Shareholders are asked to ratify the appointment of RSM US LLP as independent auditors of TravelCenters of America LLC for the Company's fiscal year ending December 31, 2019. The Company's Audit Committee evaluates the performance of the Company's independent auditors and determines whether to reengage the current independent auditors or consider other audit firms. QUESTIONS AND ANSWERS

Proxy Materials and Voting Information

1. What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for the 2019 Annual Meeting include the Notice Regarding the Availability of Proxy Materials, Notice of 2019 Annual Meeting, this Proxy Statement and the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2018 (the "Annual Report" and, together with the other materials, the "proxy materials"). If you request a paper copy of these materials, the proxy materials will also include a proxy card or voting instruction form.

A proxy statement is a document that the Securities and Exchange Commission ("SEC") regulations require the Company to give you when it asks you to return a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the shares you own. That other person is called your proxy. We are asking you to designate the following three persons as your proxies for the 2019 Annual Meeting: Jennifer B. Clark, Secretary; Adam D. Portnoy, Managing Director; and Mark R. Young, Executive Vice President and General Counsel.

2. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Equiniti Shareowner Services, you are considered a shareholder of record of those shares. If you are a shareholder of record, you should receive only one notice or proxy card for all the Common Shares you hold in certificate form and in book entry form.

If your shares are held in an account you own at a bank or brokerage or you hold shares through another nominee, you are considered the "beneficial owner" of those shares. If you are a beneficial owner, you will receive voting instruction information from the bank, broker or other nominee through which you own your Common Shares.

If you hold some shares of record and some shares beneficially, you should receive a notice or proxy card for all the Common Shares you hold of record and a separate voting instruction form for the shares from the bank, broker or other nominee through which you own Common Shares.

3. What different methods can I use to vote?

By Written Proxy. All shareholders of record can submit voting instructions by written proxy card. If you are a shareholder of record and receive a Notice Regarding the Availability of Proxy Materials, you may request a written proxy card by following the instructions included in the notice. If you are a beneficial owner, you may request a written proxy card or a voting instruction form from your bank, broker or other nominee. Proxies submitted by mail must be received by 11:59 p.m., Eastern time, on May 22, 2019 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

By Telephone or Internet. All shareholders of record also can authorize a proxy to vote their shares by touchtone telephone by calling 1-800-690-6903, or through the internet at www.proxyvote.com, using the procedures and instructions described in your Notice Regarding the Availability of Proxy Materials or proxy card. Beneficial owners may authorize a proxy by telephone or internet if their bank, broker or other nominee makes those methods available, in which case the bank, broker or nominee will include the

instructions with the proxy voting materials. To authorize a proxy by telephone or internet, you will need the 16 digit control number provided on your Notice Regarding the Availability of Proxy Materials, proxy card or voting instruction form. The telephone and internet proxy authorization procedures are designed to authenticate shareholder identities, to allow shareholders to vote their shares and to confirm that their instructions have been recorded properly. Proxies submitted by telephone or through the internet must be received by 11:59 p.m., Eastern time, on May 22, 2019 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

In Person. All shareholders of record may vote in person at the meeting. Beneficial owners may vote in person at the meeting if they have a legal proxy, as described in the response to [question 12](#).

4. Who may vote at the 2019 Annual Meeting?

Holders of record of Common Shares as of the close of business on March 15, 2019, the record date, may vote at the meeting. Holders of Common Shares are entitled to one vote for each Common Share held on the record date.

5. What if I authorize a proxy and do not specify how my shares are to be voted?

If you submit a signed proxy card or authorize a proxy by internet or telephone, but do not indicate how your Common Shares should be voted on one or more proposals, then the proxies will vote your shares as the Board of Directors recommends on those proposals. Other than the proposals listed on pages 10 and 45, we do not know of any other matters to be presented at the meeting. If any other matters are properly presented at the meeting, the proxies may vote your shares in accordance with their best judgment.

6. What is a quorum? How are abstentions and broker non-votes counted?

A quorum of shareholders is required for shareholders to take action at the 2019 Annual Meeting. The presence, in person or by proxy, of holders of a majority of outstanding Common Shares entitled to vote at the 2019 Annual Meeting constitutes a quorum.

Abstentions and broker non-votes are included in determining whether a quorum is present. Abstentions are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of any Item to be voted on at the 2019 Annual Meeting. A proxy marked "WITHHOLD" with respect to Item 1 will have the same effect as an abstention. Broker non-votes are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of Item 1. There can be no broker non-votes on Item 2 as it is a matter on which, if you hold your shares in street name and do not provide voting instructions to the broker, bank or other nominee that holds your shares, the nominee has discretionary authority to vote on your behalf.

7. What may I do if I change my mind after I authorize a proxy to vote my shares?

Shareholders have the right to revoke a proxy at any time before it is voted at the 2019 Annual Meeting, subject to the proxy voting deadlines described above. Shareholders may revoke a proxy by authorizing a proxy again on a later date by internet or by telephone (only the last internet or telephone proxy submitted prior to the meeting will be counted) or by signing and returning a later dated proxy card or by attending the meeting and voting in person. If you are a beneficial owner, see the response to [question 12](#).

A shareholder's attendance at the 2019 Annual Meeting will not revoke that shareholder's proxy unless that shareholder votes again at the meeting or sends an original written statement to the Secretary of the Company revoking the prior proxy. An original written notice of revocation or subsequent proxy should be delivered to TravelCenters of America LLC, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, Attention: Secretary, or hand delivered to the Secretary before the taking of the vote at the 2019 Annual Meeting.

Beneficial owners who wish to change their votes should contact the organization that holds their shares.

8. Can I access the proxy materials on the internet? How can I sign up for the electronic proxy delivery service?

The Notice of 2019 Annual Meeting, this Proxy Statement and the Annual Report are available at www.proxyvote.com. You may access these proxy materials on the internet through the conclusion of the 2019 Annual Meeting.

Instead of receiving future copies of the Company's proxy materials by mail, shareholders of record and most beneficial owners may elect to receive these materials electronically. Opting to receive your future proxy materials electronically will save us the cost of printing and mailing documents, and also will give you an electronic link to our proxy voting site. Your Notice Regarding the Availability of Proxy Materials instructs you as to how you may request electronic delivery of future proxy materials.

9. How are proxies solicited and what is the cost?

The Company bears all expenses incurred in connection with the solicitation of proxies. We will request banks, brokers and other nominees to forward proxy materials to the beneficial owners of Common Shares and to obtain their voting instructions. We will reimburse those firms for their expenses of forwarding proxy materials.

Proxies may also be solicited, without additional compensation, by the Company's and its subsidiaries' directors, officers and employees, and by The RMR Group LLC ("RMR LLC"), its officers and employees and its parent's and subsidiaries' directors, officers and employees, by mail, telephone or other electronic means or in person.

