There are no family relationships between or among any Directors of the Company. Directors are elected to serve until the next annual meeting of stockholders and until their successors are elected and qualified.

Independent Directors

The Board of Directors is currently comprised of four (4) members, of which three (3) are classified as "independent" as defined in the Nasdaq National Market's Marketplace Rule 4200. The independent Directors comprise a majority of the Board. The three independent Directors are Haig S. Bagerdjian, Louise C. Forlenza, and John R. Marozsan.

Meetings of the Board of Directors

The Board of Directors meets throughout the year on a set schedule. The Board of Directors also holds special meetings and acts by unanimous written consent from time to time as appropriate. The Board of Directors held seven meetings during the year ended December 31, 2005. Each Director attended at least (i) 75% of all of the meetings of the Board of Directors held during the period and (ii) 75% of the meetings of each committee on which he or she served. The Company does not have a policy requiring incumbent Directors and Director nominees to attend the Company's annual meeting of stockholders. One incumbent Director attended last year's annual meeting.

The Board of Directors meets in executive sessions without management, as needed, during or immediately following its regularly scheduled meetings. The Board of Directors also schedules executive sessions during the year for the independent Directors only.

Committees of the Board of Directors

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Serving on the Committee are Messrs. Marozsan and Bagerdjian and Ms. Forlenza. The Board of Directors has determined that it has an audit committee financial expert serving on the audit committee, Ms. Forlenza. Ms. Forlenza is an independent Director as defined in Item 7(d)(3)(iv) of Schedule 14A. The functions of the Audit Committee are, among other things, to make recommendations concerning the selection each year of independent auditors of the Company, to review the effectiveness of the Company's internal accounting methods and procedures, to consider whether the Company's principal accountant's provision of non-audit services is compatible with maintaining the principal accountant's independence and to determine through discussions with the independent auditors whether any instructions or limitations have been placed upon them in connection with the scope of their audit or its implementation. To carry out its responsibilities, the Audit Committee met eight times during fiscal 2005. The Board of Directors has determined that the members of the Audit Committee are "independent" as defined in the Nasdaq National Market's Marketplace Rule 4200.

The Company has a standing Compensation Committee comprised of Messrs. Bagerdjian and Marozsan and Ms. Forlenza. The function of the Compensation Committee is to discharge the responsibilities of the Board of Directors regarding executive compensation, including determining the compensation packages of the Company's Executive Officers, including its Chief Executive Officer. To carry out its responsibilities, the Compensation Committee met eight times during fiscal 2005. The Board of Directors has determined that the members of the Compensation Committee are "independent" as defined in the Nasdaq National Market's Marketplace Rule 4200.

The Company does not have a standing Nominating Committee. Due to the size of the Company and the resulting efficiency of a Board of Directors that is also limited in size, as well as the minimal turnover in the Company's Board of Directors, the Board of Directors has determined that it is not necessary or appropriate at this time to establish a separate Nominating Committee. Potential candidates for Director are reviewed by the entire Board of Directors, and Director nominees are selected by Board of Director resolutions subject to the approval of a majority of the independent Directors. All of the nominees recommended for election to the Board of Directors at the Annual Meetings are directors standing for re-election. Although the Board of Directors has not established any minimum qualifications for Director candidates, when considering potential Director candidates, the Board of Directors considers the candidate's character, judgment, diversity, skills, including financial literacy, and experience in the context of the needs of the Company and the Board of Directors. In 2005 the Company did not pay any fees to any third party to assist in identifying or evaluating potential nominees.

The Company's By-laws include a procedure whereby its stockholders can nominate Director candidates, as more fully described below under "Stockholder Proposals for the 2007 Annual Meeting." The Board of Directors will consider Director candidates recommended by the Company's stockholders in a similar manner as those recommended by members of management or other Directors, provided the stockholder submitting such nomination has complied with the procedures set forth in its By-laws. To date, the Company has not received any recommended nominees from any non-management stockholder or group of stockholders that beneficially owns five percent or more of its voting stock.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent accountants and management to review accounting, auditing, internal controls and financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the Company's independent auditors. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent accountants.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met eight times during fiscal 2005.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains independent auditors who are responsible for conducting an independent audit of the Company's financial statements, in accordance with standards of the Public Company Accounting Oversight Board (United States), and issuing a report thereon.

