Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 3, 2013, at the Nu Skin Enterprises, Inc. (the "Company") 2013 Annual Meeting of Shareholders (the "Annual Meeting"), the Company's shareholders adopted and approved the Amended and Restated Nu Skin Enterprises, Inc. 2010 Omnibus Incentive Plan (the "Amended and Restated 2010 Plan"), which previously had been approved by the Company's Board of Directors and Compensation Committee, subject to shareholder approval. The Amended and Restated 2010 Plan amends the Nu Skin Enterprises, Inc. 2010 Omnibus Incentive Plan primarily as follows:

1. Share Reserve. As of December 31, 2012, 743,088 shares of our common stock had been issued under the 2010 Omnibus Incentive Plan, 4,466,678 shares were reserved for issuance for outstanding awards and 462,150 shares had reverted to the share reserve due to terminations and expirations. Accordingly, only 2,252,384 shares were available for future grants of awards as of such date. The share authorization net increase of 3,247,616 shares (resulting in a total available reserve of 5,500,000 shares for new awards as of the effective date, less grants made since December 31, 2012), will help us to have a sufficient reserve of common stock available under the Amended and Restated 2010 Plan to allow us to continue to provide equity incentives to our executive officers and employees at a competitive level.

2. Share Counting. The share counting methodology that we will use under the Amended and Restated 2010 Plan is different from that previously used. In particular, under the prior version of the 2010 Omnibus Incentive Plan each share of our common stock granted subject to an award other than a stock option or stock appreciation right counted against the aggregate 2010 Omnibus Incentive Plan limit as 2.4 shares, even though only one share was actually granted. Under the Amended and Restated 2010 Plan, each share of our common stock that is subject to an award other than a stock option or stock appreciation right granted after December 31, 2012 will count against the aggregate Amended and Restated 2010 Plan limit as 2.6 shares. In addition, adjustments to the share reserve for tax related share withholdings are modified by the Amended and Restated 2010 Plan.

3. Change in Control Definition. The Amended and Restated 2010 Plan contains a provision that generally prohibits award agreements from providing that a change in control will occur until consummation or effectiveness of a change in control and may not provide that a change in control will occur upon the announcement, commencement, stockholder approval or other potential occurrence of any event or transaction that, if completed, would result in a change in control. In addition, the change in control definition was amended by replacing the reference to 100% in Section 11.3(c) of the Amended and Restated 2010 Plan with the phrase "at least 90%."

4. Increase in Cash Performance Awards. The maximum dollar value that may be earned by any participant for each 12 months in a performance period with respect to performance awards that are intended to comply with the performance-based exception under Internal Revenue Code Section 162(m) and are denominated in cash will be increased from \$3,000,000 to \$4,000,000.

5. Automatic Exercise of Stock Options and SARS. The terms of stock options and stock appreciation rights was amended to provide that any outstanding in-the-money stock options or stock appreciation rights will be automatically exercised on the last day of the term of such awards, unless otherwise set forth in an award agreement.

6. Termination Date. The termination date was extended to the tenth anniversary of the effective date of the Amended and Restated 2010 Plan, which will be June 3, 2023.

The above description of the Amended and Restated 2010 Plan is qualified in its entirety by reference to the full text of the Amended and Restated 2010 Plan, a copy of which is attached hereto as Exhibit 10.1 and incorporated by

reference herein. A more detailed summary of the Amended and Restated 2010 Plan can be found in the Company's proxy statement for the Annual Meeting filed with the Securities and Exchange Commission on April 30, 2013.

Item 5.07 Submission of Matters to a Vote of Security Holders.

The following proposals were approved by the Company's stockholders at the Annual Meeting:

- The election of a Board of Directors consisting of eight directors to serve until the next annual meeting of stockholders or until their successors are duly elected and qualified;
- The advisory approval of the Company's executive compensation;