10. What is householding?

As permitted by the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we may deliver only one copy of the Notice Regarding the Availability of Proxy Materials, Notice of 2019 Annual Meeting, this Proxy Statement and the Annual Report to shareholders residing at the same address, unless the shareholders have notified us of their desire to receive multiple copies of those documents. This practice is known as "householding."

We will deliver a separate copy of any of those documents to you if you write to the Company at Investor Relations, TravelCenters of America LLC, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, or call the Company at (617) 219-1442. If you want to receive separate copies of our notices regarding the availability of proxy materials, notices of annual meetings, proxy statements and annual reports in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee, or you may contact us at the above address or telephone number.

11. How do I attend the 2019 Annual Meeting in person?

If you have questions regarding these admission procedures, please call Investor Relations at (617) 219-1442.

12. How can I vote in person at the meeting if I am a beneficial owner?

If you are a beneficial owner and want to vote your shares at the 2019 Annual Meeting, you need a legal proxy from your bank, broker or other nominee. You also need to follow the procedures described in the response to [question 11](#) and to bring the legal proxy with you to the meeting and hand it in with a signed ballot that will be provided to you at the meeting. You will not be able to vote your shares at the meeting without a legal proxy. If you do not have a legal proxy, you can still attend the meeting by following the procedures described in the response to [question 11](#). However, you will not be able to vote your shares at the meeting without a legal proxy. The Company encourages you to vote your shares in advance, even if you intend to attend the meeting.

ELECTION OF DIRECTORS (ITEM 1)

The Board serves as the decision making body of the Company, except for those matters reserved to the shareholders. The Board selects and oversees the Company's officers, who are charged by the Board with conducting the day to day business of the Company.

Election Process

In accordance with our LLC Agreement and Bylaws, the Board currently consists of five Directors, three of whom are Independent Directors and two of whom are Managing Directors. Our LLC Agreement provides that the Board is divided into three groups, with Directors of each group serving for a term that expires at the third annual meeting of shareholders following his or her election and until his or her successor is duly elected and qualifies.

The Board and the Nominating and Governance Committee consider the qualifications of Directors and Director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs.

Qualifications for All Directors

In its assessment of each potential candidate, the Nominating and Governance Committee considers the potential nominee's integrity, experience, achievements, judgment, intelligence, competence, personal character, likelihood that a candidate will be able to serve on the Board for an extended period and other matters that the Nominating and Governance Committee deems appropriate. The Nominating and Governance Committee also takes into account the ability of a potential nominee to devote the time and effort necessary to fulfill his or her responsibilities to the Company.

The Board and Nominating and Governance Committee require that each Director candidate be a person of high integrity with a proven record of success in his or her field. Each Director candidate must demonstrate the ability to make independent analytical inquiries, familiarity with and respect for corporate governance requirements and practices and a commitment to serving the Company's long term best interests. In addition, the Nominating and Governance Committee may conduct interviews of potential Director candidates to assess intangible qualities, including the individual's ability to ask appropriate questions and to work collegially. The Board does not have a specific diversity policy in connection with the selection of nominees for Director, but due consideration is given to the Board's overall balance of diversity, including perspectives, backgrounds and experiences.

In addition to other criteria, our Bylaws require that Director candidates submit any additional information required in connection with the Company's regulation by state gambling authorities.

Director Nominations

The Nominating and Governance Committee is responsible for identifying and evaluating nominees for Director and for recommending to the Board nominees for election at each annual meeting of shareholders. The Nominating and Governance Committee may consider candidates suggested by the Company's Directors, officers or shareholders or by others.

Shareholder Recommendations for Nominees. Shareholders who would like to recommend a nominee for the position of Director should submit their recommendations in writing by mail to the Chair of the Nominating and Governance Committee, c/o TravelCenters of America LLC, Secretary, at Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458 or by email to secretary@ta-petro.com. A shareholder's recommendation should include any information that the recommending shareholder believes relevant to the Nominating and Governance Committee's consideration. The Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder recommending the nominee. Recommendations by shareholders will be considered by the Nominating and Governance Committee in its discretion using the same criteria as other candidates it considers.

Shareholder Nominations for Directors. Our Bylaws also provide that a shareholder of the Company may nominate a person for election to the Board provided the shareholder complies with the advance notice provisions set forth in our Bylaws, which include, among other things, requirements as to the proposing shareholder's timely delivery of advance notice, continuous requisite ownership of Common Shares and submission of specified documentation and information. For more information on how shareholders can nominate Directors for election to the Board, see "Shareholder Nominations and Other Proposals" on page 31.

DIRECTOR COMPENSATION

The Compensation Committee is responsible for reviewing and determining the Common Share awards granted to Directors and making recommendations to the Board regarding cash compensation paid to Directors, in each case, for Board, committee and committee chair services. The Compensation Committee is also responsible for recommending to the Board the amount of any additional cash compensation payable to a Director for serving as the Board's liaison to the Company's Gaming Compliance Committee. Managing Directors do not receive cash compensation for their services as Directors but do receive Common Share awards for their Board service. The number of Common Shares awarded to each Managing Director for Board service is the same as the number awarded to each Independent Director.

Director Share Ownership Guidelines

The Board believes it is important to align the interests of Directors with those of our shareholders, and for Directors to hold equity ownership positions in the Company. Accordingly, each Director is expected to hold at least 50,000 Common Shares by the later of: (i) the date of the 2019 Annual Meeting and (ii) five years from the annual meeting of shareholders of the Company at which the Director was initially elected or, if earlier, the first annual meeting of shareholders of the Company following the initial election of the Director to the Board. Compliance with these ownership guidelines is measured as of the end of each fiscal year. Any Director who is prohibited by law or by applicable regulation of his or her employer from owning equity in the Company is exempt from this requirement. The Nominating and Governance Committee may consider whether exceptions should be made for any Director on whom this requirement could impose a financial hardship.

As of March 15, 2019, all Directors have met or, within the applicable period, are expected to meet, these share ownership guidelines.

2018 Annual Director Compensation

In 2018, each Independent Director received an annual fee of \$50,000 for services as a Director, plus a fee of \$1,250 for each meeting attended. Up to two \$1,250 fees were paid if a Board meeting and one or more Board committee meetings, or two or more Board committee meetings, were held on the same date. Each Independent Director and Managing Director received an annual award of 10,000 Common Shares in 2018.

Each Independent Director who served as a committee chair of the Board's Audit, Compensation or Nominating and Governance Committees received an additional annual fee of \$20,000, \$10,000 and \$10,000, respectively. The Board liaison to the Company's Gaming Compliance Committee received an additional annual fee of \$10,000. Directors were reimbursed for travel expenses they incurred in connection with their duties as Directors and for out of pocket costs they incurred in connection with their attending certain continuing education programs.