In performing its duties, the Audit Committee has reviewed and discussed the audited financial statements with management and the Company's independent auditors. The Audit Committee has also discussed with the Company's independent auditors, the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, "Communications with Audit Committee." SAS No. 61 requires the independent auditors to provide the Audit Committee with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to (i) their responsibility under auditing standards of the Public Company Oversight Board (United States), (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit. In addition, the Audit Committee received written disclosures and the letter from the independent auditors required by Independence Standards Board Statement No. 1, "Independence Discussions with Audit Committees". The independent auditors have discussed its independence with the Audit Committee, and have confirmed to the Audit Committee that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

On the basis of the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Audit Committee has also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

Employment Agreements

On January 1, 2004, the Company entered into a four year employment agreement with Mr. George Kondrach to serve as Executive Vice President of the Company. Mr. Kondrach's employment agreement automatically renews for an additional one year period unless the Company either provides a notice of non-renewal by June 30, 2008 or offers a reasonably comparable employment agreement to be effective immediately following the end of the term of the current employment agreement. Pursuant to the agreement, Mr. Kondrach will be compensated at a rate of \$250,000 per annum for the first year, subject to annual review for discretionary annual increases thereafter, and will be eligible to receive annual incentive compensation, and annual option grants as determined by the Compensation Committee of the Board of Directors in its discretion. The Agreement also provides for insurance and other fringe benefits, and

contains confidentiality and non-compete provisions. In the event Mr. Kondrach is terminated without cause (as defined), Mr. Kondrach is entitled to receive payments in an amount equal to his then base salary and the continuation of his fringe benefits (as defined) for the 12-month period following the date of his termination. Mr. Kondrach is entitled to receive payments in an amount equal to his then base salary and the continuation of his fringe benefits (as defined) for the 6 month period following the expiration of the term of his employment agreement in the event his employment agreement is not automatically renewed. The Agreement also provides for potential tax gross-up payments in respect of excise taxes that may be imposed on Mr. Kondrach under Section 4999 of the Internal Revenue Code.

On December 22, 2005, the Company entered into a three year employment agreement with Mr. Steven Ford to serve as Executive Vice President and Chief Financial Officer. Mr. Ford's employment agreement automatically renews for one year periods unless the Company either provides a notice of non-renewal by June 30 of the then current term or the Company and Mr. Ford execute a new employment agreement prior to the end of the then current term. The Agreement provides for annual base compensation of \$300,000 per annum, subject to annual review for discretionary annual increases, and additional short term incentive compensation for each calendar year as determined by the Compensation Committee of the Board of Directors in its discretion and conditioned on the attainment of certain quantitative objectives to be established by the Compensation Committee with a target bonus of not less than 30% of Mr. Ford's base salary for the year. The Agreement also provides for insurance and other fringe benefits, and contains confidentiality and non-compete and non-interference provisions. In the event Mr. Ford is terminated without cause (as defined), Mr. Ford is entitled to receive payments in an amount equal to his then base salary for (i) six (6) months following the date of termination if the termination occurs prior to the one (1) year anniversary of employment; or (ii) twelve (12) months following the date of termination if the termination occurs on or after the one (1) year anniversary of employment (twenty four (24) months in the event of a termination without Cause within twelve (12) months of a Change in Control (as defined)). The Agreement also provides, that in the event that any portion of any severance payment payable under his employment agreement constitutes an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code (the "Code"), then the Company shall pay Mr. Ford an additional gross-up payment to reimburse Mr. Ford on an after tax basis for any excise tax imposed on such payments under Section 4999 of the Code.

On April 26, 2006, the Company and Mr. Jack S. Abuhoff, the Chief Executive Officer and President of the Company, executed a three year employment agreement with an effective date of February 1, 2006. The Agreement provides for: annual base compensation of \$369,000 subject to cost of living adjustments and annual discretionary increases as determined by the Company's Board of Directors; additional cash incentive or bonus compensation for each calendar year determined by the Compensation Committee of the Board of Directors in its discretion and conditioned on the attainment of certain quantitative objectives to be established by the Compensation Committee with a target bonus of not less than 50% of Mr. Abuhoff's base salary for the year; and equity based incentive compensation in such amounts as shall be determined by the Compensation Committee, which, if granted, shall have an exercise price equal to the fair market value of the shares at the time of the grant. The Agreement also provides for insurance and other fringe benefits, and contains confidentiality and non-compete and non-interference provisions. In the event Mr. Abuhoff is terminated without cause (as defined) or, if upon expiration of the term of the Agreement the Company does not offer to enter into a successor agreement on substantially similar terms, Mr. Abuhoff is entitled to receive payments in an amount equal to the greater of (i) his then base salary for 24 months or (ii) the number of months remaining in the term of the Agreement; the continuation of his health, life, disability and non-qualified retirement plan benefits for the greater of (i) 24 months or (ii) the number of months remaining in the term of the Agreement; twice Mr. Abuhoff's then bonus target; and the removal of any vesting, transfer, lock up, performance or other restrictions or requirements on his stock options or other equity based compensation. In the event Mr. Abuhoff resigns after the 6 month anniversary of a change of control (as defined), Mr. Abuhoff is entitled receive severance payments in an amount equal to the greater of (i) his then base salary for 36 months or (ii) the number of months remaining in the term of the Agreement; the continuation of his health, life, disability and non-qualified retirement plan benefits for the greater of (i) 36 months or (ii) the number of months remaining in the term of the Agreement; three times his then bonus target; and the removal of any vesting, transfer, lock up, performance or other restrictions or requirements on his stock options or other equity based compensation. The Agreement also provides for potential tax gross-up payments in respect of income taxes and penalties that may be imposed on Mr. Abuhoff under Section 409A of the Internal Revenue Code, and in respect of excise taxes and penalties that may be imposed on Mr. Abuhoff under Section 4999 of the Internal Revenue Code.

