporation continues to meet the requirements for qualification as a real estate investment trust under the Internal Revenue Code, or the purchase or acquisition of Series G Preferred Stock pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series G Preferred Stock. So long as no dividends are in arrears on the Series G Preferred Stock, the Corporation shall be entitled at any time and from time to time to repurchase any Series G Preferred Stock in open market transactions duly authorized by the Board of Directors of the Corporation and effected in compliance with applicable laws.

(c) Notice of redemption of the Series G Preferred Stock shall be given by publication in a newspaper of general circulation in the City of New York, such publication to be made once a week for two successive weeks commencing not less than 30 nor more than 60 days prior to the Redemption Date. A similar notice shall be mailed by the Corporation to each holder of record of the Series G Preferred Stock to be redeemed by first class mail, postage prepaid at such holder's address as the same appears on the share records of the Corporation. No failure to give such notice or any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any Series G Preferred Stock except as to the holder to whom notice was defective or not given. Each notice shall state: (i) the Redemption Date; (ii) the redemption price; (iii) the number of shares of Series G Preferred Stock to be redeemed; (iv) the place or places where the certificates for the Series G Preferred Stock are to be surrendered for payment of the redemption price; and (v) that dividends on the shares to be redeemed will cease to accrue on such

redemption date. If less than all of the Series G Preferred Stock held by any holder is to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series G Preferred Stock held by such holder to be redeemed.

(d) Immediately prior to any redemption of Series G Preferred Stock, the Corporation shall pay, in cash, any accumulated and unpaid dividends through the Redemption Date, unless a Redemption Date falls after a Dividend

C-4

Record Date and prior to the corresponding Dividend Payment Date, in which case each holder of Series G Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares before such Dividend Payment Date.

(e) The Series G Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption provisions.

(f) Subject to applicable law and the limitation on purchases when dividends on the Series G Preferred Stock are in arrears, the Corporation may, at any time and from time to time, purchase any Series G Preferred Stock in the open market, by tender or by private agreement.

(g) All Series G Preferred Stock redeemed, purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and reclassified as authorized but unissued Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

Section 7. Voting Rights.

(a) Holders of the Series G Preferred Stock will not have any voting rights, except as set forth below or as otherwise required by law.

(b) Whenever dividends on any Series G Preferred Stock shall be in arrears in an aggregate amount equivalent to six or more quarterly dividends, whether or not consecutive (a Preferred Dividend Default), the number of directors then constituting the Board of Directors shall increase by two (if not already increased by reason of a similar arrearage with respect to any Parity Preferred (as hereinafter defined)). In the event of such an increase in the number of directors, the holders of the Series G Preferred Stock will be entitled to vote (voting separately as a class with holders of all other series of Preferred Stock ranking on a parity with the Series G Preferred Stock as to dividends or upon liquidation (Parity Preferred) upon which like voting rights have been conferred and are exercisable), in order to fill the vacancies thereby created, for the election of a total of two additional directors of the Corporation (the Preferred Share Directors) at a special meeting called by the holders of record of at least 20% of the Series G Preferred Stock or by the holders of any series of Parity Preferred so in arrears with like voting rights (unless such request is received less than 90 days before the date fixed for the next annual or special meeting of the stockholders) or at the next annual meeting of stockholders, and at each subsequent annual meeting at which a Preferred Share Director is to be elected until all dividends accumulated on such Series G Preferred Stock and Parity Preferred with like voting rights for the past dividend periods and the dividend for the then current dividend period shall have been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. In the event the directors of the Corporation are divided into classes, each such vacancy shall be apportioned among the classes of directors to prevent stacking in any one class and to insure that the number of directors in each of the classes of directors are as equal as possible. If and when all accumulated dividends and the dividend for the then current dividend period on the Series G Preferred Stock shall have been paid in full or declared and set aside for payment in full, the holders thereof shall be divested of the foregoing voting rights (subject to revesting in the event of each and every Preferred Dividend Default) and, if all accumulated dividends and the dividend for the then current dividend period have been paid in full or set aside for payment in full on all series of Parity Preferred upon which like voting rights have been conferred and are exercisable, the term of office of each Preferred Share Director so elected shall terminate and the number of directors then constituting the Board of Directors shall decrease accordingly. Any Preferred Share Director may be removed at any time with or without cause by, and shall not be removed otherwise than by the vote of, the holders of record of a majority of the outstanding Series G Preferred Stock when they have the voting rights described above (voting separately as a class with holders of all series of Parity Preferred upon which like voting rights have been conferred and are exercisable).

