*Gavin Letter Agreement*

On June 21, 2006, Bally Technologies, Inc. (the Company), announced that it entered into a letter agreement dated June 19, 2006, with Michael Gavin Isaacs (the Agreement), pursuant to which Mr. Isaacs will serve as the Company's Chief Operating Officer and as an Executive Vice President beginning on the earlier of September 1, 2006, or such time as Mr. Isaacs is released from certain non-competition obligations with his former employer (the Effective Date).

Pursuant to the Agreement, Mr. Isaacs will receive an annual salary of \$340,000. Mr. Isaacs will also be entitled to participate in the Company's employee benefit programs as well as the Company's Management Incentive Program, with a target performance bonus of \$204,000 per year, but with a maximum of \$347,000 per year. For the Company's Fiscal Year ending June 30, 2007, Mr. Isaacs will receive a pro rata portion of the incentive plan bonus. The Company may pay up to 30% of the amount of any performance bonus earned in restricted shares of Company common stock that shall vest and become exercisable at the discretion of the Board of Directors up to two years after such shares are granted.

If the Company terminates Mr. Isaacs' employment without Cause (as defined in the Agreement), or if Mr. Isaacs terminates his employment as a result of and within one year of a reduction in salary, he shall continue to receive his salary for one year immediately following such termination. Mr. Isaacs shall also be entitled to one year of salary upon cessation of his employment if (i) Mr. Isaacs' salary is less than \$490,000 at the second anniversary of the Effective Date, (ii) Mr. Isaacs terminates his employment within 30 days of such second anniversary and (iii) the Company elects to make such payments as consideration for Mr. Isaacs' agreement not to compete with the Company for a period of one year from the date of termination. Any such payments subsequent to termination shall be subject to offset in respect of any income Mr. Isaacs earns from any other employment during such one year period.

Pursuant to the Agreement, and as a material inducement to accept his employment with the Company, subject to the approval of the Board of Directors, Mr. Isaac will receive an option to acquire 150,000 shares of Company common stock at a per-share exercise price equal to the market price of a share of Company common stock on the Effective Date. The options will vest in four installments of 37,500 shares, with an installment vesting on each of the first four anniversaries of the Effective Date, subject to Mr. Isaacs' continued employment through such dates.

Pursuant to the Agreement, subject to the approval of the Board of Directors, Mr. Isaacs will also receive a grant of 50,000 restricted shares of Company common stock pursuant to the Company's Amended and Restated 2001 Long Term Incentive Plan, as amended (the Plan). The shares of restricted stock will vest in three installments, with 25,000 shares vesting on the second anniversary of the Effective Date, and 12,500 shares vesting on each of the third and fourth anniversaries of the Effective Date.

Mr. Isaacs will also receive a one time signing bonus payment of \$10,000, as well as an annual allowance of \$150,000 for a period of two years in respect of his transition to becoming a permanent United States-based employee. The Agreement provides for non-compete and non-solicitation covenants applicable following the termination of Mr. Isaacs' employment for a period of one year, subject to certain limitations.

The foregoing summary is qualified in its entirety by reference to the complete text of the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

In the event of a Change of Control, the Restricted Stock shall become fully vested effective immediately prior to such Change of Control. Except as set forth above, any unvested portion of the Restricted Stock at the time of termination shall terminate as of the date of termination.
