NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Description of Business

We develop, market and support a family of entity identification, regulated information compliance, data privacy protection, data leak prevention and network intrusion prevention/detection products. Our product families include: TraceCop for identity discovery and disclosure, Compliance Commander for regulated information compliance, leak protection and data privacy protection, and Intrusion SecureNet for network intrusion prevention and detection. Our products help protect critical information assets by quickly detecting, protecting, analyzing and reporting attacks or misuse of classified, private and regulated information for government and enterprise networks.

Our TraceCop products include: (1) databases containing IP addresses which are continually updated and used in the determination of the origination of cyber based attacks or other cyber based crimes; (2) analysis software used for the location of cyber based attacks and (3) data collected relative to the location of the crimes.

We market and distribute our products through a direct sales force to end-users, distributors and system integrators, managed service providers and value-added resellers. Our end-user customers include U.S. federal government entities, banks, credit unions, other financial institutions, foreign government entities and local government entities, hospitals and other healthcare providers, academic institutions and commercial customers.

We were organized in Texas in September 1983 and reincorporated in Delaware in October 1995. For more than 15 years, we provided local area networking equipment and were known as Optical Data Systems or ODS Networks. On April 17, 2000, we announced plans to sell, or otherwise dispose of, our networking divisions, which included our Essential Communications division and our local area networking assets. On June 1, 2000, we changed our name from ODS Networks, Inc. to Intrusion.com, Inc., and our ticker symbol from ODSI to INTZ to reflect our focus on intrusion prevention and detection solutions, along with information compliance and data privacy protection products. On November 1, 2001, we changed our name from Intrusion.com, Inc. to Intrusion Inc.

Our principal executive offices are located at 1101 East Arapaho Road, Suite 200, Richardson, Texas 75081, and our telephone number is (972) 234-6400. Our website URL is www.intrusion.com. References to we, us, our or Intrusion Inc. refer to Intrusion Inc. and i
