PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD DECEMBER 28, 2006

GENERAL INFORMATION

The enclosed Proxy is solicited by and on behalf of the Board of Directors of Alanco Technologies, Inc., an Arizona corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at 15575 North 83rd Way, Suite 3, Scottsdale, Arizona 85260, on the 28th day of December, 2006, at 10:00 a.m., Mountain Standard Time, and at any adjournment or postponement thereof. It is anticipated that this Proxy Statement and the accompanying Proxy will be mailed to the Company's shareholders on or before November 27, 2006.

The expense of soliciting proxies, including the cost of preparing, assembling and mailing this proxy material to shareholders, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made only by use of the mails; however, the Company may use the services of its Directors, Officers and employees to solicit proxies personally or by telephone without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses incurred by them in that connection.

Shares not voting as a result of a proxy not marked or marked to abstain will be counted as part of total shares voting in order to determine whether or not a quorum has been achieved at the Meeting. Shares registered in the name of a broker-dealer or similar institution for beneficial owners to whom the broker-dealer distributed notice of the Annual Meeting and proxy information and which such beneficial owners have not returned proxies or otherwise instructed the broker-dealer as to voting of their shares, will be counted as part of the total shares voting in order to determine whether or not a quorum has been achieved at the Meeting.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting unless such proxies have previously been revoked. Proxies may be revoked at any time prior to the time they are voted by: (a) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; or (b) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (c) attending the meeting and voting your proxy in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy.)

The Company's Annual Report to Shareholders for the fiscal year ended June 30, 2006, has been previously mailed or is being mailed simultaneously to the Company's shareholders and includes a copy of Form 10-KSB, which constitutes part of this proxy. All other information included in the Annual Report does not constitute part of these proxy soliciting materials.

SHARES OUTSTANDING AND VOTING RIGHTS

Effective October 16, 2006, the Company effected a 2:5 reverse stock split. All references to both number of shares and price per share of Class A Common Stock issued and outstanding, options and warrants granted, and common stock equivalent shares are presented herein on a post-split basis.

Voting rights are vested in the holders of the Company's Common Stock and Preferred Stock. Only shareholders of record at the close of business on October 30, 2006, are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. As of October 30, 2006, the Company had 15,474,995 shares of Class A Common Stock issued and outstanding, 3,549,061 shares of Series A Convertible Preferred Stock issued and outstanding and 76,890 shares of Series B Convertible Preferred Stock issued and outstanding. Each Class A Common share is entitled to one vote, each share of Series A Convertible Preferred stock is entitled to 1.2 votes (the equivalent number of common shares into which the Series A Convertible Preferred Stock is convertible), and each share of Series B Convertible Preferred stock is entitled to 5.2 votes (the equivalent number of common shares into which the Series B Convertible Preferred Stock is convertible). If the number of common shares into which the preferred stock is convertible (the "common stock equivalent") is considered, the total shares eligible to vote, including the common stock and the common stock equivalent, on the record date are 20,133,705 shares, each of which is entitled to one vote on all matters to be voted upon at the Meeting, including the election of Directors. No fractional shares are outstanding. A majority of the Company's outstanding voting stock represented in person or by proxy shall constitute a quorum at the Meeting. The affirmative vote of a majority of the votes cast, providing a quorum is present, is necessary to approve each proposal.

Each shareholder present, either in person or by proxy, will have cumulative voting rights with respect to the election of Directors. Under cumulative voting, each shareholder is entitled to as many votes as is equal to the number of shares of Common Stock (or common stock equivalent) of the Company held by the shareholder on the Record Date multiplied by the number of directors to be elected, and such votes may be cast for any single nominee or divided among two or more nominees. The seven nominees receiving the highest number of votes will be elected to the Board of Directors. There are no conditions precedent to the exercise of cumulative voting rights. Unless otherwise instructed in any proxy, the persons named in the form of proxy which accompanies this Proxy Statement (the "Proxy Holders") will vote the proxies received by them for the Company's seven nominees set forth in "Election of Directors" below. If additional persons are nominated for election as directors, the Proxy Holders intend, unless otherwise instructed in any proxy, to vote all proxies received by them in such manner in accordance with cumulative voting as will assure the election of as many of the Company's nominees as possible, and, in such event, the specific nominees for whom votes will be cast will be determined by the Proxy Holders. If authority to vote for any nominee of the Company is withheld in any proxy, the Proxy Holders intend, unless otherwise instructed in such proxy, to vote the shares represented by such proxy, in their discretion, cumulatively for one or more of the other nominees of the Company.

The following table sets forth certain information with respect to each shareholder known by Alanco to be the beneficial owner of more than 5% of the outstanding Alanco common stock or common stock equivalent as of October 30, 2006. Information regarding the stock ownership of Robert R. Kauffman, Alanco Chairman and Chief Executive Officer, Donald E. Anderson, Alanco Director, and Timothy P. Slifkin, Alanco Director and President and Chief Executive Officer of the Company's subsidiary, StarTrak Systems, LLC, is also shown in the table in the following section, Current Directors and Executive Officers.