CORPORATE GOVERNANCE

The Board is committed to corporate governance that promotes the long term interests of our shareholders. The Board has established Governance Guidelines that provide a framework for effective governance. The guidelines address matters such as general qualification standards for the Board, Director responsibilities, Board meetings and communications, Board committees, Director access to management and independent advisers, Director compensation and share ownership guidelines, Director orientation and continuing education, executive development and succession planning, related person transactions, annual performance evaluation of the Board and other matters. The Board regularly reviews developments in corporate governance and updates our Governance Guidelines and other governance materials as it deems necessary and appropriate.

The governance section of our website makes available our corporate governance materials, including the Governance Guidelines, the charter for each Board committee and the Code. To access these documents on the Company's website, www.ta-petro.com, click on "For Investors," hover over "Corporate Governance," and then click on "Governance Documents." In addition, instructions on how to obtain copies of the Company's corporate governance materials are included in the response to [question 13](#) in the "Questions and Answers" section on page 8.

Board Leadership Structure

In accordance with our LLC Agreement and Bylaws, the Board is comprised of five Directors, including three Independent Directors and two Managing Directors. All Directors play an active role in overseeing the Company's business both at the Board and committee levels. As set forth in the Company's Governance Guidelines, the core responsibility of our Directors is to exercise sound, informed and independent business judgment in overseeing the Company and its strategic direction. Our Directors are skilled and experienced leaders and currently serve or have served as directors or members of senior management in public, private for profit and nonprofit organizations and law firms. Our Directors may be called upon to provide solutions to various complex issues and are expected to, and do, ask hard questions of the Company's officers and advisors. The Board is small, which facilitates informal discussions and communication from management to the Board and among Directors.

We do not have a Chairman of the Board or a lead Independent Director. One or more of the Company's executive officers and our Director of Internal Audit regularly attend Board and Board committee meetings. Other officers of the Company may also sometimes attend Board and Board committee meetings as, on occasion, may officers of RMR LLC, in each case, at the invitation of the Board or Board committees. Special meetings of the Board may be called at any time by written request to our Secretary of a majority of our Directors then in office. Our Managing Directors, in consultation with the Company's management and the Director of Internal Audit, set the agenda for Board meetings. Other Directors may suggest agenda items. Discussions at Board meetings are led by the Managing Director or Independent Director who is most knowledgeable on a subject.

Pursuant to the Company's Governance Guidelines, the Company's Independent Directors are expected to meet in regularly scheduled meetings at which only Independent Directors are present. It is expected that these executive sessions may occur at least twice per year. Our Independent Directors also meet separately with the Company's officers, with the Company's Director of Internal Audit and with the Company's independent auditors. The presiding Director for purposes of leading Independent Director sessions is the Chair of the Audit Committee, unless the Independent Directors determine otherwise.

In 2018, the Board held 9 meetings. In 2018, each Director attended 75% or more of the aggregate of all meetings of the Board and the committees on which he or she served or that were held during the period in which he or she served as a Director or committee member. All of the then Directors attended last year's annual meeting of shareholders. The Company's policy with respect to Board members' attendance at meetings of the Board and annual meetings of shareholders can be found in the Company's Governance Guidelines, the full text of which appears at the Company's website, www.ta-petro.com.

Independence of Directors

Under the corporate governance listing standards of the Nasdaq, the Board must consist of a majority of Independent Directors. To be considered independent:

a director must not have a disqualifying relationship, as defined in the corporate governance section of the Nasdaq rules; and

the Board must affirmatively determine that the director otherwise has no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. To facilitate the director independence assessment process, the Board has adopted written Governance Guidelines as described below.

Our LLC Agreement and Bylaws also require that a majority of the Board be Independent Directors. Under our LLC Agreement and Bylaws, Independent Directors are Directors who are not employees of the Company or RMR LLC, who are not involved in the Company's day to day activities and who meet the qualifications of independent directors under the applicable rules of the Nasdaq and the SEC.

The Board affirmatively determines whether Directors have a direct or indirect material relationship with the Company, including the Company's subsidiaries, other than serving as the Company's Directors or directors of the Company's subsidiaries. In making independence determinations, the Board observes the Nasdaq and SEC criteria, as well as the criteria set forth in our LLC Agreement and Bylaws. When assessing a Director's relationship with the Company, the Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation. Based on this review, the Board has determined that Barbara D. Gilmore, Lisa Harris Jones and Joseph L. Morea currently qualify as independent directors under applicable Nasdaq and SEC criteria and as Independent Directors under our LLC Agreement and Bylaws. In making these independence determinations, the Board reviewed and discussed additional information provided by the Directors and the Company with regard to each of the Directors' relationships with the Company, RMR Inc. or RMR LLC and the other companies to which RMR LLC or its subsidiaries provide management services. The Board has concluded that none of these three Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable Nasdaq and SEC standards.

Board Committees

The Board has an Audit Committee, Compensation Committee and Nominating and Governance Committee. The Audit Committee, Compensation Committee and Nominating and Governance Committee have each adopted a written charter, which is available on the Company's website, www.ta-petro.com, by clicking on "For Investors," hovering over "Corporate Governance" and then clicking on "Governance Documents." Shareholders may also request copies free of charge by writing to Investor Relations, TravelCenters of America LLC, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458.

Our Audit Committee, Compensation Committee and Nominating and Governance Committee are comprised entirely of Independent Directors and an Independent Director serves as Chair of each committee. The Director of Internal Audit, with the assistance of Company management, proposes the agenda for committee meetings under the oversight and direction of the Committee Chairs. Additionally, the charter of each of our Audit Committee, Compensation Committee and Nominating and Governance Committee provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter. Additional information about the committees is provided below.

Audit Committee

Joseph L. Morea

Committee Chair

Additional Committee Members: Barbara D. Gilmore and Lisa Harris Jones

Meetings Held in 2018: 8

Primary Role:

The Audit Committee is comprised solely of Independent Directors. Its primary role is to help the Board fulfill its oversight responsibilities related to the integrity of our financial statements and financial reporting process, the qualifications, independence and performance of our independent registered public accounting firm, the performance of our internal audit function, risk management and our compliance with legal and regulatory requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight, and the evaluation of the qualifications, performance and independence, of the Company's independent auditor and the resolution of disagreements between management and the independent auditor. The independent auditor reports directly to the Audit Committee. The Audit Committee also has final authority and responsibility for the appointment and assignment of duties to the Director of Internal Audit. The Audit Committee reviews the overall audit scope and plans of the audit with the independent auditor. The Audit Committee also reviews with management and the independent auditors the Company's quarterly reports on Form 10-Q, annual reports on Form 10-K and earnings releases.

The Board has determined that each member of the Audit Committee is financially literate and that Mr. Morea is the Audit Committee's "financial expert."

