PROXY STATEMENT

This Proxy Statement is being sent to shareholders on or about April 16, 2003, in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders of Old Dominion Freight Line, Inc. (the Company), to be held on Monday, May 19, 2003, and at any adjournment thereof.

GENERAL

The accompanying Proxy is solicited by and on behalf of our Board of Directors, and the entire cost of such solicitation will be borne by us. In addition to solicitation by mail, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy material to their principals, and we will reimburse them for their reasonable expenses in so doing.

The Board of Directors has fixed March 31, 2003 as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. On March 31, 2003, there were 10,692,264 outstanding shares of Common Stock of the Company, each entitled to one vote.

The presence in person or by proxy of a majority of the shares of Common Stock outstanding on the record date constitutes a quorum for purposes of conducting business at the meeting. Shareholders do not have cumulative voting rights in the election of directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect, although they will be counted for purposes of establishing the presence of a quorum. Under the rules of the New York Stock Exchange, Inc., brokers who hold shares in street name for customers have authority to vote on certain items when they have not received instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote on the election of directors.

Where a choice is specified on any Proxy as to the vote on any matter to come before the meeting, the Proxy will be voted in accordance with such specification. If no specification is made but the Proxy is properly signed, the shares represented thereby will be voted in favor of each proposal. Such proxies, whether submitted by shareholders of record or by brokers holding shares in street name for their customers (broker non-votes), will be voted in favor of nominees for directors. Broker non-votes will not be counted either way in voting on other matters (where direction of beneficial owners is required) and, therefore, will have the effect of negative votes.

Any shareholder submitting the accompanying Proxy has the right to revoke it by notifying the Secretary of the Company in writing at any time prior to the voting of the Proxy. A Proxy is suspended if the person giving the Proxy attends the meeting and elects to vote in person.

Management is not aware that any matters, other than those specified above, will be presented for action at the meeting, but, if any other matters do properly come before the meeting, the persons named as agents in the Proxy will vote upon such matters in accordance with their best judgment.

ELECTION OF DIRECTORS

Our bylaws provide that the number of directors shall be not less than five nor more than nine. The Board of Directors has determined that the number of directors should increase from seven to nine in 2003 to increase the number of independent directors on our Board as required by the Sarbanes-Oxley Act of 2002 and to address other proposed rule changes of the Securities and Exchange Commission and the Nasdaq Stock Market. Unless authority is withheld, it is intended that Proxies received in response to this solicitation will be voted in favor of the nominees. SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

Stock Options

Our Board of Directors and shareholders have approved and adopted the 1991 Employee Stock Option Plan of Old Dominion Freight Line, Inc. (the Option Plan), for the benefit of key employees. The Option Plan covers 250,000 shares of our Common Stock. The Option Plan provides for the granting of stock options that qualify as incentive stock options pursuant to Section 422 of the Internal Revenue Code as well as nonqualified options. The exercise of a nonqualified stock option will result in compensation income equal to the difference between the option price and the fair market value of the stock acquired upon the exercise. Earl E. Congdon and John R. Congdon are not eligible to participate in the Option Plan.

The Option Plan does not allow any options to be granted after August 31, 2001; therefore, no options were granted in 2002.

Options to purchase 224,000 shares under the Option Plan have been granted. As of March 31, 2003, there are options outstanding covering 13,000 shares of Common Stock at the exercise price of \$19.25 per share, 9,000 shares at the exercise price of \$19.00 per share and 6,000 shares at the exercise price of \$10.00 per share. Compensation of Directors

Each of the Company's outside directors receives an annual retainer of \$12,000 plus \$1,500 for each meeting attended, including Board meetings and meetings of committees of the Board of Directors not held in conjunction with a meeting of the Board. Such directors also receive reimbursement of expenses incurred as a director. Directors who are also officers of the Company receive no such fees or expense reimbursement.

Report of Compensation Committee

The Compensation Committee (the "Committee") is responsible for conducting an annual review of the Company's compensation plan for its executive officers, including an evaluation of the components of the plan, the standards of performance measurement and the relationship between performance and compensation. The Committee reviews the compensation of each executive officer and makes specific recommendations to the Board of Directors based on factors that include the individual officer's performance, the ability of the Company to attract and retain qualified, experienced personnel and whether the plan provides appropriate motivation to achieve goals outlined by the Board of Directors.