- (1) Technology Systems International, Inc., a Nevada corporation, (TSIN) is an independent, private company, which was issued 2,400,000 shares of Alanco common stock in 2002 in connection with the acquisition of the assets of TSIN effective in June 2002. The only Form 13D filed by TSIN was filed on September 9, 2002, and indicated TSIN ownership of 2,400,000 Alanco common shares. TSIN is currently in bankruptcy proceedings and to our knowledge, no filings have been made by TSIN to adjust that initial Form 13D filing. However, based on stock transfer records and information obtained from public bankruptcy hearings, we believe the current TSIN ownership of Alanco common stock is approximately 1.8 million shares. To our knowledge, no person or entity owns enough TSIN shares that upon distribution of the Alanco shares to the TSIN shareholders such person would own in excess of 5% of Alanco. TSIN has previously indicated their intention to distribute the shares of Alanco common stock in excess of certain corporate litigation and liquidation expenses on a pro-rata basis to their shareholders; however, the shares have not been distributed as of the date of this Proxy Statement, and there is no assurance that the shares will be distributed. The address of TSIN is c/o Jill H. Ford, Trustee, P.O. Box 5845, Carefree, AZ 85377.
- (2) Donald E. Anderson is a member of the Board of Directors of Alanco Technologies, Inc. The number of shares, options and warrants owned includes The Anderson Family Trust, owner of 1,027,264 shares of Alanco Class A Common Stock, 690,157 shares of Alanco Series A Convertible Preferred Stock and 690,000 exercisable warrants (includes 400,000 warrants which require shareholder approval prior to being exercisable - see Proposal No. 4 below); Programmed Land, Inc., owner of 293,240 shares of Alanco Class A Common Stock, 506,192 shares of Alanco Series A Convertible Preferred Stock and 200,000 exercisable warrants, both of which Mr.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Anderson claims beneficial ownership; and 8,000 shares of Alanco Class A Common Stock and 122,000 exercisable options owned by Mr. Anderson. In addition to the exercisable stock options and warrants shown above, Donald Anderson also holds the following options: 15,000 options exercisable in fiscal year 2008, 25,000 options exercisable in fiscal year 2009, 25,000 options exercisable in fiscal year 2010, and 25,000 options exercisable in fiscal year 2011. The 1,196,349 shares of Series A Convertible Preferred Stock beneficially owned by Mr. Anderson represent 33.71% of the total Series A Convertible Preferred shares outstanding. Mr. Anderson's address is 11804 North Sundown Drive, Scottsdale, Arizona 85260.

- (3) In addition to the shares shown above, Robert R. Kauffman, Alanco Chairman and Chief Executive Officer, also beneficially owns 455,000 shares of TSIN stock, representing an ownership position of less than 2% of the outstanding TSIN shares. If TSIN distributes the shares of Alanco common stock owned by TSIN to TSIN shareholders on a proportionate basis, Mr. Kauffman may acquire additional shares of Alanco common stock, thereby slightly increasing his percentage of Alanco common shares owned; but due to matters as discussed in Footnote 1 above, we are unable to accurately calculate the changes to Mr. Kauffman's ownership. Included in the 1,409,000 exercisable stock options and warrants shown above are 72,000 warrants which require shareholder approval prior to being exercisable - see Proposal No. 4 below. In addition to the exercisable stock options and warrants shown above, Robert Kauffman also holds the following options: 9,000 options exercisable in fiscal year 2008, 15,000 options exercisable in fiscal year 2009, 15,000 options exercisable in fiscal year 2010, and 15,000 options exercisable in fiscal year 2011. The 768,924 shares of Series A Convertible Preferred Stock beneficially owned by Mr. Kauffman represent 21.67% of the total Series A Convertible Preferred shares outstanding. The address for Mr. Kauffman is: c/o Alanco Technologies, Inc., 15575 North 83rd Way, Suite 3, Scottsdale, Arizona 85260.

- (4) Timothy P. Slifkin is a Director of the Company as of June 30, 2006, and President and Chief Executive Officer of the Company's subsidiary, StarTrak Systems, LLC ("StarTrak"). The address for Mr. Slifkin is: c/o StarTrak Systems, LLC, 106 American Road, Morris Plains, NJ 07950.
- (5) Preferred Shares are Series A Convertible Preferred Stock, each share of which is convertible into 1.2 shares of Class A Common Stock. As of October 30, 2006, there are 3,549,061 shares of Series A Convertible Preferred Stock outstanding. The 5% owners do not own any shares of the Series B Convertible Preferred Stock.
- (6) The percentages for Class A Common Stock shown are calculated based upon 15,474,995 shares of Class A Common Stock outstanding on October 30, 2006. The percentages for Total Common Stock Equivalent are calculated based upon 20,133,705 shares outstanding on October 30, 2006.
- (7) In calculating the percentage of ownership, option and warrant shares are deemed to be outstanding for the purpose of computing the percentage of shares of common stock equivalent owned by such person, but are not deemed to be outstanding for the purpose of computing the percentage of shares of common stock equivalent owned by any other stockholders.

Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation/Administration Committee, which was formed in 1995 and is comprised of Messrs. Harold S. Carpenter and James T. Hecker, who are independent directors of the Company. The Compensation/Administration Committee recommends to the Board the compensation of executive officers and serves as the Administrative Committee for the Company's Stock Option Plans. The Compensation/Administration Committee met three times during the fiscal year ended June 30, 2006.

The Board of Directors also has an Audit/Corporate Governance Committee. The Audit Committee was originally formed in 1995. In September 2004, the Board of Directors approved a name change for the committee to Audit/Corporate Governance Committee to more accurately reflect the additional duties and responsibilities of the committee as required by the Sarbanes-Oxley Act of 2002. The Audit/Corporate Governance Committee, comprised of Messrs. Harold S. Carpenter, James T. Hecker, and Thomas C. LaVoy, all of whom are independent non-employee directors of the Company who have significant business experience and are deemed to be financially knowledgeable, serves as a liaison between the Board and the

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Company's auditor. The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal controls, and the Company's processes for monitoring compliance with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its internal accounting controls. The Audit/Corporate Governance Committee is comprised of independent members as defined under the National Association of Securities Dealers listing standards. The Audit/Corporate Governance Committee met three times during the fiscal year ended June 30, 2006. All meetings held by the Board of Directors' committees were attended by each of the directors serving on such committees with the following exceptions: Mr. Hecker and Mr. LaVoy were each absent from one meeting for each committee on which they serve.