Compensation Committee

Barbara D. Gilmore

Committee Chair

Additional Committee Members: Lisa Harris Jones and Joseph L. Morea

Meetings Held in 2018: 6

Primary Role:

The Compensation Committee is comprised solely of Independent Directors. Its primary responsibilities pertain to evaluating the performance and compensation of the business management services provider to the Company and of our executive officers and our Director of Internal Audit, annually reviewing our agreement with the business management services provider to the Company and approving equity compensation awards. The Compensation Committee recommends to the Board the cash compensation payable to our Directors for Board and committee service.

Nominating and Governance Committee

Lisa Harris Jones

Committee Chair

Additional Committee Members: Barbara D. Gilmore and Joseph L. Morea

Meetings Held in 2018: 2

Primary Role:

The Nominating and Governance Committee is comprised solely of Independent Directors. Its primary role is to identify individuals qualified to become Board members, consistent with criteria approved by the Board, and to recommend candidates to the entire Board for nomination or selection as Board members for each annual meeting of shareholders or when vacancies occur, to perform certain assessments of the Board and Board committees, including to assess the independence of Directors and Director nominees, and to develop and recommend to the Board governance principles for the Company. Under its charter, the Nominating and Governance Committee is also responsible for considering and reporting on the Company's succession planning to the Board.

Board Oversight of Risk

The Board is elected by shareholders to oversee the Company's business and long term strategy. As part of fulfilling its responsibilities, the Board oversees the safeguarding of the assets of the Company, the maintenance of appropriate financial and other internal controls and the Company's compliance with applicable laws and regulations. Inherent in these responsibilities is the Board's understanding and oversight of the various risks facing the Company. The Board considers that risks should not be viewed in isolation and should be considered in virtually every business decision and as part of the Company's business strategy.

Oversight of Risk

The Board oversees risk management.

Board committees play significant roles in carrying out the risk oversight function.

Management implements risk management and RMR LLC and the Company's Director of Internal Audit help management evaluate and implement risk management.

The Board oversees risk as part of its general oversight of the Company. Oversight of risk is addressed as part of various Board and Board committee activities and through regular and special Board and Board committee meetings. The actual day to day business of the Company is conducted by management, and management implements risk management in its activities. The Company's Director of Internal Audit provides the Company advice and assistance with the Company's risk management function.

In discharging their oversight responsibilities, the Board and Board committees review regularly a wide range of reports provided to them by management, RMR LLC and other service providers, including:

reports on market and industry conditions;

operating and regulatory compliance reports;

financial reports;

reports on risk management activities;

regulatory and legislative updates that may impact the Company;

reports on the security of the Company's information technology processes and the Company's data; and

legal proceedings updates and reports on other business related matters.

The Board and Board committees discuss these matters among themselves and with representatives of RMR LLC, management of the Company, the Director of Internal Audit, legal counsel and the Company's independent auditors.

The Audit Committee takes a leading role in helping the Board fulfill its responsibilities for oversight of the Company's financial reporting, internal audit function, risk management and the Company's compliance with legal and regulatory requirements. The Audit Committee meets at least quarterly and reports its findings to the Board. The Board and Audit Committee review periodic reports from the Company's independent auditors regarding potential risks, including risks related to the Company's internal control over financial reporting. The Audit Committee also reviews, approves and oversees an internal audit plan developed by the Company's Director of Internal Audit with the goal of helping the

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form DEF 14A

Company systematically evaluate the effectiveness of its risk management, control and governance processes on an annual basis. The Audit Committee considers risks relating to cybersecurity and, for that purpose, receives regular reports from management regarding cybersecurity risks and countermeasures being undertaken or considered by the Company, including updates on the internal and external cybersecurity landscape and relevant technical developments. The Audit Committee also meets periodically with the Company's Director of Internal Audit to review the results of the Company's internal audits, and directs or

recommends to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of the Company's risk management.

The Compensation Committee, whose duties are detailed in its charter, among other duties, evaluates the performance of the Company's Director of Internal Audit and RMR LLC's performance under the Company's business management agreement, including any perceived risks created by compensation arrangements. Also, the Compensation Committee and the Board consider that the Company has a share award program that requires share awards to executive officers to vest over a period of years. The Company believes that the use of share awards vesting over time rather than stock options mitigates the incentives for the Company's management to undertake undue risks and encourages management to make longer term and appropriately risk balanced decisions.

It is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for the Company to bear certain risks to achieve its objectives. As a result of the foregoing and other factors, the Company's ability to manage risk is subject to substantial limitations.

To learn more about the risks facing the Company, you can review the matters discussed in Part I, "Item 1A. Risk Factors" and "Warning Concerning Forward Looking Statements" in our Annual Report. The risks described in the Annual Report are not the only risks facing the Company. Additional risks and uncertainties not currently known or that may currently be deemed to be immaterial also may materially adversely affect the Company's business, financial condition or results of operations in future periods.

Shareholder Engagement

Shareholders may effectively communicate a point of view to the Board in a number of ways, including:

recommending candidates for election to the Board;

Related Person Transactions

The descriptions of agreements in this "Related Person Transactions" section do not purport to be complete and are subject to, and qualified in their entirety by, reference to the actual agreements, copies of certain of which are filed as exhibits to the Annual Report.

A "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) or a proposed transaction in which (i) the Company was, is or will be a participant, (ii) the amount involved exceeds the lesser of \$120,000 or 1.0% of the average of the Company's total assets at year end for the last two completed fiscal years and (iii) any related person had, has or will have a direct or indirect material interest.

A "related person" means any person who is, or at any time since January 1, 2018 was:

a Director, a nominee for Director or an executive officer of the Company;

known to the Company to be the beneficial owner of more than 5.0% of the outstanding Common Shares when a transaction in which such person had a direct or indirect material interest occurred or existed;

an immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of any of the persons referenced in the preceding two bullets, and any person (other than a tenant or employee) sharing the household of any of the persons referenced in the preceding two bullets; or

a firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10.0% or greater beneficial ownership interest.

The Company has adopted written Governance Guidelines that describe the consideration and approval of related person transactions. Under these Governance Guidelines, the Company may not enter into a transaction in which any Director or executive officer, any member of the immediate family of any Director

or executive officer or other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to the Board and the Board reviews and approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Directors, even if the disinterested Directors constitute less than a quorum. If there are no disinterested Directors, the transaction must be reviewed, authorized and approved or ratified by both (i) the affirmative vote of a majority of the Board and (ii) the affirmative vote of a majority of the Independent Directors. In determining whether to approve or ratify a transaction, the Board, or disinterested Directors or Independent Directors, as the case may be, also act in accordance with any applicable provisions of the Company's LLC Agreement and Bylaws and consider all of the relevant facts and circumstances and approve only those transactions that they determine are fair and reasonable to the Company. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Directors or otherwise in accordance with the Company's policies, LLC Agreement and Bylaws, each as described above. In the case of transactions with the Company by employees of the Company who are subject to the Code but who are not Directors or executive officers of the Company, the employee must seek approval from an executive officer who has no interest in the matter for which approval is being requested. Copies of the Company's Governance Guidelines and the Code are available on the Company's website, www.ta-petro.com.

