PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 17, 2006

GENERAL

Introduction, Date, Place and Time of Meeting

This Proxy Statement is being furnished for the solicitation by the Board of Directors of Emclaire Financial Corp. (the "Corporation"), a Pennsylvania business corporation, of proxies to be voted at the Annual Meeting of Shareholders of the Corporation to be held at the Farmers National Bank of Emlenton (the "Bank"), 612 Main Street, Emlenton, Pennsylvania 16373, on Wednesday, May 17, 2006, at 11:00 a.m. local time, or at any adjournment or postponement of the annual meeting.

The main office of the Corporation is located at 612 Main Street, Emlenton, Pennsylvania 16373. The telephone number for the Corporation is (724) 867-2311. All inquiries should be directed to David L. Cox, President. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders of the Corporation on April 10, 2006.

Solicitation

The proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions contained in the proxy. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the board of directors and, upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the annual meeting and any adjournment of the annual meeting and will not be used for any other meeting. Execution and return of the enclosed proxy will not affect a shareholder's right to attend the annual meeting and vote in person.

The cost of preparing, assembling, mailing and soliciting proxies will be borne by the Corporation. In addition to the use of the mail, certain directors, officers and employees of the Corporation intend to solicit proxies personally, by telephone and by facsimile. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners of stock held of record by these persons, and, upon request therefore, the Corporation will reimburse them for their reasonable forwarding expenses.

Right of Revocation

A shareholder who returns a proxy may revoke it at any time before it is voted by: (1) delivering written notice of revocation to Raymond M. Lawton, Secretary, Emclaire Financial Corp., 612 Main Street, Post Office Box D, Emlenton, Pennsylvania 16373, telephone: (724) 867-2311; (2) executing a later-dated proxy and giving written notice thereof to the Secretary of the

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

Corporation or (3) voting in person after giving written notice to the Secretary of the Corporation.

1

Voting Securities and Quorum

At the close of business on March 27, 2006, the voting record date, the Corporation had outstanding 1,267,835 shares of common stock, \$1.25 par value per share. A majority of the outstanding shares in person or by proxy will constitute a quorum at the annual meeting.

Only our stockholders of record, at the close of business on the voting record date, will be entitled to notice of and to vote at the annual meeting. On all matters to come before the annual meeting, each share of common stock is entitled to one (1) vote.

Directors are elected by a plurality of the votes cast with a quorum present. The person who receives the greatest number of votes of the holders of common stock represented in person or by proxy at the annual meeting will be elected director. The affirmative vote of a majority of the total votes present in person or by proxy is required for approval of the proposal to ratify the appointment of the independent registered public accounting firm.

With regard to the election of directors, you may vote in favor of or withhold authority to vote for one or more nominees for director. Votes that are withheld in connection with the election of one or more nominees for director will not be counted as votes cast for such individuals and accordingly will have no effect. An abstention may be specified on the proposal to ratify the appointment of Beard Miller Company LLP as our independent registered public accounting firm for 2006. Abstentions will have the effect of a vote against this proposal. There are no proposals to be considered at the annual meeting which are considered "non-discretionary" and, as a result, there will be no "broker non-votes."

Section 16(a) Beneficial Ownership Reporting Compliance

The common stock is registered pursuant to Section 12(g) of the 1934 Act. The officers and directors of the Corporation and beneficial owners of greater than 10% of the common stock are required to file reports on Forms 3, 4, and 5 with the SEC disclosing changes in beneficial ownership of the common stock. Based on the Corporation's review of such ownership reports, to the Corporation's knowledge, no executive officer, director, or 10% beneficial owner of the Corporation failed to file such ownership reports on a timely basis for the fiscal year ended December 31, 2005.

ELECTION OF DIRECTORS

The Corporation has a classified Board of Directors with staggered three-year terms of office. In a classified board, the directors are generally divided into separate classes of equal number. The terms of the separate classes expire in successive years. Thus, at each annual meeting of shareholders, successors to the class of directors whose term shall then expire shall be elected to hold office for a term of three years, so that the office of one class shall expire each year.

A majority of the members of our board of directors are independent based on an assessment of each member's qualifications by the board, taking into consideration the Nasdaq Stock Market's requirements for independence. The board of directors has concluded that Messrs. King, Freemer, Crooks, Hunter, Freeman, McCarrier and Ashbaugh do not have any material relationships with the Corporation that would impair their independence. There are no arrangements or understandings between the Corporation and any person pursuant to which such person has been elected a director. Stockholders of the Corporation are not permitted to cumulate their votes for the election of directors.

