PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD NOVEMBER 19, 2004

GENERAL INFORMATION

The enclosed Proxy is solicited by and on behalf of the Board of Directors of Alanco Technologies, Inc., an Arizona corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at 15575 North 83rd Way, Suite 3, Scottsdale, Arizona 85260, on the 19th day of November, 2004, at 10:00 a.m., Mountain Standard Time, and at any adjournment or postponement thereof. It is anticipated that this Proxy Statement and the accompanying Proxy will be mailed to the Company's shareholders on or before October 18, 2004.

The expense of soliciting proxies, including the cost of preparing, assembling and mailing this proxy material to shareholders, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made only by use of the mails; however, the Company may use the services of its Directors, Officers and employees to solicit proxies personally or by telephone without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses incurred by them in that connection.

Shares not voting as a result of a proxy not marked or marked to abstain will be counted as part of total shares voting in order to determine whether or not a quorum has been achieved at the Meeting. Shares registered in the name of a broker-dealer or similar institution for beneficial owners to whom the broker-dealer distributed notice of the Annual Meeting and proxy information and which such beneficial owners have not returned proxies or otherwise instructed the broker-dealer as to voting of their shares, will be counted as part of the total shares voting in order to determine whether or not a quorum has been achieved at the Meeting.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting unless such proxies have previously been revoked. Proxies may be revoked at any time prior to the time they are voted by: (a) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; or (b) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (c) attending the meeting and voting your proxy in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy.)

The Company's Annual Report to Shareholders for the fiscal year ended June 30, 2004, has been previously mailed or is being mailed simultaneously to the Company's shareholders, but does not constitute part of these proxy soliciting materials.

SHARES OUTSTANDING AND VOTING RIGHTS

Voting rights are vested in the holders of the Company's Common Stock and Preferred Stock. Only shareholders of record at the close of business on September 27, 2004 are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. As of September 27, 2004, the Company had 25,389,756 shares of Class A Common Stock issued and outstanding, no shares of Class B Common Stock issued and outstanding, 2,624,656 shares of Series A

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Convertible Preferred Stock issued and outstanding and 61,635 shares of Series B Convertible Preferred Stock issued and outstanding. Each Class A Common share is entitled to one vote, each Series A Convertible Preferred share is entitled to three votes (the equivalent number of common shares into which the Series A Convertible Preferred Stock is convertible), and each Series B Convertible Preferred share is entitled to thirteen votes (the equivalent number of common

1

shares into which the Series B Convertible Preferred Stock is convertible). If the number of common shares into which the preferred stock is convertible (the "common stock equivalent") is considered, the total shares eligible to vote, including the common stock and the common stock equivalent, on the record date are 34,064,979 shares, each of which is entitled to one vote on all matters to be voted upon at the Meeting, including the election of Directors. No fractional shares are presently outstanding. A majority of the Company's outstanding voting stock represented in person or by proxy shall constitute a quorum at the Meeting. The affirmative vote of a majority of the votes cast, providing a quorum is present, is necessary to approve each proposal.

Each shareholder present, either in person or by proxy, will have cumulative voting rights with respect to the election of Directors. Under cumulative voting, each shareholder is entitled to as many votes as is equal to the number of shares of Common Stock (or common stock equivalent) of the Company held by the shareholder on the Record Date multiplied by the number of directors to be elected, and such votes may be cast for any single nominee or divided among two or more nominees. The seven nominees, or such fewer number of nominees as may stand for election, receiving the highest number of votes will be elected to the Board of Directors. There are no conditions precedent to the exercise of cumulative voting rights. Unless otherwise instructed in any proxy, the persons named in the form of proxy which accompanies this Proxy Statement (the "Proxy Holders") will vote the proxies received by them for the Company's seven nominees set forth in "Election of Directors" below. If additional persons are nominated for election as directors, the Proxy Holders intend, unless otherwise instructed in any proxy, to vote all proxies received by them in such manner in accordance with cumulative voting as will assure the election of as many of the Company's nominees as possible, and, in such event, the specific nominees for whom votes will be cast will be determined by the Proxy Holders. If authority to vote for any nominee of the Company is withheld in any proxy, the Proxy Holders intend, unless otherwise instructed in such proxy, to vote the shares represented by such proxy, in their discretion, cumulatively for one or more of the other nominees of the Company.