So long as a Preferred Dividend Default shall continue, any vacancy in the office of a Preferred Share Director may be filled by written consent of the Preferred Share Director remaining in office, or if none remains in office, by a vote of the holders of record of a majority of the outstanding shares of Series G Preferred Stock when they have the voting rights described above (voting separately as a class with all series of Parity Preferred upon which like voting rights have been conferred and are exercisable). The Preferred Share Directors shall each be entitled to one vote per director on any matter.

C-5

Table of Contents

(c) So long as any Series G Preferred Stock remains outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the Series G Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting separately as a class):

(i) amend, alter or repeal any of the provisions of this Certificate of Designation or other provisions of the Corporation's Second Restated Certificate of Incorporation, as amended and supplemented, whether by merger, consolidation or otherwise (an Event), so as to materially and adversely affect any right, preference, privilege or voting power of the Series G Preferred Stock or the holders thereof; or

(ii) authorize, create or issue, or increase the authorized or issued amount of, any class or series of equity security or rights to subscribe to or acquire any class or series of equity security, in each case ranking senior to the Series G Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, or reclassify any equity securities into any such shares;

provided, however, that with respect to the occurrence of any Event set forth above, so long as the Series G Preferred Stock (or any equivalent class or series of stock or shares issued by the surviving corporation or entity in any merger or consolidation to which the Corporation became a party) remains outstanding with the terms thereof materially unchanged, the occurrence of any such Event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of holders of the Series G Preferred Stock; and provided, further, that (i) any increase in the amount of the authorized Preferred Stock, (ii) the authorization or issuance of any other series of Preferred Stock, any increase in the amount of authorized shares of any series of Preferred Stock, or the authorization, increase in the amount of authorized shares of or issuance of any new class of preferred stock of the Corporation or any series thereof, in each case ranking on a parity with or junior to the Series G Preferred Stock with respect to payment of dividends and the distribution of assets upon liquidation, dissolution or winding up, or (iii) any merger or consolidation in which the Corporation is not the surviving entity if, as a result of the merger or consolidation, the holders of Series G Preferred Stock receive cash in the amount of the Liquidation Preference in exchange for each share of their Series G Preferred Stock, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

(d) With respect to the exercise of the above described voting rights, each share of Series G Preferred Stock shall have one vote per share, except that when any other class or series of Preferred Stock shall have the right to vote with the Series G Preferred Stock as a single class, then the Series G Preferred Stock and such other class or series shall each have one vote per \$25 of liquidation preference, or, in the event that the vote is with respect to a Transaction which the holders of the Series G Preferred Stock would be entitled to receive the Stepped Up Liquidation Preference, pursuant to subparagraph 5(a), the Series G Preferred Stock shall have 1.05 votes per \$25 of liquidation preference.

(e) The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of Series G Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption.

(f) Except as expressly stated in these terms of the Series G Preferred Stock, the Series G Preferred Stock shall not have any relative, participating, optional or other special voting rights and powers and the consent of the holders thereof shall not be required for the taking of any corporate action, including but not limited to, any merger or consolidation involving the Corporation or a sale of all or substantially all of the assets of the Corporation, irrespective of the effect that such merger, consolidation or sale may have upon the rights, preferences or voting power of the holders of the Series G Preferred Stock.

Section 8. Conversion.

(a) Subject to and upon compliance with the provisions of this subparagraph (8), a holder of Series G Preferred Stock shall have the right, at the holder's option, at any time to convert such shares, in whole or in part, into the number of fully paid and nonassessable shares of Common Stock obtained by dividing the aggregate Base Liquidation Preference of such shares by \$[**15.75 divided by the Merger Exchange Ratio**], the conversion price per share of Common Stock at which the Series G Preferred Stock is convertible into Common Stock, as such price may be adjusted pursuant to subsection (d) of this subparagraph (8) (the "Conversion Price") (as in effect at the time

C-6

Table of Contents

and on the date provided for in the last paragraph of subsection (b) of this subparagraph (8)) by delivering such shares to be converted, such delivery to be made in the manner provided in subsection (b) of this subparagraph (8); provided, however, that the right to convert shares called for redemption pursuant to subparagraph (6) shall terminate at the close of business on the Redemption Date fixed for such redemption, unless the Corporation shall default in making payment of any amounts payable upon such redemption under subparagraph (6) hereof.

(b) In order to exercise the conversion right, the holder of each share of Series G Preferred Stock to be converted shall deliver the certificate evidencing such share, duly endorsed or assigned to the Corporation or in blank, at the office of the Transfer Agent, accompanied by written notice to the Corporation that the holder thereof elects to convert such share of Series G Preferred Stock. Unless the shares issuable on conversion are to be issued in the same name as the name in which such share of Series G Preferred Stock is registered, each share surrendered for conversion shall be accompanied by instruments of transfer, in form satisfactory to the Corporation, duly executed by the holder or such holder's duly authorized agent and an amount sufficient to pay any transfer or similar tax (or evidence reasonably satisfactory to the Corporation demonstrating that such taxes have been paid).

