ELIGIBLE PERSONS. Officers, directors and employees of the Company and other persons expected to provide significant services to the Company are eligible to participate in the Plan. ISOs may be granted to the officers and key employees of the Company. NQSOs and other awards may be granted to the directors, officers, key employees, agents and consultants of the Company or any of its subsidiaries, provided that the Stock Option Committee finds that the value of services rendered or to be rendered to the Company is at least equal to the value of the awards being granted.

Under current law, ISOs may not be granted to any director of the Company who is not an employee, or to directors, officers and other employees of entities unrelated to the Company.

SHARES SUBJECT TO THE PLAN. Subject to anti-dilution provisions for stock splits, stock dividends and similar events, the Plan authorizes the grant of Options to purchase up to One Million (1,000,000) shares of the Company's Common Stock; provided, however, that at no time shall be granted to purchase an aggregate of more than five percent (5%) of the outstanding shares of the Company's Common Stock.

TERM OF THE PLAN. Unless previously terminated by the Board of Directors, the Plan will terminate on July 13, 2012, and no options may be granted under the Plan thereafter, but existing options will remain in effect until the options are exercised or terminated by their terms.

TERM OF OPTIONS. Each stock option must terminate no more than ten (10) years from the date it is granted (or five (5) years in the case of ISOs granted to an employee who is deemed to own in excess of ten percent (10%) of the combined voting power of the Company's outstanding equity stock). Stock options may be granted on terms providing for exercise either in whole or in part at any time or times during their restrictive terms, or only in specified percentages at the stated time periods or intervals during the term of the stock option.

OPTION EXERCISE. The exercise price of any stock option granted under the Plan is payable in full in cash, or its equivalent as determined by the Stock Option Committee. The Company may make loans available to option holders to exercise stock options evidenced by a promissory note executed by the option holder and secured by a pledge of Common Stock with a fair market value at least equal to the principal of the promissory note, unless otherwise determined by the Stock Option Committee.

AMENDMENT AND TERMINATION OF THE PLAN. The Board of Directors may, without affecting any outstanding stock options, from time to time revise or amend the Plan, and may suspend or discontinue it at any time. However, no such revision or amendment may, without stockholder approval, increase the number of shares subject to the Plan, modify the class of participants eligible to receive options granted under the Plan or extend the maximum option term under the Plan.

COMMON STOCK. The Common Stock reserved for issuance under the Plan is currently traded on the OTC Bulletin Board under the symbol BMRA.OB. The estimated per share market value of the Common Stock is approximately \$.30, based on the closing price of the Common Stock as of September 17, 2002. Based on this valuation, the One Million (1,000,000) shares reserved for issuance under the Plan have an aggregate market value of \$300,000.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES. Following is a brief summary of the principal Federal income tax consequences of awards under the Plan. This summary is not an exhaustive description and does not describe all applicable federal, state or local tax laws.

INCENTIVE STOCK OPTIONS. A Plan participant is not subject to federal income tax at the time of either the grant or the exercise of an ISO. In the year in which an ISO is exercised, however, the amount by which the fair market value of the shares of Common Stock received upon the exercise of an ISO exceeds the exercise price will constitute an adjustment to the option holder's income in computing alternative minimum taxable income. Such adjustment could result in the imposition of, or increase the amount of, the option holder's "alternative minimum tax" under the Internal Revenue Code of 1986, as amended (the "Code"). If an option holder does not dispose of such shares of Common Stock within two (2) years after the ISO was granted or one (1) year after the ISO was exercised, whichever is later (any such disposition, a "disqualifying event"), then any gain or loss recognized upon such disposition generally will be treated as long-term capital gain or loss. In such event, the Company will not receive a tax deduction on either the exercise of the ISO or on the sale of the underlying Common Stock.

If an option holder makes a "disqualifying disposition," the option holder will realize ordinary income in an amount equal to the lesser of (i) the fair market value of the Common Stock on the date the ISO is exercised minus the exercise price, or (ii) the sales price received by the option holder on the disposition of such Common Stock minus the exercise price. In such event, the Company will be entitled to a deduction in an amount equal to the ordinary income recognized by the option holder. If a sale is a disqualifying disposition, the option holder also may realize short-term or long-term capital gain or loss, if such shares constitute capital assets in an option holder's hands. The gain or loss will be measured by the difference between the fair market value of the shares on the date of exercise of the ISO and the sales price of the shares.