In determining the base salary for Earl E. Congdon, the Company's Chief Executive Officer, the Committee considered factors including Mr. Congdon's tenure with the Company, his leadership in the industry and comparisons of compensation with other chief executive officers of companies of similar size and responsibility, which was obtained from public sources. The Committee also considered the Company's recent financial performance and financial strength, achieved in a relatively difficult operating environment, and the Company's prospects for future growth and profitability.

The incentive bonus for the Chief Executive Officer is based upon the Company's profitability, a program that has been in place for many years, and the Committee believes that this is a fair measure of executive bonus compensation. The bonus is based upon a percentage, determined by the Committee, of pre-tax profits. In 2000, the Committee reduced the percentage of pre-tax profits used in determining the incentive bonus for many of the participants in the plan, including the Chief Executive Officer. The decision to revise and reduce the incentive bonus plan was based upon the Committee's projections of future profitability and its objective of compensating its senior employees with a balance of competitive salaries and bonus incentives. The salary and bonus amounts for 2002, 2001 and 2000 are reflected in the Summary Compensation Table. Both the base salary and the incentive bonus are evaluated in determining overall compensation. The Chief Executive Officer is not eligible to receive options under the Company's Option Plan.

The base salary for all other officers is based upon the experience and qualifications of each officer, with the additional objective of remaining competitive in the industry in recruiting and retaining a well-qualified, effective management team. The incentive bonus for officers is determined by the Compensation Committee and is based upon the same criteria as the Chief Executive Officer, the performance of the Company as measured by its profitability. No stock options were granted to any individual in 2002.

Section 162(m) of the Internal Revenue Code (the "Code") generally limits amounts that can be deducted for compensation paid to executives to \$1 million, unless certain requirements are met. No

executive received compensation in excess of \$1 million in 2002; therefore, there were no compensation amounts that would be deemed nondeductible for us under Section 162(m) of the Code. The Committee will continue to monitor the applicability of this section of the Code to our compensation program each year.

John R. Congdon

Compensation Committee Interlocks and Insider Participation

Earl E. Congdon, Chairman of the Board of the Company and its Chief Executive Officer, and John R. Congdon, Vice Chairman of the Board, are members of the Compensation Committee. Mr. Holscher, the Chairman of the Compensation Committee, is not an employee of the Company and receives no compensation other than directors' fees from the Company.

Greensboro Service Center Purchase

On October 15, 2002, we purchased a 116-door service center facility located in Greensboro, North Carolina for \$6,000,000 from an irrevocable trust created for the benefit of the families of Earl E. Congdon, our Chief Executive Officer and Chairman of our Board of Directors, and John R. Congdon, Vice Chairman of our Board of Directors. Prior to that date, the property was leased to us on a month-to-month basis for \$31,705 per month.

We had originally planned to enter into an arrangement to complete an expansion of this service center and enter into a long-term lease. However, we determined that it was in our best interest to purchase this facility because the cost of the expansion to 229 doors on additional acreage made continued leasing undesirable and because we generally prefer ownership to leasing our service centers when conditions warrant.

In determining the value of the facility, we considered the value of the land, the cost of improvements we have made to the land, including construction of a new building, and other matters. We then applied a method of depreciation to arrive at a purchase price. In addition, we obtained an appraisal of the facility by a nationally recognized real estate brokerage company specializing in the trucking industry. The appraisal was based on the depreciated construction cost of a similar facility and the value of a similar parcel of land.

Transactions with Old Dominion Truck Leasing, Inc.

Edgar Filing: OLD DOMINION FREIGHT LINE INC/VA - Form DEF 14A

Old Dominion Truck Leasing, Inc. (Leasing), a North Carolina corporation whose voting stock is owned by the Earl E. Congdon Intangibles Trust, David S. Congdon, Trustee (38.2%), John R. Congdon Revocable Trust (38.2%) and members of Earl E. Congdon s and John R. Congdon s families (23.6%), is engaged in the business of purchasing and leasing tractors, trailers and other vehicles. John R. Congdon is Chairman of the Board of Leasing, and Earl E. Congdon is Vice Chairman of the Board. Since 1986, we have combined our requirements with Leasing for the

-11-

purchase of tractors, trailers, equipment, parts, tires and fuel. We believe that, by combining our requirements, we are often able to obtain pricing discounts because of the increased level of purchasing. While this is beneficial to us, our management believes that the termination of this relationship would not have a material adverse impact on our financial results.

