SUMMARY

This summary highlights information contained elsewhere in, or incorporated by reference into, this prospectus. As a result, it does not contain all of the information that may be important to you or that you should consider before investing in our securities. You should read this entire prospectus, including the "Risk Factors" section and the documents incorporated by reference, which are described under "Where You Can Find More Information."

East West Bancorp, Inc.

East West Bancorp, Inc. is a bank holding company and financial holding company incorporated in Delaware on August 26, 1998 and registered under the Bank Holding Company Act of 1956, as amended. We commenced business on December 30, 1998 when, pursuant to a reorganization, we acquired all of the voting stock of East West Bank, our principal asset. In addition to East West Bank, we have ten other subsidiaries, namely East West Insurance Services, Inc., East West Capital Trust I, East West Capital Trust II, East West Capital Statutory Trust III, East West Capital Trust IV, East West Capital Trust V, East West Capital Trust VI, East West Capital Trust VII, East West Capital Trust VIII, and East West Capital Trust IX.

East West Bank was chartered in June 1972, as the first federally chartered savings institution focused primarily on the Chinese-American community, and opened for business at its first office in the Chinatown district of Los Angeles in January 1973. From 1973 until the early 1990's, East West Bank conducted a traditional savings and loan business by making predominantly long-term, single family residential and commercial and multifamily real estate loans. East West Bank has emphasized commercial lending since its conversion to a state-chartered commercial bank, subject to the supervision of the California Department of Financial Institutions, on July 31, 1995. East West Bank now also provides loans for commercial, construction, and residential real estate projects and for the financing of international trade.

On November 6, 2009, East West Bank acquired certain assets and assumed certain liabilities of United Commercial Bank from the Federal Deposit Insurance Corporation, or the FDIC, as receiver of United Commercial Bank, a California state-chartered bank headquartered in San Francisco, California. As a result of the acquisition, at December 31, 2009, East West Bank had \$20.56 billion in total consolidated assets, \$13.84 in net consolidated loans, and \$14.99 billion in total consolidated deposits and is currently one of the largest independent banks headquartered in California and the largest bank in the nation focused on serving the Asian-American community. East West Bank has 111 branches in California located in the following counties: Los Angeles, Orange, San Bernardino, San Francisco, San Mateo, Santa Clara and Alameda. Additionally, East West Bank has eight branches in New York, five branches in Georgia, three branches in Massachusetts, two branches in Texas, and two branches in Washington. In Greater China, East West's presence includes four full-service branches, including two in Hong Kong, one in Shanghai, and one in Shantou. East West Bank also has representative offices in Beijing, Guangzhou, Shanghai and Shenzhen, China, and Taipei, Taiwan.

Summary of the Underlying Transaction

On November 5, 2009, we entered into investment agreements with various investors, pursuant to which the investors purchased an aggregate of \$500 million of our common stock and newly-issued shares of our Mandatorily Convertible Cumulative Non-Voting Perpetual Preferred Stock, Series C, or the Series C Preferred Stock, in a private placement transaction, which closed on November 6, 2009. In the private placement, we issued to certain qualified institutional buyers and accredited investors, several of whom were already our largest institutional stockholders, the following securities:

an aggregate of 335,047 shares of our Series C Preferred Stock, each share of which automatically converted into 110.74197 shares of our common stock (an aggregate of 37,103,765 shares of our common stock) at a per common share conversion price of \$9.03, as adjusted in accordance with the terms of the Series C Preferred Stock; and

an aggregate of 18,247,012 shares of our common stock.

On March 25, 2010, at a special meeting of the stockholders, our stockholders voted to approve the issuance of 37,103,765 shares of our common stock upon conversion of the 335,047 shares of the Series C Preferred Stock. The Series C Preferred Stock was subsequently automatically converted into shares of our common stock on March 30, 2010, and, as a result, no shares of the Series C Preferred Stock remain outstanding.

RISK FACTORS

An investment in our securities involves a high degree of risk. Before making an investment decision, you should read carefully and consider all of the information incorporated by reference in this prospectus, as well as those contained in any applicable prospectus supplement, as the same may be updated from time to time by our future filings with the SEC under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). You should also refer to the risk factors incorporated by reference from our most recent Annual Report on Form 10-K, as updated by our current reports on Form 8-K and other filings we make with the SEC. Additional risks and uncertainties not presently known to us at this time or that we currently deem immaterial may materially and adversely affect our business and operations.