Certain Related Person Transactions

Relationship with Hospitality Properties Trust ("HPT"). The Company was a 100% owned subsidiary of HPT until HPT distributed the Common Shares it then owned to its shareholders in 2007. The Company is HPT's largest tenant and HPT is the Company's principal landlord and largest shareholder. As of December 31, 2018, HPT owned 3,420,000 Common Shares, representing approximately 8.5% of the outstanding Common Shares. One of the Company's Managing Directors, Adam D. Portnoy, is a managing trustee of HPT, and his father, Barry M. Portnoy, served as a Managing Director of the Company and a managing trustee of HPT until his death on February 25, 2018. Ethan S. Bornstein, Adam Portnoy's brother-in-law, is an executive officer of HPT. RMR LLC provides management services to both the Company and HPT.

Spin-Off Transaction Agreement. In connection with the Company's spin-off from HPT in 2007, the Company entered a transaction agreement with HPT and RMR LLC, pursuant to which the Company granted HPT a right of first refusal to purchase, lease, mortgage or otherwise finance any interest the Company owns in a travel center before the Company sells, leases, mortgages or otherwise finances that travel center to or with another party, and the Company granted HPT and any other company to which RMR LLC provides management services a right of first refusal to acquire or finance any real estate of the types in which HPT or such other companies invest before the Company does. The Company also agreed that for so long as the Company is a tenant of HPT the Company will not permit: the acquisition by any person or group of beneficial ownership of 9.8% or more of the Company's voting shares or the power to direct the Company's management and policies or any of the Company's subsidiary tenants or guarantors under the Company's leases with HPT; the sale of a material part of the Company's assets or of any such tenant or guarantor; or the cessation of certain of our Directors to continue to constitute a majority of the Board or any such tenant or guarantor. Also, the Company agreed not to take any action that might reasonably be expected to have a material adverse impact on HPT's ability to qualify as a real estate investment trust ("REIT") and to indemnify HPT for any liabilities it may incur relating to the Company's assets and business.

HPT Leases. As of December 31, 2018, the Company leased from HPT a total of 199 properties under five leases, four of which the Company refers to as the "TA Leases" and one of which the Company refers to as the "Petro Lease," and which the Company refers to collectively as the "HPT Leases."

On January 16, 2019, the Company entered agreements with HPT (the "Transaction Agreements"), pursuant to which in January 2019:

The Company purchased from HPT 20 travel center properties, which the Company previously leased from HPT, for a total purchase price of approximately \$308.2 million.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form DEF 14A

The annual minimum rent payable to HPT by the Company under the HPT Leases was reduced by approximately \$43.1 million, in aggregate.

The term of each HPT Lease was extended by three years.

Commencing on April 1, 2019, the Company will pay to HPT 16 quarterly installments of approximately \$4.4 million each (an aggregate of \$70.5 million) to fully satisfy and discharge the Company's \$150.0 million deferred rent obligation to HPT that otherwise would have become due in five installments between 2024 and 2030.

Commencing with the year ending December 31, 2020, the Company will be obligated to pay to HPT an additional amount of percentage rent equal to one half percent (0.5%) of the excess of the Company's annual nonfuel revenues at leased sites over the nonfuel revenues for each respective site for the year ending December 31, 2019.

Certain of the 179 travel center properties that the Company continues to lease from HPT were reallocated among the HPT Leases.

The number of properties leased, the terms, the annual minimum rent and the deferred rent balances owed by the Company under the HPT Leases as of January 31, 2019 were as follows (*dollar amounts in thousands*):

	Number of Properties	Initial Term End Date ⁽¹⁾	Annual Minimum Rent as of January 31, 2019	Deferred Rent
TA Lease 1	36	December 31, 2032	\$ 49,019	\$ 14,175
TA Lease 2	36	December 31, 2031	44,663	12,847
TA Lease 3	35	December 31, 2029	42,404	12,603
TA Lease 4	37	December 31, 2033	46,206	12,961
Petro Lease	35	June 30, 2035	61,617	17,872
Total	179		\$ 243,909	\$ 70,458

⁽¹⁾ The Company has two renewal options of 15 years each under each of the HPT Leases.

The HPT Leases are "triple net" leases that require the Company to pay all costs incurred in the operation of the leased properties, including costs related to personnel, utilities, inventory, acquisition and provision of services to customers, insurance, real estate and personal property taxes, environmental related expenses, underground storage tank removal costs and ground lease payments at those properties at which HPT leases the property and subleases it to the Company. The Company is also generally required to indemnify HPT for certain environmental matters and for liabilities that arise during the terms of the leases from ownership or operation of the leased properties and, at lease expiration, the Company is required to pay an amount equal to an estimate of the cost of removing underground storage tanks on the leased properties. The HPT Leases require the Company to maintain the leased properties, including structural and non-structural components.

The Company recognized rent expense of approximately \$273.0 million for the year ended December 31, 2018 under the HPT Leases. In addition to the payment of annual minimum rent, the TA Leases provide for payment to HPT of percentage rent based on increases in total nonfuel revenues at a property over base year levels (3.0% of nonfuel revenues above 2015 nonfuel revenues and, beginning with the year ending December 31, 2020, an additional one half percent (0.5%) of nonfuel revenues above 2019 nonfuel revenues) and the Petro Lease provides for payment to HPT of percentage rent based on increases in total nonfuel revenues at a property over base year levels at such property (3.0% of nonfuel revenues above 2012 nonfuel revenues and, beginning with the year ending December 31, 2020, an additional one half percent (0.5%) of nonfuel revenues above 2019 nonfuel revenues). The total amount of percentage rent that the Company incurred during the year ended December 31, 2018 was approximately \$3.6 million.

Under the HPT Leases, the Company may request that HPT purchase approved amounts of renovations, improvements and equipment at the leased properties in return for increases in the Company's annual minimum rent according to the following formula: the annual minimum rent will be increased by an amount equal to the amount paid by HPT multiplied by the greater of (i) 8.5% or (ii) a benchmark U.S. Treasury interest rate plus 3.5%. During the year ended December 31, 2018, the Company sold to HPT approximately \$56.3 million of improvements that the Company previously made to properties leased from HPT, and, as a result, the Company's annual minimum rent payable to HPT increased by approximately \$4.8 million.

