Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. The Code of Business Conduct and Ethics is posted on our website at <http://www.emagin.com/investors>.

We intend to satisfy the disclosure requirement under Item 10 of Form 8-K regarding an amendment to, or waiver from, a provision of this Code of Business Conduct and Ethics by posting such information on our website, at the address and location specified above and, to the extent required by the listing standards of the American Stock Exchange, by filing a Current Report on Form 8-K with the SEC, disclosing such information.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than 10% of the issued and outstanding shares of eMagin common stock to file reports of initial ownership of common stock and other equity securities and subsequent changes in that ownership with the SEC and the NYSE. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2006 all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with.

General Information Concerning the Board of Directors

The Board of Directors of eMagin is classified into three classes: Class A, Class B and Class C. As of March 31, 2007, Irwin Engelman is the only Class A Director, and will hold office until the 2008 Annual Meeting of our stockholders. Paul Cronson, Admiral Thomas Paulsen, and General Stephen Seay are Class B directors who will hold office until the 2009 Annual Meeting. Claude Charles, Dr. Jacob Goldman, and Dr. KC Park are Class C directors who will hold office until the 2007 Annual Meeting. In each case, each director will hold office until his successor is duly elected or appointed and qualified in the manner provided in our Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws, or as otherwise provided by applicable law.

Our Board of Directors held 10 meetings during 2006. Our independent directors met in executive session on a periodic basis in connection with regular meetings, as well as in their capacity as members of our Audit Committee and Compensation Committee.

Compensation of Directors

Non-management directors receive options under the 2003 Stock Option Plan. Under the 2003 Plan, a grant of options to purchase 6,000 shares of common stock will automatically be granted on the date a director is first elected or otherwise validly appointed to the Board with an exercise price per share equal to 100% of the market value of one share on the date of grant. Such options granted will expire ten years after the date of grant and will become exercisable in four equal installments commencing on the date of grant and annually thereafter. In addition to the options to purchase 6,000 shares of common stock automatically granted upon joining the Board, each Director thereafter will receive an annual grant of options to purchase 1,000 shares of common stock at the fair market value as determined on the date of grant, which options will vest on December 31 in the year granted. Directors receive an additional 500 upon re-election. Directors are also granted options based on committee assignments consisting of options to purchase 500 shares per year for members of the compensation committee, 1,000 shares for the governance committee in 2006 and 1,500 shares for the audit committee. Each committee chair will receive 250 additional shares. The compensation committee is in the process of redefining Board compensation provisions for fiscal year 2006 and 2007. In addition, each non-management director is reimbursed for ordinary expenses incurred in connection with attendance at such meetings.

Audit Committee. The Audit Committee is responsible for determining the adequacy of our internal accounting and financial controls, reviewing the results of our audit performed by the independent public accountants, and recommending the selection of independent public accountants. The Audit Committee has adopted an Audit Charter, which is posted on our website at <http://www.emagin.com/investors>. During the year, the Board examined the composition of the Audit Committee in light of the adoption by The American Stock Exchange, Inc. (the "Amex") of new rules governing audit committees. Based upon this examination, Board has determined that each of the members of the Audit Committee is unrelated, an outside member with no other affiliation with us and is independent as defined by the American Stock Exchange. The Board has determined that Mr. Engelman is an "audit committee financial expert" as defined by the SEC. During 2006, the Audit Committee held 4 meetings.

Compensation Committee. The Compensation Committee determines matters pertaining to the compensation and expense reporting of certain of our executive officers, and administers our stock option, incentive compensation, and employee stock purchase plans. During 2006, the Compensation Committee held 6 meetings.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for nominating directors and for all other purposes outlined in the Governance and Nominating Committee Charter, which is posted on our website at <http://www.emagin.com/investors>. The Board has determined that each of the members of the Governance and Nominating Committee is unrelated, an outside member with no other affiliation with us and is independent as defined by the American Stock Exchange. During 2006, the Governance and Nominating Committee held 3 meetings.

