The Board has fixed the close of business on March 31, 2010 as the record date for determination of shareholders entitled to notice of, and the right to vote at, the Meeting.

As set forth in the enclosed Proxy Statement, proxies are being solicited by and on behalf of the Board. All proposals set forth above are proposals of the Company. It is expected that these materials will be mailed to shareholders on or about April 14, 2010.

The Bylaws of the Company provide for the nomination of Directors in the following manner:

“Nominations for election of members of the board of directors may be made by the board of directors or by any shareholder of any outstanding class of capital stock of the corporation entitled to vote for the election of directors. Notice of intention to make any nominations (other than for persons named in the notice of the meeting at which such nomination is to be made) shall be made in writing and shall be delivered or mailed to the president of the corporation no more than sixty (60) days prior to any meeting of shareholders called for the election of directors and no more than ten (10) days after the date the notice of such meeting is sent to shareholders pursuant to Section 2.4 of these Bylaws; provided, however, that if ten (10) days notice of such meeting is sent to shareholders, such notice of intention to nominate must be received by the president of the corporation not later than the time fixed in the notice of the meeting for the opening of the meeting. Such notification shall contain the following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the corporation owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of capital stock of the corporation owned by the notifying shareholder; (f) with the written consent of the proposed nominee, a copy of which shall be furnished with the notification, whether the proposed nominee has ever been convicted of or pleaded nolo contendere to any criminal offense involving dishonesty or breach of trust, filed a petition in bankruptcy or been adjudged a bankrupt. The notice shall be signed by the nominating shareholder and by the nominee. Nominations not made in accordance herewith shall be disregarded by the chairman of the meeting and, upon his instructions, the inspectors of election shall disregard all votes cast for each such nominee. The restrictions set forth in this paragraph shall not apply to nomination of a person to replace a proposed nominee who has died or otherwise become incapacitated to serve as a director between the last day for giving notice hereunder and the date of election of directors if the procedure called for in this paragraph was followed with respect to the nomination of the proposed nominee. A copy of the preceding paragraph shall be set forth in the notice to shareholders of any meeting at which directors are to be elected.”

Since important matters are to be considered at the Meeting, it is very important that each shareholder vote.

We urge you to sign and return the enclosed proxy as promptly as possible, whether or not you plan to attend the Meeting in person. The enclosed proxy is solicited by the Board. Any shareholder who executes and delivers such a proxy has the right to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by submitting prior to the Meeting a properly executed proxy bearing a later date or by being present at the Meeting and electing to vote in person by advising the Chairman of the Meeting of such election.

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 27, 2010

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies to be used at the Annual Meeting (Meeting) of Shareholders, to be held on Thursday, May 27, 2010 at 6:00 P.M. PDT at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof. The designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record (shareholders) on March 31, 2010 (Record Date) are entitled to notice of and to vote in person or by proxy at the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 14, 2010. The Company's Annual Report to Shareholders, including consolidated financial statements for the year ended December 31, 2009, accompanies this Proxy Statement.

Regardless of the number of shares of Common Stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are to indicate their vote in the spaces provided on the Proxy. Proxies solicited by the Board will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted "AUTHORITY GIVEN" for all eight nominees in the election of the Directors named in this Proxy Statement, "FOR" approval of the advisory (non-binding) resolution on executive compensation and "FOR" ratification of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2010. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Other than the matters set forth on the attached Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a Proxy, however, confers to each of Gregory Morrissey and Carlyn Smith, as the designated Proxyholders, discretionary authority to vote the shares in accordance with the recommendations of the Board on such other business, if any, which may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting. In addition, the Proxy being solicited confers, and the holders of each Proxy shall have, discretionary authority to vote with respect to any matter if the Company did not have notice of such matter by February 27, 2010, which is at least 45 days before the date on which the Company first mailed its proxy materials for the prior year's Annual Meeting of Shareholders.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. Election of Directors. To elect eight persons to the Board of Directors of the Company to serve until the 2011 Annual Meeting of Shareholders and until their successors are elected and have qualified. The following persons are the Board of Directors' nominees:

Robert H. Bartlein
Jean W. Blois
John D. Illgen
Lynda J. Nahra

William R. Peeples
James R. Sims, Jr.
Kirk B. Stovesand
C. Richard Whiston

2. Shareholder Advisory (Non-Binding) Vote on Executive Compensation. To consider and approve the following advisory (non-binding) proposal:

“RESOLVED, that the shareholders of Community West Bancshares approve the compensation of executive officers as described under the heading “Executive Compensation” including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure.”

3. Ratification of the Company’s Independent Auditors. To ratify the appointment of Ernst & Young LLP as the Company’s independent auditors for the fiscal year ending December 31, 2010.

4. Other Business. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, approving an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the eight nominees for election.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB or Bank), without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$12,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 31, 2010 has been fixed by the Board as the Record Date for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournments or postponements thereof. The total number of shares of Common Stock outstanding on the Record Date was 5,915,130 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate votes provided that the candidates’ names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that shareholder, or to distribute such votes among as many candidates as the shareholder deems fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.

Of the shares of Common Stock outstanding on the Record Date, 1,256,574 shares of Common Stock (21.24%) of the issued and outstanding shares of Common Stock were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote “AUTHORITY GIVEN” for all eight nominees in the election of Directors, “FOR” the advisory (non-binding) resolution on executive compensation, and “FOR” ratification of the selection of Ernst & Young LLP as the Company’s independent auditors for the fiscal year ending December 31, 2010. Under California law and the Company’s Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum.

If your shares are held in "street name" by a brokerage firm, to vote your shares, you will need to follow the directions your brokerage firm provides to you. Under the current rules of the New York Stock Exchange (NYSE), if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain "routine" matters, but will not be allowed to vote your shares with respect to certain "non-routine" matters. For example, the ratification of Ernst & Young LLP as the Company's independent auditors is considered to be a routine matter under the NYSE rules and your brokerage firm will be able to vote on that item if it does not receive instructions from you, so long as it holds your shares in its name. Starting this year, the election of Directors is a non-routine matter. If you do not instruct your broker how to vote with respect to the election of Directors (Proposal 1), your broker may not vote with respect to this proposal and those votes will be counted as "broker non-votes." "Broker non-votes" are shares that are held in "street name" by a bank or brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. As such, a broker non-vote will not have the effect of votes in opposition to any nomination for the election of Directors. In addition, abstentions will not have the effect of votes in opposition to any nominee for election of Directors.