NON-QUALIFIED STOCK OPTIONS. No income is realized by an option holder upon the grant of an NQSO. Upon exercise of an NQSO, however, the amount by which the fair market value of the Common Stock on the date of exercise exceeds the exercise price will be taxed as ordinary income to an option holder and the Company will be entitled to a deduction in an equal amount. Such amount will not be an adjustment to income in computing alternative minimum taxable income. Upon subsequent sales of Common Stock received upon exercise of NQSO's, an option holder may realize short-term or long-term capital gain or loss, depending upon the holding period of the shares, if such shares constitute capital assets in the option holder's hands. The gain or loss will be measured by the difference between the sales price and the tax basis of the shares sold. The tax basis for this purpose will be the sum of the exercise price and the amount of ordinary income realized by the option holder as a result of such exercise.

RESTRICTED STOCK. A participant who has been awarded Restricted Stock will not realize taxable income at the time of the award, and the Company will not be entitled to a deduction at that time; provided, however, that the participant

Edgar Filing: BIOMERICA INC - Form PRE 14A

may elect to treat the value of the shares as income at the time of receipt (without regard to restrictions) by filing with the IRS (with a copy to the Company) an election under Section 83(b) of the Code no later than thirty (30) days after the issuance date. When the restrictions on the Restricted Stock lapse, the participant will have ordinary income and the Company will have a corresponding deduction. The measure of such income and deduction will be the fair market value of the shares at the time the restrictions lapse.

SARS AND PSRS. No income is realized by a holder of an SAR or PSR at the time the SAR or PSR is granted; however, upon exercise, the amount of cash or the fair market value of the shares of Common Stock received will be taxable as ordinary income to the holder thereof and the Company will be entitled to a deduction in an equal amount.

12

DEERS. A recipient of a DER award will not realize taxable income at the time of grant and the Company will not be entitled to a deduction at that time. When a dividend equivalent is paid, the participant will recognize ordinary income, and the Company will be entitled to a deduction. The measure of the income and deduction will be the amount of cash and the fair market value of the shares at the time the DER is paid.

ONE MILLION DOLLAR COMPENSATION LIMIT. The Code limits the deductibility (under certain circumstances) of compensation that exceeds One Million Dollars (\$1,000,000) annually that is paid by the Company to its president and to its four (4) most highly compensated officers (other than the president) as determined at the end of the Company's taxable year. The Code and the regulations promulgated thereunder provide certain exclusions from the amounts included in the One Million Dollar (\$1,000,000) limitation, including compensation that is "qualified performance-based compensation" within the meaning of the regulations. The Plan is intended to satisfy the requirements set forth in the regulations with respect to "qualified performance-based compensation" with respect to Options that are exercisable at an exercise price of not less than 100% of the fair market value of a share of Common Stock on the date of grant. However, if an Option is exercisable at a price less than 100% of the price of a share of Common Stock on the date of grant, the compensatory element of such NQSO (i.e., the excess of such fair market value over the exercise price) will not constitute "qualified performance-based compensation," unless the exercise of Options is contingent upon the attainment of pre-established performance goals.

MISCELLANEOUS. The Plan is not qualified under Section 401 of the Code. In addition, the Plan is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is not intended to be a funded plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO APPROVE THE 2002 STOCK INCENTIVE PLAN.

BIOMERICA, INC.

2002 STOCK INCENTIVE PLAN

ARTICLE 1. INTRODUCTION.

The Plan was adopted by the Board effective July 15, 2002. The purpose of the Plan is to promote the long-term success of the Company and the creation of stockholder value by (a) encouraging Employees, Outside Directors and Consultants to focus on critical long-range objectives, (b) encouraging the attraction and retention of Employees, Outside Directors and Consultants with exceptional qualifications and (c) linking Employees, Outside Directors and Consultants directly to stockholder interests through increased stock ownership. The Plan seeks to achieve this purpose by providing for Awards in the form of Restricted Shares or Options (which may constitute incentive stock options or nonstatutory stock options).