In 2017, HPT received, net of expenses, approximately \$1.0 million as the final payment with respect to a travel center HPT previously owned in Roanoke, Virginia that HPT leased to the Company and which was taken by eminent domain proceedings brought by the Virginia Department of Transportation in 2014. This final payment was allocated to the Company in 2018.

Relationships with RMR LLC and Others Related to It. The Company has relationships and historical and continuing transactions with RMR LLC, RMR Inc. and others related to them. One of the Company's Managing Directors, Adam Portnoy, as the sole trustee of ABP Trust, is the controlling shareholder of RMR Inc. Adam Portnoy is an officer and employee of RMR LLC and a managing director and president and chief executive officer of RMR Inc. Barry Portnoy was the Company's other Managing Director and a managing director and an officer of RMR Inc. and an officer and employee of RMR LLC until his death on February 25, 2018. Andrew J. Rebholz, one of the Company's Managing Directors and the Company's Chief Executive Officer, Barry A. Richards, the Company's President and Chief Operating Officer, William E. Myers, the Company's Executive Vice President, Chief Financial Officer and Treasurer, and Mark R. Young, the Company's Executive Vice President and General Counsel, are officers and employees of RMR LLC. RMR LLC provides management services to HPT and HPT's executive officers are officers and employees of RMR LLC.

The Company's Independent Directors also serve as independent directors or independent trustees of other public companies to which RMR LLC or its subsidiaries provide management services. Adam Portnoy serves, and, until his death, Barry Portnoy served, as a managing director or managing trustee of these companies and other officers of RMR LLC serve as managing directors or managing trustees of certain of these companies. In addition, officers of RMR LLC and RMR Inc. serve as the Company's officers and officers of other companies to which RMR LLC or its subsidiaries provide management services.

RMR LLC or its subsidiaries provide management services to other public and private companies, including five Nasdaq listed REITs: HPT, which is the Company's largest landlord and owns hotels and travel centers; Industrial Logistics Properties Trust ("ILPT"), which owns industrial and logistics properties; Office Properties Income Trust (formerly known as Government Properties Income Trust, "OPI"), which owns buildings primarily leased to single tenants and those with high credit quality characteristics, such as government tenants; Senior Housing Properties Trust ("SNH"), which primarily owns healthcare, senior living and medical office buildings; and Tremont Mortgage Trust ("TRMT"), which primarily originates and invests in first mortgage loans secured by middle market and transitional commercial real estate; Five Star Senior Living Inc. ("FVE"), which is listed on the Nasdaq and operates senior living communities; and Sonesta International Hotels Corporation ("Sonesta"), which operates, manages and franchises hotels, resorts and cruise ships. A subsidiary of RMR LLC is an investment adviser to RMR Real Estate Income Fund, a closed end investment company listed on the NYSE American, which invests in securities of real estate companies that are not managed by RMR LLC.

Because at least 80% of Messrs. Rebholz's, Young's, Richards's and Myers's business time was devoted to services to the Company during 2018, 80% of Messrs. Rebholz's, Young's, Richards's and Myers's total cash compensation (that is, the combined base salary and cash bonus paid by the Company and RMR LLC) was paid by the Company and the remainder was paid by RMR LLC. Messrs. Rebholz, Young, Richards and Myers are also eligible to participate in certain RMR LLC benefit plans and to receive share awards from RMR Inc. and other companies to which RMR LLC or its subsidiaries provide management services. The Company believes the compensation it paid to these officers reasonably reflected their division of business time and efforts; however, periodically, these individuals may divide

their business time and efforts differently than they do currently and their compensation from the Company may become disproportionate to this division.

Former CEO Retirement. On November 29, 2017, the Company and RMR LLC entered into a retirement agreement with Thomas M. O'Brien who served as the Company's President and Chief Executive Officer and as one of the Company's Managing Directors until December 31, 2017, and remained the Company's employee through June 30, 2018. Under this retirement agreement, among other things, (i) consistent with past practice, the Company paid him his then current annual base salary of \$0.3 million until June 30, 2018, and (ii) following his retirement from the Company on June 30, 2018, the Company made an additional cash payment to him in July 2018 in the amount of approximately \$1.5 million and, as of his retirement date, fully accelerated the vesting of 625,000 then unvested Common Shares previously awarded to him.

In October 2018, RMR LLC purchased from Mr. O'Brien 1,492,691 million Common Shares he then owned, representing approximately 3.7% of the outstanding Common Shares, pursuant to RMR LLC's right of first refusal under this retirement agreement after the Company did not exercise the Company's right under such agreement to purchase such shares.

The Company has a business management agreement with RMR LLC to provide management services to the Company that relate to various aspects of the Company's business generally, including, but not limited to, services related to compliance with various laws and rules applicable to the Company's status as a public company, advice and supervision with respect to the Company's travel centers, site selection for properties on which new travel centers may be developed, identification of, and purchase negotiation for, travel center properties and companies, accounting and financial reporting, capital markets and financing activities, investor relations and general oversight of the Company's daily business activities, including legal matters, human resources, insurance programs, management information systems and the like. This agreement is described below, see " *Business Management Agreement with RMR LLC.*"

Business Management Agreement with RMR LLC. Under the Company's business management agreement with RMR LLC, the Company pays RMR LLC an annual business management fee equal to 0.6% of the sum of the Company's fuel gross margin (which is the Company's fuel revenues less the Company's fuel cost of goods sold) plus the Company's total nonfuel revenues. The fee is payable monthly and totaled approximately \$14.6 million for 2018.

The current term of the Company's business management agreement with RMR LLC ends on December 31, 2019, and automatically renews for successive one year terms unless the Company or RMR LLC gives notice of non-renewal before the end of an applicable term. RMR LLC may terminate the business management agreement upon 120 days' written notice, and the Company has the right to terminate the business management agreement upon 60 days' written notice, subject to approval by a majority vote of the Company's Independent Directors. If the Company terminates or does not renew the business management agreement other than for cause, as defined, the Company is obligated to pay RMR LLC a termination fee equal to 2.875 times the annual base management fee and the annual internal audit services expense, which amounts are based on averages during the 24 consecutive calendar months prior to the date of notice of termination or nonrenewal.

Expense Reimbursement. Pursuant to the Company's business management agreement, the Company is generally responsible for all of the Company's expenses and certain expenses incurred or arranged by RMR LLC on the Company's behalf. RMR LLC also provides internal audit services to the Company in return for the Company's share of the total internal audit costs incurred by RMR LLC for the Company and other public companies to which RMR LLC or its subsidiaries provide management services, which amounts are subject to approval by the Compensation Committee. The Audit Committee appoints the Company's Director of Internal Audit and the Company's Compensation Committee approves the Company's portion of internal audit costs incurred by RMR LLC. The internal audit costs were approximately \$0.2 million for the year ended December 31, 2018. These allocated costs are in addition to the business management fees paid to RMR LLC.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form DEF 14A

Transition Services. In addition, RMR LLC has agreed to provide certain transition services to the Company for 120 days following termination by the Company or notice of termination by RMR LLC.

