Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 21, 2013, the Executive Compensation Committee (the *Committee*) of the Board of Directors of Cubic Corporation (the *Company*) approved certain elements of the *Company*'s executive compensation plan, including the addition of a long-term equity incentive award program and base salary adjustments for certain of the *Company*'s named executive officers (*NEOs*).

Long-Term Equity Incentive Award Program

Historically, the *Company*'s executive compensation plan has focused on two elements: base salary and an annual performance bonus. In consultation with the *Committee*'s independent compensation consultant, the *Committee* has determined to include equity awards as an element of the executive compensation plan, as an incentive for selected individuals to lead the *Company* in achieving long-term goals and to align their interests with the long-term interests of the *Company*'s shareholders. Accordingly, on March 21, 2013, the *Committee* approved and awarded restricted stock units (*RSUs*) to the *NEOs* listed below, each of which were made under the *Company*'s 2005 Equity Incentive Plan.

Name	Title	Time-Based Vesting RSUs	Target Number of Performance-Based Vesting RSUs
William W. Boyle	Chief Executive Officer	34,278	11,426
John D. Thomas	Executive Vice President and Chief Financial Officer	25,709	8,570
Mark A. Harrison	Senior Vice President and Corporate Controller	8,570	2,857
Walter C. Zable	Executive Chairman of the Board of Directors	3,428	

Each *RSU* represents a contingent right to receive one share of the *Company*'s common stock. The time-based vesting *RSUs* vest in four equal installments on each of October 1, 2013, 2014, 2015 and 2016, subject to the recipient's continued service with the *Company* through such date. Dividend equivalent rights accrue with respect to the *RSUs* when and as dividends are paid on the *Company*'s common stock and vest proportionately with the *RSUs* to which they relate. Vested shares will be delivered to the recipient following each vesting date. The *RSUs* shall vest immediately upon a recipient's termination of employment or service as a result of his or her death or disability, or upon a recipient's termination without cause or resignation for good reason under certain circumstances.

The performance-based vesting *RSUs* are intended to reward the achievement of sales growth and return on equity objectives over a three-year performance period. The performance period for the performance-based vesting *RSUs* granted on March 21, 2013 commenced on October 1, 2012 and will end on September 30, 2015. Specifically, recipients of the performance-based vesting *RSUs* will be eligible to vest in the *RSUs* at the end of the three-year performance period based on the achievement of specified sales growth and return on equity targets for the performance period established by the *Committee*, subject to the recipient's continued service with the *Company* through such vesting date, except as otherwise provided in the applicable *RSU* agreement. The *RSUs* vest based 50% on sales growth achievement and 50% on return on equity achievement by the *Company* during such performance period. If the *Company*'s sales growth achievement and/or return on equity achievement for the performance period equals or exceeds one of three different achievement levels (threshold, target and maximum), then a certain percentage of the *RSUs* will vest (25%, 100% and 200%, respectively). The percentage for determining the number of *RSUs* that will vest if performance is between the specified achievement levels will be determined by linear interpolation between the applicable achievement amounts.

for each measure.

The Company's sales growth generally means the aggregate of the Company's sales during the performance period, divided by a baseline sales level determined by the Committee. The Company's return on equity for the performance period generally means the Company's net income return on equity, expressed as an average annual percentage of beginning equity.

Following the completion of the three-year performance period, the Committee will certify the Company's performance relative to the sales growth and return on equity objectives for such performance period. As described above, based on the level of such sales growth and return on equity, the number of target RSUs granted to a recipient will be multiplied by a percentage from 0% to 200% to determine the number of RSUs vesting. Dividend equivalent rights accrue with respect to the RSUs when and as dividends are paid on the Company's common stock and vest proportionately with the RSUs to which they relate. Vested shares will be delivered to the recipient following the vesting date.

Upon a change in control of the Company, a number of performance-based vesting RSUs equal to the target RSUs will vest immediately prior to the date of such change in control. In addition, a number of performance-based vesting RSUs equal to the target RSUs will vest immediately upon a recipient's termination of employment or service as a result of his or her death, disability, termination without cause or resignation for good reason; however, in the event of a recipient's termination without cause or resignation for good reason, the target RSUs vesting as a result of such termination will be prorated for the portion of the performance period that has elapsed prior to the date of such termination.

The RSU awards are intended to be an ongoing part of the Company's executive compensation plan. It is expected that the Committee may approve RSU awards in appropriate amounts in future years that are of a similar type to those described above, but those awards may vest based on different performance objectives; however, the Committee is not obligated to do so.

The foregoing provides only a brief description of the terms and conditions of the RSU awards, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the forms of the RSU award agreements, copies of which will be filed by the Company as exhibits to the Company's quarterly report on Form 10-Q for the quarterly period ending March 31, 2013.

Base Salary Adjustments

On March 21, 2013, the Committee established the following annual base salaries for certain NEOs, effective January 31, 2013: Mr. Boyle, \$750,000; Mr. Thomas, \$475,000; and Mr. Zable, \$600,000. The Committee also set the target annual cash bonus for Mr. Boyle at 100% of his base salary. Base salaries and target bonuses for other NEOs were not changed.