FORWARD-LOOKING STATEMENTS

This prospectus contains or incorporates statements that we believe are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Rule 175 promulgated thereunder, and Section 21E of the Exchange Act, and Rule 3b-6 promulgated thereunder. These statements relate to our financial condition, results of operations, plans, objectives, future performance or business. They usually can be identified by the use of forward-looking language such as "will likely result," "may," "are expected to," "is anticipated," "estimate," "forecast," "projected," "intends to," or may include other similar words or phrases such as "believes," "plans," "trend," "objective," "continue," "remain," or similar expressions, or future or conditional verbs such as "will," "would," "should," "could," "might," "can," or similar verbs. When considering these forward-looking statements, you should keep in mind these risks and uncertainties, as well as any cautionary statements we may make. Moreover, you should treat these statements as speaking only as of the date they are made and based only on information then actually known to us.

There are a number of important factors that could cause future results to differ materially from historical performance and these forward-looking statements. Factors that might cause such a difference include, but are not limited to:

our ability to integrate United Commercial Bank and to achieve expected synergies, operating efficiencies or other benefits within expected time frames, or at all, or within expected cost projections;

our ability to integrate and retain depositors and borrowers of United Commercial Bank;

our ability to manage the loan portfolio acquired from United Commercial Bank within the limits of the loss protection provided by the FDIC;

changes in our borrowers' performance on loans;

changes in the commercial and consumer real estate markets;

changes in our costs of operation, compliance and expansion;

changes in the economy, including inflation;

changes in government interest rate policies;

changes in laws or the regulatory environment;

changes in accounting policies or procedures as may be required by the Financial Accounting Standards Board or other regulatory agencies;

changes in the equity and debt securities markets;

changes in competitive pressures on financial institutions;

the effect of additional provision for loan losses;

the effect of any acquisition we may make;

the effect of any goodwill impairment;

fluctuations in our stock price;

the success and timing of our business strategies;

the impact of reputational risk created by these developments on such matters as business generation and retention, funding and liquidity;

changes in our ability to receive dividends from our subsidiaries; and

political developments, wars or other hostilities that may disrupt or increase volatility in securities or otherwise affect economic conditions.

You should refer to our periodic and current reports filed with the SEC for further information on other factors which could cause actual results to be significantly different from those expressed or implied by these forward-looking statements. USE OF PROCEEDS

All securities sold pursuant to this prospectus will be offered and sold by the selling stockholders. We will not receive any of the proceeds from such sales.

DIVIDEND POLICY

Holders of our securities are entitled to dividends as and when declared by our board of directors out of funds legally available for the payment of dividends. Although we have historically paid cash dividends on our common stock, we are not required to do so. In the fourth quarter of 2009 and in the first quarter of 2010, our board of directors declared a common stock dividend of \$0.01 per share and a dividend on the Series A Preferred Stock of \$20.00 per share. The amount of future dividends will depend on earnings, financial condition, capital requirements and other factors, and will be determined by our board of directors on a quarterly basis. We will continue to review the dividend policy quarterly in light of the current economic environment.

Substantially all of our revenues available for payment of dividends derives from amounts paid to us by East West Bank. East West Bank is subject to various statutory and regulatory restrictions on its ability to pay dividends. Under such restrictions, the amount available for payment of dividends to us by East West Bank totaled \$85.8 million at December 31, 2009. Banking agencies have the authority to prohibit or limit East West Bank from paying dividends, depending upon East West Bank's financial condition, if such payment is deemed to constitute an unsafe or unsound practice. Furthermore, under the federal Prompt Corrective Action regulations, the Board of Governors of the Federal Reserve, or the FRB, or the FDIC may prohibit a bank holding company from paying any dividends if the holding company's bank subsidiary is classified as "undercapitalized."