Vendors. Pursuant to the Company's business management agreement, RMR LLC may from time to time negotiate on the Company's behalf with certain third party vendors and suppliers for the procurement of services to the Company. As part of this arrangement, the Company may enter agreements with RMR LLC and other companies to which RMR LLC provides management services for the purpose of obtaining more favorable terms from such vendors and suppliers.

Share Awards to RMR LLC Employees. The Company awards Common Shares to certain RMR LLC employees under the Company's equity compensation plan who are not also Directors, officers or employees of the Company. During 2018, the Company awarded 51,500 Common Shares to such persons. Those awards had an aggregate value of approximately \$0.2 million, based upon the closing price of the Common Shares on the Nasdaq on the date of the award. One fifth of those share awards vested on the date of the award and one fifth vests on each of the next four anniversaries of the date of the award. These share awards granted to such RMR LLC employees are in addition to the fees the Company pays to RMR LLC and the Company's share awards to the Company's Directors, officers and employees. During 2018, the Company purchased 448,721 Common Shares, at the closing price of the Common Shares on the Nasdaq on the date of purchase, from certain of the Company's officers and employees and officers and employees of RMR LLC in satisfaction of tax withholding and payment obligations in connection with the vesting of awards of Common Shares.

On occasion, the Company has entered into arrangements with former employees of RMR LLC in connection with the termination of their employment with RMR LLC, providing for the acceleration of vesting of Common Share awards previously awarded to them under the Company's equity compensation plan. The aggregate value of the Common Share awards the Company so accelerated, measured as of the effective dates of acceleration, was \$2.2 million, in aggregate, for the year ended December 31, 2018. Additionally, each of Messrs. Rebholz, Young, Richards and Myers during 2018 received share awards from RMR Inc. and other companies to which RMR LLC or its subsidiaries provide management services, including HPT, in their capacities as officers of RMR LLC.

Other. RMR LLC conducts a Leadership Development Program for which certain of its employees take part in a two year rotational program, working at each of the Company, RMR LLC and certain other companies to which RMR LLC or its subsidiaries provide management services. The employee remains on RMR LLC's payroll during this rotational program and the Company reimburses RMR LLC for the applicable employee costs for the period of time that the employee works for the Company. The amount recognized as expense for these costs for the year ended December 31, 2018, was approximately \$0.3 million.

The Company has in the past held, and likely will in the future hold, business meetings at hotels operated by Sonesta, which is majority owned by one of the Company's Managing Directors, Adam Portnoy, and the remainder was owned by Barry Portnoy until his death, and which manages certain hotels owned by HPT, and the Company's Directors, officers and employees have in the past stayed, and are likely in the future to stay, overnight at hotels operated by Sonesta when traveling for Company business. The Company pays Sonesta for the use of meeting space and related services and pays Sonesta or reimburses the Company's Directors, officers and employees for the costs of these hotel stays.

Relationship with Affiliates Insurance Company ("AIC"). The Company, HPT and five other companies to which RMR LLC provides management services currently own AIC, an Indiana insurance company, in equal amounts and are parties to a shareholders agreement regarding AIC.

All the Company's Directors (other than Andrew J. Rebholz) and all the independent trustees and independent directors of the other AIC shareholders currently serve on the board of directors of AIC. RMR LLC provides management and administrative services to AIC pursuant to a management and administrative services agreement with AIC. Pursuant to this agreement, AIC pays RMR LLC a service fee equal to 3.0% of the total annual net earned premiums payable under then active policies issued or underwritten by AIC or by a vendor or an agent of AIC on its behalf or in furtherance of AIC's business.

Edgar Filing: TRAVELCENTERS OF AMERICA LLC - Form DEF 14A

The Company and the other AIC shareholders participate in a combined property insurance program arranged and insured or reinsured in part by AIC. The Company paid aggregate premiums, including taxes and fees, of approximately \$2.5 million in connection with this insurance program for the policy year ending June 30, 2019, which amount may be adjusted from time to time as the Company acquires or disposes of properties that are included in this insurance program.

Directors' and Officers' Liability Insurance. The Company, RMR Inc. and certain other companies to which RMR LLC or its subsidiaries provide management services, including HPT, participate in a combined directors' and officers' liability insurance policy. The current combined policy expires in September 2020. The Company paid aggregate premiums of approximately \$0.2 million for this policy in 2018.

Relationship with PTP. Petro Travel Plaza Holdings LLC ("PTP") is a joint venture between the Company and Tejon Development Corporation that owns two travel centers, three standalone convenience stores and one standalone restaurant in California. The Company owns a 40% interest in PTP and Andrew J. Rebholz, one of the Company's Managing Directors, serves as an officer of PTP. The Company operates the travel centers, standalone convenience stores and standalone restaurant PTP owns, for which the Company receives management fees, which were \$1.6 million for 2018.

The foregoing descriptions of the Company's agreements with HPT, RMR LLC, AIC and PTP are summaries and are qualified in their entirety by the terms of the agreements. A further description of the terms of certain of those agreements is included in the Annual Report. In addition, copies of certain of the agreements evidencing these relationships are filed with the SEC and may be obtained from the SEC's website, www.sec.gov. The Company may engage in additional transactions with related persons, including businesses to which RMR LLC or its subsidiaries provide management services.

**

Our LLC Agreement and other agreements to which the Company is a party place restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class or series of the Company's shares. Additionally, the terms of the Company's leases with HPT and the Company's agreement with RMR LLC contain provisions whereby the Company's rights under these agreements may be cancelled by HPT and RMR LLC, respectively, upon the acquisition by any person or group of more than 9.8% of the Company's voting securities or upon other change in control events, as defined. If the violation of these ownership limitations causes a lease or contract default, shareholders causing the default may become liable to the Company or to other shareholders for damages. In addition, in order to help the Company preserve the tax treatment of the Company's net operating losses and other tax benefits, our Bylaws generally provide that transfers of the Company's shares to a person, entity or group that is then, or would become as a result, an owner of 5% or more of the Company's outstanding shares under applicable standards would be void in total for transferees then already owning 5% or more of the Company's shares, and for transferees that would otherwise become owners of 5% or more of the Company's shares, to the extent the transfer would so result in such level of ownership by the proposed transferee and to the extent not approved by the Company. The 5% ownership limitation under our Bylaws is determined based on applicable tax rules.

The percentage indicated is based on approximately 40,397,551 Common Shares outstanding as of the record date, March 15, 2019.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our Directors, executive officers and beneficial owners of more than 10% of our Common Shares to file reports of ownership and changes of ownership with the SEC and the Nasdaq. Based on our records and other information, we believe that during the year ended December 31, 2018 all applicable Section 16(a) filing requirements were met.

