ANNUAL MEETING OF SHAREHOLDERS

May 15, 2003

GENERAL

This Proxy Statement and the enclosed Proxy Card are furnished in connection with the solicitation of proxies by the Board of Directors of Aztar Corporation ("Aztar" or the "Company"), to be used at the 2003 Annual Meeting of Shareholders of Aztar and at any adjournments or postponements thereof (the "Meeting"). The Meeting will be held at The Ritz Carlton Hotel, 2401 East Camelback Road, Phoenix, Arizona, on Thursday, May 15, 2003, at 11:00 a.m. This Proxy Statement, together with the accompanying Notice of Annual Meeting and Proxy Card, are being first mailed to shareholders on or about April 1, 2003.

VOTING AND REVOCABILITY OF PROXIES

March 20, 2003, has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Meeting. Only holders of shares of Aztar's common stock, par value \$.01 per share ("Common Stock"), at the close of business on that date are entitled to notice of, and to vote at, the Meeting or any adjournments or postponements thereof. As of March 20, 2003, there were 35,621,279 shares of Common Stock outstanding. Holders of Common Stock as of the close of business on the Record Date are entitled to one vote per share, subject to the provisions of the Company's Certificate of Incorporation.

Proxies solicited by the Board of Directors of the Company that are properly executed and returned to the Company will be voted at the Meeting, or at any adjournments or postponements thereof, in accordance with the directions given thereon. Executed proxies on which no directions are indicated will be voted FOR Proposal 1 (the election of the Company's nominees as directors). If any other matters are properly brought before the Meeting, the proxies solicited by the Board of Directors will be voted on such matters as determined in accordance with the judgment of the persons named thereon. Other than the election of two directors to the Board of Directors, the Board of Directors is not currently aware of any other matters to be brought before the Meeting.

The presence in person or by proxy of the holders of record of a majority of the shares of Common Stock issued and outstanding is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., where a broker does not have discretionary authority to vote the shares on a beneficial owner's behalf) will each be included in the determination of the number of shares present for quorum purposes. If a quorum is not present or represented at the Meeting, the shareholders entitled to vote, present or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the Meeting, until a quorum is present or represented. Assuming a quorum is present, directors will be elected by a plurality of the votes cast at the Meeting.

A vote FOR the Board of Directors' nominees on the accompanying Proxy Card will give the proxies named therein discretionary authority to vote with respect to the election of any person recommended by the Board of Directors as a director where the nominee is unable or unavailable to serve (an event not now anticipated).

Execution of a Proxy Card will not affect your right to attend the Meeting and to vote in person. A shareholder executing a proxy may revoke such proxy at any time before it is voted by (i) filing a written notice of revocation with the Secretary of the Company at the address provided above, (ii) filing a duly

Table of Contents

executed proxy bearing a later date or (iii) attending and voting in person at the Meeting. Attendance at the Meeting without voting thereat will not revoke a proxy previously executed and duly submitted by you.

Regardless of the number of shares of Common Stock owned, it is important that shareholders be represented by proxy or in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy Card and returning it in the enclosed postage-paid envelope.

ELECTION OF DIRECTORS OF THE COMPANY**Nominees for Election as Directors**

Pursuant to the Company's Certificate of Incorporation, the Board of Directors consists of not less than five nor more than thirteen Directors and is divided among three classes of members holding three-year staggered terms, with each class as nearly equal in number as possible. A class of two directors will be elected at the Meeting to serve until the 2006 Annual Meeting of Shareholders or until their respective successors have been elected and qualified.

The Company's Board of Directors has nominated the following two individuals to serve as directors: Linda C. Faiss and Robert M. Haddock, both of whom are currently members of the Board. Each of the Board of Directors nominees has consented to being named in this Proxy Statement and to serve as a director if elected. However, if for any reason any Board nominee should become unable or unavailable to serve as a director, the persons named in the enclosed proxy may vote with discretionary authority for a substitute. The enclosed proxy cannot be voted for a greater number of persons than two. *The Board of Directors intends to vote all of the shares for which it is given proxies, to the extent permitted thereunder, FOR the election of the Board's nominees.*

The table below includes certain information as of March 1, 2003, regarding the two nominees of the Board of Directors and also regarding the other five Directors whose terms of office will continue after the Meeting.