The advisory (non-binding) proposal regarding the compensation of the Company's Named Executive Officers (Proposal 2) and the proposal to ratify the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2010 (Proposal 3) will be approved if a majority of the votes represented in person or by proxy at the Meeting are voted "FOR" the proposal. Abstentions and broker non-votes will not be counted as votes cast on either proposal and will have no impact on the approval of either proposal.

PROPOSAL 1 ELECTION OF DIRECTORS

Directors and Executive Officers

The Company's Bylaws provide that the authorized number of Directors shall be not less than six nor more than 11, with the exact number of Directors fixed from time to time by resolution of a majority of the Board or by resolution of the shareholders. The number of Directors is currently fixed at eight.

At the Meeting, eight persons will be elected to serve as Directors of the Company until the 2011 Annual Meeting and until their successors are elected and have qualified. The eight persons named below, all of whom are currently Directors of the Company, have been nominated by the Board for re-election. A Proxy that is submitted to the Company with the instruction "AUTHORITY GIVEN" or without instructions will be voted in such a way as to effect the election of all eight nominees, or as many thereof as possible. In the event that any of the nominees should be unable to serve as a Director, it is intended that the Proxy will be voted for the election of such substitute nominees, if any, as shall be designated by the Board. Each nominee has consented to being named in the Proxy Statement and has agreed to serve as a member of the Board, if elected. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve. Additional nominations can only be made by complying with the notice provision set forth in the Bylaws of the Company, an extract of which is included in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. This Bylaw provision is designed to give the Board advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the notice provisions are not followed.

Pursuant to Nasdaq Stock Market (NASD) Rule 4200 (a) (15), the Board has made an affirmative determination that the following members of the Board are "independent" within the meaning of such rule: Robert H. Bartlein, Jean W. Blois, John D. Illgen, William R. Peeples, James R. Sims, Jr., Kirk B. Stovesand and C. Richard Whiston. As such, pursuant to NASD Rule 4350 (c) (1), a majority of the members of the Board and all the members of the Audit Committee are "independent" as so defined.

The following persons have been nominated for election by the Board:

Robert H. Bartlein	William R. Peeples
Jean W. Blois	James R. Sims, Jr.
John D. Illgen	Kirk B. Stovesand
Lynda J. Nahra	C. Richard Whiston

The Board of Directors recommends a vote of "AUTHORITY GIVEN" for all eight nominees in the election of Directors.

CERTAIN INFORMATION REGARDING THE BOARD OF DIRECTORS

Meetings and Committees

The Board met 13 times (12 regular meetings and one special meeting) during the year ended December 31, 2009, and had the following standing committees that met during the year: Audit Committee, Personnel / Compensation Committee and Nominating and Corporate Governance Committee. In addition, the Company's Directors served on the Board of Directors of CWB, including the various committees established by that subsidiary. During 2009, none of the Company's Directors attended less than 75% of the Company's Board meetings and meetings of committees on which they served. All Board members, with the exception of Mr. Sims, attended the 2009 Annual Meeting of Shareholders.

The Audit Committee is composed of four independent Directors: Messrs. Stovesand, Peeples, Sims and Whiston. This Committee is responsible for review of all internal and external examination reports and selection of the Company's independent auditors. The Audit Committee met five times during 2009.

The Nominating and Corporate Governance Committee is composed of three independent Directors: Messrs. Peeples, Bartlein and Illgen. The Committee is responsible for recommendations regarding the Board's composition and structure and policies and processes regarding overall corporate governance. The Committee met one time during 2009.

The Personnel / Compensation Committee is composed of four independent Directors: Mrs. Blois and Messrs. Bartlein, Illgen and Peeples. The Committee is responsible for determining executive compensation. This Committee met two times during 2009.

Board Leadership Structure and Role in Risk Oversight

The Board has separated the positions of Chairman of the Board and Chief Executive Officer and has elected William R. Peeples, a non-employee independent Director, as the Chairman, and Lynda J. Nahra as the Company's President and Chief Executive Officer. Separating these positions allows the Chief Executive Officer to focus on day-to-day business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. The Board recognizes the time, effort and energy that the Chief Executive Officer is required to devote to her position in the current business environment, as well as the commitment required to serve as the Chairman, particularly as the Board's oversight responsibilities continue to grow. While the Company's bylaws and corporate governance guidelines do not require that the Company's Chairman and Chief Executive Officer positions be separate, the Board believes that having separate positions and having an independent outside Director serve as Chairman is the appropriate leadership structure for the Company at this time and demonstrates the Company's commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including economic risks, environmental and regulatory risks and others, such as the impact of competition. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and that full and open communication between management and the Board of Directors are essential for effective risk management and oversight. The Company's Chairman meets regularly with the President and Chief Executive Officer and other senior officers to discuss strategy and risks facing the Company. Senior management is available to address any questions or concerns raised by the Board on risk management-related and any other matters. Periodically, the Board of Directors receives presentations from senior management on strategic matters involving the Company's operations. The Board holds strategic planning sessions with senior management to discuss strategies, key challenges and risks and opportunities for the Company.

While the Board is ultimately responsible for risk oversight at the Company, the Board's various standing committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management. Risk assessment reports are regularly provided by management to the Audit Committee. The Personnel/Compensation Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from compensation policies and programs. The Nominating and Corporate Governance Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our Directors and executive officers and corporate governance.

Audit Committee Report

The Report of the Audit Committee of the Board shall not be deemed filed under the Securities Act of 1933 (Securities Act) or under the Exchange Act.

The Board maintains an Audit Committee comprised of four of the Company's Directors, who each met the independence and experience requirements of NASD Rule 4200 (a) (15). The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written charter, which was last amended on December 20, 2007 and last ratified on December 17, 2009, and is assessed annually for adequacy by the Audit Committee. A copy of the Charter is included as Appendix A to the Company's 2008 Proxy Statement, as filed with the SEC on April 7, 2008, and is available at www.sec.gov.

Based on the attributes, education and experience requirements required by NASD Rule 4350 (d) (2) (A), the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified William R. Peeples as an "Audit Committee Financial Expert" as defined under Item 407 (d) (5) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

- Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2009; and
- Obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

The Company's independent auditors, Ernst & Young LLP (Ernst), are responsible for performing an audit of the Company's financial statements in accordance with the auditing standards generally accepted in the United States and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

- Discussed with Ernst the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and
- Received and discussed with Ernst the written disclosures and the letter from Ernst required by applicable requirements of PCAOB regarding Ernst's communications with the Audit Committee concerning independence, and reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2009 was compatible with their independence.