7

The final Board committee is the Nominating/Independent Directors Committee, which is comprised of Messrs. Harold S. Carpenter, James T. Hecker, Thomas C. LaVoy, and Donald E. Anderson, all members of the Company's Board of Directors who have been determined by the Board to meet the qualification as "independent" director as set forth in Rule 10A-3 of the Exchange Act. Per Board resolution, the Nominating/Independent Directors Committee approves all management nominations for members of the Company's Board of Directors. In addition, the Nominating/Independent Directors Committee meets in regularly scheduled executive sessions at which only the independent directors are present.

The Company's Board of Directors held three meetings during the fiscal year ended June 30, 2006, at which time all Directors were present, with the exception of Mr. Hecker and Mr. LaVoy, each being absent from one Board of Directors meeting. Mr. Slifkin was appointed to the Board on June 30, 2006. All current members of the Board of Directors' committees are expected to be nominated for reelection at a meeting of the Board of Directors following the annual meeting.

Compliance with Section 16(a) of Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, Directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms furnished to the Company, or written representations that no Form 5's were required, the Company believes that as of the date of filing of this Proxy Statement, all Section 16(a) filing requirements applicable to its officers, Directors and greater than 10% beneficial owners were satisfied, with the exception of Technology Systems International, Inc., a Nevada corporation (TSIN), who, to the best of our knowledge, continues to own approximately 1.8 million shares of the Company's Class A Common Stock. TSIN is currently in Chapter 7 Bankruptcy proceedings and has not, to our knowledge, filed any current Section 16 (d) forms. Also, some reportable events were not timely reported. The names of the involved persons, the event dates, and the filing dates are as follows:

Name of Reporting Person	Reportable Event	Event Date	Date Reported

Employment Agreements and Executive Compensation

The Executive Officers of the Company are at-will employees without employment agreements with the exception of Timothy Slifkin and Thomas Robinson, executive officers of the Company's subsidiary, StarTrak Systems, LLC, acquired by Alanco effective June 30, 2006. Both Messrs. Slifkin and Robinson have employment contracts with StarTrak Systems, LLC, which pre-date the Company's acquisition of StarTrak. The contracts terminate on June 30, 2009, and specify that Mr. Slifkin is to be employed as the Executive Director of Technology and Mr. Robinson is to be employed as an Executive Vice President. However, Mr. Slifkin currently is the Chief Executive Officer of StarTrak. The contracts specify a salary of \$160,000 per year with a performance bonus of up to 20% of said base salary for both Mr. Slifkin and Mr. Robinson. The contracts require certain severance payments in the event of termination by the Company without cause, or if either officer resigns with good reason, as defined in the contracts.

Compensation of Directors

During Fiscal Year 2006, non-employee Directors were compensated for their services in cash (\$750 per meeting per day up to a maximum of \$1,500 per meeting) and through the grant of options to acquire shares of Class A Common Stock as provided by the 2004 Directors and Officers Stock Option Plan. All Directors are entitled to receive reimbursement for all out-of-pocket expenses incurred for attendance at Board of Directors meetings.

The 1996 Directors and Officers Stock Option Plan was approved by the Board of Directors on September 9, 1996. Shareholders approved the 1998, 1999, 2000, 2002, 2004, and 2005 Directors and Officers Stock Option Plans ("D&O Plans) on November 6, 1998, November 5, 1999, November 10, 2000, November 22, 2002, November 19, 2004, and January 20, 2006, respectively. The purpose of the 1996, 1998, 1999, 2000, 2002, 2004, and 2005 D&O Plans is to advance the business and development of the Company and its shareholders by affording to the Directors and Officers of the Company the opportunity to acquire a proprietary interest in the Company by the grant of Options to acquire shares of the Company's common stock. All Directors and Executive Officers of the Company are eligible to participate in the 1996, 1998, 1999, 2000, 2002, 2004, and 2005 Plans. Newly appointed Directors receive options to purchase shares of common stock at fair market value. Upon each subsequent anniversary of the election to the Board of Directors, each non-employee Director may receive an additional option to purchase shares of common stock at fair market value.

Transactions with Management

Mr. Steve Oman, a former member of the Board of Directors, received compensation in the amount of approximately \$70,200 for legal services to the Company for the fiscal year ended June 30, 2006. Mr. Oman resigned from his position on Alanco's Board of Directors on June 30, 2006, to allow for a continuing majority of independent directors on the Company's Board. Mr. Oman's resignation was not due to any disagreement with the registrant but was solely for the purpose of compliance with the Sarbanes-Oxley requirement that the Company's Board of Directors be comprised of a majority of independent members. Mr. Oman will continue as Alanco's Corporate Counsel.

Mr. Donald Anderson, a member of the Board of Directors and trustee and beneficial owner of the Anderson Family Trust, was paid interest in fiscal year 2006 under the Line of Credit Agreement in the amount of approximately \$89,500.

AUDIT/CORPORATE GOVERNANCE COMMITTEE REPORT (1)

The Audit/Corporate Governance Committee of the Board of Directors is currently comprised of three independent directors, and operates under a written charter adopted by the Board. The members of the Audit/Corporate Governance Committee are Harold S. Carpenter, a CEO with over 30 years senior management experience, James T. Hecker, an attorney and CPA, and Thomas C. LaVoy, a CPA. All three individuals are experienced in reading and understanding financial statements, and, in fact, are deemed to be financial experts as defined by audit committee requirements.

The Audit/Corporate Governance Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing an audit report or performing other audit, review or attest services for the Company. The auditor reports directly to the Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee has established "whistleblower" procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

confidential anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Authority to engage independent counsel and other advisors has been given to the Audit/Corporate Governance Committee as it determines is necessary to carry out its duties. The Company provides appropriate funding for the Audit/Corporate Governance Committee to compensate the outside auditors and any lawyers and advisors it employs and to fund ordinary administrative expenses of the Audit/Corporate Governance Committee that are necessary in carrying out its duties.