Compensation Committee Interlocks and Insider Participation

In 2005 the Compensation Committee was comprised of Messrs. Bagerdjian and Marozsan and Ms. Forlenza, none of whom are or were officers or employees of the Company.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Executive Compensation Committee (the "Committee") sets and administers the policies governing annual compensation of the Chief Executive Officer and the other Executive Officers. The Committee consists of three directors who meet the independence requirements of the Nasdaq Stock Market. The Committee acts under a charter that was approved by the full Board of Directors on December 16, 2002. The Committee met eight times in 2005.

Compensation Principles

The Committee seeks to establish an appropriate relationship between executive compensation and the creation of shareholder value. To achieve this goal, the Company's executive compensation consists of a combination of annual salary, bonuses based upon targeted financial goals, and stock-based incentives.

The Committee determines compensation annually by considering (a) the level of compensation necessary to attract and retain executive talent in light of compensation paid by peer companies and the overall competitive environment, (b) Company performance, both separately and in relation to similar companies, (c) individual performance, (d) historical compensation levels and stock awards at the Company, (e) recommendations by an independent compensation consulting firm, and (f) any other factors the Committee may deem relevant. The Committee also considers the recommendations of the Chief Executive Officer on compensation for other Executive Officers.

Base Salary

The Company provides competitive base salaries that allow it to attract and retain a high performing leadership team. Base salaries for Executive Officers are determined based on an assessment of the factors set forth above under Compensation Principles.

In 2005, the Compensation Committee made no changes in Base Salaries payable to Named Executive Officers including the Chief Executive Officer, other than an increase in salary for the Vice President, Finance. The Base salary paid to these officers in 2005 is set out in the "Summary Compensation" table.

Annual Bonuses

Based on an assessment of the factors set forth under Compensation Principles, the Compensation Committee determined that no bonuses were to be awarded for 2005 to the Company's Named Executive Officers, including the Chief Executive Officer.

Stock-Based Incentives

The Company uses stock option grants as the primary vehicle for employee stock-based incentives. The Committee believes stock options align the Executives Officers' interests with those of stockholders in building share value, offer Executive Officers an incentive for the achievement of superior performance over time, and foster the retention of key management personnel. The Committee typically grants stock options on an annual basis, and occasionally makes supplemental grants. Stock options have an exercise price equal to current market price at time of grant. The number of stock options the Committee awards each Executive Officer is based on his or her relative position, responsibilities and performance over the previous fiscal year and his or her anticipated future performance, potential and responsibilities. The Committee also reviews and considers prior stock option grants to each Executive Officer. The size of stock option grants is not directly related to the Company's performance. The Committee also uses data on stock options granted by companies that are comparable by industry and revenue, and takes into consideration recommendations asserted by an independent compensation consulting firm.

The Committee reviews and occasionally recommends changes in the exercise prices, expiration dates and vesting schedules of prior stock option grants, and the imposition of restrictions on sale as a condition to certain of these changes.

See “Option Grants in Last Fiscal Year” table for information on stock option grants awarded to Named Executive Officers in 2005. See “Summary Compensation Table” for information on changes in 2005 to the exercise prices, expiration dates and vesting schedules of prior stock option grants to Named Executive Officers and the imposition of restrictions on sale as a condition to certain of these changes.

Chief Executive Officer Compensation

For 2005, the Committee determined the salary, bonus and stock-based incentives of the Chief Executive Officer substantially in conformance with the policies described above for all Executive Officers of the Company.

See “Option Grants in Last Fiscal Year” table for information on stock option grants awarded to the Chief Executive Officer, in 2005. See “Summary Compensation Table” for information on changes in 2005 to the exercise prices, expiration dates and vesting schedules of prior stock option grants to Chief Executive Officer, and the imposition of restrictions on sale as a condition to certain of these changes.

The Chief Executive Officer did not receive an increase in base salary or a bonus in calendar year 2005 based on an assessment of the factors set forth above under Compensation Principles.

In addition, the Company paid Mr. Hertz at that time \$400,000 for entering into a six-year non-competition agreement with the Company.