Holders of Series G Preferred Stock at the close of business on a Record Date will be entitled to receive the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the conversion of such shares following such Record Date and prior to such Dividend Payment Date. However, Series G Preferred Stock surrendered for conversion during the period between the close of business on any Record Date and ending with the opening of business on the corresponding Dividend Payment Date (except shares converted after the issuance of a notice of redemption with respect to a Redemption Date during such period or coinciding with such Dividend Payment Date, which will be entitled to such dividend on the Dividend Payment Date) must be accompanied by payment of an amount equal to the dividend payable on such shares on such Dividend Payment Date. A holder of Series G Preferred Stock on a Record Date who (or whose transferee) tenders any such shares for conversion into Common Stock on such Dividend Payment Date will receive the dividend payable by the Corporation on such Series G Preferred Stock on such date, and the converting holder need not include payment of the amount of such dividend upon surrender of Series G Preferred Stock for conversion.

As promptly as practicable after the surrender of certificates for Series G Preferred Stock as aforesaid, the Corporation shall issue and shall deliver at such office to such holder, or on his written order, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion of such shares in accordance with the provisions of this subparagraph (8), and any fractional interest in respect of a share of Common Stock arising upon such conversion shall be settled as provided in subsection (c) of this subparagraph (8). Each conversion shall be deemed to have been effected immediately prior to the close of business on the date on which the certificates for Series G Preferred Stock shall have been delivered and such notice (and if applicable, payment of an amount equal to the dividend payable on such shares as described above) received by the Corporation as aforesaid, and the person or persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of the shares represented thereby at such time on such date, and such conversion shall be at the Conversion Price in effect at such time and on such date, unless the share transfer books of the Corporation shall be closed on that date, in which event such person or persons shall be deemed to have become such holder or holders of record at the opening of business on the next succeeding day on which such share transfer books are open, but such conversion shall be at the Conversion Price in effect on the date on which such certificates for Series G Preferred Stock have been surrendered and such notice received by the Corporation.

(c) No fractional shares or scrip representing fractions of a share of Common Stock shall be issued upon conversion or the Series G Preferred Stock. Instead of any fractional interest in a share of Common Stock that would otherwise be deliverable upon the conversion of a share of Series G Preferred Stock, the Corporation shall pay to the holder of such share an amount in cash based upon the Current Market Price (as defined below) of Common Stock on the Trading

Day (as defined below) immediately preceding the date of conversion. If more than one share of Series G Preferred Stock shall be surrendered for conversion at one time by the same holder, the number of full shares of Common Stock issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares of Series G Preferred Stock so surrendered. Current Market Price of publicly traded Common Stock or any other class of security of the Corporation or any other issuer for any day shall mean the last reported sales price, regular way, on such day or, if no sale takes place on such day, the average of the reported closing bid and asked

prices on such day, regular way, in either case as reported on the New York Stock Exchange (NYSE) or, if such security is not listed or admitted for trading on the NYSE, on the principal national securities exchange on which such security is listed or admitted for trading or, if not listed or admitted for trading on any national securities exchange, on the Nasdaq National Market or, if such security is not quoted on the Nasdaq National Market, the average of the closing bid and asked prices on such day in the over-the-counter market as reported by Nasdaq or, if bid and asked prices for such security on such day shall not have been reported through Nasdaq, the average of the bid and asked prices on such day as furnished by any NYSE member firm regularly making a market in such security and selected for such purpose by the Chief Executive Officer of the Corporation or the Board of Directors or, if such security is not so listed or quoted, as determined in good faith at the sole discretion of the Chief Executive Officer of the Corporation or the Board of Directors, which determination shall be final, conclusive and binding. Trading Day shall mean any day on which the securities in question are traded on the NYSE, or if such securities are not listed or admitted for trading on the NYSE, on the principal national securities exchange on which such securities are listed or admitted, or if not listed or admitted for trading on any national securities exchange, on the Nasdaq National Market, or if such securities are not quoted on such Nasdaq National Market, in the applicable securities market in which the securities are traded.

(d) The Conversion Price shall be adjusted from time to time as follows:

(i) If the Corporation shall (A) make a payment of dividends or distributions to holders of Common Stock of the Corporation in Common Stock, (B) subdivide its outstanding Common Stock into a greater number of shares, (C) combine its outstanding Common Stock into a smaller number of shares or (D) issue any shares of Common Stock by reclassification of its Common Stock, the Conversion Price shall be adjusted so that the holder of any Series G Preferred Stock thereafter surrendered for conversion shall be entitled to receive the number of shares of Common Stock that such holder would have owned or have been entitled to receive after the happening of any of the events described above had such shares been converted immediately prior to the record date in the case of a dividend or distribution or the effective date in the case of a subdivision, combination or reclassification. An adjustment made pursuant to this subsection (i) shall become effective immediately after the opening of business on the day next following the record date (except as provided in paragraph (h) below) in the case of a distribution and shall become effective immediately after the opening of business on the day next following the effective date in the case of a subdivision, combination or reclassification. Such adjustment(s) shall be made successively whenever any of the events listed above shall occur.