The options have an exercise period of ten years; however, the estimated effective option life for each person is five years from the date of the grant.

Supplemental Retirement Plans

In connection with the Restructuring, the Company assumed certain of the obligations of Ramada for a deferred compensation program designed to provide supplementary retirement benefits to certain executive officers and to certain key employees. Certain of the executive officers of the Company participated in the deferred compensation program. The maximum available benefit (payable over 15 years commencing with the participant's retirement at or after age 65) is 15% of his expected salary at age 65 (determined by assuming annual increases in salary at the time of electing to participate at the compounded rate of 6%). As a result of the Restructuring completed in 1989, participants are fully vested in their accrued benefits. The annual benefits payable upon retirement at age 65 are \$124,504 for Mr. Rubeli; \$85,944 for Mr. Haddock; \$42,069 for Mr. Armstrong; and \$40,944 for Mr. Sipek.

The Company has a Nonqualified Retirement Plan for Senior Executives to supplement the retirement income for certain executives selected at the discretion of the Board of Directors. The non-funded plan provides that such an executive upon retirement at age 65 will receive annually 50% of the average of the last five full years of compensation from the Company less any amounts received under an Aztar tax-qualified defined benefit plan and primary Social Security. The Company established a Trust, effective January 3, 2003, to provide a source of funds to assist it in meeting its obligations under the Plan. Messrs. Rubeli and Haddock are participants in the Plan and the estimated annual benefits payable upon retirement at age 65 based on actuarial assumptions are \$700,149 for Mr. Rubeli and \$499,120 for Mr. Haddock.

The Company established a second Nonqualified Retirement Plan, effective January 3, 2003, to supplement the retirement income of certain executive officers with long-term service to the Company, selected at the discretion of the Compensation and Stock Option Committee of the Board of Directors. The non-funded plan provides that such an executive upon retirement at age 65 will receive annually 35% of the average of the last five full years' salary from the Company. Messrs. Armstrong and Sipek are participants in the plan and the estimated annual benefits payable upon retirement at age 65 based on actuarial assumptions are \$76,392 for Mr. Armstrong and \$88,661 for Mr. Sipek.

Severance Agreements

In connection with the Restructuring, the Company has assumed the obligations of Ramada under the severance agreements (the Severance Agreements) with Messrs. Rubeli, Haddock, Armstrong and Sipek and certain other key employees. The Severance Agreements set forth the terms and conditions of each such executive's termination of employment with the Company following a change in control. Subsequently, the Severance Agreements were rewritten as Aztar Agreements, and Mr. Ciarfalia received a similar change in control agreement. The Severance Agreements provide for the payment of severance benefits to the executive officer if his employment is terminated either by the Company without cause (as defined) or by the executive with good reason (as defined), which includes the assignment to the executive of duties inconsistent with his prior status or a reduction in his base salary or benefits. Upon such termination with respect to any of the executives, the benefits described below would become payable to such executives.

In the case of Messrs. Rubeli and Haddock, severance benefits consist of a lump-sum cash payment, payable within 13 days after termination of employment, equal to three times the sum of the executive's annual base salary plus the average bonuses awarded to him in the three years preceding termination of employment, cash-out of outstanding options and vesting and distribution of any restricted stock. The other executive officers would receive twice the sum of their annual base salary plus average bonus, plus the other described benefits. The Company would also maintain employee insurance benefits plans in effect for the executives' continued benefit, or provide substantially equivalent benefits, for two years. Except in the case of the severance benefits of Messrs. Rubeli and Haddock, the amount of the severance benefits is limited to the amount that would be deductible by the Company under the federal tax laws. Based upon current salary levels, the appropriate lump-sum cash payment that would be payable under the Severance Agreements to Messrs. Rubeli, Haddock, Armstrong, Ciarfalia and Sipek if their employment is terminated, excluding any payment relating to stock options or restricted stock, would be \$4,406,325 for Mr. Rubeli; \$3,014,301 for Mr. Haddock; \$635,222 for Mr. Armstrong; \$579,434 for Mr. Ciarfalia, and \$579,434 for Mr. Sipek.