In addition, the Company received a letter from Ernst to the effect that Ernst's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of Ernst personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Nor is it the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

Based upon the reviews and discussions described above, and the report of Ernst, the Audit Committee has recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee (NCGC Committee) was established in February 2004 and the committee charter (Charter) was approved. The latest version was approved in December 2009 and is included as Appendix A to this Proxy Statement. The NCGC Committee, consisting of three independent Directors, makes recommendations to the Board regarding the Board's composition and structure, nominations for elections of Directors and policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders. The NCGC Committee reviews the qualifications of, and recommends to the Board, candidates as additions, or to fill Board vacancies, if any were to occur during the year.

The NCGC Committee will consider, as part of its nomination process, any Director candidate recommended by a shareholder of the Company who follows the procedures in this Proxy Statement shown under the heading "2010 Shareholder Proposals" set forth below. The NCGC Committee will follow the processes in the Charter when identifying and evaluating overall Board composition and individual nominees to the Board.

Additional information regarding (i) the NCGC Committee's policy with regard to the consideration of any Director candidates recommended by security holders and related procedures to be followed by security holders in submitting such recommendations, (ii) minimum qualifications of Director candidates, and (iii) the NCGC Committee's process for identifying and evaluating nominees for Directors, is incorporated herein by reference to the Charter.

The NCGC Committee determines the required selection criteria and qualifications of Director nominees based upon the Company's needs at the time nominees are considered. In general, Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of the Company's shareholders. In addition to the foregoing considerations, the NCGC Committee will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; number of other board seats; and, willingness to commit the necessary time to ensure an active board whose members work well together and possess the collective knowledge and expertise required by the Board. The NCGC Committee considers these same criteria for candidates regardless of whether the candidate was identified by the NCGC Committee, by shareholders, or any other source.

The goal of the NCGC Committee is to seek to achieve a balance of knowledge and experience on the Company's Board. To this end, the NCGC seeks nominees with the highest professional and personal ethics and values, an understanding of the Company's business and industry, diversity of business experience, expertise and backgrounds, a high level of education, broad-based business acumen and the ability to think strategically. The composition of the current Board reflects diversity in business and professional experience, skills, and gender. The NCGC reviews the effectiveness of the Charter in achieving the goals of the NCGC Committee as stated therein annually.

Personnel / Compensation Committee

The Personnel / Compensation Committee (PCC) is responsible for reviewing and approving the Company's overall compensation and benefit programs and for administering the compensation of the Company's executive and senior officers. There currently is no formal charter enumerating the PCC's functions and objectives. During 2009, neither the PCC nor the Board of Directors utilized the services of an outside compensation consultant.

The PCC's functions and objectives are: (i) to determine the competitiveness of current base salaries, annual and long-term incentives relative to specific competitive markets for the President and Chief Executive Officer and other senior management; (ii) to develop a performance review mechanism that has written objectives and goals which are used to make salary increase determinations; (iii) to develop an annual incentive plan for senior management; and (iv) to provide guidance to the Board in its role in establishing objectives regarding executive compensation. The

PCC's overall compensation philosophy is as follows: (i) to attract and retain quality talent which is critical to both short-term and long-term success; (ii) to reinforce strategic performance objectives through the use of incentive compensation programs; (iii) to create a mutuality of interest between executive and senior officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making; and (iv) to encourage executives to achieve substantial levels of ownership of stock in the Company.

On February 17, 2009, the American Recovery and Reinvestment Act (ARRA) was signed into law which amended several key provisions of the 2008 Emergency Economic Stabilization Act of 2008 (EESA). EESA, as amended by ARRA, applies to the Company for so long as any obligation resulting from the Company's participation in the Troubled Asset Relief Program – Capital Purchase Program remains outstanding and requires that: (i) the PCC be comprised entirely of independent directors; (ii) the PCC meet at least semiannually to discuss and evaluate employee compensation plans in light of an assessment of any risk posed to the Company from such plans; and (iii) provide certain certifications that the PCC has reviewed with the Company's senior risk officers the incentive compensation arrangements and has made reasonable efforts to ensure that such arrangements do not encourage such officers to take unnecessary or excessive risks that threaten the value of the Company.

PROPOSAL 2

A NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF
THE NAMED EXECUTIVE OFFICERS

ARRA requires the Company, during the period in which any obligation arising from the Company's participation in the Trouble Asset Relief Program - Capital Purchase Program (TARP-CPP) remains outstanding to submit to the Company's shareholders a non-binding vote on the compensation of the Company's Named Executive Officers, as described in the section entitled "EXECUTIVE COMPENSATION" below, including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies through the following resolution: "RESOLVED, that the shareholders of Community West Bancshares approve the compensation of executive officers as described under the heading "EXECUTIVE COMPENSATION," including the tabular disclosure regarding named executive officer compensation and the accompanying the narrative disclosure in this Proxy Statement."

This vote shall not be binding on the Board of Directors and will not be construed as overruling a decision by the Board nor create or imply any additional fiduciary duty by the Board. However, the PCC will take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the meeting. On this matter, abstentions will have no effect on the voting. The Board of Directors believes that the compensation practices of the Company are designed to accomplish the objectives of the PCC's compensation philosophy, and they are appropriately aligned to the long-term success of the Company and the interests of shareholders.

The Board of Directors recommends a vote "FOR" approval of the compensation of the Named Executive Officers.

Employment Arrangements and Other Factors Affecting 2009 Compensation

Ms. Nahra and Messrs. Baltuskonis and Favor (Named Executive Officers) have entered into written employment agreements with the Company. For a description of the material terms of such employment agreement, please see "Potential Payments upon Retirement, Termination or Change-In-Control" herein.

In connection with the Bank's participation in TARP-CPP, each Named Executive Officer has entered into a written agreement with the Company pursuant to which they have agreed to certain modifications to compensation, bonus, incentive and other benefit plans, arrangements and agreements, including golden parachute, severance and employment agreements (Benefit Plans). The modifications to the Benefit Plans are intended to comply with the requirements for executive compensation set forth in EESA pursuant to which the TARP-CPP was authorized. These agreements modify Benefit Plans in the following ways: (i) the payment of golden parachutes to the Named Executive Officers is prohibited; (ii) any bonus and incentive compensation paid to a Named Executive Officer is subject to recovery or "clawback" by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria; and (iii) compensation incentives for Named Executive Officers to take unnecessary and excessive risks that threaten the value of the Company are prohibited.