(ii) If the Corporation shall issue rights, options or warrants to all holders of Common Stock entitling them (for a period expiring within 45 days after the record date fixed for such issuance) to subscribe for or purchase Common Stock (or securities convertible into or exchangeable for Common Stock) at a price per share less than the Fair Market Value (as defined below) per share of Common Stock on the record date for the determination of stockholders entitled to receive such rights, options or warrants, then the Conversion Price shall be adjusted to equal the price determined by multiplying (A) the Conversion Price in effect immediately prior to the opening of business on the Business Day next following the date fixed for such determination by (B) a fraction, the numerator of which shall be the sum of (I) the number of shares of Common Stock outstanding on the close of business on the date fixed for such determination and (II) the number of shares of Common Stock that could be purchased at the Current Market Price (as defined below) on the date fixed for such determination with the aggregate proceeds to the Corporation from the exercise of such rights, options or warrants, and the denominator of which shall be the sum of (x) the number of shares of Common Stock outstanding on the close of business on the date fixed for such determination and (y) the number of additional shares of Common Stock offered for subscription or purchase pursuant to such rights, options or warrants. Such adjustment shall be made successively whenever any such rights, options or warrants are issued, and shall become effective immediately after the opening of business on the day next following the record date for any such rights, options, or warrants issued (except as provided in subsection (h) below). In determining whether any rights, options or warrants entitle the holders of Common Stock to subscribe for or purchase Common Stock at less than the Fair Market Value, there shall be taken into account any consideration received by the Corporation upon issuance and

upon exercise of such rights, options or warrants, the value of such consideration, if other than cash, to be determined by the Chief Executive Officer of the Corporation or

C-8

the Board of Directors whose decision is final, conclusive, and binding. Any adjustment(s) made pursuant to this subsection (ii) shall become effective immediately after the opening of business on the business day next following such record date. Such adjustment(s) shall be made successively whenever any of the events listed above shall occur.

Fair Market Value shall mean the fair market value as determined in good faith at the sole discretion of the Chief Executive Officer or the Board of Directors, which determination shall be final, conclusive and binding.

(iii) If the Corporation shall distribute to all holders of its Common Stock any equity securities of the Corporation (other than Common Stock) or evidence of its indebtedness or assets (including securities or cash, but excluding cash distributions paid out of the surplus of the Corporation, determined on the basis of the most recent annual or quarterly consolidated cost basis and current value basis and consolidated balance sheets of the Corporation and its consolidated subsidiaries available at the time of the declaration of the distribution) or rights or warrants to subscribe for or purchase any of its securities (excluding those rights and warrants issued to all holders of Common Stock entitling them for a period expiring within 45 days after the record date referred to in subsection (ii) above to subscribe for or purchase Common Stock, which rights and warrants are referred to in and treated under subsection (ii) above) (any of the foregoing being hereinafter in this subsection (iii) called the Securities), then in each case the Conversion Price shall be adjusted so that it shall equal the price determined by multiplying (A) the Conversion Price in effect immediately prior to the close of business on the date fixed for the determination of stockholders entitled to receive such distribution by (B) a fraction, the numerator of which shall be the Current Market Price per share of Common Stock on the record date described in the immediately following paragraph less the then Fair Market Value of the equity securities or assets or evidences of indebtedness so distributed or of such rights or warrants applicable to one share of Common Stock, and the denominator of which shall be the Current Market Price per share of Common Stock on the record date described in the immediately following paragraph.

Such adjustment shall become effective immediately at the opening of business on the business day next following (except as provided in subsection (h) below) the record date for the determination of stockholders entitled to receive such distribution. For the purposes of this subsection (iii), the distribution of a Security which is distributed not only to the holders of the Common Stock on the date fixed for the determination of stockholders entitled to such distribution of such Security, but also is distributed with each share of Common Stock delivered to a person converting a share of Series G Preferred Stock after such determination date, shall not require an adjustment of the Conversion Price pursuant to this subsection (iii); provided that on the date, if any, on which a person converting a share of Series G Preferred Stock would no longer be entitled to receive such Security with a share of Common Stock (other than as a result of the termination of all such Securities), a distribution of such Securities shall be deemed to have occurred, and the Conversion Price shall be adjusted as provided in this subsection (iii) (and such day shall be deemed to be the date fixed for the determination of the stockholders entitled to receive such distribution and the record date within the meaning of the two preceding sentences). Such adjustment(s) shall be made successively whenever any of the events listed above shall occur.