The Plan shall be governed by, and construed in accordance with, the laws of the State of California.

ARTICLE 2. ADMINISTRATION.

2.1 COMMITTEE COMPOSITION. The Plan shall be administered by the Committee. The Committee shall consist exclusively of two or more Outside Directors of the Company, who shall be appointed by the Board. In addition, the composition of the Committee shall satisfy:

- (a) Such requirements as the Securities and Exchange Commission may establish for administrators acting under plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act; and
- (b) Such requirements as the Internal Revenue Service may establish for outside directors acting under plans intended to qualify for exemption under Section 162(m)(4)(C) of the Code.

2.2 COMMITTEE RESPONSIBILITIES. The Committee shall (a) review management's recommendation as to the Employees, Outside Directors and Consultants who are to receive awards under the Plan, (b) determine the type, number, vesting requirements and other features and conditions of such Awards, (c) interpret the Plan and (d) make all other decisions relating to the operation of the Plan. The Committee may adopt such rules or guidelines as it deems appropriate to implement the Plan. The Committee's determinations under the Plan shall be final and binding on all persons.

2.3 COMMITTEE FOR NON-OFFICER GRANTS. The Board may also appoint a secondary committee of the Board, which shall be composed of one or more directors of the Company who need not satisfy the requirements of Section 2.1. Such secondary committee may administer the Plan with respect to Employees and Consultants who are not considered officers or directors of the Company under Section 16 of the Exchange Act or covered employees under Section 162(m)(3) of the Code, may grant Awards under the Plan to such Employees and Consultants and may determine all features and conditions of such Awards. Within the limitations of this Section 2.3, any reference in the Plan to the Committee shall include such secondary committee.

ARTICLE 3. SHARES AVAILABLE FOR GRANTS.

Edgar Filing: BIOMERICA INC - Form PRE 14A

3.1 BASIC LIMITATION. Common Shares issued pursuant to the Plan may be authorized but unissued shares or treasury shares. The aggregate number of Options and Restricted Shares awarded under the Plan shall not exceed (a) One Million (1,000,000) plus (b) the Additional Common Shares described in Sections 3.2 and 3.3. The limitations of this Section 3.1 and Section 3.2 shall be subject to adjustment pursuant to Article 9.

3.2 ANNUAL INCREASE IN SHARES. As of the first day of each calendar year, commencing with January 1, 2003, the aggregate number of Options and Restricted Shares that may be awarded under the Plan shall automatically increase by a number equal to the lesser of (a) 1.5% of the total number of Common Shares then outstanding (assuming for this purpose the conversion to common stock of any outstanding convertible securities) or (b) 500,000.

3.3 ADDITIONAL SHARES. If Options are forfeited or terminate for any other reason before being exercised, then the corresponding Common Shares shall again become available for the grant of Options or Restricted Shares under the Plan. If Restricted Shares or Common Shares issued upon the exercise of Options are forfeited, then such Common Shares shall again become available for the grant of NSOs and Restricted Shares under the Plan. The aggregate number of Common Shares that may be issued under the Plan upon the exercise of ISOs shall not be increased when Restricted Shares or other Common Shares are forfeited.

ARTICLE 4. ELIGIBILITY.

4.1 NONSTATUTORY STOCK OPTIONS AND RESTRICTED SHARES. Only Employees, Outside Directors and Consultants shall be eligible for the grant of NSOs and Restricted Shares.

4.2 INCENTIVE STOCK OPTIONS. Only Employees who are common-law employees of the Company, a Parent or a Subsidiary shall be eligible for the grant of ISOs. In addition, an Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company or any of its Parents or Subsidiaries shall not be eligible for the grant of an ISO unless the requirements set forth in section 422(c)(5) of the Code are satisfied.

ARTICLE 5. OPTIONS.

5.1 STOCK OPTION AGREEMENT. Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such option shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. Options may be granted in consideration of a reduction in the Optionee's other compensation.

5.2 NUMBER OF SHARES. Each Stock Option Agreement shall specify the number of Common Shares subject to the Option and shall provide for the adjustment of such number in accordance with Article 9. Options granted to any Optionee in a single fiscal year of the Company shall not cover more than 250,000 Common Shares, except that Options granted to a new Employee in the fiscal year of the Company in which his or her service as an Employee first commences shall not cover more than 500,000 Common Shares. The limitations set forth in the preceding sentence shall be subject to adjustment in accordance with Article 9.