- (1) Technology Systems International, Inc., a Nevada corporation, (TSIN) is a privately owned entity with no person or entity owning in excess of 25% of the outstanding shares. The only TSIN shareholder that we are aware of who beneficially controls 19% or more of the outstanding shares of TSIN, who could potentially own more than 5% of the outstanding Alanco common stock equivalent, is Richard C. Jones, who, to the best of our knowledge, owns 5,301,826 TSIN shares, representing 23.10% of the outstanding TSIN shares. TSIN has previously indicated their intention to distribute the 6,000,000 shares of Alanco common stock in excess of certain corporate litigation and liquidation expenses on a pro-rata basis to their shareholders; however, the shares have not been distributed as of the date of this Proxy

The 562,304 shares of Series A Convertible Preferred Stock beneficially owned by Mr. Kauffman represent 21.42% of the total Series A Convertible Preferred shares outstanding. Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation/Administration Committee, which was formed in 1995 and is comprised of Messrs. Harold Carpenter and James Hecker, who are independent directors of the Company. The Compensation/Administration Committee recommends to the Board the compensation of executive officers and serves as the Administrative Committee for the Company's Stock Option Plans. The Compensation/Administration Committee met three times during the fiscal year ended June 30, 2004.

The Board of Directors also has an Audit/Corporate Governance Committee. The Audit Committee was originally formed in 1995. In September 2004, the Board of Directors approved a name change for the committee to Audit/Corporate Governance Committee to more accurately reflect the additional duties and responsibilities of the committee as required by the Sarbanes-Oxley Act of 2002. The Audit/Corporate Governance Committee, comprised of Messrs. Harold Carpenter, James Hecker, and Thomas LaVoy, all of whom are independent non-employee directors of the Company who have significant business experience and are deemed to be financially knowledgeable, serves as a liaison between the Board and the Company's auditor. The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal controls, and the Company's processes for monitoring compliance with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its internal accounting controls. The Audit/Corporate Governance Committee is comprised of independent members as defined under the National Association of Securities Dealers listing standards. The Audit/Corporate Governance Committee met three times during the fiscal year ended June 30, 2004. All meetings held by the Board of Directors' committees were attended by each of the directors serving on such committees.

The final Board committee is the Nominating/Independent Directors Committee, which is comprised of Messrs. Harold S. Carpenter, James T. Hecker, Thomas C. LaVoy, and Donald E. Anderson, all members of the Company's Board of Directors who have been determined by the Board to meet the qualification as "independent" director as set forth in Rule 10A-3 of the Exchange Act. Per Board resolution, the Nominating/Independent Directors Committee approves all management nominations for members of the Company's Board of Directors. In addition, the Nominating/Independent Directors Committee meets in regularly scheduled executive sessions at which only the independent directors are present.

The Company's Board of Directors held three meetings during the fiscal year ended June 30, 2004, at which time all Directors were present. All current members of the Board of Directors' committees are expected to be nominated for reelection at a meeting of the Board of Directors following the annual meeting.

AUDIT/CORPORATE GOVERNANCE COMMITTEE REPORT (1)

The Audit/Corporate Governance Committee of the Board of Directors is currently comprised of three independent directors, and operates under a written charter adopted by the Board. The charter, which is periodically reviewed and reassessed for adequacy, has been revised and is attached as Exhibit A. The members of the Audit/Corporate Governance Committee are Harold S. Carpenter, a CEO with over 30 years senior management experience, James T. Hecker, an attorney and CPA, and Thomas C. LaVoy, a CPA. All three individuals are experienced in reading and understanding financial statements, and, in fact, are deemed to be financial experts as defined by audit committee requirements.