In addition, EESA, as subsequently amended by ARRA in February 2009, requires that the Secretary of the Treasury (Secretary) promulgate standards governing executive compensation at financial institutions that have received assistance under TARP-CPP. On June 15, 2009, the Secretary released the Treasury's Interim Final Rule (Rule) for TARP Standards for Compensation and Corporate Governance, which clarifies and expands the compensation

restrictions detailed in the ARRA and assists in complying with the requirements under Section 111 of EESA, as amended by ARRA. The Rule also established the Office of the Special Master and gave the Special Master specific powers designed to oversee executive pay matters. The Rule supersedes all prior rules and guidance issued by the Treasury regarding the executive compensation and corporate governance standards required of TARP-recipients to the extent that such prior rules and guidelines conflict. The following are some, but not all, key features of the executive compensation restrictions in ARRA, as clarified and modified by the Rule:

- Prohibition of bonus and similar payments to the most highly compensated employee. For companies, like the Company, receiving an investment of less than \$25 million from the Treasury, ARRA prohibits the payment of any bonus, retention award or incentive compensation to the Company's "most highly compensated employee", except for long-term restricted stock as more fully discussed below, for so long as any obligation arising from the Company's participation in TARP-CPP remains outstanding. The prohibition does not apply to bonuses payable pursuant to "employment agreements" in effect prior to February 11, 2009 that called for pre-determined bonus payments to be made during the prohibition period, so long as the participant had a legally binding right to the payment and the agreement is not modified to allow for accelerated vesting or increases in the amount payable. The Rule defines "most highly compensated employee" by reference to total annual compensation as calculated under the securities regulations, to most accurately capture the amounts earned by these executives each year.

- Limited amount of restricted stock excluded from bonus prohibition. “Long-term” restricted stock is excluded from ARRA’s bonus prohibition, but only to the extent the value of the stock does not exceed one-third of the total amount of annual compensation (which includes base salary, incentive compensation and "other income" such as perquisites, 401(k) contributions and life insurance premiums) of the employee receiving the stock, the stock does not “fully vest” until after all TARP-CPP-related obligations have been satisfied and any other conditions which the Treasury may specify have been met.
- Shareholder “say-on-pay” vote required. ARRA requires every registered company receiving TARP-CPP assistance to submit to shareholders a non-binding advisory vote to approve the compensation of executives as disclosed in the Company’s Proxy Statement. The Rule reaffirms that companies must submit to their shareholders an annual non-binding advisory proposal on executive compensation for as long as any TARP-CPP-related obligations remain outstanding. The Company has included a say-on-pay (non-binding) proposal as Proposal 2 in this Proxy Statement.
- Stricter restrictions on “golden parachute” payments. The ARRA expanded the original EESA's limits on “golden parachute” payments, prohibiting any golden parachute payment to senior executive officers or any of the next five most highly-compensated employees upon an employee's departure for any reason for as long as any TARP-CPP-related obligations remain outstanding. While the ARRA limited the definition of golden parachutes to payments for an employee's departure for any reason, the Rule also includes payments made in connection with a change in control of the Company. The restriction on payments is without regard to the three times base amount threshold described in Internal Revenue Code Section 280G(e).
- Broader bonus clawback requirements. EESA required TARP-CPP-participating companies to recover any bonus, retention or other incentive payment paid to a senior executive officer on the basis of materially inaccurate financial or other performance criteria. ARRA extends this recovery requirement to the next 20 most highly-compensated employees in addition to the senior executive officers. There is no "sunset provision" for recovering incentive compensation and a statement of earnings is not required to trigger the clawback. The Rule also requires that the TARP-CPP recipient actually exercise its clawback rights in such a case unless the TARP-CPP recipient can demonstrate that it would be unreasonable to do so (for example, if the expense of enforcing the clawback right exceeds the benefits of doing so).
- Prohibition on compensation plans that “encourage” earnings manipulation. ARRA prohibits TARP-CPP participants from implementing any compensation plan that would encourage manipulation of the reported earnings to enhance the compensation of any of its employees. The Rule requires the PCC to conduct an assessment of the Company's compensation programs for its senior executives and other employees in relation to excessive risk taking and earnings manipulation at least every six months beginning on September 14, 2009. The PCC will be required to detail how the incentive plans do not encourage unnecessary and excessive risk, including the steps it took to limit the risks under the compensation plans, in the PCC’s report included in the Company's annual proxy statement.
- Board compensation committee and compensation committee certification required. TARP-CPP participants must establish a board compensation committee comprised of independent directors that must meet at least semiannually with senior risk officers to discuss and evaluate employee compensation plans in light of an assessment of any risk to the Company posed by such plans. The Rule requires that the compensation committee must certify annually that it has completed its reviews of the compensation plans. These certifications must be provided within 120 days after the end of each fiscal year to the company's primary regulatory agency.
- New reporting and certification requirements. ARRA requires the CEO and CFO of any publicly-traded TARP-CPP-participating company to provide, within 90 days after the end of each fiscal year, a written certification of compliance with the executive compensation restrictions in the company’s annual filings with the SEC (i.e., in its

Annual Report on Form 10-K or Proxy Statement). The Rule provided a sample certification to be executed by the CEO and CFO, certifying that the company is in compliance with the Rule.