Compensation of Directors

Directors who are not full-time employees of the Company are each paid \$40,000 per year and are reimbursed for any expenses incurred in attending Directors' meetings. In addition, each such nonemployee Director receives a fee of \$1,500 for each Directors' meeting attended and \$1,000 for each committee meeting attended; committee chairpersons receive an additional \$750 for each committee meeting attended.

In addition, the 2000 Nonemployee Directors Stock Option Plan (the "Plan") originally provided for a grant of options to purchase 5,000 shares of common stock when a nonemployee Director is first appointed to the Board, and, thereafter, an annual grant of options to purchase 3,000 shares. The Plan was amended on December 5, 2001 to provide that incumbent nonemployee Directors would, in lieu of annual grants, receive a one-time grant, on May 10, 2002, of an option to purchase 30,000 shares of common stock, of which 6,000 shares vested immediately upon grant and, subject to continued service as a member of the Board, the remaining 24,000 shares vest in equal installments on each of the next four anniversary dates of the grant. Under the amended Plan, new nonemployee Directors will be eligible for an initial option grant, to purchase 5,000 shares of common stock (immediately vested upon grant) upon appointment to the Board and an additional one-time stock option grant, to be made on the day after the Annual Meeting of Shareholders that next follows such nonemployee Director's appointment to the Board, to purchase a number of shares to be determined by the date of that Annual Meeting as follows: 2003 - 24,000 shares; 2004 - 18,000 shares; 2005 - 12,000 shares; and 2006 - 6,000 shares respectively. Such options will fully vest by the 2006 anniversary grant date as follows: (i) 6,000 shares immediately vest upon grant and (ii) subject to continued service as member of the Board, the remaining shares vest in equal installments on each of the following anniversary dates through the 2006 anniversary date. The exercise price on all grants will equal the market price of the common stock on the grant date.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended 2002, the Compensation and Stock Option Committee (the "Compensation Committee") was comprised of Mrs. Faiss and Messrs. Burns and Rosow. Mr. Rosow had been a member of the Committee until his death on February 8, 2003. No member of the Compensation Committee of the Company's Board of Directors serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or its Compensation Committee.

THE FOLLOWING REPORT OF THE COMPENSATION COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

COMPENSATION COMMITTEE REPORT

During the Company's last fiscal year the Compensation Committee held three meetings. The functions performed by the Compensation Committee include reviewing the executive compensation programs for the senior executive officers, including their salary and bonus arrangements, and administering the Company's Stock Option and Incentive Plans, the nonqualified retirement plan(s) and the Nonemployee Directors Stock Option Plans.

Compensation Policies for the Chief Executive Officer and the Other Executive Officers

Upon the commencement of operations of Aztar, the Compensation Committee, in conjunction with outside consultants, studied various executive compensation practices of companies of a similar size and of companies in the same industry. The Compensation Committee concluded that an appropriate compensation package for the chief executive officer and the senior management group should be comprised of a base salary, an annual incentive bonus based on the Company's financial performance, and equity-related incentives. The Compensation Committee believed that such a package would compensate executives in a manner that

Table of Contents

rewarded both current performance and long-term performance and would provide the executive with a financial interest in the success of the Company similar to the interests of the Company's Shareholders.

The bonus plans are based on the degree to which the Company meets certain goals set by the Compensation Committee based on the annual profitability of the Company defined as earnings before interest, taxes, depreciation, amortization and rent. Bonuses may not exceed stated maximum percentages of base salaries (up to 90% for the chief executive officer). The Compensation Committee in its discretion may award up to the maximum bonus available to a specific officer(s) under the plan, based on subjective factors such as outstanding performance by an officer in his specific area of responsibility. Bonuses, if earned, are payable as soon as practicable after each fiscal year-end.

The executive compensation policies and procedures that were established upon the commencement of operations of the Company have remained constant. The Compensation Committee may periodically engage outside consultants to provide updated information on compensation practices in general as well as in the industry.

Based on the Company's 2002 earnings, as compared to the pre-established targets, certain levels of earnings were achieved and the bonuses were accrued as earned under the 2002 bonus plan year.

During 2002, the Compensation Committee authorized the engagement of a human resource consulting firm to review the aspects of establishing a nonqualified retirement plan for certain executive officers with long terms of service to the Company. Based on the results of the study, the Compensation Committee recommended to the Board of Directors that a plan be established. The Board of Directors adopted the plan, effective January 3, 2003.