11

The Audit/Corporate Governance Committee provides general oversight of the Company's financial reporting and disclosure practices, system of internal controls, and the Company's processes for monitoring compliance by the Company with Company policies. The Audit/Corporate Governance Committee reviews with the Company's independent auditors the scope of the audit for the year, the results of the audit when completed, and the independent auditor's fee for services performed. The Audit/Corporate Governance Committee also recommends independent auditors to the Board of Directors and reviews with management various matters related to its internal accounting controls. During the last fiscal year, there were three meetings of the Audit/Corporate Governance Committee.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit/Corporate Governance Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices.

The members of the Audit/Corporate Governance Committee are not professionally engaged in the practice of auditing or accounting and may not be experts in the fields of accounting or auditing, or in determining auditor independence. Members of the Audit/Corporate Governance Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit/Corporate Governance Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit/Corporate Governance Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's auditors are in fact "independent."

Review of Audited Financial Statements

In this context, the Audit/Corporate Governance Committee reviewed and discussed the Company's audited financial statements with management and with the Company's independent auditors. Management represented to the Audit/Corporate Governance Committee that the Company's consolidated financial statements were prepared in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Discussions about the Company's audited financial statements included the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in its financial statements. The Audit/Corporate Governance Committee also discussed with the

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

auditors other matters required by Statement on Auditing Standards, ("SAS") No. 61 "Communication with Audit Committees," as amended by SAS No. 90, "Audit Committee Communications."

The Company's auditors provided to the Committee written disclosures required by the Independence Standards Board Standard No. 1 "Independence Discussion with Audit Committee." The Audit/Corporate Governance Committee discussed with the auditors their independence from the Company, and considered the compatibility of non-audit services with the auditor's independence.

Audit Fees

The aggregate fees billed by Semple & Cooper, LLP, the Company's independent auditor, for professional services rendered for the audit of the Company's annual financial statements for the fiscal years ended June 30, 2006 and 2005, the review of the financial statements included in the Company's Forms 10-QSB for such fiscal years, and other services performed for the Company by Semple & Cooper, LLP, were approximately \$158,000 and \$123,000, respectively.

Financial Information Systems Design and Implementation

There were no fees billed for the professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X rendered by Semple & Cooper, LLP for the fiscal year ended June 30, 2006.

All Other Fees

Semple & Cooper, LLP billed the Company during fiscal year 2006 and 2005 a total of approximately \$11,000 and \$10,000, respectively, for tax preparation and tax consulting services. The Audit Committee has considered whether the provision of these services is compatible with maintaining the principal accountant's independence.

12

Audit Committee Pre-Approval Policies and Procedures

The fiscal year 2006 and 2005 audit services provided by Semple & Cooper, LLP were approved by our Audit/Corporate Governance Committee. The Audit/Corporate Governance Committee implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit/Corporate Governance Committee pre-approves both the type of services to be provided by our independent accountants and the estimated fees related to these services. During the approval process, the Audit/Corporate Governance Committee considers the impact of the types of services and related fees on the independence of the auditor. These services and fees must be deemed compatible with the maintenance of the auditor's independence, in compliance with the SEC rules and regulations. Throughout the year, the Audit/Corporate Governance Committee and, if necessary, the Board of Directors, reviews revisions to the estimates of audit and non-audit fees initially approved.

Recommendation

Based on the Audit/Corporate Governance Committee's discussion with management and the auditors, and the Audit/Corporate Governance Committee's review of the representations of management and the report of the auditors to the Audit/Corporate Governance Committee, the Audit/Corporate Governance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended June 30, 2006, filed with the Securities and Exchange Commission.

Proposal No. 2

APPROVAL OF THE ALANCO 2006 STOCK OPTION PLAN

The Company's Board of Directors approved submitting the Alanco Technologies, Inc. 2006 Stock Option Plan to the shareholders for approval. The Board of Directors recommends approval of the Plan. The purpose of the Plan is to advance the business and development of the Company and its shareholders by affording to Employees of the Company the opportunity to acquire an equity interest in the Company by the grant of Options to acquire shares of the Company's common stock. The Company has no current plans to grant any options under this Plan.

The Options granted to Employees can be either "Incentive Stock Options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or "Non-Statutory Options." The issuance of qualified Incentive Stock Options pursuant to this Plan is not expected to be a taxable event for qualified recipients until such time that the recipient elects to sell the shares received from the exercise whereupon the recipient is expected to recognize income to the extent the sale price of the shares exceeds the exercise price of the option on the date of sale. The issuance of Non-Statutory Stock Options pursuant to this Plan is not expected to result in a tax liability to the recipient since the options are granted at fair market value on date of grant. The recipient is expected to recognize income to the extent the market price of the shares exceeds the exercise price of the option on the date of exercise.

The Plan is administered by the Compensation/Administration Committee of the Board of Directors. The Plan may issue Options to acquire up to 3,000,000 shares to Employees. The Company will not receive any consideration for the grant of options under the Plan and the approximate market value of the shares to be reserved for the Plan is \$3,840,000 based upon the average ten trading day closing price for the Company's common stock for the period ending October 30, 2006. The maximum number of shares subject to Incentive Stock Options granted to any one Employee which are first exercisable during any single calendar year shall not exceed a fair market value of \$100,000. The exercise price for Options shall be set by the Compensation/Administration Committee but shall not be for less than the fair market value of the shares on the date the Option is granted. Fair market value shall mean the closing price at which the Stock is listed in the NASDAQ quotation system ending on the day an Option is granted.