- **Policy on luxury expenditures.** Each TARP-CPP-participating company must adopt and implement a company-wide written policy regarding excessive or luxury expenditures, including excessive expenditures on entertainment or events, office and facility renovations, aviation or other transportation services. This policy must be posted on the TARP-CPP participant's website and filed with the Treasury and its primary regulatory agency before September 14, 2009. The Company has posted a copy of its expense reimbursement policy on its website at www.communitywest.com.
- **Treasury review of prior payments.** ARRA directs the Treasury to review bonuses, retention awards and other compensation paid to the senior executive officers and the next 20 most highly-compensated employees of each company receiving TARP-CPP assistance before February 17, 2009, to determine whether any such payments were inconsistent with the purposes of EESA or TARP-CPP, or otherwise contrary to the public interest. The Rule provides that if the Treasury makes such a determination, the Secretary may “seek to negotiate” with the TARP-CPP recipient and affected employees for reimbursement if it finds any such payments were inconsistent with TARP-CPP or otherwise in conflict with the public interest. The Rule empowers the Special Master with the responsibility of administering these provisions.
- **\$500,000 annual deduction limit.** The Rule continues to prohibit TARP-CPP participants from deducting annual compensation paid to each of their five senior executive officers in excess of \$500,000 pursuant to Internal Revenue Code Section 162(m)(5).
- **No excessive risks.** Like EESA, ARRA requires the Treasury to implement limits on compensation that exclude incentives for senior executive officers of a TARP-CPP-participating company to take unnecessary and excessive risks that threaten the value of the company for as long as any TARP-CPP-related obligation remains outstanding. The Rule extends the required risk analysis of compensation to all employees of TARP-CPP participants.
- **Annual Disclosure of Perquisites in Excess of \$25,000.** Expanding upon SEC disclosure requirements regarding perquisites paid to a company's named executive officers, the Rule requires TARP-CPP participants to disclose annually to the Treasury and to its primary regulator any perquisite provided to any employee subject to the bonus limitations where the total value of such perquisite exceeds \$25,000. In addition, the TARP-CPP will be required to provide justification for providing any such perquisite.
- **Elimination of Gross-Ups.** The Rule prohibits TARP-CPP recipient payments of any tax gross-ups with respect to any severance payments, perquisites, or any other form of compensation for the senior executive officers and the next 20 highly compensated employees. The only exception is the payment of gross-ups in connection with an expatriate assignment.
- **Annual Description on Engagement of Compensation Consultants.** During the period commencing September 14, 2009, and continuing so long as any obligation arising under TARP-CPP remains outstanding, the PCC must provide to the Treasury and to its primary federal regulator, within 120 days of the completion of a fiscal year, an annual narrative description of whether the Company, the Board of Directors or the PCC has engaged a compensation consultant, and all types of services, including non-compensation related services, the compensation consultant or any of its affiliates has provided to the Company, the Board or the PCC during the past three years, including any “benchmarking” or comparisons employed to identify certain percentile levels of compensation (for example, entities used for benchmarking and a justification for using these entities and the lowest percentile level proposed for compensation).

We have already implemented the prior requirements of EESA. The PCC may find it necessary to make certain modifications of the compensation opportunity for some or all of the executive officers and other highly compensated

employees based upon the Rule approved by the Treasury on June 15, 2009 related to executive compensation restrictions and limitations applicable to recipients of an investment under TARP-CPP.

Stock Option Plans

In connection with the bank holding company reorganization, the Company adopted the Community West Bancshares 1997 Stock Option Plan (1997 Plan) providing for the issuance, as amended at the 2003 Annual Meeting of Shareholders, of up to 1,292,014 option shares. This Plan expired on January 23, 2007.

On March 23, 2006, the Company's Board adopted the 2006 Stock Option Plan (2006 Plan), and the 2006 Plan was approved by the shareholders at the 2006 Annual Meeting of Shareholders. The 2006 Plan provides for the issuance of up to 500,000 shares of the Company's Common Stock (Common Stock) to Directors, officers and key employees of the Company and CWB. See tables entitled "OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END" and "DIRECTOR COMPENSATION TABLE" for more information regarding options outstanding as of December 31, 2009.

Eligibility. Full-time employees, officers and Board members of the Company and subsidiaries, including CWB, are eligible to receive awards under the 2006 Plan at the discretion of the Board.

Plan Term. The 2006 Plan's term commenced on May 25, 2006 and will terminate on March 23, 2016 (subject to early termination is described herein).

Administration. The 2006 Plan is administered by the Board, serving as the "Stock Option Committee", one or more of whom may also be executive officers and therefore may not be deemed to be "independent," as that term is defined in the listing standards of the NASDAQ Stock Market, Inc. Members of the Board receive no additional compensation for their administration of the Plans. Each Director will abstain from approving the grant of any options to themselves. Options may be granted only to Directors, officers and key employees of the Company and any subsidiary, including CWB. Subject to the express provisions of the 2006 Plan, the Board is authorized to construe and interpret the 2006 Plan, and make all the determinations necessary or advisable for administration of the 2006 Plan. The full text of the 2006 Plan is available as Appendix A to the Company's Proxy Statement filed with the SEC on April 13, 2006.

Incentive and Non-Qualified Stock Options. The 2006 Plan provides for the grant of both incentive stock options and non-qualified options. Incentive stock options are available only to persons who are employees of the Company, and are subject to limitations imposed by applicable sections of the Code, including a \$100,000 limit on the aggregate fair market value (determined on the date the options are granted) of shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year (under the 2006 Plan and all other "incentive stock option" plans of the Company). Any options granted under the 2006 Plan which do not meet the limitations for incentive stock options, or which are otherwise not deemed to be incentive stock options, shall be deemed "non-qualified".

Amendment and Termination of the 2006 Plan. The 2006 Plan, and all stock options previously granted under the 2006 Plan, shall terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization, or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options theretofore granted shall become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate, unless provision is made for the assumption or substitution thereof. As a result of these acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. The Board may at any time suspend, amend or terminate the 2006 Plan, and may, with the consent of the respective optionee, make such modifications to the terms and conditions of outstanding options as it shall deem advisable. Certain amendments to the 2006 Plan may also require shareholder approval if such amendment or modification would: (a) materially increase the number of shares of Common Stock which may be issued under the 2006 Plan; (b) materially increase the number of shares of Common Stock which may be issued at any time under the 2006 Plan to all Directors who are not also officers or key employees of the Company; (c) materially modify the requirements as to eligibility for participation in the 2006 Plan; (d) increase or decrease the exercise price of any option granted under the 2006 Plan; (e) increase the maximum term of options provided for in the 2006 Plan; (f) permit options to be granted to any person who is not an eligible participant; or (g) change any provision of the 2006 Plan which would affect the qualification as an incentive stock

option under the 2006 Plan. The amendment, suspension or termination of the 2006 Plan will not, without the consent of the optionee, alter or impair any rights or obligations under any outstanding option under the 2006 Plan.

Adjustments Upon Changes in Capitalization. The total number of shares covered by the 2006 Plan and the price, kind and number of shares subject to outstanding options thereunder, will be appropriately and proportionately adjusted if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation or otherwise, without consideration to CWBC as provided in the 2006 Plan. Fractional share interests of such adjustments may be accumulated, although no fractional shares of stock will be issued under the 2006 Plan.

Pension Benefits

Excluding any tax-qualified contribution plan and any nonqualified defined contribution plan, none of the Named Executive Officers or any other key officers participate in any plan that provides for payments or other benefits at, following, or in connection with, retirement.

