PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

November 8, 2006

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of PHOTONIC PRODUCTS GROUP, INC., a New Jersey corporation with its principal offices at 181 Legrand Avenue, Northvale, New Jersey 07647 (the Company), to be used at the Annual Meeting of Shareholders of the Company to be held at the offices of Lowenstein Sandler PC, 65 Livingston Avenue, Roseland, New Jersey on Wednesday, November 8, 2006 at 10:00 a.m. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders on or about October 18, 2006.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on September 13, 2006, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the record date, there were 7,767,474 shares of the Company's Common Stock, par value \$.01 per share (the Common Stock), outstanding and entitled to vote at the meeting. Each share is entitled to one vote.

The presence in person or by proxy of owners of a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of business at the Company's Annual Meeting. Assuming that a quorum is present, the election of two Class II Directors, to hold office for 3 years, will require the vote of a plurality of the shares of Common Stock represented and entitled to vote at the Annual Meeting.

For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those cast for are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Owners of Common Stock are not entitled to cumulative voting in the election of directors.

Voting: Revocation of Proxies

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company by filing a later dated proxy with the Secretary at any time prior to its exercise or by voting at the meeting. The presence at the meeting of a stockholder who has given a proxy does not revoke the proxy unless the stockholder files a notice of revocation or votes by written ballot. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If no specification is given, the shares will be voted in favor of the Board's nominees for director described in this Proxy Statement.

Costs of Solicitation

The entire cost of soliciting these proxies will be borne by the Company. In following up the original solicitation of proxies by mail, the Company may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of the stock and may reimburse them for their expenses in so doing. If necessary, the Company may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. In accordance to the NASDAQ National Market definition of independence the Board of Directors has determined that the members of the Audit Committee satisfy such definitions of independence. The Board met eleven (11) times during fiscal year 2005 with all members in attendance.

In July 2005, Director J. Frank Wiedeman passed away. In September 2005, Luke P. LaValle, Jr. was unanimously appointed by the Board to serve the balance of Mr. Wiedeman's term. Also in September 2005, all four outside directors were made members of each committee of the Board of Directors.

Audit Committee. During 2005, the Audit Committee was comprised of four Directors: Thomas Lenagh (Chairman), Jan Winston, John Rich, and Luke P. LaValle, Jr. The Audit Committee is empowered by the Board of Directors to, among other things, serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system, review and appraise the audit efforts of the Company's independent accountants, assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's management regarding financial reporting issues, and provide an open avenue of communication among the independent accountants, financial and senior management, and the Company's Board of Directors. The Audit Committee met five (5) times during the 2005 with all members in attendance. The Audit Committee has adopted the Charter attached to this proxy as Exhibit A.

Audit Committee Financial Expert. The Board of Directors of the Company has determined that Mr. John Rich is an audit committee financial expert; as such term is defined by the SEC. Mr. Rich, as well as Mr. Thomas Lenagh and Mr. Jan Winston, have been determined to be independent within the meaning of the NASDAQ National Market definition.

Compensation Committee. During 2005, the Compensation Committee was comprised of Mr. Jan Winston, Chairman, Mr. Thomas Lenagh, Mr. Luke P. LaValle, Jr., and Mr. John Rich. The Compensation Committee reviews, approves and makes recommendations to the Board of Directors on matters regarding the compensation of the Officers of the Company. The Compensation Committee met one (1) time during the year with all members in attendance.

Nominating Committee. During 2005, the Nominating Committee was comprised of the four outside directors: Mr. John Rich, Chairman, Mr. Thomas Lenagh, Mr. Luke P. LaValle, Jr., and Mr. Jan Winston. The Nominating Committee makes recommendations to the Board of Directors for the selection of individuals to be nominated to the Board of Directors. The Nominating Committee met once during the year with all members in attendance.

Executive Committee. During 2005, the Executive committee was comprised of Mr. Jan Winston, Chairman, Mr. Tom Lenagh and Mr. John Rich. Procedures for Considering Nominations Made by Stockholders

The Nominating Committee's charter, as reflected in Exhibit B, describes procedures for nominations to be submitted by stockholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty days before or more than sixty days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate satisfies the criteria established by the Nominating Committee, as described below.

Qualifications - The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

- must satisfy any legal requirements applicable to members of the Board;
- must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;
- must have a reputation in the Company's industry, for honesty and ethical conduct;
- must have a working knowledge of the types of responsibilities expected of members of a board of directors of a public corporation;
and
- must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board - Candidates to serve on the Board will be identified from all available sources, including recommendations made by stockholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by stockholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

- a review of the information provided to the Nominating Committee by the proponent;
- a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and
- a personal interview of the candidate;

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations - In connection with the 2006 Annual Meeting, the Nominating Committee did not receive any nominations from any stockholder or group of stockholders which owned more than 5% of the Company's Common Stock for at least one year.

Communication with the Board - The Board has established a procedure that enables stockholders to communicate in writing with members of the Board. Any such communication should be addressed to the Company's Secretary and

should be sent to such individual c/o the Company. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board. Under the procedures established by the Board, upon the Secretary's receipt of such communication, the Company's Secretary will send a copy of such communication to each member of

6

the Board, identifying it as a communication received from a stockholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication

Board members are encouraged, but not required by any specific Board policy, to attend the Company's Annual Meeting.
