XL Capital Ltd Zero-Coupon Convertible Debentures Due 2021 Exchangeable for Class A Ordinary Shares of XL Capital Ltd

This Prospectus Supplement supplements information contained in that certain Prospectus dated November 29, 2001, as amended or supplemented, relating to the potential sale from time to time by the Selling Securityholders of up to \$1,010,834,000 aggregate principal amount at maturity of Zero-Coupon Convertible Debentures due 2021 (the "Debentures") of XL Capital Ltd, a Cayman Islands exempted limited company, issued in a private transaction on May 23, 2001 and Class A Ordinary Shares, par value US\$0.01 each, of XL Capital Ltd (the "Ordinary Shares"), issuable upon exchange of the Debentures. The Debentures are being offered for the account of the holders thereof or by their transferees, pledgees, donees or successors. The information contained in the table set forth in the Prospectus under the caption "Selling Securityholders" shall be deleted and replaced in its entirety with the information set forth below with respect to the Selling Securityholders, the respective principal amount at maturity of Debentures owned by the Selling Securityholders, and the respective principal amount of Debentures offered by the Selling Securityholders hereby. Unless otherwise indicated, none of the Selling Securityholders has, or within the past three years has had, any position, office or other material relationship with XL Capital Ltd or any of its affiliates. In addition, the Selling Securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their Debentures, or the Ordinary Shares issued upon exchange of their Debentures, since the date on which they provided the information regarding their Debentures, in transactions exempt from the registration requirements of the Securities Act.

Unless otherwise indicated, each Selling Securityholder is offering all Debentures beneficially owned by them pursuant to this Prospectus Supplement. No securityholder may offer their Debentures, or the Ordinary Shares issued upon exchange of their Debentures, pursuant to this Prospectus Supplement until the securityholder is named as a Selling Securityholder in this Prospectus Supplement or in another supplement to the Prospectus.

(1) Assumes conversion of all of the holder's Debentures at a conversion rate of 5.9467 Ordinary Shares per \$1,000 principal amount at maturity of the Debentures. This conversion rate is subject to adjustment, however, as described under "Description of the Debentures—Conversion Rights." As a result, the number of our Ordinary Shares issuable upon conversion of the Debentures may increase or decrease in the future. Does not include our Ordinary Shares that may be issued by us upon purchase of the Debentures by us at the option of the holder.

- (2) Calculated based on Rule 13d-3(d)(i) of the Exchange Act, using 134,168,793 Ordinary Shares outstanding as of November 9, 2001. In calculating this amount for each holder, we treated as outstanding the number of our Ordinary Shares issuable upon conversion of all of that holder's Debentures, but we did not assume conversion of any other holder's Debentures. Does not include our Ordinary Shares that may be issued by us upon purchase of the Debentures by us at the option of the holder.
- (3) Information about other selling securityholders will be set forth in prospectus supplements, if required.
- (4) Assumes that any other holders of Debentures, or any future pledgees, donees, assignees, transferees or successors of or from any such other holders of Debentures, do not beneficially own any of our Ordinary Shares other than the Ordinary Shares issuable upon conversion of the Debentures at the initial conversion rate.

All information in this Prospectus Supplement is as of January 18, 2002.