No director or executive officer of the Corporation is related to any other director or executive officer of the Corporation by blood, marriage or adoption, and each of the nominees currently serves as a director of the Corporation.

Unless otherwise directed, each proxy executed and returned by a stockholder will be voted for the election of the nominees for director listed below. If the person named as nominee should be unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for one or more replacement nominees recommended by the board of directors. At this time, the board of directors knows of no reason why the nominees listed below may not be able to serve as a director if elected. Any vacancy occurring on the Board of Directors of the Corporation for any reason may be filled by a majority of the directors then in office until the expiration of the term of the vacancy. The Board of Directors recommends that its nominees be elected as directors. Ages are reflected as of December 31, 2005.

Director Compensation

During 2005, directors received \$790 per month through April for their services as a director of the Bank and \$820 thereafter regardless of attendance at board meetings. The Chairman of the Audit Committee received an additional \$100 per month for his services as Audit Committee Chairman. No additional compensation is paid for service as director of the Corporation. In addition, outside directors received \$200 for each Bank committee meeting that they attended during 2005. During 2005, total fees paid to all directors were \$110,940.

Meeting Attendance

During 2005, the Board of Directors of the Corporation held five (5) regular meetings and two (2) special meetings and the Board of Directors of the Bank held thirteen (13) regular meetings. Each of the directors attended at least seventy-five

percent (75%) of the combined total number of meetings of the Corporation's and Bank's Board of directors and of the committees on which they serve.

Nominating Committee

The Corporation does not have a standing nominating committee, and all director nominations are considered by the Board of Directors as a whole. The goal of the Board of Directors has been, and continues to be, to identify nominees for service on the Board of Directors who will bring a variety of perspectives and skills from their professional and business experience. Depending upon the current needs of the Board of Directors and the Corporation, certain factors may be weighed more or less heavily.

Nominating Procedures

The Board of Directors identifies nominees by first evaluating, on an informal basis, the current members of the Board of Directors willing to continue in service. Current members of the Board of directors with skills and experience that are relevant to the Corporation's business and/or unique situation who are willing to continue in service are considered for renomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective or skill set. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to renominate a member for re-election, the Board of Directors will then determine if there is a need to replace that director or reduce the number of directors serving on the Board of Directors, in accordance with the Corporation's Bylaws. If the Board of Directors determines a need to replace a non-continuing director, it identifies the desired skills and experience in light of the criteria set forth above. Current members of the Board of Directors are polled for suggestions as to individuals meeting those criteria, and research may also be performed to identify qualified individuals. To date, the Board of Directors has not formally engaged third parties to assist in identifying or evaluating potential nominees, although the Board of Directors reserves the right to do so in the future.

Section 10.1 of the Corporation's bylaws contains provisions addressing the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Corporation's Annual Meeting. Historically, the Corporation has not had a formal policy concerning stockholder recommendations for nominees. Given the size of the Corporation, the Board of Directors does not feel that such a formal policy is warranted at this time. The absence of such a policy, however, does not mean that a reasonable stockholder recommendation will not be considered, in light of the particular needs of the Corporation and the policies and procedures set forth above. The Board of Directors will reconsider this matter at such time as it believes that the Corporation's circumstances, including its operations and prospects, warrant the adoption of such a policy.

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

Director Attendance at Annual Meetings

All directors are expected to attend the Corporation's annual meeting of stockholders. All nine directors attended the Corporation's 2005 annual meeting of stockholders.

Audit Committee

The audit committee of the Board is composed of five members and operates under a written charter adopted by the Board of Directors. The responsibilities of the audit committee are contained in the Audit Committee Report, set forth below. The audit committee during fiscal year 2005 consisted of Brian C. McCarrier, Chairman; Ronald L. Ashbaugh, Robert L. Hunter, Mark A. Freemer and James M. Crooks. The Board of Directors has determined that each committee member is "independent," as defined by Corporation policy, SEC rules and the NASDAQ listing standards.

Audit Committee Financial Expert

The Board of Directors has identified Brian C. McCarrier as an audit committee financial expert.

Audit Committee Report

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Corporation filings under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference.

The audit committee reports to the Board and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Corporation.

The Audit Committee Charter adopted by the Board sets out the responsibilities, authority and specific duties of the audit committee. The audit committee charter was included as an attachment to the Corporation's Proxy Statement dated April 14, 2004. Pursuant to the charter, the audit committee has the following responsibilities:

- * To monitor the preparation of quarterly and annual financial reports;
- * To review the adequacy of internal control systems and financial reporting procedures with management and independent auditors; and
- * To review the general scope of the annual audit and the fees charged by the independent auditors.