The Audit/Corporate Governance Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing an audit report or performing other audit, review or attest services for the Company. The auditor reports directly to the Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee has established "whistleblower" procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Authority to engage independent counsel and other advisors has been given to the Audit/Corporate Governance Committee as it determines is necessary to carry out its duties. The Company provides appropriate funding for the Audit/Corporate Governance Committee to compensate the outside auditors and any lawyers and advisors it employs and to fund ordinary administrative expenses of the Audit/Corporate Governance Committee that are necessary in carrying out its duties.

The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal controls, and the Company's processes for monitoring compliance by the Company with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its internal accounting controls. During the last fiscal year, there were three meetings of the Audit/Corporate Governance Committee.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit/Corporate Governance Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

The members of the Audit/Corporate Governance Committee are not professionally engaged in the practice of auditing or accounting and may not be experts in the fields of accounting or auditing, or in determining auditor independence. Members of the Audit/Corporate Governance Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit/Corporate Governance Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit/Corporate Governance Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's auditors are in fact "independent."

9

Review of Audited Financial Statements

In this context, the Audit/Corporate Governance Committee reviewed and discussed the Company's audited financial statements with management and with the Company's independent auditors. Management represented to the Audit/Corporate Governance Committee that the Company's consolidated financial statements were prepared in accordance with accounting standards of the Public Company Accounting Oversight Board (United States). Discussions about the Company's audited financial statements included the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in its financial statements. The Audit/Corporate Governance Committee also discussed with the auditors other matters required by Statement on Auditing Standards, ("SAS") No. 61 "Communication with Audit Committees," as amended by SAS No. 90, "Audit Committee Communications."

The Company's auditors provided to the Committee written disclosures required by the Independence Standards Board Standard No. 1 "Independence Discussion with Audit Committee." The Audit/Corporate Governance Committee discussed with the auditors their independence from the Company, and considered the compatibility of non-audit services with the auditor's independence.

Audit Fees

The aggregate fees billed by Semple & Cooper, LLP, the Company's independent auditor, for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended June 30, 2004 and the review of the financial statements included in the Company's Forms 10-QSB for such fiscal year were approximately \$78,500.

Financial Information Systems Design and Implementation

There were no fees billed for the professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X rendered by Semple & Cooper, LLP for the fiscal year ended June 30, 2004.

All Other Fees

Semple & Cooper, LLP billed the Company during the current fiscal year a total of approximately \$10,000 for tax preparation and tax consulting services. The Audit Committee has considered whether the provision of these services is

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

compatible with maintaining the principal accountant's independence.

Recommendation

Based on the Audit/Corporate Governance Committee's discussion with management and the auditors, and the Audit/Corporate Governance Committee's review of the representations of management and the report of the auditors to the Audit/Corporate Governance Committee, the Audit/Corporate Governance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended June 30, 2004, filed with the Securities and Exchange Commission.

Proposal No. 2 APPROVAL OF THE ALANCO 2004 STOCK OPTION PLAN

The Company's Board of Directors approved submitting the Alanco Technologies, Inc. 2004 Stock Option Plan to the shareholders for approval. The Board of Directors recommends approval of the Plan. The purpose of the Plan is to advance the business and development of the Company and its shareholders by affording to Employees of the Company the opportunity to acquire an equity interest in the Company by the grant of Options to acquire shares of the Company's common stock.

The Options granted to Employees can be either "Incentive Stock Options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or "Non-Statutory Options." The issuance of qualified Incentive Stock Options pursuant to this Plan is not expected to be a taxable event for qualified recipients until such time that the recipient elects to sell the shares received from the exercise whereupon the recipient is expected to recognize income to the extent the sale price of the shares exceeds the exercise price of the option on the date of sale. The issuance of Non-Statutory Stock Options pursuant to this Plan is not expected to result in a tax liability to the recipient since the options are granted at fair market value on date of grant. The recipient is expected to recognize income to the extent the market price of the shares exceeds the exercise price of the option on the date of exercise.