Potential Payments upon Termination or Change in Control

The form of share award agreement for awards made to our named executive officers provides for acceleration of vesting of all share awards (including those previously awarded) upon the occurrence of (i) a change in control of the Company (a "Change in Control") or (ii) RMR LLC ceasing to be the manager or shared services provider to the Company or certain employment termination events (each, a "Termination Event").

The following table describes the potential payments to our named executive officers upon a Change in Control or Termination Event, if such event had occurred, as of December 31, 2018.

Name	Number of Shares Vested Upon Change in Control or Termination Event (#)	Value Realized on Change in Control or Termination Event as of December 31, 2018 (\$) ⁽¹⁾

Barry A. Richards	129,000	485,040
Mark R. Young	113,000	424,880

(1) Equals the number of Common Shares multiplied by the closing price of the Common Shares on December 31, 2018.

Although we have no formal policy, plan or arrangement for payments to employees of the Company or RMR LLC in connection with the termination of their employment with the Company or RMR LLC, we may in the future provide on a discretionary basis for the acceleration of vesting of Common Shares previously awarded to them under the 2016 Equity Compensation Plan depending on various factors we then consider relevant and if we believe it is in our best interests to do so.

For a discussion of the consequences of a Change in Control or Termination Event under the Company's business management agreement with RMR LLC, see the above "*Certain Related Person Transactions*" section.

REPORT OF THE AUDIT COMMITTEE

In the course of the Audit Committee's oversight of the Company's financial reporting process, the Audit Committee has: (i) reviewed and discussed with management the audited financial statements for the fiscal year ended December 31, 2018; (ii) discussed with RSM US LLP, the Company's independent auditors, the matters required to be discussed under PCAOB Auditing Standard No. 1301; (iii) received the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence; (iv) discussed with the independent auditors their independence; and (v) considered whether the provision of non-audit services by the independent auditors is compatible with maintaining their independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018, for filing with the SEC.

RATIFICATION OF THE APPOINTMENT OF RSM US LLP AS INDEPENDENT AUDITORS (ITEM 2)

The Audit Committee has the sole authority and responsibility to hire, evaluate and, when appropriate, replace our independent auditors and is directly responsible for the appointment, compensation and general oversight of the work of the independent auditors. The Audit Committee is responsible for approving the audit and permissible non-audit services provided by the independent auditors and the associated fees.

The Audit Committee evaluates the performance of our independent auditors annually and determines whether to reengage the current independent auditors or consider other audit firms. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' technical expertise and knowledge of our operations and industry, the auditors' independence, legal proceedings involving the auditors, the results of PCAOB inspections and peer quality reviews of the auditors and the auditors' reputation in the marketplace. In connection with the mandated rotation of the independent auditors' lead engagement partner, the Audit Committee and its chair consider the selection of the new lead engagement partner identified by the independent auditors.

Based on this evaluation, the Audit Committee has appointed RSM US LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2019. RSM US LLP has served as the Company's independent auditors since October 6, 2014, and is considered by management and the Audit Committee to be well qualified. Further, the Audit Committee and the Board believe that the continued retention of RSM US LLP to serve as the independent registered public accounting firm is in the best interests of the Company and its shareholders.

The Audit Committee has determined to submit its selection of the independent auditors to the Company's shareholders for ratification. This vote will ratify prior action by the Audit Committee and will not be binding upon the Audit Committee. However, the Audit Committee may reconsider its prior appointment of the independent auditors or consider the results of this vote when it determines to appoint our independent auditors in the future.

Audit Fees and All Other Fees

The following table shows the fees for audit and other services provided to the Company by RSM US LLP for the fiscal years ended December 31, 2018 and 2017.

	2018 Fees ⁽¹⁾	2017 Fees
Audit Fees	\$2,036,020	\$1,901,410
Audit Related Fees	380,000	
Tax Fees	59,500	39,000
All Other Fees		

(1) The amount of audit fees for 2018 is based on the fees billed and paid to date and on the estimate for remaining fees provided by RSM US LLP to and approved by the Audit Committee for services provided by RSM US LLP, including in connection with the audit of the Company's 2018 financial statements and internal control over financial reporting. The final amount of the fees for those services may vary from the estimate provided.

Audit Fees. This category includes fees associated with the annual financial statements audit and related audit procedures, the audit of internal control over financial reporting, work performed in connection with any registration statements and any applicable Current Reports on Form 8-K and the review of any of the Company's Quarterly Reports on Form 10-Q.

Audit Related Fees. This category consists of services that are reasonably related to the performance of the audit or review of financial statements and are not included in "Audit Fees." These services principally include due diligence in connection with acquisitions, consultation on accounting and internal control matters, audits in connection with proposed or consummated acquisitions, information systems audits and other attest services.

Tax Fees. This category consists of fees for tax services, including tax compliance, tax advice and tax planning.

All Other Fees. This category consists of services that are not included in the above categories.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has established policies and procedures that are intended to control the services provided by our independent auditors and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent auditors unless the engagement is specifically approved by the Audit Committee or the services are included within a category that has been approved by the Audit Committee. The maximum charge for services is established by the Audit Committee when the specific engagement or the category of services is approved. In certain circumstances, our management is required to notify the Audit Committee when approved services are undertaken and the Audit Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible for reporting to the Audit Committee regarding compliance with these policies and procedures.

The Audit Committee will not approve engagements of the independent auditors to perform non-audit services for the Company if doing so will cause the independent auditors to cease to be independent within the meaning of applicable SEC or Nasdaq rules. In other circumstances, the Audit Committee considers, among other things, whether our independent auditors are able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which the Company engaged its independent auditors in 2018 and 2017 were approved by the Audit Committee. The total fees for audit and non-audit services provided by RSM US LLP in 2018 and 2017 are set forth above and, for 2018, include estimated fee amounts. The fees for audit-related services provided by RSM US LLP in 2018 were for RSM US LLP's audit of the financial statements of our former standalone convenience stores business, which was performed in connection with our sale of that business in December 2018. The tax fees charged by RSM US LLP during 2018 and 2017 were for tax compliance services, including those related to the Company's income tax returns for the fiscal years ended December 31, 2017 and 2016, respectively. The Audit Committee approved the engagement of RSM US LLP to provide these non-audit services because it determined that RSM US LLP providing these services would not compromise RSM US LLP's independence and that the firm's familiarity with our record keeping and accounting systems would permit the firm to provide these services with equal or higher quality, more efficiently and at a lower cost than the Company could obtain these services from other providers.

Other Information

The Company has been advised by RSM US LLP that neither the firm, nor any member of the firm, has any material interest, direct or indirect, in any capacity in the Company or its subsidiaries.