(iv) No adjustment in the Conversion Price shall be required unless such adjustment would require a cumulative increase or decrease of at least 1% in such price; provided, however, that any adjustments that by reason of this subsection (iv) are not required to be made shall be carried forward and taken into account in any subsequent adjustment until made; and provided, further, that any adjustment shall be required and made in accordance with the provisions of this subparagraph (8) (other than this subsection (iv)) not later than such time as may be required in order to preserve the tax-free nature of a distribution to the holders of Common Stock. Notwithstanding any other provisions of this subparagraph (8), the Corporation shall not be required to make any adjustment to the Conversion Price (A) upon the issuance of any Common Stock or options or rights to purchase Common Stock pursuant to any present or future employee, director or consultant incentive or benefit plan or program of the Corporation or any of its subsidiaries; (B) upon the issuance of any Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on Common Stock or indebtedness of the Corporation and the investment of additional optional amounts in Common Stock under any plan; (C) upon a change in the par value of the

Common Stock of the Corporation; or (D) for accumulated and unpaid dividends on the Series G Preferred Stock or on any other equity securities of

the Corporation. All calculations under this subparagraph (8) shall be made to the nearest cent (with \$.005 being rounded upward) or to the nearest one-tenth of a share (with .05 of a share being rounded upward), as the case may be.

(v) Current Market Price of publicly traded Common Stock or other security of the Corporation or any other issuer for any day shall mean the last reported sales price, regular way, on such day or, if no sale takes place on such day, the average of the reported closing bid and asked prices on such day, regular way, in either case as reported on the New York Stock Exchange (NYSE) or, if such security is not listed or admitted for trading on the NYSE, on the principal national securities exchange on which such security is listed or admitted for trading or, if not listed or admitted for trading on any national securities exchange, on the Nasdaq National Market or, if such security is not quoted on the Nasdaq National Market, the average of the closing bid and asked prices on such day in the over-the-counter market as reported by Nasdaq or, if bid and asked prices for such security on such day shall not have been reported through Nasdaq, the average of the bid and asked prices on such day as furnished by any NYSE member firm regularly making a market in such security and selected for such purpose by the Chief Executive Officer of the Corporation or the Board of Directors or, if such security is not so listed or quoted, as determined in good faith at the sole discretion of the Chief Executive Officer of the Corporation or the Board of Directors, which determination shall be final, conclusive and binding.

(e) If the Corporation shall be a party to any transaction (including without limitation a merger, consolidation, statutory share exchange, tender offer for all or substantially all of the Common Stock, sale of all or substantially all of the Corporation's assets or recapitalization of the Common Stock and excluding any transaction as to which subsection (d)(i) of this subparagraph (8) applies (each of the foregoing being referred to herein as a Transaction), in each case as a result of which Common Stock shall be converted into the right to receive shares, stock, securities or other property (including cash or any combination thereof), each share of Series G Preferred Stock which is not converted into the right to receive shares, stock, securities or other property in connection with such Transaction shall thereafter be convertible into the kind and amount of shares, stock, securities and other property receivable (including cash or any combination thereof) upon the consummation of such Transaction by a holder of that number of shares of Common Stock or fraction thereof into which one share of Series G Preferred Stock was convertible immediately prior to such Transaction, assuming such holder of Common Stock (i) is not a person with which the Corporation consolidated or into which the Corporation merged or which merged into the Corporation or to which such sale or transfer was made, as the case may be (a Constituent Person), or an affiliate of a Constituent Person and (ii) failed to exercise his or her rights of election, if any, as to the kind or amount of such, stock, securities and other property (including cash) receivable upon consummation of such Transaction (each a Non-Electing Share) (provided that if the kind or amount of shares, stock, securities and other property (including cash) receivable upon consummation of such Transaction by each Non-Electing Share is not the same for each Non-Electing Share, then the kind and amount of shares, stock, securities and other property (including cash) receivable upon consummation of such Transaction for each Non-Electing Share shall be deemed to be the kind and amount so receivable per share by a plurality of the Non-Electing Shares). The Corporation shall not be a party to any Transaction unless the terms of such Transaction are consistent with the provisions of this subsection (e), and it shall not consent or agree to the occurrence of any Transaction until the Corporation has entered into an agreement with the successor or purchasing entity, as the case may be, for the benefit of the holders of the Series G Preferred Stock, that will require such successor or purchasing entity, as the case may be, to make provision in its certificate or articles of incorporation or other constituent documents to the end that the provisions of this subsection (e) shall thereafter correspondingly be made applicable as nearly as may reasonably be, in relation to any shares of stock or other securities or property thereafter deliverable upon conversion of the Series G Preferred Stock. The provisions of this subsection (e) shall similarly apply to successive Transactions.