Under the terms of the Series B Preferred Stock issued to the U.S. Treasury as part of the U.S. Treasury's Troubled Asset Relief Program Capital Purchase Program, for so long as any Series B Preferred Stock remains outstanding, we are prohibited from increasing dividends on our common stock, and from making certain repurchases of equity securities, including our common stock, without the U.S. Treasury's consent until the third anniversary of the U.S. Treasury's investment or until the U.S. Treasury has transferred all of the Series B Preferred Stock to third parties. As long as the Series B Preferred Stock is outstanding, as well as our Series A Preferred Stock, dividend payments and repurchases or redemptions relating to certain equity securities, including our common stock, are also prohibited until all accrued and unpaid dividends are paid on such preferred stock, subject to certain limited exceptions.

Our ability to pay dividends on our common stock is also limited by the terms of our Series A preferred stock, Series B preferred stock, and trust preferred securities issued by our subsidiaries East West Capital Trust I, East West Capital Trust II, East West Capital Statutory Trust III, East West Capital Trust IV, East West Capital Trust V, East West Capital Trust VI, East West Capital Trust VII and East West Capital Trust VIII. These securities are collectively referred to herein as "Trust Preferred Securities." Payments to investors in respect of the Trust Preferred Securities are funded by distributions on certain series of securities issued by us, with similar terms to the relevant series of Trust Preferred Securities, which we refer to as the "Junior Subordinated Securities." If we are not current in our payment of dividends on our Series A Preferred Stock, Series B Preferred Stock, or in our payment of interest on our subordinated securities or our Junior Subordinated Securities, we may not pay dividends on our common stock.

DESCRIPTION OF OUR CAPITAL STOCK

The following summary does not describe every aspect of our capital stock and is therefore qualified in its entirety by reference to the relevant sections of our certificate of incorporation, as amended, including the certificates of designations creating each series of our preferred stock.

Table of Contents

As used in this section, the terms the "us," "we" or "our" refer to East West Bancorp, Inc. and not any of its subsidiaries.

General

Our certificate of incorporation, as amended, authorizes the issuance of up to 205,000,000 shares of capital stock, consisting of 5,000,000 shares of preferred stock and 200,000,000 shares of common stock.

Preferred Stock

As of March 31, 2010, 420,788 shares of our preferred stock were issued and outstanding, consisting of 85,741 Series A preferred shares, and 306,546 Series B preferred shares.

Series A Preferred Stock

In April 2008, we issued 200,000 shares of 8% Non-Cumulative Perpetual Convertible Preferred Stock, Series A, with a liquidation preference of \$1,000 per share. We received \$194.1 million of additional Tier 1 qualifying capital, after deducting underwriting discounts, commissions and offering expenses. The Series A shares are quoted on the Over-the-Counter Bulletin board under the symbol "EWBCP.PK" on an exchange. The holders of the Series A preferred shares have the right at any time to convert each share of Series A preferred shares into 64.9942 shares of our common stock, plus cash in lieu of fractional shares. This represents an initial conversion price of approximately \$15.39 per share of common stock or a 22.5% conversion premium based on the closing price of the Company's common stock on April 23, 2009 of \$12.56 per share. On or after May 1, 2013, the Company will have the right, under certain circumstances, to cause the Series A preferred shares to be converted into shares of the Company's common stock. Dividends on the Series A preferred shares, if declared, will accrue and be payable quarterly in arrears at a rate per annum equal to 8% on the liquidation preference of \$1,000 per share, on February 15, May 15, August 15 and November 15 of each year. Dividends are not cumulative. The Series A preferred shares are not redeemable by the holders or the Company and the holders of the Series A preferred shares have no preemptive rights. The holders of the Series A preferred shares also have no voting rights with respect to their shares unless dividends, once declared, have not been paid on the Series A preferred shares for six or more quarterly periods, whether or not consecutive, at which time a majority of the holders voting together as a class, at a special meeting called at the request of at least 20% of the holders, may elect two additional directors to the Board of Directors of the Company.

The proceeds from this offering were used to augment our liquidity and capital positions and reduce our borrowings. During July 2009, the Company exchanged 9,968,760 shares of the Company's common stock for 110,764 shares of the Company's 8.00% Non-Cumulative Perpetual Convertible Preferred Stock, Series A.