5.3 EXERCISE PRICE. Each Stock Option Agreement shall specify the Exercise Price; provided that the Exercise Price under an ISO shall in no event

Edgar Filing: BIOMERICA INC - Form PRE 14A

be less than 100% of the Fair Market Value of a Common Share on the date of grant and the Exercise Price under an NSO shall in no event be less than 85% of the Fair Market Value of a Common Share on the date of grant. In the case of an NSO, a Stock Option Agreement may specify an exercise Price that varies in accordance with a predetermined formula while the NSO is outstanding.

5.4 VESTING, EXERCISABILITY AND TERM. Unless otherwise provided in the Stock Option Agreement, an Optionee's right to exercise the Option shall vest pro rata over a period of three (3) years with 25% of the Option vesting on the date of grant, and 25% of the Option vesting on each of the first, second and third anniversaries of the date of grant. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an ISO shall in no event exceed 10 years from the date of grant. A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service.

5.5 EFFECT OF CHANGE IN CONTROL. Notwithstanding Section 5.4 above, each Option shall automatically fully vest (e.g. become exercisable) as to all or part of the Common Shares subject to such Option in the event that a Change in Control (as defined in Section 15.4 below) occurs with respect to the Company, subject to the following limitations:

- (a) In the case of an ISO, the acceleration of exercisability shall not occur without the Optionee's written consent.

- (b) If the Company and the other party to the transaction constituting a Change in Control agree that such transaction is to be treated as a "pooling of interests" for financial reporting purposes, and if such transaction in fact is so treated, then the acceleration of exercisability shall not occur to the extent that the Company's independent accountants and such other party's independent accountants separately determine in good faith that such acceleration would preclude the use of "pooling of interests" accounting.

5.6 MODIFICATION OR ASSUMPTION OF OPTIONS. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding options or may accept the cancellation of outstanding options (whether granted by the Company or by another issuer) in return for the grant of new options for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, alter or impair his or her rights or obligations under such Option.

5.7 BUYOUT PROVISIONS. The Committee may at any time (a) offer to buy out for a payment in cash or cash equivalents an Option previously granted or (b) authorize an Optionee to elect to cash out the vested portion of an Option previously granted, in either case at such time and based upon such terms and conditions as the Committee shall establish.

ARTICLE 6. PAYMENT FOR OPTION SHARES.

6.1 GENERAL RULE. The entire Exercise Price of Common Shares issued upon exercise of Options shall be payable in cash or cash equivalents at the time when such Common Shares are purchased, except as follows:

- (a) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable

Edgar Filing: BIOMERICA INC - Form PRE 14A

Stock Option Agreement. the Stock Option Agreement may specify that payment may be made in any form(s) described in this Article 6.

- (b) In the case of an NSO, the Committee may at any time accept payment in any Form(s) described in this Article 6.

6.2 EXERCISE/SALE. To the extent that this Section 6.2 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or part of the Common Shares being purchased under the Plan and to deliver all or part of the sales proceeds to the Company.

6.3 EXERCISE/PLEDGE. To the extent that this Section 6.3 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Company) an irrevocable direction to pledge all or part of the Common Shares being purchased under the Plan to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company.

6.4 PROMISSORY NOTE. To the extent that this Section 6.4 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Company) a full-recourse promissory note. However, the par value of the Common Shares being purchased under the Plan, if newly issued, shall be paid in cash or cash equivalents.

6.5 OTHER FORMS OF PAYMENT. To the extent that this Section 6.5 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid in any other form that is consistent with applicable laws, regulations and rules.

ARTICLE 7. AUTOMATIC OPTION GRANTS TO OUTSIDE DIRECTORS.

7.1 INITIAL GRANTS. Each Outside Director shall receive a one-time grant of a NSO covering 20,000 Common Shares (subject to adjustment under Article 9). Such NSO shall be granted on the date when such Outside Director first joins the Board and shall become exercisable in 36 equal installments at monthly intervals over the 36-month period commencing on the date of grant.