(f) If:

(i) the Corporation shall declare a distribution on the Common Stock other than in cash out of the surplus of the Corporation, determined on the basis of the most recent annual or quarterly consolidated cost basis and current value basis and consolidated balance sheets of the Corporation and its consolidated subsidiaries available at the time of the declaration of the distribution; or

C-10

(ii) the Corporation shall authorize the granting to the holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of any class or any other rights or warrants; or

(iii) there shall be any reclassifications of the Common Stock (other than an event to which subsection (d)(i) of this subparagraph (8) applied) or any consolidation or merger to which the Corporation is a party and for which approval of any stockholders of the Corporation is required, or a statutory share exchange involving the conversion or exchange of Common Stock into securities or other property, or a self tender offer by the Corporation for all or substantially all of its outstanding Common Stock, or the sale or transfer of all or substantially all of the assets of the Corporation as an entirety and for which approval of any stockholder of the Corporation is required; or

(iv) there shall occur the voluntary or involuntary liquidation, dissolution or winding up of the Corporation;

then the Corporation shall cause to be filed with the transfer agent for the Series G Preferred Stock and shall cause to be mailed to the holders of the Series G Preferred Stock at their addresses as shown on the share records of the Corporation, as promptly as possible, but at least 15 days prior to the applicable date hereinafter specified, a notice stating (A) the record date as of which the holders of Common Stock of record to be entitled to such distribution or grant of rights or warrants are to be determined, provided, however, that no such notification need be made in respect of a record date for a distribution or grant of rights unless the corresponding adjustment in the Conversion Price would be an increase or decrease of at least 1%, or (B) the date on which such reclassification, consolidation, merger, statutory share exchange, sale, transfer, liquidation, dissolution or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or other property, if any, deliverable upon such reclassification, consolidation, merger, statutory share exchange, sale, transfer, liquidation, dissolution or winding up. Failure to give or receive such notice or any defect therein shall not affect the legality or validity of the proceedings described in this subparagraph (8).

(g) Whenever the Conversion Price is adjusted as herein provided, the Corporation shall promptly file with the transfer agent for the Series G Preferred Stock an officer's certificate setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment, which certificate shall be conclusive evidence of the correctness of such adjustment absent manifest error. Promptly after delivery of such certificate, the Corporation shall prepare a notice of such adjustment of the Conversion Price, setting forth the adjusted Conversion Price and the effective date on which such adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Price to each holder of the Series G Preferred Stock at such holder's last address as shown on the share records of the Corporation.

(h) In any case in which subsection (d) of this subparagraph (8) provides that an adjustment shall become effective on the date next following the record date for an event, the Corporation may defer until the occurrence of such event (I) issuing to the holder of any Series G Preferred Stock converted after such record date and before the occurrence of such event the additional Common Stock issuable upon such conversion by reason of the adjustment required by such event over and above the Common Stock issuable upon such conversion before giving effect to such adjustment and (II) fractionalizing any share of Series G Preferred Stock and/or paying to such holder any amount of cash in lieu of any fraction pursuant to subsection (c) of this subparagraph (8).

(i) There shall be no adjustment of the Conversion Price in case of the issuance of any equity securities of the Corporation in a reorganization, acquisition or other similar transaction except as specifically set forth in this subparagraph (8). If any action or transaction would require adjustment of the Conversion Price pursuant to more than one subsection of this subparagraph (8), only one adjustment shall be made, and such adjustment shall be the amount of adjustment that has the highest absolute value.

(j) If the Corporation shall take any action affecting the Common Stock, other than an action described in this subparagraph (8), that in the opinion of the Board of Directors would materially and adversely affect the conversion rights of the holders of the Series G Preferred Stock, the Conversion Price for the Series G Preferred Stock may be adjusted, to the extent permitted by law, in such manner, if any, and at such time, as the Board of Directors, in its sole discretion, may determine to be equitable in the circumstances.

(k) The Corporation covenants that it will at all times reserve and keep available, free from preemptive rights, out of the aggregate of its authorized but unissued Common Stock, for the purpose of effecting conversion of the Series G Preferred Stock, the full number of shares of Common Stock deliverable upon the conversion of all outstanding Series G Preferred Stock not theretofore converted. For purposes of this subsection (k), the number of shares of Common Stock that shall be deliverable upon the conversion of all outstanding Series G Preferred Stock shall be computed as if at the time of computation all such outstanding shares were held by a single holder.

The Corporation covenants that any Common Stock issued upon conversion of the Series G Preferred Stock shall be validly issued, fully paid and nonassessable. Before taking any action that would cause an adjustment reducing the Conversion Price below the then par value of the Common Stock deliverable upon conversion of the Series G Preferred Stock, the Corporation will take any action that, in the opinion of its counsel, may be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable Common Stock at such adjusted Conversion Price.