For the years ended December 31, 2002, 2001 and 2000, we charged Leasing \$14,000, \$11,000 and \$15,000, respectively, for vehicle repair, maintenance and other services, which we provide to Leasing at cost. In addition, we charged Leasing \$12,000 annually in 2002, 2001 and 2000, for rental of a vehicle maintenance facility located in Chesapeake, Virginia.

We purchased \$297,000, \$287,000 and \$244,000 of maintenance and other services from Leasing in 2002, 2001 and 2000, respectively. We believe that the prices we pay for such services are lower than would be charged by unaffiliated third parties for the same quality of work, and we intend to continue to purchase maintenance and other services from Leasing, provided that Leasing's prices continue to be favorable to us. In addition, Leasing has a right of first refusal for our future tractor and trailer leases, exercisable on the same terms offered to us by third parties. We did not lease any equipment from Leasing in 2002, but we paid Leasing \$8,000 and \$4,000 for short-term tractor rentals in 2001 and 2000, respectively.

On January 4, 2002, we purchased 91 1997 model pickup and delivery trailers from Leasing for an aggregate purchase price of \$774,000.

Transactions with E & J Enterprises

Earl E. Congdon and John R. Congdon are each 50% owners of E & J Enterprises (E & J), a Virginia general partnership that leases trailers to the Company. Pursuant to a lease agreement dated August 1, 1991 and as subsequently amended, the Company leased 163 trailers from E & J for a monthly rental rate in 2002 of \$33,415. The lease provides that we are responsible for insurance coverage, maintenance and repairs to the trailers, which are approximately 20 years old. On July 29, 2002, our Board of Directors approved the purchase of these trailers for \$1,200 each, or a total of \$195,600. We continued to rent these trailers under the month-to-month basis provided in the amended lease until the purchase was completed, and the final group of trailers was purchased in March 2003. We purchased these trailers because their age and condition made ownership more economical. In determining the value of the trailers, we considered published prices of comparable trailers.

Also on July 29, 2002, our Board of Directors approved the leasing of 150 1995 model pickup and delivery trailers from E & J on a month-to-month basis for \$204 per month for each trailer. We chose to lease these trailers because recent increases in tonnage and shipments require us to increase capacity, and leasing trailers provides greater flexibility than purchasing to respond to fluctuations in tonnage and shipments. In determining the lease values, we considered published lease prices by national leasing companies.

The total amount paid for trailer leases under both of our trailer lease agreements was \$387,000, \$401,000 and \$401,000 for 2002, 2001 and 2000, respectively.

In December 1988, the Company sold to E & J certain tracts of unimproved land and a vacant service center facility in exchange for a non-interest-bearing receivable in the amount of \$579,798. E & J has repaid the amount outstanding under the receivable as parcels of the property have been sold. As of December 31, 2002, the amount outstanding on the receivable was \$195,677.

Any extensions, modifications or renewals of existing transactions with such persons must be approved, in advance, by the Audit Committee and must be on terms no less favorable to the Company than the terms that could be obtained in a similar transaction with an unaffiliated party.

REPORT OF AUDIT COMMITTEE

Edgar Filing: OLD DOMINION FREIGHT LINE INC/VA - Form DEF 14A

The Audit Committee is comprised of three directors who are considered independent or whom the Board has determined to be independent under applicable Nasdaq rules. The Audit Committee

oversees our financial reporting process on behalf of the Board of Directors and operates under a written charter adopted on April 24, 2000. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and under Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. In addition, the Audit Committee has discussed with the independent auditors their independence from management and the Company, including the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with our internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting.

The Audit Committee has also reviewed transactions between the Company and entities in which our officers or directors or their affiliates have material interests and has determined that such existing transactions are fair to the Company. Any new transactions with officers, directors or their affiliates, and any extensions, modifications or renewals of existing transactions with such persons must be approved in advance by the Audit Committee as being on terms no less favorable to the Company than the terms that could be obtained in a similar transaction with an unaffiliated party.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

Franz F. Holscher