The period in which Options can be exercised shall be set by the Compensation/Administration Committee not to exceed ten years from the date of Grant. Incentive Stock Options are exercisable once vested. The vesting schedule shall be as follows: ten percent (10%) of the shares issuable under the Options shall vest on the Date of Grant, fifteen percent (15%) of the shares issuable under the Options shall vest one year from date of Grant provided that the Optionee has remained an Employee of the Company for not less than one year from date of Grant, twenty-five percent (25%) of the shares issuable under the Options shall vest two years from date of Grant provided that the Optionee has remained an Employee of the Company for not less than two years from the date of Grant, twenty-five percent (25%) of the shares issuable under the Options shall

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

vest three years from date of Grant provided that the Optionee has remained an Employee of the Company for not less than three years from the date of Grant, and the remaining twenty-five percent (25%) of the shares issuable under the Options shall vest four years from date of Grant provided that the Optionee has remained an Employee of the Company for not less than four years from the date of Grant, or other alternative vesting as may be determined by the Compensation/Administration Committee. The Stock Options must be exercised within three months following Optionee's termination of relationship with the Company, or within one (1) year following death or permanent and total disablement of the Optionee. Otherwise, the Incentive Stock Options shall lapse. The vesting schedule and the exercise schedule following termination, death or total and permanent disablement of the Optionee of Non-Statutory Stock Options will be determined by the Committee at the time of grant. The Plan may be terminated, modified or amended by the Board of Directors upon the recommendation of the Compensation/Administration Committee. Provided, however, if the Plan has been submitted to and approved by the shareholders of the Company, no such action by the Board may be taken without approval of the majority of the shareholders of the Company which: (a) increases the total number of shares of Stock subject to the Plan; (b) changes the manner of determining the Option price; or (c) withdraws the administration of the Plan from the Committee.

All Employees of the Company and its subsidiaries are eligible to participate in the Plan. An Employee is defined in the Plan as a person, including officers and directors, employed by the Company who in the judgment of the Compensation/Administration Committee has the ability to positively affect the profitability and economic well-being of the Company. Part-time employees, independent contractors, consultants and advisors performing bona fide services

to the Company shall be considered employees for purposes of participation in the Plan. Neither the Board of Directors nor the Compensation/Administration Committee have estimated the number of Options to be granted to Employees and are expected to make this determination on a discretionary basis. The aggregate number of shares within the Plan and the rights under outstanding Options granted hereunder, both as to the number of shares and Option price, will be adjusted accordingly in the event of a split or a reverse split in the outstanding shares of the Common Stock of the Company.

Proposal No. 3 APPROVAL OF THE ALANCO 2006 DIRECTORS AND OFFICERS
STOCK OPTION PLAN

The Company's Board of Directors unanimously approved submitting the Alanco Technologies, Inc. 2006 Directors and Officers Stock Option Plan to the shareholders for approval. The Board of Directors recommends approval of the Plan. The purpose of the Plan is to advance the business and development of the Company and its shareholders by affording to the Directors and Executive Officers of the Company the opportunity to acquire an equity interest in the Company by the grant of Options to acquire shares of the Company's common stock. The Company has no current plans to grant any options under this Plan.

The Options granted are not "Incentive Stock Options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended. The issuance of such non-qualified options pursuant to this Plan is not expected to be a taxable event for recipient until such time that the recipient elects to exercise the option whereupon the recipient is expected to recognize income to the extent the market price of the shares exceeds the exercise price of the option on the date of exercise.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

The Plan is administered by the Compensation/Administration Committee, which shall consist of up to three (3) individuals appointed by the Board from among its members, at least two (2) of which are non-employee Directors. The Plan may issue Options to acquire up to 1,000,000 shares to Directors and Executive Officers. The Company will not receive any consideration for the grant of options under the Plan and approximate market value of the shares to be reserved for the plan is \$1,280,000 based upon the average ten trading day closing price for the Company's common stock for the period ending October 30, 2006. The vesting and exercise price for Options shall be set by the Compensation/Administration Committee but shall not be for less than the fair market value of the shares on the date the Option is granted. Fair market value shall mean the closing price at which the Stock is listed in the NASDAQ quotation system ending on the day an Option is granted. The period in which Options can be exercised shall be set by the Compensation/Administration Committee not to exceed ten years from the date of Grant. Options are exercisable once vested. The Plan may be terminated, modified or amended by the Board of Directors upon the recommendation of the Compensation/Administration Committee. Provided, however, if the Plan has been submitted to and approved by the shareholders of the Company, no such action by the Board may be taken without approval of the majority of the shareholders of the Company which: (a) increases the total number of shares of Stock subject to the Plan; (b) changes the manner of determining the Option price; or (c) withdraws the administration of the Plan from the Committee. The aggregate number of shares within the Plan and the rights under outstanding Options granted hereunder, both as to the number of shares and Option price, will be adjusted accordingly in the event of a split or a reverse split in the outstanding shares of the Common Stock of the Company.

Proposal No. 4 APPROVAL OF WARRANTS ISSUED TO AFFILIATES OF THE COMPANY
TO PURCHASE CLASS A COMMON STOCK FROM THE COMPANY

Purpose of Proposal

The Company sold Units consisting of shares of the Company's Class A Common Stock or Series A Convertible Preferred Stock and Warrants to purchase additional shares of Class A Common Stock of the Company to The Anderson Family Trust of which Donald E. Anderson, Director of the Company, is a trustee and beneficial owner; Robert R. Kauffman, Chairman of the Board and Chief Executive Officer of the Company; and the Harold S. Carpenter Revocable Trust of which Harold S. Carpenter, Director of the Company, is a trustee and beneficial owner (the "Purchasers"), among others, during the period commencing April 26, 2006 through July 14, 2006. The Purchasers are affiliates as described in Rule 144 under the Securities Act of 1933, which includes any officer, director, or 10% or greater shareholder of the Company. Under the rules of NASDAQ, where the Company's Class A Common Stock is traded, certain issuances of securities to affiliates of the Company can only occur with the Company's shareholders' approval. Issuance of the Warrants issued to the affiliates requires such shareholder approval, and the Warrants are not exercisable by the Purchasers, either by agreement of the Purchasers or in accordance with the terms of the Warrants, until shareholder approval of issuance of the Warrants is obtained.