In discharging its oversight responsibility, the audit committee has met and held discussions with management and Beard Miller Company LLP, the independent auditors for the Corporation. Management represented to the audit committee that all consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

States of America, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and the Corporation, and has received and discussed with the independent auditors the matters in the written disclosures required by the Independence Standards

8

Board and as required under the Sarbanes-Oxley Act of 2002, including considering the permissibility of nonaudit services with the auditors' independence.

The audit committee also obtained from the independent auditors a formal written statement describing all relationships between Emclaire Financial Corp. and Beard Miller Company LLP and the auditors that bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee. The audit committee discussed with the independent auditors any relationships that may impact on the firm's objectivity and independence and satisfied itself as to the auditors' independence.

Based on these discussions and reviews, the audit committee recommended that the Board of Directors approve the inclusion of the Corporation's audited consolidated financial statements in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

Respectfully submitted by the members of the audit committee of the Board of Directors:

Changes in and Disagreements With Accountants on Accounting and Financial Disclosure

On January 19, 2005, the Corporation's Board of Directors replaced its independent auditors, Crowe Chizek and Company LLC ("Crowe Chizek") with Beard Miller Company LLP to be effective upon filing of the 2004 Form 10-K. Crowe Chizek completed its engagement as independent auditor for the Corporation's fiscal year ended December 31, 2004 upon the filing of the Corporation's Form 10-K for the year ended December 31, 2004. Crowe Chizek's report on the Corporation's consolidated financial statements during the fiscal years ended December 31, 2004 and 2003 contained no adverse opinion or a disclaimer of opinions, and was not qualified or modified as to uncertainty, audit scope or accounting principles. The decision to change accountants was approved by the Corporation's Audit Committee. During the two fiscal years and the subsequent interim period prior to the date

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

of their dismissal, there were no disagreements between the Corporation and Crowe Chizek on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or principles, which disagreement(s), if not resolved to the satisfaction of Crowe Chizek, would have caused it to make a reference to the subject matter of the disagreement(s) in connection with its reports. None of the "reportable events" described in Item 304(a)(1)(v) of Regulation S-K occurred with respect to the Corporation within the fiscal years ended December 31, 2004 and 2003 and the subsequent interim period prior to the date of their dismissal.

Effective January 19, 2005, the Corporation engaged Beard Miller Company LLP as its independent auditors for the fiscal year ending December 31, 2005. During the two fiscal years and the subsequent interim period prior to the date of their engagement, the Corporation did not consult Beard Miller Company LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Pension Plan

The Bank maintains a defined benefit pension plan for all eligible employees. An employee becomes vested in the plan after five years. Upon retirement at age 65, a terminated participant is entitled to receive a monthly benefit. Prior to a 2002 amendment to the pension plan, the benefit formula was 1.1% of average monthly compensation plus .4% of average monthly compensation in excess of six hundred seventy five (\$675) multiplied by years of service. In 2002, the pension plan was amended to change the benefit structure to a cash balance formula under which the benefit payable is the actuarial equivalent of the hypothetical account balance at normal retirement age. However, the benefits already accrued by the employees prior to the amendment were not reduced. In addition, the prior benefit formula continues through December 31, 2012, as a minimum benefit. In 2005, the Bank contributed \$134,926 to the pension plan.

11

At December 31, 2005, Messrs. Cox and Lawton had 33 and six years, respectively, of credited service under the pension plan.

The following table illustrates estimated annual retirement benefits from the pension plan based on a hire age of 25:

401(k) Plan

The Bank matches 50% of an employee's contribution to the 401(k) plan up to 6% of the participant's salary.

Supplemental Retirement Agreements

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

In October 2002, following Board of Director approval, the Bank entered into supplemental retirement agreements ("Supplemental Agreements") with four key executives. The Supplemental Agreements are non-qualified defined benefit plans and are unfunded. The Supplemental Agreements have no assets, and the benefits payable under the Supplemental Agreements are not secured. The Supplemental Agreement participants are general creditors of the Corporation in regards to their vested Supplemental Agreement benefits. The Supplemental Agreements provide for retirement benefits upon reaching age 65, and the four participants are fully vested five years after the inception of the Supplemental Agreements. Upon attaining the age of 65, Mr. Cox would be entitled to \$520,000 over a 20 year period under his Supplemental Agreement. The Corporation accrued \$40,000 in expense for the Supplemental Agreements for the year ended December 31, 2005.