The Plan is administered by the Compensation/Administration Committee of the Board of Directors. The Plan may issue Options to acquire up to 2,000,000 shares to Employees. The Company will not receive any consideration for the grant of options under the Plan and the approximate market value of the shares to be reserved for the plan is \$2,310,000 based upon the average ten trading day closing price for the Company's common stock for the period ending September 17, 2004. The maximum number of shares subject to Incentive Stock Options granted to any one Employee which are first exercisable during any single calendar year

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

shall not exceed a fair market value of \$100,000. The exercise price for Options shall be set by the Compensation/Administrative Committee but shall not be for less than the fair market value of the shares on the date the Option is granted. Fair market value shall mean the closing price at which the Stock is listed in the NASDAQ quotation system ending on the day prior to the date an Option is granted.

The period in which Options can be exercised shall be set by the Compensation/Administration Committee not to exceed ten years from the date of Grant. Incentive Stock Options are exercisable once vested. Vesting schedule shall be as follows: twenty-five percent (25%) of the shares issuable under the Options shall vest six months from date of Grant provided that the Optionee has remained an Employee of the Company for not less than six months from date of Grant, twenty-five percent (25%) of the shares issuable under the Options shall vest one year from date of Grant provided that the Optionee has remained an Employee of the Company for not less than one year from the date of Grant, and the remaining fifty percent (50%) shall vest two years from date of Grant provided that the Optionee has remained an Employee of the Company for not less than two years from the date of Grant, or other alternative vesting as may be determined by the Compensation/Administration Committee. The Incentive Stock Options must be exercised within 3 months following Optionee's termination of relationship with the Company, or within one (1) year following death or

12

permanent and total disablement of the Optionee. Otherwise, the Incentive Stock Options shall lapse. The vesting schedule, and the exercise schedule following termination, death or total and permanent disablement of the Optionee, of Non-Statutory Stock Options will be determined by the Committee at the time of grant. The Plan may be terminated, modified or amended by the Board of Directors upon the recommendation of the Compensation/Administration Committee. Provided, however, if the Plan has been submitted to and approved by the shareholders of the Company, no such action by the Board may be taken without approval of the majority of the shareholders of the Company which: (a) increases the total number of shares of Stock subject to the Plan; (b) changes the manner of determining the Option price; or (c) withdraws the administration of the Plan from the Committee.

All Employees of the Company and its subsidiaries are eligible to participate in the Plan. An Employee is defined in the Plan as a person, including officers and directors, employed by the Company who in the judgment of the Compensation/Administration Committee has the ability to positively affect the profitability and economic well-being of the Company. Part-time employees, independent contractors, consultants and advisors performing bona fide services to the Company shall be considered employees for purposes of participation in the Plan. Neither the Board of Directors nor the Compensation/Administration Committee have estimated the number of Options to be granted to Employees and are expected to make this determination on a discretionary basis. The aggregate number of shares within the Plan and the rights under outstanding Options granted hereunder, both as to the number of shares and Option price, will be adjusted accordingly in the event of a split or a reverse split in the outstanding shares of the Common Stock of the Company.

Proposal No. 3 APPROVAL OF THE ALANCO 2004 DIRECTORS AND OFFICERS
STOCK OPTION PLAN

The Company's Board of Directors approved submitting the Alanco Technologies, Inc. 2004 Directors and Officers Stock Option Plan to the shareholders for approval. shareholders by affording to the Directors and Executive Officers of the Company the opportunity to acquire an equity interest in the Company by the grant of Options to acquire shares of the Company's common stock.

The Options granted are not "Incentive Stock Options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended. The issuance of such non-qualified options pursuant to this Plan is not expected to be a taxable event for recipient until such time that the recipient elects to exercise the option whereupon the recipient is expected to recognize income to the extent the market price of the shares exceeds the exercise price of the option on the date of exercise.