7.2 ANNUAL GRANTS. Upon the conclusion of each regular meeting of the Company's stockholders, each Outside Director who will continue serving as a member of the Board thereafter shall receive a NSO covering an amount of Common Shares to be determined by the Board from year to year (subject to adjustment under Article 9), except that such NSO shall not be granted in the fiscal year in which the same Outside Director received the NSO described in Section 7.1. NSOs granted under this Section 7.2 shall become exercisable in full on the first anniversary of the date of grant.

7.3 ACCELERATED EXERCISABILITY. All NSOs granted to an Outside Director under this Article 7 shall become exercisable in full in the event of:

- (a) the termination of such Outside Directors service because of death, total and permanent disability or retirement at or after age 70; or
- (b) a Change in Control (as defined in Section 15.4 below) with respect to the Company, except as provided in the next following sentence. If the Company and the other party to

Edgar Filing: BIOMERICA INC - Form PRE 14A

the transaction constituting a Change in control agree that such transaction is to be treated as a "pooling of interests" for financial reporting purposes, and if such transaction in fact is so treated, then the acceleration of exercisability shall not occur to the extent that the Company's independent accountants and such other party's independent accountants separately determine in good faith that such acceleration would preclude the use of "pooling of interests" accounting.

7.4 EXERCISE PRICE. The Exercise Price under all NSOs granted to an Outside Director under this Article 7 shall be equal to 100% of the Fair Market Value of a Common Share on the date of grant, payable in one of the forms described in Sections 6.1, 6.2, 6.3 and 6.4.

7.5 TERM. Unless otherwise provided in the Stock Option Agreement, all NSOs granted to an Outside Director under this Article 7 shall terminate on the earliest of (a) the 10th anniversary of the date of grant, (b) the date 3 months after the termination of such Outside Director's service for any reason other than death or total and permanent disability or (c) the date 12 months after the termination of such Outside Director's service because of death or total and permanent disability.

7.6 AFFILIATES OF OUTSIDE DIRECTORS. The Committee may provide that the NSOs that otherwise would be granted to an Outside Director under this Article 7 shall instead be granted to an affiliate of such Outside Director. Such affiliate shall then be deemed to be an Outside Director for purposes of the Plan, provided that the service-related vesting and termination provisions pertaining to the NSOs shall be applied with regard to the service of the Outside Director.

ARTICLE 8. RESTRICTED SHARES.

8.1 RESTRICTED STOCK AGREEMENT. Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Stock Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Restricted Stock Agreements entered into under the Plan need not be identical.

8.2 PAYMENT FOR AWARDS. Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services. To the extent that an Award consists of newly issued restricted Shares, the Award recipient shall furnish consideration with a value not less than the par value of such Restricted Shares in the form of cash, cash equivalents or past services rendered to the Company (or a Parent or Subsidiary), as the Committee may determine.

8.3 VESTING CONDITIONS. Unless otherwise provided in the Restricted Stock Agreement, the Restricted Shares shall vest pro rata over a period of three (3) years with 25% of the Restricted Shares vesting on the date of grant, and 25% of the Restricted shares vesting on each of the first, second and third anniversaries of the date of grant. A Restricted Stock Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events. All Restricted shares shall become vested in the event that a Change in Control (as defined in Section 15.4) occurs with respect to the Company, except as provided in the next following sentence. If the Company and the other party to the transaction constituting a Change in Control

Edgar Filing: BIOMERICA INC - Form PRE 14A

agree that such transaction is to be treated as a "pooling of interests" for financial reporting purposes, and if such transaction in fact is so treated, then the acceleration of vesting shall not occur to the extent that the Company's independent accountants and such other party's independent accountants separately determine in good faith that such acceleration would preclude the use of "pooling of interests" accounting.

8.4 VOTING AND DIVIDEND RIGHTS. The holders of Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. A Restricted Stock Agreement, however, may require that the holders of Restricted shares invest any cash dividends received in additional Restricted Shares. Such additional Restricted Shares shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

ARTICLE 9. PROTECTION AGAINST DILUTION.

