Edgar Filing: APOGEE TECHNOLOGY INC - Form S-8

Title of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (3)	Proposed maximum aggregate offering price (3)	Amount of registration fee
Common Stock, \$.01 par value	500,000 (2)	\$10.50	\$5,250,000	\$425.00

- (1) The number of shares of Common Stock, \$.01 par value per share ("Common Stock") stated above consists of the aggregate number of additional shares not previously registered which may be sold upon the exercise of options which have been granted and/or may hereafter be granted under the Apogee Technology, Inc. 1997 Employee, Director and Consultant Stock Option Plan, as amended (the "Plan"). The maximum number of shares of Common Stock that may be sold upon the exercise of such options granted under the Plan is subject to adjustment in accordance with certain anti-dilution and other provisions of the Plan. Accordingly, pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement covers, in addition to the number of shares of Common Stock stated above, an indeterminate number of shares of Common Stock which may be subject to grant or otherwise issuable after the operation of any such anti-dilution and other provisions.
- (2) The Plan was adopted by the Company in 1997 and was amended most recently on May 27, 2003. 1,550,000 shares of the Registrant's Common Stock were originally reserved for issuance under the Plan. The Registrant previously registered 974,900 and 500,000 of these Shares on Form S-8 (Registration File No. 333-61486) filed with the Securities and Exchange Commission (the "Commission") on May 23, 2001 and June 14, 2002, respectively. On May 27, 2003, the Plan was amended to reserve an additional 500,000 shares of Common Stock for issuance thereunder. Accordingly, a total of 2,050,000 shares of Common Stock have been reserved for issuance under the Plan. Options to purchase 1,503,750 shares of Common Stock have been granted and are outstanding under the Plan; and 546,250 shares of Common Stock remain available for grant under the Plan.
- (3) This calculation is made solely for the purpose of determining the registration fee pursuant to the provisions of Rule 457(h) under the Securities Act as follows: (i) in the case of shares of Common Stock which may be purchased upon exercise of outstanding options, the fee is calculated on the basis of the price at which the options may be exercised; and (ii) in the case of shares of Common Stock for which options have not yet been granted and the option price of which is therefore unknown, the fee is calculated on the basis of the average of the high and low sale prices per share of the Common Stock on the Nasdaq SmallCap Market as of a date (June 16, 2003) within 5 business days prior to filing this Registration Statement.

**EXPLANATORY NOTE**

This Registration Statement is filed pursuant to General Instruction E of Form S-8 in order to register additional securities of the same class as other securities for which a registration statement relating to the Plan is effective.

On May 23, 2001 and June 14, 2002, the Registrant filed a registration statement on Form S-8 (Commission File Number 333- 61486) to register an aggregate of 974,900 and 500,000, respectively, shares of Common Stock reserved for issuance under the Plan. The filing of this Registration Statement increases the number of shares registered for issuance under the Plan by 500,000 shares. The contents of the previously filed registration statement relating to the Plan are incorporated by reference herein, except for the items that are set forth below. Pursuant to Instruction E, this Registration Statement contains such information required by Form S-8 that is not otherwise included in the previous registration statement.

**Item 9. Undertakings.**

(a)

The undersigned Registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i)

To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2)

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Norwood, Massachusetts on June 20, 2003.
