Item 8.01. Other Events.

The Bancorp Bank (the “Bank”), a wholly owned subsidiary of The Bancorp, Inc., entered into a Stipulation and Consent to the Issuance of a Consent Order (the “Order”) with the Federal Deposit Insurance Corporation (the “FDIC”) which became effective on June 5, 2014. The Bank took this action without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in the Bank’s Bank Secrecy Act (“BSA”) Compliance Program.

The Order requires the Bank to take certain affirmative actions to comply with its BSA obligations, among them: appoint a qualified BSA/OFAC officer; revise the written BSA Compliance Program; develop and implement additional policies and procedures for suspicious activity monitoring and reporting; review and enhance customer due diligence and risk assessment processes; review past account activity to determine whether suspicious activity was properly identified and reported; strengthen internal controls, including augmenting Board oversight regarding BSA activities; establish an independent testing program and develop policies and procedures to govern staffing and training for BSA compliance.

To date, the Bank has implemented multiple upgrades that address the requirements of the Order, such as the appointment of a qualified BSA/OFAC officer, increasing oversight and staffing of the BSA compliance function, improving practices and procedures to monitor and report transactions; increasing training, as well as adopting an independent testing program to ensure adherence to more effective BSA standards. Although these measures have and will increase non-interest expense including significant initial consulting fees, growth in the various lines of business should over time, should cover these expenses.

Until approval by the FDIC of a BSA Report for which the Bank has already engaged a third party, the Order places some restrictions on certain activities: the Bank will be restricted from signing and boarding new Independent Sales Organizations; the Bank will be restricted from issuing new non-benefit related reloadable prepaid card programs; and the Bank will be restricted from Originating Automated Clearing House transactions for new merchant-related payments. We do not believe that these restrictions will have a material impact on revenue.