Series B Preferred Stock

On December 5, 2008, we issued 306,546 shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series B, with a liquidation preference of \$1,000 per share, all of remain outstanding as of the date of this prospectus. We received \$306.5 million of additional Tier 1 qualifying capital from the U.S. Treasury by participating in the U.S. Treasury's Capital Purchase Program. The Series B preferred shares are not listed on an exchange and are senior to common stock and pari passu with existing preferred shares (including shares of our Series A preferred stock discussed above) other than preferred shares which by their terms rank junior to any existing preferred shares. The Series B preferred shares will pay cumulative dividends at a rate of 5% per annum until the fifth anniversary of the investment date and thereafter at a rate of 9% per annum. Dividends will be payable quarterly in

Table of Contents

arrears on February 15, May 15, August 15 and November 15 of each year. For as long as any Series B preferred shares are outstanding, no dividends may be declared or paid on junior preferred shares, preferred shares ranking pari passu with the Series B preferred shares, or common stock (other than in the case of pari passu preferred shares, in which case, dividends are paid on a pro rata basis with the Series B preferred shares), nor may the Company repurchase or redeem any junior preferred shares, preferred shares ranking pari passu with the Series B preferred shares or common stock, unless all accrued and unpaid dividends for all past dividend periods on the Series B preferred shares are fully paid. Series B preferred shares are transferable by the U.S. Treasury at any time. The U.S. Treasury has no preemptive rights with respect to the Series B preferred shares. Subject to the approval of the Federal Reserve, the Series B preferred shares are redeemable by us at our option of the Company at 100% of liquidation preference (plus any accrued and unpaid dividends), provided, however, that the Series B preferred shares may be redeemed prior to the first dividend payment date falling after the third anniversary of the Closing Date (February 15, 2012) only if (i) we have raised aggregate gross proceeds in one or more Qualified Equity Offerings (as defined in the Stock Purchase Agreement) in excess of \$76,636,500, and (ii) the aggregate redemption price does not exceed the aggregate net proceeds from such Qualified Equity Offerings. Except for certain specified transactions, Series B preferred shares shall be non-voting in nature. To date we have completed \$192,500,000 in Qualified Equity Offerings.

In connection with the Series B preferred shares offering, we also issued warrants to purchase 3,035,109 shares of common stock with an initial price of \$15.15 per share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before December 5, 2018. As a result of the Qualified Equity Offerings conducted prior to December 31, 2009, the number of shares underlying the warrant has been reduced by half. As of December 31, 2009, the new share count of the warrant is 1,517,555. The warrants, and all rights under the warrants, are transferable.

Series C Preferred Stock

On November 6, 2009, we issued and sold 335,047 shares of our newly-authorized Mandatorily Convertible Cumulative Non-Voting Perpetual Preferred Stock, Series C, par value \$0.001 in a private placement with certain investors, several of whom were already our largest institutional stockholders, which raised a total of \$500 million. The common stock sold represented 19.9% of the Company's common stock outstanding. The Series C Preferred Stock had a purchase price and liquidation preference of \$1,000 per share. On March 25, 2010, at a special meeting of the stockholders, our stockholders voted to approve the issuance of 37,103,765 shares of our common stock upon conversion of the 335,047 shares of the Series C Preferred Stock. The Series C Preferred Stock was subsequently automatically converted into shares of our common stock on March 30, 2010, and, as a result, no shares of the Series C Preferred Stock remain outstanding.

Common Stock

As of March 31, 2010, 147,556,132 shares of common stock were issued and outstanding. The transfer agent and registrar for our common stock is BNY Mellon Shareowner Services.

Our certificate of incorporation requires the approval of the holders of (i) at least two-thirds of our outstanding shares of voting stock and (ii) a majority of our outstanding shares of voting stock other than shares held by an "Interested Stockholder" (as defined therein) and our affiliates or associates to approve certain "Business Combinations" (as defined therein) involving an "Interested Stockholder" (as defined therein), except in cases where the proposed transaction has been approved in advance by two-thirds of those members of our Board of Directors who are unaffiliated with the Interested Stockholder and were directors prior to the time when the person became an Interested Stockholder.