Background of Stock and Warrant Issuance

The following table indicates data concerning these sales and the relationship of each Purchaser to the Company resulting in their classification as an affiliate of the Company.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Purchaser	Sale Date	Unit Description	Unit Price	# of Units Purchased	Warrant Exercise Price
Donald E. Anderson Anderson Family Trust	4/26/2006	Common Stock and Warrant (1)	\$0.61	820,000	\$1.62
Robert R. Kauffman	7/14/2006	Preferred Stock and Warrant (2)	\$1.71	180,000	\$1.50
Donald E. Anderson Anderson Family Trust	7/14/2006	Preferred Stock and Warrant (2)	\$1.71	180,000	\$1.50
Harold S. Carpenter Harold S. Carpenter Revocable Trust	7/14/2006	Preferred Stock and Warrant (2)	\$1.71	180,000	\$1.50

- (1) Each Unit consisted of two-fifths of one share of Class A Common Stock of the Company and a Warrant to purchase two-fifths of one share of Class A Common Stock of the Company for a total purchase price of \$500,200. The Warrant to purchase 328,000 (two-fifths of 820,000) shares of Class A Common Stock is exercisable for a period of ten years following issuance at an exercise price of \$1.62 per share. A copy of the Stock and Warrant Purchase Agreement and the Warrant issued in connection with this transaction were filed as exhibits to the Company's Form 8-K filed with the SEC on May 4, 2006.
- (2) Each Unit consisted of one share of the Company's Series A Preferred Stock and a Warrant to purchase two-fifths of one share of Class A Common Stock of the Company. The Series A Preferred Stock is convertible into the Company's Class A Common Stock at a ratio of 1.2 shares of Common Stock for each share of Series A Preferred Stock. The Warrant to purchase 72,000 (two-fifths of 180,000) shares of Class A Common Stock is exercisable for a period of five years following approval by the Company's shareholders at an exercise price of \$1.50 per share. A copy of the Stock and Warrant Purchase Agreement and the Warrant issued in connection with this transaction were filed as exhibits to the Company's Form 8-K filed with the SEC on July 17, 2006.

Issuance of Warrants in addition to stock as an investment unit is a common practice of companies similar to Alanco. It allows companies to entice investors to acquire shares directly from the company rather than in the market, thereby providing needed capital for the Company. The terms of the purchases of Units purchased by the affiliates of the Company were the same as Units purchased by non-affiliates. If the Warrants are not approved by the shareholders, they will not be exercisable by the affiliates. The directors believe that such result would significantly impair the Company's ability to raise future monies from affiliates of the Company, upon whom the Company has relied heavily for needed capital in the past.

Recommendation of the Alanco Board of Directors

The Alanco Board of Directors has determined that issuance of the Warrants to the affiliates was in the best interests of Alanco and its shareholders and thereby unanimously recommends that you vote in favor of the proposal to approve the issuance of the Warrants to the affiliates.

Proposal No. 5 APPROVAL OF ISSUANCE OF CLASS A COMMON STOCK AS PAYMENT
IN LIEU OF CASH RELATED TO OBLIGATIONS INCURRED IN
CONNECTION WITH THE COMPANY'S ACQUISITION OF STARTRAK
SYSTEMS, LLC

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Purpose of Proposal

Effective June 30, 2006, the Company acquired StarTrak Systems, LLC, a Delaware limited liability company ("StarTrak"), located in Morris Plains, New Jersey. The transaction was structured as a merger between a newly formed subsidiary of the Company and StarTrak resulting in the Company owning all of the post-transaction membership interests in StarTrak, and the previous StarTrak members ("Sellers") receiving shares of the Company's Class A Common Stock and the right to receive, if approved by the Company's shareholders, additional shares of the Company's Class A Common Stock. If shareholder approval is not obtained, the Company is obligated to make a cash payment valued at the market price of the Class A Common shares that were to be issued. This proposal is not approval of the StarTrak acquisition, which has been completed; rather it is the shareholder approval required for the Company to issue shares of Class A Common Stock in lieu of cash for payment of future obligations.

17

ALTHOUGH THE STARTRAK ACQUISITION HAS OCCURRED, AND THIS VOTE WILL NOT APPROVE OR DISAPPROVE OF THAT TRANSACTION, YOU HAVE THE RIGHT TO VOTE CONCERNING WHETHER THE FUTURE CONSIDERATION TO BE PAID TO THE SELLERS WILL BE IN THE FORM OF CASH OR SHARES OF ALANCO'S CLASS A COMMON STOCK IN LIEU OF CASH. BY VOTING IN FAVOR OF PAYING FOR THE ACQUISITION IN STOCK, CERTAIN DILUTION EFFECTS WILL OCCUR AS SET FORTH BELOW. HOWEVER, IF THE ADDITIONAL CONSIDERATION IS TO BE CASH, THE COMPANY WILL HAVE TO RAISE SUCH CASH FROM LENDERS OR OTHER EQUITY ISSUANCES, WHICH COULD ALSO HAVE DILUTION EFFECTS. THERE CAN BE NO ASSURANCE THAT SUCH CASH WOULD BE AVAILABLE TO THE COMPANY.

Dilutive Effect of Transaction on Alanco Shareholders. Under the terms of the transaction, 2,000,000 shares of Alanco Class A Common Stock were issued upon the closing, and 3,280,000 shares of Alanco Class A Common Stock will be issued upon approval of the Alanco shareholders immediately following the Annual Shareholders Meeting. In addition, an undetermined number of shares of Alanco Class A Common Stock may be issued as an "earn-out" payment based upon the gross profit of StarTrak and the market value of said shares in the future as described below (see Terms of the Transaction below). Issuance of these Class A common shares may cause a dilutive effect on the value of your investment in Alanco stock.

