**Item 7.01 Regulation FD Disclosure.**

On May 22, 2013, Scientific Games Corporation (the Company) completed the syndication of a contemplated \$2.3 billion term loan facility that, together with a previously syndicated \$300 million revolving credit facility, is expected to be entered into in connection with the Company's pending acquisition of WMS Industries Inc. (WMS). The term loans are anticipated to bear interest at a rate, at the borrower's option, of either (a) the Eurocurrency rate for a specified interest period plus 3.25% or (b) a base rate plus 2.25%, in either case subject to a Eurocurrency rate floor of 1.00% or a base rate floor of 2.00%, as applicable. In addition, it is anticipated that the term loans will be issued with 0.50% of original issue discount (or payment of an upfront fee in lieu thereof), and that the Company will pay a ticking fee to the term loan lenders upon closing of the pending acquisition. Completion of the acquisition remains subject to approvals by gaming regulatory authorities and other customary closing conditions. Completion of the financing is subject to execution of definitive documentation, completion of the pending acquisition, repayment of borrowings under, and termination of, the existing senior credit facilities of the Company and WMS and other customary closing conditions. There can be no assurance that the financing or the acquisition will be completed.