The Corporation shall use its reasonable best efforts to list the Common Stock required to be delivered upon conversion of the Series G Preferred Stock, prior to such delivery, upon each national securities exchange, if any, upon which the outstanding Common Stock is listed at the time of such delivery.

(l) The Corporation will pay any and all documentary stamp or similar issue or transfer taxes payable in respect of the issue or delivery of Common Stock or other securities or property on conversion of the Series G Preferred Stock pursuant hereto; provided, however, that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issue or delivery of Common Stock or other securities or property in a name other than that of the holder of the Series G Preferred Stock to be converted, and no such issue or delivery shall be made unless and until the person requesting such issue or delivery has paid to the Corporation the amount of any such tax or has established, to the reasonable satisfaction of the Corporation, that such tax has been paid.

In addition to the foregoing adjustments, the Corporation shall be entitled to make such reductions in the Conversion Price, in addition to those required herein, as it in its discretion considers to be advisable in order that any share distributions, subdivisions of shares, reclassification or combination of shares, distribution of rights, options, warrants to purchase shares or securities, or a distribution of other assets (other than cash distributions) will not be taxable or, if that is not possible, to diminish any income taxes that are otherwise payable because of such event.

Section 9. *Restrictions on Ownership and Transfer.* The Series G Preferred Stock shall be subject to the restrictions on ownership and transfer set forth in Article VI of the Amended and Restated By-Laws of the Corporation, as amended from time to time. Any person who violates such restrictions in acquiring actual or constructive ownership of shares of Series G Preferred Stock is required to give notice thereof immediately to the Corporation and provide the Corporation with such other information as the Corporation may request in order to determine the effect of such acquisition on the Corporation's status as a REIT. All certificates representing shares of the Series G Preferred Stock shall be marked with a legend sufficient under the laws of the State of Delaware to provide a purchaser of such shares with notice of the restrictions on transfer under Article VI of the Amended and Restated By-Laws. Nothing in Article VI of the Amended and Restated By-Laws shall preclude the settlement of any transactions entered into through the facilities of the New York Stock Exchange or any other national securities exchange or automated inter-dealer quotation system. The fact that settlement of any transaction takes place shall not, however, negate the effect of any provision of Article VI of the Amended and Restated By-Laws, and any transferee, and the shares of capital stock transferred to such transferee in such a transaction, shall be subject to all of the provisions and limitations in Article VI of the Amended and Restated By-Laws.

Section 10. *Exclusion of Other Rights.* Except as may otherwise be required by law, the Series G Preferred Stock shall not have any voting powers, preferences or relative, participating, optional or other special rights, other than

those specifically set forth in these terms of the Series G Preferred Stock (as such terms may be amended from time to time) or in the Corporation's Second Restated Certificate of Incorporation, as amended and supplemented. The Series G Preferred Stock shall have no preemptive or subscription rights.

Section 11. *Headings of Subdivisions.* The headings of the various subdivisions hereof are for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

Section 12. *Severability of Provisions.* If any voting powers, preferences or relative, participating, optional and other special rights of the Series G Preferred Stock or qualifications, limitations or restrictions thereof set forth in these terms of the Series G Preferred Stock (as such terms may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other voting powers, preferences and relative, participating, optional and other special rights of Series G Preferred Stock and qualifications, limitations and restrictions thereof set forth in these terms of the Series G Preferred Stock (as so amended) which can be given effect without the invalid, unlawful or unenforceable voting powers, preferences or relative, participating, optional or other special rights of Series G Preferred Stock or qualifications, limitations and restrictions thereof shall be given such effect. None of the voting powers, preferences or relative participating, optional or other special rights of the Series G Preferred Stock or qualifications, limitations or restrictions thereof herein set forth shall be deemed dependent upon any other such voting powers, preferences or relative, participating, optional or other special right of Series G Preferred Stock or qualifications, limitations or restrictions thereof unless so expressed herein.