Terms of the Transaction

Effective June 30, 2006, Alanco acquired StarTrak, which is organized as a Delaware limited liability company. The transaction was structured as a merger between a newly formed subsidiary of Alanco and StarTrak resulting in Alanco owning all of the post-transaction membership interests in StarTrak, and the Sellers receiving shares of the Company's Class A Common Stock and the right to receive in the future either cash or additional shares of the Company's Class A Common Stock.

The future consideration to be paid to the Sellers for their membership interests includes a fixed payment due following Alanco's 2006 Annual Shareholders Meeting, but not later than January 31, 2007, and potential "earn-out" payments based upon the gross profit of the StarTrak business for fiscal years ending June 30, 2007 and June 30, 2008. The fixed payment due by January 31, 2007 totals either (i) 3,280,000 shares of the Company's Class A Common Stock, or (ii) if Alanco's shareholders do not approve the issuance of said shares, then the value of such shares with the value of each share for such purpose equal to the average NASDAQ closing market price for Alanco Class A Common Stock for the five (5) trading days immediately preceding the date of Alanco's Annual Shareholders Meeting. As of October 30, 2006, based upon the

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

average NASDAQ closing market price for Alanco Class A Common Stock for the last five (5) trading days, the amount of cash to be paid to the Sellers, in lieu of Alanco common stock, would be \$4,362,400.

In addition to the fixed payment due by January 31, 2007, the Sellers have the right to receive two earn-out payments based upon the gross profits of the StarTrak business for fiscal years ending June 30, 2007 and June 30, 2008. In particular, the first earn-out payment shall be equal to twice the gross profit of StarTrak in excess of \$6,000,000 for the twelve months ended June 30, 2007, but not more than the sum of \$4,000,000 (the "2007 Earn-Out Payment"). Provided the Alanco shareholders have approved the issuance of the additional shares, the 2007 Earn-Out Payment shall be paid in the form of Alanco Common Stock valued for such purpose at the average NASDAQ closing market price for the twenty (20) trading days immediately following the filing with the Securities Exchange Commission of Alanco's form 10-KSB for such 2007 fiscal year. In the event that the Alanco shareholders have not approved the issuance of such additional shares, the 2007 Earn-Out Payment shall be paid in cash. The 2007 Earn-Out Payment shall be paid by Alanco in the form required on or before December 31, 2007.

The second earn-out payment shall be equal to twice the gross profit of StarTrak in excess of the greater of (i) \$8,000,000 or (ii) the gross profit of StarTrak for the twelve months ended June 30, 2008, but not more than the sum of \$4,000,000 (the "2008 Earn-Out Payment"). Provided the Alanco shareholders have approved the issuance of the additional shares, the 2008 Earn-Out Payment shall be paid in the form of Alanco Common Stock valued for such purpose at the average NASDAQ closing market price for the twenty (20) trading days immediately following the filing with the Securities Exchange Commission of Alanco's form 10-KSB for such 2008 fiscal year. In the event that the Alanco shareholders have not approved the issuance of such additional shares, the 2008 Earn-Out Payment shall be paid in cash. The 2008 Earn-Out Payment shall be paid by Alanco in the form required on or before December 31, 2008.

18

In addition to the consideration paid or to be paid to the Sellers, a commission is payable to Cronus Partners, LLC, the investment banking firm involved in the transaction as follows: (i) 61,406 shares of Alanco common stock issued at closing, (ii) \$150,000 paid at closing, (iii) \$150,000 paid on August 31, 2006, and (iv) \$107,000 due seven days following Alanco's 2006 Annual Shareholders Meeting, payable in cash, or at Alanco's option, in shares of Alanco common stock with each share valued for such purpose at the average NASDAQ closing market price for Alanco common stock for the five (5) trading days immediately preceding the issuance date of such stock.

Background of the Acquisition

The Company was contacted in June 2005 by Cronus Partners, LLC, an investment banker located in Norwalk, Connecticut, relative to a prospective investment in its client company, StarTrak Systems, LLC. A Confidential Disclosure Agreement between the Company and StarTrak Systems was executed on July 5, 2005 and preliminary discussions commenced with exchange of business information by both parties.

The Company and StarTrak principals primarily involved in the transaction discussions and negotiations were Robert Kauffman, CEO, and John Carlson, CFO, for the Company, and Tim Slifkin, CEO, and Tom Robinson, EVP, for StarTrak.

The initial personal meeting between the parties occurred on July 26, 2005 with Mr. Kauffman's visit to StarTrak's Morris Plains, New Jersey, headquarters and meeting with Messrs. Slifkin and Robinson. Subsequently, StarTrak's Messrs.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

Slifkin and Robinson visited Alanco corporate headquarters on August 2 and 3, 2005, and met with additional Alanco management personnel and directors. A preliminary proposal whereby Alanco would acquire StarTrak Systems, LLC was presented to Messrs. Slifkin and Robinson by the Company CEO, Mr. Kauffman. Based upon the expressed interest at the August 3rd meeting, both parties agreed to explore a possible acquisition transaction. The Company's CFO, Mr. Carlson, initiated preliminary due diligence activities with a visit to StarTrak's Morris Plains offices on August 15 and 16, 2005. The Company's Board of Directors, at its regularly scheduled meeting on October 16, 2005, reviewed and approved Management's preliminary plan to acquire StarTrak Systems, LLC.

During the period from November, 2005, to February, 2006, minimal discussions occurred between the parties pending final resolution of internal StarTrak partnership issues and the completion of audited StarTrak financial statements.

In February, 2006, the Company contracted for a StarTrak marketing due diligence survey conducted by consultant Myron Anduri, which was summarized in a report dated April 7, 2006.

Transaction negotiations between the parties recommenced with a visit to the Company's Scottsdale headquarters by Messrs. Slifkin and Robinson on April 17, 2006.

The final transaction negotiations, which resulted in mutual verbal agreement between the parties, occurred on May 17, 2006, at a meeting in the Courtyard Marriott Hotel, Newark, New Jersey, attended by the Company's Messrs. Kauffman and Carlson and StarTrak's Messrs. Slifkin and Robinson.