The Plan is administered by the Compensation/Administration Committee, which shall consist of up to three (3) individuals appointed by the Board from among its members, at least two (2) of which are non-employee Directors. The Plan may issue Options to acquire up to 1,000,000 shares to Directors and Executive Officers. The Company will not receive any consideration for the grant of options under the Plan and approximate market value of the shares to be reserved for the plan is \$1,155,000 based upon the average ten trading day closing price for the Company's common stock for the period ending September 17, 2004. The vesting and exercise price for Options shall be set by the Compensation/Administration Committee but shall not be for less than the fair market value of the shares on the date the Option is granted. Fair market value shall mean the closing price at which the Stock is listed in the NASDAQ quotation system ending on the day prior to the date an Option is granted. The period in which Options can be exercised shall be set by the Compensation/Administration Committee not to exceed ten years from the date of Grant. Options are exercisable once vested. The Plan may be terminated, modified or amended by the Board of Directors upon the recommendation of the Compensation/Administration Committee. Provided, however, if the Plan has been submitted to and approved by the shareholders of the Company, no such action by the Board may be taken without approval of the majority of the shareholders of the Company which: (a) increases the total number of shares of Stock subject to the Plan; (b) changes the manner of determining the Option price; or (c) withdraws the administration of the Plan from the Committee. The aggregate number of shares within the Plan and the rights under outstanding Options granted hereunder, both as to the number of shares and Option price, will be adjusted accordingly in the event of a split or a reverse split in the outstanding shares of the Common Stock of the Company.

AUDIT/CORPORATE GOVERNANCE COMMITTEE CHARTER

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

I. PURPOSE

- 1.1 There shall be a committee of the Board of Directors of Alanco Technologies, Inc. (the "Company"), known as the Audit/Corporate Governance Committee (the "Committee"). The primary purpose of the Committee is to assist the Company's Board of Directors (the "Board") in fulfilling its responsibility to oversee reports and other financial information provided by the Company to governmental or regulatory bodies (such as the Securities and Exchange Commission), the public, and other users thereof, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.
- 1.2 In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company. If necessary, the Committee is authorized to retain outside counsel, auditors, or other experts and professionals for this purpose. The Board and the Committee are in place to represent the Company's stockholders; accordingly, the outside auditors are ultimately accountable to the Board and the Committee.
- 1.3 The Committee shall review the adequacy of this Charter on an annual basis.

II. MEMBERSHIP

- 2.1 The Committee shall be comprised of not less than three members of the Board, and the Committee's composition shall meet all requirements of the Audit/Corporate Governance Committee Policy of the NASDAQ Exchange.
- 2.2 Accordingly, all of the members must be independent directors:
- (a) who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company, and
 - (b) who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee. In addition, at least one member of the Committee must have accounting or related financial management expertise.
- 2.3 The members of the Committee should be elected by the Board of Directors at its quarterly meeting held on or near the Corporation's annual meeting or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. KEY RESPONSIBILITIES

- 3.1 The Committee's job is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements. Additionally, the Committee recognizes that financial management, as well as the outside auditors, has more time, knowledge and more detailed information regarding the Company than do the Committee members. Consequently, in discharging its oversight responsibilities, the Committee is not providing any experts or special assurance as to the Company's financial

statements or any professional certificates as to the outside auditor's work.

- 3.2 While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors or to assure compliance with laws and regulations and the Company's policies.
- 3.3 The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate under the circumstances.
- (a) The Committee shall review with management and the outside auditors the audited financial statements to be included in the Company's Annual report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of Form 10-K) and review and consider with the outside auditors the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, as amended by SAS No. 90, "Audit Committee Communications."
 - (b) As a whole, or through the Committee chair, the Committee shall review with the outside auditors the Company's interim financial results to be included in the Company's Quarterly Reports on Form 10-Q to be filed with the Securities and Exchange Commission and the matters required to be discussed by SAS No. 61. Such review shall occur prior to the filing of the Company's Quarterly Reports on Form 10-Q.

- 3.5 The Committee shall:
- (a) request from the outside auditors annually a formal written statement delineating all relationships between the auditors and the Company consistent with Independence Standards Board Standard No. 1;
 - (b) discuss with the outside auditors any such disclosed relationships and their impact on the outside auditors' independence; and
 - (c) recommend that the Board take appropriate action in response to the outside auditors' report to satisfy the auditors' independence.
- 3.6 The Committee shall establish procedures for the "receipt, retention, and treatment of complaints" received by the Company regarding accounting, internal controls and auditing.
- 3.7 The Committee, subject to any action that may be taken by the full
