Item 1.01 Entry Into a Material Definitive Agreement.

Credit Card Account Purchase Agreement with U.S. Bank National Association ND, d/b/a Elan Financial Services

On October 10, 2008, The Park National Bank (PNB), the national bank subsidiary of Park National Corporation (Park), executed a Credit Card Account Purchase Agreement (the Elan Purchase Agreement) with U.S. Bank National Association ND, d/b/a Elan Financial Services, a national bank (Elan). The Elan Purchase Agreement was made as of September 30, 2008.

Pursuant to the Elan Purchase Agreement, Elan purchased PNB 's unsecured credit card accounts (with the exception of certain specified ineligible accounts) (the Accounts Sold) as they existed on September 30, 2008. The Accounts Sold included accounts from each of PNB 's 12 Ohio-based banking divisions and had an outstanding principal balance of approximately \$30 million. The Accounts Sold included the PNB banking divisions ' regular credit card products, such as VISA® Classic cards, VISA® signature series cards, VISA® Gold cards and MasterCard®. The Accounts Sold did not include home-equity-based VISA® cards.

The purchase price for the Accounts Sold of \$39.3 million was based on the principal balance of the Accounts Sold, plus a premium and minus unearned program fees. Park expects to recognize a pre-tax gain resulting from the sale of the Accounts Sold of approximately \$8 million in the fourth quarter of 2008.

The description of the Elan Purchase Agreement set forth above does not purport to be complete and is qualified in its entirety by reference to the full text of the Elan Purchase Agreement, which is included with this Current Report on Form 8-K as Exhibit 2.1, and incorporated herein by reference.

Cautionary Statement: The Elan Purchase Agreement contains representations and warranties of each of the parties thereto. Certain representations and warranties may be subject to a contractual standard of materiality different from those generally applicable to shareholders, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, or for any other purpose, at the time they were made or otherwise.

Elan is a wholly-owned subsidiary of U.S. Bancorp, a financial services holding company. As previously disclosed in the Current Report on Form 8-K filed by Park on January 2, 2008, on December 28, 2007, USB Capital Funding Corp., which is also a subsidiary of U.S. Bancorp, purchased from PNB a Subordinated Debenture in the principal amount of \$25 million, which will mature on December 29, 2017.

Item 8.01 Other Events.

On October 10, 2008, Park issued a news release (the News Release) announcing the execution of the Elan Purchase Agreement. Pursuant to the Elavon Purchase Agreement, PNB sold and transferred to Elavon (i) PNB's merchant card processing business and (ii) certain miscellaneous assets utilized in connection with that business (the Merchant Transaction Processing Business). The Merchant Transaction Processing Business provides payment processing services for approximately 1,700 merchants. Park expects to recognize a pre-tax gain resulting from the sale of the Merchant Transaction Processing Business of approximately \$4.2 million in the fourth quarter of 2008.