9.1 ADJUSTMENTS. In the event of a subdivision of the outstanding Common Shares, a declaration of a dividend payable in Common Shares, a declaration of a dividend payable in a form other than Common Shares in an amount that has a material effect on the price of Common Shares, a combination or consolidation of the outstanding Common Shares (by reclassification or otherwise) into a lesser number of Common Shares, a recapitalization, a spin-off or similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate in one or more of (a) the number of Options and Restricted shares available for future Awards under Article 3, (b) the limitations set forth in Section 5.2, (c) the number of NSOs to be granted to Outside Directors under Article 7; (d) the number of Common Shares covered by each outstanding Option or (e) the Exercise Price under each outstanding Option. Except as provided in this Article 9, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

9.2 DISSOLUTION OR LIQUIDATION. To the extent not previously exercised, Options shall terminate immediately prior to the dissolution or liquidation of the Company.

9.3 REORGANIZATIONS. In the event that the Company is a party to a merger or other reorganization, outstanding Options and Restricted Shares shall be subject to the agreement of merger or reorganization. Such agreement shall provide for (a) the continuation of the outstanding Awards by the Company, if the Company is a surviving corporation, (b) the assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary, (c) the substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards, (d) full exercisability or vesting and accelerated expiration of the outstanding Awards or (e) settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such Awards.

ARTICLE 10. DEFERRAL OF DELIVERY OF SHARES.

The Committee (in its sole discretion) may permit or require an Optionee to have Common Shares that otherwise would be delivered to such Optionee as a result of the exercise of an Option converted into amounts credited to a deferred compensation account established for such Optionee by the Committee as an entry on the Company's books. Such amounts shall be determined by reference to the Fair Market Value of such Common Shares as of the date when they otherwise would have been delivered to such Optionee. A deferred compensation account established under this Article 10 may be credited with interest or other forms of investment return, as determined by the Committee. An

Edgar Filing: BIOMERICA INC - Form PRE 14A

Optionee for whom such an account is established shall have no rights other than those of a general creditor of the Company. Such an account shall represent an unfounded and unsecured obligation of the Company and shall be subject to the terms and conditions of the applicable agreement between such Optionee and the Company. If the conversion of Options is permitted or required, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such conversion, including (without limitation) the settlement of deferred compensation accounts established under this Article 10.

ARTICLE 11. AWARDS UNDER OTHER PLANS.

The Company may grant awards under other plans or programs. Such awards may be settled in the form of Common Shares issued under this Plan. Such Common Shares shall be treated for all purposes under the Plan like Restricted Shares and shall, when issued, reduce the number of Common Shares available under Article 3.

ARTICLE 12. LIMITATION ON RIGHTS.

12.1 RETENTION RIGHTS. Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain an Employee, Outside Director or Consultant. The Company and its Parents, Subsidiaries and Affiliates reserve the right to terminate the service of any Employee, Outside Director or Consultant at any time, with or without cause, subject to applicable laws, the Company's certificate of incorporation and by-laws and a written employment agreement (if any).

12.2 STOCKHOLDERS' RIGHTS. A Participant shall have no dividend rights, voting rights or other rights as a stockholder with respect to any Common Shares covered by his or her Award prior to the time when a stock certificate for such Common Shares is issued or, in the case of an Option, the time when he or she becomes entitled to receive such Common Shares by filing a notice of exercise and paying the Exercise Price. No adjustment shall be made for cash dividends or other rights for which the record date is prior to such time, except as expressly provided in the Plan.

12.3 REGULATORY REQUIREMENTS. Any other provision of the Plan notwithstanding, the obligation of the Company to issue Common Shares under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Company reserves the right to restrict, in whole or in part, the delivery of Common Shares pursuant to any Award prior to the satisfaction of all legal requirements relating to the issuance of such Common Shares, to their registration, qualification or listing or to an exemption from registration, qualification or listing.

ARTICLE 13. WITHHOLDING TAXES.

13.1 GENERAL. To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any Common Shares or make any cash payment under the Plan until such obligations are satisfied.

ARTICLE 14. FUTURE OF THE PLAN.

14.1 TERM OF THE PLAN. The Plan, as set forth herein, shall become effective on _____, 2002. The Plan shall remain in effect until it is terminated under Section 14.2, except that no ISOs shall be granted on or after