Section 162(m) Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), generally provides that publicly held companies may not deduct compensation paid to certain of its top executive officers to the extent such compensation exceeds one million dollars per officer in any one year.

As a result of the chief executive officer's bonuses for the 1998, 1999, 2000, 2001 and 2002 bonus plan years (paid in 1999, 2000, 2001, 2002 and 2003), his 1999, 2000, 2001 and 2002 compensation exceeded the limits on deductibility set forth in Section 162(m). The Compensation Committee has not established a policy regarding compensation in excess of these limits, but will continue to review this issue.

SHAREHOLDER PROPOSALS AND OTHER MATTERS

The cost of this solicitation will be borne by the Company. The solicitation of proxies will be made primarily by mail. Regular employees of the Company may solicit proxies by telephone or telegraph or in person. Arrangements may be made with brokerage firms and other custodians, nominees and fiduciaries to send proxy materials to their principals. The Company may reimburse persons holding shares in their names or those of their nominees for their expenses in sending proxies and proxy materials to principals. In addition, the Company has retained Mellon Investor Services LLC to assist in the solicitation of proxies at an estimated cost of \$7,500.

With respect to the delivery of documents to registered holders sharing an address, the Company has not solicited registered holders for authorization to deliver only one set of the proxy statement and related documents to multiple registered holders sharing one address, and therefore has not begun delivering single sets of documents to registered holders sharing an address. The Company has reviewed with its transfer agent the feasibility of eliminating mailing of multiple sets of shareholder materials to the same address and determined that eliminating such mailings would not be cost-effective because of the minimal number of qualifying households. Note: It has been brought to the Company's attention that ADP, as part of its operating procedures for mailings to unregistered holders, has instituted householding policies via its standardized proxy card. The Company did not object.

Unless otherwise required by law or the Company's Certificate of Incorporation or By-Laws, the affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the Meeting and entitled to vote is required for approval of any matter other than the election of Directors which properly comes before the Meeting or any adjournments or postponements thereof. Under applicable Delaware law, in determining whether any such other matter has received the affirmative vote of the requisite number of shares of Common Stock, (i) abstentions will be counted and will have the same effect as a vote against such other matter, (ii) to the extent a broker does not exercise its discretionary authority provided by the applicable stock exchange rules with respect to such matter, such inaction will have the same effect as a vote against such other matter, and (iii) to the extent that applicable stock exchange rules do not provide the broker with discretionary authority with respect to such matter, broker non-votes will be excluded.

As previously disclosed, the Company's By-Laws require Shareholders who intend to nominate directors or propose new business at any Annual Meeting to provide advance notice of such intended action as well as certain additional information. This By-Law provision requires Shareholders to provide the Company with notice of their intent to nominate directors or to propose new business at an Annual Meeting not less than 60 nor more than 90 days prior to the anniversary date of the immediately preceding Annual Meeting. However, if the Annual Meeting is not held within 30 days of the anniversary date of the immediately preceding Annual Meeting, then Shareholders must provide advance notice to the Company within 10 days after notice or prior public disclosure of the Annual Meeting is given or made to Shareholders.

The Company's 2002 Annual Meeting was held on May 9, 2002, and the 2003 Annual Meeting is scheduled to be held on May 15, 2003, which is within 30 days of the anniversary date of the 2002 Annual Meeting. Accordingly, assuming the 2003 Annual Meeting is held as scheduled, notice of a proposed director nomination(s) or new business to be brought before the 2003 Annual Meeting must have been received in proper form on or after February 8, 2003, and on or prior to March 10, 2003. In addition, assuming the 2003 Annual Meeting is held as scheduled and the 2004 Annual Meeting of Shareholders is held within 30 days of May 15, 2004, notice of a proposed director nomination(s) or new business to be brought before the 2004 Annual Meeting must be received in proper form on or after February 15, 2004, and on or prior to March 16, 2004.

In accordance with federal securities laws, proposals to be submitted by Shareholders for consideration at the Company's next Annual Meeting and inclusion in the Company's 2004 Proxy Statement must be received by the Company at its executive offices in Phoenix, Arizona, not later than December 3, 2003.