The term "Interested Stockholder" is defined to include any individual, corporation, partnership or other person or entity which, together with its "Affiliates" and "Associates" (as defined therein), beneficially owns in the aggregate ten percent (10%) or more of the outstanding shares of voting stock of us, and any Affiliate or Associate of any such individual, corporation, partnership, or other person or entity. This provision of our certificate of incorporation applies to any "Business Combination," which is defined to include: (i) any merger or consolidation of us or any of our subsidiaries with or into any Interested Stockholder; (ii) any sale, lease, exchange, mortgage, pledge, transfer, or other disposition (in one transaction or in a series of related transactions) to any Interested Stockholder of assets of us or any subsidiary having a fair market value of \$1 million or more; (iii) the issuance or transfer by us or any subsidiary (in one transaction or in a series of related transactions) of any securities of us or a subsidiary to a person who, immediately prior to such issuance or transfer, is an Interested Stockholder, where such equity securities have an aggregate fair market value of \$1 million or more; (iv) the adoption of any plan or proposal for the liquidation or dissolution of us proposed by or on behalf of any Interest Stockholder or any Associate or Affiliate thereof; and (v) any reclassification of securities (including any reverse stock split) or recapitalization, or any merger or consolidation of us with any of our subsidiaries or any similar transaction, which has the effect of increasing the percentage of our outstanding shares which are directly or indirectly owned by an Interested Stockholder or any Associate or Affiliate thereof.

Under Delaware law, absent this provision, business combinations, including mergers, consolidations, and sales of substantially all of the assets of a corporation must, subject to certain exceptions, be approved by the vote of the holders of a majority of the outstanding shares of our common stock and any other affected class of stock. The Increased Stockholder vote required to approve a business combination may have the effect of foreclosing mergers and other business combinations which a majority of stockholders deem desirable and place the power to prevent such a merger or combination in the hands of a minority of stockholders.

As a Delaware corporation, we are subject to the provisions of Section 203 of the General Corporation Law of the State of Delaware, which prohibits a public Delaware corporation from engaging in a "business combination" with an "interested stockholder" for a period of three years after the date of the transaction in which the person became an interested stockholder, unless: (a) prior to the business combination the corporation's board of directors approved either the business combination

or the transaction which resulted in the stockholder becoming an interested stockholder; or (b) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the stockholder owned at least 85% of the outstanding voting stock of the corporation at the time the transaction commenced, excluding for the purpose of determining the number of shares outstanding those shares owned by the corporation's officers and directors and by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or (c) at or subsequent to the time, the business combination is approved by the corporation's board of directors and authorized at an annual or special meeting of its stockholders, and not by written consent, by the affirmative vote of at least 66²/₃% of its outstanding voting stock which is not owned by the interested stockholder. A "business combination" includes mergers, asset sales or other transactions resulting in a financial benefit to the stockholder. An "interested stockholder" is a person who, together with affiliates and associates, owns (or within three years did own) 15% or more of the corporation's voting stock.

California and Federal Banking Law

Federal law prohibits a person or group of persons "acting in concert" from acquiring "control" of a bank holding company unless the Federal Reserve Board has been given 60 days prior written notice of such proposed acquisition and within that time period the Federal Reserve Board has not issued a notice disapproving the proposed acquisition or extending for up to another 30 days the period during which such a disapproval may be issued. An acquisition may be made prior to the expiration of the disapproval period if the Federal Reserve Board issues written notice of its intent not to disapprove the action. Under a rebuttable presumption established by the Federal Reserve Board, the acquisition of 10% or more of a class of voting stock of a bank or bank holding company with a class of securities registered under Section 12 of the Securities Exchange Act of 1934, as amended, would, under the circumstances set forth in the presumption, constitute the acquisition of control. In addition, any "company" would be required to obtain the approval of the Federal Reserve Board under the Bank Holding Company Act of 1956, as amended, before acquiring 25% (5% in the case of an acquiror that is, or is deemed to be, a bank holding company) or more of any class of voting stock, or such lesser number of shares as may constitute control.

Under the California Financial Code, no person shall, directly or indirectly, acquire control of a California state bank or its holding company unless the Commissioner has approved such acquisition of control. A person would be deemed to have acquired control of us if such person, directly or indirectly, has the power (i) to vote 25% or more of our voting power or (ii) to direct or cause the direction of the management and policies of us. For purposes of this law, a person who directly or indirectly owns or controls 10% or more of our common stock would be presumed to control us.