Nomination of Directors

As provided in its charter and our company's corporate governance principles, the Governance and Nominating Committee is responsible for identifying individuals qualified to become directors. The Governance and Nominating Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Governance and Nominating Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chairman, and (5) third parties such as professional search firms. In evaluating potential candidates for director, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

In addition to these minimum qualifications, the Governance and Nominating Committee also takes into account when considering whether to nominate a potential director candidate the following factors:

- whether the person possesses specific industry expertise and familiarity with general issues affecting our business;
- whether the person's nomination and election would enable the Board to have a member that qualifies as an "audit committee financial expert" as such term is defined by the Securities and Exchange Commission (the "SEC") in Item 401 of Regulation S-K;
- whether the person would qualify as an "independent" director under the listing standards of the American Stock Exchange;
- the importance of continuity of the existing composition of the Board of Directors to provide long term stability and experienced oversight; and
- the importance of diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

ITEM 11. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This section describes the compensation program for our executive officers. In particular, this section focuses on our 2006 compensation program and related decisions.

Compensation Discussion and Analysis

- The objectives of our compensation program are as follows:

Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares; and

- Attract, hire and retain well-qualified executives.

The compensation level of our Chief Executive Officer (“CEO”) in general is higher than other Company executives, and reflects the CEO's unique position and incentive to positively affect our future operating performance and shareholder value. Part of the compensation of our executives is from equity compensation, primarily through stock options grants, to provide a relatively strong personal economic incentive for these executives to increase the market price of our common shares. Specific salary and bonus levels, as well as the amount and timing of equity incentive grants, are determined informally and judgmentally, on an individual-case basis, taking into consideration each executive's unique talents and experience as they relate to our needs. Specific Company performance measures as they may relate to the timing and amount of executive compensation have not yet been developed. Executive compensation is paid or granted pursuant to each executive's compensation agreement. Compensation adjustments are made occasionally based on changes in an executive's level of responsibility or on changed local and specific executive employment market conditions.

Susan. Jones entered into a revised executive employment agreement to conform to the recently established Sarbanes-Oxley requirements, in connection with her service as the Company's Chief Marketing and Strategy Officer. The agreement is effective for an initial term of three years, effective January 1, 2006. The agreement provides for an annual salary, benefits made available by the Company to its employees and eligibility for an incentive bonus pursuant to one or more incentive compensation plans established by the Company from time to time. The Company may terminate the employment of Mrs. Jones at any time with or without notice and with or without cause (as such term is defined in the agreements). If Mrs. Jones' employment is terminated without cause, or if Mrs. Jones resigns with good reason (as such term is defined in the agreements), or Mrs. Jones' position is terminated or significantly changed as result of change of control (as such term is defined in the agreements), Mrs. Jones shall be entitled to receive salary until the end of the agreement's full term or twelve months, whichever is greater, payment for accrued vacation, and bonuses which would have been accrued during the term of the agreement. If Mrs. Jones voluntarily terminates employment with the Company, other than for good reason or is terminated with cause (as such term is defined in the agreement), she shall cease to accrue salary, vacation, benefits, and other compensation on the date of the voluntary or with cause termination. The Executive Employment Agreement include other conventional terms and also contains invention assignment, non-competition, non-solicitation and non-disclosure provisions. On April 17, 2006, the parties entered into amendments to the employment agreements pursuant to which the parties clarified that the Company has agreed to pay for health benefits equivalent to medical and dental benefits provided during Mrs. Jones' full time employment until the end of the agreement's full term or twenty-four (24) months, whichever is greater.

On January 11, 2007, Dr. K.C. Park was appointed Interim Chief Executive Office, President, and a Director of the Company. On February 12, 2007, the Company entered in a Compensation Agreement (“the Agreement”) with Dr. Park. Under the Agreement, the Company has agreed to pay Dr. Park an annual base salary equal to \$300 thousand plus a quarterly increase in his base salary in the amount of \$12.5 thousand per fiscal quarter through December 31, 2007. The Company agreed to issue Dr. Park an aggregate of 250 thousand restricted shares of common stock within 10 business days of the completion of a change of control of the Company. In addition, if a change of control transaction is completed and Dr. Park is not offered a senior executive position in the new organization, the Company has agreed to pay Dr. Park three month’s salary.