Potential Payments upon Retirement, Termination or Change-In-Control

Employment Arrangements for Lynda J. Nahra

Ms. Nahra has an employment contract, effective January 1, 2007. For 2009, Ms. Nahra's annual base salary was \$225,000. In addition, she has a deferred compensation account established and maintained at CWB for her benefit. To this account, the Company credited \$50,000 each on December 31, 2006 and on March 31, 2007. In addition, \$2,000 per month will also be credited to this account during the term of Ms. Nahra's employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB six-month certificate of deposit rate. No funds in this account will vest prior to the date Ms. Nahra attains age 65, and normal payments would not commence until such time as Ms. Nahra attains age 66, whether or not she is employed by the Company. In the event of a change of control before Ms. Nahra attains age 65, Ms. Nahra will vest 50% of the account balance.

Ms. Nahra's contract specifies that, in the event of termination without cause, she would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if she is terminated within one year following such event, she would be entitled to base salary and benefits for a period of one year.

Under this contract, Ms. Nahra was granted options covering 5,000 shares in January 2007 and 2008, and February 2009.

Under Ms. Nahra's former agreement, she also earned a base salary of \$225,000 and received 6% of this base salary per annum credited to her deferred compensation plan, plus the monthly interest. The CWB contributions to this old plan were discontinued as of 2007, but interest will continue to be credited until Ms. Nahra's termination. Ms. Nahra is also eligible for an annual bonus at the sole discretion of CWB's Board Personnel / Compensation Committee. For 2009 and 2008, such bonus amount awarded was \$0 and \$20,000, respectively.

Employment Arrangements for Charles G. Baltuskonis

In addition, he has a deferred compensation account established and maintained at CWB for his benefit. To this account, the Company credited \$40,000 each on July 1, 2007 and on December 31, 2007. In addition, \$1,600 per month will also be credited to this account during the term of Mr. Baltuskonis' employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB six-month certificate of deposit rate. No funds in this account will vest prior to the date Mr. Baltuskonis attains age 65, and normal payments would not commence until such time as Mr. Baltuskonis attains age 66, whether or not he is employed by the Company. In the event of a change of control before Mr. Baltuskonis attains age 65, Mr. Baltuskonis will vest 50% of the account balance.

Mr. Baltuskonis' contract specifies that, in the event of termination without cause, he would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if he is terminated within one year following such event, he would be entitled to base salary and benefits for a period of one year. Mr. Baltuskonis is also eligible for an annual bonus which is determined

by the Board in its sole discretion. For 2009 and 2008, such bonus amount awarded was \$0 and \$15,000, respectively.

Mr. Baltuskonis was granted options covering 3,750 shares in July 2007, 2008 and 2009.

Employment Arrangements for Richard M. Favor

Mr. Favor has an employment contract, effective September 6, 2007. For 2009, Mr. Favor's annual base salary was \$175,000. Under the terms of his contract, if within one year after a change in control, Mr. Favor terminates his employment for "Good Reason" (as defined) or he is terminated other than "for cause" (as defined), he would be entitled to base salary and benefits for a period of one year. Mr. Favor is also eligible for an annual bonus which is determined by the Board in its sole discretion. For 2009 and 2008, such bonus amount awarded was \$0 and \$15,000, respectively.

Mr. Favor was granted options covering 3,750 shares in September 2009 and will be granted options covering 3,750 shares in July 2010.

Employment Arrangements for Former Chief Executive Officer and President

A former Chief Executive Officer and President of the Company is a party to an Executive Salary Continuation Agreement (ESC) with the Company dated January 1, 1994. The purpose of the ESC was to provide an incentive for the former executive's continuing employment with CWB on a long-term basis. The ESC provides the former executive with a salary continuation benefit of \$50,000 per year for 15 years after retirement. Normal retirement under the ESC was age 61. The present value of the contractual liability has been recognized in the Company's audited financial statements. Beginning in March 2004, benefit payments under the ESC commenced.

Modification of Compensation Arrangements as a result of TARP-CPP

As noted above, in connection with the Company's participation in TARP-CPP, the Company's named executive officers have entered into written agreements with the Company which modify their Benefit Plans to comply with the limitations on executive compensation as set forth in EESA, ARRA and the Interim Final Rule (Rule) approved by the Treasury on June 15, 2009. One requirement of ARRA is the prohibition on any payment to a senior executive officer for departure from the Company for any reason, except for payments for services performed or benefits accrued during the period in which any obligation of the Company as a result of its participation in TARP-CPP remains outstanding. For more information on these agreements and the other limitations on executive compensation imposed by EESA, ARRA and the Rule, please refer to the section entitled "Employment Arrangements and Other Factors Affecting 2009 Compensation," above.

Treatment of Outstanding Stock Options upon Retirement, Termination or Change of Control

Termination of Employment or Affiliation. Under the terms of the 1997 and 2006 Plans, in the event an optionee ceases to be affiliated with the Company or a subsidiary for any reason other than disability, death or termination for cause, the stock options granted to such optionee will expire at the earlier of the expiration dates specified for the options, or 90 days after the optionee ceases to be so affiliated. During such period after cessation of affiliation, the optionee may exercise the option to the extent it was exercisable as of the date of such termination, and thereafter the option expires in its entirety. If an optionee's stock option agreement so provides, and if an optionee's status as an eligible participant is terminated for cause, the options held by such person will expire 30 days after termination, although the Board may, in its sole discretion, within 30 days of such termination, reinstate the option. If the option is reinstated, the optionee will be permitted to exercise the option only to the extent, for such time, and upon such terms and conditions as if the optionee's status as an eligible participant had been terminated for a reason other than cause, disability or death, as described above.

Liquidation or Change of Control. The Plans, and all stock options previously granted under the plans, terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options heretofore granted become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate unless provision is made for the assumption or substitution thereof. As a result of the acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. All options outstanding at the time of completion of the merger(s) will survive and not become immediately exercisable.

Profit Sharing and 401(k) Plan

The Company has established a 401(k) plan for the benefit of its employees. Employees are eligible to participate in the plan after three months of consecutive service. Employees may make contributions to the plan under the plan's 401(k) component and the Company may make contributions under the plan's profit sharing component, subject to certain limitations. The Company's contributions were determined by the Board and amounted to \$190,000, \$260,000 and \$255,000, respectively, in 2009, 2008 and 2007.

Directors' Compensation

CWB's non-employee Directors are paid for attendance at CWB Board meetings at the rate of \$1,200 (\$1,500 for the Chairman) for each regular Board meeting and \$250 (\$350 for Audit Committee Chairman) for each committee meeting. If a Director attends a meeting by telephone, only 25% of the above fee is received. In 2009, no additional discretionary compensation was awarded to the non-employee Directors. There were no CWBC Director fees paid during 2009.