The securities may be sold in one or more transactions on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The selling stockholders may use any one or more of the following methods when selling shares:

through the writing or settlement of options or other hedging transactions, whether the options are listed on an options exchange or otherwise;

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

In addition, any securities that qualify for sale pursuant to Rule 144 or Rule 144A under the Securities Act or under Section 4(1) under the Securities Act may be sold under such rules rather than pursuant to this prospectus, subject to any restriction on transfer contained in the Investment Agreements.

Following the Restriction Date (subject to certain exceptions for release of restrictions), the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. Also following the Restriction Date (subject to certain exceptions for release of restrictions), the selling stockholders may also sell short the securities and deliver common stock to close out short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholders have been advised that they may not use shares registered on this registration statement to cover short sales of our common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC. The selling stockholders also may transfer and donate the Common Stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The aggregate proceeds to the selling stockholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling stockholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholders in amounts to be negotiated immediately prior to the sale; but, except as set forth in a supplement to this prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with NASD Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with NASD IM-2440.

In offering the securities covered by this prospectus, the selling stockholders and any broker-dealers who execute sales for the selling stockholders may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling stockholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling stockholders who are "underwriters" within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless the securities are registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of the securities pursuant to this prospectus and to the activities of the selling stockholders. In addition, we will make copies of this prospectus available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the common stock. All of the foregoing may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

There can be no assurance that any selling stockholder will sell any or all of the common stock registered pursuant to the shelf registration statement, of which this prospectus forms a part.

We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

Item 15. Indemnification of Directors and Officers.

East West Bancorp, Inc. is incorporated under the Delaware General Corporation Law (DGCL). Section 102 of the DGCL, allows a corporation to eliminate the personal liability of directors of a corporation or its stockholders for monetary damages for a breach of a fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase or redemption in violation of Delaware corporate law or obtained an improper personal benefit.

Section 145 of the DGCL empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. A Delaware corporation may indemnify directors, officers, employees and other agents of such corporation in an action by or in the right of a corporation under the same conditions against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense and settlement of such action or suit, except that no indemnification is permitted without judicial determination that such person is fairly and reasonably entitled to indemnity to the corporation and to its creditors in the event of its dissolution or insolvency at any time within 6 years after paying such unlawful dividend if the person to be indemnified has been adjudged to be liable to the corporation. Where a present or former director or officer of the corporation is successful on the merits or otherwise in the defense of any action, suit or proceeding referred to above or in defense of any claim, issue or matter therein, the corporation must indemnify such person against the expenses (including attorneys' fees) which he or she actually and reasonably incurred in connection therewith.

Section 174 of the DGCL provides, among other things, that a director who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held liable to the corporation and to its creditors for such actions in the event of the corporation's dissolution or insolvency at any time within 6 years after paying such unlawful dividend, stock purchase or redemption. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to such actions to be entered into the books containing the minutes of the meetings of the board of directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

East West Bancorp, Inc.'s Certificate of Incorporation provides that it shall indemnify to the maximum extent permitted by law its directors and executive officers. East West Bancorp, Inc. may pay in advance any expenses (including attorney's fees) which may become subject to indemnification if the person receiving the payment undertakes in writing to repay the same if it is ultimately determined that the person is not entitled to indemnification. The indemnification and advance payment shall continue as to a person who has ceased to be a director or executive officer and shall inure to the person's heirs, executors and administrators. East West Bancorp, Inc. may purchase and maintain insurance on behalf of any person who is or was a director or executive officer, against any liability asserted against the person and incurred by the person in any such position, or arising out of the person's status as such.

East West Bancorp, Inc.'s bylaws provide that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a director or executive officer of East West Bancorp, Inc., shall be indemnified and held harmless by East West Bancorp, Inc. to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorney's fees) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to executors and administrators. If a claim is not paid in full by East West Bancorp, Inc., within thirty days after a written claim has been received, the claimant may at any time thereafter bring suit against East West Bancorp, Inc. to recover the unpaid amount of the claim.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the U.S. Securities and Exchange Commission (the "Commission") pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications the undersigned registrant will be

a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