During September 2002, the Bank purchased single premium bank owned life insurance on the lives of the participants. The cash surrender value of the twenty life insurance policies purchased aggregated \$4.6 million at December 31, 2005. The Corporation intends to utilize the increase in cash surrender value of these insurance policies to offset executive and employee benefit costs.

Each of the Supplemental Agreements provide that in the event of a change of control of the Corporation (as defined in the agreements), the officer (i) if he has not yet qualified for retirement benefits, shall have the right to demand his withdrawal benefits (which is an amount equal to the present value of the normal retirement benefit, using a 7% discount rate and monthly compounding of interest) in a single lump sum payment, or (ii) if he has qualified for retirement benefits or has begun receiving a retirement benefit under the Supplemental Agreement, shall have the right to demand his benefits in a single lump sum payment in an amount equal to the normal retirement benefit. In the event of a change in control on December 31, 2005, Mr. Cox and the remaining three officers (in the aggregate) would have been entitled to lump sum payments of \$142,333 and \$251,692, respectively.

Change of Control Severance Agreements

The Bank has entered into severance agreements with the Chief Executive Officer and the Chief Lending officer. The agreements provide that in the event certain events take place after there is a change in control of the Corporation, or for a period two years thereafter, the executive will be entitled to a lump sum payment in the amount two (2) times the executive's base salary immediately preceding the change in control. The events

triggering such compensation include the involuntary termination of the officer's employment or taking certain adverse actions with respect to the officer's employment such as changes in the executive's duties, responsibilities or title or a reduction in his salary or benefits. In addition, for two years after such termination, the Bank is required to provide life, disability, accident and health insurance benefits substantially similar to what was in place immediately prior to such termination. Based on the salary of the Chief Executive Officer and the Chief Lending Officer as of December 31, 2005 and assuming the agreements were triggered at December 31, 2005, such individuals would have been entitled to receive \$310,000 and \$186,200, respectively, under the agreements.

Certain Transactions

There have been no material transactions, proposed or consummated, between the Corporation and the Bank with any director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons.

The Bank, like many financial institutions, has followed a policy of granting various types of loans to officers, directors, and employees and under such policy grants a discount of 100 basis points on loans extended to all employees, including executive officers. With the exception of such policy, all loans to executive officers and directors of the Corporation and the Bank have been made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank's other customers, and do not involve more than the normal risk of collectibility nor present other unfavorable features. The following table presents a summary of the only loan in excess of \$60,000 extended by the Bank to any of the Corporation's directors, nominees for director, executive officers or immediate family members of such individuals.

Name and Position	Type	Year Made	Highest Principal Balance During Year	Balance 12/31/05	Interest Rate	Market Rate
David L. Cox President and Chairman	Residential Mortgage	2003	\$160,159	\$153,452	5.625%	6.625%

Compensation Committee Interlocks and Insider Participation

None of the members of the Human Resources Committee serves or has served as an officer or employee of the Corporation or its subsidiaries. However, John B. Mason, committee member, is President of H. B. Beels & Son, Inc. and during fiscal year 2005 the business received approximately \$55,000 for services performed for the Corporation.

Compensation Committee Report on Executive Compensation

The Human Resources Committee of the Bank is composed of five members and has the responsibility to evaluate the performance of and determine the compensation for the Chief Executive Officer, to approve the compensation structure for senior management, to review the Bank's salary administration program, and to determine and authorize for payment to the Corporation's bonus plans. The Human Resources Committee during fiscal year 2005 consisted of the following individuals:

Robert L. Hunter, Chairman
George W. Freeman
Mark A. Freemer
J. Michael King
John B. Mason

It remains the philosophy and goal of Farmers National Bank to attract and retain a highly qualified and motivated workforce at all levels. The salary administration program is reviewed for consistency with industry peer group surveys. The peer group consists of banks within the geographical area of similar asset size. Salary ranges within the plan are reviewed to ensure that the various positions are being accurately compensated for their value to the organization.

Salary increases are determined by performance. The Human Resources Committee reviews the performance of the Chief Executive Officer on an annual basis by evaluating factors including, but not limited to, vision, planning, advising and assisting the Board of Directors, communication to shareholders, the development and management of subordinates, and the Bank's growth and performance. During 2005, the Human Resources Committee determined to award Mr. Cox with a 5% salary increase. Management of the Bank determines salary increases for all other officers and employees based upon performance.
