Item 8.01 Other Events.

On January 21, 2016, Triumph Group, Inc. (the “Registrant”) became aware of the announcement by The Boeing Company (“Boeing”) that Boeing will lower the production rate on the 747-8 program to match supply with near-term demand in the cargo market. While the Registrant is assessing the impact of this rate reduction, it is premature to speculate on such impact at this time. The Registrant will be working with Boeing over the next several weeks regarding the timing of the implementation of the rate reduction, as well as the timing related to the previously announced transition of the 747-8 program.