On June 16, 2006, the Company's Board of Directors unanimously approved a resolution to acquire 100% of StarTrak Systems, LLC in accordance with terms set forth in the Definitive Acquisition Agreement.

The Definitive Acquisition Agreement was executed by the parties on June 26, 2006, followed by the formal closing of the transaction effective June 30, 2006.

Regulatory Approvals. Alanco was not and is not aware of any pending legal proceeding relating to the acquisition. Alanco is not aware of any governmental license or regulatory permit that appears to be material to its business that might be adversely affected by Alanco's acquisition of StarTrak or of any approval or other action by any governmental, administrative or regulatory authority or agency, domestic or foreign, that is required for such acquisition.

Antitrust. Under the provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder by the Federal Trade Commission, certain acquisition transactions may not be consummated unless certain information has been furnished to the Antitrust Division of the United States Department of Justice and the FTC and certain waiting requirements have been satisfied. Because the aggregate acquisition price of the transaction was under \$50 million, the transaction was not subject to such requirements.

19

Accounting Treatment. The acquisition of assets will be accounted for using the purchase method of accounting in accordance with the provisions of SFAS 141, Business Combinations, which requires the allocation of the purchase price to the fair value of the assets acquired and the liabilities assumed by balance sheet classifications. The Company has engaged the services of an independent consultant for valuation services related to FASB 141.

Independent Appraisals and/or Opinions. Independent opinions and/or appraisals

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

have not been obtained by Alanco due to StarTrak's stage of development and the fact that a significant portion of the acquisition consideration is contingent on StarTrak achieving certain minimum gross profit results within fiscal years 2007 and 2008, which regulates the potential shares of Alanco common stock that may be issued under the Acquisition Agreement.

Interests of Certain Persons in the Acquisition, Possible Conflicts of Interest. Alanco is not aware of any possible conflicts of interest of any of its officers or directors with respect to the acquisition transaction.

Information about StarTrak

General scope of business

StarTrak, based in Morris Plains, New Jersey, is a leading provider of GPS tracking and wireless asset management services to the transportation industry and the dominant provider of tracking, monitoring and control services to the refrigerated or "Reefer" segment of the transportation marketplace. StarTrak products increase efficiency and reduce costs of the refrigerated supply chain through the wireless monitoring and control of critical Reefer data, including GPS location, cargo temperatures and Reefer fuel levels. StarTrak offers complete integrated solutions for tracking, monitoring and controlling refrigerated trailers, trucks, railcars, and containers.

The company's focus is on delivering advanced monitoring and control solutions to the mobile refrigeration market, taking advantage of its unique interactive tracking and control hardware and software and its relationship with two U. S. producers of mobile refrigeration units who dominate that market. The company's integrated product and service package provides measurable return on investment benefits to its customers through improved equipment utilization, less freight spoilage and better reporting of shipping conditions being required by regulatory authorities as well as customers. Today, StarTrak enjoys the largest market share of wireless monitoring and control equipment in the North American mobile refrigeration markets.

STARTRAK REEFER PRODUCTS/SERVICES

StarTrak's hardware is attached to the asset to which it is to track, monitor and control. The device is designed by StarTrak for the specific application and includes the Company's proprietary software. The hardware has an expected service life of approximately four years. Units are typically installed by reefer dealers and maintained at their repair facilities. The StarTrak hardware includes a GPS locator, processors, memory, interfaces to various reefer unit sensors (including temperature, fuel levels, battery load, etc.) power systems and one or several communicators. The unit provides frequent readings of various sensors, evaluates conditions, sends appropriate event notifications and receives commands over a wireless link.

StarTrak's ReeferTrak hardware and firmware is connected directly into the electronic control system of the reefer unit and collects sensory data from the microprocessor and executes commands through the microprocessor interfaces, making it the only solution that is able to both monitor and to control a reefer remotely. With this connection, StarTrak devices are able to remotely deliver information such as a discrete ID number, the reefer's location, current operational status, readings from discrete sensors such as temperature set point, actual temperature, fuel level, battery voltage, engine hours, dwell time at location and reefer state (on, off or standby). StarTrak's solution can be retrofitted to reefer units up to ten years of age.

Edgar Filing: ALANCO TECHNOLOGIES INC - Form PRE 14A

At its data center, StarTrak processes the signals received with its proprietary software and integrates it with information systems of the client, such as shipper bill of lading, asset location, specific carrier or logistics company information systems and transmits to the customer. The customer can view its information in the format and protocol that fits its normal operational requirements.

The complete StarTrak hardware, software and network solution consists of approximately 30 design elements. StarTrak's intellectual property is protected through its knowledge and integration of the entire business process and its exclusive business and technical arrangements with two U.S. producers of mobile refrigeration units. StarTrak also has some proprietary components protected by U.S. patents.

THE REEFER MARKET

StarTrak interactive tracking capability can be used on multiple asset types. However, because of its relationship with two North American reefer manufacturers, StarTrak is focusing its technology solutions on the refrigerated transportation industry. These reefers are managed by an on-board electronics control system equipped with sensors and control systems that extend inside the storage space of the trailer, container or rail car. A microprocessor in the reefer unit controls and manages the temperature of the freight by interfacing with numerous sensors, generates alarms and stores relevant data. Typically, a reefer unit is managed "locally" by a driver or yard worker who is physically present to manipulate the electronic controls manually.

We estimate that there are approximately 450,000 reefer units in service in North America. StarTrak capabilities can be retrofitted to almost any unit in service.

Recommendation of the Alanco Board of Directors

The Alanco Board of Directors has determined that it is in the best interests of Alanco and its shareholders that payment of all additional consideration to be paid to the Sellers should be paid in the form of the Company's Class A Common Stock rather than in cash and unanimously recommends that you vote in favor of the proposal to approve the issuance of the Class A Common Stock to the Sellers.