The following table sets forth information concerning the compensation paid to each of the Company's Directors during 2009. Compensation paid to Lynda J. Nahra, President and Chief Executive Officer, is not included in this table because she was an employee during 2009 and, therefore, received no additional compensation for her service as a Director.

(2) During 2009, the Company did not grant any stock option awards to any of the non-employee Directors.

(3) In accordance with an Agreement with the Bank, in lieu of cash, Mr. Bartlein's fees are deferred and maintained in an account at the Bank and earn monthly interest at the Bank's then current six-month certificate of deposit rate. The balance in this account will be paid to Mr. Bartlein in 2011 upon his attainment of age 64.

Certain Relationships and Related Transactions

Some of the Directors and executive officers of the Company, as well as the companies with which such Directors and executive officers are associated, are customers of and have had banking transactions with CWB in the ordinary course of business. CWB expects to have such ordinary banking transactions with such persons in the future. In the opinion of CWB management, all loans and commitments to lend included in such transactions were made in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and did not involve more than a normal risk of collectibility or present other unfavorable features. Although CWB does not have any limits on the aggregate amount it would be willing to lend to Directors and officers as a group, loans to individual Directors and officers must comply with CWB's internal lending policies and statutory lending limits.

PROPOSAL 3

RATIFICATION OF THE COMPANY'S INDEPENDENT AUDITORS

The Company's independent auditors for the fiscal year ended December 31, 2009 were Ernst & Young LLP (Ernst). The Board of Directors, upon recommendation of its Audit Committee, has ratified the appointment of Ernst to serve as its independent auditors for the fiscal year ending December 31, 2010. Representatives of Ernst are expected to be present at the Meeting. The Company will afford the representatives an opportunity to make a statement, should they desire to do so, and expect that the representatives will be available to respond to appropriate questions.

The Board of Directors is requesting the Company's shareholders to ratify the appointment of Ernst as the Company's independent auditors for 2010. Although ratification is not required by the Company's Bylaws or otherwise, the Board of Directors is submitting the appointment of Ernst to the shareholders for ratification because the Board of Directors values the shareholders' views on the Company's independent auditors and as a matter of good corporate practice. In the event that the shareholders fail to ratify the appointment, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent auditor, subject to ratification by the Board of Directors, at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The Board of Directors unanimously recommends a vote "FOR" the ratification of the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2010.

Audit Fees

During the years ended December 31, 2009 and 2008, the aggregate fees billed by Ernst for the audit of the Company's consolidated financial statements for such fiscal year and for the review of the Company's interim financial statements were \$247,000 and \$247,000, respectively. These amounts include fees related to the fiscal year audit and interim reviews, notwithstanding when the fees were billed or when the services were rendered. Expenses included were billed from January through December of the fiscal year, notwithstanding when the expenses were incurred.

Audit-Related Fees

During the year ended December 31, 2009, \$15,000 was billed in connection with services related to Sarbanes-Oxley requirements and for 2008, there were no fees billed by Ernst for other audit-related services.

Tax Fees

During the years ended December 31, 2009 and 2008, the aggregate fees billed by Ernst for professional services related to recurring state and federal tax preparation, compliance and consulting were \$42,000 and \$44,000, respectively.

All Other Fees

During the years ended December 31, 2009 and 2008, there were no fees billed by Ernst for any other products or services provided by Ernst that are not otherwise disclosed above.

The Audit Committee of the Company reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2009 was compatible with their independence. The Audit Committee pre-approves all audit and permissible non-audit services to be provided by Ernst and the estimated fees for these services.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Company's independent auditor. These services may include audit, audit-related, tax and other services. Pre-approval is generally provided for up to one year and is detailed as to a particular service or category of service. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with the pre-approval and the fees for services performed to date. All services performed by Ernst for which fees were billed to the Company during the years ended December 31, 2009 and 2008 as disclosed herein were approved by the Audit Committee pursuant to the procedures outlined herein. All of the services of Ernst in auditing the Company's Financial Statements for the year ended December 31, 2009 were performed by Ernst or its full-time, permanent employees.

2011 SHAREHOLDER PROPOSALS

Shareholder proposals to be considered for inclusion in the Proxy Statement for the Company's 2011 Annual Meeting of Shareholders (2011 Meeting) must be received by the Company at its offices at 445 Pine Avenue, Goleta, California 93117, no later than December 15, 2010. The proposals must also satisfy the conditions and procedures

prescribed by the Company's Bylaws and by the Securities and Exchange Commission (SEC) in Rule 14a-8 for such proposals to be included in the Company's Proxy Statement for the 2011 Meeting, and must be limited to 500 words. To be included in the Proxy Statement, the shareholder must be a holder of record or beneficial owner of at least \$2,000 in market value or 1% of the Company's securities entitled to be voted on the proposal, and have held the shares for at least one year and will continue to hold the shares through the date of the 2011 Meeting. Either the proposer, or a representative qualified under California law to present the proposal on the proposer's behalf, must attend the meeting to present the proposal. Shareholders may not submit more than one proposal.

The SEC has in effect a rule governing a company's ability to use discretionary proxy authority with respect to proposals that were not submitted in time to be included in the Proxy Statement (i.e., outside the processes of Rule 14a-8 as described in the preceding paragraph). As a result, in the event a proposal is not submitted to the Company prior to February 28, 2011, and the proxy materials delivered in connection with the 2011 Meeting contain a statement conferring discretionary authority to the proxy holders of the Company (similar to the statement set forth in the third paragraph of this Proxy Statement), the proxies solicited by the Board for the 2011 Annual Meeting will confer discretionary authority to the proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is received by the Company after February 28, 2011.

Whether or not you intend to be present at the Meeting, you are urged to return your Proxy promptly. If you are then present at the Meeting and wish to vote your shares in person, your original Proxy may be revoked by voting at the Meeting. However, if you are a shareholder whose shares are not registered in your own name, you will need the Proxy obtained from your recordholder to vote personally at the Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder), Directors and persons who own more than ten percent of the Common Stock to file reports of stock ownership and changes in stock ownership with the SEC. The officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of all reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that during the last year its officers, Directors and greater than ten percent beneficial owners complied with all filing requirements, except for Director C. Richard Whiston, who filed late a Form 4 on February 23, 2009 reporting a purchase of Common Stock on February 9, 2009.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS SHARING AN ADDRESS

Only one Proxy Statement and Annual Report on Form 10-K is being delivered to shareholders sharing an address unless the Company has received contrary instructions from one or more of the shareholders. Upon the written or oral request of a shareholder, the Company will deliver promptly a separate copy of the Proxy Statement and the Annual Report on Form 10-K to a shareholder at a shared address to which a single copy was delivered. Shareholders desiring to receive a separate copy in the future may contact Charles G. Baltuskonis, Executive Vice President and Chief Financial Officer, Community West Bancshares, 445 Pine Avenue, Goleta, CA 93117-3474, telephone (805) 692-5821.