The Board of Directors
 Windrose Medical Properties Trust
 3502 Woodview Trace, Suite 210
 Indianapolis, IN 46268

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of common shares of beneficial interest, \$0.01 par value per share (the Company Common Stock), of Windrose Medical Properties Trust, a Maryland real estate investment trust (the Company) of the Exchange Ratio (as defined below) in the proposed acquisition (the Acquisition) of the Company by Health Care REIT, Inc., a Delaware corporation (the Merger Partner). Pursuant to the Agreement and Plan of Merger (the Agreement), among the Company, Windrose Medical Properties, L.P., a Virginia limited partnership and the operating limited partnership of the Company (Company OP), the Merger Partner, Parent Merger Sub, LLC, a Delaware limited liability company wholly-owned subsidiary of Merger Partner (Merger Sub) and OP Merger Sub, L.P., a Virginia limited partnership and wholly-owned subsidiary of the Merger Partner (OP Merger Sub), the Company will merge with and into Merger Sub and become a wholly-owned subsidiary of the Merger Partner. Each outstanding share of Company Common Stock, other than shares of Company Common Stock held in treasury or owned by the Merger Partner and its affiliates, will be converted into the right to receive shares of Merger Partner's common stock, par value \$1.00 per share (the Merger Partner Common Stock) at an exchange ratio (the Exchange Ratio) being the quotient determined by dividing \$18.06 by the Parent Stock Price (as defined in the Agreement) but not less than 0.4509 or more than 0.4650. Each of the 7.5% Series A Cumulative Convertible Preferred Shares of Beneficial Interest of the Company, \$0.01 par value per share, will be converted into the right to receive the Preferred Merger Consideration (as defined in the Agreement). Immediately prior to the merger described above, OP Merger Sub will merge with and into Company OP and each outstanding limited partner interest in Company OP will automatically be converted into a fraction of a share of Merger Partner Common Stock at the Exchange Ratio.

In arriving at our opinion, we have (i) reviewed a draft dated September 12, 2006 of the Agreement; (ii) reviewed certain publicly available business and financial information concerning the Company and the Merger Partner and the industries in which they operate; (iii) compared the proposed financial terms of the Acquisition with the publicly available financial terms of certain transactions involving companies we deemed relevant and the consideration received for such companies; (iv) compared the financial and operating performance of the Company and the Merger Partner with publicly available information concerning certain other companies we deemed relevant and reviewed the current and historical market prices of the Company Common Stock and the Merger Partner Common Stock and certain publicly traded securities of such other companies; (v) reviewed certain internal financial analyses and forecasts prepared by the managements of the Company and the Merger Partner relating to their respective businesses, as well as the estimated amount and timing of the cost savings and related expenses and synergies expected to result from the Acquisition (the Synergies); and (vi) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this opinion.

In addition, we have held discussions with certain members of the management of the Company and the Merger Partner with respect to certain aspects of the Acquisition, the past and current business operations of the Company and the Merger Partner, the financial condition and future prospects and operations of the Company and the Merger Partner, the effects of the Acquisition on the financial condition and future prospects of the Company and the Merger Partner, and certain other matters we believed necessary or appropriate to our inquiry.

In giving our opinion, we have relied upon and assumed, without assuming responsibility or liability for independent verification, the accuracy and completeness of all information that was publicly available or was furnished to or discussed with us by the Company and the Merger Partner or otherwise reviewed by or for us. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities, nor have we

evaluated the solvency of the Company or the Merger Partner under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to us, including the Synergies, we have assumed that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company and the Merger Partner to which such analyses or forecasts relate. We express no view as to such analyses or forecasts (including the Synergies) or the assumptions on which they were based. We have also assumed that the Acquisition will have the tax consequences described in discussions with, and materials furnished to us by, representatives of the Company, and that the other transactions contemplated by the Agreement will be consummated as described in the Agreement, and that the definitive Agreement will not differ in any material respects from the draft thereof furnished to us. We have relied as to all legal matters relevant to rendering our opinion upon the advice of counsel. We have further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Acquisition will be obtained without any adverse effect on the Company or the Merger Partner or on the contemplated benefits of the Acquisition.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, to the holders of the Company Common Stock of the Exchange Ratio in the proposed Acquisition and we express no opinion as to the fairness of the Acquisition to, or any consideration of, the holders of any other class of securities, creditors or other constituencies of the Company or as to the underlying decision by the Company to engage in the Acquisition. We are expressing no opinion herein as to the price at which the Company Common Stock or the Merger Partner Common Stock will trade at any future time.

We note that we were not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction.

We have acted as financial advisor to the Company with respect to the proposed Acquisition and will receive a fee from the Company for our services, a substantial portion of which will become payable only if the proposed Acquisition is consummated. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. We and our affiliates have provided investment banking and commercial banking services from time to time to Merger Partner and the Company. Such past services for the Merger Partner have included (i) acting as a participating lender in a revolving credit facility in 2003, as amended in 2005 and 2006, (ii) acting as co-manager in two senior unsecured notes offerings in 2005 and (iii) acting as manager in a cumulative redeemable preferred stock offering in 2004. Such past services for the Company have included acting as co-manager for a revolving credit facility in 2003. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities of the Company or the Merger Partner for our own account or for the accounts of customers and, accordingly, we may at any time hold long or short positions in such securities.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the Exchange Ratio in the proposed Acquisition is fair, from a financial point of view, to the holders of the Company Common Stock.