COMMUNITY WEST BANCSHARES
William R. Peeples,
Chairman of the Board

Dated: April 14, 2010
Goleta, California

APPENDIX A

COMMUNITY WEST BANCSHARES NOMINATING and CORPORATE GOVERNANCE COMMITTEE CHARTER (as amended and approved on December 17, 2009)

Purpose and Scope

The primary function of the Nominating and Corporate Governance Committee (“Committee”) is to assist the Board of Directors (“Board”) of Community West Bancshares (“Company”) in fulfilling its responsibilities by: (i) reviewing and making recommendations to the Board regarding the Board’s composition and structure, establishing criteria for Board membership and evaluating corporate policies relating to the recruitment of Board members; and (ii) establishing, implementing and monitoring policies and processes regarding principles of corporate governance to ensure the Board’s compliance with its fiduciary duties to the Company and its shareholders.

Composition and Meetings

The Committee shall be comprised of a minimum of three members of the Board as appointed by the Board, each of whom shall meet any independence requirements promulgated by the Securities and Exchange Commission, the NASDAQ Stock Market or any governmental or regulatory body exercising authority over the Company (each a “Regulatory Body”), and each member of the Committee shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

The members of the Committee shall be elected by the Board and shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet as necessary, but at least once each year, to enable it to fulfill its responsibilities and duties as set forth herein. The Committee shall report its actions to the Board and keep written minutes of its meeting which shall be recorded and filed with the books and records of the Company.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

Corporate Governance Policy Establishment and Review

1. Develop principles of corporate governance including, but not limited to, the establishment of a corporate code of ethics and conduct for all directors, officers and employees of the company and its affiliates, (“Code of Conduct”) designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest; full, fair, accurate, timely and understandable disclosure in the company’s periodic reports; and compliance with applicable governmental rules and regulations. The Code of Conduct shall be submitted by the committee to the Board and the Boards of the company’s affiliates for their approval.
2. Review and assess the adequacy of the Code of Conduct approved by the board periodically, but at least annually. The Committee shall recommend any modifications to the Code of Conduct to the Board for approval. If so approved, the Company shall submit the revised Code of Conduct to the Boards of its affiliates for their approval.

3. Direct members of the Company's senior management to report any violations of or non-compliance with the Code of Conduct to the committee.
4. Be available to members of the Company's senior management team to consult with and to resolve reported violations or instances of non-compliance with the Code of Conduct.

5. Determine an appropriate response to material violations of or non-compliance with the Code of Conduct including, at the discretion of the committee, reporting any material violations of or non-compliance with the Code of Conduct to the appropriate Regulatory Body.
6. Review and assess the adequacy of this Charter periodically as conditions dictate, but at least annually and recommend any modifications to the charter if and when appropriate to the Board for its approval.
7. Review and assess the adequacy of the charters of any committee of the Board (“Governing Documents”) periodically to ensure compliance with any principles of corporate governance developed by the committee and recommend to the Board any necessary modifications to the Governing Documents.

Board Composition, Nominations and Shareholder Proposals

1. Evaluate the current composition and organization of the Board and its committees in light of requirements established by any Regulatory Body or any other applicable statute, rule or regulations which the Committee deems relevant and make recommendations regarding the foregoing to the Board for approval.
2. Review the composition and size of the Board to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as a director of the Company. The mandatory retirement age of Board members shall be 80 years.
3. Determine the criteria for selection of the Chairman of the Board, Board members and Board committee members.
4. Evaluate the performance of current Board members proposed for reelection, and make recommendations to the Board regarding the appropriateness of members of the Board standing for re-election.
5. Evaluate and, if deemed necessary, recommend the termination of Board membership of any director in accordance with the Code of Conduct or any corporate governance principles adopted by the Board, for cause or for other appropriate reason.
6. Review and recommend to the Board an appropriate course of action upon the resignation of current Board members or any planned expansion of the Board.
 7. Evaluate and recommend to the Board the appointment of Board members to committees of the Board.
8. Evaluate and approve a slate of nominees for election to the Board and review the qualification, experience and fitness for service on the Board of any potential members of the Board.
9. Review all stockholder proposals submitted to the Company (including any proposal relating to the nomination of a member of the Board) and the timeliness of the submission thereof and recommend to the Board appropriate action on each such proposal.

Criteria for Evaluating Board Nominee Candidates

The Board should be composed of:

1. Directors chosen with a view to bringing to the Board a variety of experiences and backgrounds.
2. Directors who have high level managerial experience or are accustomed to dealing with complex problems.

3. Directors who will represent the balance, best interests of the shareholders as a whole rather than special interest groups or constituencies, while also taking into consideration the overall composition and needs of the Board.
4. A majority of the Board's directors shall be independent directors under the criteria for independence required by the SEC and NASDAQ.

In considering possible candidates for election as an outside director, the Nominating Committee and other directors should be guided by the foregoing general guidelines and by the following criteria:

1. Each director should be an individual of the highest character and integrity, have experience at or demonstrated understanding of strategy/policy-setting and a reputation for working constructively with others.
2. Each director should have sufficient time available to devote to the affairs of the Company to carry out the responsibilities of a director.
3. Each director should be free of any conflict of interest which would interfere with the proper performance of the responsibilities of a director.
4. The Chief Executive is expected to be a director. Other members of senior management may be considered, but Board membership is not necessary or a prerequisite to a higher management position.

Conflicts of Interest

1. Resolve actual and potential conflicts of interest a Board member may have and issue to any Board member having an actual or potential conflict of interest instructions on how to conduct him or herself in matters before the Board which may pertain to the conflict.
2. To the extent deemed necessary by the committee, engage outside counsel and/or independent consultants to review any matter under its responsibility.
3. Take such other actions regarding the Company's corporate governance that are in the best interest of the Company and its shareholders as the Committee shall deem appropriate or as shall otherwise be required by any Regulatory Body.
